Chapter 2798 the reason for Love (for the sake of the farmer) - Read The Schoolgirl Secret Agent Chapter 2804 - 2804 Chapter 2798 the reason for Love (for the sake of the farmer)

Inside the villa, Downstairs.

Yun Jian was sitting on a bench that was neither too high nor too low. He picked up the rice dumplings that Qin Yirou had just brought out from the kitchen.

Just as he was about to peel the rice dumplings, si yi snatched the rice dumplings from Yun Jian's hand and used his clean and well-defined slender hands to peel the sticky rice dumplings. He pinched the rice dumplings and handed the meat rice dumplings to Yun Jian's mouth.

"The rice dumpling is too sticky." So he peeled the rice dumpling for her and took the rice dumpling. Si Yi didn't care about what the people around him thought. He passed the rice dumpling to Yun Jian's mouth and said.

"Clap Clap Clap!"

Just as Si Yi said this, the little guy who was sitting on the ground with the little girl suddenly took a bite of the rice dumpling Qin Yirou fed him and started clapping.

Just as the clapping stopped, the little guy shouted at Yun Jian and Si Yi, "Daddi is bad! He only feeds Mommy, not me!"

Although the little guy had learned how to talk normally, his words were still so tender. As he spoke, he took another bite of the rice dumplings on the spoon that Qin Yirou fed him. He took a big bite.

As he ate and looked at the dumplings in the pot, the little guy didn't feel greedy at all.

"Grandma's food smells better than Daddi's!" When the little girl heard the Little Guy's words, she kicked the little guy with her little foot and moved closer to Qin Yirou.

When she said this, Qin Yirou looked at the little girl's face, which was full of affection and love.

"My kite is still cute. Mother-in-law, give me a kiss and I will feed kite!" After Qin Yirou smacked the little girl's face, she stopped feeding the little guy.

The little guy grabbed Qin Yirou's hand. "Father-in-law's hand stinks. It doesn't smell as good as mother-in-law's hand. Mother-in-law, feed me."

The little guy was still young. He didn't notice that Si Yi had already glanced at him with the gaze of a dead man.

...

At that time, on the God continent.

In a tall hall stood an old man with a long beard and white beard.

The old man stood in front with his hands behind his back. He looked at the most talented young people of the God continent and said earnestly,

"Do you really want to give up the proposal of the eldest daughter of the Ning family, the leader of the ten great families, for a woman from thousands of continents?"

"You should know that if you climb up the branch of the eldest daughter of the Ning family, even if you don't need me in the future, you will definitely be one of the top talents in the God continent!"

"With your talent, one day, even the ten great families will not be able to do anything to you!"

The old man's words were indeed very attractive.

However, standing in front of the old man, this young man, Li Nong, who was born in an ordinary family but possessed extraordinary talent, firmly said to the old man,

"No, I can use my hands to slowly snatch her achievements in the future, but I only want her as a woman."

Thinking of Gu Nianzhi, the silly woman who had been tricked by him into bringing her to the God continent to play, Li Nong could not help but grin.

"Forget it, forget it. You can make your own decisions when you're young. Just don't regret it in the future!" The old man waved his hand and let out a long sigh.

"Thank you, master, for your help!" Linong bowed deeply to the old man.

He turned around and was about to leave.

The old man suddenly asked again, "That's strange. Why do all of my disciples like to pursue love? What's so good about that woman that you're willing to give up your future to Love Her?"

The old man had thought that he would hear such a passionate declaration of love from Linong, but he did not expect Linong to be silent for two seconds and give him an answer that only came after he had seriously thought about it:

“Her butt is big and soft. It’s comfortable to touch.”

The old man nodded when he heard what Linong said. He asked the disciples who pursued love like he did in the past:

“Since you’re so infatuated with the one you love, then...”

Wait, something seemed wrong!

The old man had just finished speaking when he stroked his long beard and white beard. He turned his gaze to linong. After two seconds of silence, he seemed to have suddenly realized what Linong had just said. He spoke to linong mechanically:

“Butt, Butt is big and soft... and it feels comfortable to touch... ? This... This is the reason why you are willing to give up your future to like that woman? Cough... Cough Cough Cough Cough!”

As an old man, he really couldn’t understand what the young man was thinking! After the old man coughed a few times crazily, he hurriedly waved his hand at linong. “Go, Go! Go find that big and soft butt that you like, and... and touch that comfortable woman!”

...

In the Yun Jian House.

They didn’t see Mo Sen and Luo Berry coming down from upstairs, so they didn’t find it strange and continued to chat.

After Leng Mei and Lan Su helped Qin Yirou wash the dishes, the whole house sat in front of the TV after dinner, watching the recently re-broadcasted calabash doll.

Qing Yan sat at the front.

Little Yun Zhu, Duan Li, Duan Ya, little girl, Little Guy, and the other kids sat behind Qing Yan obediently. They stared at the Calabash doll in the TV with their big eyes, enjoying it.

“Grandpa, Grandpa is going to be taken away! Aiya! Gourd Baby, hurry up and save Grandpa! Hurry Up!”

When he saw the most exciting part, Zhou Yiran was like a naughty child. He excitedly stood up from the foam mat and gestured with his hands two times to hit people. It was very comical.

“Chi Chi, so childish.” Little Yun Zhu had already passed the age of innocence and naivety. He was about to enter puberty. Whether it was his stature or his psychology, he had matured a lot.

A bunch of children were watching with relish. Whether it was Adam, Xue Ying, Ling Wei, or Yun Jian and Si Yi, they naturally would not snatch the remote control.

At this moment, the door opened.

A middle-aged man’s domineering figure appeared before everyone’s eyes.

The person who came was Li Nong.

Li Nong looked left and right before finally placing his gaze on Yun Jian. He asked, “Lord Sorcerer God, where is Gu Nian?”

“She’s in the garden of a small community nearby! She’s learning how to Dance!” Leng Mei replied on behalf of Yun Jian.

Moreover, when Leng Mei said this, she had a gloating tone.

Li Nong didn’t think much about it after hearing this and turned around to leave.

...

Yun Jian’s family lived in the Villa Forest of Longmen City. This place was divided into several small communities and usually belonged to the property management.

There was a large square near the garden of the residential area. People from the nearby residential areas would come here to take a walk or exercise after dinner.

It was a very suitable life.

Speaking of the square, there was naturally a square dance. Li Nong had just come over to take a look around when he saw a group of aunties standing in pairs not far

away. They were stretching their necks and stretching their arms, they were swaying left and right as they performed the latest popular square dance for two.

On the other side, Gu Nianzhi had just finished dancing with the group of Aunties. Because she had no partners, she lowered her head a little dispiritedly. She felt a different gaze. She looked up, and the moment she saw Linong.., she was instantly energized.

The next moment, she rushed up to Linong and grabbed his hand.

Linong was delighted when he saw this.

Could it be that she also liked him? ?

Just as he thought of this, he heard Gu Nian's next sentence:

"You came at the right time!"! Leng Meiqing's group of idiots didn't want to dance with me. What was there to be embarrassed about? Embarrassed my ass! Quick, quick, take their place and dance with me! I've been looking forward to this for a long time, and I haven't been able to find anyone... .. To..."

"Square dance for two?"Li Nong's brows furrowed slightly when he heard Gu Nianzhi's words, as if he was thinking about what a square dance was.

"Oh my God, you don't know how to dance, do you?"Gu Nianzhi covered her face with her hands and put on a shocked expression.

"Just like them?"Li Nong's face was dark, but he still pointed at the old lady who was dancing beside him and asked.

Gu Nianzhi tossed her head up and down like a rattle-drum.

"I can learn it in a second, but only if you agree to one condition."Li Nong threw out a very tempting bait.

Hearing this, Gu Nianzhi's eyes lit up. "Really? I'll agree to any condition! No one is dancing with me in a pas de deux, and everyone has been looking at me strangely these past few days. I've Had Enough!"

If Leng Mei had been here, he would have rolled his eyes at her.

Was she looking at her strangely because she didn't have a partner? ! She was clearly looking at her because she was a young girl, mingling with a group of aunties and dancing in a plaza!

Li Nong Laughed Evilly when he heard this. The next second, he moved closer to Gu Nianzhi's ear and said something that made Gu Nianzhi instantly hold her cheeks and blush.

"You, you, you, you... You Scoundrel!" Gu Nianzhi stuttered for a long time before she finally said this.

"Then I'm leaving." Li Nong turned to leave, but the moment he turned, he curved up slightly, as if waiting for the fish on the hook to take the bait.

Sure enough, Gu Nianzhi didn't even have to wait for Li Nong to count in her heart for three seconds. The moment she saw Li Nong turn around, Gu Nianzhi gave in:

"Okay, okay, okay! I promise! But we agreed... we can only... for a while..."

...

Yun Jian and Si Yi strolled alone to the park in the neighborhood. When they saw Gu Nianzhi and Linong, the two of them were half-hugging each other and dancing in a square pas de deux.

If that dance had been any more exaggerated, they would have been able to hug each other and fly into the sky.

A male pig and a female pig.

Yun Jian brought his mobile phone with him. In 2005, the new mobile phone had a camera function, but the pixels were not clear.

Yun Jian raised his mobile phone and faced Gu Nianzhi and Linong. He took a complete picture of the two of them.

...

Yun Jian had just returned home when Mosen and Lorraine had just come down from the rooftop.

Mo Sen's expression was normal, but Luo Lei's face was as red as red strawberry.

The next day.

Mo Sen followed what he said on the rooftop and requested Yun Jian to help him go to the Luo family to propose marriage to Luo Lei.

Luo family.

Old Master Luo looked at Mo Sen with a respectful smile. Because he knew Mo Sen's identity, Old Master Luo's expression towards Mo Sen was respectful.

However, Mo Sen only brought a few expensive things and did not mention the marriage proposal.

Luo Ji stood behind Old Master Luo, her hands clenched into fists, and her face was full of nervousness.

"This... to send the raspberry back?" Old Master Luo asked knowingly with a smile that came out of his mouth as he stared at Mo Sen.

It seemed that he was waiting for Mo Sen to speak first.

"Speak." Yun Jian curled his lips sinisterly. After hearing old master Luo's words, he walked past Mo Sen, leaving behind a faint sentence before walking out of the room.

Originally, he had invited Yun Jian to speak on his behalf. Seeing that Yun Jian had actually left, Mo Sen's expression froze.

After all, he had never done anything like proposing a marriage before. How should he say this?

The next second, Mo Sen did not hesitate. Just as Yun Jian was about to step out of the Luo family, he suddenly pointed at Luo Berry and spoke to Old Master Luo. He said what everyone in the Luo family was waiting to say:

"Sell her to me. You can name your price."

After saying this, Morson felt that what he said was strange.

But he only knew what marriage proposal was for, and he had never proposed marriage before. He hadn't even seen anyone propose marriage before, so naturally, he didn't know what to say or do.

Just as he walked to the door, cloud note, who was about to leave, suddenly stopped in his tracks.

How was this like a marriage proposal?

Strictly speaking, it was more like an open transaction of human trafficking!

It was like a real human trafficker!

When the people of the Luo family heard Mo Sen's words, they were all stunned. Then, they revealed an awkward expression.

"This... Our Luo family is a noble family, so we naturally wouldn't sell our daughter for Glory..."

What Old Master Luo wanted was naturally not Mo Sen's money.

The Luo family was one of the top wealthy families. Of course, they did not lack money.

However, Mo Sen's status in the world was something that could only be met by chance and not sought after.

If Old Master Luo wanted to climb up to this high branch, it was equivalent to having the strongest backing.

However, he still needed face. Therefore, when old master Luo said this, he even winked at Mo Sen, as if telling him to use normal methods to propose marriage.

How could mo sen propose in a normal way? After hearing old master Luo's words, he thought that old master Luo would not agree.

His face instantly darkened. Mo Sen looked at Old Master Luo, just when everyone in the Luo family thought that Mo Sen should know what old master Luo meant.

He suddenly walked up, jumped over old master Luo, grabbed Luo Berry's hand, and looked at Old Master Luo:

"So you're saying that you won't agree?"

Old Master Luo thought that Mo Sen had said something wrong on purpose, but seeing Mo Sen's expression, he instinctively understood that Mo Sen only wanted to buy Luo Lei and cut ties with the Luo family.

He even bought Luo Lei because he wanted her as a person and wasn't willing to give Luo Lei any status.

This world was very realistic. No matter how rich and powerful you were, as long as you couldn't bring yourself any benefits, you were nothing to him.

Old Master Luo's face instantly fell.

In the Luo family, Luo Lei was indeed just a tool to build a good relationship with Mo Sen.

"My Luo family is also a noble family with dignity. We definitely won't agree to let Luo Lei suffer!" Old Master Luo put on a very firm attitude.

In reality, Old Master Luo thought that Mo Sen wasn't willing to give Luo Lei any status, and even wanted Luo Lei to be his mistress.

Then the Luo family would not be able to climb up to him!

The things that old master Luo had forced Luo Lei to be by Mo Sen's side during this period of time were all in vain!

Especially after being with Mo Sen for so long, if Luo Lei was to be abandoned again, her reputation as a daughter would be ruined. She would not be able to marry into a good family in the future.

Seeing that Mo Sen was holding onto Luo Lei tightly, based on old master Luo's own experience, Mo Sen had to get Luo Lei now.

Old Master Luo mistakenly thought that Molson didn't want to give Lorraine a title, so in order for Molson to "Change his mind," he goaded Molson and said,

"I've Protected My Lorraine since she was young. I Won't be a child for anyone!"

After that, he paused and looked at Lorraine again, he continued, "Lorraine, do you still remember your brother Lin Junhao from the LIN Corporation who played with You When You Were Young? Your brother Lin Junhao is doing quite well now, and he's also handsome.

"Your brother Lin Jiahao even mentioned you two days ago. Go and meet him tomorrow. If you want to have a good impression of each other, grandfather will make the decision for you!"

As he said this, everyone around sucked in a breath of air. This was because the expression on Mo Sen's face had already gone from being friendly just now to being filled with murderous intent now.

If these people from the Luo family were not Luo Raspberry's relatives, they would probably have been killed by Mo Sen long ago. How could they still have such a temper to argue with them?

Just when Old Master Luo and everyone in the Luo family thought that Mo Sen would back down for Luo Lei, Mo Sen actually tightly gripped Luo Lei's hand, he said something that shocked everyone present:

"She can only be mine from the beginning to the end. Otherwise, I will fuck her every time I see her in the future. I want to see who will still want her like this!"

Yun Jian concluded that this was the first time she had heard such rude words from Mo Sen after learning about his personality.

The people of the Luo family fell silent after hearing Mo Sen's words.

Luo Ji was so embarrassed that she wished she could find a small hole to hide in and never see anyone again.

Both parties were in an extremely delicate and awkward atmosphere.

At this moment, Yun Jian turned around and stepped forward to resolve the awkwardness:

"These are the betrothal gifts that Mosen gave to Luo Lei, the daughter of the Luo family."

Glancing at the few expensive things that Mosen brought, Yun Jian simply said this.

This sentence finally calmed down the surrounding atmosphere.

Old Master Luo's eyes widened. The next second, as if to alleviate the awkwardness just now, he suddenly coughed dryly.

So it turned out that Mosen was here to propose marriage today! And because of his words, he thought that his Luo family members would not be willing to marry Luobai to him!

“Cough Cough Cough! This... that... as long as Luobai agrees, then I have no objections!”

Old Master Luo was extremely regretful of what he had said just now, but since he had already said it, he could only pretend that he had not said anything.

After grandfather Luo said this, he winked at Luo Lei.

It was as if he was warning Luo Lei that if she didn't agree to Mosen, she wouldn't be able to stay in this house!

Luo Lei lowered her head very low because of what Mosen had said just now, as if she was shy.

It was obvious that Luo Lei would definitely be willing to do this.

...

Star City Junior High School.

Star City Junior High School was a middle school in Baoding city.

Baoding city was very close to Longmen City. If Xinjiang town was under Longmen City's jurisdiction, then Longmen city was under Baoding City's jurisdiction.

Moreover, Star City junior high school in Baoding City was a well-known top middle school in the entire Zhejiang province.

Countless parents were trying their best to send their children to a middle school.

Class 2(9).

Yun Zhu was sitting in his seat. He was almost 15 years old, but he was already handsome and well-defined.

At 14 years old, he was already 1.78 meters tall. His childish face had faded away, and at this moment, compared to when he was young, he was even less talkative.

This was probably the normal psychology of adolescent males.

“Yun Zhu, Haha! Yun Zhu, your wife was slapped by someone. She's standing at the door of Class 1.”

At this moment, two boys of the same age as Yun Zhu crossed their shoulders and rushed into the classroom. They were laughing mischievously, as if they were watching a show. They felt that the situation was not big enough.

“What wife? I’ve already said it. Duan Li from class one is only staying at Yun Zhu’s house. She was adopted by Yun Zhu’s mother since she was young!” A girl who was applying lipstick in front of the mirror heard the words of the two boys who were grinning at the door, halfway through applying lipstick, she immediately stood up to refute.

The girl’s name was Yan Tonger, and she was Yun Zhu’s number one admirer.

“Oh, is that so? Look at Yun Zhu already running to support his daughter-in-law. Hahaha, quick, let’s go and have a look!” One of the two boys laughed as he placed his hand on the other’s shoulder, he ran out with Yun Zhu.

“Yun Zhu, you... HMPH!” When Yan Tonger saw this, he stomped his feet and followed.

In less than half a minute, Yun Zhu ran from class nine to class one’s classroom.

Duan Li was standing at the door of the classroom. In front of Duan Li stood a female teacher who was scolding Duan Li.

It was obvious that the palm print on Duan Li’s face was the work of this female teacher.

Seeing this, Yan Tonger crossed his arms and snorted coldly, he said to the two boys who had come to watch the show, “Humph, Duan Li from class one is not Yun Zhu’s daughter-in-law. In the future, I will be! Moreover, Yun Zhu will not go against the teacher because of her so-called younger sister...”

With so many people watching, Yun Zhu would at most express her brother’s concern for her younger sister to Duan Li. There was nothing special about it!

However, the moment Yan Tonger finished speaking, the two boys cried out in surprise. When Yan Tonger looked over, he saw Yun Zhu rushing in front of the female teacher in front of everyone.

In the next second, he punched the female teacher to the ground and hit her face with ten times the force. As a quiet teenager, he said coldly to the female teacher in front of everyone,

“Old Woman, don’t let me see you F * cking bully her, or I’ll hit you every time I see you!”

Yun Zhu's punch landed heavily on the female teacher's face. In just a short instant, the female teacher's face was smashed askew!

The surrounding female students screamed.

The male students stood in groups and held each other's shoulders. They were afraid that the situation would not be big enough, so they all moved closer and cheered.

After the female teacher was beaten to the ground, in a short thirty seconds, a male teacher rushed out of the office after hearing the news. He ran over and tried to stop Yun Zhu, who was about to punch the female teacher again.

However, Yun Zhu had learned her skills from Yun Jian and Si Yi. Although she was only taught during the winter and summer holidays, she was not severely reprimanded like Zhou Yiran and the Little Fellow, Si Ming. She had only learned a few simple moves.

Even though they had learned a few moves, these mature male teachers were no match for Yun Zhu.

After breaking free from the male teachers' restraints, the male teachers were thrown away by Yun Zhu within three seconds. They fell to the ground and could not stand up for a moment.

At that moment, Yun Zhu shifted her gaze back to the female teacher.

Everyone's hearts tightened at that moment.

Just as Yun Zhu was about to step forward and continue to deal with the female teacher who had bullied Duan Li, no one could stop her.

"Stop fighting!" Duan Li suddenly rushed forward and pulled Yun Zhu back.

Yun Zhu's feet paused, and she really did not step forward.

"Cough cough! What does this male student of our school usually eat? He's so strong!" After the male teachers got up from the ground, they were afraid that Yun Zhu would attack again, so they immediately pulled Yun Zhu back.

The female teacher who had been beaten to the ground only recovered at this moment. She tugged at the corner of her mouth and stared at Yun Zhu with her eyes wide open in disbelief. The next second, she screamed loudly:

"You actually dare to hit a teacher! Which class are you from? ! Punishment! You must be severely punished!"

...

Star City Junior High School was a junior high school that the parents of several nearby cities were trying their best to send their students in. The quality of their studies was very good.

Therefore, most of the teachers in the school, regardless of whether it was the parents or the students, all assumed a high and mighty stance.

Yun Zhu took root on his own and did not want to add trouble to the cloud paper. He did not resist the severe punishment given by the school and the suspension of classes for a week. He accepted all of it.

The suspension of classes for a week was more exciting than a pie falling from the sky for students who did not want to study or had already given up studying.

However, for the students in Star City junior high school, not to mention a one-week suspension, even if they missed a day of classes, it would be difficult for them to keep up with the progress.

“Yun Zhu, go and apologize to teacher Zhao from class one! This is clearly not your fault. It was because of Duan Li from class one that you accidentally attacked him! This punishment will follow you for the rest of your life! It will destroy you!”!

“Come with me to the office to clarify things. My dad knows the principal. Can you get rid of the punishment?”

Child Yan stood at Yun Zhu, who was about to pack her bag and leave the school to accept a one-week suspension for punishment. He was burning with anxiety.

“Get out of the way!” Yun Zhu packed her bag and pushed child Yan away. She placed her bag on her shoulder and strode out of the classroom.

“Come on, she only has her own daughter-in-law in her heart. Yan Tong, get lost! hahaha!” Seeing this, the two male students in the class jeered again.

Yan Tong was so angry that he couldn't control himself.

...

It was time for class.

Duan Li had just walked out of the teacher's office after being reprimanded. She had just turned a corner when she saw Yun Zhu.

When they were young, Yun Zhu, Duan Li, and Duan ya enjoyed themselves very much. However, when they grew up and reached puberty, their temperaments changed.

Yun Zhu was also not as lively as before as she called Duan Li “Little Chestnut.”

In fact, Duan Li, who was very lively with Yun Zhu in the past, seemed to have realized the difference between men and women and had been hiding from Yun Zhu recently.

Even Yun Zhu didn't know whether she had done something wrong or why she was hiding from her as if she was avoiding the plague.

“You...”Duan Li suddenly saw Yun Zhu standing there with her schoolbag on her back. She was shocked, but she quickly lowered her head.

“I'm Sorry!”Duan Li said to Yun Zhu.

She was the one who caused Yun Zhu to hit her teacher and was punished. She was even suspended from school for a week.

Her apology did not receive any response from Yun Zhu.

In Duan Li's heart, she treated Yun Zhu as her brother.

It had always been the case. The two of them were both friends and family. Other than that, there was nothing else.

Just as she felt that she had her brother to protect her, her heart warmed up.

Yun Zhu, who was opposite her, suddenly threw the school bag that was slung over her shoulder on the ground. She walked forward in two or three steps and grabbed Duan Li's head without any warning. She bent down and used the strength that seemed to want to swallow her whole... She kissed her fiercely...

After a heavy kiss for ten minutes, yun Zhu let go of Duan Li's hand that was holding her head. She turned around, bent down her slender body, picked up the strap of her school bag from the ground, and left without looking back.

She didn't even say a word to Duan Li.

“Yun Zhu...”Duan li stared blankly at the slender figure of Yun Zhu who had left. She didn't move at all.

From the moment Yun Zhu suddenly kissed her forcefully to the moment she left, she didn't know why Yun Zhu did this.

...

She stood there in a daze for five minutes until the school bell rang. Only then did she come back to her senses.

“Little chestnut, what are you doing standing here alone?”Duan Li didn't come back to her senses until a girl walked out of class one and was about to go to the ladies'restroom by the stairs. She patted Duan Li's shoulder.

“No... I just came out of the office,”Duan Li responded after she came back to her senses.

The girl who patted her shoulder was a friend of Duan Li's in class. Her name was Bai Shanshan.

Bai Shanshan and Duan Li's relationship belonged to the type of friends who could not find each other's soulmates. In order to not look like people who did not have friends, they got together.

“You've been criticized by the Tyrannosaurus a lot in the office, right? Actually, many people in our class are already unhappy with the Tyrannosaurus. If you're scolded a little, just scold a little. Let Her be angry!”

“By the way, that brother of yours is too handsome! He actually gave the Tyrannosaurus a fierce punch in front of so many people. I heard that even the Tyrannosaurus is now badly bruised! Haha, it's so satisfying!”

Bai Shanshan put her arm around Duan Li's shoulder and smiled brightly.

The t-rex that Bai Shanshan was talking about was the female teacher that Yun Zhu had just beaten.

“Okay.”Duan Li was still thinking about Yun Zhu's inexplicable kiss just now. She responded to Bai Shanshan and turned around to walk to the classroom.

“Hey, Duan Li! Duan Li, wait for me!”Bai Shanshan also quickly chased after her.

...

Because Yun Zhu was severely punished, she was suspended from class for a week. Duan Li was absent-minded the entire afternoon.

In the afternoon, during the physical education class, Duan Li's mind was filled with Yun Zhu's kiss. When she was running, she tripped over her own foot and hurt her knee.

She even bled.

Bai Shanshan took the initiative to help Duan Li to the infirmary and applied medicine on Duan Li.

When she was applying the medicine, Bai Shanshan could not help but blame Duan Li. "You look absent-minded after coming back from the teacher's office. What on Earth are you thinking about?"

Duan Li suddenly raised her head and looked around. When she saw that there was no one around, she asked Bai Shanshan, "What if?"

"Shanshan, if, I mean if, one day, a very close relative of yours, a relative like a brother, suddenly kissed you and then left without saying anything. What does that mean?"

Bai Shanshan blinked after hearing Duan Li's words. The next second, she patted her little knee and said to Duan Li, "Of course! I like you!"

Outside the infirmary, a slender figure was leaning against the wall and listening to the conversation between Duan Li and Bai Shanshan.

It was Yun Zhu.

After he left the school, he had been standing in the distance and peeping at Duan Li's class with binoculars. He saw Duan Li fall and was supported into the infirmary. Because he was worried about Duan Li's injury, he climbed over the wall outside the school and came in.

After listening to the conversation between Duan Li and Bai Shanshan, Yun Zhu's long eyelashes flickered and his eyes suddenly changed.

However, the next second, Duan Li's voice suddenly sounded from the infirmary:

"AH? But... but I don't like him. What should I do?"

Adam's voice came from the bottom of the rooftop, about three flights of stairs away.

But it was so loud that even Morson didn't want to hear it.

Glancing at the door that connected the rooftop to the bottom, Morson let go of the hand that was covering the raspberry's mouth.

His body also detached.

...

Using the length of his legs, Adam used the speed of three steps to run to the rooftop.

As he shouted, he angrily blamed Mosen in his heart for not coming out to help him!

Originally, Adam came to the rooftop to look for Mosen with the intention of joking with Mosen.

After all, when he encountered Xue Ying and Ling Wei bullying him in the past, although Morson did not say anything and did not make a move, every time he came to scold him, Morson would not have any reaction.

Who knew that this time, when Adam had just finished walking up the stairs and walked to the rooftop, he saw a scene that Adam would never forget in his life —

He saw Morson standing not far away. His clothes were decent, but Morson was staring at him with an ashen expression that he had never seen before.

Adam instantly had a bad feeling.

However, just as this bad feeling passed, Morson had already walked over.

Then, Morson raised his foot and gave him a heavy kick at a speed that Adam could clearly see and was caught off guard.

"F * ck!" Adam pulled at his throat and was kicked down the stairs by Morson. After rolling two rounds in the corridor, he somersaulted backwards and stood firm.

"Morson, you, you, you..." Adam looked at Morson in disbelief. After a long while, he randomly made up a word to describe Morson. "You are betraying me!"

Adam thought that Morson was also joking with him.

However, when he took a closer look, he saw that Morson, who was standing on the rooftop behind the door, did not allow him to go up. The indifferent expression on his face was something that Adam had never seen on Morson's face in his entire life.

After taking a deep breath, Adam turned around and walked downstairs. But for the sake of his face, he did not forget to make a few gestures at Morson:

"Alright, I'll let you off with this kick. From now on, I, Adam, will be your brother Morson! Remember That!"

After saying that, afraid that Morson would rush down to beat him up again, Adam ran downstairs as if he was running away.

"The weather has changed, the weather has changed. That Good Kid Morson actually kicked me!" After going downstairs, Adam began to ridicule loudly.

"Just what you said about Ling Wei and Morson. If it were me, I would have castrated you!" Xue Ying held a dagger that came out of nowhere in his hand. He grinned at Adam and gestured twice.

Adam squeezed his legs and walked away dejectedly.

...

On the rooftop.

Seeing Adam running downstairs in fright, Morson closed the door from the rooftop to downstairs and even locked it.

Then, Morson walked to another corner on the rooftop that Adam couldn't see at all.

Lorraine was still sitting there hugging her knees.

"Sorry, I lost control just now," Morson stood in front of Lorraine and suddenly said.

After that, Morson said, "I will marry you. I will go to your house to propose tomorrow."

These two sentences sounded quite sincere.

Moreover, Lorraine actually had Mosen in her heart.

She buried her head between her knees and slowly raised her head.

The moment Lorraine raised her head, she saw that it was indeed Mosen...

Mosen could not help but think about the sweet body of the young girl just now. He saw that Lorraine seemed to be frightened by his appearance. In addition, she had done everything that she should not have done just now.

Therefore, he very directly and decisively said to Lorraine, "I locked the door. Can you continue to do it with me?"
