Chapter 2441: Chapter 2441: who is stronger and who is weaker? Let's see who is stronger

Translator: 549690339

Yun Jian saw the two little guys looking at her with eyes full of anticipation. Yun Jian's heart was almost melted by the anticipation on their faces.

In the end, Yun Jian also listened to the two little guys and got into the shopping cart.

Si Yi pushed Yun Jian and the two little guys and ran around the supermarket.

This scene was originally not harmonious, but when others saw it, it had an indescribable sense of warmth.

In the end, the two little guys were tired from playing and fell asleep in the shopping cart.

Yun Jian carried the little girl. This time, Si Yi did not carry the little guy. He also carried the little guy and walked towards the hotel where Si Yi and the two little guys were staying.

Yun Jian was still carrying out a mission. He should not have met Si Yi and the two little guys.

When carrying out a mission, one could not even tell the location to the relatives, let alone meet them.

Of course, that was only if she wasn't 100% sure that she could complete the mission.

That kind of rule was only given to ordinary people.

...

After tucking the two little guys into bed, Yun Jian leaned over and kissed the two little guys on their foreheads. Then, she turned around and was about to leave.

At six o'clock, she still had to attend a gathering with the target and the big investors.

"What About Me?" Seeing Yun Jian kissing the foreheads of the two little fellows, Si Yi grabbed her wrist and said.

Yun Jian was stunned. For a moment, he didn't understand what Si Yi meant.

Si Yi naturally saw from Yun Jian's expression that Yun Jian didn't understand what he meant.

Perhaps in other words, Yun Jian only thought of the two little fellows...

Si Yi reached out and grabbed the back of Yun Jian's head. He bent down and kissed him.

This was the price she had to pay for forgetting him!

...

Yun Jian's face was still red when he walked out of the hotel.

He actually...

Yun Jian placed his hand on his neck and stopped thinking about Si Yi's bad deeds. She quickly walked to her residence.

When she returned to her residence, Yun Jian changed into a black tights and black tights.

She also wore a black fur coat over the black tights.

When Yun Jian wore this black fur coat, the originally cool tights and tights instantly made Yun Jian look enchanting and charming.

This black tights and black tights were the clothes that Yun Jian often wore when she went out on missions in her previous life.

It was neat and clean without any sloppiness.

Moreover, there were many weapons hidden under the black tights and black tights.

Because they were black tights and tights, it was not particularly eye-catching to hide knives and guns on one's body.

As for the black fur coat on the outside, it turned the originally cool looking Yun Jian into a seductive and sexy woman.

At first glance, she gave people the feeling that she was a very flirtatious woman who wanted to attract men's attention. It was very compatible with the atmosphere of the dinner party she was going to tonight.

Of course, this was just her appearance.

As soon as Yun Zhi walked out of the residence, he saw the members of the most awesome team standing outside the door.

Seeing Yun Zhi come out, the members of the most awesome team, Dong Lijie, spoke. She seemed to have made up her mind as she said to Yun Zhi,

“I’ve also received an invitation from Mr. Millander. I’ll go to the party with you today. As for what you said, I don’t believe you when you say that we’ll complete the mission before midnight tonight.

“But our most awesome team will complete the mission in the shortest time possible for you to see! Let’s see who’s stronger and who’s weaker!”

Hearing Dong Lijie’s words, Yun Jian narrowed his eyes.

He didn’t know how Dong Lijie received Mr. Millander’s invitation, but since she was able to get the invitation from Mr. Millander, it meant that Dong Lijie’s best team members were indeed capable.

However, Yun Jian didn’t say anything. She turned around and bypassed them, leaving the place.

After Yun Jian left, Lu Yu, a member of the best team, spoke to Dong Lijie on behalf of everyone, “Lijie, in order to complete the mission and not let the innocent girl be persecuted by that big investor, you have to sacrifice your innocence. I’m Sorry!”

When she heard the words “Sacrifice Innocence”, Dong Lijie’s heart still throbbed violently.

To be honest, Dong Lijie did not think that the cloud tablet could complete this mission.

Dong Lijie did not sacrifice herself to complete the mission before the cloud tablet, nor did she sacrifice herself to obtain the first-class reward of the army.

If Yun Jian could successfully complete the mission and she didn’t have to sacrifice herself, then Dong Lijie would rather let Yun Jian obtain this honor.

But from the recent situation, Yun Jian had already exposed her identity too clearly.

If this continued, forget about whether they could complete the mission or not, they might not be able to complete the mission in the future. If the army sent people over again, that big investor would also be on high alert.

The current situation was that the sooner they acted, the better.

Dong Lijie clenched her fists. She did not reply to Lu Yu, but her clenched fists were trembling violently.

Fortunately... .. fortunately, she had already given her body to the captain before today, so there was no regret.

At this moment, even Zhu Yao, who liked to talk, shut her mouth.

...

The members of the three teams would all go to the hotel where Yun Jian, Dong Lijie, and the big investor were having dinner tonight. However, the members of the three teams would stand guard at the entrance of the hotel and only show up when necessary.

At this moment, Yun Jian had already met with Mr. Milland.

Dong Lijie also followed him.

Mr. Milland brought Yun Jian and Dong Lijie to meet at the largest Sheraya Hotel in country L of the United States.

The Sheraya Hotel was the largest hotel in L city. The hotel not only included five-star hotels, but also five-star restaurants.

Mr. Milland brought Yun Jian and Dong Lijie to the reserved dining room and met with the big investors.

The movie being shot was co-financed by several big investors. The target of Yun Jian and the others was the biggest investor in the movie. His name was Galvin.

Galvin was the biggest investor in the film.

Galvin was originally from Z country. After he transferred his hometown from Z country to M country, he also abandoned his original Z country name and gave it an English name.

Galvin's eyebrows were very thick, three times thicker than the average person's. His fat face could almost be pieced together. His forehead was very short, and his body was very fat. It was too long to look at.

Furthermore, Galvin's height was only about 1.62 meters, which was considered very short for a man's height.

Seeing Yun Jian and Dong Lijie walk in from outside the house, Galvin suddenly pointed at Dong Lijie and raised his ugly thick eyebrows to Mr. Milland:

"This is..."

"Ah, this is a new actress in our crew, Lan Lan," Mr. Milland immediately said.

Then Mr. Milland pointed at the cloud note. "She is also a new cast member of our cast. Her name is Luo Yi."

"All beautiful, tender little girls!" Galvin laughed, and then his eyes were fixed on Dong Lijie.

It had to be said that Dong Lijie had done her homework before she came.

Galvin liked to wear revealing and sexy women. Dong Lijie wore very revealing clothes. Even in this cold winter, she simply put on a thin coat and came in.

"Little girls, come and sit here. Uncle, I like young girls like you. You look energetic! Sitting with you, I feel like I'm twenty years younger!" Galvin patted the empty seat next to him, he asked Dong Lijie to sit down.

Seeing this, Dong Lijie responded sweetly and sat down.

"Hi, we meet again." Yun Jian had just sat down when he saw the male lead of the movie, Liu Junyu. Liu Junyu nodded to Yun Jian in a gentlemanly manner.

Yun Jian nodded and didn't say anything.

It was more like a business meeting between Galvin and a group of professionals.

After all, it was Dong Lijie's first time doing such a thing. She sat next to Galvin and felt very uncomfortable. She instinctively resisted Galvin.

However, just as Dong Lijie resisted desperately and forced herself to accept the evil atmosphere, Galvin's hand was naturally placed on her exposed thigh...

Dong Lijie never expected that in front of so many people, Galvin's hand would touch her thigh so smoothly.

Dong Lijie was startled, and the nausea in her heart became even more rampant.

She raised her head and glanced at the cloud paper sitting across from her. Finally, she clenched her fist and used her thumb to firmly grasp her flesh. Her knuckles turned white, but in the end, she endured it.

There was no other way to get close to a person like Galvin. This was the only way.

Moreover, as Galvin's friend, an extremely vigilant person like Galvin would never reveal any flaws.

"I, I, I propose a toast to you." In the end, Galvin continued to talk to others. His hand was so natural that it almost slipped to Dong Lijie's thigh. Dong Lijie couldn't help but feel nauseous, she immediately stood up and went to get the wine bottle.

Galvin was unhappy, but he did not show it.

The investors and Mr. Milland had seen many pedantic things, so no one felt that it was inappropriate.

This was especially the case for this kind of thing. Usually, it was the actress who was willing to do it.

What the actress wanted was only to get better resources on the way to becoming an actress. And everyone knew what Galvin wanted.

So, no one would step forward to stop him.

...

In the end, Dong Lijie was dragged by Galvin to a hotel and booked a room in a five-star hotel.

With a bang, the captain of the most amazing team, Zhu Yao, slammed his fist against the wall and closed his eyes in pain.

No one wanted Dong Lijie to die.

Especially Zhu Yao.

“Captain...”the other members of the most awesome team didn’t feel much, but at this moment, Lu Yu spoke up.

“Don’t talk to me!”Zhu Yao yelled at Lu Yu.

Just now, they had seen Dong Lijie and Galvin walk into the Hotel Hotel with their own eyes.

Just as Zhu Yao finished speaking, everyone saw Yun Jian walk out of the entrance of the Sheraya Hotel.

When Zhu Yao thought of Dong Lijie and Galvin walking into the hotel, he felt agitated, as if he was about to lose the most important thing in his life.

Zhu Yao’s emotions started to become self-destructive. He suddenly remembered that the cloud note said that it would complete the mission before midnight this morning. A trace of hatred welled up in his mind. He rushed up and stopped the cloud note:

“What are you going to do!”

That imposing manner made it seem as if it was Yun Jian’s fault that Dong Lijie would walk into the hotel with Galvin Tonight.

But now, if they rushed into the hotel to save Dong Lijie...

Then not only would their previous efforts be in vain, their mission this time would be a complete failure!

Once they did something, they would give up halfway. Not only would what they had done before be in vain, but they would also never be able to complete it in the future.

For example, if they had rushed in to save Dong Lijie, then they would have saved her.

But did they think about it? Wouldn’t Galvin suspect it?

Unless they had the ability to force Galvin to hand over the evidence of his drug trafficking.

But they didn’t!

The moment Zhu Yao blocked the cloud paper, the members of the Tyrannosaurus squad and the king squad had also rushed to the scene.

They all heard the sound and came over.

Zhu Yao suddenly hugged her head and crouched down in pain. No matter how unwilling she was, she had to accept this painful reality.

However, just as everyone silently lowered their heads and felt indescribable grief, hating how weak they were and thinking that this situation couldn't be salvaged, a female voice sounded, "Sister Jian!"

Hearing this, everyone turned around and saw a woman with a seductive figure wearing a red cheongsam appearing in front of them.

The person who came was none other than the president of Rong Yao Company, the Demoness!

The appearance of the demoness shocked everyone.

However, before anyone could react, Yun Jian took off her black fur coat and threw it to the side.

Under his black fur coat, he was dressed as an agent on a mission.

At this moment, Yun Jian took out her pistol from her waist case. She turned the gun around and held it in her hand. Suddenly, she drew a red arc in front of everyone present, to speak to the Enchantress in a voice that rekindles hope in the already desperate:

"Is the hit squad here yet? Fuck you, I'm Gonna kick the shit out of that old Gorgon Today!"

Not only did Galvin sell drugs, but he also lured countless underage girls into the entertainment industry. Using the excuse of training them to become tomorrow's superstars, he let this group of underage girls step by step into the trap that Galvin had long set for them.

They didn't even know when Galvin would start to lure them step by step into the path of drug abuse, prostitution, and so on, ruining their lives.

Golvin even participated in the disputes in the underground world.

The reason why it was said that Golvin's power was so great that even the police couldn't catch evidence of his drug trafficking was because Golvin had also developed his power in the underground world.

Unfortunately, Golvin was like Xianyu and Milo, who he met in the tomb of Marina. He secretly stole a small portion of the profits of the ancient assassin mercenary group.

Just like Xianyu and Milo, they secretly robbed a small portion of the ancient kill mercenary group's weapons to strengthen their own power.

Galvin's actions in the underground world were similar to Xianyu and Milo's. They both secretly took some of the benefits from the ancient kill mercenary group. Since the benefits were small, the ancient kill mercenary group's higher-ups wouldn't care about it.

Unfortunately, Yun Jian encountered this matter.

If Yun Jian didn't encounter it, then even the Gu Sha mercenary group's elders wouldn't bother to deal with this trivial matter, let alone the GU sha mercenary group's BOSS.

But since this matter was encountered by Yun Jian, then...

"Assassination team? Asura, could it be that someone will come to support us today? Can they force Galvin to hand over the evidence of drug trafficking?"

After the captain of the Tyrannosaurus squad, Tian Shuai, heard Yun Jian's words, a sharp glint flashed across his eyes. He opened his mouth in a daze and asked what everyone was thinking.

Upon hearing Tian Shuai's words, the originally dispirited and paralyzed Zhu Yao suddenly crawled up from the ground with a face full of despair. Her entire person rushed to Yun Jian almost at the same time.

Because of his excitement, he almost grabbed Yun Jian's collar. Fortunately, Zhu Yao immediately realized that he had lost his composure. He bent down and changed the strong aura that he had when he first met Yun Jian.

At this moment, Zhu Yao was in a sorry state, as if he had caught a life-saving straw in a desperate situation. He put down his posture.

As a 1.8-meter-tall man who had never begged anyone before, he stood in front of Yun Jian and felt helpless for the first time. He said in a pleading tone,

“Asura, as long as you can bring Lijie back safely, I, Zhu Yao, will be your soldier from now on! I will risk my life for you, even if I have to risk my life for you! I, Zhu Yao, swear in the name of a soldier!”

Zhu Yao had completely placed all of her hopes on the cloud paper.

“Captain? Pinning all of her hopes on her, can she really do it? Asura is indeed very interesting. She’s different from the ordinary girls I’ve met before.

“But, a girl like her, I think she’s only suitable to stay on campus and be an ordinary girl!

“We’ve all seen Lijie’s efforts, and we can’t bear to see it, but this is already irreparable. Now, it’s better to think about how to complete the mission.

“And Asura, I hope that you won’t interfere in our mission...”

Lu Yu from the most awesome team couldn’t help but speak up after hearing Zhu Yao’s words.

Dong Lijie’s sacrifice could bring benefits to the most awesome team. If they could complete this mission, the most awesome team would directly benefit.

Others might find Dong Lijie’s sacrifice chilling, but no one would care too much.

After all, they weren’t the ones who were injured.

Lu Yu’s words were immediately echoed by the other members of the most awesome team.

Besides, who knew if Yun Jian would be able to get reinforcements? Who knew if she could be trusted!

But just as everyone thought so, a small group of members wearing black mission uniforms appeared in front of them. Each of them held a gun in their hands.

This group of people was one of the assassination teams of the ancient kill mercenary group.

And the leader was the ancient kill mercenary group’s tanuki.

The sudden appearance of this group of people caused everyone to be slightly shocked.

However, just as everyone was shocked, tanuki suddenly threw the thing in his hand in front of the cloud paper. After the cloud paper caught it with ease, tanuki said to the cloud paper in front of everyone,

“Sister Jian, this is the latest HK MP7 submachine gun from country D that you asked for. Its caliber is 4.6 mm and its initial speed is 750 meters per second. I just used it twice and it’s very useful. This gun won’t be able to display its full power in my hands. Catch it!”

Tanuki appeared in front of everyone with a group of people armed with guns. One look at these people and one could tell that they were not ordinary people. All of them were battle-hardened figures!

One of them might even be able to match up to a person of officer Liu Cheng’s level!

When tanuki appeared in front of everyone with a group of people, Lu Yu from the most powerful squad, a few members who did not trust Yun Jian like Lu Yu, and the members of the Tyrannosaurus squad, including the six members of the King’s squad.., they were already very surprised and confused.

What was surprising was who tanuki and the group of people that Tanuki had brought were.

However, when Tanuki threw the latest HK MP7 submachine gun made in country D into Yun Jian’s hands in front of everyone and said those words, everyone present was shocked into silence.

Apart from Zhu Yao, Lu Yu from the most powerful squad, as well as the other members who obviously did not believe in Yun Jian, had a heavy expression on their faces. They could not hold back their expressions for a moment.

Tanuki’s words were like a slap to their faces in front of everyone!

Yun Jian took the opportunity to take the latest HK MP7 submachine gun from country D and held it in her hand. She held the submachine gun and twirled it around skillfully in front of everyone. Then, she put away the pistol that she had brought from the army.

“You go back first.”After giving a simple order to the demoness that could not be refuted, Yun Jian turned around and led the members of the assassination team into the five-star Sheraya Hotel.

When the members of the three teams saw this, they quickly followed.

...

Galvin took Dong Lijie to a room. The room number was 2110.

Country M was a country that allowed civilians to hide guns in their homes.

To put it bluntly, country M did not prohibit civilians from buying guns. As long as an ordinary person had money, it was legal for them to buy guns.

At this moment, Yun Jian directly barged into the hotel.

Room 2110 was located on the 21st floor of the five-star Sheraya Hotel.

The scale of the five-star Sheraya Hotel was very large. The entire high-rise building was at least dozens of floors high.

They took the elevator to the 21st floor. When they reached the 21st floor, they saw that the door of room 2110 was surrounded by bodyguards at the corner.

Galvin was not stupid.

The more famous a person was, the more enemies he would have.

Famous people and rich people often brought many bodyguards with them to protect their lives.

The bodyguards around Galvin were actually a group of underground killers.

Galvin cherished his life very much. He hired powerful underground killers all year round to disguise themselves as bodyguards and protect himself at all times.

No matter where he went, Galvin would always have this group of bodyguards protect him.

This was also the reason why the police were unable to do anything about it.

Even if he wanted to get a room with a woman, he had to have his bodyguards stand guard outside the door. Galvin was indeed a very vigilant person.

“What should we do?”

The door of the hotel room where Galvin and Dong Lijie were staying was right in front of them, but with this group of bodyguards protecting them, they could not get close.

“Let’s Go!” Lu Yu said.

At this moment, everyone was hiding around the corner.

Everyone knew that Galvin's group of bodyguards were all underground assassins.

They were definitely not as simple as ordinary bodyguards!

Just as Lu Yu said that, everyone thought that even if they wanted to save them, they wouldn't be able to do anything.

Yun Jian suddenly made a code sign in front of everyone present, signaling to the tanuki cat and the members of the assassination team.

Tanuki and the members of the assassination team accepted the order and left in the elevator.

Lu Yu and the other members of the strongest team, except for Zhu Yao, thought that tanuki and the members of the assassination team would help them.

That was because they had a small chance of winning.

But who would have thought that Yun Jian would let them go! ?

Just when everyone thought that Yun Jian was going to give up on saving her because she couldn't defeat the professional assassins disguised as bodyguards because there were too many opponents, Yun Jian suddenly hung the HK MP7 on her back.

Then, she took out a blade and bit it in her mouth in front of everyone present.

Then, she suddenly rolled in front of the group of Galvin's bodyguards, which were professional killers. The next second, she actually made a move in front of everyone to make everyone's eyes pop out of their sockets

On the set of the audition, from Yun Jian's exquisite acting skills, everyone seemed to see a living female assassin named Aldrich walk out of the movie and into the real world.

At this moment, the group of Galvin's bodyguards in front of them was a group of real killers who were completely different from the assassin played by Yun Jian.

Gorvin's bodyguards were a group of real underground killers!

They were traveling at the peak of the world, carrying out one terrifying and terrifying mission after another.

They were a group of real professional killers!

They were completely different from the killers that Yun Jian had played out!

So, when Yun Jian didn't say a word or even greet the members of the three teams, she rushed over. At that moment, Lu Yu, Tian Shuai, the members of the most awesome team and the Tyrannosaurus team..., almost at the same time, their eyes widened.

She was finished!

Not only did she expose herself! She also exposed all the members of the three squads!

No, it wasn't her who was finished. It was her who wanted to implicate all of them! It was all over!

In fact, all the efforts that they had put in for this mission would be wasted because of Yun Jian's impulsiveness this time!

Everyone's emotions rose to the highest point in an instant.

However, just as everyone thought so, they suddenly saw Yun Jian arrive in front of the group of bodyguard assassins before they could even react.

One of the bodyguards reacted the fastest!

He reacted and wanted to call for help. He clenched his hand into an eagle claw and attacked Yun Jian.

However, before the bodyguard could react, Yun Jian had already rushed forward. The moment the bodyguard was about to call for the other bodyguards, she had already arrived behind the bodyguard.

She reached out and covered the bodyguard's mouth.

The blade that was originally in her mouth had already been quietly held in Yun Jian's hand.

The hand that was holding the blade was as fast as lightning. Under the circumstances where the naked eye could not see it, it directly cut through the bodyguard's throat.

Blood splattered, and the bodyguard died instantly.

But before the blood splattered on the throat of the bodyguard, the other bodyguards realized that the bodyguard had died at the same time.

Yun Jian grabbed the bodyguard's throat and silently laid the bodyguard on the ground.

Crouching Down, the other bodyguard suddenly saw the body of the bodyguard whose throat was cut by Yun Jian. He was so shocked that he wanted to scream.

Yun Jian raised his leg high in the air and kicked the bodyguard's chin.

That kick made the bodyguard bite his tongue. Because of the pain, he couldn't say a word.

But he was an assassin, so he knew that danger was coming.

He ignored the pain and took out a pistol from his waist. He was about to shoot Yun Jian.

Yun Jian turned around and arrived beside the bodyguard. She pushed the blade into the bodyguard's temple.

After killing the bodyguards, the other three bodyguards noticed Yun Jian's action.

At this moment, the three of them were about to tell Galvin in the hotel that there was a sneak attack and attack Yun Jian.

The three of them had just opened their mouths.

The three blades flew into their mouths as if they knew they were about to speak.

The words were sealed.

Yun Jian arrived in front of the three bodyguards almost instantly.

When Yun Jian turned around and looked at the people around the corner, who were staring at the scene that happened in a few seconds, he was stunned until his face turned pale.

The three bodyguards behind Yun Zhi also fell to the ground.

From the beginning to the end, this process only took 15 seconds!

Yun Zhi's skills and movements were so consistent that it was surprising!

What made the people present even more shocked was that Yun Zhi's attack seemed to be similar to the professional killer that Mr. Millander had hired to the set at that time!

However, compared to that professional killer, Yun Jian's consecutive killer moves were what a top-notch assassin should have!

Who exactly was she!

"She... She, she, she!" Wei Yuke, the female member of the Tyrannosaurus squad, was so scared that her eyeballs almost popped out.

Wei Yuke was almost about to scream when she saw this scene.

Fortunately, Tian Shuai, the captain of the Tyrannosaurus squad, reacted quickly. Tian Shuai reached out and covered Wei Yuke's mouth.

They couldn't alert the enemy. Galvin still had his men!

If Galvin's other men came over when they heard the sound, it would only delay the time!

Dong Lijie, who was in the room, would truly lose her innocence!

Therefore, even though there were many doubts and astonishment, no one dared to say a word on the spot.

But what everyone never expected was that Yun Jian's skills were actually so good!

Was it really as the rumors said, this was the strength that belonged only to the king's team, Asura!

...

Sheraya five-star hotel.

The private room where the dinner was held earlier.

Yun Jian left.

Dong Lijie and Galvin left.

Mr. Milland and the other investors were still in this private room.

“These two beautiful girls, Milland, your taste is really getting better and better!”

One of the investors looked at Millander and said with a wretched expression.

“Ah, what a pity. What a good girl.” Millander raised the wine glass in his hand. He couldn't help but shake his head when he recalled the scene where Dong Lijie followed Galvin out. Everyone knew what they were going to do.

“Hahaha, Brother Millander, let me toast to you! Our great director Millander has such a kind side to him? I never thought of that!”

“As far as I know, those little bitches that brother Galvin fucked were all introduced to Brother Galvin by you, Great Director Millander. It is rumored that you are the cleanest and fairest international director in the Entertainment Industry!”

The investor and Millander's wine glasses collided with each other and laughed out loud. His tone was indescribably wretched.

“Let's not talk about the past! Let's not talk about the past! Haha, Come On! Keep Drinking!” Milland quickly changed the topic.

...

In room 2110.

Dong Lijie had been here for a long time.

Galvin went into the bathroom to take a shower.

Dong Lijie had been dawdling in the bathroom for an hour. Finally, Galvin wanted to kick the door open before she came out.

After a while, the bathroom door opened.

Galvin's upper body, which was as fat as a pig being slaughtered, was also exposed.

His dark skin, the middle of his chest, and a large tuft of chest hair made people feel nauseous just by looking at it.

Dong Lijie almost vomited, but she still held it in.

Galvin was also a straightforward person. He walked over and pushed Dong Lijie onto the bed.

If Dong Lijie had already made up her mind when she entered the room, then the moment she was pushed onto the bed by Galvin, an old man whom she did not like at all.

Dong Lijie really regretted it!

That kind of fear was far more repulsive than death. That kind of unspeakable nausea and chill made Dong Lijie even want to give up her identity as a special forces soldier!

“Wait!” Just as Galvin wanted to cut to the point, Dong Lijie cried out in shock.

“What are you waiting for? You Little Bitch, you didn’t do it or what?” Galvin grabbed Dong Lijie’s hair and threw her back onto the bed.

Her hair was pulled hard. She struggled but to no avail. Galvin didn’t treat her as a human at all. At this moment, when she was forced to do something she really didn’t like, that feeling was far more painful than what she thought she could accept before.

But just as Galvin was about to force Dong Lijie with his fists and kicks, and Dong Lijie was already in complete despair, Dong Lijie saw Galvin being kicked four to five meters away by a foot that suddenly appeared, his fat body smashed into the wardrobe and rolled to the ground.

A bone-chilling female voice, like a god of redemption, resounded throughout the entire place:

“Galvin, you owe me the ancient killing mercenary group, and I will make you pay me back one by one today!”

The sharp voice had just sounded when it fell again.

That crisp female voice made everyone’s eyes shine sharply after hearing it.

In an instant, everyone quickly realized what the cloud tablet meant.

Even Galvin, who had been kicked by the cloud tablet, crashed into the wardrobe and rolled to the ground, heard the cloud tablet’s words.

All of a sudden, the temperature in the hotel dropped to the freezing point.

Everyone's attention was completely attracted by the cloud note's words, "My ancient kill mercenary group".

"PFFT! Ancient, ancient kill... You are a member of the ancient kill Mercenary Group!"

Galvin was kicked by the cloud note and smashed into the wardrobe. His fat body could not get up for a long time because the cloud note's kick was extremely fierce. That kick made Galvin Spit out a mouthful of blood.

When he heard the words "Ancient kill mercenary group", Galvin was so scared that his face was beyond recognition. A fear of death flooded his entire body.

"What ancient kill mercenary group... You are a member of ancient kill mercenary group! ? Why haven't I heard you say this before..."Lu Yu looked at the cloud note. Because of his shock, he couldn't react for a moment.

Yun Jian was from the Gu Sha mercenary group! ?

What! ?

How was this possible! !

The Gu Sha mercenary group was an existence on par with the internationally renowned number one assassin group, the dark soul group!

Everyone present was a member of the special forces, so they had naturally heard of it.

"Isn't she a member of Your King's Team! Why is she related to the Gu Sha mercenary group! ?"Lu Yu couldn't get a reply from Yun Jian, so he turned to ask the leader of the King's team, Liu Shiyun.

Liu Shiyun shrugged and didn't say anything. It was obvious that he was too lazy to answer Lu Yu's question.

At this moment, Dong Lijie was already curled up at the corner of the bed.

She looked up, her eyes filled with tears as she looked at Yun Jian not far away.

If Dong Lijie's gaze towards Yun Jian in the past was filled with hatred and extreme disgust, then at this moment, Dong Lijie's gaze towards Yun Jian was filled with endless gratitude.

Although Dong Lijie had carried out many missions, none of the previous missions were dangerous.

This was also the first time she had accepted such a dangerous mission.

Before she set off, Dong Lijie thought that she would do anything for the mission.

She even sacrificed her innocence.

But when Galvin pressed down on her just now, that sense of reality that was far more real than she imagined made Dong Lijie completely collapse.

As expected, she was still not strong enough.

She was not as strong as she had imagined.

And she, Yun Jian, the god of death of the King's squad, was the real strong one!

Lu Yu's question did not receive a response. Just as Lu Yu wanted to continue asking questions, he and the members of the most powerful squad who did not believe in Yun Jian's strength suddenly saw it.

Yun Jian walked in front of Galvin, who was rolling on the ground, and stepped on Galvin's stomach in front of everyone. She half-bent her back and slightly raised her red arc. Her cold smile made people's hair stand on end:

"Old Thing, do you think that we won't notice you secretly taking advantage of our ancient kill mercenary group?"

With each sentence, the strength under cloud note's feet increased.

Gorgon's face also showed a pained expression along with the heavy strength of cloud note's feet.

"Don't! Don't! I was wrong! I Won't dare to do it again! Please forgive me, ancient kill mercenary group!"Gorgon was so scared that his face was completely pale.

He thought that the ancient kill mercenary group wouldn't mind, so he made a move against the ancient kill mercenary group.

But he never thought that...

"If I don't take your life, how can I make up for the loss of my ancient kill mercenary group?"The last kick from the cloud paper made Galvin's heart twist violently.

When the captain of the King team, Liu Shiyun, saw this, he stepped forward and said to Galvin,

“Where are the girls who were forced by you to take drugs and prostitution? Show me all the evidence of your crimes, or I’ll send you on Your Way Right Now!”

As he spoke, Liu Shiyun did not stand on ceremony. He took out a pistol from his pocket and pressed it against Galvin’s Temple.

“I’ll talk! I’ll talk! In...”Galvin was so scared that he immediately confessed.

Galvin was actually not scared by Liu Shiyun’s pistol, but by the ancient killing mercenary group.

Liu Shiyun was very smart. He knew that with the means of the cloud note, he could just kill people directly.

But she did not kill people directly, which meant that she wanted to help them get evidence of Galvin’s drug trafficking and bring him to justice!

In the end, Galvin confessed truthfully.

Chu Ning also brought a recording pen and recorded Galvin’s confession.

After the process was completed, the other two teams did not do anything. They just stood aside and watched. On the other hand, the team from team king cooperated with the cloud tablet to solve everything.

“Now that the mission is completed, we can go home and have a good sleep.”Chu Xiangnan laughed out loud.

“You only know how to sleep!”Chu Ning reached out and pinched Chu Xiangnan’s ear.

However, just when everyone thought their mission was complete, Yun Jian’s words rang again and reached everyone’s ears:

“Galvin was just an accomplice. He was not the real mastermind of the drug trafficking.”

“What! ? The mastermind of the drug trafficking isn’t him? Then all our efforts have been in vain!”

“If it’s not him, then who is it? Asura, are you lying to us and trying to monopolize today’s achievements?”

“Even if the mastermind isn’t Galvan, he participated in this drug trafficking and harming people. This evidence is enough for him to spend the rest of his life in prison!”

As soon as Yun Jian finished speaking, the crowd immediately chimed in.

The first person to speak was Lu Yu.

The second person to speak was an unremarkable member of the most powerful team.

The third person to speak was Liu Shiyun.

After the crowd finished speaking, Yun Jian did not mind. She lifted her foot and patted Galvin’s face with it. She said lazily,

“Are you going to tell us who the mastermind is, or should I help you?”

“You guys are from the police!” Galvin seemed to have realized something. He looked at Yun Jian, Chu Ning, Liu Shiyun and the others and exclaimed.

“Yo, you took so long to react? Didn’t you say that you’re that big shot in the entertainment industry? Why are your reflexes so slow?” Chu Xiangnan could not help but tease.

Actually, it was not that Galvin’s reflexes were slow. It was just that Galvin had been frightened by the five scary words “Ancient assassin mercenary group” since just now.

That was why Galvin was so frightened that he didn’t have time to react or consider the identities of Yun Jian and the others.

“Still not talking? Looks like you don’t plan to leave this place alive.”

When everyone came back to their senses, they saw that Yun Jian was already holding the HK MP7 submachine gun given by Tanuki. She pointed the muzzle of the gun at Galvin’s head and curved it.

This submachine gun was different from a handgun. A submachine gun could fire a lot of bullets in one breath. Although it was not as powerful as a machine gun, it could shoot a person into a hornet’s nest.

However, the power of a submachine gun was not bad. If it was fired for a while longer, it could still shoot a person into a hornet’s nest.

Therefore, when Galvin noticed that Yun Jian was pointing the submachine gun at his head, he thought of the consequences of not being honest. His face turned pale and he quickly said,

“I’ll tell you! I’ll tell you! I’m just working for him! The real mastermind of the drug trafficking is...”

...

What happened inside and outside room 2110 did not alarm anyone.

At this moment, in Yeats’ residence.

Yeats’ residence was very simple. It was just a small attic under the stairs.

Yeats’ residence was actually very big, but none of this belonged to Yeats.

Yezhi lived with sister Lou.

It was more like she was fed like a dog.

She didn’t even have her own bedroom.

There was a bed and a mirror under the simple stairs.

There wasn’t even a door.

This was Yezhi’s house.

But sister Lou wasn’t here, so Yezhi could leave her “Little attic” and walk around the room.

As long as she did not get caught by sister Lou, she would be beaten up.

After meeting with Yun Jian, Yezhi was sitting in her “Little bedroom”. She was holding the hairpin that Yun Jian had bought for her by the roadside and saw that she liked it. She put it on her clean face, she wore this beautiful hairpin on her black hair.

Thinking that Yun Jian had given it to her, Yezhi could not help but laugh.

It was so sweet.

Under the clean face was a very smooth and beautiful face, only a little thinner.

Yezhi's reborn body was also very beautiful, but she had to hide the beauty of this body. Otherwise, she would have been thrown to the front desk of the brothel by sister Lou, instead of working in the logistics.

After putting on the hairpin, Yezhi smiled.

But as soon as she put on the hairpin, she saw a man wearing a ghost mask appear behind her in the mirror.

Yuan Lin stared at Yezhi. Seeing that she saw her, her smile instantly froze.

Then, she reached out her hand to him expressionlessly. "Give it to me."

"Huh?" Yuan Lin didn't understand.

"Didn't I say that I have a friend? Don't come to me if you have nothing to do in the future? Now that you have come to me, you must need me to help you deliver a message to her!"

Yezhi's words made sense.

She had said that there was no need to look for her, and Yuan Lin had agreed.

And it had only been how long, less than two hours, when Yuan Lin showed up at her place again.

Yezhi naturally understood that Yuan Lin came to look for her because he had something to do.

Yezhi's words made Yuan Lin's eyes darken, and his face under the ghost mask became a little stiff.

"This." Yuan Lin couldn't accept it. Seeing that ye Zhi asked him to believe it, he waved his hand, and a bright hair clip appeared in his hand.

"Wow, this hair clip is so beautiful! Is it for sister Yunjian?" Ye Zhi took the hair clip from Yuan Lin's hand and sized it up for a while, then said.

Yuan Lin didn't respond.

"Sister Yunjian will definitely like it! I will pass it to her for you!" Ye Zhi said seriously.

Yuan Lin, who was about to say that the hairpin was for you, suddenly stopped.

"This is so infuriating! Who are these two people! And that Little B * Tch Shi Mifen! It was my sister Lou who carried you up in the first place! Look at how she got her status as an international movie Queen!"

"How dare you talk to me like that? You deserve to be sent to the hospital by that new actor, Luo Yi!"

A loud and unusually sharp female voice rang out.

Hearing this, Yezhi felt a moment of fear.

She was no longer afraid in front of the elemental purlin, but in front of others, the fear that came from the depths of her soul could not be suppressed.

“Quickly hide here!” Yezhi pulled the elemental purlin to the bottom of the stairs, letting the tall man half-squat there.

Then, she took the hair clip given by the Purlin and hid it under her quilt. She ran to the mirror, grabbed a handful of black charcoal, and smeared it on her face.

After smearing the handful of black charcoal on her face, Yezhi retreated to her “Little bedroom”— the bottom of the stairs.

At this time, the door was opened, and the fat sister Lou walked in with a face full of hatred.

As she walked, she cursed, “You heartless things. I wonder who sent you to where you are now before you became famous.”

As she spoke, she slammed the door and slammed her backpack on the table.

“Yezhi! Damn you, Yezhi, come out now!” Sister Lou shouted after she slammed her backpack on the table.

This scream scared Yezhi so much that her body trembled.

However, Yezhi still walked out from the bottom of the stairs.

She still couldn’t control her fear and fear of people.

It was probably because she was just a puppet of the cloud paper. After the people who created her created her, they couldn’t make her look exactly like a human.

And Yezhi also had a fatal weakness — fear, timidity, and fear.

As long as she was facing someone more fierce, Yezhi would feel scared.

“You wretched girl, come here!” Sister Lou grabbed Yezhi’s ear and dragged her over.

Yezhi was so scared that he covered his head.

Usually, Yuan Lin would only stand in the corner and watch Yezhi get beaten.

To Yuan Lin, Yezhi was just an insignificant person, a pitiful puppet that had nothing to do with him.

A person of his status would not want to help.

And today, as usual, sister Lou was in a bad mood. She grabbed her backpack and was about to hit ye Zhi, trying to vent her anger.

Ye Zhi also closed his eyes, trembling with fear.

But just as the backpack in sister Lou’s hand was about to hit ye Zhi...

A figure suddenly appeared. The person grabbed the backpack in sister Lou's hand and dragged sister Lou and the backpack to the side.

It did not hurt for a long time. Yezhi looked up in surprise and saw a ghost mask...
