

## The Schoolgirl Secret Agent - Chapter 2707 - 2738

2707 Chapter 2706, the famous Bloody Night Incident (foreign: 15 spy growth history)

After flying snake's death, the second ranked assassin, nine dragons, was the strongest.

And at this moment, nine dragons was standing in front of these 12 remaining assassin agents, looking at Sha Shen with a fierce look.

"Gulp, Gulp, Gulp." Xia Luo swallowed a mouthful of saliva, her expression was very deep.

Xia Luo was only the daughter of a wealthy family. She had lived a luxurious life since young and had never seen such a bloody scene.

Xia Luo was so scared that she wanted to scream, but at this moment, she understood that she could not scream.

Otherwise, it was very likely that she would put herself in danger.

"Kill! Kill! We have to kill her! Her leg is injured! Three people come with me and attack her leg! The rest of you, find her fatal point and attack! Go!"

Nine Dragons clenched his hands into claws and looked at Sha Shen who was standing in front of him. He shouted at the remaining twelve secret agent assassins behind him.

If nine dragons' remaining twelve secret agent assassins chose to leave, then when Sha Shen matured, nine dragons' twelve secret agent assassins would definitely die.

If they did not leave, it would be a life and death battle.

The world of bloodthirsty assassin agents was just that cruel.

In order to achieve their goals, they would do anything. One second, they would fight side by side with you, and the next second, they would stab you with knives and daggers.

This was a cruel world that the students who lived under the protection of the school would never understand.

This was a place where humanity, ugliness, and greed were brought to the highest level.

Here, no one would tolerate you just because you were still a child.

Nine Dragons gave the order, and the twelve secret agent assassins attacked Sha Shen in one breath.

Throwing away the flying snakes and the big hammer attacks, although the secret agent assassins led by nine dragons were not as strong as the flying snakes and the big hammer, they were only slightly weaker.

In addition, Sha Shen was already injured.

“Ha! Die!” Nine Dragons took the lead and rushed toward Sha Shen.

However, just as nine dragons held the weapon in her hand and was about to face Sha Shen.

Sha Shen leaped up from the ground with one foot. She used the strength of one foot to make the injured foot fly up as well.

Her feet flew to nine dragons’neck at the fastest speed.

Then, Sha Shen turned a 360-degree turn in the air.

Jiu Long had yet to make a move when her head was twisted 360 degrees by Sha Shen’s legs.

“Kacha!” Jiu Long was dead!

“Bang! Bang! Bang!” At this moment, an assassin found the right time and fired a few fatal shots at Sha Shen.

If there was a mix of people just now and no one fired because they were afraid of hurting their own people and causing trouble, then taking advantage of this opportunity, seeing that Sha Shen had killed Jiu Long, an assassin shot at Sha Shen at a rapid speed.

Sha Shen’s injured leg was no longer flexible. After she fell to the ground, she threw nine dragons’body to the group of assassins who were shooting at her at almost the same time.

“Bang, Bang, Bang!” A few big holes appeared on nine dragons’body, but they also blocked the bullets that were shot at Sha Shen.

Just when everyone thought that Sha Shen had broken nine dragons’head because she used her leg again, she really could not stand up anymore.

“Chi Chi Chi!”

The moment Sha Shen fell to the ground, three blades hidden under the tip of her tongue shot out and killed the three assassins in front of her.

There were still eight assassins left!

But at this moment, the most powerful assassin agent had been killed by Sha Shen!

The remaining eight assassin agents posed no threat to Sha Shen at all.

The outcome was already decided.

The scene was so quiet that one could hear a pin drop.

Agent Sha Shen, alone, defeated the top 20 international assassin agents!

An agent who had just debuted two years ago, single-handedly overthrew the international assassin agent rankings!

...

Countless international business bigwigs on the island were so scared that they could not sleep for days and nights after being sent home.

In less than three days, the number one spot on the international list of agents had fallen to Agent Sha Shen.

In this world, there was no one more suitable than Sha Shen for this title!

Because no one could be like Sha Shen, who single-handedly wiped out the list of Agent Killers!

According to the memories of the witnesses that day, the moon was perfectly round that night, and the Moon at night was as dazzling as blood.

It was a blood moon!

The event was so shocking that it was listed as an international top priority, and was later called the world famous "Blood Night Event"!

2708 Chapter 2707 President Rong Yao, you are a witch (foreign: History of the growth of special agents 16)

Dark Soul Organization.

Lin Wei stood in front of a relatively hidden and unremarkable villa of dark soul organization.

Dark soul organization was very large, so large that it looked like a maze.

However, this villa, which was amazing in any corner outside, had become unremarkable here.

Not long after, a tall figure walked out of the villa.

When Ling Wei saw this, he turned to the tall figure walking out of the villa and bowed slightly. "Young Master."

The person walking out of the villa was the head of the dark soul organization, and also the young master of the Cold Pavilion, the largest arms organization in the world, Si Yi.

"Mm." At this moment, he replied softly from his indifferent thin lips.

After saying that, Si Yi walked past Ling Wei.

When he walked past Ling Wei, he turned his head and suddenly ordered Ling Wei, "Send her back to her residence. Remember, don't tell her about my appearance."

She was naturally referring to Sha Shen.

Ling Wei was stunned. However, due to his status, he lowered his head slightly and nodded at Si Yi. "Yes!"

...

Sha Shen had killed the top ten assassins of the international spy rankings. He was also seriously injured.

However, according to Sha Shen's physical strength, he had almost recovered in less than a month.

In addition, the dark soul organization's medical facilities were among the best in the world. A month later, Sha Shen could continue to take on the missions arranged by the organization.

However, because of the bloody night incident a month ago, Sha Shen had become famous in one battle. He had directly become the number one existence on the international list of secret agents. Following that, the bounty on him had increased by more than a little bit.

The word "Sha Shen" swept the entire world at the speed of a typhoon.

...

Two months later.

Xia Corporation.

“There’s still no way... why is there still no way!” A woman in her twenties hugged her head and slowly squatted on the ground. She was so anxious that tears were about to come out.

However, she did not cry.

If it was in the past, she would have cried a long time ago.

But now, she could not cry.

Her father suddenly died in the company three months ago. Her mother was too sad and fainted. She was sent to the hospital and was barely saved. But the Doctor said that she might not wake up in this lifetime.

The chairman of the Xia Group died, and all the shareholders withdrew their shares. The relatives who used to obey her all stood up and joined hands to take her father’s company.

In three months, Xia Luo went from a crafty and ruthless young lady to a homeless person who was worse than an ordinary person.

Three months was enough to change a person.

Xia Luo went from a young lady who spent money lavishly three months ago and yelled at the servants, to an ordinary person who went around begging for help today.

She wanted to protect her father’s company and even fell behind. She used her own ability to hold a shareholders’ meeting, but all of them failed miserably without exception.

It was not that she did not have the ability, but that no one was willing to listen to a big miss whose family had fallen from grace. In the past, she had always been the one who had everything to offer.

Could it be... That was really it ... Was it over...

Xia Luo’s hand that was placed on the coffee table drooped slightly. She looked ahead listlessly. The series of attacks over the past three months had caused Xia Luo to become frighteningly thin.

However, just as Xia Luo’s hand drooped slightly, a pair of feet wearing white shoes suddenly appeared in front of her eyes.

“Are you willing to follow me? I can give you enough funds to make a comeback.”

This voice was definitely the most beautiful voice Xia Luo had ever heard in her life.

Xia Luo suddenly raised her head and saw the face of the Sha Shen, who was wearing the same mask as the bloody night incident three months ago.

“You, you are... !”Xia Luo cried out in surprise.

However, before she could finish her sentence, she heard the Sha Shen cut her off and said,

“From now on, the Xia group will be renamed Rong Yao Company. Xia Luo, the daughter of the Xia Group, is dead. You will be the president of Rong Yao Company, codenamed Demoness.”

2709 Chapter 2708: all cause and effect, caused by her

Sha Shen’s words did not give her any rebuttal.

It could be said that she had guessed correctly that she would not refuse.

...

A month later, the witch who had cut off her ten-year-long hair attended the shareholders’meeting. With her unique and astonishing eloquence, she turned the tide, turning the once Xia Group, which had no hope of rising, into a new power, now, the economy of rongyao company was rapidly operating.

Sha Shen did not randomly choose the witch to be the president of Rongyao Company.

The witch was indeed pampered before her family fell. She was so delicate that even a scratch on her finger could kill her.

Sha Shen took a fancy to the witch’s strength.

When such a huge change happened in her family, she faced reality and successfully held a shareholders’meeting with her own ability.

Even though it ended in failure.

And the future also proved that Sha Shen’s choice was correct.

The demoness had indeed done it, bringing glory to Rong Yao Company to a point that was even more glorious than the Xia group.

And in the near future, under the leadership of the demoness, Rong Yao Company would leap into one of the top ten international multinational groups.

Of course, these were all things that would happen in the future.

...

The flying snake that Sha Shen had killed was the internationally famous BOSS of the Gu Sha mercenary group.

After the flying snake was killed by Sha Shen's hand, Sha Shen had led the forces that he had developed during the two years of his debut into the Gu Sha mercenary group. He had killed his way into the Gu Sha mercenary group and seized the Gu Sha mercenary group in one fell swoop when the Gu Sha mercenary group had no owner.

From then on, Sha Shen had become the largest mercenary group in the world outside of the continuous dark soul organization, the BOSS of the Gu Sha mercenary group.

Snake lizard and tiger leopard were rescued by Sha Shen after he destroyed an assassin group when he was just 13 years old.

Snake lizard and tiger leopard had amazing talent. One was good at using poison, while the other had great arm strength. Later on, they became Sha Shen's right-hand men.

...

Not long after he founded Rong Yao Company and developed the power of the ancient kill mercenary group, Sha Shen found green glaze, who had a very sensitive sense of smell and was almost killed by the assassin group.

When he dragged little green glaze to the front of the snake lizard, little green glaze was still shivering.

"I'll give him to you. He has a very sensitive sense of smell. He should be a good candidate to make poison." Sha Shen pushed little green glaze in front of the snake lizard and said.

"There really is such a cute person! Then I'll definitely take him!" The snake lizard looked up and down at green glaze.

From then on, green glaze became the snake lizard's first disciple.

It had to be said that the most important talent in poison making was the sense of smell.

Qing glaze's sense of smell was as sensitive as a dog's.

This was not a derogatory term.

The nose of a police dog was so sensitive that it could smell things that a person had used before and track the person's location.

As for poison making, if the nose was not sensitive, it would be like a teacher who had just graduated from primary school and came out to teach. It was not convincing.

...

When Sha Shen was 16 years old, he requested to leave the dark soul organization in advance.

The Dark Soul Organization approved.

This was an unprecedented precedent for an assassin agent who had left the dark soul organization.

For an assassin organization like the dark soul organization, even if the assassin agent in the dark soul organization could obtain freedom after meeting the five-year agreement, if one dared to leave, they definitely would not have the life to survive in the world.

However, Sha Shen had become the first person.

The world only knew that Sha Shen had retired from the dark soul organization based on his strength, but they did not know that the leader of the Dark Soul Organization had gone easy on him.

Otherwise, based on the power of the dark soul organization, they would not have allowed Sha Shen to grow to a point where the dark soul organization could not control him.

It was not until Sha Shen suddenly disappeared one day when he was sixteen that the leader of the dark soul organization secretly sent people to frantically search for information about Sha Shen.

But they were all fruitless.

Until the leader of the dark soul organization, Si Yi, received the news that Sha Shen had been searching for a treasure called the wooden sandalwood box before he disappeared.

After he found the wooden sandalwood box, he disappeared.

Si Yi then began to search for traces of the wooden sandalwood box in secret, until he met a girl named Yun Jian in a barren place called Xinjiang town of Longmen City... And she had a very similar character to Sha Shen...

[ the author has something to say: the next chapter begins to write about Emperor Leng Mei, PA! Dirty, dirty, shy away ~ ~ ]

2710 Chapter 2709 flying a plane

Leng Mei had no parents since she was a child.

She was an orphan.

She was only seven years old when the leader of the blood dolls brought her home.

At that time, the leader of the blood dolls was not di Lin, but di Lin's father, Di Lun.

Di Lun was a famous existence at that time.

The blood dolls organization was also very famous at the beginning.

Leng Mei was not called Leng Mei, she was nameless. This name was given by Di Lun.

Di Lun treated Leng Mei as his goddaughter because when his wife was still alive, she had always wanted to have a daughter. Unfortunately, she was never able to have a daughter.

Di Lun loved his wife very much. At that time, he also loved his wife very much. Therefore, when di Lun's wife passed away, in order to mourn for his wife, di Lun found Leng Mei and treated her as his goddaughter.

At that time, Leng Mei was still very timid. When she was brought into the blood doll organization, she hid behind di Lun and grabbed the corner of his godfather di Lun's clothes tightly.

"Kid, she will be your biological sister from now on!" Di Lun rubbed Leng Mei's head lovingly and spoke to Di Lin, who was only about ten years old at that time.

At the age of ten, Di Lin's skin was fair and bright. At that time, Di Lin did not have the habit of wearing a black hat and clothes. Naturally, he did not wear the black hat behind his collar.

However, his natural callousness made Leng Mei even more afraid.

"I don't have a sister." At that time, the ten-year-old di Lin only glanced at Leng Mei coldly. After saying that, he turned around and walked out of the hall.

“You Brat!” Di Lun was so angry by Di Lin’s actions that his entire body trembled.

“Big Brother doesn’t seem to like me...” Leng Mei grabbed di Lun’s clothes tightly and spoke to di Lun with a terrified expression.

“It’s not a problem! Mei Mei, if that Brat dares to bully you, you can tell godfather. Ah, godfather will help you teach him a lesson!” Di Lun rubbed Leng Mei’s head, which couldn’t reach his waist, and spoke softly.

...

Leng Mei stayed in Blood Doll Organization for ten days just like that.

During these ten days, she didn’t see Di Lin.

Just when Leng Mei heaved a sigh of relief and started to treat blood doll organization as her home, she walked out of a corner of a building in blood doll organization.

Her vision suddenly blurred.

Then, a boy who was half a head taller than Leng Mei pressed her against the corner of the wall and stared at her coldly:

“Get out of here, or I’ll make you regret being a human.”

It was di Lin.

Leng Mei was shocked. She was so scared that she didn’t know what to do. She directly grabbed di Lin’s clothes. Her big watery eyes were as dazzling as night pearls:

“Brother... I’m scared...”

Di Lin was stunned by Leng Mei’s sudden words.

Di Lin’s face turned red.

Perhaps Leng Mei was too cute.

But di Lin quickly turned his eyes to the side.

“If you don’t want to leave, just you wait.” After saying that, Di Lin was afraid that Leng Mei would notice the abnormality in his expression. He snorted and turned to leave.

This was the last time the seven-year-old Leng Mei saw Di Lin.

This was because the ten-year-old di Lin was sent to the assassin training center of the blood doll organization by di Lun, the leader of the blood doll organization. He started the nine-year-long assassin training.

In the next nine years, Leng Mei had a very good time in the blood doll organization.

And Di Lun did not really Pamper Leng Mei at home.

Di Lun knew that in their line of work, they had many enemies. In order to protect Leng Mei, they had to train her to grow to a point where she could protect herself.

Who knew that Leng Mei was very talented in this area.

Nine years later, the sixteen-year-old Leng Mei was almost invincible in the blood doll organization.

Di Lun was also very pleased.

“Mei Mei, the blood doll organization will one day let that Brat Lin ‘er take over. Although you are not my biological daughter, in My Heart, you are closer to me than my biological daughter.

“So as your father, I hope that you can get away from all the darkness in the underworld and live a normal life.

“Father has already selected some good young masters from the righteous forces for you. Take a look. If there are any suitable ones, marry them as soon as possible.”

Di Lun knew that he wouldn’t be able to live for long. That was why Leng Mei wanted to arrange this for Leng Mei at the age of sixteen.

Di Lun had been stabbed once, near his heart. In recent years, his old illness had recurred and he often vomited blood.

Di Lun was afraid that his son, Di Lin, would bully Leng Mei after he left, so he said this to Leng Mei.

“Father, I don’t want to leave you.”Leng Mei frowned and expressed her thoughts.

“If you want me to live better, then you should get married.”Di Lun covered his mouth and suddenly coughed violently, scolding Leng Mei.

“Father, what’s wrong? Have you not recovered from the cold from last time?”Leng Mei saw this and stood up to ask di Lun anxiously.

"I'm fine. As long as you promise me, my body will definitely be better than anyone else's!" Di Lun coughed and said.

Leng Mei lowered her eyes and agreed to Di Lun, "Okay."

She originally thought that her life would be to obey Di Lun and marry an ordinary person. Her life would be like this.

When she came out of Di Lun's bedroom, Leng Mei was still thinking about some fundamental questions.

However, when Leng Mei passed by the abandoned villa nine years ago, someone behind her suddenly covered her mouth.

She actually did not realize that someone was behind her!

By the time Leng Mei reacted, she was already tied to a wooden stool in a small attic. Her hands and feet were tied to the wooden stool by hemp ropes.

When she saw the fair-skinned, handsome man in front of her, Leng Mei let out a loud moan.

"I told you to leave nine years ago, but you didn't. Have you forgotten my advice long ago?" Di Lin, who had returned from his studies, looked at Leng Mei with contempt.

However, seeing Leng Mei's soft and delicate body, he suddenly recalled the little girl who was so scared that she grabbed his clothes and called him brother nine years ago.

"Wu Wu!" Leng Mei shook her head and was covered by her mouth, unable to make a sound.

Seeing this, Di Lin suddenly felt thirsty. He moved his hand and a dagger appeared in his hand. "Ha, you don't know what's good for you. It seems that you won't leave until I Teach You a lesson?"

After saying that, he used the dagger to cut Leng Mei's clothes between her cleavage.

The thin clothes were cut by Di Lin.

Because of the force of the slash, when Leng Mei's thin clothes were cut, even her bra was cut.

The moment the clothes were cut, the white and voluptuous clothes were exposed in front of Di Lin...

2711 Chapter 2710 "Di Lin is courting death, be my mistress (Leng Mei, Di Lin 2)"

Di Lin did not expect it either. He only wanted to scare Leng Mei away from the blood doll, but he did not expect that when the knife fell, not only did it cut Leng Mei's coat, it even...

Cut It All at the same time...

Turning his head to the side, Di Lin's face was cold, but he could not forget the delicate white that appeared in front of his eyes for a long time.

Leng Mei was also frightened. Her hands and feet were tied to the wooden stool. She could not move at all and could only expose herself to the air.

"Remember what I said. Leave blood doll, or I will make you regret being a human," di Lin turned his head to the side and said coldly.

After saying that, Di Lin turned around and was about to leave.

However, after taking two steps, Di Lin used the knife in his hand to cut the rope that bound Leng Mei. Then, he took off his coat and draped it over Leng Mei's body. Without looking at Leng Mei, he turned around and left.

After Leng Mei was freed from the rope, the first thing she did was to rip off the white cloth covering her mouth. Di Lin, who was rushing out of the door, shouted loudly,

"Even if you kill me, I Won't leave with My Father Here!"

Di Lun had raised Leng Mei since she was young.

Di Lun had given her fatherly love that she could not have. He had given her a warm and reliable home. To Leng Mei, as long as Di Lun was still around, she would not leave.

Even if di Lun asked her to go to Hell and back, she would not refuse.

Di Lin's threat was ineffective against her.

Di Lin walked out of the small attic of the abandoned villa and stopped at the main entrance.

After a slight pause, di Lin took large strides and left the place without even turning his head.

...

Three days later.

In order to welcome his son, Di Lin, back to the world, and to allow his son, Di Lin, to better integrate into this circle, di Lun organized a dinner party.

Although the current blood doll organization could hold a place in the world, compared to a truly large organization, it was a small organization that could not be ranked in the world.

For di Lun to be able to develop the blood doll organization to its current state from scratch was already very impressive.

This dinner party was not organized by an international big shot, but by a black and white power that held a bit of a position in the world.

In fact, di Lun had two purposes today. One was to introduce his son, Di Lin, and the other was to find a husband for Leng Mei.

The first segment went very smoothly. Di Lin himself had a king's aura, which was enough to suppress the entire crowd. Therefore, he quickly got to know many of di Lun's good friends.

Seeing that Di Lin was going smoothly, di Lun let Leng Mei hold his hand and bring Leng Mei to meet the young masters of the White forces.

It was more like a disguised blind date than a meeting.

"Do you know how to Cook?" Di Lun chose a rich young master. At this moment, the young master looked at Leng Mei with a questioning face and asked.

Leng Mei shook her head.

"Then can you give birth to a son for me? This is the most important thing. My family's assets need to be inherited by my son. If you can't give birth to a son for me or if you have a daughter after marriage, you can't blame me for going out to find a woman after marriage."

The young master who was only one centimeter taller than the woman in the flat shoes looked at Leng Mei with a wretched tone as if he was picking up leftover women.

Indeed, Leng Mei's godfather, Di Lun, was afraid that Leng Mei wouldn't be able to get married and was frantically looking for a husband for Leng Mei.

This move made the sixteen-year-old Leng Mei sound like she was being left behind by an older leftover woman.

Marriage couldn't be rushed. When di Lun was anxious, he made things go in the opposite direction.

“Other than these, I’m very satisfied with you. If that’s the case, then we...”the young master was still talking to himself.

Leng Mei’s brows knitted tighter and tighter as she listened.

If not for her godfather wanting her to forget her skills and return to being an ordinary person, she would have wanted to capture this young master and give him a good beating.

“She doesn’t want to marry, get lost!”

Just as the young master was still talking to himself, a fair hand fiercely wrapped around Leng Mei.

It was di Lin.

After di Lin greeted the young master, he grabbed Leng Mei and walked out in front of everyone.

The crowd was shocked.

Di Lin still maintained his cold face and dragged Leng Mei out of the banquet. He pushed Leng Mei against the wall and looked at her with disgust. He said,

“At any rate, father raised her since she was young. Do you like that kind of person? Do you want to embarrass father?”

After saying that, Di Lin pinched Leng Mei’s chin and raised her chin to look at him. He further provoked her:

“Since you’re so casual, why don’t You Be My Mistress? Other than love and marriage, I can give you anything he can give you.”

2712 Chapter 2711: Tsundere Emperor’s arrival, continuing to court death (Leng Mei Emperor’s arrival 3)

Leng Mei could hear the sarcasm in di Lin’s words.

Leng Mei could tell that Di Lin’s words were full of sarcasm and disdain.

Leng Mei was not a weak woman. She fiercely shook off di Lin’s dying hand and glared at Di Lin before saying,

“Don’t worry, I Won’t lose my father’s face. I’ll find a man who can make your blood doll organization hold its head high.”

After saying that, Leng Mei turned around and returned to the banquet hall.

For some reason, when di Lin heard Leng Mei's last words, his heart trembled and he felt displeased for a moment.

Very displeased!

...

Leng Mei was angered by Di Lin's words. At this moment, she was walking back to the banquet hall.

She was only halfway there when she suddenly heard loud noises coming from the banquet hall.

Leng Mei paused and suddenly had a bad premonition.

She raised her foot and rushed back to the banquet hall in a frenzy.

From Afar, she could see the godfather who had treated her like his own daughter since she was young, lying unconscious in the crowd...

...

Di Lun was dead.

His death came earlier than he had expected. Death did not let him wait until Leng Mei was safely married off before taking his life.

Di Lin stopped the banquet midway.

For the next few days, he spent his time arranging di Lun's funeral.

Leng Mei had always been listless. She often sat in front of her godfather di Lun's grave for a whole day.

In Leng Mei's heart, she had already treated di Lun as her biological father.

Perhaps to them, the relationship was even closer than that of a real family member.

Leng Mei had no parents since she was young. Di Lun's father's love was the driving force for Leng Mei's survival.

But to Di Lun, Leng Mei was the daughter of his beloved wife.

Leng Mei became dispirited for half a year.

Too many things had happened in the past half a year.

Di Lin had replaced Di Lin and successfully become the leader of the blood doll organization.

In just half a year, Di Lin had led the blood doll organization, a small organization from Southeast Asia that couldn't be any smaller, to successfully become the third-ranked assassin organization in Southeast Asia.

This also meant that in the near future, the achievements of the blood doll organization would reach a new height under the leadership of Di Lin!

The title of being the third-ranked assassin organization in Southeast Asia could not be restricted at all.

Di Lun's death did not seem to have any effect on Di Lin, who was his biological son.

On the other hand, Leng Mei could not eat or sleep well during the solar eclipse.

Half a year after di Lun's death, Leng Mei was disheartened.

Before she could repay di Lun, repay the man who raised her and treated her as his own daughter, he died.

Leng Mei planned to leave.

Of course, before she left, she went to look for Di Lin.

Di Lin was still di Lun's son. She could no longer repay di Lun for his kindness to her. Fortunately, she planned to repay di Lin for his kindness.

"You're leaving?" Di Lin sat in the study room and asked when he saw Leng Mei looking for him.

"Yes." Leng Mei nodded and did not go to see Di Lin.

"Father has left. I want to ask you if there is anything I can help you with," Leng Mei said.

Di Lin wasn't stupid. He knew what Leng Mei meant.

"Do you want to repay me?" Di Lin laughed.

Leng Mei didn't answer, which was a tacit agreement.

"As long as I can help you, I will do my best," Leng Mei said after two seconds of silence.

"I'll satisfy you." Di Lin got up from his seat and strode towards Leng Mei. He kicked the books on the desk and flipped Leng Mei over with one hand, pressing her onto the desk.

With his other hand, he tore off Leng Mei's pants, as cold as ever:

"You have to repay me and satisfy me. I need a woman to sleep with me. As long as you agree, father's favor will be written off."

As soon as he finished speaking, Di Lin had already pulled off Leng Mei's pants that covered her body. He took off all of his lower body and lifted her beautiful legs. Then...

2713 Chapter 2712 retaining Leng Mei, the number one expert (Leng Mei Emperor Lin 4)

In the end, Leng Mei did not reject Di Lin.

Perhaps it was partly because she wanted to repay Di Lun's kindness, but since Di Lun was dead, Leng Mei could no longer repay the kindness. Fortunately, she returned the kindness to Di Lun's son, Di Lin.

Of course, a larger part of the reason was that Leng Mei did not hate Di Lin.

When she was deeply penetrated, Leng Mei gritted her teeth and did not make a sound.

When Di Lin saw Leng Mei's frowning and forbearing expression, his anger instantly exploded to the extreme.

Initially, he wanted to gently cover her head and even bend down to kiss her red lips. However, when he saw Leng Mei's forbearing expression, which was just to repay his kindness, he instantly vanished into thin air.

He hugged her slender waist, ignoring her upper body as he began to rampage. Several times, he almost knocked Leng Mei away, but she held onto the corner of the desk tightly and barely managed to hold herself back from being knocked away.

At this moment, Leng Mei's heart was slightly cold.

She knew that this was a loveless sex.

She and he were destined to have no results.

He only wanted her to be his mistress.

Just his mistress.

That was all.

...

This first storm was not that comfortable for Leng Mei. She even felt di Lin's indifference and disdain towards her.

After that, Di Lin did not even look at Leng Mei who was lying on the desk. He only left a cold sentence and turned around to leave the study:

"If you want to repay father's kindness, wait until I'm tired of playing with you before you leave!"

When he said this, the veins on di Lin's forehead bulged.

After that, Di Lin put on the black hat behind his black hoodie, covering his fair face in the black hat.

An unnoticeable color flashed in front of his eyes, but soon, Di Lin left the place.

He was afraid that after he left, Leng Mei would feel that he had repaid his kindness and leave suddenly, so he said these harsh words.

After di Lin left, Leng Mei put on her clothes.

After sitting in the study room that still had di Lin's aura, Leng Mei returned to her residence.

When she returned to her residence, Leng Mei also met ruoyin, who had been with Di Lin ever since he returned to the blood doll organization.

Leng Mei did not know about Di Lin's past. She originally thought that Ruoyin was not only di Lin's subordinate, but that she might even be the same as the current her by Di Lin's side. She also thought that ruoyin was a tool to warm di Lin's bed.

Leng Mei did not even glance at ruoyin. She walked around ruoyin and wanted to walk forward.

"Are You Leng Mei of Blood Doll?" Just as Leng Mei was about to walk around ruoyin, Ruoyin suddenly called out to Leng Mei.

Upon hearing Ruoyin's words, Leng Mei stopped and turned around to look at ruoyin. She openly admitted, "Yes."

"Do you need something?" Leng Mei asked back.

“No.” Ruoyin shook her head and looked at Leng Mei a few more times.

This was the first time Leng Mei and Ruoyin had met.

However, Leng Mei mistakenly thought that Ruoyin was also a woman of Di Lin.

Therefore, he did not have a good impression of Ruoyin.

After hearing what Ruoyin said, Leng Mei turned around and left.

Ruoyin stared at Leng Mei’s disappearing figure for a long time.

She had big breasts and fat buttocks, an enchanting figure, and a slim waist wrapped in tight clothes that could be wrapped by both hands.

It had to be said that Leng Mei’s figure and appearance could be considered the number one beauty in the blood doll organization.

Unfortunately, Leng Mei was recognized as the number one expert in the blood doll organization.

Ruoyin held her chin and looked at Leng Mei’s slim figure as she fell into deep thought.

TSK TSK, so this was the woman that the leader liked since young, Leng Mei?

2714 Chapter 2713 Qi mountain activities, don’t like her (Leng Mei di Lin 5)

Ruoyin was indeed di Lin’s subordinate, and she was Di Lin’s number one subordinate.

Although di Lin was outstanding, many women admired him.

But Ruoyin didn’t like Di Lin.

Not to mention that Ruoyin had someone she liked.

Ruoyin followed di Lin because she was very strong.

Di Lin needed someone as strong as her, and Ruoyin needed to rely on di Lin to get close to the person she liked.

...

From then on, in blood doll organization, Leng Mei was Di Lin’s mistress. Everyone in blood doll organization knew about this.

Leng Mei didn’t care at all.

She didn't care who spread the news anymore.

Returning the favor of her godfather, Di Lun, was what Leng Mei wanted to do the most right now.

Di Lin would call Leng Mei to his room almost every night. After torturing her, he would let her go back to her room.

This seemed to have become a habit.

Two years passed just like that.

Two years later, Leng Mei turned 18.

After being di Lin's mistress for two years, Leng Mei's figure was much better compared to when she was 16 years old.

Her chest was tall and slender. Just by walking out, she was able to turn her head around.

In blood doll organization, Leng Mei, who had been di Lin's mistress for two years, could do whatever she wanted in blood doll organization.

Some people in blood doll organization even claimed that there was no other woman in Di Lin other than Leng Mei. It must be because they liked Leng Mei and wanted to keep their virginity for her.

The fact that Leng Mei would become the wife of the leader of Blood Doll organization in the future was already considered unshakable.

When these words were spread out, Leng Mei only smiled coldly.

If others didn't know, how could she not know?

When di Lin was doing that with her, Di Lin never kissed her lips.

If di Lin really liked her, how could he not kiss her?

But in reality, after being di Lin's mistress for two years, Leng Mei's first kiss was still there.

...

Today was the 20th anniversary of the founding of the Blood Doll Organization. At the request of the higher-ups of the organization, DI Lin agreed to organize a mountain-climbing camping activity.

The people of the blood doll organization all participated.

There were nearly fifty people who went with them.

The destination this time was a huge mountain called Qishan.

This mountain was nearly two thousand meters above sea level. Although it was not very high compared to the highest mountain in the world, it was still considered high compared to an ordinary mountain.

The Qi mountain was surrounded by cliffs of varying heights. If one accidentally fell from somewhere, even if one did not die, it would take several days and nights to find the person.

In short, the Qi mountain was not only high and far, but it was also surrounded by clouds and mist all year round. It was also unusually steep.

Leng Mei had originally not planned to participate in this activity, but di Lin had added Leng Mei's quota without Leng Mei's consent.

...

The people from blood doll organization soon arrived at the foot of Qi Mountain.

From the foot of the mountain to the top, Leng Mei had been walking together with Ruo Yin.

Ruo Yin was a nice person, and Leng Mei later found out that Ruo Yin was not di Lin's mistress.

In addition, only Ruo Yin was straightforward in blood doll organization. Although the two of them could bicker, they usually had a good relationship.

At this moment, ruoyin bumped into Leng Mei and whispered into her ear, "Aren't you going with the leader?"

"Him?" Leng Mei was stunned. Then, she glanced at Di Lin, who was surrounded by the higher-ups of the blood doll organization and had been acting like a king since the beginning.

In the end, Leng Mei shook her head, "He doesn't like me, so why should I go up to him myself?"

2715 Chapter 2713-di lin-he said, "Give me the item (Leng mei-di Lin 6) ."

Hearing this, Ruoyin was the first to be displeased. "Don't like you?"

Ruoyin straightforwardly stretched out her hand and wrapped it around Leng Mei's shoulder. She said to Leng Mei,

"Then tell me, do you like the leader?"

Ruoyin's question was secretly asked. Leng Mei was stunned when he heard it.

Coincidentally, Di Lin, who was walking in front, turned around and looked over as if he heard Ruoyin's question.

This glance made Leng Mei panic for no reason.

"I don't like it," Leng Mei said directly without any hesitation.

Di Lin had already turned around and looked at the forest behind Leng Mei. He didn't look at Leng Mei and didn't hear what Leng Mei said.

"Alright."

Ruoyin wanted to tell Leng Mei that Di Lin definitely liked her. She even wanted to give a few examples that she had observed.

However, after hearing Leng Mei's words, she instantly felt that even if she told Leng Mei that Di Lin liked her, Leng Mei would not care.

"Ruoyin, Leng Mei, what are you guys talking about down there? Hurry up and follow me!"

At this moment, a young man standing next to Di Lin waved at Ruoyin and Leng Mei, laughing happily.

"You're talking about a woman's little secret. Go, go, go, what do you guys know!" Ruoyin retorted with a half-smile. When she said this, she had a smile on her face.

However, with an unrestrained arm around Leng Mei's shoulder, Ruoyin still took big steps to follow.

...

The peak of Mount Qi was quite cool. In such hot weather, a place like Mount Qi was quite suitable for summer.

At night, a group of people set up their own tents and set up some charcoal fires on the peak of Mount Qi. Just like that, they started to barbecue.

Even though the blood doll organization was an assassin organization, when it reached the ears of ordinary people, it was an existence that they did not dare to come into contact with.

However, the people of the blood doll organization were also normal people.

Moreover, when the leader of the blood doll organization was still di Lun, di Lun had been very friendly to his subordinates.

Now that the blood doll organization was in Di Lin's hands, compared to Di Lun, although Di Lin was much stricter, there were some activities that the old leaders had always promised to do, and Di Lin did not cancel them.

For example, this mountain climbing camping activity.

"Eat Barbecue, Eat Barbecue!" Ruo Yin stood up, pulled Leng Mei who was sitting in the tent, and wanted to go to the barbecue site.

Although Ruo Yin was a powerful woman, she could still be an ordinary person at this time.

Moreover, the organization activity that the old leader had always advocated was to let the subordinates of blood doll organization have a few days of normal life in a year.

"I don't want to eat it." Leng Mei held his stomach and rejected Ruo Yin.

She actually didn't want to see Di Lin.

"Then I'll bring it to you later!" Ruo Yin could tell what Leng Mei was thinking at a glance. She didn't force it.

Three minutes later, Ruo Yin snatched a large plate of mutton skewers and walked towards Leng Mei while eating.

"I snatched it. Nuo, let's eat it together." Ruo Yin stuffed a large plate of mutton skewers into Leng Mei's arms.

The two of them looked at the stars and the Moon in the sky and chatted while eating.

In the blood doll organization, Leng Mei and Ruo Yin's strengths were similar. They were both young, but their strengths were not weak.

Therefore, they could be considered to have a common topic of conversation.

After finishing the last mutton skewer.

Ruo Yin carried the plate of mutton skewers away.

Ruo Yin carried the mutton skewers to the barbeque ground.

“You two girls are so wasteful. You Don’t even eat the fat meat!”A man saw this and said to Ruo Yin with a smile.

“I’m not the one who doesn’t eat the fat meat. These few skewers that don’t eat the fat meat were all left over by Leng Mei!”Ruoyin pouted and refuted.

Just as Ruoyin was about to throw away the remaining lamb skewers, a big palm stopped ruoyin. What entered her eyes was the handsome face of the leader:

“Give it to me.”

2716 Chapter 2715 the Wild Hehe, Di Lin is bad (Leng Mei di Lin 7)

This plate of mutton kebabs had almost been eaten up, only the fat on the mutton kebabs had not been eaten up yet.

Di Lin suddenly stopped ruoyin from dumping the mutton kebabs and even said this sentence. This action shocked Ruoyin and she directly handed the mutton kebabs in her hand to Di Lin.

However, what was unexpected was that Di Lin took the lamb skewers that Leng Mei had eaten until there was only fat left on the lamb skewers and ate the fat on the lamb skewers in a few bites.

The group of blood doll organization’s subordinates and higher-ups, including ruoyin, who were sitting around, were all dumbfounded.

“Leader, you...”one of the blood doll organization’s subordinates saw this scene and immediately cried out in surprise.

“When father was still alive, he told you that no matter how rich a person is, they must be frugal. Remember, don’t let me see you waste food again.”

After eating the remaining fat meat on Leng Mei’s lamb skewer, di Lin threw the toothpick on the skewer on the ground, stood up and said this.

Di Lin was originally a tall and thin person. In addition to his knife-cut face, he had a fair and handsome face that made women fall in love with him.

However, when he said this, everyone present was shocked.

“Oh... Oh Oh.” A male subordinate heard di Lin’s words and looked at di Lin with a stunned expression. He nodded his head vigorously.

How did the leader suddenly become so protective of food?

They still remembered that once, in front of the old leader, they had wasted a lot of food and were taught a lesson by the old leader. It was di Lin who stood up for them.

Since when did the leader start to follow the old leader’s Path?

Cough Cough!

“Did you hear that? ! If you all heard that, then hurry up and do it! Lick all the fat off the mutton skewers you ate! It’s a shame to waste food!”

The little boy who had been following di Lin all this time looked at the members of the blood doll organization with a serious expression and suddenly said.

When ruoyin heard the little boy’s words, she suddenly remembered what the leader had just said. She covered her mouth and secretly laughed.

But she still couldn’t help but think in her heart.

Eh, if only Leng Mei also liked the leader, that would be great.

...

At night, at two o’clock in the morning, Leng Mei stayed in her tent, but she didn’t fall asleep for a long time.

She had been by the leader’s side for two years.

She had been his mistress for two years. When would he let her go?

She shrank her hands slightly and hugged herself tightly.

Leng Mei was the kind of person who could appear lively and active in front of outsiders, but she was actually very lonely in her heart.

Thinking of this, Leng Mei wanted to fall asleep.

There were dozens of tents outside. At this time, almost everyone had fallen asleep in their own tents.

However, just as Leng Mei was about to fall asleep, someone suddenly opened her tent.

Then, the person who opened her tent zipped up her tent and suddenly hugged her from behind, caressing her...

Leng Mei didn't need to turn around to know that the person who came was definitely leader Di Lin.

"Leader, this is..." Leng Mei was stunned, then she lowered her voice and quickly said.

Having been his mistress for two years, Leng Mei naturally knew what Di Lin was going to do.

However, the moment Leng Mei finished speaking, Di Lin had already pulled off her pants and covered her mouth with his other hand from behind.

He took off his pants with one hand for three seconds. Around them, there were people from the blood doll organization setting up tents. They fell asleep in the field tents and directly entered her...

2717 Chapter 2716: chasing the guests away, I won't leave (Leng Mei, Emperor Lin 8)

At this altitude of more than two thousand meters, there were tents all around, and inside the tents were all the places where the blood doll organization's subordinates lay. Emperor Lin had been tormenting Leng Mei in Leng Mei's tent for an hour.

Halfway through, Leng Mei bit her red lips tightly, not even daring to take a deep breath.

Just like before, Di Lin stayed with Leng Mei for an hour, and did the same for an hour. After he was done, he picked up his pants and left.

Leng Mei stayed in the tent and did not sleep for an entire night.

...

After returning from Qishan, Leng Mei became Di Lin's mistress for a few years, as everyone knew.

And in these few years, Leng Mei's personality had also undergone a drastic change.

Leng Mei's usual weapon had changed from a dagger to a whip. With her 1.7 meters tall figure, coupled with her voluptuous posture, every move she made was a delicacy in the eyes of men.

At first, Leng Mei thought that her relationship with the leader would only stay here for the rest of her life. However, she secretly found out about a mission.

The leader wanted to send a letter to the number one agent on the international spy rankings, Sha Shen.

Leng Mei secretly took over the mission for the leader.

That was practically suicide.

But she was not afraid.

Moreover, whether she would die or not was not important to Di Lin.

Thus, Leng Mei sneaked out of the blood doll organization alone and went to look for Sha Shen, who was ranked first on the international spy list.

She was an extremely exquisite and beautiful girl. The first time she hid in the dark and peeked at the cloud paper, Leng Mei was subdued by the aura of the cloud paper.

The moment Leng Mei threw smoke bombs in all directions and appeared, she let out a sharp voice that was as sharp as a snake, "Oh Hehehehehe!"

She directly revealed the identity of the cloud note in front of the cloud note and everyone present.

However, she did not expect that the cloud note would turn its sharp eyes to look at her. Without guessing, it revealed her identity:

"The number one expert under the leader of the blood doll, Leng Mei?"

Leng Mei was shocked when her identity was revealed, but she did not show it on her face.

She handed the letter to Yun Jian and tried to escape by smashing open a smoke bomb.

However, before she could get far, she was suppressed by Yun Jian.

Then, she was taken away by Qing Mei and Gu Nian, who had rushed over later.

At first, Leng Mei was reluctant, but later, at Qing Mei and Gu Nian's house, because Qing Mei and Gu Nian were bored, she was dragged away to play mahjong.

Wow, this mahjong is amazing.

Those days were the most comfortable for Leng Mei.

She didn't even need to think about the arrival of the great leader. She spent her days playing mahjong every day.

The most enjoyable part was that she was a shoo-in for mahjong! If she won one round, she would let Qingyan and Gu Nian cook for her and wash her clothes.

Leng Mei felt that she could be a prisoner of the cloud paper for the rest of her life!

Leng Mei was surprised when she heard that the leader had given all the blood doll organization to Yun Zhi in order to get her back.

However, she still wanted to stay at Qing Yan's house after she was done being surprised.

Who Didn't like living for free? !

When Yun Zhi took down the blood doll organization and agreed to let Leng Mei return to Di Lin's side, Yun Zhi even chased people away from Qing Yan's house.

"You, you want me to leave? !"When Leng Mei heard that Yun Jian was going to let her go, her eyes widened in shock.

"Yes."Yun Jian nodded and kicked open the door of the Qingyan family with one foot. He turned his head to the side and revealed a playful smile, indicating for Leng Mei to leave.

"I'm your captive! I'm not leaving!"Leng Mei refused to leave no matter what.

In terms of being a captive since ancient times, the first person who refused to leave from the bottom of her heart was definitely Leng Mei.

Seeing Yun Jian's expression as if he was shooing her away, Leng Mei simply hugged the door tightly and yelled at Yun Jian with a face full of resentment and disappointment:

"I'm not leaving! I want to stay here! At most, I'll pay the rent! It's not like I can't afford it!"

2718 Chapter 2717 Leng Mei was seeking death and was bullied (Leng Mei emperor Lin 9)

Leng Mei's shameless attitude made Yun Jian feel helpless.

Although di Lin agreed to hand over the blood doll organization to her, the deal was with Leng Mei.

However, Leng Mei was persistent and refused to leave, so she naturally wouldn't force it.

However, what Leng Mei didn't know was that not long after she continued to shamelessly stay at the Qingyan House, Yun Jian went back and complained to Di Lin.

The next day, Yun Jian played with Di Lin and Ruoyin and took a big detour around Longmen City before bringing di Lin and Ruoyin to Qingyan's house.

On this day, Leng Mei was wearing Qingyan's bunny slippers and a cute bear pajamas.

Di Lin caught her red-handed.

In the end, she was dragged back to the blood doll organization.

After being pressed on the bed by Di Lin for ten days and ten nights, Leng Mei took the opportunity to escape again.

This time, Leng Mei escaped. She had learned her lesson.

When she was worried about informing her that Di Lin was coming to find her, she mustered up her courage and jumped into the pig pen.

The pig pen in the countryside was not clean. The stinky smell almost made Leng Mei faint.

But in order to leave the leader, she had to go all out.

In the end, she was forced to learn how to bark like a pig.

The last time, Leng Mei grabbed Luo Lei's shoulder and giggled as she tried to drag Luo Lei to find a handsome man. Di Lin caught her.

Leng Mei did not want to return to the blood doll organization and she did not want to be a mistress anymore, so she proposed to Di Lin to end their relationship.

However, she did not expect di Lin to grab her hand and interrupt her, "I love you, that's why I forced you to be my woman. Be obedient and follow me back. Don't be willful anymore, or else I'll be angry."

Leng Mei also had di Lin in her heart.

She admitted that when she heard what di Lin said, she was pleasantly surprised.

However, she did not show it on her face.

...

It was proven that after being captured by Di Lin, Leng Mei was indeed pressed on the bed by Di Lin for ten days and ten nights.

Leng Mei felt that her waist was about to break.

If Leng Mei felt that something had changed in di Lin after this trip, then she felt that Di Lin had become more cautious towards her.

One time when she was taking a bath in the bathroom, she thought that the door had been opened and that the person who came in was ruoyin.

So, Leng Mei scratched her head. Without even turning her head to look, she said in a straightforward manner,

“Ruoyin, do you think... The leader really treats me... Aiya, Aiya, why am I thinking so much? Anyway, I don't like the leader. I will definitely leave him! Definitely!”

After finishing her words, Leng Mei felt that it was not enough. She even added some embellishments:

“Actually, I'm not afraid to tell you that the leader's place is small and narrow! It's not enough for me to look at you. Do you know that every time I'm not satisfied?”!

“You say that if I'm really left here by the leader in my life, how am I going to find other men to play with? !”

These words were very reasonable. Even Leng Mei herself almost felt that what she said made sense.

However, just as Leng Mei nodded and felt that what she said made sense, she made up her mind to escape again.

Behind Leng Mei, a voice that frightened Leng Mei suddenly came from behind:

“Short and thin? Are you sure?”

This voice was magnetic, and there was no tenderness in it. The deep voice shocked Leng Mei so much that she directly stood up from the bathtub.

“Ah! Leader! Why, why is it you!”Leng Mei was so scared that her face changed.

Unexpectedly, the emperor took a step forward. With a wave of his hand, he pulled off his bathrobe and stepped into the bathtub that was not high for him. He grabbed Leng Mei's slender waist and directly entered her:

“Since you think I'm short and narrow, how do you explain the ecstasy on your face?”

2719 Chapter 2718 a photo album, he is Shameless (Leng Mei di Lin 10)

She couldn't help but shout.

The truth was, under his... , she was indeed satisfied.

...

But she, Leng Mei, would never admit this.

Until one day, Leng Mei sat on her bed.

Di Lin walked in from outside.

Di Lin didn't say anything, he just grabbed her and walked out.

In the Hall of the blood doll organization.

When Leng Mei walked into the Hall of the blood doll organization, she saw countless high-ranking members of the blood doll organization standing around.

At this moment, the high-ranking members of the blood doll organization looked at Leng Mei as if they were looking at an unpardonable criminal. Their eyes were fixed on Leng Mei.

This glance made Leng Mei suspicious. She didn't know what had happened.

"Leader, did you really give our blood doll organization to Sha Shen for this woman? !"

One of the higher-ups of the blood doll organization glared at Leng Mei with his round eyes and said.

"Even if you usually pamper her, it shouldn't be like this! Our Blood Doll organization was personally developed by the old leader to this stage. How could you..."

Among the higher-ups of the blood doll organization, after one of the higher-ups spoke, another higher-up immediately spoke up.

All of them were complaining about di Lin's pampering of Leng Mei.

In the past, everyone saw how pampered he was and it wasn't a big deal.

But this time, for the sake of Leng Mei, Di Lin even gave the blood doll organization to Sha Shen, who was ranked first on the international spy rankings!

However, di Lin heard all the insults directed at Leng Mei, but he did not say a word.

Leng Mei looked at Di Lin and then at herself. She was very confused.

What did he mean?

Was he trying to make her listen to the prejudice of the higher-ups of the blood doll organization?

He wanted her to understand how stupid it was for her to secretly take away the envelope that he wanted to personally send to Sha Shen and send a letter to Sha Shen without permission?

Leng Mei stepped back slightly.

“It’s my fault, I, Leng Mei... Cough! I will take responsibility for my actions! From now on, I will quit the bloody doll organization! I Will Never Harm You Again!”

Leng Mei wanted to shake off Di Lin’s hand, but she could not shake it off no matter what. She grabbed her hair coolly and spoke to the higher-ups of the bloody doll organization.

“She will quit blood doll organization.” Just when everyone thought di Lin wouldn’t agree, di Lin suddenly said this.

After saying this, Leng Mei was also stunned, and then her heart went cold.

So he also wanted me to quit blood doll organization?

If that’s the case, then she...

“Because two months later, she will marry me as the wife of the leader of Blood Doll Organization!”

Just when everyone was bewildered, Di Lin suddenly pulled Leng Mei into his arms and loudly declared his sovereignty in front of everyone in the blood doll organization.

...

Leng Mei stayed in her room and hadn’t recovered yet.

Why did she... ! ... why did she agree to the leader? !

Where’s the ring? Where’s the proposal ceremony? There’s nothing here!

Leng Mei scratched her head helplessly.

At this moment, di Lin walked into the room.

At the same time, Di Lin was holding a rectangular object in his hand.

At first glance, Leng Mei thought that it was a proposal from di Lin.

Sure enough, Di Lin came to Leng Mei's side and handed the rectangular object to her. "Proposal ceremony."

Hearing this, Leng Mei blushed.

She glanced at di Lin with an "That's more like it." Then, she took the rectangular object that Di Lin gave her — a photo album. She randomly flipped through two pages.

However, the moment Leng Mei took the photo album and flipped through two pages, her face instantly turned redder than a monkey's butt.

This photo album! This photo album! It was full of them! They were all the expressions on her face and her slender legs that were wrapped around his body when they were doing it! And the pictures of her and him in all sorts of places!

When was he! Taking pictures of such shameful things and keeping them in a photo album! ! Shameless! !

2720 Chapter 2719 belonged to them, the shy wedding (Emperor Leng Mei's arrival 11)

Leng Mei's face quickly turned red. She felt that her entire face had been burned by the fire. She was so embarrassed that she couldn't help herself.

"What the Hell Is This? I don't want it..."

Leng Mei rolled her eyes and pretended that she didn't understand the photo in the photo album Emperor Lin had given her. She twitched her mouth and reached out her slender and straight hand, wanting to tear the photo album apart!

How could she keep such a thing that made people extremely shy? !

Putting everything else aside, if someone were to see it...

Then wouldn't she lose face? !

Just as Leng Mei was about to tear the photo album apart, Di Lin seemed to have known what she was doing. He used his taller stature to pull the photo album back from Leng Mei's hand.

"As a wedding gift, it's better for me to keep it."

As Di Lin said that, he raised the album high and turned to walk out of the door.

Leng Mei was 1.7 meters tall. The moment di Lin took the album from him, she jumped up to grab the album in the air, but she couldn't reach it:

"Give it to me! Give it to me! Leader, can you give it to me? In the future, I'll do whatever you want, okay? Give it to me!"

Leng Mei chased after Di Lin and ran out of the room.

No one saw that the moment di Lin walked out of the room with the photo album that Leng Mei was running and begging for, that clear arc was slightly upward.

...

There were still two weeks before the wedding that Di Lin promised her.

In the countryside.

Leng Mei, who was dragging di Lin to the countryside for a walk, had already asked di Lin for the 190th time:

"Do you... Really Want to marry me?"

In exchange, di Lin replied tirelessly, "Yes."

He had been waiting for this day for a long time.

Leng Mei swallowed a mouthful of saliva deeply, then raised her head to look at Di Lin. She repeated the original question in a different way, "Then... do you really want to marry me?"

"Yes!" Di Lin was not annoyed by Leng Mei's question. His slender hands were interlocked with Leng Mei's delicate fingers. He stared at her with undisguised admiration and replied solemnly.

Leng Mei swallowed hard and suppressed the unspeakable joy in her heart. She curled her lips and looked at Di Lin with a smile:

"Is this okay... I was only your mistress before..."

At the critical moment, Leng Mei became shy.

She glanced at di Lin with a flirtatious expression.

Before she could finish her sentence, Di Lin grabbed her wrist and said coldly,

"Who said you were my mistress?"

He had never treated her as his mistress!

“That’s what the organization says. Besides, I was only 16 and you already wanted me. Isn’t that being your mistress or...”

Leng Mei was confused when she heard di Lin’s furious expression. She turned around and pouted. Just as she was about to explain herself,

A large head had already landed on her head.

He used his handsome lips to tightly hold her small mouth as he tossed and turned.

Damn it! who was the one who said ‘mistress’? !

From the start when he forced himself on her, he had no intention of treating her as his mistress!

It was only a matter of time before she married him!

...

On the day Di Lin and Leng Mei got married, Yun Jian and the others were also invited. They arrived as promised.

“Sister Jian, why aren’t we seeing Leng Mei and her husband?”Qing Yan asked Yun Jian excitedly as she tugged at Gu Nianzhi’s arm.

“Sob sob sob sob, Leng Mei is getting married. Will she still play mahjong with us in the future?”Gu Nianzhi rubbed her eyes, which had not shed a single tear, and said with a pained expression.

“What mahjong? It’s better for you to get rid of the person who’s been following you all this time!”

Qing Yan gently shook Gu Nianzhi’s arm and glanced behind Gu Nianzhi.

She saw a man dressed in plain clothes standing there, obviously waiting for Gu Nianzhi.

It was Li Nong.

“By the way, Sister Jian, where do you think Leng Mei is? Why hasn’t she come out to play with us yet?”Qing Yan stomped her feet and asked Yun Jian.

However, Yun Jian showed an ambiguous smile and said with a faint smile,

“Perhaps, she is doing something unspeakable.”

...

In a wedding room.

The wedding was not over yet.

“Um, don’t, don’t... leader, don’t pull it. It hurts a little... If you tear the wedding dress, you will be found out later...”

The gentle female voice was met with a certain someone’s deeper treatment.

The night was still long.

The story that belonged to them was not the end, but the beginning.

2721 Chapter 2720 the knot in God Ji’s heart

“How good it would be if you were a boy! If you weren’t a girl, you would be the boss and the most favored eldest son of our Cheng Family!”

“God, why are you doing this to me? !”

God Ji had heard many things since she was a child. Her mother was hiding in her room, wiping her tears while crying and nagging.

She was a girl, not a boy. This was her mother’s lifelong hatred.

She hated that she was not a boy and could not bring her mother a higher position in the Cheng family.

Therefore, since she was young, Shen Ji had been ordered around by the Cheng family. She was already tired and numb.

Although the young Shen Ji was still young, she was very mature.

When she was five years old, she chose to escape from such a family.

She knew that her mother, who hated and loved her, followed her all the way.

After she chose to leave with someone who gave her snacks, her mother, the woman named Yun Hua, hid in a corner and cried for a long time.

She was only five years old, a little girl who didn’t even know what death meant. The loss of her mother was something that outsiders would never understand.

The woman named mother only dared to hide in a corner and cry bitterly as she watched her leave.

In her first year in the dark soul organization, Shenji had already been invincible.

Perhaps others did not know why she was invincible, but she knew in her heart.

That was because after she was mercilessly abandoned by her family, she no longer cared about life and survival.

Even if she died, to her, such a life without any pursuits was meaningless.

People who were relaxed and did not have any burdens were more likely to succeed. That was because they were all alone and did not need to leave any path of retreat for themselves.

On the other hand, those who had a family, children, and worries could only be ordinary people for the rest of their lives.

Shenji belonged to the former category.

Like Sha Shen, she was ruthless and risked her life. Even if someone stabbed her body with a knife, she did not care about her wounds and vowed to kill the other party first.

Just like that, when she first joined the dark soul organization, almost no child was her opponent.

Until she met the girl who had lost her confidence in survival but rekindled her desire to survive — 006!

She had defeated her!

She even looked down on her. "Defeated!"

This sentence of "Defeated" made the blood in Shenji's body boil.

"006, I Will Remember You! I will definitely defeat you!" The young Shenji shouted this sentence at Sha Shen.

From then on, defeating Sha Shen became Shenji's only goal.

This desire was Shenji's goal, and at the same time, it was the motivation for Shenji to survive.

Her childhood wasn't beautiful.

She didn't miss the past.

She even wanted to give up her life.

Perhaps to others, defeating Sha Shen was just a show of competitiveness.

But to Shenji, this was her motivation to survive.

It was no longer a show of competitiveness, but a value of survival that she would never forget.

But one day, the woman that she would never be able to defeat, Sha Shen, died.

When Shenji first heard the news, she was thunderstruck, but she still chose to continue living because she chose to protect the Gu Sha mercenary group on behalf of Sha Shen and that silly woman.

She knew that she would not leave, and she would return one day.

That's right, Sha Shen had indeed returned in 2019.

But Shen Ji was tired.

Please let her sleep for a long time. Those goals and motivation had been washed away by time.

She just wanted to have a good sleep and have a dream that she would never wake up.

She wanted to fight again in her next life.

At that time, she would definitely defeat the Sha God.

Definitely.

This time, she would never go back on her words.

2722 Chapter 2721, Yezhi Purlin, be honest with each other (Yezhi Purlin 1)

"Don't... Please Don't bully me. I'll listen to you... I'll listen to everything you say... Please Don't bully me anymore..."

The moment Lin Mengyu pushed him into the toilet, the original owner of Yun Jian's body, who was later Yezhi, was terrified.

“Little Slut! You seduced my man, do you think I’ll let you go just like that? Go! Shove her head into the toilet! Let Her eat shit all over her face! Let’s see how handsome he will like this little slut’s face in the future!”

Lin Mengyu mercilessly instructed her two lackeys.

At this time, Lin Mengyu’s two lackeys pressed on ye Zhi’s shoulders and pushed ye Zhi’s head into the stinky toilet.

Yezhi’s fear from the depths of her soul made her face change. The next second, she fainted and her mind went blank.

...

When Yezhi woke up again, she was in a storage room.

She pressed on her head and forced herself to sit up with a trembling face.

But when she saw clearly in front of the storage room, under the moonlight, a male figure suddenly appeared. Yezhi was so scared that her whole body trembled.

Just as she was about to scream, the male figure standing far away flashed to her and covered her mouth with his hand.

“Don’t talk,”the man said coldly.

Under the moonlight, Ye Zhi, who was so scared, really hugged her body and didn’t say anything.

But she only saw a faint light shining in from outside the window, shining on the man’s face.

The Man’s ghost mask, which he always wore on his face, gave Yezhi a fright.

“Ah!”Yezhi was so scared that he hid his body in the corner of the wall as fast as he could, but he still couldn’t help but scream.

Yuan Lin pressed his forehead and walked toward Yezhi.

“Yuan Lin, if you don’t understand anything, you can ask me,”Yuan Lin said coldly to Yezhi and nodded.

He had come here with a purpose to find Yezhi.

From Yuan Lin’s words, Yezhi learned that she had been reborn into another person’s body.

And her original body was Yun Zhi's.

She was just a puppet that could not fit in a world, a puppet that should not have been born in this world.

The moment she knew the truth, Yezhi shrank back and only replied Yuan Lin with one word, "OH."

...

The original owner of Yezhi's body was called Yezhi, a little beggar who was now working in the backstage of a brothel.

Because Yezhi's body was shriveled and looked very thin on the outside, no one wanted her even when she came out.

Therefore, she was only working in the backstage of a brothel, that was all.

Yuan Lin didn't seem to have a proper job. She was working as a handyman. Yuan Lin just stood aside and watched silently.

"Ping –" Yezhi wiped the bowls and chopsticks on a table. Suddenly, the bowls and chopsticks fell to the ground.

She was so scared that she immediately squatted down to pick them up.

"Little B \* Tch! I told you to be careful! How dare you smash the Bowls!" At this moment, the mother of the brothel saw this scene. She grabbed the feather duster and rushed over to hit someone.

Yezhi was beaten until she cried and cried.

Yuan Lin just stood aside and watched. She didn't make a move, nor did she have any other expression on her face.

Not to mention how cruel Yuan Lin was, to Yuan Lin, Yezhi was just a stranger.

He was not the kind of man who could reach out his hand to save any woman.

...

"Please don't hit me anymore. Wuwu, please don't hit me anymore... !" Yezhi woke up from her dream.

However, she suddenly saw Yuan Lin standing to the side. She was so scared that she hugged her chest and shrank into the corner of the wall.

Yuan Purlin's eyes moved.

He didn't say anything. He grabbed Yezhi's ankle and dragged her out of the corner bed. Then, he pulled off Yezhi's clothes.

Yezhi didn't wear a bra. From the outside, her chest looked flat.

Yuan purlin didn't treat Yezhi as a woman.

But when Yezhi's clothes were torn off by Yuan Purlin.

Her flat chest, which was wrapped under her clothes, was abnormally plump.

Seeing this scene, Yuan Lin suddenly paused.

"What are you doing..."Yezhi was frightened by Yuan Lin's action. She desperately shrank into the corner of the wall, pinched the quilt in her hand, and wrapped her chest.

At this time, Yuan Lin walked to Yezhi's side, pulled the quilt that was wrapped around her chest again, and said indifferently, "Apply the medicine."

Hearing this, Yezhi gave up struggling even though she was shy.

What Yezhi didn't know was that when Yuan Lin applied the medicine on Yezhi's body, her eyes were always attracted by the beautiful scene on her chest. Her eyes glanced over and over again...

2723 Chapter 2722: because of her, Yezhi, physiological reaction (Yezhi Purlin 2)

Yezhi did not notice that when Yuan Purlin was applying medicine on her, her eyes glanced at places that she should not have looked at.

Without the cover of the blanket, Yezhi was naturally a little embarrassed. She wrapped her arms around the spots on her chest and allowed Yuan Purlin to apply medicine on her injured lower chest and back.

"Take your hands away."Yuan Lin saw Yezhi use her hands to cover the place that she shouldn't be looking at, so he said this in all seriousness.

After that, Yezhi's face turned slightly red.

"But..."I'm shy!

But before he could finish his words, Yuan Lin had already reached out and pulled away Yezhi's hand that was covering her chest.

He applied medicine on her.

After applying the medicine, Yuan Lin didn't even look at Yezhi. He turned around and left, just like a homosexual who wasn't interested in women at all.

Ye Zhi shrunk her body and looked at the place where Yuan Lin had disappeared. She swallowed her saliva and did not say anything in the end.

...

The days passed day by day. Ye Zhi helped to serve tea and water at the back of the brothel. Her small face was smeared like charcoal, which covered her original beauty, so she looked very ordinary.

In addition to her small, dry body, even though Yezhi was a woman in the brothel, none of the clients in the brothel liked her. They even took a detour when they saw Yezhi.

However, Yezhi worked very hard. In the beginning, she was often beaten by her mother in the brothel, but later, her mother stopped beating her.

...

"Yuan Purlin! Yuan Purlin!"

One day, Yezhi rushed into her house from outside, holding a letter in her hand.

With her own ability, she was getting better and better in the brothel.

Her mother sang liked her more and more because of her hard work, which was equal to three people per person.

"She's not here... Ah..." looking around, she didn't find anyone with Yuan Purlin. The envelope in Yezhi's hand was slowly dropped by her, and she sounded a little disappointed.

"Looking for me?" Just as Yezhi's disappointed voice fell, a man's mellow voice suddenly sounded behind her.

"Yuan Purlin! Yuan purlin! Look at this!" Yezhi suddenly heard the Yuan Purlin's voice. She turned her disappointment into joy, raised the envelope and placed it in front of the Yuan Purlin.

"What's This?" Yuan purlin took the envelope and opened it.

Inside the envelope were a few pieces of one-dollar notes, old and worn.

"The money I earned! My mother sang gave it to me as a reward!" Yezhi said happily with his head held high.

"Come with me! Let's Go Buy Some candied haws!" With that, Yezhi grabbed Yuan Purlin's big cold palm and ran out.

...

After buying two candied haws, one yuan purlin for himself, Yezhi sat by the roadside flower bed and carefully licked the candied haws, unwilling to eat them all in one bite.

Yuan Lin felt bored.

He came to the 1990s with a big mission.

He should not have time to accompany her here.

But for some reason, he could not take a step forward.

He watched ye Zhi Lick all the candied haws, not even leaving a bit of residue.

Yuan Lin reached out his hand and handed over the candied haws he had not eaten.

"You don't want to eat?" Ye Zhi licked her hand that still had a hint of the sweet taste of candied haws. She looked up at Yuan Lin, who was handing over the candied haws to her, and was surprised.

"Yes." Yuan purlin turned his head and did not look at her swaying upper body, which was sitting next to the flowerbed. He replied to Yezhi.

Yezhi looked very excited and happy, so she sat on the flowerbed and swayed her upper body from side to side.

The girl did not know that her swaying posture reminded someone of the infinite scenery she saw when she applied medicine on her. Someone had a physiological reaction because of her action...

2724 Chapter 2723 Yeats seems to have fallen in love with the cloud paper (Yeats Yuan Lin 3)

Although Yeats was timid, it was the kind of timidity that came from the depths of her soul.

But although she was timid, it didn't mean that Yeats was stupid or stupid.

On the contrary, Yeats was quite smart.

When she was reborn into this little beggar, although she had some unforgettable fear of people, Yeats knew that in a place like a brothel, if a girl wanted to leave in a clean and innocent way, she had to disguise herself.

Therefore, she did not hesitate to make herself look dirty every day. She smeared her face like charcoal, and her whole body felt like it had rolled through a stinking ditch. Anyone who smelled it from afar would feel stinky and did not want to get close to her.

However, no matter how Smart Yezhi was, she could not see that Yuan Purlin had a physiological reaction to her at this moment.

After licking the candied haw in her hand, Yezhi walked back side by side with Yuan Purlin.

Halfway back, Yezhi touched her dirty face and turned to look at Yuan Lin with a smile:

“Yuan Lin, I’m saving money now. When I save enough money, Can I Go Home?”

The home she was talking about was the one with Qin Yiruo and Yun Yi.

Yezhi had learned from Yuan Lin that she was a puppet that could not be tolerated by the Heaven and Earth, a soul that did not belong to this world.

But she firmly believed that as long as she went back, her mother and brother would not mind having one more mouth for her.

And she could have one more sister — the owner of her original body, Yun Jian.

“Yes,” Yuan Lin responded.

Yuan Lin did not know that his response made Yezhi work harder in the brothel.

However, the good times did not last long. The brothel was closed down, and the expenses of the owner of the brothel were instantly reduced to zero, so he sold Yezhi to sister Lou, who worked in the entertainment circle.

This time, the bitter days of the past were repeated.

Sister Lou arranged for Yezhi to stay at the bottom of the stairs, a place that was not even as good as a small attic. Every day, she let Yezhi follow the production team, be the logistics person, and move the heavy props around.

Sometimes, if she was not satisfied, she would be beaten up by sister Lou.

Yuan Lin did not intervene to stop sister Lou from beating people up, but he always followed Yezhi. He only stood aside and watched when Yezhi was being bullied.

He would wait until ye Zhi was covered in wounds before applying medicine on her.

Ye Zhi was an insignificant person to Yuan Lin. This was one of the reasons why Yuan Lin could watch helplessly without making a move.

The second reason was that the mysterious person was still secretly searching for him. He could not expose his whereabouts.

After Xingfeng was captured, Xingfeng entrusted all the hopes of changing the future to Yuan Lin.

If Yuan Lin went straight to the cloud paper now, he would be discovered by the mysterious person.

Moreover, the time was not right. He could not ruin all his plans because of a woman, Yezhi, who was nothing to him.

Moreover, Yezhi had never complained about him.

On the contrary, after Yezhi was bullied, the first person she thought of was him.

She would complain to him about the injustice she had encountered. No matter what happened, she would immediately countersue him.

But just when Yuan Lin thought that Yezhi would always regard him as the most important person in her life to talk to.

One day, Yezhi met Yun Jian.

Yun Jian not only told Yezhi that she was someone she protected, he even helped Yezhi beat up the movie queen who bullied her in public.

This made Yezhi's heart thump like a deer.

As usual, when Tian Yuanlin came to ye Zhi's bedroom, what he saw was ye Zhi looking at a corner of the room, smiling foolishly.

In the past, ye Zhi had already dragged him to complain or tell him something that he had always wanted to say.

But today...

"What are you smiling at?" Yuan Lin could not help but interrupt ye Zhi's smile.

Instead, she asked him if he was here to deliver a letter to Yun Jian.

Of course, Yuan Lin denied it.

Unexpectedly, Yeats said something that made Yuan Lin's heart choke:

"Then you don't have to come to me if you have nothing else to do. I have friends now."

She chased him away!

This was the first time she had said this to him!

2725 Chapter 2724 seemed to like it, so he put it on cloud paper (Ye Zhi Yuan Lin 4)

"Okay."

Yuan Lin's handsome face under the ghost mask only twitched slightly. At that time, he just said a simple but indifferent "Good" word and turned to leave.

God knows how complicated his feelings were at that time.

Yuan Lin did leave.

But a few days later, Yuan Lin couldn't help but come to find Ye Zhi again.

Who knew that Ye Zhi was trying on the hairpin given to her by the cloud paper.

Yuan Lin admitted that at this moment, a ball of anger was slowly burning in her heart.

She had thought that Ye Zhi would drag her to have a good chat with her after not seeing her for so many days. Unexpectedly, Ye Zhi reached out to him and asked for the letter, saying that she had already said that he wouldn't come to see her if there was nothing wrong, if he came to see her, then he definitely had something to ask her to bring to the cloud paper.

Of course he didn't.

Yuan Lin was furious.

But he still took out the hair clip that he had long prepared for her and gave it to her.

He didn't think that Ye Zhi would directly misunderstand and think that the person he was sending the hair clip to was the cloud note!

Later, Sister Lou appeared and wanted to beat Ye Zhi up.

For some reason, Yuan Lin felt that if he didn't do anything, Ye Zhi would completely leave him, so he did.

...

After this time, when Yuan Lin looked for Yezhi again, Yezhi had already been brought back to Longmen City by cloud note.

At that time, Yuan Lin didn't plan to meet with cloud note.

The timing wasn't right.

But he couldn't help but not see Yezhi, so he took the risk of being caught by cloud note and sneaked into Yezhi's boudoir again and again.

Every time, he sneaked in like a thief when cloud note wasn't at home.

However, when he went to Longmen City, he risked his life to look for ye Zhi a few times. The last time, ye Zhi pouted and chased him away:

"You're fine. Can you stop looking for me in the future? I'm going to school soon. Also, Sister Yun Jian won't be happy if you keep coming here to look for me!"

Sister Yun Jian!

Ye Zhi kept calling her "Sister Yun Jian", which made Yuan Purlin's anger shoot up into the sky.

He grabbed her hand and without saying anything, he pulled Yezhi and jumped out of the window on the second floor of the villa.

Yezhi was so scared that she grabbed his clothes tightly and leaned her small body against his chest.

At this moment, Yuan Lin's anger finally eased a little.

Yezhi was taken away by Yuan Lin again.

Yuan Lin came to this era, and it was already home to the world.

But it was different from before. In the past, he was the one who watched ye Zhi live. Now, he was the one who took ye Zhi with him, wanting to make ye Zhi live a better life.

Yuan Lin held ye Zhi's small hand, and for the first time, he felt extremely satisfied.

"Do you want to eat candied haws?" Yuan Lin asked ye Zhi.

Yuan Lin did not have a fixed home. He was homeless. Although he did not lack money, he would not stay in one place for too long.

Every time he walked through a city, he would take her to a hotel.

But she did not seem to be happy.

“OH.”Being held by Yuan Lin’s small hand, Yezhi nodded listlessly.

Yuan Lin bought ten candied haws for Yezhi.

Yezhi ate them little by little, but she was not happy.

“Do you want to eat anything else?”Yuan Lin reached out his hand and wiped the candied haws that were stuck to Yezhi’s small mouth.

His tone was still cold, but Yuan Lin knew that this was the greatest gentleness he had been able to give all these years.

He and Xingfeng had traveled to so many places and killed so many powerful people just to change the fate of cloud paper and the others. His heart had long since died.

But for Yezhi, he had no choice but to pick up his heart that had long since dried up.

“I don’t want to.”Yezhi shook her head. She suddenly raised her head. Under Yuan Lin’s expectant gaze, she shared with him the little knot in her heart that she used to share with other girls:

“Well, Yuan Lin, let me tell you a secret...”

“Okay.”Yuan Lin’s lips curled up slightly as I listened.

He thought Yezhi would start to rely on him again, but he didn’t expect to hear this sentence:

“I think I like sister Yunjian...”

2726 Chapter 2725 whoever bullied her, skin him alive (Yeats Yuan Lin 5)

In the past, when Yun Jian treated Yeats Well, Yeats only hid in a corner and secretly rejoiced.

Yuan Lin saw this, but his heart was filled with anger.

Even when he saw Yeats hiding in a corner and secretly thinking about how good Yun Jian was, Yuan Lin was unhappy.

This time, Yeats was even more ruthless. Just when Yuan Lin thought she would secretly tell him her little girl secret like before, she suddenly said this sentence.

Yuan Lin's face instantly turned darker than a frying pan.

But that was not all.

Yezhi's next sentence was even more ruthless:

"It's not that kind of like, it's... I feel like it's the kind of like a girl has for a boy..."

Yuan Lin's face was only dark on the surface, but in reality, his heart was like an ocean-topping river, complex and changeable.

"Oh, OH, OH, I don't know if it's that kind of like." Yuan Lin's face was still dark when Yezhi suddenly covered her face and shook her head shyly.

The little girl who confided to someone she trusted when she had a crush on someone looked very much like love.

Yuan Lin was not the person Yezhi had a crush on, but the person Yezhi confided to.

His face could no longer be described as dark.

"Anyway, I think sister Yunjian is so handsome! By the way, Yuan Lin, do you know where Sister Yunjian went? Let's go find her together. I don't think I've seen her for a long time."

Ye Zhi gradually recovered from her crush expression. She had already grabbed Yuan Lin's hand and looked up at him.

Although Yuan Lin wouldn't help her when she was bullied, he would agree unconditionally wherever she went.

Ye Zhi thought that Yuan Lin would agree directly.

However, Yuan Lin reached out and grabbed her little hand. He didn't even care that the candied haw in her arms fell to the ground. He directly refused, "No."

After saying that, Yuan Lin grabbed Yezhi and dragged her away.

"Why isn't it good?"

But Yezhi did not manage to ask those words. She forcefully swallowed the last words that she wanted to ask.

...

In the next few days, Yuan Lin took Yezhi to a few cities and drifted to many places.

Yezhi had been depressed. She only ate a few mouthfuls of food and curled up at the corner of the bed when she slept. Her expression was gloomy and listless. She did not even bother to look at the candied haws that she liked the most.

People who had family in their hearts, no matter how far away they were from home, no matter how much they wanted to leave home in their childhood, once they left, they would want to fly back to their parents.

Yezhi was just like that.

In less than two months, Yuan Lin could not bear it and sent Yezhi back to Longmen City.

Once again, Yezhi happily returned home and went back to school.

At first, Yuan Lin really left alone.

Later, Yuan Lin would think of Yeats every night, so she simply stayed by her side.

Yeats, who had returned to school, was very afraid of her classmates.

It was a fear that came from the depths of her soul, a puppet that should not exist in this world. When faced with humans, she could not control it at all.

But unlike before, at school, Yeats worked very hard to become brave.

Just like what Yunjian said, she was a human, a self with a body!

However, bullying still happened at school.

Once, Yezhi covered her ears and was caught by five or six girls in a corner of the school.

Yezhi squatted in the corner, not daring to look up.

Just as the five or six girls were about to beat Yezhi up, a gust of wind suddenly blew around them.

In that gust of wind, countless pebbles were thrown at the five or six girls, scaring them so much that they did not dare to attack ye Zhi again.

From then on, anyone who dared to bully ye Zhi at school would have a "Supernatural phenomenon".

This made ye Zhi very surprised, but she did not think too much about it.

In fact, all of this was done by Yuan Lin, who was hiding in a corner and quietly observing her every move.

At the risk of being caught by the cloud paper, Yuan Lin felt that he had gone crazy!

In the past, he would not even blink when someone bullied Yeats.

Now, whoever dared to bully Yeats, he wished he could peel off their skin!

2727 Chapter 2726 Yuan Lin did something shameful to her (Yeats Yuan Lin 6)

Yuan Lin had been secretly protecting Yeats, and had always been very secretive, and had never been discovered.

Until —

One day, Yun Jian came to the school looking for Yeats and slapped him in public.

Yuan Lin knew that Yun Jian did this to lure him out.

But he still couldn't help but stand up.

After Yun Jian left, Yuan Lin still pretended that he never cared about Yezhi.

In fact, he still protected her behind her back.

Until the big battle came, and the big battle was won.

Everything was over.

The mysterious person was also completely destroyed.

Yuan Lin and Feng from the future also left everyone in the space-time forest.

Yuan Lin thought that he could still pass through the space-time gate from 2019 to 2004 to find Yezhi.

But who would have thought that the space-time gate would never open again after 20 minutes.

Yuan Lin was anxious, so he grabbed ye Zhi's hand and said to her, "Come with me."

Then, afraid that ye Zhi would not agree, yuan lin added, "I'll Marry You!"

The moment ye Zhi agreed, what outsiders did not know was that Yuan Lin let out a huge sigh of relief.

He grabbed ye Zhi's hand, held her hand, and brought her into the space-time gate with joy.

What Yun Jian and the others did not know was that ye Zhi, who had promised to go with Yuan Lin, suddenly wanted to go back on her word the moment she stepped through the space-time gate:

“Yuan Lin, Yuan Lin, I, I think I should...”

She was still a little scared, even though she would still meet her parents, Yun Jian, and the others after she arrived.

But those were the future them. They had been absent from their lives for so many years. What if they did not like her anymore?

What if they did not remember her?

What if...

“Now that we're here, do you think you still have the room to go back on Your Words?”

Yuan Lin laughed heartily. With a wave of his hand, he brought Yezhi into the space-time gate.

Xingfeng followed behind him and snickered a few times. Then, he coughed lightly for a while before following them into the gate.

...

Yezhi had just arrived in 2019 and had come to the future world. There were many things that she was not used to.

At first, she was scared.

But she found that after more than ten years, Yun Jian, Qin yiruo, and Yun Yi had not forgotten her.

And her sister, Yun Jian, looked exactly the same as she did in 2004 and more than ten years ago. She was still young and beautiful, and did not age at all.

This made Yezhi very close to her.

The next day, Yuan Lin went to Qin Yiruo's house to propose to Yezhi, intending to finish the wedding process.

The night before the wedding, in Ye Zhi's boudoir.

Ye Zhi was still clutching her heart, unable to believe that she was going to marry Yuan Lin.

Moreover, she wanted to cry but had no tears.

Originally, she liked cool people like sister Yunjian. Why did she suddenly agree to marry Yuan Lin.

Out of habit, ye Zhi covered her face, blushing.

“Can I refuse him?”Yezhi thought for a long time. Finally, she looked at herself in the mirror, shook her head, pouted, and asked herself in the mirror.

“No.”She was just talking to herself, but suddenly got a response.

Yezhi was so scared that she looked at the source of the voice and saw Yuan Lin walking toward her.

“When, when did you come in! ?”Yezhi was shocked.

“I’m here to check my bride in advance.”Yuan Lin Smiled Evilly. He took three steps forward, grabbed Yezhi’s hand, and pressed Yezhi down in front of the makeup table.

“No, you can’t tear my clothes, Yuan Lin! If you do that again, I’m angry! I’m really angry!”!

“Don’t, uh-huh... What does it feel like... Ah, don’t be so ashamed, you can’t touch that...”.

“There, there’s so dirty, you can’t Lick it...”

...

2728 Chapter 2727 am I about to die (Si Yuan Zhou Yiran 1)

The Little Girl Si Yuan, the Little Guy Si Ming and Zhou Yiran grew up together.

Because the three of them were born early and their ages were about the same.

When the four leaders of the dark soul organization, with the exception of Adam, the other three children had just landed, the little girl, the little guy and Zhou Yiran could all go and join in the fun.

Perhaps because Yunjian had been to the future world and seen Si Yuan being bullied, Si Yuan had been asked by Yunjian to train together ever since she was little.

Although it was not overly demanding, she had suffered a lot.

Zhou Yiran and the little guy, Si Ming, were directly thrown into the Amazon forest by Si Yi Yi and accompanied by poisonous snakes and beasts day and night.

Although the three of them grew up together, Zhou Yiran and Si Ming had obviously been together longer than Si Yuan.

The three of them had indeed grown up together. However, after the age of seven, Si Yuan could only see Zhou Yiran and her brother Si Ming three months out of the year.

This was naturally because during the remaining nine months, Zhou Yiran and Si Ming had been thrown into the Amazon forest.

At the age of fourteen, Si Yuan was already like the cloud paper back then. Her back and front were bulging. Because she had defeated the mysterious person and changed the future history, Si Yuan had always been under the protection of her parents in this era.

This year, Si Yuan, who had just finished junior high school, went home with a small schoolbag.

It had been five months since she had seen Zhou Yiran and Si Ming.

She walked out of the school gate with two ponytails. Si Yuan, who had just left the school gate, saw her brother, Si Ming, and Zhou Yiran.

Si Ming looked very similar to Si Yi. He was handsome, and there was a hint of the beauty of the world that had lost its color because of him. However, compared to Si Yi, Si Ming's appearance was a little wild.

The fourteen-year-old Si Ming was already 1.75 meters tall.

Zhou yiran, who was three or four years older than Si Yuan and Si Ming, was already 1.82 meters tall.

Both of them were extraordinarily handsome. Just by standing there, they could attract the admiration of countless women for no reason.

When Si Yuan had just walked out of the school gate, she was still holding a pink envelope in her hand. When she saw the two of them, she hid the envelope behind her back and ran over.

"Brother! Brother Yi ran!" Si Yuan called out sweetly.

“Yo, what is Our Little Yuan Hiding?” Si Ming suddenly took the envelope from Si Yuan’s back with a wicked smile.

“Brother! Give it back! Give It Back!” Si Yuan blushed when the envelope was taken away by Si Ming. She used the method taught by the cloud paper to snatch the envelope taken away by Si Ming.

This self-defense technique was already too much for ordinary people, but it was nothing to Si Ming.

Simin turned to the side and opened the envelope with a flip of his hand. He read the words on the envelope with a mischievous smile:

“Student Zhu Zehao, your handsome profile has been reflected in my heart. I adore you. From the moment you — you — helped me clean up, I’ve admired you. Can you please go out with me... ?”.

“Hahaha! Simin, you still have a secret crush? Write a love letter! Hahaha, I’m dying of Laughter!”

Si Ming raised the letter high and laughed.

“Give it back to me! Give it back to me!” Si Yuan was furious.

The moment Zhou Yiran heard Si Yuan write a love letter to the boy next to him, his eyes moved.

Using his height advantage, he snatched the envelope from Si Ming and tore the love letter in front of Si Yuan and Si Ming...

Then, he heard Zhou yiran sneer, “A pile of waste paper, Heh.”

Si Yuan and Si Ming:”...”

...

It had been two weeks since Si Ming and Zhou Yiran had returned.

That day, Zhou Yiran had just woken up and was about to go for morning exercise. When he passed by Si Yuan’s room, he was suddenly attracted by Si Yuan who was hiding behind the door with only one eye exposed.

“Brother Yiran, can you come over for a moment...” Si Yuan looked at Zhou Yiran with a dying look on her face.

“What?” Zhou Yi ran walked past.

Si Yuan reached out her bloody hands from behind her back. She was so frightened that her face turned pale. She spoke to Zhou Yi-ran with a frightened expression:

“Brother Yi ran, I think I’m going to die. What should I do? My thigh has been bleeding since I woke up in the morning. I can’t find the wound even after searching for a long time. Can you take a look? Am I going to die...”

2729 Chapter 2728 si yuan adored that senior (Si Yuan Zhou Yiran 2)

Si Yuan hid in her boudoir and only peeked out half of her body. She frowned and her small face was red and flustered.

She had already bled for an hour. If she continued to bleed, would she die soon!

Seeing that Zhou Yiran, who was standing in front of her, was stunned after hearing her words and was not in a hurry to reply her, Si Yuan lowered her small face. Her face was already pale from fright:

“Forget it, Brother Yiran, there’s no need for you to look. I definitely have an incurable disease. Help me call my brother, mother, and father over. Before I die... I want to tell them personally that I love them!”

As Si Yuan spoke, her tears were about to come out.

Seeing this scene, Zhou Yiran’s heart softened.

The next second, Zhou Yiran stepped forward and stretched out his hand to caress Si Yuan’s head. He changed his usual indifference in front of Si Ming and smiled as he rubbed Si Yuan’s head:

“Silly Girl, you won’t die...”

When Yun Zhi was alone in Si Yuan’s room and explained the reason for the ‘bleeding’, he changed si yuan into a sanitary towel.

Si Yuan hid under the blanket in her bedroom and buried her head under the blanket.

Because she heard Yun Zhi explain the reason for the bleeding, Si Yuan was so embarrassed that she buried her head under the blanket and could not raise her head.

She had even asked Zhou Yiran to examine her wound!

If she really asked Zhou Yiran to examine her wound in such a hidden place...

“Aiya, Aiya, Aiya! He must think I’m stupid! I’m so embarrassed! I don’t want to see Zhou Yiran anymore! That guy is so annoying!”

Si Yuan held her face with her cold hands and rolled around in the quilt. She was shy and shy.

Si Yuan directly complained.

Because no one would enter her room.

However, the moment she said that, the blanket that si yuan was covering was lifted.

Si Yuan was stunned. When she came back to her senses, she saw Zhou Yiran's handsome face.

"Why do I hate you?" Zhou Yiran looked at Si Yuan with an evil smile and repeated what Si Yuan said just now.

"Ah, Brother Yiran, why, why are you here..." the person that Si Yuan did not want to see the most was Zhou Yiran. She covered herself with the quilt and tried her best to hide in the corner.

"Drink this." Zhou Yiran did not joke with Si Yuan anymore. He handed a bowl of brown sugar water to Si Yuan.

When Si Yuan saw this, she forced herself to forget the embarrassment and embarrassment just now. She took the brown sugar water from Zhou Yiran's hand, carefully put it to her lips and gently swallowed it.

When Zhou Yiran's hand was placed in front of her stomach without any warning, si yuan was suddenly stunned. She shrank her stomach and moved back a little.

"Does it hurt?" Zhou yiran only gently rubbed si yuan's stomach and asked softly.

Si Yuan looked at Zhou yiran blankly and shook her head.

At this moment, the phone at the bedside of Si Yuan rang.

Si Yuan suddenly reacted when she heard the ringtone. She picked up the phone and answered the call.

After receiving the call, Si Yuan's shocked and embarrassed look when she faced Zhou Yiran had completely disappeared.

The corner of her brows revealed her joy again. She used the expression of a girl who was about to show her admiration for a boy and shouted at the boy on the other end of the phone in front of Zhou Yiran:

"Hello, is it... is it senior Zhu Zehao? I, I am at home now."

“Is it a classmate dinner? Is... is it organized by senior Zhu Zehao? Go, go, go, of course I have time!”!

“And I also have something that I want to give to senior Zhu Zehao alone...”

2730 Chapter 2729 was almost here, and she couldn't wait (Si Yuan, Zhou Yiran 3)

If Si Yuan was still as embarrassed as before when she was talking to Zhou Yiran, then at this moment, Si Yuan's expression was bashful, as if she was afraid that her wrong words would incur the dissatisfaction of the other party's senior.

Si Yuan had never shown such a little girl's expression in front of her!

Senior Zhu Zehao?

Zhou Yiran's expression gradually dimmed under Si Yuan's unconscious state.

He remembered that it was the person who had asked Si Yuan to write a love letter?

Heh, he had only been away for nine months, and she already had someone else she liked so quickly?

Si Yuan was still bashfully talking to the senior on the other end of the phone call.

At this moment, Zhou Yiran snatched the phone that Si Yuan was still talking to. His face was indifferent the entire time, and he spoke to the senior on the other end of the phone call with a tone that matched his indifferent expression:

“It's the senior from Yuan Yuan's class, isn't it? Your phone call has seriously affected the interest of me and Yuan Yuan. Don't ever call Yuan Yuan again when I'm sleeping with her.”

Zhou Yiran's face did not turn red and his heart did not skip a beat when he said this string of lies.

As soon as he finished speaking, he did not even give the other party's senior any time to reply. Zhou Yiran hung up the phone and with a swipe of his hand, he blacklisted the other party's senior's phone number. Then, he threw Si Yuan's phone on the dressing table far away.

Si Yuan only managed to react after a long time. She was stunned for a moment. When she realized what Zhou Yiran had said or done, her face instantly turned pale. She looked at Zhou Yiran and called him by his name:

“Zhou Yiran, what are you doing! You... you... You're unreasonable! I don't want to see you anymore! Get Out of My Room! Immediately!”

Si Yuan was so angry that her eyes were wet. She pointed at the door and said to Zhou Yiran angrily.

“Did I forget that you accepted my flowers when you were young and agreed to be my bride?” Zhou Yiran smiled wickedly and walked towards Si Yuan.

Zhou Yiran's wickedness combined with his handsome facial features gave people a terrifying feeling no matter how they looked at it.

Si Yuan grabbed the blanket. She pursed her lips. After listening to Zhou Yiran's words, she turned her head to the side and said shamelessly, “I, did I say that...”

Just as Si Yuan finished speaking, Zhou Yiran suddenly went forward and grabbed Si Yuan's chin. He leaned forward, grabbed her red lips, and pressed them on her.

The moment she was suddenly kissed forcefully, Si Yuan had an indescribable feeling.

She had always treated Zhou Yiran as her brother, just like her brother.

But he, he actually...

And she seemed to... Quite like this feeling... ..

What was wrong with her...

“Silly girl, you don't even know to close your eyes.” Zhou Yiran saw that Si Yuan was almost suffocated by his kiss, so he smiled and let go of her.

With his hands in his pockets, Zhou Yiran's eyes stared at Si Yuan. Finally, he raised a meaningful arc:

“Silly Girl, you can't run away.”

You, I must marry you.

As for what senior Zhu Zehao.

One comes, one exterminates, one pair kills one pair.

His kite, can only be his!

“Yi, Brother Yiran, don't show that expression, I'm afraid...” Si Yuan looked at Zhou Yiran's expression that was so demonic that it seemed as if he had her in his hands. She shivered.

The next second, she was pulled into Zhou Yiran's arms.

“Don’t be scared.” There are things that will make you even more scared in the future. That thing will even make you pregnant. It will make you his woman forever. His little yuan.

It’s already...

I Can’t wait to make you my woman.

2731 Chapter 2730 first meeting of Si Ming, Cai Tang (Si Ming Cai Tang 1)

Another time and space.

After Yun Jian and Si Yi perished together with the mysterious man, Xue Ying, Ling Wei, Adam, and Mo Sen all died in that battle.

Three years after the great battle, in the beginning of 2019.

The only surviving Si Ming, Zhou Yi ran, and Yuan Purlin were drinking in the bar.

At that time, Yuan Lin was not called Yuan Lin.

Yuan Lin did not have a big name. His parents had always called him Ling Ling.

Later, in the battle in 2016, Xue Ying Si Luo died.

Yuan Lin then gave himself a name, Yuan Lin.

The three of them were drunk in the bar. When they left the bar, they suddenly saw a black shadow.

Originally, this was not a strange thing.

However, that black shadow was dressed exactly like the mysterious man!

After all, in 2019, the mysterious man and Yun Jian had perished together for three years!

The mysterious man was already dead, how could he still be alive!

Therefore, the three of them followed him.

Although they had lost the mysterious man, they discovered the space-time gate in the space-time forest.

Now, no matter how stupid they were, they could guess that the mysterious man was someone from the future world!

In other words, their parents could still be saved!

“Are you sure? If we go back and change history, if we don’t succeed, even the few of us will lose our lives, not to mention kite,”Yuan Lin said to Min.

This discovery might be able to reverse history, but they only had one chance.

If they failed, not only would they not be able to save the people they lost, they might even die!

“It’s been three years. Are You Guys Happy?”This was the only sentence that Si Ming said.

After that, the three of them fell silent.

“Zhou Yiran, I’ll leave Kite to you. Yuan purlin and I will go back. If we die, you must protect kite well. Otherwise, I will not let you off even if I become a ghost!”Si Ming said solemnly to Zhou Yiran.

This year, Si Ming, Zhou yiran, and Yuan Purlin were all in their twenties.

“I promise with my life!”Zhou Yiran said firmly.

After making up their minds, Si Ming and Yuan Lin walked into the space-time gate.

The two of them could not withstand the impact of the space-time gate, but fortunately, they still had the spiritual power of Yun Jian and professor Si Yi, so they did not die.

However, when they walked out of the space-time gate, Si Ming and Yuan Lin got separated.

Si Ming was smashed out of the space-time gate and fell from a thousand meters high into an unknown place on an unknown continent.

He could not withstand the strong impact and finally closed his eyes and fainted.

He did not know how long he had been unconscious.

It was as if a female singing voice could be heard next to his ears. Her voice was like the singing of an Oriole, giving him a refreshing and refined feeling. Her voice was very pleasant.

It was a sixteen or seventeen-year-old girl who was passing by.

The girl saw Si Ming lying in the stream and was so scared that she quickly walked over. She wanted to help Si Ming stand up:

“What’s wrong? Are You Okay?”

But Si Ming had already fainted.

The young girl gritted her teeth and finally went to call for help.

...

When Si Ming woke up, he happened to see the young girl trying to wipe the sweat off his body.

He struggled to get up, but he felt as if his entire body had been crushed by a tire. It was extremely painful.

“Don’t get up. Your entire body is full of wounds. It will crack. Quickly lie down!” The young girl quickly put down the towel that was used to wipe his entire body and helped him lie down.

When Si Ming saw this, his deep eyes glanced at the young girl.

He said, “You are?”

“My name is Cai Tang. I’m from this village. I saw you lying on the ground just now. I was afraid that something might happen to you, so I brought you back in a hurry. I’ve already asked an immortal cultivator who knows medical skills to look at your injuries. He said that you will recover in a few days. Lie down and don’t move. I’ll go change the water and wipe your body again. This way, you will recover faster!”

The young girl was very delicate, and her large eyes seemed to be able to speak. She looked at Si Ming, and after saying this, she stood up with the wooden basin in her hand, smiled at him, and then walked out with a slightly shy face.

2732 Chapter 2731 the shocking secret of the village (min Cai Tang 2)

Cai Tang was the kind of girl who looked like a child.

She was very young, only seventeen years old, but she had the face of a fifteen or sixteen-year-old girl.

Her dark eyes were like a talking parrot, giving people a lively and energetic feeling of a young girl.

After Cai Tang left the house with the wooden basin in her hand, Si Ming started to look around.

This was a very shabby old house, similar to the wooden house in ancient times. It seemed like it could collapse at any time.

The house was very simple. Other than a bed, a stool, and some daily necessities for girls, there was nothing else.

However, Si Ming smiled.

The moment he woke up, Si Ming knew that he had succeeded.

He had succeeded from 2019 to the thousands of continents where everything had yet to begin!

“Are you hungry? I made some porridge for you.” At this time, Cai Tang, who had just carried the wooden basin out, returned with another bowl of porridge. She looked at Si Ming and smiled sweetly.

“Yes.” Si Ming responded softly.

Cai Tang then brought the porridge to Si Ming.

“Oh right, do you have a name?” Cai Tang helped Si Ming up from the bed. She suddenly had an idea and asked.

Si Ming’s eyes darkened when he was asked.

“Well, if you don’t want to say it, then forget it...” Cai Tang saw that Si Ming had not replied to her for a long time, so she bit her tongue.

“Xingfeng.” Just when Cai Tang thought that he would not speak, Si Ming suddenly spoke.

“It’s a nice name.” Cai Tang smiled at Si Ming, stood up and walked out. “Then you eat the porridge first, I’ll go out for a while.”

...

After staying here for a month, Cai Tang had been taking care of him.

Si Ming’s health was almost better.

During this period of time, Si Ming finally understood that he was in a place called the desolate spirit continent among the thousands of continents.

The desolate spirit continent was the lowest grade continent in the thousands of continents, just like the imperial dragon continent that did not have the sorcerer Goddess.

It was a place where women were allowed to be defiled by people from other continents, but they did not dare to voice their anger.

Shi Ming did not forget his business. While he was recovering from his illness, he also asked Cai Tang to help him find the Yuan Purlin, but to no avail.

That was why he decided to leave.

“Are you leaving Tomorrow Morning?” After hearing the news that Si Ming was leaving, the village chief of Cai Tang’s village was very surprised.

“Yes, thank you for your help during this period of time. I will definitely come and thank you in the future.” Si Ming cupped his hands to Cai Tang and the villagers who had helped him before.

The village chief did not respond to Si Ming, but he gave Cai Tang a look.

The village chief and Cai Tang did not know that the look he gave Cai Tang had long fallen into Si Ming’s eyes.

...

At night.

Si Ming slept on the bed.

The paper on the window was suddenly pierced.

Si Ming’s eyes narrowed, but he lay on the bed and did not move.

After a while, a puff of smoke blew into the room.

The amount of smoke was enough to stun a powerful immortal cultivator!

Si Ming did not move. He pretended to be unconscious.

Ever since he was young, Si Ming had been fed various poisons and knockout drugs by Yun Zhi and Si Yi. He was now immune to all poisons.

After a long time, the sound of crying suddenly came from outside the house.

Si Ming turned his body slightly and quietly approached the door.

In the end, he just leaned against the door and listened to the sound coming from outside.

From the sound, it was the voice of the village chief.

And the person the village chief was scolding was none other than Cai Tang!

“Nonsense! In another month, you will be eighteen. If you are not married by then, you will definitely be captured and sent to the land of the wildfire!”

“Do you know what kind of place the land of the wildfire is? There are tens of thousands of prisoners in that place!”

“The young girls that are thrown in there are the tens of thousands of prisoners in the land of the wildfire who can touch them at any time! Do you think that you can withstand so many men in that kind of land of the wildfire where there are few women!”

“Not to mention tens of thousands, even hundreds of them will take your life!”

“That smoke still has the ingredients of an aphrodisiac. As long as you immediately go in and have sex with that man, you won’t be afraid that he won’t marry you.”

“Have sex with one person, or be touched by tens of thousands of men at any time and place. Do As you see fit!”

...

2733 Chapter 2732 Cai Tang cried out in surprise, “Why are you here (Si Ming Cai Tang 3) ?”

Although the village chief’s words were sharp, they also carried some weight.

The village chief also did not want Cai Tang to do such a thing.

Cai Tang was also just an ordinary village girl.

But in this matter, she originally did not have a choice.

She had just used a stern tone to ruthlessly criticize Cai Tang, and the village chief regretted it.

“Sigh!”The village chief sighed and looked at Cai Tang, who was crying like a baby, and pressed his forehead.

Their desolate spirit continent was the lowest continent among the thousands of continents. It was so low that the experts from other continents could slander it.

In this world where strength was respected, no matter male or female, as long as there was strength, anyone could be a king.

In this village on the desolate spirit continent, because it was weak, there was an unwritten rule from the beginning of the continent.

All the girls in this village, if they were eighteen years old and were still virgins, before they were married, would be caught in a place that held all kinds of prisoners in the continent — the land of the wildfire.

And it became the land of the wildfire, the plaything of tens of thousands of men.

To put it bluntly, it was similar to a military prostitute.

However, in this village, because there had never been a strong person who could protect the village, from the beginning of the continent, such an unfair and ridiculous rule had been forcefully established.

Cai Tang was about to turn 18. She had to find a man before she turned 18, get married, and lose her virginity.

Suddenly, the manager of the land of the wildfire would send an old woman to check if Cai Tang, who had turned 18, was still a virgin and had married.

Because of this system, the people of this village were not willing to give birth to daughters. Even if they did, some of them would use their connections to send their daughters far away.

The men of the village were too weak. In this world where the strong ruled, they were often killed because they could not defeat the enemy.

Therefore, in Cai Tang's village, there were almost no men as old as Cai Tang. Even if there were, they had already married a wife and children.

At first, it was a coincidence that Cai Tang saved Si Ming.

However, when Cai Tang turned 18, it was already less than a month.

If they still could not find her, Cai Tang would really be sent to the land of the barren flames.

The village chief had no choice but to come up with this plan.

"Village chief, I can't. I really can't. Please let him go. I will think of a way. When the time comes, I will definitely think of a way!"

Cai Tang, who was standing in front of the village chief, showed endless pain on her small face. She begged the village chief with a pale face.

“Ah, forget it. Cai Tang, don’t regret it!”The village chief sighed. He flicked his sleeve and turned around to leave.

...

Under the moonlight, through the paper window, Si Ming saw Cai Tang wipe her tears. She patted her pink little cheeks, grabbed the meat by her mouth, forced a smile, and then turned around to run away.

Si Ming stood in the house and looked around. A few seconds later, he left the wooden house and followed Cai Tang’s footsteps.

Cai Tang came to a small stream. She squatted down, and the smile that she had forced out just now disappeared.

The tears suddenly gushed out like water. She squatted down and cried loudly.

It was very quiet here, and there was no one around.

Shi Ming wanted to turn around and leave.

However, Cai Tang suddenly tripped on a stone and fell into the stream...

Shi Ming instinctively showed himself and reached out a hand to wrap around Cai Tang’s slim waist.

The sudden appearance of Shi Ming scared Cai Tang. She looked at Shi Ming in panic and cried out,

“Xingfeng, you, you, why are you here!”

2734 Chapter 2733. This was a betrothal gift, a magical beast (Shi Ming Cai Tang 4)

“I followed you here.”Shi Ming only looked down at Cai Tang and said.

He did not have so much time to talk about love with others.

He came here because he had an important mission.

A person like him might not have a future.

He would definitely leave this place.

After saying that, he let go of Cai Tang and turned around to leave.

“You... Do you know everything?” Cai Tang was not stupid. She asked when Si Ming took two steps back.

After asking that, Cai Tang smiled again and wiped her tears. She said solemnly to Si Ming, who was walking forward without looking back:

“Don’t worry. I Won’t let you get involved in this matter in our village. When you leave tomorrow, leave through the east gate of the village. Remember, don’t bid farewell, and don’t look for the village chief and the people in the village.

“Otherwise, they won’t let you leave!”

The people in Cai Tang’s village were basically very united.

Cai Tang was about to turn 18. Originally, the people in the village were still struggling to find a man to marry Cai Tang.

Now That Si Ming had delivered himself to their doorstep, the people in the village naturally wouldn’t let Si Ming leave so easily.

Even if the village chief didn’t care about this matter, the villagers would definitely not let Si Ming leave empty-handed like when he came.

If it was Cai Tang, she would let Si Ming go.

Si Ming, who was walking in front, stopped in his tracks. However, he did not say anything and continued walking forward.

...

The next morning, Si Ming’s house was empty.

Cai Tang knew that he must have left before dawn.

Although she was a little disappointed, it was understandable.

After tidying up the house that Si Ming had slept in, Cai Tang had just walked out of the main door when the house was surrounded by the villagers.

“Cai Tang, Tell Uncle, where did that Kid Go?”

“You saved this person. What’s wrong with marrying you to repay your kindness?”

“Come out quickly!”

...

A group of villagers surrounded the house. If Si Ming was still here, he would definitely be surrounded and could not get out no matter how hard he tried.

Cai Tang heaved a sigh of relief. Fortunately, he had already left.

“He has already left. I was the one who told him to leave. I know that the uncles and aunties are doing this for my own good. I am really touched. However, we can not force him like this. We have no right to ask anyone to repay us...”

Cai Tang bowed deeply to the people in front of her.

The uncles and Aunties who had gathered here because of Cai Tang all secretly wiped away their tears.

How could such an obedient child be born in their village! And he had to be forced to bear all of this!

“Cai Tang.” At this moment, the village chief appeared.

After the village chief appeared, he first let out a long sigh and then said to Cai Tang, “Zhang Liu from the neighboring village is a good man with great strength. Although you married him to be his seventeenth concubine, but...”

After the village chief said this, the villagers suddenly looked at the handsome man who came from behind the wooden house and cried out in surprise.

Si Ming!

This Kid didn't leave!

Just when everyone was surprised that Si Ming had returned, Cai Tang also watched in disbelief as Si Ming brought a living creature to the front of the crowd.

Si Ming suddenly threw the living creature in his hand — a small magical beast that was very valuable to the cultivation continent — in front of the crowd.

The villagers had never seen such a magical beast before.

One had to know that no one in the village had the ability to capture such a small magical beast!

The moment everyone looked at the small magical beast in surprise, Si Ming suddenly spoke in front of everyone present:

“This is your first time here and you are penniless. This is the betrothal gift. You can arrange the wedding at any time.”

2735 Chapter 2734 marriage between two people, husband and wife (Si Ming Cai Tang 5)

He, really came back!

Cai Tang was stunned. Her small face showed shock and disbelief.

“Didn’t you already leave...”Cai Tang looked at Si Ming with a hint of emotion in her surprise when the people around her were looking at the little magical beast in surprise.

“Who said that?”Si Ming raised his eyebrows and looked at Cai Tang.

After that, Si Ming kicked the little magical beast that was as obedient as a mouse in front of Si Ming and looked at Cai Tang:

“I just went to catch this beast.”

Si Ming’s words made Cai Tang’s heart pound.

“Hahaha! Young Man, you can actually defeat a magical beast!”The village chief walked to the side of the Little Magical Beast and looked at it. Then, he stared at Si Ming with a stunned expression.

As he laughed, the village chief lost his smile again. He suddenly wiped his tears and bowed to Si Ming:

“Young man, I apologize for what I did to you earlier!

“Cai Tang, this child has no parents since she was young. I brought her up single-handedly. Now, I will hand her over to you. I hope that you will treat her well. She is a good child. Please!”

Village chief’s actions caused Cai Tang to burst into tears instantly.

“I will.”Village chief’s words were exchanged for a single word of affirmation from Si Ming.

Since he intended to marry her, he naturally would not let her down.

...

Because Cai Tang’s birthday was about to arrive, the next night, the village hurriedly held a wedding for Cai Tang and Si Ming.

Although it was very simple, even to Si Ming, who had seen so many people in 2019, it was a crappy wedding party that he disdained. However, he felt exceptionally warm.

Yun Jian and Si Yi had perished together in the battle with the mysterious man in 2016. Over the past three years, Si Ming had suffered too much.

And today, in such a small village, he felt warmth once again.

This was also the reason why Si Ming was willing to marry Cai Tang.

...

The wedding was held very late, and the villagers in the village were very noisy. It was only at midnight that they stopped making noise in the wedding room and went home separately.

Si Ming walked into the wedding room.

Cai Tang was still sitting on the bed, but from the way she held the handkerchief tightly in her hand, it could be seen that Cai Tang was very scared and afraid of what would happen next.

In fact, Si Ming had never had a relationship between a man and a woman.

But in this aspect, men were born to be wild beasts.

When Si Ming walked to Cai Tang, Cai Tang sat to the side, feeling a little uncomfortable.

In the end, Cai Tang and Si Ming had only known each other for more than a month.

They were still considered strangers.

But now, she was going to marry a man who was still considered a stranger. She didn't even know where he came from. She was going to do the most intimate thing.

Cai Tang still had an indescribable sense of panic and fear in her heart.

When Si Ming reached out to pull Cai Tang's clothes, she grabbed her clothes tightly. Her small face was as red as if she had eaten chili. It was seductive. "Don't, can you not take off your clothes... I'm afraid..."

Cai Tang stammered out the last three words with a mosquito-like sound.

"Okay." Si Ming did not force her.

He took the initiative and reached out to pull Cai Tang's pants.

At first, Cai Tang held her pants tightly and refused to let Si Ming take them off.

This was out of instinct.

In the end, Cai Tang, who had her pants pulled off, hid her face under the blanket and did not dare to look at Si Ming.

For some reason, seeing Cai Tang's frightened look reminded Si Ming of Zhou Yiran.

That hateful and hateful man!

Thinking about it, Si Ming had already made his move..

2736 Chapter 2735 one-of-a-kind wife, one-of-a-kind (min Cai Tang 6)

The night was very lonely. The chirping of cicadas and the chirping of insects mixed together, adding some color to the moonlit night.

The wooden house was charming for a while.

At night, the stars were densely packed.

When the world was quiet in the wooden house, the two twinkling stars in the sky collided with each other, emitting a flickering light.

Cai Tang, who was in Si Ming's arms, had not yet reacted. She had actually married and become a real woman.

There was a long silence, so long that Cai Tang thought Si Ming had fallen asleep.

She felt that her body was sticky. Perhaps it was because the two of them had an indescribable relationship not long ago. Cai Tang moved her body. She was just about to quietly pull away Si Ming's hand from her slender waist and sneak out to take a shower.

However, she suddenly heard a male voice coming from above her head, "Sleep."

Cai Tang's breathing tightened. She thought he was asleep.

After secretly letting out a sigh of relief, Cai Tang gently turned around and fell asleep.

...

The next morning, Cai Tang had just gotten up when she saw Si Ming sitting at the end of the bed.

When she thought of what happened last night, her face blushed. Just as she was about to say something, she suddenly heard Si Ming, who was sitting at the end of the bed, say,

“You’re safe in the village now. Have a good life in the future.”

After saying that, he stood up.

“If I can come back safely one day, I’ll take you away.” Si Ming still had a look of indifference on his face.

He did have a good impression of Cai Tang.

But in the end, the two of them had only known each other for about a month.

But feelings could be cultivated.

But he could not take her away now.

He still had an important task to carry out.

He did not forget. He did not dare to forget the purpose of coming here for even a moment.

“You, you want to leave?” Cai Tang heard Si Ming’s words and stood up straight. Her beautiful eyes widened.

“You, if you want to leave, can you bring me along? I…” Cai Tang did not wait for Si Ming to speak and asked.

“No.” Si Ming frowned and rejected decisively.

“Why? I can help you wash your clothes. I can be very obedient. Can you not abandon me…” Cai Tang thought that Si Ming was planning to leave, so she blinked her eyes in fear.

“I will not abandon you. I will not let you down.

“But if you leave with me, you will die at any time. Perhaps you will live a fearful life every day. Perhaps you will never come back.

“That is why I can not take you away.”

Si Ming spoke to Cai Tang in a solemn tone.

He originally thought that Cai Tang would be afraid after hearing these words.

“I am not afraid!” Cai Tang’s large eyes flickered with a light called confidence. She was very calm as she blurted out these words.

After saying this, Cai Tang was afraid that Xing Feng would not believe her, so she continued to speak:

“I’m already married to you, so I’m yours. Indeed, I don’t know your past or your past, but I’m willing to understand you.

“I’m not afraid. I’m not afraid of death. Even if there’s any danger, I’ll accompany you through it.”

The young girl’s words were filled with an irresistible determination.

Si Ming’s heart suddenly trembled.

It had to be said that what Cai Tang said just now had moved Si Ming’s heart.

However, he still replied, “But I’m afraid.”

After saying that, Si Ming moved closer to Cai Tang. He lowered his head and looked at Cai Tang. After two seconds of silence, he suddenly said,

“I’m afraid that you will die because of me. I don’t want to see any more sacrifices. Do you understand? be good and wait for me to come back.

“I swear to you that I will definitely come back. You will be my wife for the rest of my life. You are unique!”

2737 Chapter 2736 reunion after a long separation, three-year-old child (Si Ming Cai Tang 7)

Cai Tang was not the kind of person who was difficult to deal with.

After she heard Si Ming’s words, she was silent for two seconds before she suddenly nodded heavily. “Yes!”

“Then I will wait for your return!” It was such a simple sentence, but this sentence had become a hindrance to Si Ming.

...

In the end, Si Ming left alone. However, in this small village, he had someone to worry about. After meeting Yuan Purlin, he cherished his life even more.

In this era, the continents of millions of continents were still in a dispute without an owner.

The God continent's ruling system had yet to begin.

Si Ming brought Yuan Lin and killed his way into the god continent, killing all kinds of experts and contending for hegemony.

Four years later, the first ruler of the God continent was born.

And this first ruler was none other than Si Ming.

If not for the help of Yuan Lin and the thought of Cai Tang in his heart, Si Ming would not have been able to hold on for so many times.

But in the end, he still managed to survive.

...

On this day four years later, Si Ming had a fixed power in the God continent and created the Divine Hall of the God continent.

Since ancient times, the God continent had been the place where thousands of immortal cultivators from thousands of continents looked up to and looked up to.

From this moment on, the God continent was the goal of thousands of immortal cultivators from thousands of continents.

However, later on, the God continent encountered a great calamity, and thus completely disappeared from the myriad continents.

Later on, the God continent became a mythical place among the myriad continents. No one knew if it truly existed.

It was just like how the Z Nation people felt that immortals were only mythical figures.

...

The village.

"Is this the place?" Yuan Lin stood behind Xingfeng and asked Si Ming.

“Yes.” Si Ming nodded and paused. He walked forward and left Yuan Lin with this sentence, “Let’s go.”

Yuan Lin was shocked when he heard that Si Ming had married a wife when he first came here.

However, Yuan Lin would never show his emotions on his face.

Yuan Lin did not wear a ghost mask in this era either.

Two handsome men walked in the village just like that, attracting the attention of many people in the village.

Si Ming had been away for four years and had become more mature, so most of the people in the village did not recognize him at first sight.

As soon as he arrived at the village, Si Ming walked into the small wooden house as usual.

Following Yuan Lin, he looked left and right for a while, but did not find any trace of anyone. Si Ming’s eyebrows slightly sank.

“Mother, mother, I have already memorized the 111th law of the desolate spirit continent. The residents must abide by the law, to learn spirit energy, they must...”

A child’s voice suddenly rang out at the door. The voice was clear and melodious, and there was a childlike tone in it that made people feel shocked.

When he heard the child’s voice for the first time, Si Ming, who was standing in the house, had a slight change in expression.

The Purlin also moved its eyes, and then followed Si Ming out of the house.

When Si Ming came out of the house, he was stunned when he saw Cai Tang, who had not seen him for four years and was still full of girlish feelings, bringing a three-year-old child into the courtyard.

Cai Tang brought a three-year-old child, who was reciting the laws of the mainland, into the house. She met Si Ming’s gaze and was stunned.

After four years, Cai Tang had become mature and more feminine.

The innocence of a young girl had disappeared. Although Cai Tang was dressed plainly, it could not hide her beautiful and seductive figure and delicate face.

What caught Si Ming's attention the most was the three-year-old child who raised his big eyes and stopped reciting. He glanced left and right and finally fixed his eyes on Si Ming.

The appearance of the three-year-old child who was held in Cai Tang's hand was actually similar to Si Ming...

"Mother, mother, there are two strange uncles standing in front of our house. Who are they?" The Little Boy held by Cai Tang's hand blinked his big eyes. He raised his head to look at Cai Tang and asked loudly.

Cai Tang, who was being questioned, had tears in her eyes.

She originally thought that once Si Ming left, he would not come back.

After Si Ming left, even the villagers thought that he would not come back.

Back then, when he married her, perhaps he was just doing her a favor and returning the favor of saving her life.

After Si Ming left, the village chief still went to persuade Cai Tang, saying that if she met a good man in the future, she should remarry.

But Cai Tang was unwilling.

Who knew that two months later, Cai Tang discovered that she was already pregnant.

She had been waiting for him, never having any other thoughts.

"Mother, mother! Mother!" Standing beside Cai Tang, who was not even as tall as Cai Tang's knees, the little hand was raised high, pulling the corner of Cai Tang's clothes. The child who was shaking the corner of Cai Tang's clothes attracted Cai Tang's attention.

Cai Tang, who had recovered from her memories, was stunned. She reached out and grabbed the child's hand. She watched as Si Ming and Yuan Lin walked over.

"You..." Cai Tang was just about to say something.

"Strange Uncle!" The three-year-old boy pulled Cai Tang's hand and took a step back. He looked at Si Ming and Yuan Lin with a hateful expression as they walked over.

"Is this your son?" Yuan Lin was silent for two seconds before he recovered from his shock. His rarely-seen shocked face revealed a different color.

However, Si Ming ignored Yuan Lin's shock and walked towards Cai Tang.

Cai Tang did not take a step back.

Instead, the three-year-old boy took two steps back while holding Cai Tang's hand. He looked at Si Ming with a menacing expression. "Strange uncle, you are not allowed to bully my mother!"

As soon as he said this, Si Ming imitated the way Si Yi had carried him in the air when he was young and lifted him up.

"I am your father." Si Ming held the three-year-old boy and spoke word by word.

After the child heard Si Ming's words, he suddenly burst into tears.

When Cai Tang saw this, she was so scared that she snatched the child from Si Ming's hands. She pursed her lips and gave Si Ming a gentle glance.

After all, they had not seen each other for four years, so they were still somewhat unfamiliar with each other.

Si Ming naturally felt Cai Tang's actions, and his eyes darkened.

"What's his name?" Seeing Cai Tang protecting the child like she was protecting a treasure in front of him, Si Ming's heart tightened.

"Cai Liang." Cai Tang carefully raised her head and looked at Si Ming, then bit her lips and said.

"Not good." After Cai Tang said that, Si Ming suddenly said.

As soon as he said that, Si Ming said again, "From now on, he will be called Si Zuo."

"Mm..." Cai Tang heard Si Ming's words and nodded. However, she did not walk to Si Ming.

"Wow, strange uncle not only bullied mother, but also changed Liang Liang's name. Wah Wah Wah Wah Wah Wah!" After the three-year-old child heard Si Ming's words, he once again burst into tears like a porcelain doll.

Yuan Lin stood at the side and grinned.

Why did this child's personality not resemble Si Ming's or his grandparents' Si Yi Yun Jian at all.

The child's bitter cries were exchanged for Si Ming's head exploding.

In the end, the child bit his lips, like a little girl who had been bullied, daring to be angry but not daring to speak up.

Ten minutes later, the child who changed his name to Si Zuo was having fun with Yuan Lin.

Si Ming took the opportunity to grab Cai Tang's hand and walked into the wooden house.

As soon as they entered Cai Tang's house, Si Ming hugged her.

Cai Tang then hugged Si Ming's neck.

This action greatly stimulated Si Ming. He pressed Cai Tang's Butt and lifted her up on the newly added desk in the house.

Like a bandit robbing a civilian girl, he quickly removed Cai Tang's pants..
