

The Schoolgirl Secret Agent - Chapter 2643 -2674

2643 Chapter 2642 the old me will not harm you

On the question of why the god-ji in 2019 did not die.

Have you ever heard of a time machine?

Some people can open a space-time door and travel back a few years, changing history.

The God-ji in 2019 did not die, but in the year of the cloud note in 2004, the god-ji died. Does this mean that after the death of the god-ji in 2004, she can still be resurrected?

Of course, all of this was still unknown.

Yun Jian came to country Z from 2004 to 2019 in order to change the future.

The future could be changed.

After all, the beginning of everything was the beginning of the mysterious person's return to the God continent, changing everything.

If the mysterious person did not accidentally go to the God continent from 2019, then Yun Jian, as the witch God, would not be attacked, and he would not need to sacrifice his life to save her.

The two of them would not have both fallen to earth.

All in all, this was the only point.

It was precisely because the mysterious person had unintentionally gone to the God continent and attacked Yun Jian that Si Yi and Yun Jian had both fallen to Earth.

The things that happened after that, other than the three artifacts of the wooden sandalwood box, wooden fan, and wooden hairpin, were not much different from what Yun Jian had experienced.

The only difference was that Yun Jian and Si Yi gave birth to Si Ming. After Si Ming grew up, Yun Jian and Si Yi died together with the mysterious person, leaving only Si Ming and Yuan Lin alive.

By chance, Si Ming found out that the mysterious person had reincarnated to the god continent from the era he lived in.

And when the mysterious person was still at large in Yun Jian's era, he, who had yet to become the mysterious person, also existed in the world.

However, because the mysterious man only revealed a pair of pitch-black eyes and his entire body was covered by a black robe, he could not be killed back in 2004 before the mysterious man found a way to go to the mainland of gods.

Because he had experienced a lifetime, Shiming had gone to the mainland of gods with the future mysterious man when the mysterious man had just become a mysterious man and found the passage to the mainland of gods.

In short, Yun Jian had already experienced two repeated lives.

As for the first repeated life, she had no impression of it.

Everything was very complicated, but you only needed to remember one point.

Yun Jian had traveled through time and space with Si Yi from 2004 to 2019, all in order to find the mysterious person, kill him, and change the future direction of herself, Si Yi, and all those who had died together with the mysterious person!

Even if her and Si Yi's deaths in the future had already become a foregone conclusion.

But the future could be changed!

My fate is in my hands, not the heavens!

Yun Jian was going to defy the heavens and control her own luck in her own hands!

...

In the cafe.

Yun Jian put on her black mask again.

Shen Ji also wore a hat.

Zhang Xiaosan, Fang Lingli, and the others were like bodyguards as they stood ten meters away from the cafe where Yun Jian and Shen Ji looked at each other.

"So, in 2004, I died?" Shen Ji didn't seem to know about this. She raised her eyebrows and said to Yun Jian.

"Yes," Yun Jian replied softly.

Shen Ji raised her eyebrows and looked at Yun Jian. She said half-jokingly,

“In my current world, you, 006, are also a dead person.

“Do you know how shocked I was when I heard the news that you died?”

“You, 006, will also die one day, Haha!”

Although Shen Ji’s words were a little overboard, Yun Jian naturally knew that she was joking.

The red arc pursed, and Yun Jian curled his lips and asked, “Then it’s time for you to explain why you were hanging out with the mysterious man’s subordinates in 2004?”

Shen Ji nodded and smiled at this question. Then, she told Yun Jian without hiding anything, “Because I owe him a favor. But I want to know that with my personality, I shouldn’t have harmed you in the past, right?”

2644 Chapter 2643: Cloud note darkens and returns to the brake god -GrandrFinalenale Partpart 1)

“You didn’t harm me, and you even saved my life.”

Cloud note stood up at this time. She crossed her arms over her chest and curled her lips into a smile that made the world lose its luster.

After a long while, she spoke calmly and continued to ask, “So you know the identity of the mysterious person? Who Is He?”

Speaking of this, Shen Ji’s lips twitched:

“That guy is very cunning. He knows that before he became his current identity, he was just an ordinary earthling, afraid that he would be killed in another space-time.

“He didn’t send people to protect himself as an ordinary person in another space-time, so he didn’t even reveal any flaws.”

As Shen Ji said this, the corners of her mouth twitched with anger.

Hearing this, Yun Jian’s eyes dimmed.

However, after Shen Ji said this, her next words attracted Yun Jian’s attention:

“But I know that that guy has a weakness that outsiders don’t know about!”

Shen Ji’s words made Yun Jian’s dimmed eyes narrow again.

...

After coming out of the cafe, Zhang Xiaosan, Fang Lingli, and the others kept their mouths shut.

It was as if they knew something that couldn't be leaked. They didn't publicize anything about Yun Zhi at all.

After Yun Zhi's death in the future, all of her forces would be taken over by Shen Ji alone.

It wouldn't fall into the hands of outsiders.

Shen Ji even asked Yun Jian if he would return the forces that belonged to her to her, but Yun Jian refused decisively.

He only asked Shen Ji to help find the whereabouts of the mysterious man.

Her purpose in coming to the future world was to kill the mysterious man, nothing else.

...

Over the weekend, Yun Jian boarded the high-speed train and returned to Longmen City from university.

In 2004, there was no high-speed train, but 2019 was already very common. But according to Yunjian's understanding ability, she soon learned to use a smartphone to buy tickets.

Longmen city in 2004 and Longmen City in 2019 changed dramatically.

Whether it was the streets, the side streets, the size of the city, or People's living conditions, they all changed.

According to Longmen City's economic situation in 2019, every family could afford a car.

Yun Jian put on his black mask and came to the familiar yet strange home — Qin Yirou's home.

Yun Jian and Si Yi died in the battle, but Qin Yirou, GE Junjian, and the others were not dead.

As soon as he arrived at the door, he saw Qin Yirou, who was already in her fifties or sixties, bending down and sweeping the fallen leaves on the ground.

Because she was already old, when Qin Yirou bent down, she had to use her other hand to support her waist.

Her back looked lonely and desolate.

Yun Jian clenched his fist, not intending to go forward to recognize her.

At this moment, a passerby passing by suddenly threw a bunch of rotten banana peels into Qin Yiruo's house.

The Bunch of rotten banana peels ruthlessly hit the old Qin Yiruo.

"Bah! The mother of a murderer!"The passerby who threw the banana peels spat at Qin Yiruo in the courtyard.

The woman who was standing next to the man tugged at the man and said with some fear, "That's Sha Shen's mother after all. What if..."

"What if! Sha Shen is already dead! Hehe! A woman can actually strut her stuff to this extent? Even if she's dead, there's nothing left! It's already good enough that I didn't rush in and beat up Sha Shen's mother!"

"Look, Sha Shen's mother's leg isn't working properly. wasn't it crippled by someone a while ago! Without Sha Shen's support, she's nothing!"

...

The man spat and pulled the woman beside him, who was his girlfriend, far away.

They had just turned into an empty alley.

The man pulled the woman and was happily walking forward.

Suddenly, in front of them, a slender girl wearing a black mask stood in the darkness. She was like the Grim Reaper of the night, not making a sound.

"F * ck! Who Are You! What are you doing!"When the man saw this, he was already feeling guilty from cursing. Now, he was shocked and cursed.

After saying this, the man held onto the woman and wanted to go around the girl in front of him and leave.

However, just as the man pulled the woman and wanted to go around the girl, the girl suddenly took off her black mask and revealed her original appearance.

Just as the man and the woman were scared to the point that their faces turned pale, the girl turned her head to look at them and suddenly said the last sentence that the man and the woman had heard before they died out of thin air:

“Weren’t you talking about me with great enthusiasm just now? Can’t You Guess Who I am?”

2645 Chapter 2644. She had changed her appearance. Headless Murder (Grand Finale 13, Part 1)

“Sha! Sha Sha! Sha Shen!”

The man did not even have time to recover from his shock. He gasped for breath and his originally rosy cheeks were replaced by paleness and horror.

“Isn’t Sha Shen already dead? !!! Didn’t the media already announce Sha Shen’s remains to the world after his death? !!!”

The woman’s face was also pale from fright. She gripped the man’s hand tightly. The strength of her fingers was so strong that they could tear the man’s skin apart. However, just thinking back to their actions just now...

“Ta-ta-”

This place was a quiet and uninhabited alley, surrounded by residential houses. As it was one or two o’clock in the afternoon, the people living in the houses had either gone out to look for someone to play with, so they stayed at home to take an afternoon nap.

At this time, the originally Lonely Alley was the most deserted.

The pair of white shoes under the long legs of the cloud paper gently stepped on the ground, as if the gates of Hell had been opened and the god of death had stepped over thousands of corpses. His sharp eyes glanced sideways at the men and women.

“You! You, you, you! Let me tell you! This is a society ruled by law! If you dare to do anything to me! Me! Me, Me, me! If you dare to kill me, there will be evidence at the scene!

“This is a high-tech society now. If you kill me, you will definitely be found out that you are the real murderer. If you are caught, you will be sent to prison! Put down the butcher’s knife and become a Buddha. I advise you to be kind! ...”

When the man spoke, his voice could not stop trembling. The hand that he was holding on to his girlfriend also loosened unknowingly.

The moment the cloud note was about to reach him, the man was so scared that he grabbed his girlfriend and hugged her tightly, trying to pull her to him.

However, the cloud note handed him a piece of white paper and a black pen.

“Write down all the people and addresses that you know who bullied Qin Yirou’s family, and I’ll let you go.”

The words of the cloud note made the man feel relieved. He quickly grabbed the black pen in the Cloud Note’s hand and wrote down all the names and addresses he knew on the white paper.

“Everything I know is on it. Go, Go, Go!” He shoved the black pen and the white paper back into Yun Jian’s hand. The man pushed his girlfriend and staggered for two steps. He almost stumbled because his feet were unsteady.

“Hold on.” Two words came out of Yun Jian’s mouth slowly and gloomily. From the sound of her voice, one could tell that there was not a single expression on her face.

The Man and his girlfriend’s hearts trembled slightly. The man had just turned around and wanted to say whether the cloud note was going to go back on its word when he suddenly heard a sinister and cold voice behind him. He had heard the last words of the world:

“The two of you who know that I’m still alive in this world, do you really think that you can leave safely?”

...

An province, Hezhou city.

In a certain dance studio.

A group of well-dressed young girls were following their instructor in front of a large mirror. They were swaying to the music and dancing seductively.

Different from these well-dressed young girls, there were three part-time workers. They were dressed in work clothes and wore slightly yellowed white shoes. They were girls who were bending over on the floor of the dance studio, cleaning and mopping up, they were working hard.

These two or three part-time workers were hired by the boss to clean the dance studio regularly every day.

One of them had a slender figure. Her figure was perfect, but her appearance was slightly ordinary. Her eyes flashed sharply.

This ordinary-looking girl was none other than Yun Jian who had changed her appearance.

At that time, Yun Jian raised his eyes and looked at the fifteen or sixteen-year-old girl not far away who also had a good figure but was doing the work of the lowest class.

Upon closer inspection, the 15-to 16-year-old girl in Yun Jian's eyes looked 80% similar to Yun Jian!

This girl was none other than her biological daughter, Si Yuan!

Yun Jian's eyes darkened slightly.

At this moment, he suddenly heard the latest news report coming from a color TV in front of the dance studio:

"It is reported that more than a dozen headless murders have occurred in Longmen City, Zhejiang province, but the murderer knows how to erase the traces of the scene and is suspected to be a professional killer. Moreover, his methods are quite skilled, so the police have no way to investigate. Currently, the police are still investigating. Please pay attention to us. If there is any further news, we will report it to you as soon as possible... . . ."

2646 Chapter 2645 wants to meet my mother (finale 14, Part 1)

After this news report came out, the other girl who was working part-time in the dance studio with Yun Jian and Si Yuan wiped the sweat off her forehead and could not help but complain to Si Yuan who was not far away in boredom:

"Headless murder, eh, Si Yuan, I heard that your hometown is Longmen City in Zhejiang Province, right?"

Hearing this, Si Yuan's hands paused. Her young but beautiful face showed a hint of unnoticeable desolation.

"Yes." Si Yuan nodded slightly at the girl who was working part-time with her and continued to do the work in her hands without saying much.

This was the fate of Si Yuan and Si Ming after Yun Jian and Si Yi died.

Yun Jian clenched the mop in her hands tightly, but she did not make a sound.

Her heart seemed to be gripped by something tightly, and Yun Jian did not go forward to acknowledge si yuan.

Even though she had just arrived in the future world and was penniless, with Yun Jian's ability, it was easy for her to become rich instantly. She also had the ability to immediately let si yuan live a material life, but she did not plan to do so.

Right now, she only planned to stay by Si Yuan's side and silently protect her until she found the mysterious person.

Si Ming had been taken away by the mysterious person. Yun Zhi and Si Yi were gone in the future world. In addition, Yun Zhi and Si Yi were not the only ones who had perished together with the mysterious person.

To Si Yuan, Si Ming was her only living relative other than Qin Yiruo and GE Junjian.

Now, as Si Yuan's biological brother, she relied on Si Ming. In order to change his fate, he had already left this place and headed to a place where everything had yet to begin. He had never returned since he left.

To Si Yuan, she did not have a trustworthy friend by her side. She had gone out of the province to work alone for a living. This had resulted in her quiet personality.

Then, there was a moment of silence.

"Hey, I'm so tired. My mom made supper for me. I can go home for Supper Tonight!"

After a while, the group of young girls who were practicing dancing in front of the mirror walked out. One of them stretched and said with a relaxed expression.

This group of girls who were dressed well contrasted with Yun Jian, Si Yuan, and another hourly worker who were sweeping the floor.

The girls attending the dance studio left one after another.

This meant that Yun Jian and the other two had to drag all the floors of the dance studio again.

"Si Yuan! Let's Go Together!" At this moment, a well-dressed girl who came out of the dance studio walked in front of Si Yuan and turned her head to Si Yuan.

This girl's name was Yuan Tianqi, a child from a well-off family.

Yuan tianqi could be considered Si Yuan's friend. She was very beautiful and had a pair of long and slender legs. At this moment, she was wearing a pair of short leather pants that had just crossed her butt as she walked towards Si Yuan.

Si Yuan's appearance was definitely the most outstanding out of everyone.

Even though she did not put any makeup on her face.

"We haven't finished mopping the land here. You should leave first." Si Yuan seemed to want to leave with Yuan Tianqi, but she stopped and shook the mop in her hand. She refused.

"I'll help you clean it. Go ahead." Yun Jian held the mop in Si Yuan's hand and said.

"How can I? You help me mow it. It's very tiring..." Si Yuan was stunned and quickly said.

"Go play. Remember to go home early." Yun Jian didn't say anything else and only reminded her indifferently.

The words 'go home early' suddenly touched Si Yuan's tears. She wiped her tears.

"What's Wrong?" Yun Zhi frowned slightly when he saw Si Yuan wiping her tears.

Si Yuan quickly waved her hand at Yun Zhi when she saw this. "Nothing, nothing. I just feel that you are very similar to someone I know." Very similar, really very similar to my dear mother, a mother who really wants to see me again.

2647 Chapter 2646, ordinary daily routine, sudden change in style (finale 15, Part 1)

"Aiya, if a person is willing to do it, just let her do it for you!" Other than Yun Jian and Si Yuan, another part-time worker girl saw this scene. She walked over and stuffed all the mops that Si Yuan was still holding into Yun Jian's hand.

"Since you're willing to do it for Si Yuan, just do it for me," said the girl who was also a part-time worker in the dance studio like Yun Jian and Si Yuan. She also conveniently stuffed the mop in her hand into Yun Jian's hand:

"Hey, well, since you've helped Si Yuan, help me too. Help me mop the floor. Don't worry, I'll take good care of Si Yuan!"

The girl who worked as a part-time worker in the dance studio was very smart. She knew that Yun Jian cared about Si Yuan, so she used Si Yuan as an excuse. Yun Jian would definitely agree.

Yun Jian's eyes moved. As expected, when he heard that the girl who also worked as a part-time worker would help take care of Si Yuan, he tacitly agreed.

"No, I can't let her do the work of three people by herself. You guys go and Play! I'll stay and mop the floor with you." For some reason, Si Yuan was unwilling to leave, she snatched the mop back from Yun Jian's hand and insisted on going with Yun Jian.

“Alright, Alright. There’s really no other way. Tianqi, let’s go together then?”The other part-time worker girl said as she put on a helpless expression. Then, she conveniently clung onto Yuan Tianqi’s arm.

Yuan Tianqi was stunned for a moment, but she still nodded. “Alright.”

This worker girl did not come from a good family background. Her family did not have the money to support her, so she was only around fifteen or sixteen years old, so she ran out to work.

The Worker Girl’s name was Gan Shuya.

Yuan Tianqi and Gan Shuya left.

Yun Jian’s hand that was holding the mop paused for a moment. She smiled from the bottom of her heart and looked at si yuan, asking, “Why aren’t you leaving?”

“Because I can’t leave you alone,”Si Yuan said as she took the mop from Yun Jian’s hand and dragged it up with all her might.

After she finished speaking, she seemed to have become more cheerful in front of Yun Jian. Suddenly, she grinned at Yun Jian. Her beauty was amazing:

“Also, I feel that you look like a person. That person is my mother...”

As she spoke, her voice became softer and softer.

...

At night, Yun Jian personally sent Si Yuan to her residence and was about to leave.

There was no trace of the mysterious person near the university. Yun Jian had already left the university and was now temporarily staying in he Zhou City, an province.

Yun Jian was about to leave when Si Yuan suddenly asked him to stay. “That girl who lives with me just moved out today. Do you want to move in with me? We can play games together at night, sleep together, and count the stars together...”

Before si yuan could finish her sentence, Yun Jian agreed. “Okay.”

In the blink of an eye, it was the end of the month.

At the end of the month, after her salary was settled, Si Yuan planned to give herself a day off.

Coincidentally, Yuan Tianqi and Kansu ya invited her out to play together. Si Yuan was looking forward to it very much.

Si Yuan also invited Yun Jian to go with her, but Yun Jian refused.

“You have to go home before seven in the evening,”yun Jian said.

In the future, Si Yuan didn't learn martial arts from Yun Jian because she had always been well protected by her family.

“Good! I found that you really look like my mother!”Si Yuan smiled excitedly at Yun Jian, then waved at Yun Jian, left the rental house, and went out to play.

Yun Jian narrowed his eyes and smiled. Not long after Si Yuan left, he also left.

...

An province, Hezhou City, the home of the most famous and powerful chairman of Pegasus Group in the city.

Pegasus Group secretly opened a Pegasus nightclub. The nightclub was involved in some unscrupulous activities.

At this moment, in the Office of Pegasus Group.

A 19-year-old girl was stepping on the shoulder of Pegasus Group's chairman, Ma Jianhang. She forced the dignified chairman of Pegasus Group, Ma Jianhang, to kneel before her and listen to her with a trembling voice.

This girl was none other than Yun Jian!

2648 Chapter 2647 Zhang Siyuan was deceived and drunk to death -GrandrFinalenale Partpart 1)

If one looked carefully, the chairman of Pegasus Group, Ma Jianhang, was trembling all over and sweat was dripping from his forehead. He lowered his head and knelt in front of Yun Jian.

Yun Jian was wearing a black mask, which covered her entire face. She was stepping on the shoulders of Ma Jianhang, the richest and most powerful man in Hezhou City, it was as if she was doing something extremely ordinary.

In the past few days, as more than ten murders occurred in Longmen City, a young girl with the code name “Soul Slayer”appeared on the streets at the same time.

It was said that the young girl looked to be in her teens. She wore a black mask every day. Her identity was unknown and she was decisive in killing. Anyone who was targeted by her would die.

Ma Jianhang did not know the identity of Yun Jian. He only knew that Yun Jian came to him because he had taken a fancy to his wealth.

“You! You have taken a fancy to something in my company. You Don’t have to be polite! I only beg you to let me go and let me live!”Ma Jianhang was so scared that his face turned pale.

He did not even know from which corner Yun Jian had entered his office!

As soon as Yun Jian appeared, he fell to the ground. There was a blade on the heel of the shoe she stepped on his shoulder!

The blade was pressed against his neck!

“50 million, put every cent into this card.”Yun Jian threw a bank card in front of Ma Jihang.

Ma Jihang made a phone call obediently and asked someone to transfer the money into the bank card number.

Very quickly, Yun Jian received a deposit of 50 million.

Seeing that the money was in her hand, Yun Jian stepped on the bank card on the ground. The bank card bounced up and was coincidentally held in Yun Jian’s hand. She took the bank card and sharpened the knife under her feet on the ground, then put it away without a trace.

...

And at this moment, at Pegasus nightclub.

“Si Yuan, really! You have to believe me! It was Tianqi who introduced you, don’t you believe it! I tried it two days ago. I just poured water for someone in the bar. I can earn at least 200 to 300 yuan a night, and at most, I can earn over a thousand yuan!

“Come and work with me! That way, we won’t have to work so hard to mop the floor!”

Gan suiya dragged Si Yuan and walked towards the Pegasus nightclub.

“Really?”Si Yuan was indeed tempted. She was just a young girl who hadn’t experienced anything. She didn’t even know what a bar was.

“Really! Besides, as long as you accompany them for a drink, you’ll get a tip! Give it a try, come here and work for the whole day! I guarantee that you won’t go back and mop that dirty floor again!”Gan shuiya nodded her head like a rattle-drum.

She dragged Si Yuan into the bar.

On the other side, Yun Jian did not see Si Yuan when he went home.

It was already 7:30 pm, and she had asked her to go home at 7:00 pm, but she was not back yet...

Yun Jian’s eyes narrowed.

At this moment, Si Yuan was being pulled by Gan Suiya to change into the bar’s business attire —

This was a mini mini skirt, similar to the kind that only bar receptionists would wear.

“This skirt, isn’t it too... Too Short?”si yuan tugged at the hem of the skirt, unable to block her fair and beautiful thighs.

“Wow! Si Yuan, your legs are too beautiful! The big bosses will definitely like your legs!”At this moment., yuan Tianqi led a very mature-looking woman into the changing room. When Yuan Tianqi saw Si Yuan, she cried out in surprise, her eyes shining brightly.

As she spoke, Yuan Tianqi even led the very mature-looking woman behind her to Si Yuan, then, she introduced, “Oh right, let me introduce you. This is the person in charge of the bar. Everyone calls her sister Hong. Si Yuan, once you enter this line of work, you will really be drunk to death. You will never want to be a sweeper in your entire life!”

2649 Chapter 2648 Si Yuan has yet to return, Yun Jian is looking for a girl (finale 17, Part 1)

As Yuan Tianqi spoke, she reached out and touched Si Yuan’s thigh, which was outside the bar’s business attire. Like a best friend, she joked with Si Yuan.

Si Yuan only gave Yuan tianqi a symbolic smile, but her face was blank.

Si Yuan had never touched these things, but her innate perception gave her a bad feeling.

“Quick, quickly greet sister Hong!”Yuan Tianqi said as she nudged si yuan with her elbow, hinting at Si Yuan.

Thinking that greeting should be a basic courtesy, Si Yuan said to sister hong, "Hello, Sister Hong."

"Good, good, good! Good sister, you should only be 15 or 16 years old, right? You're really beautiful! Actually, sister Hong is only a few years older than you. When she was your age, she also went out to explore by herself! "From now on, treat this place as your home! "Sister Hong will take care of you!"

Sister Hong, who was dressed in a cheongsam red, was now walking slowly towards Si Yuan with her ten-centimeter high heels and a large amount of smoky makeup.

When she walked up to Si Yuan, sister Hong wrapped her arm around Si Yuan's arm with a look of familiarity, which made Si Yuan's heart warm up.

However, Si Yuan still took two steps back without anyone noticing.

Whether it was Yuan Tianqi, Gan Shuya, or sister Hong, all of them gave si yuan a very warm feeling.

But why did she still feel that being with the people in front of her was not as comfortable as being with Yun Jian?

"Tick, Tick, Tick –"

Si Yuan was silent for two minutes when she suddenly heard the crisp sound of a clock turning.

She raised her head and looked at the clock hanging on the wall in front of the changing room.

The time indicated on the clock was just a little past 7:30.

"It's already 7:30! I should go home!" Si Yuan looked at her watch and turned around, wanting to go into the changing room to take off her clothes and go home.

"Aiya, what's the hurry, Si Yuan? No one is waiting for you to go home anyway. It's only a little past 7:00. It's still early. Let's play before we go back. Let sister Hong help you get used to your new job!" Yuan Tianqi saw this and reached out to pull Si Yuan back, she even gave Gan Xiuya a sidelong glance.

Seeing this, Gan Xiuya walked over with a smile and pulled si yuan back, urging her to stay. "That's right. Let's have some fun before we go back! We'll send you home later!"

Yuan Tianqi and Gan Xiuya tried their best to persuade Si Yuan to stay. On top of that, sister Hong had said that this was a good job. If Si Yuan did not stay tonight to apply for

the job, there would be no more chances. There were plenty of people lining up to get this easy-paying job, si Yuan agreed to stay.

“Can you lend me your phone? I want to make a call. An Qi is still waiting for me at home. She said that I have to go home at seven o'clock...”Si Yuan spoke again.

An Qi was the fake name that Yun Jian used.

Si Yuan, Yuan Tianqi, and Gan Shuya all used the name an Qi to call Yun Jian.

“Aiya! An Qi is not your parent. When she tells you to go home, do you go home at the same time? We don't have our phones with us anymore. Alright, let's Go! It's the same if we explain to her when we go back tonight...”

Yuan tianqi pushed Si Yuan and dragged her out of the changing room.

...

Yun Jian's face gradually darkened as he stood in the empty rented room.

At 7:35 pm, Si Yuan had always been obedient and had yet to return even after so long.

Yun Jian stood up from the sofa and walked to the door. He opened the door and left the rented room.

The future world had undergone earth-shattering changes because of the death of Yun Jian and Si Yi in the future.

Yun Jian was in Z country in 2004. If she wanted to investigate someone's whereabouts, a phone call was enough.

But in 2019, without power, it was not so easy for her to investigate someone.

Of course, everything that was not easy, even if she started from scratch, could be easily put into Yun Jian's hands.

...

After being threatened by Yun Jian, the Chairman of Pegasus Group, Ma Jianhang, could not recover from his shock for a long time.

At this moment, Ma Jianhang was hugging a naked woman with plump breasts and buttocks. Because he was tired after “Hard work,”both of them were lying on the bed, ready to fall asleep early.

It was pitch-black all around.

Just as Ma Jianhang heaved a sigh of relief and was about to fall asleep, a ghost-like figure suddenly appeared on the balcony outside the curtains.

“Who, who, who! Who Is There!” Ma Jianhang accidentally caught a glimpse of this figure and was so scared that his lips and teeth turned white.

Just as Ma Jianhang was so scared that all the muscles in his body tensed up, a female voice that scared Ma Jianhang so much that he almost peed in his pants during the day, which he would never forget until he died, suddenly sounded from the balcony outside the curtains:

“Old Thing, I’ll give you one minute to put on your clothes and get out!”

2650 Chapter 2649 goes into the Wolf’s den, and the scroll arrives (finale 18, Part 1)

This voice was something that Ma Jianhang would remember for the rest of his life.

The woman lifted her foot, and a blade flew out of her heel. The scene of her holding onto his neck made him look like a decisive killer.

Ma Jianhang was so scared that he rolled out of bed. He even forgot to act cool in front of his mistress, and he put on his clothes as fast as he could.

As he ran, he pulled open the curtains and opened the balcony door. Like a big wolf that had lost its arrogance, he bent his waist and looked at the cloud note, obeying his orders.

...

At the same time in Pegasus nightclub, Si Yuan, who was dressed in a bar business suit, was pulled to the door of a large private room.

It was not known when, but Gan Shuya had also changed into a bar business suit.

Sister Hong and Yuan Tianqi stood beside Si Yuan and Gan Shuya. Sister Hong was constantly exhorting si yuan:

“My dear sister, you’ve just arrived. Learn more from Su Ya!

“The people who came to our shop today are all big bosses! They are worth hundreds of millions! Don’t make them unhappy!

“Yesterday, the new girl in our shop, Xiao Lan, received a tip of 3,000 yuan from the big bosses just for drinking with them!

“Both of you, learn to be smarter!”

Sister Hong twisted her waist and exhorted them.

As she spoke, sister Hong glanced at Si Yuan and asked again, "My good sister, have you been in a relationship before?"

As soon as she asked this question, sister Hong saw a trace of desolation flash across Si Yuan's eyes.

"Yes." Si Yuan responded softly to sister Hong and did not say anything else.

Si Yuan was reminded of Zhou Yiran, who had protected her since she was young.

But he had already done so to protect her...

Holding back the tears that were about to fall, Si Yuan clenched her fists and pretended to be calm.

"Alright, Alright, Hurry up and go in!" A different color flashed across sister Hong's eyes. In the next second, she urged her.

Si Yuan turned around and wiped away her tears. Then, she pushed the door open and entered the big private room with a wine plate in her hand.

Sister Hong watched Si Yuan and Gan Shuya enter the big private room with a smile on her face. After the door of the big private room was closed, sister Hong's smile instantly dimmed.

"This one already has a boyfriend. He's definitely not a virgin anymore," sister Hong said to Yuan Tianqi who was standing at the side.

"Then, if you don't want to do it later, why don't you just inject it directly?" Yuan Tianqi raised an eyebrow.

"Mm, you take care of it. I'll give you a reward later." Sister Hong nodded at Yuan Tianqi, crossed her arms, and looked through the door of the private room to see the situation inside.

...

Si Yuan had just entered the room when she heard the deafening noise inside the room.

She subconsciously took a big step back.

"Follow me later. Don't run around." It was obviously not the first time that Gan Xiuya had come here. She moved closer to Si Yuan and whispered to her.

After that, a smile appeared on Gan Xiuya's face. She carried the wine tray and walked towards the group of bosses in front of her.

At first, Si Yuan and Gan Shuya just stood at the side and poured wine.

Si Yuan naively thought that this was just a job of pouring wine.

However, as the atmosphere became more and more lively, the big bosses sat in the private room and raised their microphones to sing loudly to the screen. One of them was a big and burly man.., the Big Boss with a beer belly, who looked like he was five months pregnant, reached out his hand to touch Si Yuan's thigh.

Perhaps because she had inherited the excellent genes of Yun Jian and Si Yi, Si Yuan's natural reaction speed was extremely fast. The second the big boss's hand was about to touch her thigh, she quickly dodged it.

This move instantly attracted the dissatisfaction of the big boss.

"Red... !"The Big Boss immediately shouted, wanting to call sister Hong, who was outside the room, to come in.

Before he could finish saying "Hong", Gan Shuya took the opportunity to take Si Yuan's place. She turned around in a circle, holding back the chill in her heart, and sat down on the Big Boss's seat.

Gan Shuya took a sliced banana from the table in the room and stuffed it into the big boss's mouth. Then, she tugged at her red lips:

"Boss Li, she's new here. Please be magnanimous and don't lower yourself to her level!"

Although when Gan Shuya was sweeping the floor in the dance studio, she was quite scheming and knew how to use the cloud paper to treat Si Yuan well, giving the mop to the cloud paper to sweep.

But at this moment, Gan Shuya's actions had once again saved Si Yuan's life.

One had to know that if one angered this group of big bosses, it wasn't something that could be done just by not doing the job.

In the future, they would be in big trouble in United Boat City!

"So you're new here. I was wondering why you're so ignorant."The bald man in his forties and fifties who was called boss Li grabbed Gan Suya's chest and stared straight at Si Yuan.

Pegasus nightclub was known as a bar, but in fact, the waitresses who entered this place were all waitresses who could be taken away as long as they could afford the price. They were clearly listed as how much they cost per night.

2651 Chapter 2650 the victim of the headless murder (finale 19, Part 1)

Si Yuan was shocked by the scene in front of her.

No matter how ignorant she was, Si Yuan should know what was going on.

"I'm going to the toilet." Si Yuan immediately thought of a way to escape. She gave everyone a fake smile, but in her heart, she was already thinking of how to escape.

Fortunately, no one stopped her from going to the toilet. After Si Yuan walked out of the private room, she ran to the toilet as fast as she could.

Sister Hong walked out from the corner at this time. She looked in the direction Si Yuan had left and said to the thugs standing beside her, "Follow her."

"Yes!" The group of thugs accepted the order and chased after Si Yuan.

Sister Hong dodged and entered the private room of the bar. She twisted her butt and came in front of boss Li. She took over Gan Suya's seat and sat on boss Li's lap. With a seductive look, she said to boss Li,

"How is it? Boss Li, are you satisfied with that girl just now?"

Hearing sister Hong's words, boss Li revealed a wretched smile. "Yes! I'm very satisfied!"

"If she doesn't listen to me later, I'll inject a bucket of that thing into her body. Then, she won't be able to control herself! She'll definitely be my most lascivious chicken in the future!" Sister Hong smiled and drew a few circles in front of boss Li's chest.

"With that appearance and appearance, she should be the most beautiful princess in the private room of your bar!" Boss Li could already imagine that scene.

...

Besides, Si Yuan had already arrived at the toilet. She looked around the toilet, but did not find a way to escape. Helplessly, she stayed in the toilet for quite a while before she looked around the toilet. When she saw that there was no one around..., she ran frantically towards the entrance of the bar.

However, she had only taken two steps when she was viciously attacked from the side by a few men.

Si Yuan had once practiced a few moves with Zhou Yiran. She dodged twice, but soon fell into a disadvantageous position.

She was caught!

Si Yuan did not have any physical training. Yun Jian and Si Yi were too doting on her. In addition to Zhou Yiran's care, Si Yuan had been living very well since she was young.

"Let Go! Let Go of me! It's illegal for you to capture people like this!" Si Yuan struggled and was captured into the private room.

In the private room, sister Hong crossed her legs and looked at Si Yuan. Seeing that Si Yuan was still struggling crazily, she stepped forward in her red high heels and gave Si Yuan a few big slaps.

"You want to escape after entering my Pegasus nightclub?" Sister Hong slapped Si Yuan's face a few times before giving up.

After she slapped Si Yuan, sister Hong looked at Yuan Tianqi again. Her tone was no longer as friendly as before. "Are you sure that she has no parents and is alone now?"

"I'm sure, I'm sure!" Yuan Tianqi quickly nodded.

"Hold her down and inject her!" Sister Hong did not pretend anymore and immediately revealed her ugliest face.

Immediately, someone walked towards Si Yuan with a large syringe in hand.

Gan Shuya was so scared that she was shivering at the side.

The few big bosses looked at her meaningfully.

Girls who didn't have their parents by their side were usually not willing to show their faces when they were tricked into this kind of place.

The best way was to force the other party to inject drugs directly.

That's right. Apart from accidentally ingesting drugs, they could also be injected into the body by force.

It was just like when a doctor injected you with a syringe in a hospital.

However, what was in the syringe was drugs.

As long as one was injected with drugs, the person's life would be over.

If Si Yuan was injected with drugs, she would definitely be addicted to the taste of drugs. At this time, not to mention having sex with someone to exchange for a syringe of drugs, even if she lost her limbs, she could still do it when she became addicted to drugs.

Forcefully injecting drugs!

This was completely because Si Yuan had no parents, so she dared to do this!

However, the people around only watched and did not say anything. Some people even gloated over her misfortune.

The few big bosses looked like they were ready to make a move. They even started to discuss how they would share Si Yuan's delicious food later.

Just as Sister Hong's subordinate was holding a syringe and was about to inject the drugs into Si Yuan's arm.

The door of the private room was violently smashed open with a human body.

The person who was smashed into the room was a nightclub waiter.

"What's Going On!" Sister Hong's eyes flickered when she saw this.

Just as Sister Hong's eyes flickered, a slender figure stepped into the room.

The moment they saw Yun Jian, Gan Suya and Yuan Tianqi were almost in shock.

Sister Hong even muttered, "Where did this ugly woman come from? Hurry up and get out..."

Just as she said this, Yun Jian had already arrived beside sister Hong, who was about to inject si yuan with the syringe.

"Quick! Catch her!" Sister Hong shouted when she saw this.

However, just as sister Hong said this, Yun Jian suddenly flipped her hands, and ten blades appeared between her fingers.

The blades were in her hands. She did not even look at them before the blades flew out and directly slashed the necks of the ten thugs who were about to attack sister Hong in front of everyone present.

In the next second, the ten thugs instantly lost their breath and fell to the ground.

She had killed someone!

Sister Hong was completely frightened. She took a huge step back in a frenzy. Along with Yuan Tianqi and the other bosses, they retreated to a corner of the private room where they could not retreat anymore.

“You, you, you, you, who are you? ! Someone, come here! Murder! Murder!”

Just as Sister Hong was so frightened that she started to scream crazily, the cloud paper raised a red arc.

In the next second, in front of everyone, she tore off the mask and revealed her original face.

It was exquisite and beautiful. It had a stunning face that was 80% similar to Si Yuan’s.

However, what frightened everyone and made them tremble was not Yun Jian’s beautiful face, but..

Yun Jian took a light step forward and stood in front of everyone who was huddled in the corners of the room. When Si Yuan’s face was covered in tears and everyone’s face turned pale from fright, he suddenly said,

“Congratulations, you are about to become the 17th victim of the headless murder that I, Sha Shen, have returned to.”

2652 Chapter 2651, who’s next

The 17th victim of the headless murder case!

Headless murder case!

The voice that came from the cloud paper’s mouth made everyone’s pupils tighten.

Especially when it was accompanied by the cloud paper’s strange ability to use a blade to kill ten living people.

Sister Hong, Yuan Tianqi, and the few big bosses who were sitting in the private room, waiting for Si Yuan to be injected with drugs and let them do whatever they wanted, all curled up in the corners of the private room.

They looked as if they wanted to crawl into the corners of the room and let themselves out.

“No... Headless Murder... Who, who are you...”

Yuan Tianqi’s eyes bulged like a dead fish’s eyes. She stared at the cloud note, her face pale.

2019 was the year of the Internet Technology Society.

In this era, even the slightest thing that happened could be introduced to the internet and become popular overnight.

In short, it was a trivial matter that could be quickly spread around the world.

The dozens of headless murders that happened in Longmen City couldn't even be investigated by the police with modern technology. It had long been spread across the country, causing countless netizens to be suspicious.

And at this moment, the murderer of the headless murders stood in front of everyone and killed ten of sister Hong's subordinates in one move..

Everyone present was naturally shocked beyond words.

However, what was even more terrifying was not so.

"Sha, Sha Sha God!" Unlike sister Hong, Yuan Tianqi, and the others, one of the big bosses finally reacted and cried out in shock.

"That, could it be the number one person on the international spy rankings who reported the death three years ago, Sha God!" After this big boss cried out in shock, the other big boss who was curled up in the corner also immediately reacted, he was scared out of his wits.

Who was Sha Shen! He had been popular in the world of assassin agents for decades. Just his name alone was enough to scare people out of their wits!

A king who had already died and was once at the peak of the world, unattainable by everyone! He suddenly appeared in front of everyone.

This kind of shock was something that those who were not present could not understand.

"We didn't see anything! We didn't see anything! We have no enmity with you! Please Be Merciful! We can give you anything you want! Please let us go! !!"

In the private room, the boss with the most seniority and the most power among the group of big bosses suddenly crawled from a corner of the private room like an animal to the front of the cloud paper and then knelt down in front of the cloud paper.

This boss was the one who wanted to take advantage of Si Yuan when she first entered the private room.

She used to be as glamorous as she could be, but now she was as miserable as she could be.

“Yes, yes, yes, yes. We have no enmity with you, you...”sister Hong pulled out a smile that was uglier than crying, and just as she was about to speak to Yun Jian.

“Mom... Mom!”A trembling voice with a hint of disbelief and ecstasy suddenly sounded.

Everyone turned to look at the person who had spoken.

Si Yuan pounced on Yun Jian and cried, “Mom! I miss your mom so much!”

Call Sha Shen, Mom! ?

Then Si Yuan was... ?

But judging from Sha Shen’s appearance, she seemed to be only nineteen years old! What was going on! !

Just as Yun Jian gently placed his hand on Si Yuan’s head and gently rubbed it, she raised her foot and stepped on the head of the boss who had just begged for mercy.

In almost a second, she stepped on the boss’s head and kicked to the right.

With a “Kacha” sound, the boss did not have time to react and directly sent the boss to hell with a strange force of her foot.

Die!

This scene was like cooking with fried rice to Yun Jian, but in everyone’s eyes, it shocked everyone’s fear.

At the same time, Yun Jian stroked Si Yuan’s head and flashed an indifferent smile that made everyone step into the prison of death:

“Who’s next?”

2653 Chapter 2652: Mad Abuse, her father (Finale 1)

If it was said that the big bosses in the private room came to the nightclub because they liked to play, then Yun Jian’s killing technique was definitely the most terrifying that these big bosses had ever seen in their lives.

It was countless times more terrifying than the exaggerated killing techniques in the Movies!

“Ahhhhh! No, don’t Kill Us! No! Syuan, I’m sorry! It’s my fault...”.

“I... I really, really, really didn’t mean to hurt you... I just wanted you to earn more money... Let Me Go! Please! Let Me Go! I really know my mistake...”

Yuan Tianqi saw everything clearly and saw that the boss kneeling in front of Yun Jian had been killed by Yun Jian’s stomp on his head. She was so scared that her upper and lower lips were trembling.

She desperately tugged on Gan Suya’s clothes and hid behind Gan Suya. Her legs were weak, and she was just five centimeters away from kneeling down to Yun Jian.

She wanted to use si yuan to make Si Yuan Beg Yun Jian to let her go.

However, Yuan Tianqi saw hatred in Si Yuan’s eyes.

Si Yuan, who grew up beside Yun Jian and Si Yi, was not a rich young lady who could not see a single drop of blood. Although she did not usually take action to deal with matters, she had seen many bloody situations.

Hence, when Yun Jian took action to deal with this group of people one by one, Si Yuan’s face did not reveal the slightest trace of fear.

Yuan Tianqi did not dare to approach Yun Jian at all, afraid that she would be the same as the boss who knelt in front of Yun Jian just now.

However, when she saw that Si Yuan did not want to bother with her at all, she shrunk to Sister Hong’s side.

“Hong Hong Hong... Sister Hong, save me...”yuan tianqi was almost scared to death. She desperately grabbed sister Hong’s hand and begged.

Hiding in a corner, Sister Hong had actually sent a message to the backstage to request for help from her superiors.

Being pulled by Yuan Tianqi, sister Hong was afraid that Yuan Tianqi would implicate her. With a violent push, she pushed Yuan Tianqi to the front of the cloud tablet, trying to stall for time to save herself.

Yuan Tianqi was suddenly pushed to the front of the cloud tablet. She was so scared that her face was covered in sweat and her foundation was smudged.

“Ahhh! Don’t kill me! ! !”

Being pushed to the front of the cloud note, Yuan Tianqi was so scared that she was like a turtle that was trying its best to flip over. Her hands and feet started to beat frantically, afraid that the cloud note would touch a certain part of her body and kill her.

This crazy beating posture was no different from a clown who had jumped ship.

Just as Yuan Tianqi was desperately patting her hands and feet, trying to stop the cloud note from approaching, a group of people suddenly walked in.

A group of people suddenly walked in from outside the big box.

When Sister Hong saw that the person in the lead was her own solid backer, she rushed to the other party almost at the first moment. "Brother Li, save me! Save Me!"

The Man in the lead, who was called brother Li, pushed sister Hong away without leaving a trace. With a very respectful posture, he invited the handsome man walking behind him into the box.

Sister Hong suddenly remembered that brother Li had once told her that brother Li had recently been working with a very mysterious big BOSS. Could it be this handsome man who had just walked into the private room?

Brother Li had once boasted that this mysterious big BOSS behind-the-scenes was even more powerful than the number one instant god on the international spy rankings!

Turning her head to look, sister Hong felt that she had been saved when she saw this handsome man walk into the room. She cleared her throat and pointed at the cloud note in the room to the handsome man. With a half-smile, she said loudly,

"You're here to save us, right? She's the one who caused trouble! Please..."

Before sister Hong could finish her words, Si Yuan, who was standing beside the cloud tablet, suddenly rushed up to the handsome man, grabbed his hand, and cried at the handsome man who looked to be in his early twenties:

"Dad! Dad! Dad! ..."

2654 Chapter 2653 was supposed to be in the costume wine (Finale 2)

Dad?

Si Yuan...

He actually called this handsome man who looked like he was only in his twenties, Dad!
?

What was wrong with this world! !

Everyone, including sister Hong, instantly turned extremely pale.

“Dad? Brother Li...”the color on sister Hong’s face was gradually replaced by paleness. She had a very bad premonition.

At this moment, sister Hong was looking at brother Li, looking for an answer.

Unexpectedly, brother Li glared at sister Hong, bent down, and said to Si Yi with a smile,

“My slaves didn’t do it on purpose, you see...”

Although brother Li Glared at Sister Hong, in private, he still pleaded with Si Yi on behalf of sister Hong, in order to protect this Pegasus nightclub.

“Bang!”

Si Yi didn’t say anything. He pulled out a silver pistol from his waist. Without even looking at it, he aimed the muzzle of the gun at brother Li’s head and directly shot brother Li’s head.

After this action, Si Yi raised his foot and kicked brother Li’s body out of the door of the private room. Only then did he look at Si Yuan from the corner of his eyes:

“You’re fine?”

Towards Yun Jian, Si Yi could be so gentle that it made people’s sharp eyes carry a thick smile. However, towards Si Yuan, Si Yi was the same as Yun Jian. He had also come from 2004.

To Si Yi, facing his fifteen or sixteen-year-old daughter all of a sudden was as simple as being on his side.

“Dad, I’m fine.”Si Yuan nodded heavily. Tears flowed down her face, and a snot hung from her nose. She looked quite cute.

It wasn’t hard to explain why Si Yuan could recognize Yun Zhi and Si Yi at a glance.

Yun Jian was the sorcerer God of the Imperial Dragon Continent, and Si Yi was the divine lord of the divine continent. The average age of the immortal cultivators on the continent could live up to a thousand years. Some were powerful, and some were even immortal.

To humans, fifteen years could change a person's appearance, allowing them to go from young to old.

However, to Yun Jian and Si Yi, these did not exist.

Because three years ago, in 2016, they still maintained their original appearance when they were young.

Sister Hong did not expect that her only savior, brother Li, would be killed by Si Yi with a single shot. Her expression could not be described with just two words.

"You, you guys..."sister Hong said as she retreated. Her face could not be any paler.

Yuan Tianqi struggled as she retreated to a corner of the room.

Si Yuan pulled Si Yi to the side of Yun Jian. She pulled the latter's hand over and placed it on Si Yi's hand.

"Dad, Mom, you're still alive! That's Great!"As she said this, Si Yuan wanted to cry again.

Yun Jian raised his hand to wipe Si Yuan's tears away and looked at sister Hong and Yuan Tianqi with his sharp eyes:

"After dealing with these few, I'll bring you to have supper."

...

At a roadside barbecue shop in harmony city.

Si Yuan sat in the barbecue shop with a skewer in each hand. It was as if she had not eaten such delicious food for a long time. She ate in big mouthfuls and drank sprite at the same time.

When she saw Yun Jian and Si Yi looking at her, Si Yuan wiped her face and said to Yun Jian and Si Yi,

"Dad, Mom, you guys eat too..."

As she said this, si yuan picked up two kebabs and handed them to Yun Jian and Si Yi respectively.

After growing up, Si Yuan really had the urge to pinch her cheeks.

She was very cute.

From the looks of it, Yun Jian was about the same age as Si Yuan, and so was Si Yi.

Therefore, when the young man selling skewers heard Si Yuan's words, his foot, which was holding the skewer, slipped. He stopped in time and could not help but shout at Si Yuan,

"What the hell! Are you playing house? !"

2655 Chapter 2654 Si Yuan burst into tears. It was Zhou Yiran (finale 3)

The young man selling the kebabs was tall and thin, but he didn't look very good. His nose was a little flat, and his mouth was a little crooked.

So when he said these words, Si Yuan laughed.

"This is my dad, and this is my mom! How Is She? She's young enough, right?" Si Yuan couldn't help but show off to outsiders.

As she spoke, Si Yuan thought of another person. She bent down and chewed on the mutton skewer in her hand. She did not want to speak for a moment.

"Okay, okay, okay! I'm Old! I'm Old! I don't understand young people's games!" The young man placed the barbecue tray on the table of Yun Jian and Si Yi. He scratched his head and continued to work on his barbecue.

"Next, we have a piece of news. The Pegasus nightclub in Hezhou City, an province, suddenly caught fire. Just now, a fire engine went to the rescue, but because the fire was too big and fierce, many people who were trapped inside could not be saved.

"We are currently carrying out further rescue operations. We hope that we can save more people. For the latest news, please follow our television program. For the latest details, we will report to you as soon as possible..."

The television in the Barbeque Shop, which was originally broadcasting cartoons, suddenly interrupted with such a piece of news.

The people sitting around all heard it.

Pegasus nightclub. This was a place where the famous men of harmonious boat city enjoyed themselves.

The ladies here were clearly marked with prices. If you had money, you could take them away.

The reason why such a place was not sealed up was definitely because of the overwhelming power.

Now that such a thing had happened, the people sitting at the Barbeque restaurant started to communicate with each other.

“Pegasus nightclub! Why did they burn it down just like that? !”

“Hey, you don’t understand, right? It’s most likely that they’ve met their enemies.”

“All the young ladies at Pegasus nightclub are so pretty. It’s such a pity that they were burned down.”

...

The vulgar discussions of a few single men at the next table could be heard from the surroundings.

Yun Jian, Si Yi, and Si Yuan paid no attention to them.

Needless to say, she was the one who set the fire.

Yun Jian did not spare anyone who had participated in the murder of Si Yuan.

Si Yuan did not ask about the arrival of Yun Jian and Si Yi. In fact, when Si Ming left, Si Yuan already knew that Si Ming had gone to the world of the past, wanting to change history.

Now, Si Yuan already knew the identity and origins of Yun Jian and Si Yi.

As she ate the barbecue skewers in her mouth, the smile that she had been forcing on her lips suddenly disappeared. Si Yuan suddenly raised her head and said to Yun Jian and Si Yi,

“Mom and dad, it’s so good to see you again...”

At the end of her sentence, Si Yuan seemed to recall something and suddenly started sobbing.

Yun Jian patted Si Yuan’s back and didn’t know how to comfort her child. He only said, “What’s Wrong?”

“Dad, Mom, can you not leave me! ?”! I’m afraid that everyone will leave me. I don’t want to be alone anymore! That Zhou Yiran once said that he would stay by my side and protect me, but he still left. He died for me!

“I don’t want to live a life of wandering alone anymore. SOB, SOB, sob —”

Si Yuan suddenly gave up on her fake smile and buried her head on the table, bawling.

Just as Si Yuan buried her head and cried loudly...

She suddenly felt someone pressing her shoulder.

Then, her head was lifted up by someone's hand.

When she saw the person who had died to save her suddenly appear in front of her, Si Yuan was stunned.

The person who came was none other than Zhou Yiran, who was already dead.

At that time, Zhou Yiran held Si Yuan's hand in front of Si Yi Yi and Yun Jian and pulled Si Yuan into his embrace. He ignored Si Yi's sharp eyes and rubbed Si Yuan's head:

"Silly, how can I die? Don't forget, you took my flowers when you were five months old. You can only be my bride from now on."

2656 Chapter 2655 he sleeps with you, don't steal from me (Finale 4)

Si Yuan's head was suddenly lifted by someone pressing her head. She heard the magnetic voice of a man who she thought had sacrificed himself for her. Si Yuan's head shook for a while.

Zhou Yiran, who was in his twenties, was already handsome. He had lost his youthful looks. At this time, Zhou Yiran was no longer the little brat who was still wet behind the ears.

In fact, when he stood together with Si Yi Yi, he was not inferior in terms of height.

"Zhou... Zhou Yiran, you big bastard, you didn't die? Do you know how sad I was when I saw you die! You big bastard, why didn't you die..."

Being suddenly pulled into Zhou Yiran's embrace, Si Yuan's entire body froze. After she reacted, she stretched out her hand and knocked on Zhou Yiran's chest twice with all her might, and tears streamed down her face.

Zhou Yiran broke into a smile after being hit on the chest twice by Si Yuan. He stretched out his hand and gently placed it on Si Yuan's head. He comforted Si Yuan twice but did not say anything.

Just as Zhou Yiran placed his hand on Si Yuan's head and gently stroked it, someone suddenly pulled his back collar.

Si Yi, who was originally sitting with Yun Jian, was now standing behind Zhou Yiran.

He pulled Zhou Yiran away from Si Yuan by his collar.

“Sit over there.” Si Yi pulled Zhou Yiran to the bench a few seats away from Si Yuan mercilessly. His eyes were cold.

“Dad, What are you doing?” Si Yuan saw that Zhou Yiran was pulled away by Si Yi. She pouted and wiped her tears.

Si Yi Guang looked like he was only in his 20s, but he was called ‘Dad’ by a 16-year-old girl. The people around the barbeque shop looked at him strangely.

Si Yi did not respond to Si Yuan’s words. He took a bunch of mutton skewers from the barbeque plate that Yun Jian loved the most and personally placed them beside Yun Jian’s mouth.

Si Yi and Yun Jian came from 2004 to 2019, so they did not get along with their daughter, Si Yuan. They were not very close.

However, blood ties could not be broken. Zhou Yiran hugged Si Yuan in front of her. Si Yi instinctively grabbed Zhou Yiran’s collar and pulled her behind him.

“Mom, Dad bullied me.” Si Yuan saw Si Yi ignoring her. She sat on the bench and moved to the side of Yun Jian with the bench. Then, she reached out and grabbed Yun Jian. She pouted and looked aggrieved.

The Yun Jian didn’t say anything. She slightly raised her red arc and reached out to rub Si Yuan’s head. She glared at Si Yi and didn’t take the mutton skewers that Si Yi handed over. It was for Si Yuan to show Si Yi her face.

Si Yuan understood the Yun Jian and knew Si Yi better. She knew that once her mother did this, her father would...

Sure enough, Si Yi’s face immediately darkened. Looking at his expression, he was not happy at all.

“Mom, I Want to sleep with you tonight, okay?” Si Yuan had already grabbed Yun Jian’s arm and put her head on Yun Jian’s shoulder.

It looked like she would not stop until she got the Yun Jian with Si Yi.

“Okay.” What made Si Yi’s face even more gloomy was that Yun Jian actually nodded in agreement.

“No.” After Yun Jian agreed, Si Yi immediately said with a gloomy face.

All the customers in the barbeque shop turned their heads to look at Si Yi.

However, Si Yi ignored them.

“Why? Dad, I’m only borrowing it for one day. I’ll return mom to you tomorrow. I’m afraid that I’ll think of them when I close my eyes.” Si Yuan shook Yun Jian’s arm and acted coquettishly to Si Yi.

They were naturally the people who were involved in what happened at Pegasus nightclub.

After Si Yuan said this, she knew that Yi Si Yi Yi would definitely agree to it since he doted on her personality.

However, after she said this, Yi Si Yi Yi Yi Yi grabbed the dumbfounded Zhou Yi ran and pushed him in front of Si Yuan:

“He will sleep with you tonight. Don’t Snatch My Woman.”

2657 Chapter 2656 — Siyi reclaims all the powers (Grand Finale 5)

When Siyi said this, Zhou Yiran, who was still thinking about the matter, was completely dumbfounded.

“Huh?” Zhou Yiran originally had his hand on his head and was deep in thought. At this moment, he suddenly heard the words that stood out from Siyi’s mouth. It was as if he had been struck by lightning and was rooted to the spot.

One had to know how much Si Yi would dote on Si Yuan in the future.

He would give si yuan whatever she wanted. Everyone said that Si Yi had doted on Si Yuan to the heavens.

However, he was also very strict with Si Yuan.

For example, he was not allowed to stay out at night, he had to return home before dark at seven o’clock at night, he was not allowed to hold hands with men, he was not allowed to have too much intimate contact with men, and so on.

He was as strict as he could be. The Si Yi Yi in the future, even if he had to give the cloud note to Si Yuan for a day, he still had to make si yuan obedient.

However, Si Yi Yi from 2004 actually directly pushed Zhou Yi ran in front of Si Yuan.

Si Yuan: “? ? ?”

Zhou Yi ran: “! ! !”

“Dad, you weren’t like this in the past...”although Si Yuan knew that Si Yi was from 2004, after hearing Si Yi’s words, she could not help but twitch the corners of her mouth.

“Cough!”Zhou yiran scratched his head calmly. “Then I’ll accept your offer.”

Zhou Yiran wouldn’t let such a good thing go.

Zhou Yiran had been educated by his father since he was young. If he wanted to get a woman, he shouldn’t say anything and take her as his own first!

Adam had instilled this thought in Zhou Yiran since he was young. He even told Zhou yiran that he had directly taken Lan Su and forced Lan Su to be with him in the end.

It was just that Si Yi had protected si yuan too well in the future. He had never given Zhou Yiran a chance to strike.

Zhou Yiran had never expected that this time, it was not him who had done something bad. It was Si Yi who had personally sent his daughter to his bed!

“Dad, I don’t want to.”When Si Yuan heard that Si Yi wanted her to sleep in the same room as Zhou Yiran, her first reaction was shyness and then resistance.

Although Si Yuan did have more intimate thoughts towards Zhou yiran than treating Zhou Yiran as her brother, she did indeed have a young girl’s love for Zhou Yiran.

However, sleeping in the same room with Zhou Yiran, wasn’t this...

Wasn’t even the secret that no one wanted to tell her when she was a young girl was about to be discovered by him.

“Then sleep alone.”Si Yi was expressionless the whole time.

“No, Dad, I’m really scared.”Si Yuan held Yun Jian’s hand with an aggrieved look.

However, no matter how aggrieved he was, Si Yi wouldn’t let go.

Yun Jian sat at the side and only pursed his lips.

...

The dining table of the barbecue restaurant that Yun Jian and the others were sitting at was surrounded by big tents. Yun Jian and the others were sitting in a corner. Even if someone passed by, they wouldn’t pay attention to them.

After the Barbeque was served, Si Yi Yi and Zhou Yi ran started to discuss business.

In fact, Zhou Yiran had already told Si Yi Yi before. This time, he repeated it mainly for Yun Jian.

“Somewhere in Longmen City in country Z, there must be a mysterious person hiding. According to his understanding of you, this mysterious person must have lived in or near Longmen city since Aunt Yun Jian was reborn into Longmen city.

“In other words, the mysterious person knew everything that happened to Aunt Yunjian in the future before she became the mysterious person.

“Therefore, now, we just need to find out who aunt Yunjian came into contact with in Longmen City.”

Zhou Yiran had obtained sufficient evidence, so he said these words.

After saying that, Yun Jian's eyes narrowed.

First of all, the mysterious person was not a mysterious person from the beginning. He was just an ordinary human on earth.

This was one point.

After the mysterious person became a mysterious person in the future world, he returned to the mysterious continent. After ambition annexed him, he was not satisfied with this. Therefore, in order to get rid of the divine lord, the ruler of the divine continent, he ambushed the sorcerer God, whom the divine lord adored.

At this time, the sorcerer God was saved by the divine lord and unintentionally came to the Earth world.

And in this era's earth, he, who had yet to become a mysterious man, was still an ordinary person.

The two dimensions were in disorder.

As the sorcerer God's cloud note, he must have met the mysterious man who had yet to become a mysterious man.

The future could be changed. The mysterious person had returned to the very beginning of the God continent and changed the future of the God continent. At the same time, he had also changed himself.

In other words, before he became the mysterious person, he had met the cloud note and understood the person in more detail.

Therefore, after he became the mysterious person, he basically knew the future of the cloud note.

This was the key.

Therefore, it was simple but complicated to find the mysterious man now.

First, he had to list all the people who had come into contact with Yun Jian when he was reborn in Longmen City.

Secondly, he had to look for the people who knew the whereabouts of Yun Jian from the list.

That person might be the mysterious man.

“As long as you know who the mysterious man is, uncle Si Yi and Aunt Yun Jian, you can immediately return to fifteen years ago and kill the mysterious man before he became the mysterious man.

“Then everything will not happen.”

Zhou Yiran's mind was very clear. He quickly organized a series of plans and told Yun Jian and Si Yi.

Stepping into the space-time gateway, one person could change history.

The disorder of space-time did not exist.

If one person changed history, then the future would also be changed. When the people in the future also discovered the space-time gateway, everything that should have happened in the beginning would be turned upside down.

Zhou Yiran did not know that it was precisely because he was young but had such a smart mind that Si Yi said to let him sleep with Si Yuan at night.

2659 Chapter 2658: forgetting to close her veil

“What are you guys talking about? Why Can't I understand a word of it?” Si Yuan was still young. She took a bite of the sausage that she had just gotten used to. She turned her head to look at Zhou Yiran, then looked at Yun Jian and Si Yi. She looked confused.

She looked cute and ignorant.

“With me here, you don't need to understand these things.” From Afar, Zhou Yiran's hands were very long, and his knuckles were also long. He reached out and rubbed Si Yuan's head in front of Si Yi.

“Oh...”being rubbed in front of her parents by Zhou Yiran, Si Yuan’s face instantly turned red. She lowered her head, because she was too shy to look at Zhou Yiran’s face.

Yun Jian tapped the table twice with her fingers. She frowned slightly, and after a long while, she suddenly said,

“I remember all the people I’ve met clearly. Tomorrow, I’ll write down all the information of all the people I’ve met. Leave this to me.”

Yun Jian had a good memory.

A person would meet many people in their lifetime, but other than most important people, it was difficult to remember all the people who had appeared around them.

However, Yun Jian could.

Since the mysterious person must be someone close to her, she could investigate the identity of the mysterious person before the mysterious person attacked her and return to 2004 before everything happened, she could directly kill him before he became the mysterious person!

“Okay, then aunt Yunjian, I’ll leave this matter to you. Once you’ve sorted out the information of the people you’ve met, I’ll analyze it again and narrow down the target.”

Zhou Yiran spoke to Yunjian.

Yunjian was still a little surprised that Zhou Yiran had such an analytical ability.

However, even though he was surprised, the more powerful Zhou Yiran was, the more assured Yunjian and Si Yi were that they would hand Si Yuan over to Zhou Yiran.

“TSK TSK tsk –“while Yun Jian and the other two were talking about something urgent, Si Yuan spilled the oil from the barbecue all over the place. In the end, it even splashed onto Zhou Yiran’s clothes, who was sitting quite far away from her.

Coincidentally, Zhou Yiran’s clothes were splattered everywhere by the oil from the barbecue skewers in Si Yuan’s hands. However, Zhou Yiran had no intention of blaming Si Yuan at all. On the contrary, he looked at Si Yuan with an unexplainable doting look in his eyes.

...

At night.

Due to fear, si yuan insisted on clinging onto Yun Jian to sleep with him. In the end, Si Yi Yi pulled Zhou yiran towards si yuan while he hugged Yun Jian's shoulder and went back to his room.

"I hate dad the most! HMPH –"si yuan grunted and shouted at Si Yi's back.

After taking one last look at Zhou Yiran, he suddenly ran back to his room.

Zhou Yiran touched his nose. He had no intention of going back to his room because of a gentleman.

Twenty minutes later, when Zhou Yiran opened the door of Si Yuan's bedroom, Si Yuan had already taken a shower. The fragrance of the young girl continuously entered the tip of his nose.

"Zhou Yiran, why did you come in? ! Get Out! Get Out!" Si Yuan was wearing pajamas and had her hands on her waist. She looked like she wanted to chase Zhou yiran away.

"Your dad asked me to accompany you." Zhou Yiran curled his lips. He looked like he was forced by Si Yi to come here to find Si Yuan.

Si Yuan was still a little scared. After all, she had suffered too much fear at night.

In the end, she pursed her lips. "Then you have to leave after I fall asleep. You must!"

These words made Zhou yiran curl his lips again. He smiled wickedly. "Okay." It was impossible for him to leave after she fell asleep.

But he would not let Si Yuan hear these words.

Si Yuan was shy at this time. Because she did not wear underwear after showering, Si Yuan's breasts were very big. If she wore underwear at night, her breasts would swell up, and it was very uncomfortable.

She was afraid that Zhou Yiran would see that she was not wearing underwear, so si yuan quickly retreated into her bed.

At this time, Zhou Yiran also walked towards the bed.

Just as Zhou Yiran took two steps in this direction, he suddenly stepped on something.

The moment he stopped and lifted up the thing he stepped on —

Si Yuan's face suddenly turned from red to red.

That was... Her, her, her!

She casually threw the bra on the ground! ! ! ! She forgot to put it away Ah Ah Ah! ! !

2660 Chapter 2659 as before, to Bathe You -Finalenale 8)

Si Yuan usually looked like a lovely and exquisite, both inherited the beautiful appearance of Yun Jian, but also inherited si yi knife-like perfect contour, beautiful and cute at the same time.

However, Si Yuan's bones did not look like this.

Usually si yuan did not let anyone into her boudoir, except for Yun Jian.

At night, she burrowed into her bedroom and stripped herself naked. She went to the bathroom that she brought in her bedroom and took a shower. Then, she put on a set of pajamas and lay on the bed to sleep.

As for the underwear that she took off, Si Yuan threw them on the floor of the bed.

Because the floor was covered with a fluffy carpet, after entering Si Yuan's room, she usually walked barefoot on the fluffy carpet. The floor was not dirty.

When Zhou Yiran suddenly entered the house, Si Yuan did not think too much about it. Her heart was completely focused on herself. She was only wearing her pajamas and did not wear her panties. She was afraid that Zhou Yiran would notice her, so she covered herself with all her might and even crawled onto the bed.

However, when she saw Zhou Yiran lift up the d bra that she had just thrown on the floor with his hand, Si Yuan's face turned as red as if it was cooked by fire.

Zhou Yiran stared at the red cartoon bra in his hand and could not figure out what it was.

"Don't touch my stuff! Give it back to me!" Si Yuan had already pounced on him from the bed. She had even forgotten that she was not wearing underwear.

She reached out and grabbed the bra in Zhou Yiran's hand.

However, because she pounced too hard, Si Yuan pounced into Zhou Yiran's embrace.

Zhou Yiran was only wearing a white t-shirt. It was thin. When si yuan pounced into his arms, he could even feel her breasts without underwear...

"Ah Ah Ah! You Go Out, go out, go out!" Si Yuan felt her face boiling like boiled water. She pushed Zhou Yiran and asked him to leave.

But Zhou Yiran only reacted at this time. The thing that he just recalled was actually hers...

Cough!

"I just returned the rental key to the landlord. There's no place to sleep nearby." Therefore, he would not leave this place even if he was beaten to death. Zhou Yiran played with his scheming without changing his expression.

"That's also..."

Si Yuan hugged her bra, wishing that she could stuff the bra into her arms and never let Zhou Yiran see it again. But in the end, before she could say the word 'no', her voice suddenly stopped.

That was because Zhou Yiran had already pulled Si Yuan into his embrace before Si Yuan could finish her sentence:

"Yuan Yuan, I've missed you so much. I've thought about you for three years.

"Three years ago, your brother asked me to conceal my identity and secretly investigate the whereabouts of the mysterious person. He said that he wouldn't see you, and that was the best way to protect you.

"I really want to hug you. I want to comb your long hair like before. I want to bathe you and feed you like when you were young. Yuan Yuan, I've waited for three years. Don't Chase me away."

These words were filled with affection. They were not flowery words that a man would say to a woman. They were words that came from the depths of his soul.

Zhou Yiran and Si Yuan were childhood sweethearts. They grew up together.

Although Zhou Yiran was thrown into the Amazon forest by Si Yi Yi for a few years Midway and had gone through Si Yi's training that was even crueler than that of an assassin from the dark soul organization, he was still willing to help Si Yuan.

But for Si Yuan, Zhou Yiran was willing.

Because he wanted to protect her with his own life.

Si Yuan's eyes were wet from Zhou Yiran's words.

Three years ago, Si Yuan was only twelve or thirteen years old. They had showered together and dressed her up when they were young.

But at that time, Si Yuan also vaguely knew that someone had been protecting her in the dark for the past three years.

Si Yuan's hand involuntarily wrapped around Zhou Yiran's sturdy chest. She nodded her head heavily. "Mm."

The atmosphere was very good, and Si Yuan was almost moved to tears. However, after Si Yuan wrapped her arms around her chest, Zhou Yiran suddenly said something like this:

"So, Yuan Yuan, can I still bathe you at night like before?"

2661 Chapter 2660 Si Yi Yun Jian leaves Si Yuan (finale 9)

In 2016, Si Yuan was only 12 or 13 years old when Yun Jian, Si Yi, and the others died together after fighting with the mysterious man.

They were still children.

In Si Yuan's subconscious mind, Zhou Yi ran had already died in the battle to save his life.

Of course, that was not the point.

The point was that before she was 12 or 13 years old, Si Yuan was still young. Zhou Yiran had even given Si Yuan a bath.

But that was also when she was young.

Between Si Yuan's 12 or 13 years old and 15 or 16 years old, Zhou Yiran had disappeared into Si Yuan's world for a whole three years.

After three years, Si Yuan's body had grown from a bean sprout to a plump girl with a D cup at least.

Many things that she did not have as a little girl had also grown up, especially her protruding breasts, which were enough to fascinate people.

Si Yuan naturally realized that her body now was different from the bean sprout when she was young. Therefore, when Zhou Yiran suddenly said this, Si Yuan's face first turned red.

In the next second, Si Yuan pushed Zhou Yiran and shouted at Zhou Yiran with a red face,

"What a pervert!"

After saying that, she grabbed her bra and crawled into the bed without saying a word.

Zhou Yiran scratched his hair and recalled how Si Yuan pushed him with a red face. He curled his lips and smiled lightly.

In the end, Si Yuan did not let Zhou Yiran leave his room.

It was just Si Yuan sleeping on the bed and Zhou Yiran sleeping on the floor.

...

The next day, Yun Jian wrote down all the people she met after she reincarnated in Longmen City, including their behavior and what they had done, on a stack of white paper and handed it to Zhou Yiran.

The handwriting on the Yun Jian was very beautiful and elegant. There was a stack of black words on the white paper, but none of the words were distorted because of too many words.

“Thank you, Aunt Yun Jian. I will eliminate all the unimportant people in three days and minimize the range of the target people.”

Zhou Yiran took the stack of white paper and said to Yun Jian.

“Take good care of Yuan Yuan.” Yun Jian passed the other hand that was holding Si Yuan’s small hand to Zhou Yiran.

“Mom, don’t You Want Me Anymore?” Si Yuan was anxious when she heard this. She quickly asked.

“Follow him. No matter what happens, don’t leave his side. When everything is over, I will always be by your side.” Yun Jian was clearly only nineteen years old, but at this moment, she said this to Si Yuan in an extremely deep voice.

Zhou yiran rubbed si yuan’s head and promised yun jian solemnly, “I will protect her with my life.”

“See you in three days.” Yun Jian nodded. Three days later, she would come back to get the target form that Zhou Yiran had analyzed.

After saying that, Yun Jian and Si Yi looked at each other and turned around. In less than ten seconds, they disappeared in front of Zhou Yiran and Si Yuan.

Si Yuan watched her beloved parents leave again. She held Zhou Yiran’s big palm tightly. No matter how reluctant she was to leave, she held it in.

“Zhou Yiran, you will treat me well, right?” Si Yuan held onto Zhou Yiran’s hand tightly. Her eyes were still staring at the place where Yun Jian and Si Yi had left.

Zhou Yiran’s arc rose slightly. He suddenly grabbed Si Yuan’s small hand and pulled Si Yuan in the opposite direction. At the same time, he blurted out a sentence that made Si Yuan feel at ease:

“Okay.”

Naturally, he would do his best to “Love” her.

2662 Chapter 2661 return to Longmen City to gather information (finale 10)

After Yun Jian and Si Yi left Si Yuan, Si Yi also parted ways with Yun Jian. The two of them agreed to meet again in three days.

If he wanted to do something, Si Yi had to expand his power.

Yun Jian returned to Longmen City.

Since Zhou Yi ran said that the mysterious person was most likely from Longmen City, she would definitely find some clues when she returned to Longmen City.

Longmen City, an iron-plate restaurant on Chen Xing Road.

This iron-plate restaurant had just opened, and its business was very prosperous. The restaurant was too busy, so it took in many apprentices.

Yun Zhi disguised herself as an ordinary person again and applied for the job at this iron-plate restaurant. Now, she was an intern in this restaurant.

“An Qi, quickly tidy up this dining table. We are going to arrange the next table of guests soon!”

“What are you all dawdling for? Can’t you see that the guests at the door have been waiting for a long time? Hurry up and clean up!”

The manager of the Iron Plate restaurant had his hands on his waist as he gestured at Yun Jian and the few employees in the restaurant.

An Qi was Yun Jian’s alias.

Yun Jian’s eyes flickered. She cleaned up the table very quickly. Therefore, the manager, who was already high and mighty, quite liked Yun Jian.

Because Yun Jian alone could finish the work of several people.

At ten o'clock in the evening, the store closed on time.

After closing the door, Yun Jian also changed out of his work clothes and prepared to leave.

"An Qi, let's go together!" At this time, the sweet voice of a girl came from behind.

It was a girl in the store named Murong ran ran.

Murong ran ran took good care of Yun Jian.

"Yes." Yun Jian nodded.

She agreed not because Murong ran ran took good care of her.

But...

"Do you know what major events have happened in Longmen City in the past year?" Yun Jian asked first.

Murong ran ran was stunned at first when she heard Yun Jian's words. After a while, she said, "Major events... I don't think so... Eh, I think there's one..."

At this point, Murong ran turned her head and looked at Yun Jian with a surprised look. She asked, "An Qi, are you interested in this kind of thing?"

"Yes." Yun Jian nodded.

"Then you've found the wrong person. I know a few of my friends. They know very well about the big and small events that have happened in Longmen city in the past few years. Why Don't I take you to ask them?" Murong ran ran spoke again.

"Sure." Yun Jian nodded.

Since the mysterious person was from Longmen City, he definitely had some connection with Yun Jian. Then, starting from the recent major and minor incidents that had happened in Longmen city, there should be some gains.

After all, the mysterious person had to have a way to become the mysterious person.

He could not give up everything on Earth for no reason and head to the divine continent to deal with Yun Jian and Si Yi crazily.

Murong ran ran did know a few hooligans in the society.

Of course, they were just a few ordinary hooligans in the society.

In this era, there were no more underworld forces. No matter how hooligans in the society were, they could not commit murder. At most, they were just putting on an act.

Sure enough, when Murong ran ran brought Yun Jian to meet these hooligans, the leader of the Hooligans, who looked rather hooligan but was not handsome, had to walk through the railing on the road.

At this time, there were no cars on the road.

When he saw Yun Jian looking over, he exerted force with his feet and pretended to jump over the railings, which were only forty to fifty centimeters high, as if he was very relaxed.

He even patted his trouser legs before walking to the front of Yun Jian. He did not look at Yun Jian but seemed to want to act cool in front of Yun Jian. He grabbed his hair and put on a handsome face as he said to Murong ran ran,

“Sister ran ran, are you looking for me?”

2663 Chapter 2662 finding the mystery, the predecessor of Man -GrandrFinalenale 11[middle])

Murong ran ran knew the leader of the Hooligans. She nodded and said to the leader of the hooligans, “Brother Zheng Hong, a friend of mine wants to know something. Can you tell me more about it?”

Zhang Zheng Hong was Murong ran ran’s brother’s friend. He specialized in gathering information from the small streets. He had heard about the happenings in the streets and alleys of Longmen city with the group of hooligans behind him.

“Hey, I thought it was something big.”Zhang Zhenghong turned his head and leaned toward Yun Jian.

Yun Jian’s figure was perfect, but because he wore a human skin mask, he looked very ordinary.

Zhang Zhenghong had looked at Yun Jian’s figure from afar. When he walked over, he didn’t look at Yun Jian’s face to show off.

Now that he saw Yun Jian’s ordinary face, he instantly lost his desire.

However, due to Murong ran ran, Zhang Zhenghong still gave her face.

“Of course you can, but I have to collect money,”Zhang Zhenghong said bluntly.

If it was a pretty girl, Zhang Zhenghong would not mention the matter of collecting money.

“Brother Zhenghong, why are you like this? An Qi is my friend, can you...” Murong ran ran was stunned when she heard that and was about to speak.

Yun Jian suddenly took out a stack of grandpa fur from his backpack and handed it over expressionlessly. “Is it enough?”

“Yes! Cough! Yes, yes, yes!” Zhang Zhenghong quickly took the stack of Grandpa Fur from Yun Jian and quickly covered his chest. Then he asked Yun Jian, “What do you want to know?”

“Longmen City, in the past year, what accidents have happened? I want to know in detail.” Yun Jian still maintained his cold expression.

“Cough! You said that in the past year, there have been quite a number of accidents in Longmen City.

“I remember that this year, an old house in Shangtang village accidentally caught fire and a person died...”

“Also, in the suburbs of Longmen City, there was a big boss whose house accidentally ignited a gas explosion. This big boss also hid a lot of diesel fuel in his house. As a result, many people died from the explosion and the fire...”

As Zhang Zhenghong spoke, he held his chin with a contemplative look on his face.

As he said this, he suddenly recalled something. He slapped his forehead hard and said to the cloud note,

“I remember now. A big incident happened recently in Longmen City. It’s strange to say that it happened a year ago...”

Zhang Zhenghong told the cloud note in detail about this incident. The Cloud Note’s eyes narrowed.

In the next second, she turned around and ran away without even saying goodbye to Murong ran ran.

In less than three seconds, she disappeared from everyone’s sight.

“Eh? What are you doing?” Seeing the Yun Jian run away, Zhang Zhenghong was stunned for a moment. He was still holding the Yun Jian in his arms, which was given to Grandpa Mao.

“You gave it all to me just like that?” Zhang Zhenghong held Grandpa Mao in his arms and looked at Murong ran ran with a face full of surprise.

...

On the other side, Yun Zhi quickly took a bus back to Hezhou City, the city where Si Yuan and Zhou Yiran had temporarily settled down.

As soon as she arrived, Yun Zhi quickly rushed into Zhou Yiran’s room. She spoke to Zhou Yiran, who was engrossed in the information that she had given him:

“Have you eliminated all the people who couldn’t be the mysterious person?”

Zhou Yiran raised his head and nodded. Then, he handed over a new set of information to Yun Zhi.

On this piece of white paper, it only said that among all the people that Yun Jian met after he reincarnated to Longmen City, after excluding those who were impossible, only those who were suspicious were left.

Yun Jian scanned this piece of white paper from top to bottom. When he saw a name on the white paper that overlapped with the main character of the incident that he heard, his pupils constricted.

Found it. This person must be the predecessor of the mysterious person!

And this person was precisely —

2664 Chapter 2663, Yun Jian’s decision. Take care, everyone (Grand Finale 12[middle])

“Ahem, Aunt Yun Jian?” Zhou Yiran saw Yun Jian’s pupils suddenly shrink. He raised his eyes, and there was a trace of inquiry in his expression.

“Take good care of Yuan Yuan. Remember, no matter what happens, whether the future will be changed, and whether he and I can survive, you must promise me that you will take good care of Yuan Yuan.”

Yun Jian held the piece of white paper that Zhou Yiran had sorted out. There were several mysterious people written on it. She did not wait for Zhou Yiran to ask her back. After saying this solemnly, she walked out.

Just as she opened the door of Zhou Yiran’s room, she saw Si Yuan holding a big rabbit doll. She rubbed her eyes and looked at Yun Jian. “Mom, where are you going?”

Si Yuan's big eyes blinked. It looked very beautiful. It seemed that she had just woken up.

Although si yuan was already 15 or 16 years old, she still retained the innocence of a child.

There were many things in the adult world that she did not understand. She needed someone to protect her.

"Follow him and don't run around." Yun Jian pulled si yuan in front of Zhou Yiran and said seriously.

After saying that, Yun Jian lifted his foot and walked out of the door.

He had only taken two steps when he felt that someone was holding onto his clothes tightly. Yun Jian's deep eyes narrowed again.

She turned her head slightly and saw si yuan holding onto her clothes tightly. She looked like she would not let go no matter what.

Yun Jian was about to reprimand her when she suddenly saw tears flash across Si Yuan's eyes. Her heart clenched tightly.

"Three years ago, mother, you said so. I've been waiting for you at home, but I waited for news that you and father would never return to my side..."

Those days were undoubtedly a nightmare for Si Yuan.

Si Yuan's hand was tightly gripping the hem of the cloud paper, and her fingers were clenched tightly. Because she was gripping the hem of the cloud paper too tightly, Si Yuan's knuckles turned white, and they shook up and down, shaking crazily.

That kind of fear was engraved into Si Yuan's soul, and she would never forget it.

The cloud paper was silent. She was dead silent for ten seconds, and then her other hand was attached to Si Yuan's little hand that was gripping the hem of her clothes.

Then, she pulled Si Yuan's hand away from her clothes.

"I will come back alive!"

After that, Yun Jian pushed Si Yuan into Zhou Yiran's arms and closed the door behind her. She shut Si Yuan's crying voice behind the door.

Yun Jian took one last look at si yuan. Zhou Yiran hugged Si Yuan and didn't let her come out.

Turning around, Yun Zhi left without looking back.

She swore that she would come back alive this time!

For her child, for her parents, and for herself!

...

At the entrance of the space-time forest.

Yun Zhi saw Si Yi and Yuan Lin standing not far away from her from afar. She paused slightly and walked up to them.

“Are you sure?” Yuan Lin stood at the front. Seeing Yun Jian walking over, he asked Yun Jian softly.

“Yes.” Yun Jian nodded calmly.

“Let’s go.” Si Yi came over and held Yun Jian’s hand. His big palm and Yun Jian’s fingers were interlocked. He held onto Yun Jian and walked towards the entrance of the space-time forest.

Originally, he wanted to find the mysterious person in 2019, but now it seemed that there was no need.

Because they had already found the identity of the mysterious person, so as long as they returned to 2004 before everything started and killed the mysterious person who was still an ordinary person, then everything would not happen.

However, if they killed the mysterious person who was still an ordinary person, the laws of space and time would also change.

For example, if they killed the former mysterious person and the future mysterious person died, they would not be able to find a way to the mysterious continent, and they would not make the wizard God of the Imperial Dragon Continent and the divine lord of the divine continent have no choice but to come to Earth.

Then, the sorcerer God would not be able to grow to become the number one spy in the international spy rankings, and he would not be able to get to know everyone he met on Earth.

This was indeed the simplest method, but it was also the most difficult.

Because after killing the mysterious person from the past, the time and space would also change.

Perhaps Yun Jian, Qin yiruo, GE Junjian, Yun Yi, and the others would never know each other again because as the sorcerer God's Yun Jian, if it was not for the mysterious person, he would not have come to Earth.

While he survived, he would also lose everything that he once had.

However, if he were to bury si luo, Leng Mei, Di Lin, snake lizard, tiger leopard, and the others in the future world together with him...

Then Yun Jian would rather change all the chaotic history, kill the mysterious person, and return to the past where nothing had happened and no one knew who was who.

Everyone, take care!

2665 Chapter 2664: the Battle at the end begins

Without the mysterious person, it meant that Yun Jian and Si Yi would not come to Earth, and they would not be able to bond with anyone they knew on Earth.

Killing the mysterious person before he became the mysterious person meant that they had returned to the point where nothing had started.

The mysterious person had messed up space-time, changed the course of history, and brought them together.

Then, the cloud paper would restore space-time to its original point, and everything would not happen again.

...

2004.

Walking in an era that was completely different from 2019, where there were no mobile phones and cars on the streets, the cloud paper's mood was complicated.

She raised her hand and looked at the Fiery Red Sun hanging in the sky. It was as if she had just been reborn into Longmen City. That day, the sun was as bright and beautiful as it was today.

Yun Zhi looked at the fiery red sun hanging in the sky through her slender hands. She had only looked at it for three seconds when a pair of hands that were even longer and more perfect than Yun Zhi's held her beautiful hands.

"Little Zhi, no matter where you are in the future, I will always be with you."

He knew her hesitation.

Whether it was the king of the Imperial Dragon Continent, the sorcerer God, or the top-ranked spy God, Yun Zhi was the king of kings.

However, as a king, she also longed for family ties and was satisfied with everything she had now.

To make her let go of everything and return to the past was undoubtedly a heavy blow to Yun Jian.

Si Yi's words made Yun Jian's heart move.

His hand unconsciously clasped his five fingers.

Whether it was the sorcerer God or the god of destruction, he was by her side.

She would not be alone.

...

"According to the intelligence, this is the place." Yun Jian was currently standing in a corner of an empty space, staring straight ahead.

Si Yi and Yuan Lin were standing at the side.

Three minutes later, the mysterious person who had yet to become the mysterious person would pass by this place.

As long as he killed the other party, everything would be over.

"Mm." Yuan Lin stood at the side and nodded.

Time ticked by, passing by second by second.

Three minutes later, a figure suddenly appeared at a corner in the open space...

That was!

Yun Jian licked her lips and gripped the butterfly knife in her hand tightly.

However, just as she was about to attack in a second, a powerful barrier suddenly ignited around her. That powerful barrier seemed to have been premeditated and surrounded the entire area, including where Yun Jian and Si Yi were.

This barrier...

"We've fallen into a trap." Yuan Lin's deep eyes moved as he spoke with a gloomy expression.

"This barrier must have been set up for a long time. Just by looking at the spiritual power and sturdiness of this barrier..." Yuan Lin spoke again.

After he finished speaking, Yuan Lin's pupils constricted slightly.

In the next second, Yuan Lin's pupils dilated as he said something that made Yun Jian and Si Yi frown:

"It seems like he has already planned it!"

It seemed like the mysterious man had already planned to fight Yun Jian and the others here!

In the future world, the mysterious man would perish together with Yun Jian and the others in 2016.

And now, it was twelve years earlier!

Yun Jian's eyes were terrifyingly deep at this moment.

Inside the enchantment, it could be a battlefield filled with smoke, but outside the enchantment, ordinary people could not see the world inside.

This was the power of the barrier.

At this moment, a large group of black-robed men suddenly appeared around them. They were all dressed in black robes, only revealing a pair of pitch-black eyes.

This was not the main point. The main point was that after this group of black-robed men appeared, everyone who had come into contact with Yun Jian suddenly appeared in the barrier out of thin air!

Yes, everyone! Including Yun Jian's biological parents when he was the Sha God, Zhou ran's family!

2666 Chapter 2665 the identity of the mysterious man was revealed (Finale 14)

Not to mention Zhou ran, Yun biling, and Yun ni of Zhou ran's family.

GE Junjian, Qin Yiruo, Lin Mengyu, Yuan Yingjun of Xinjiang Town, Yun Jian's former father, Yun Gang, Zhang Zhifan, Qin Yiruo's mother's family, Zhang Meihua, Qin Junlan, and all of them., all of them suddenly appeared here.

The people who suddenly appeared were far more than this.

Everyone from the New River town basketball team, as well as Lu Feiyan, Si Chu, Zhang Shaofeng, Chen Xinyi, Ling Yichen, and even mad dragon, Di Lin, and Leng Mei.

Everyone that Yun Jian had met before was suddenly teleported here.

Everyone.

Even bailiyan and the main god from the God continent, as well as the witch family from the Imperial Dragon Continent.

As long as they were still alive, all the people that Yun Zhi had met before were gathered here.

There were at least several thousand of them!

Yun Zhi's eyes became deep and fierce at this moment.

She had originally planned to quietly kill the mysterious person who had yet to become a mysterious person, so that everything would return to its original point.

But who knew that the mysterious person had actually set up a barrier before Yun Zhi made his move, and even sent all the people that Yun Zhi had met before using a universal teleportation formation from all over the world to this place!

He had really come prepared!

"SIS, where... where is this place?" Yun Lian supported her head with her hand. She shook her head and looked at Yun Jian with a dumbfounded expression. She glanced around and didn't even know where she was:

"Why were we suddenly sent here?"

No one knew what had happened.

Yun Lian was Yun Jian's younger sister in her previous life when she was a brake god.

At this moment, Yun Lian scratched her short hair with a puzzled expression.

"Yun Jian! What are you doing? ! Didn't you mess with me badly? !" Lin Mengyu, whom they had first met in Xinjiang town, crossed her arms. When she saw Yun Jian, who she had not seen for a long time, she was so frightened that she retreated.

When Yuan Yingjun saw the increasingly beautiful Yun Jian, a trace of fierce regret flashed across his eyes.

However, he swallowed a few mouthfuls of saliva. After seeing Si Yi, he still took a step back and didn't dare to go forward. He still remembered the pain he felt in the past.

Jiang City's martial arts club members, Mo Bufan and the others, as well as Cai Huiling, who had always regarded Yun Jian as her mortal enemy.

All the people who had met Yun Jian were present.

Yun Jian's brows furrowed even more tightly.

What on Earth is this mysterious person trying to do? !

Just as everyone was shocked, a loud laughter came from the top of the enchantment. "Hahaha! Haha! Welcome to my world!"

As soon as he said that, a black-robed man with only a pair of black eyes of hatred suddenly appeared in front of everyone.

The Mysterious Man!

The mysterious man who had been pushed back by Yun Jian and Si Yi the last time, who had abandoned his body and torn his soul to run away, stood in front of Yun Jian and Si Yi once again!

The mysterious person who had suddenly appeared glanced around and glanced at all the people who had been involved. The next second, he laughed loudly again:

"You must be very surprised. Why did you appear here? Isn't this all because of her? !

"This boring game should be over!

"All of you will become the souls of the dead under my blade!"

After the mysterious person appeared, her sharp and ear-piercing voice pierced into the ears of everyone present.

When everyone present heard this, they were all terrified.

However, they could all tell that they were all here because of Yun Zhi!

The moment everyone looked at Yun Zhi, Yun Zhi's tightly knitted brows slowly relaxed. She looked at the mysterious person and her red arc moved slightly. In the next second, she laughed and suddenly said coldly, exposing the identity of the mysterious person:

"I used to treat you as my senior, the most outstanding captain, and the leader of my team. But you, you disappoint me too much."

The mysterious person was no one else. He had once gone through thick and thin with Yun Jian's group of six. He had gone through many ups and downs along the way to this day, and he had experienced countless ups and downs, he was the captain of the King's team who had stood in front of everyone to shield them from the wind and rain

Liu Shiyun!

2667 Chapter 2666 dies here, only you will be left -LRB-finale 15)

The leader of the King's team, Liu Shiyun!

From the moment Yun Jian was reborn to Longmen City, he was chosen by GE Junjian to become a member of the King's team. Liu Shiyun had always been a leader and had always stood by his responsibilities.

He was calm and indifferent. He did not compete with others for fame or benefits. He was a very outstanding leader!

However, it was this kind of person that he had been secretly dealing with Yun Jian. From when Yun Jian was the sorcerer God, breaking up the sorcerer God and the divine lord, to when Yun Jian became the Sha God, kidnapping Little Yun Zhu, and the crazy pursuit of Yun Jian and Si Yi..., in the end, Yun Jian became pregnant and almost caused Yun Jian to miscarry.

These two seemingly unrelated people were actually the same person.

Yun Jian was also taken aback when he found out the truth.

"Yun Jian 'er, what senior? Captain? How did we end up here all of a sudden? Could it be that the world is full of fantasy? I almost got scared just now! I just took a shower at home. If I had been a minute earlier, I would have really come here naked!"

Chu Ning glanced left and right. She walked towards them with a look of surprise on her face. She even used her hands to protect her clothes. She looked like she did not know what was going on.

The people around her were all the same.

Those who had once flaunted and showed off in front of the cloud paper, or provoked the cloud paper, were suppressed by the cloud paper, or had received help from the cloud paper, their first reaction was to be dumbfounded, then, they asked around in shock what was going on.

Because they did not know the exact situation, the noise of the thousands of people around them was as noisy as a large market.

The cloud tablet did not respond to Chu Ning's words. The team of kings, including Chu Ning, except for Liu Shiyun, all looked at the cloud tablet with a stern expression.

But at this moment, the cloud tablet jumped in front of thousands of people and stood on a pile of cement pipes in an empty space that was as big as three schools.

Behind him was a group of thousands of ordinary people who had come into contact with Yun Jian.

In front of him were the mysterious person and his subordinates.

Yun Jian stood high on the pile of cement pipes. His gaze was cold, and it was so cold that it made people afraid.

In the crowd, everyone who had come into contact with Yun Jian, regardless of whether they were good or bad, stopped their voices at this moment.

Because of this magical space teleportation, everyone was suddenly teleported here. There was a barrier around them, and no one could walk out.

Those who didn't know the situation still thought that this was a very interesting thing.

"Yun Jian, what's going on?" Zhou Zang, Mu Zixi, Wan Youyou, Jing Cheng, and the others saw this scene and couldn't help but walk over to ask Yun Jian's younger sister, Yun Lian.

"I don't know either." Yun Lian was currently staring at Yun Zhi who was standing on the cement pipe.

Her intuition told her that Yun Zhi, her elder sister who had been separated for more than ten years, must have some shocking secret hidden in her heart!

And this secret was very likely to be revealed today!

However, Yun Lian was far from the only one who had this thought.

Ever since Yun Zhi was reborn in Longmen city, she had come into contact with many people. Those who had come into contact with Yun Zhi were all surprised and surprised at the various things that had happened in front of them.

However, just as everyone was thinking about it, Yun Zhi, who was standing on the high cement pipe, glanced at the mysterious person with her sharp eyes and once again used her to stop the god of sorcerer. The god of sorcerer had always been arrogant to the extreme and had never changed his words.., he spoke in front of everyone in an extremely cold and arrogant manner:

“You dragged them into our battlefield. Do you think that you can threaten me with this?”

“Today, even if you use ten thousand times the medicinal liquid and ten million times the medicinal liquid, I will definitely kill you here!”

“In the name of the daughter of the shaman clan of the Imperial Dragon Continent, the god of shamans, and the former God of War of the imperial dragon continent, I swear that the only person who will die here today will be you, Liu Shiyun!”

2668 Chapter 2667 follows her to the end (finale 16)

No matter why Liu Shiyun went from an ordinary person to a mysterious person who wanted to kill her in every way.

Her cloud paper said that she would never accept any betrayal.

No matter who.

Whoever dealt with her cloud paper, kill!

If anyone offended me, I will make an example of them. Even the people closest to me will do the same.

She, Yunjian, was not a good person, let alone put her on the same level as a good person.

Bloodthirsty as a king.

Killing, war, and contending for hegemony. This was the world that belonged to her!

Because in such a world, she could find the value of her own survival!

She was a king, she had always been!

And she would not allow anyone to stand in front of her and be arrogant.

If there was, she would kill them all!

She was the king. She would not change her surname if she did not correct herself. Her name was Yun Jian!

“Liu Shiyun? Captain? What’s going on?” Chu Ning and the other three trembled when they heard Yun Jian’s words.

Even a fool could tell that Yun Jian and the mysterious person standing in front of him who was covered in a black robe had a blood feud of ‘either you die or I live’.

“In that case, where did the captain go?” Chu Xiangnan could not figure it out for a while.

Everyone was puzzled.

“Hehehe!” At this moment, the mysterious man standing in front of Yun Jian stopped pretending. He tore off the black robe that covered his entire body. He had never shown it to anyone for so many years, revealing that familiar yet unfamiliar face.

The mysterious person was indeed Liu Shiyun. However, compared to the current Liu Shiyun who was in his twenties, the future Liu Shiyun was more mature.

His appearance wasn't bad. His middle-aged face was in stark contrast to the youthful Liu Shiyun.

The mysterious person from the future, Liu Shiyun, looked more mature and older than the current Liu Shiyun. His face was also a little darker.

It could be said that his face was dark and gloomy.

One thing he knew was that the Liu Shiyun from 2004 hadn't become the unpardonable mysterious person of the future.

The only bad thing was the future him.

This couldn't help but make Yun Jian feel a bit curious about what the future Liu Shiyun had encountered.

“Captain! ?”

“No! That's not the captain... he looks a bit older than the captain...”

When the members of the King's squad saw the mysterious man's appearance, they all revealed terrified expressions.

At this moment, everyone present, including Yun Biao, Zhou Zhe, Mu Zixi, Zhang Meihua, and everyone else from Longmen City, Mo Bufan, and the other students from Jiang City University, all of whom had come into contact with Yun Jian., all of them were shocked by one thing: why did Yun Jian claim to be the sorcerer God of the Imperial Dragon Continent?

But before they could think about it, the mysterious man took a big step forward. He raised his hand, and a few bottles of potion that were 10,000 times stronger appeared in his hand.

He opened his mouth, but before anyone could react, he swallowed his stomach.

“Stop talking nonsense. Come on! Let me see how powerful you are to challenge me alone!” The mysterious man walked toward Yun Zhi with a gloomy face.

Si Yi was standing side by side with Yun Jian on the cement pipe, holding her hand tightly, not letting go.

However, just as the mysterious man walked toward them, a loud voice suddenly came from the crowd:

“Yun Jian is not alone. I, Zhang Zhifan, once chose to follow her. I will be her subordinate for the rest of my life! I will not change until I Die! Because I am her strongest shield!”

It was Zhang Zhifan, the CEO who managed the new startup company for Yunjian.

After Zhang Zhifan finished speaking, he stood behind Yunjian. Among the thousands of people present, someone immediately recognized Zhang Zhifan’s face and recognized him at a glance.

“Zhang... Zhang Zhifan! The CEO of the new startup company, Zhang Zhifan, is a subordinate of Yunjian! ? Isn’t that Yunjian from the new startup company...” the chairman of the board of Directors! Some people in the crowd exclaimed in surprise.

These words made the people who didn’t know who Yunjian was, and who already knew who Yunjian was, tremble at the beginning.

Xinqi company! It had already promoted the company to the entire world, becoming the leading international brand in Z Nation, and even standing firmly on the international stage!

“You’re right! The proudest thing in my life is that I’ve followed her Yunjian! Falcon palace is glorious because of her! I will forever follow that woman named Raksha! I will never change!”

After Zhang Zhifan stood up, a grand and resolute voice sounded again.

Everyone watched as another figure walked out from the crowd.

This person had the heroic aura of a gang leader, but in front of cloud note, he was willing to show weakness!

Xu Zetian was the manager of Raksha, the biggest gang leader in Z Nation!

The crowd was shocked again. Some people even forgot about the battle in front of them. They used the most panicked tone in their lives and shouted loudly throughout the crowd:

“New startup company... Falcon Palace! ... She is both the Chairman of new startup company and the head of Falcon Palace, the legendary Falcon Palace, Raksha! ! !”

2669 Chapter 2668 Count me in, the witch is on the scene (finale 17[middle])

Till death do us part!

Till death do us part!

What a determined voice!

Zhang Zhifan and Xu Zetian.

One was the elite of the white way that swept the global market!

The other was the eagle that dominated the global underworld!

Two dragons among the people who almost monopolized z country's economy! With such an unyielding and determined aura, they followed Yun Jian!

Under such a dangerous situation, Yun Jian did not need to use the tone of a superior to give an order. She took the initiative to stand on the same side as Yun Jian!

This was no longer between a superior and a subordinate. They would absolutely obey orders.

Yun Jian's strength and capital had already made these two elites, who stood at the peak of the pyramid in the eyes of outsiders, swear to obey her to the death!

It was an absolute obedience from the bottom of their hearts, from the depths of their souls. They did not need any instructions, and when the cloud note was in trouble, they would never retreat! The courage to charge forward!

Who exactly was she, cloud note!

She was actually able to make these two elites, who had monopolized both the black and white factions of the Z country and stood at the peak of the pyramid, bow their heads in submission!

“The chairman of the White Way's new Qi company, the boss of the Black Way's Falcon Palace, Luo Sha, she, she, she, she, she! ! !”

The old lady who had once held a grudge against Zhou ran for losing her son Yun Zhi, who was born before Zhou ran's rebirth, and Yun Biliao, the youngest daughter, who had accidentally lost her son Yun Zhu, who was born after much difficulty, clutched her chest, she was so close to suffocating from fright.

Zhou ran, Yun Ni, Yun biliao, Zhou Zang, and everyone else present.

Even Zhang Meihua and the others from Longmen City were staring at Yun Zhi with their round eyes. They were so frightened that their faces turned purple.

Everyone, including those who had failed to attack Yun Jian and were retaliated by Yun Jian.

All of them widened their eyes. While they were terrified of Yun Jian's identity, they remembered what they had said or done to Yun Jian.

If she really attacked them, she would only need to lift a finger, right?

Moreover... Yun Jian, she was only nineteen years old! ?

Such a legend was enough to be regarded as a miracle in the world. What kind of environment did she grow up in! ?

But before the crowd could finish panicking.

The mysterious man laughed evilly, as if he already knew Yun Jian's identity. He took another step forward, but at the same time, he couldn't help but laugh at Zhang Zhifan and Xu Zetian's foolish behavior.

If Zhang Zhifan's new start company and Xu Zetian's Falcon Palace were only limited to the territory of country Z, then...

Then...

"Good guy, you're so loyal! Add Me in too!"

At this time, a seductive woman walked out from the crowd again.

This seductive woman twisted her body and walked out from the crowd to the front of the crowd.

The person who came was none other than the demoness.

"SS, since you saved my demoness, you've left Rong Yao Company to me to manage. I've been following you for so many years, so I should be considered an elder. No matter what, I should be included in the people standing behind you!"

The demoness crossed her arms and used a calm voice to say something that shocked everyone present.

The president of Rong Yao Company, the Demoness!

In other words! ! !

“Rong Yao Company! One of the top ten multinational corporations in the world, Rong Yao Company, the richest company in the world, is actually also from Yun Jian! ! !”

When someone heard this, they used a voice that was close to a roar to shout out this sentence.

It wasn't just that! It was far more than that!

Other than Xin Qi company and Falcon Palace, there was also Rong Yao Company!

Ordinary people would never be able to touch a single corner of the company that cloud note founded. However, she, cloud note, had founded so many top international companies one after another!

Was she not human! ?

2670 Chapter 2669 her subordinates were exceptionally loyal (finale 18)

After Zhang Zhifan, Xu Zetian, and the demoness stood up, all the subordinates who were with Zhang Zhifan, Xu Zetian, and the demoness stood up.

At this moment, the cloud tablet standing on the cement pipe seemed to be the lord of all things, making the group of people under it completely submit.

The crowd was so quiet that even a tiny needle falling to the ground could be heard clearly.

Everyone looked at the cloud tablet standing on the cement pipe with shock on their faces, as if they were standing at the top of the pyramid, like the god of death who was born to control all living things, looking down at everyone.

“Hehe! Ignorant! Ignorant! For a woman, for a mere woman, you stupid people, I must make you regret it!”

When the mysterious man saw Zhang Zhifan and the others standing up to protect the cloud paper, his eyes seemed to recall the despair he had experienced before. His expression began to change crazily, his eyes were shaking violently.

As he shouted, the mysterious man suddenly raised his hand. A powerful spiritual energy burst out from between his fingers.

After drinking a few bottles of 10,000-fold potion, the effect of the potion was very harmful to the mysterious man's body, but he didn't seem to care about it at all.

The spiritual energy gathered from the mysterious man's hand as if he had gone crazy. He wanted to bypass Yun Jian and Si Yi and charge toward Zhang Zhifan, Xu Zetian, and the witch who were standing behind Yun Jian!

After drinking a few bottles of 10,000-fold potion, the mysterious man's strength had naturally reached the peak of perfection!

However, the moment his spiritual power was about to collide with Zhang Zhifan and the other two, Yun Jian suddenly raised her hand.

In front of the thousands of people who were completely dumbfounded, she gathered a spiritual power that was equivalent to the mysterious man's from her fingertips and collided with the spiritual power that the mysterious man was charging toward Zhang Zhifan and the other two!

“Chi — Bang Bang Bang!”

The two powerful spiritual powers collided with each other. Even the cement ground on the ground was directly cracked open!

At the gathering point of the spiritual energies, the ground where the two spiritual energies collided with each other and canceled each other out exploded into a huge crater!

This scene shocked everyone present.

The people led by Yun Zhi and the others were so scared that their faces turned pale!

“What, what kind of power is this? ! This isn't scientific! This isn't scientific! This...” a scientist that Yun Jian had met before shook his head and retreated one after another when he saw this.

In the end, he was so scared that he fell to the ground.

None of the people present had a better reaction than this scientist.

“Chi Chi Chi!” At this moment, someone opened the passage to enter the enchantment and barged in.

It was usually easier to enter the enchantment than to leave.

As long as one had some spiritual power, they could enter the enchantment, but it was harder to get out than to ascend to the sky.

Yun Jian turned sideways.

At this moment, Yun Lian, Zhou ran, and the others suddenly saw a few people who had broken in from outside the enchantment run to Yun Jian's back, lowered their heads, and surrendered.

When they saw the person walk to Yun Jian's back and bow to Yun Jian like the three demonesses, Yun Lian and the others who were standing at the scene had already sensed that Yun Jian was someone from a completely different world from them.

Whether it was the strange spiritual power that she displayed or the series of identities that she revealed...

They were all predicting the world that Yun Jian lived in. It was a world that no one present could touch.

She stood at a height that no one would ever be able to reach.

However, what Yun Lian and the others never expected was that the group of people who had just entered the barrier walked behind Yun Jian, bowed their heads, and suddenly reported their names one by one, cloud piercer unswervingly shouted out the hot-blooded words that shocked everyone present to the point that they were dumbfounded:

"Gu Sha mercenary group's elder Qing Yan."

"Gu Sha mercenary group's elder Snake Lizard."

"Gu Sha mercenary group's elder Tiger Leopard."

"Gu Sha mercenary group's assassination group's leader Gui Yan."

"Gu Sha mercenary group's investigation group's leader Gui Lian."

"Diane, leader of the intelligence team."

...

"We will follow the BOSS to the death! We will fight together!"

2671 Chapter 2670 was once a lone army fighting in all directions -GrandrFinalenale 19[middle])

The high-ranking members of the Gu Sha mercenary group had all come.

Without a trace of hesitation, they all stood behind Yun Jian and made a blood oath that made the heavens tremble.

They were able to get to where they were today because of Yun Jian.

If there was a day when Yun Jian was no longer around, then their future would no longer exist!

That deafening roar of determination caused an uproar among everyone present.

When Yun Bian and the others heard this, they were stunned.

When GE Junjian, Qin Yirou, and the others heard this, a sense of pride rose in their hearts.

When the king squad, the Tyrannosaurus squad, and the most awesome squad heard this, a feeling of shock rose in their hearts.

Those who had all sorts of prejudices and conflicts against Yun Jian, with Lin Mengyu as the leader, all looked at Yun Jian with a brand new gaze. They never thought that one day they would be able to stand at the peak of everyone, just like the distant and unreachable Yun Jian.

The Gu Sha mercenary group! That mercenary group that was ranked first alongside the International Number One assassin organization, Dark Soul Organization!

The cloud note was the BOSS of their Gu Sha mercenary group!

That legendary person who came and went without a trace, and even whether he was male or female, was the number one person on the international spy rankings, Sha Shen!

At this moment, not only were they shocked by the actions of the Gu Sha mercenary group's higher-ups, they were also shocked by the identity of the cloud note that the Gu Sha mercenary group's higher-ups had unknowingly revealed.

"Yun Zhi! She is... Gu, gu gu, Gu Sha..."those who used to be unhappy with Yun Zhi had a frightening expression on their faces. At this moment, they couldn't even complete a sentence.

"This child was kidnapped from a young age... could it be that she was kidnapped to become an assassin? My child... how much pain have you suffered..."Zhou ran heard the truth and covered his face, squatting down and crying.

Yun Lian looked at Yun Zhi, who was standing above everyone, and had an indescribable feeling.

She felt as if she was very, very far away from Yun Zhi, her biological sister.

Everyone present was in a state of shock.

Because the person standing in front of them was not only a nineteen-year-old girl, but also not only the king of the black and white triads of Z Nation! And not only was she the chairman of a multinational corporation!

She was also the ruler of the world! The legendary king, Sha Shen, whose strength was so powerful that it made people tremble in fear!

“Lord sorcerer God, how can I, Lan Su, not be by your side!

“A thousand years ago, you took control of the sorcerer clan and led the Imperial Dragon Continent from a low-level continent that could be easily humiliated by other continents to the throne of the number one continent in thousands of continents!

“I have always followed you. I am the only one by your side.

“Now, I have witnessed with my own eyes that so many people are willing to stand behind you. I am happy for you.

“Whether it was a thousand years ago or today, Lan Su has followed you for more than ten thousand years and fought and killed countless powerful warriors on the continent with you.

“I have sworn that no matter when, where, or what kind of situation you are in, the daughter of the Wu clan of the Wu clan, Lan Su, will always be the number one person behind you! Please don't abandon me, Lord God of Sorcerer!”

It was Lan Su who had used her spiritual energy to open the barrier passage and brought the members of the ancient kill mercenary group into the barrier.

At that moment, Lan Su spoke from the side as she slowly walked over.

Every single word she said was deeply imprinted in the ears of everyone present. Although they did not understand what Lan Su meant by 'a thousand years Ago' and 'Imperial Dragon Continent'.

However, every single word that Lan Su said stirred up the emotions of everyone present.

Those words seemed to let everyone see the scene where Lan Su was the only one standing behind the sorcerer God back then, fighting alone against the experts of the various continents. In the end, she led the imperial dragon continent to sit on the number one throne of thousands of continents!

2672 Chapter 2671: Captain Shiyun, revealing her true form -GrandrFinalenale 20)

A thousand years ago, she, Lan Su, would stand behind Yun Jian without hesitation.

A thousand years later, even if she already had her own family, her heart to follow Yun Jian would never change!

At this moment, Yun Jian had already turned slightly to the side, looking at the people standing behind her one after another.

She had thought that she was the only one from the beginning to the end. However, when she turned her head around, she suddenly realized that there were actually so many people standing behind her.

Yun Jian's slightly furrowed brows were gently smoothed. She suddenly grabbed the man's hand beside her and drew out a red arc that caused the sky and earth to lose their luster.

"Liu Shiyun, no matter how many bottles of medicine you drink, the person standing behind you will always be a puppet. The person standing behind me is someone worthy of my life protecting them.

"It seems that the one fighting alone will only be you!"

Yun Jian glanced at the mysterious man with a sneer and a hint of mockery.

Yes, no matter how many black-robed men stood behind the mysterious man, those black-robed men were only puppets who would listen to the mysterious man.

From the moment he did this series of things, he had already fallen into the devil and could no longer turn back.

"Hahaha! hahaha!" The mysterious man who was walking towards Yun Jian and Si Yi finally stopped. When he was halfway there, his footsteps suddenly stopped.

"Who said that! Who said that I'm fighting alone! This group of mindless puppets can only be my subordinates!

"And in this world, the only one who will never betray me is myself! Come out! The twenty-something-year-old me! Hahaha! Let us rule this world together! Let us destroy this group of damnable people in this world together!

"Earth, thousands of continents, and the God continent are all mine! All of them are mine! ! !"

The mysterious man had already reached the point of madness. Yun Jian's words had pierced deep into his heart. When the word 'betray' was mentioned, his pitch-black eyes started to twist violently.

The one who would never betray him could only be himself!

Yun Jian's eyes moved fiercely. She subconsciously looked behind the mysterious man at the outer boundary of the barrier.

She saw a tall and well-built man with upright facial features walking towards her. He was as calm and steady as ever.

It was Liu Shiyun. He was in his twenties in 2004.

Different from the mysterious man from the future, the Liu Shiyun from 2004 had obviously never experienced pain before.

However, the moment he walked over, he frowned slightly. There was a hint of solemnity in his expression, but it quickly disappeared.

"Captain! ? Why is he standing with the bad guy... No, they are the same person... the one who has been dealing with Yun Jian 'er is the captain..."

Chu Ning stared into the distance with her eyes wide open. The captain, Liu Shiyun, who had once led the team of kings and organized the team of kings in a mature and steady manner, walked to the side of the mysterious man.

Chu Ning's heart skipped a beat when she saw this scene.

She seemed to be unable to accept the reality in front of her. She took a big step back and collapsed onto the ground.

The rest of the team of kings were no better.

The Liu Shiyun from 2004 still had the same feeling as when he was with Yun Jian and the others. However, when he walked to the mysterious man's side, his face suddenly revealed a ferocious look that was no different from the mysterious man's. He stared at everyone, finally, he stared at Yun Jian:

"You didn't expect it, right? The person you've been looking for is actually the person beside you.

"What a pity. Before you discovered that the mysterious person was me who wanted to kill me, I was saved by my future self."

2673 Chapter 2671 the battle had begun. Battle Scene (Grand Finale 1)

This was not the captain of their King's squad, Liu Shiyun!

Because according to Liu Shiyun's behavior, he would never reveal such a sinister smile!

Or perhaps from the very beginning, when he entered the king's squad and met Yun Jian, he was just pretending!

The members of the King's squad recalled the scene when the seven of them fought side by side.

It was so far away, but it also seemed like it was yesterday.

"Captain, why?" Even a tall and big man like Chu Xiangnan looked at Liu Shiyun in disbelief, his face full of confusion.

The Glory and unity of the King's squad in the past were all shattered at this moment.

If the members of the King's squad had any hope for Liu Shiyun, who hadn't turned into a mysterious person in 2004, they would have been able to defeat him.

However, at this moment, Liu Shiyun from 2004 had shattered all of their hopes.

"Why? Hehe! There's no why! In this world, the word 'why' doesn't exist!" The person who replied to Chu Xiangnan was the mysterious person.

He was the future Liu Shiyun.

Using his tongue, he pursed his dry lips. The mysterious person turned around and grabbed Liu Shiyun's chin. He forced Liu Shiyun to open his mouth and pour three bottles of 10,000 times medicine into Liu Shiyun's body.

Then, the mysterious man opened his hand, and three bottles of ten-thousand-fold potion appeared in his hand again. He swallowed the three bottles of ten-thousand-fold potion again as if he didn't care about his life:

"Alright, it's time to end this boring game! After you die, I'll take over the world for you! Ha! Mature men don't need any women to accompany them!

"Women are just a kind of thing that can not be lower!

"For money, women can do anything! There shouldn't be any women in the world!

"Prepare to die! ! !"

As the mysterious man spoke, he waved his hand, and a wave of spiritual energy that was countless times more powerful than the huge waves by the sea gathered together and swept towards Yun Jian and the others.

“You go and take care of Sha Shen’s men! And those annoying humans!”The mysterious man didn’t even look at Liu Shiyun, but said this to Liu Shiyun.

To the mysterious man, no one could be trusted. The only person he could trust was probably himself!

Liu Shiyun’s strength was also quite different from the mysterious man’s, which was his future self. However, he had received the spiritual energy given by the mysterious man, and the mysterious man had poured three bottles of ten-thousand-fold potion into him.

His strength was naturally not what he could compare to back then.

After Liu Shiyun ordered the mysterious man, he walked toward the person standing behind Yun Jian.

“Captain, are you really so heartless? !”Jiang Weiwei’s eyes froze when she saw this. She looked at Liu Shiyun in disbelief and spoke again.

“You guys let me down First!”As soon as Liu Shiyun said this, he had already taken the lead to attack the members of the King’s Party.

His spiritual power attacked the six members of the King’s party like a gale.

Just as Liu Shiyun’s spiritual power was about to hit the six members of the King’s Party.

“Chi!”The spiritual power released from Lan Su’s hand managed to resist Liu Shiyun’s spiritual power.

The two spiritual powers collided and instantly canceled each other out!

“Your opponent is me!”After Lan Su finished her words, she had already launched a fierce attack at Liu Shiyun.

On the other side, the powerful spiritual power released from the mysterious man’s hand crazily attacked Yun Jian. Its momentum was like a soaring dragon in the sky, launching the most fierce attack at Yun Jian.

The attack of the mysterious man who had drunk more than ten bottles of medicine that were ten thousand times stronger was unstoppable!

Even Si Yi was unable to withstand it!

However, Si Yi still pulled the cloud paper behind him in the end and stretched out his hand to block the attack.

Two heaven-shaking spiritual powers coiled above his head like dragons.

Finally, they scattered in the sky.

The momentum shook the earth and the mountains!

The people standing on the ground fell to the ground because of the aftermath of the heaven-shaking momentum!

Si Yi suffered this blow, and a trace of bright red blood flowed out of his handsome lips.

But he still firmly protected the cloud paper behind him.

“Hahaha! hahahahaha! Divine Lord, so this is all you have! Are you blaming my ten-thousand-fold potion for being too powerful or your strength for being too weak? hahaha!”

The mysterious man retracted his spirit energy in a zooming manner. Seeing a trace of bright red blood flowing out of the corner of Si Yi’s mouth, he laughed out loud.

The limit of drinking ten-thousand-fold potion was more than ten bottles. If he drank more, the mysterious man would die in front of everyone based on his physique.

Liu Shiyun’s current physique was only suitable for drinking three bottles of ten-thousand-fold potion.

If Liu Shiyun drank more, he would die on the spot.

Moreover, the mysterious man had drunk ten-thousand-fold potion so many times. In fact, he had accumulated a lot of sequelae in his body.

This time, he drank ten bottles of the ten thousand times potion. Even if the mysterious man survived the battle, his spiritual power would not be able to progress in the future.

The mysterious man even had to pay a higher price for this.

And Liu Shiyun was forced to drink three bottles of the ten thousand times potion by the mysterious man, so he had to pay a price for this.

At this moment, the mysterious man was using his most domineering voice to mock, “You were actually hurt by me! hahaha! hahaha! ... pfft!”

This laughter was louder than the previous one, as if it could shake the sky.

However, as he laughed, the mysterious man's voice suddenly stopped.

A mouthful of blood suddenly spurted out from the mysterious man's nose and mouth. His entire body took two steps back, obviously also heavily injured by Si Yi.

More than ten bottles of ten-thousand-fold medicinal liquid were used to tie with Si Yi!

"Ah! Ah Ah Ah Ah!" The mysterious man spat out blood and howled loudly. He fiercely wiped away the blood spurting out from his mouth, and just as he was about to gather his spiritual power to fight Yun Jian and Si Yi again.

Suddenly, Yun Jian took out three divine weapons.

Wooden sandalwood box, wooden fan, and wooden hairpin!

These three divine weapons emitted strong spiritual power from the body of the divine weapons. The density of the spiritual power was enough to break through the sky!

In front of thousands of people, Yun Jian used the wooden hairpin to cut her wrist pulse. Before Si Yi could react and stop her, she put the wooden fan into the wooden sandalwood box and put the blood that flowed out of the crowd into the wooden sandalwood box, she put the blood into the wooden sandalwood box.

The move that she made on herself was straightforward and merciless.

She did not frown at all throughout the whole process.

Yun Jian was shocked by the action of cutting her wrist and bleeding.

At this moment, the wooden hairpin flowed into the wooden sandalwood box and absorbed the blood of the wooden fan. Suddenly, it emitted a red light that was as bright as the Sun in the sky!

That Ray of red light was like an infrared ray that pierced through the sky. It pricked everyone's eyes and they could not help but close their eyes tightly.

Even the mysterious person was the same.

When the red light flashed, all the spiritual energy in the wooden hairpin and the wooden sandalwood box gathered into the wooden fan in front of everyone's eyes.

This wooden fan actually merged with the wooden sandalwood box and the wooden hairpin in front of everyone's eyes and slowly transformed into the shape of a butterfly knife!

However, it did not have a blade.

Yun Jian was delighted. She immediately took out the god-slaying blade from her waist. Just as she was about to assemble the blade of the god-slaying blade into this butterfly knife that did not have a blade and was formed from three divine weapons, Yun Jian's face turned pale.

Si Yi did not even care about the blood at the corner of his mouth. He frowned and grabbed Yun Jian's bleeding wrist.

In the next second, he tore open the corner of his clothes and bandaged her wound with his fastest speed with a dark face.

If he had not fought against the mysterious man, he would have scolded Yun Jian in public for not caring about his body.

Yun Jian could clearly see Si Yi's handsome face filled with unspeakable heartache.
