Chapter 2431: Chapter 2430 Your Body, my original body

Translator: 549690339

"You... You Are..." when the girl saw Yun Jian's face, she was completely dumbfounded. She looked at Yun Jian and raised her hand in disbelief.

Yun Jian frowned slightly. He didn't know why the girl did this.

"You are still slacking here! Why aren't you working! Are you trying to get caught and go to work? ! The Boss gave you a chance to work in the production team. This is already a great favor! If you want to die, you'd better die as soon as possible! Trash like you, even if you were sent to pick up customers, they wouldn't want you!"

Just as the girl saw Yun Jian and her hands and body started to tremble violently, a burly woman walked over. She grabbed the girl's ear and dragged the girl to the warehouse.

The woman and the girl looked like they were both from Z country. They spoke z country's language, but for some unknown reason, they were helping the production team from M country.

The moment the girl was grabbed by the woman and dragged to the warehouse, she turned her head and stared at Yun Jian with tears in her eyes.

It was only when she was dragged into the warehouse that the girl retracted her gaze.

Yun Jian did not remember that he knew this girl.

Nor did he remember that he had seen such a person.

The girl was very thin, so thin that she was only skin and bones. She was even thinner than when Yun Jian was reborn into this body.

One look and it was obvious that she was stunted.

Just from her appearance, one could not tell the girl's age.

However, the girl's face was pitch black. It could be seen that the girl's face was smeared with many dirty things, as if she was trying to cover up her original appearance.

Yun Jian blinked. For some reason, when she saw the girl, her heart suddenly twitched twice.

Shaking his head, Yun Jian left the warehouse.

...

At noon, Shi Miifen finished filming a scene of her female lead. She sat under the Sun umbrella and leisurely sucked on the milk tea that her assistant had personally served her.

There was such a phenomenon when movie stars acted like big shots in the entertainment industry. Moreover, it was even more excessive than what was revealed by the real media.

It was just that the media usually wouldn't reveal it.

Even if the media revealed it, it would only be hype.

After all, it was impossible for a small reporter from the media to fight with someone with backing.

At this moment, Yun Jian was sitting on a bench.

She saw that someone was blocking her view of the sun, so she raised her head to look.

She saw that the girl she met in the warehouse this morning was sweeping the floor with her head lowered. Seeing that there was no one around, she handed a small piece of paper to Yun Jian and ran away while sweeping.

Yun Jian opened it and saw a line of delicate and pretty words written on the small piece of paper:

See You at the warehouse at five o'clock. I have something very important to tell you.

After reading the paper, Yun Jian tore it up and pretended that nothing had happened.

Shi mifen, who was far away, happened to see this scene. She asked her assistant to move milk tea away and narrowed her eyes in thought.

...

5 pm.

Yun Jian went to the warehouse as promised.

Yun Jian went to the warehouse, but Shi Mifen used a method to attract most of the crew to the warehouse.

At this moment, Yun Jian had already met the girl.

The moment she met the girl, the girl looked at Yun Zhi and asked, "Who are you..."

Her voice was a little timid and scared.

"Who are you?" Yun Zhi asked back, his tone did not have the slightest bit of weakness.

When the girl heard Yun Zhi ask her, the girl let out a huge breath and said,

"I am Yun Zhi, I am you. No, it should be said that your body was originally mine... I am the Real Yun Zhi!"

Chapter 2432: Chapter 2431 is the person that I, Yun Jian, protect

Translator: 549690339

When she said this, the young girl paused for a moment and used a slightly fearful and timid gaze to glance at Yun Jian's face.

When she saw Yun Jian's indifferent expression that did not seem to be affected by anything, the young girl lowered her head again. Afraid that Yun Jian would misunderstand her, she hurriedly said,

"But you, you don't have to be afraid. I, I, I didn't come to snatch your body because your body originally belonged to you. It's just that I once borrowed it for a period of time..."

The young girl timidly raised her head, not daring to look at Yun Jian's reaction.

Different from Si Luo's timidity, the young girl's timidity came from the depths of her soul. The timidity caused by her own timidity and fear of being bullied was something that no outsider could imitate.

"Speak clearly." Upon hearing the young girl's words, Yun Jian's brows furrowed slightly, but she still spoke with an expressionless face.

The girl suddenly lowered her head again. Her hands interweaved together, and after organizing her words for quite a while, she finally said what she wanted to say clearly:

“It’s... someone told me that that body was originally yours, that you were from another world, that you were supposed to grow up peacefully after coming to earth...”

“That person also, also told me that I was just a puppet created by someone to harm you. I was originally an existence that heaven and earth could not tolerate. Now that you’ve only returned to your own body, I...”

At the end of her sentence, the girl lowered her head again.

Not only was the girl timid, she was also very honest.

She told Yun Jian everything.

But at the end, the girl lowered her head as if she was recalling something terrifying. She continued:

“I, I also feel that I shouldn’t be living in this world.

“They’re all so terrifying. I clearly didn’t do anything. They kept hitting me and even dragged me to the toilet... kept hitting me... and even said that I seduced people. I clearly didn’t...”

The young girl’s words caused Yun Jian’s eyes to freeze.

After these words, Yun Jian understood everything.

When she was sent to Earth a thousand years ago by Si Yi, she should have been Qin Yi Rou’s daughter. She should have grown up peacefully.

However, someone had created this young girl and sent Yun Jian’s soul into the body of the former God of destruction.

To put it bluntly, this young girl was an existence that heaven and earth couldn’t tolerate. She didn’t even have her own physical body.

Moreover, even if she had her own physical body, she would not be able to survive in this world due to her cowardice.

She was originally a puppet that had defied the heavens and was created.

An existence that was truly not recognized by the world.

“Raise your head.” Just as the girl was about to crouch down due to her cowardice and fear, Yun Jian’s icy cold words suddenly rang out.

Hearing Yun Jian’s words, the young girl raised her head in fear.

At that moment, Yun Jian reached out and pinched the young girl's chin. "You shouldn't be living in this world, right? Then whose body is yours now?"

"The person who... who told me everything said that the owner of this body is a little beggar. She's already dead."

The young girl's chin was pinched by Yun Jian as she looked into Yun Jian's sharp eyes. She spoke with a trembling voice.

"Then she is yours! Even if you were created and are an existence that heaven and earth can not tolerate, since you have survived and have a physical body, you are you!

"Raise your head and tell me your current name."

Yun Jian's words were like a bolt of lightning, causing the girl's body to freeze. She tried her best to make her voice sound like a normal person's:

"My current name... is Yezhi! My name is Yezhi!"

After hearing the girl's words, Yun Jian narrowed her eyes. She curled her lips and did not let go of her hand that was holding the girl's chin.

In the warehouse that was illuminated by the sunset, Yun Jian raised Yezhi's chin with her hand. She gave a faint smile that ignited Yezhi's hope for life. Then, at the moment when Yezhi was mesmerized, she said,

"From today on, you, Yezhi, are the person that I, Yunjian, protect!"

Yezhi was the name of the original owner of this little beggar's body after the girl was dragged into the toilet by Lin Mengyu and the others in Xinjiang Town.

Yezhi's current body was not bad-looking at all. This could be seen from his exquisite facial features.

However, Yezhi's current body was obviously stunted. In addition, Yezhi had painted his face like charcoal, as if to cover up his original beauty, so he looked very ordinary.

The words "Cloud Note" belonged to her, whether in the past or in the future.

Hearing the words of the cloud note, Yezhi raised her head. Her face was still a little shaky, but at this moment, she was staring into the eyes of the cloud note, as if the cloud note was her salvation.

“Can you really, really protect me? The people on this earth are so scary. They used to bully me at school, and now that bad woman here has been beating me, and even used a ruler to slap my hands...”

With that, Yezhi shakily reached out her white hands that she had been holding tightly.

The cloud note saw that the white palms that Yezhi had reached out to the cloud note had been beaten until they were swollen and bloody.

“From today onwards, no one dares to hit you again. I will protect you. Also, tell me, who is the person who told you everything?”The cloud note put down the hand that was gently pinching Yezhi’s chin and asked.

She did not forget that everything ye Zhi said was told to her by someone.

Of course, ye Zhi was only a coward, not a fool.

“He said his name is Yuan Lin. He told me that if I had the chance to see you, I would tell you everything.”Ye Zhi was still a little afraid of Yun Jian, but she still suppressed the fear emanating from the depths of her soul and answered Yun Jian’s question.

“Anything else?”Yun Jian asked again.

“No.”Yezhi shook her head.

“Da Da Da.”At that moment, footsteps came one after another from outside the warehouse.

Yun Jian narrowed her eyes. She pulled Yezhi over and whispered something into her ear.

Yezhi listened to Yun Jian’s words in a trembling voice. She nodded and ran to the back door of the warehouse.

“Bang.”The front door of the warehouse was soon opened.

The movie queen Shi Mifen rushed in with a large group of people.

When she saw that Yun Jian was the only one in the warehouse, Shi Mifen was stunned. Then, she rolled her eyes and said,

"I clearly saw two rats enter the warehouse. I'm afraid that the clothes in the warehouse will be eaten by the rats as meat. Everyone, please look carefully. The filming schedule is tight. If the props are eaten by the rats, it will be troublesome."

As she spoke, Shi mifen glanced at Yun Jian from the corner of her eyes.

Of course, this was an excuse that Shi mifen came up with randomly. Her purpose was to bring people over to catch Yun Jian and the girl talking. She didn't expect the girl to slip away so quickly.

"I came to the warehouse to get the costume that I need to change into, but I didn't see any rats. You must have seen wrongly." Yun Jian glanced at Shi mifen from the side, reached out for a piece of clothing in the warehouse, and turned around to go around the crowd, they left.

Shi mifen and her people searched the entire warehouse, but couldn't find anyone. In the end, she could only walk away unwillingly.

...

Yezhi, who had been running out of the warehouse, felt her heart beating wildly.

Just now, Yun Jian told her that someone had brought people to capture the two of them for a private meeting.

Yun Jian also said that she had to stay in the production team now and let her go back to where she used to live. After Yun Jian finished his business, he would take her away.

Yezhi ran out of the warehouse and kept looking back.

She didn't even notice that she accidentally bumped into a strong chest.

Yezhi was so scared that her face turned green. Just as she was about to say sorry, she saw a Gao Xin man wearing a ghost mask.

"It's You! I found her! Are you here to see her? I'll take you to her!" Seeing him, Yezhi reached out her hand to pull the Gao Xin man wearing the ghost mask.

The man was 1.83 meters tall, and ye Zhi could only reach his shoulder.

The Man in the ghost mask was the Yuan Purlin ye Zhi was talking about. He was the man who asked ye Zhi to tell her the truth that the cloud paper did not know.

Ye Zhi thought the yuan purlin was here to find the cloud paper, so she reached out to pull the Yuan Purlin, wanting to go back to find the cloud paper.

But just as she grabbed Yuan Lin's hand and wanted to take him to find the cloud paper, Yuan Lin, who was wearing a ghost mask, suddenly spoke. His mellow voice was addictive:

"I'm here to find you."

Translator: 549690339

When Yezhi had just left the current body of Yunjian and was reborn from Xinjiang town into the body of this little beggar, she was so frightened by the surrounding environment that she hugged her knees and shivered.

At that time, Yezhi was caught in a brothel not to be a prostitute, but to do hard work in a brothel.

To describe Yezhi in the words of the regular customers of the brothel, a dry little girl like her with thin arms and thin legs did not even want to look at her. She did not even want to look at the beautiful women in the brothel.

Yezhi worked very hard. Coincidentally, the owner of the brothel did not have enough money for the past few weeks, so he sold Yezhi to sister Lou.

Sister Lou was the middle-aged woman that Yun Jian had seen earlier. She had grabbed Yezhi by the ear and scolded Yezhi for not working and being lazy.

Coincidentally, Mr. Milland's big production team had started to shoot a movie. Sister Lou had some power in the production team, so it fell to sister Lou to find people to help the big production team backstage and do logistics.

Sister Lou brought Yezhi to the film crew and let her do the work for three people. Sister Lou earned the money for the three people.

From her rebirth to this little beggar's body, until now, it was Yuan Lin who told her everything she didn't understand.

Including letting Yezhi tell the truth to Yun Jian when she met Yun Jian, these were all things Yuan Lin had told Yezhi before.

However, Yuan Lin only told ye Zhi everything she wanted to know.

Even when he saw ye Zhi being beaten and bullied by sister Lou, Yuan Lin would only stand aside and ignore him.

Yuan Lin did not care, nor did he care about any trivial matters that he did not think were important.

“Looking for me? oh.”Ye Zhi was stunned after hearing Yuan Lin’s words, then nodded.

“Give this letter to her. After she reads it, she must go to this place. There is everything that she and the divine lord want to know.”

Yuan Lin took out an envelope and handed it to Yezhi. Then, he turned around and was about to leave.

Yezhi took the envelope and flipped through it twice.

Just as Yezhi was curious and wanted to open it to have a look, Yuan Lin, who was about to leave, suddenly stopped, turned around, and shouted in his usual indifferent voice, “Don’t open it.”

The sudden sound scared Yezhi so much that her hands trembled, and the envelope in her hand fell to the ground.

Yezhi bent down to pick it up. “OH.”

She was wrong. She was just a puppet, and shouldn’t know so much.

After picking up the envelope from the ground, Yezhi turned to leave.

Yuan Lin, who was about to leave, stopped her. “Wait.”

Yezhi turned around, and Yuan Lin was already in front of her.

She was holding a plastic bag of candied haws in her hand. Yuan Lin handed it to Yezhi. “This is for you.”

When she turned around just now, Yezhi was a little disappointed.

She was just a puppet. It was enough for her to live in this world. But when she saw her favorite candied haws, her eyes were a little moist. She was happy to see Yuan Lin, but now, she imitated him and took the candied haws:

“Thank you.”

Her words were extremely unfamiliar.

After saying that, she turned around to look for the cloud paper.

As she walked, she carefully opened a candied haws and stuffed it into her mouth.

Just as ye Zhi was about to disappear in front of him, Yuan Lin frowned and called out to her again, "Wait."

Ye Zhi licked the candied haws and turned around.

In the past, whether he ignored her when she was bullied or treated her indifferently, ye Zhi always treated him as her salvation.

But after meeting Yun Jian, she seemed to have changed.

Ye Zhi took another bite of the candied haw and looked at Yuan Lin. Her feet were moving forward, as if she couldn't wait to find Yun Jian.

No one had ever said to her, "From today on, you, Ye Zhi, are under my protection."

She seemed to have found a new salvation.

Yuan Lin saw stars in her eyes, but he remained expressionless under the ghost mask. In the end, he only said three plain words, "It's okay."

"It's okay," these three words came out of Yuan Lin's mouth. Before he could finish saying "It's okay," ye Zhi had already run away impatiently.

Yuan Lin, who was wearing a ghost mask, only revealed a pair of pitch-black eyes.

Yuan Lin's pitch-black eyes flashed when ye Zhi ran away before he could finish his words.

But in the end, nothing happened. He turned around and left, as if he had never appeared.

...

Yun Jian, who had received the envelope, looked at the address written on the letter and frowned slightly.

There was only a piece of white paper in the envelope. There was an address written on the white paper, and on top of the address was a line of strong and powerful pen words:

'friend or foe. Sorcerer Divine Lord, you must go to this place. Here, you can find out why the mysterious person has been targeting you and all the other mysteries that you want to know since thousands of years ago.'

These few sentences were written in pen. The handwriting was very strong. It could be seen that the person who wrote these few sentences had very good hand strength.

Although the other party did not directly reveal his identity, from the words 'friend' and 'not enemy', it could be seen that this person was not from the mysterious person's side.

Moreover, the address written in his letter was the same location as the place where Yun Jian and Si Yi had recently found out everything that had happened on the God continent and tens of thousands of years ago!

Therefore, they could directly rule out that this person was definitely not the mysterious person.

If it was the mysterious person, he would not have told them such important news.

Yun Jian took the envelope and burned it with a lighter.

"I have to stay here for a while. You Go back to your original place first. I will pick you up after I finish my work," Yun Jian said to Ye Zhi.

"Yes, yes, yes!" Ye Zhi nodded at Yun Jian.

Ye Zhi had always trusted Yuan Purlin, but now that Yun Jian had appeared, Yun Jian treated her better than Yuan Purlin did.

After hearing Yun Jian's words, Ye Zhi ran out excitedly.

Seeing this, Yun Jian watched ye Zhi leave with a slight smile.

Why had the mysterious man been targeting her and Si Yi for thousands of years? Was this mystery finally going to be solved.

...

Yun Jian and ye Zhi met in the restroom on the set and just returned to the filming base.

“Isn’t she just a little girl that sister Lou bought? ! If I can’t cure others, can’t I Cure You? !”

A sharp female voice suddenly sounded.

The next second, a scream spread across the sky.

What Yun Jian saw was this scene — in front of everyone present, the movie queen Shi Mifen held a silver needle in her hand and fiercely stabbed ye Zhi’s body.

Ye Zhi was so scared that she curled up. She wanted to dodge, but Shi Mifen grabbed her and stabbed her.

Shi mifen had a big backer. Since she dared to do this to people in front of everyone, she must be confident that no one here would dare to expose her scandal!

Shi mifen targeted ye Zhi because she didn’t catch Yun Zhi and ye Zhi. She hated Yun Zhi, especially since Yun Zhi stole her female lead’s appearance. If she couldn’t deal with Yun Zhi, she would deal with ye Zhi.

Seeing this, Yun Jian’s eyes were bloodshot.

For some reason, seeing ye Zhi being bullied, her heart was also bleeding.

Seeing Yun Jian coming, Shi Mifen grabbed ye Zhi’s hair and arrogantly grabbed a silver needle, about to stab it into ye Zhi’s face.

Everyone present could see that Shi mifen wanted to use this to provoke Yun Jian.

However, just as everyone present thought that Yun Jian would definitely not be able to fight against the movie queen Shi mifen, and even Yun Jian did not dare to fight against Shi mifen, he could only suppress his anger in his heart. In the next second, Yun Jian’s actions.., caused everyone present to be dumbstruck

Who Was Shi Mifen?

She was an international movie queen, an actress who had won the Best Actress award in the world. She was also known as an international movie queen. Her status and power were something few people in the industry could afford to offend.

In addition, Shi Mifen had been in this industry for many years and knew many big investors and international famous big shots. Therefore, no one in the industry dared to offend Shi mifen.

When Shi Mifen was acting on the set, not only did she not bully the staff, but she even needed her assistant to bring her tea and water.

Not long ago, a new assistant forgot that Shi Mifen liked to drink tea with lemon. She brought her a cup of tea without lemon.

Shi mifen took a sip and sprayed the tea directly on the new assistant's face. Then, she kicked the assistant to the ground and fired her on the spot.

Shi Mifen was a big shot a lot.

But even so, she had backing. Who would dare to expose her?

Unless she didn't want to work anymore!

Even if someone did expose such news, with Shi Mifen's status, she would quickly cover it up with other methods.

No media company would be stupid enough to go against Shi Mifen for a staff member.

Therefore, Shi mifen became more and more arrogant.

Shi mifen knew sister Lou who bought ye Zhi. After knowing that ye Zhi was sister Lou's person, Shi Mifen attacked ye Zhi in public to show Yun Jian.

However, no one present thought that Yun Jian, a new actress, would dare to go against Shi Mifen in public!

At this moment, seeing Yun Jian rushing toward Shi Mifen, a few staff members standing in the distance cried out in shock:

"Quick! Stop her!"

The crowd instantly became noisy.

A group of staff members at the side also responded and wanted to run towards Shi mifen.

However, the group of staff members only had time to run one step when Yun Jian was already in front of everyone. In a few flashes, it arrived in front of Shi Mifen at a speed that could not be seen clearly by the naked eye.

Shi Miifen was shocked.

At this moment, the silver needle in Shi Miifen's hand had just pierced into Yezhi's back and was about to pierce it again. She was still waiting to see the cloud note being stopped and subdued by the group of workers, she watched helplessly as she pierced one by one into Yezhi's body and revealed a helpless and pained expression.

However, Shi Miifen never expected that the cloud note would actually! She was so fast!

Even Wei Yuke and Dong Lijie, who were resting not far away, were so shocked by Yun Jian that they stood up from the bench and straightened their backs!

They also did not expect Yun Jian to dare to make such a bold move against the movie queen Shi Mifen before the mission was completed!

Did she not know? ! Even if she died, as a spy of the police, she could not reveal her skills before completing the mission!

Otherwise, the possibility of completing the mission would be greatly reduced!

The members of the three special forces in the distance also cried out in surprise.

Just when everyone thought that Yun Zhi would only snatch the silver needle from Shi Mifen's hand and would not dare to make a move against Shi mifen, a scene that shocked everyone present happened!

Yun Zhi went around Shi mifen and stood behind her. She did not immediately help Yezhi as everyone thought.

Instead, she reached out and grabbed the pile of silver needles placed beside Shi Mifen's resting seat. She skillfully held the four silver needles in her hand, grabbed Shi mifen, who was afraid to run away, and pulled the four silver needles..., she pressed them against Shi Mifen's back!

In front of everyone present, she directly stabbed the silver needles into Shi Mifen's body!

The four silver needles directly entered Shi Mifen's body! Even the tail of the Needles was nowhere to be seen!

One had to know that Shi mifen just used the tips of the needles to stab ye Zhi.

As for Yun Jian? She directly pushed the silver needles into Shi Mifen's body!

Just looking at this method made people afraid! Not to mention experiencing it personally!

"Ahhhh!" As soon as Yun Zhi's action was done, Shi Mifen's heart-wrenching screams rang out.

At this moment, Yun Zhi raised her leg and kicked the place where she had pushed the silver needle into Shi Mifen's back, giving Shi Mifen a kick that was as painful as facing death.

Just as everyone present was shocked by Yun Zhi's terrifying method, they heard Yun Zhi's cold voice that made people shudder from the bottom of their hearts suddenly spread in this second:

"I'll let you live. Your acting career is over!"

Yun Jian's faint words, coupled with her cruel and terrifying technique just now, made everyone present feel as if they were seeing an international movie star being completely annihilated in the entertainment industry because of her evil deeds.

For some unknown reason, such a scene appeared in front of everyone's eyes, and it actually gave people a feeling of fear that came from the depths of their souls.

"Ah! Ah! Ah Ah Ah! My body, my body! ! ! I Can't use my strength anymore! Ah Ah Ah! Someone come quickly! Ah Ah!" Shi Mifen also cried out like a pig being slaughtered after the horrifying scene appeared in front of everyone's eyes.

Everyone was completely at a loss.

But at this moment, no one was willing to go forward and help Shi Mifen.

Even Shi Mifen's new assistant was somewhat hesitant and unwilling to go forward.

Most of the people present saw what kind of person Shi Mifen was in the past, but they didn't dare to say it.

Now that Yun Jian had attacked Shi Mifen in front of everyone present, although everyone was frightened and horrified, they had to say that Shi Mifen deserved it.

People like Shi Mifen had already offended all the staff members of the production team.

When everyone saw this scene, some of them even felt secretly happy.

It wasn't until Mr. Millander appeared that someone ran over to help send Shi Mifen to the hospital in order to leave a good impression in front of Mr. Millander.

And at this moment, as the Yun Jian who sent Shi Mifen to the hospital, she didn't have the slightest bit of fear as she looked at Mr. Millander.

"You... Hey, Shi Mifen is the female lead in our drama. Without her, how are we going to continue filming?"

Mr. Millander did not dare to get angry at Yun Jian because Yun Jian had played the role that he had been looking for someone to play.

If Yun Jian was to be replaced, the role that Yun Jian played would be even harder to find than another female lead.

Yun Jian did not say a word after being questioned by Mr. Millander.

In the end, Mr. Millander waved his hand, "Forget it! With Shi Mifen's condition, she definitely can't continue to appear as the female lead. Dress up tonight. When we meet with the investors of our project, ask for forgiveness in person!"

Because Yun Jian played the role of Aude's professional assassin, her acting skills could not be imitated by outsiders.

In the movie, Mr. Milland dreamed of finding an actor who could play her.

To put it bluntly, no one would be satisfied with playing the role of Ao de la. .

Therefore, Mr. Milland didn't blame Yun Jian too much.

To put it nicely, Yun Jian was still useful to Mr. Milland, so he bailed her out.

As for Yun Jian saying that Shi Mifen's acting career was over, he wasn't joking.

When Shi Mifen recovered from her illness, she would definitely complete her task. At that time, she would directly ban Shi Mifen in the name of the chairman of Xinqi Company. Would she still have a way to live?

...

After leaving the place where she met Mr. Millander, Yun Jian had just walked to a place where there was no one around when Dong Lijie stopped Yun Jian.

After a while, the captain of the strongest team, Zhu Yao, and a few other team members stood in front of Yun Jian.

“You got the chance to meet the target tonight? Last time you went to the office with Mr. Millander, did you want Mr. Millander to promise you this?” Dong Lijie was the first to ask.

Yun Jian ignored her and turned to leave.

“Asura, no matter what you want to do, please remember our purpose at all times! Your flamboyance will only attract the attention of our target!

“Once we get the attention of our target, the chances of US completing the quest will be reduced!”

“Are you sure you are not here to hinder us from completing the quest? !”

Just as Yun Jian took two steps forward, a voice sounded behind him again.

It was the captain of the most awesome team, Zhu Yao.

At this moment, Zhu Yao was looking at Yun Jian with an expression of doubt and confirmation that Yun Jian was here to destroy everyone’s mission.

The members of the most awesome team all had extreme disbelief towards Yun Jian.

Hearing this, Yun Jian stomped his foot and continued to walk forward, ignoring the members of the most powerful squad.

“Asura, before we returned to country Z, we had already understood your battle record. If your strength was only enough to expose yourself to the target, then before the mission even started, the target would have already started to suspect us.

“Then with this kind of you, you can’t even compare to the other six members of the King’s squad. On what basis can you be called the strongest member of the King’s squad!

“Could it be that your previous battle results are the same as the news we heard? Is it all because of your father, the former commander of Your King’s squad? !”?

“It’s not just your father who covered up your battle results. Could it be that all the battle results of your King’s squad were exaggerated by your father?”?

“Your King’s squad has really disappointed me!”

Seeing that Yun Zhi was about to leave, Zhu Yao stared at Yun Zhi and said these words in a serious tone.

After saying these words, Yun Zhi’s footsteps suddenly stopped. She suddenly turned around and said to Zhu Yao and the members of the most powerful team in a tone that was no less than Zhu Yao’s, her words were as cold as winter ice:

“Tonight.”

“What?”Hearing Yun Jian suddenly say these two cold words that people could not understand but could feel the chill in her words, the members of the most amazing team were stunned and then asked back.

“Before midnight tonight, I will get all the evidence of that big investor selling drugs. If you can complete the task before I succeed, then you can say whatever you want,”yun Jian said.

After she finished, she paused for a moment, and then put on a faint smile that shocked everyone. “If you can’t, please shut that annoying mouth of yours!”

After Yun Jian said this, the faces of the members of the most awesome team suddenly changed.

Complete the mission before midnight tonight?

Was she joking with Asura? ?

One had to know the identity of that big investor!

He was an international big shot!

Usually, as a spy, one had to get close to such a big shot. Some spies even needed to spend a few years or decades of incubation period to gain the other party’s complete trust before they could succeed and successfully complete the mission!

If such a mission could be completed within three years, it would already be a huge favor! Because the mission was still completed.

With their standards, even if they were discovered, it wasn't impossible for them to fail the mission!

And Yun Jian actually said that they would complete the mission before midnight tonight! ?

The faces of the members of the most powerful team suddenly changed in shock.

"Someone is coming, quickly leave!" At this moment, the member of the most powerful team who was guarding nearby walked over.

Hearing this, Zhu Yao, Dong Lijie, and the others quickly scattered.

Seeing this, Yun Jian blinked and walked in different directions.

...

Ye Zhi was saved by Yun Jian.

At this time, ye Zhi had already returned to his simple room and put medicine on his back.

The medicine was given by Yun Jian.

Thinking about how Yun Jian treated him so well, ye Zhi couldn't help but laugh foolishly.

"What are you laughing at?" Just as ye Zhi laughed foolishly, a cold male voice sounded.

Yezhi swallowed and saw Yuan Lin quietly appear in front of her.

"You... you came here to ask me to deliver a message?" Yezhi was used to Yuan Lin's sudden appearance, so she asked.

"No," Yuan Lin said.

"Then what do you need me to do?" Yezhi asked again.

"Nothing." Yuan Lin frowned slightly.

"Oh," Yezhi replied.

After thinking for a while, Yeats said to Yuan Lin, "Then you don't have to come to me if you have nothing to do. I have friends." He didn't need you anymore.

However, Yeats did not say the last sentence.

Before meeting with the cloud paper, Yeats had always relied on Yuan Purlin.

Even if Yuan Purlin had never helped her, even when Yeats was bullied and stood in the corner and did not help her, Yeats had always relied on Yuan Purlin.

That was because after Yeats was reborn, the only person she knew was Yuan Purlin.

She was timid. She was afraid of other people. The only person who knew that she was reincarnated was Yuan Lin.

But it was different now. There was still Yun Jian. Yun Jian also knew that she was reincarnated, and she even said that she was under her protection.

This sentence was not nonsense!

Yun Jian had gone against the best actress for her!

Ye Zhi was only afraid of interacting with others. He was timid and cowardly. He was not stupid, and he could tell that a person was good or bad to her.

What Yunjian had done to the movie queen Shi Miffen for her just now had almost moved Yezhi to tears.

She was just a puppet that everyone hated. Why was she still so good to her...

And now, after hearing Yezhi's words, which were clearly many times more distant than before, a black line appeared in front of Yuanlin's eyes.

Under the ghost mask, his face twitched without a trace.

"Okay." In the end, Yuan Lin did not say anything. He just raised his voice and left.

Ye Zhi looked at one spot in a daze and thought about how good the cloud note was to her. In the end, she simply stood up, opened the door, and ran to look for the cloud note.

Ye Zhi did not see that after Yuan Lin left, the moment she opened the door and ran to look for the cloud note, she returned to this place.

Finally, Yuan Lin stared at ye Zhi and watched as her jumping figure completely disappeared from his sight. Only then did he quietly leave.

...

Ye Zhi clung to Yun Jian and talked for a long time. Moreover, she looked at Yun Jian with adoration.

If ye Zhi did not have other friends, Yun Jian would have thought that she had fallen in love with him.

Finally, Yun Jian sent ye Zhi back to her place before leaving.

The filming ended at four o'clock in the afternoon because Mr. Milland had to meet with all the big investors in the evening.

He would also bring Yunjian with him.

The appointment with Yunjian was at six o'clock in the evening. After Yunjian returned to his place at four o'clock, he chatted with Yeats for half an hour. After sending Yeats back, he also returned to his own place.

At this time, there was still one and a half hours before the appointment with Mr. Milland.

In other words, Yun Jian still had one and a half hours to do other things.

However, just as Yun Jian left Ye Zhi's house and walked back to his own residence, he suddenly saw a familiar Lamborghini sports car parked on the side of the road.

Yun Jian did not need to look at the license plate number to know whose car it was.

Yun Jian lifted his leg and walked to the Lamborghini sports car. He opened the door and sat inside.

Just sat in the car, the two meaty figures will pounce into the arms of the cloud.

“Ma Ma Ma Yi Ya... Ma Ma Xi Ma Ma Ma Ma Ma...”

“Mama...”

The front of the giggling babble sound, is the little girl issued, and the back of the sound is afraid of being ignored and rushed to voice, is the little guy.

Si Yi was sitting in the driver's seat. Seeing the two children smiling at the cloud paper, he let out a sigh of relief. “They didn't see you crying all the time.” That was why he was called back to Longmen city by Qin Yi Rou.

In the end, he didn't listen no matter how hard he tried. He had no choice but to bring the two children here to find her.

The two children seemed to understand what Si Yi was saying. They laughed and burrowed into the arms of the cloud paper.

The little girl grabbed the corner of the cloud tablet's clothes and buried her head into the cloud tablet's stomach. Her hands were wrapped around the cloud tablet's stomach as she cried out in pain.

Meanwhile, the little girl took the opportunity to burrow into the cloud tablet's chest.

However, the little girl had just burrowed into the cloud tablet's chest when her small body was lifted up before she could burrow into it...

Chapter 2440: Chapter 2440 ride on the shopping cart. Mama also came

After the little guy was lifted up, he could only watch as the little girl let out a satisfied “Mama Yiya” sound.

Then, the little girl used her short little hand to wrap around Yun Jian's waist. One of her small hands grabbed the corner of Yun Jian's clothes and turned her short neck. Her head was still buried in the arms of the Yun Jian. She glanced at the little guy who was lifted up in the air and suddenly giggled.

After the little guy was giggled at by the little girl for a while, he suddenly pouted.

At this moment, the little guy had just been grabbed by Si Yi in the air.

Hearing the little girl actually taunt him like this, the little guy used his ultimate move to counterattack the little girl.

He stuffed his finger into his mouth and stretched out his other hand to slap his finger away. Just like the last time when he sucked his finger and Yun Jian slapped away his finger that was sucked in his mouth, he gritted his teeth at the little girl, he shouted:

“Scum!”

The little girl still remembered the last time the cloud paper saw him sucking his finger off his hand and saying “Dirty” to him.

When she heard the little girl shout “Scum” at her fiercely, the little girl jumped up and directly buried her head into the arms of the cloud paper. She used her head to drill into the arms of the cloud paper and let out an extremely pleasant voice.

At this time, Si Yi had already grabbed the clothes on the back of the little guy and threw him to the co-pilot seat.

“Sit properly.” Seeing the little guy look at Si Yi with a confused look and even wanted to crawl to the back seat to look for the cloud paper, Si Yi grabbed the little guy’s clothes and fixed the little guy to the co-pilot seat, making a muffled sound.

His muffled tone was as if he would beat the little guy up in the next second.

Seeing the little guy staring at him for two seconds, Si Yi was stunned. He didn’t know why his father was so fierce to him, but Si Yi pulled the seatbelt on the passenger seat and fastened the seatbelt on the little guy to prevent him from running around.

“Don’t fasten the seatbelt so tightly. It will make him uncomfortable. He’s still young,” Yun Jian reminded him when he saw this.

The Little Guy was only five and a half months old now, and he hadn’t weaned yet.

“He’s not young anymore.” He had already learned how to drill into his mother’s chest. Si Yi’s face was dark and sullen.

When Yun Jian saw this, he couldn’t help but feel that Si Yi was a little childish at the moment, but her heart was warm.

She first put the little girl into her seat, then half stood up to help the little girl loosen her seatbelt.

After the little girl was placed in her seat by Yun Jian, she saw Yun Jian half stand up to help the little girl sitting in the front passenger seat loosen her seatbelt. She quickly used her little hand to hug Yun Jian’s leg and kept crying out, “Mommy Mommy Mommy”.

Her voice was soft and even cuter than a little sheep.

After Yun Jian helped the little girl loosen her seatbelt, he turned around and hugged the little girl in his arms.

“Where are you going?” Yun Jian asked.

“Up to you.” Si Yi turned his head and glanced at Yun Jian, his eyes filled with affection.

“Then let’s go to the supermarket,” Yun Jian said.

The two of them went to the supermarket and sat in the shopping cart of the supermarket. They were especially happy.

...

The Amazon Mall in country M’s L city was the largest mall in the vicinity.

And there was a very large supermarket in the Amazon Mall.

Yun Jian and Si Yi brought the little girl and the little guy here.

The mall here was filled with people from country M. Yun Jian and Si Yi’s family of four had become foreigners.

At that time, the little girl and the little guy were sitting in the shopping cart in the mall. They were so excited that Si Yi pushed the two of them everywhere.

“Huff Huff! Huff Huff!” The little guy was still imitating the sound of the wind from the shopping cart being pushed.

If Adam and Morson saw Si Yi pushing the shopping cart, they would probably be so shocked that their eyeballs would drop to the ground if they ran like little kids in order to make the two little guys happy.

Halfway through the game, the cloud paper walked over and wanted to carry the little girl and the little guy out of the shopping cart.

In the end, the two little guys pulled Yun Zhi and kept saying “Mama”. They wanted Yun Zhi to sit in the shopping cart and play with them.

“Xiao Zhi, sit in there. I’ll push you,” Si Yi said with a doting tone that could not be concealed.

If it was in the past, Si Yi would not even bother to do such a thing as pushing a cart.

But today was different. The three most important people in his life were all here. The things that he disdained to do in the past had become interesting.
