

# 《Sweet Daily Life With Rich Fool Husband》

---

## Chapter 14

Su wanwan coaxes Jiang Chengzhan into not doing it. They go to bed early.

Maybe it's because of the change of place. Jiang Chengzhan couldn't sleep at first. He rolled over and over on the bed. Su slapped him in the face and told him to be honest. Then he closed his eyes quietly and breathed evenly.

On the high beam, Su wanwan scattered his head. The man was sleeping soundly and handsome. When he was so quiet, he didn't have the foolishness of the day and the natural domineering of the superior. He looked very peaceful and down-to-earth.

Sue got up late and gave him a kiss on the forehead. She pulled his arm and put it on his arm. She went to sleep with a smile at the corner of her mouth.

The next morning, Su was awakened by Jiang Chengzhan, "wife, wife, where are we going today?"

Su wanwan is not in a daze. "I haven't got enough sleep. Zhan Bao will play by himself for a while."

"No, no, zhanbao doesn't want to play by himself." Jiang Chengzhan takes her arm and pushes her up. The girl's skin is greasy. He feels funny when he touches her. His big hand doesn't want to leave. He keeps swimming on her. "Wife, your skin is good. Zhanbao can't touch it enough."

Sue got up late and was upset by him. She held his hand and didn't let him move.

Although his intelligence quotient is only four or five years old, he is an adult man in the end. Su wanwan can hold the strong one. After a while, the man's hand touches the wrong place.

"Well," Su wanwan trembled all over, suddenly got up and pulled a piece of clothes on, not to let Jiang Chengzhan touch, "little villain, go to wash quickly."

Jiang Chengzhan refused to let her go. Seeing her run away, he grabbed her back and

rubbed her in his arms. "No, my wife's body is so soft. Zhan Bao wants to hold her for a day."

Su wanwan couldn't help laughing, reached out and pinched his face, "pester me again, believe it or not, I'll beat you!"

Jiang Chengzhan especially exaggerated shout: "wife beat, wife beat!"

Two people make a morning, finally wash good, go downstairs to eat when almost 10 o'clock.

The vegetable mother saw that the food was cold and hot again. When she saw the two people coming down from the upstairs hand in hand, the young master was smiling all the time, and she was very pleased.

The young master really met a good man. What was his life in the Jiang family before?

There's no dignity in being beaten.

The week before he was diagnosed as stupid, the Jiang family told him that they had gone too far in the past. At first they just insulted him, and then they began to fight and kick him.

First Xu Hongmei and Jiang Yushen, and finally even the housekeeper didn't take him seriously.

After all, the old man was too old to take care of him for a while. Finally, he found out that he could only turn a blind eye to Xu Hongmei, who was afraid that when he couldn't see him, they would step up their efforts.

Fortunately, the old man was not so confused that he decided to marry his wife back.

Of course, the wedding is related to the face of the Jiang family, Xu Hongmei, they just don't want to do it well, they have to do it well, otherwise they don't know what the wedding will look like.

Vegetable mother watched Su wanwan peel the eggs for Jiang Chengzhan and send them to him. The corners of her eyes were moist.

She doesn't know that Su wanwan is not su wanwan, otherwise Jiang Chengzhan's consequences will be worse than before.

"Zhan Bao doesn't want egg yolk. It's terrible." Jiang Chengzhan only eats the green, and throws the remaining egg yolk into Su wanwan's bowl.

Su wanwan made the appearance of being bullied and crying and said, "wanwan doesn't like to eat egg yolk either. Wuwu, zhanbao bullies me."

As soon as Jiang Chengzhan saw her cry, he was immediately worried, "don't cry, don't cry, Zhan Bao will eat egg yolk, Zhan Bao will eat it."

He grabbed it with his hand and put it into his mouth. "Look, Zhan Bao, cough..."

Jiang Chengzhan turned his eyes and coughed several times, coughing

"What's the matter?" Su wanwan quickly took the cup and said, "Why are you eating so fast? Are you choking?"

"Drink water quickly."

It can be seen that Su wanwan is really worried. The vegetable mother can't help laughing. Sure enough, she soon sees Jiang Chengzhan sitting up and sticking out his tongue to Su wanwan.

There's nothing in your mouth.

"Oh, my wife was cheated, my wife was cheated!"

"You dare to cheat me," Su wanwan was surprised and happy, and reached out to hit him. "Little villain, you've grown up and dare to cheat me!"

"Dare not, dare not," Jiang Chengzhan raised his hand to surrender, "wife lighter, wife lighter!"

Su wanwan can't really work hard. She looks very hard. The strength on him is gentle, just like treating her own children. Although she doesn't have children, she doesn't know how to take care of them, but at this moment, it's true that she likes Jiang Chengzhan.

On the first day of moving out, Su wanwan decided to take Jiang Chengzhan to the mall. Now she doesn't think about anything, she just wants to go shopping happily.

"Don't give me a discount. Who do you look down on?"

"I have plenty of money!"

She used to be a poor woman who couldn't even afford to eat. One day, she could linger in the high-end shopping malls, with hundreds of thousands of people at random.

She became a big sister with lofty spirit!

Su wanwan found out the couple's clothes she bought in a treasure that day. The women's clothes are denim skirts with white half sleeves, and the men's clothes are denim suspenders with white undershirts. First, let Jiang Chengzhan change them. "Zhanbao, go put on this dress."

Jiang Chengzhan didn't want to go. He grabbed his blue half sleeve and said, "isn't this pretty?"

Su wanwan took her clothes and made a gesture in front of her: "Zhan Bao, don't you want to wear the same as me?"

Jiang Chengzhan is curious about the baby's problems. "But why should I wear the same as you?"

Su wanwan coaxed: "then others can see that I'm your wife?"

"Really?" Jiang Chengzhan was happy, "then I'll change it now."

Soon Su changed his clothes, and Jiang Chengzhan put on his pants. He couldn't reach the button on the back of the jeans' suspenders. "Wife, I can't get it."

Su wanwan asked him to squat down, quickly buttoned him, patted him on the shoulder, "OK."

Cai Ma stays at home, and Su goes out with Jiang Chengzhan.

"Shall we buy some furniture first?" Su wanwan holds a finger of Jiang Chengzhan. Jiang Chengzhan's eyes have been aiming at the colorful shops on the roadside.

He would rather buy shoes and toys.

Recently, transformers has produced a large number of interesting ones, but he doesn't know where to buy them.

"Wife, I want transformers."

Su wanwan said casually, "OK, but I have to buy furniture first."

The original owner of the furniture at home bought quite a complete set before, but she wanted to buy a sofa to put on the balcony. At night, she could sit on it to watch the stars or drink tea.

Think about sitting there with Jiang Chengzhan, the night breeze is warm, the sky is like blue silk, stars are shining, She nestles in his arms, two people are full of love, how romantic!

"Wife, I want to buy a big transformer and put it on the balcony, OK?"

Su wanwan

Hearing Jiang Chengzhan's words, she had nothing to say.

Ferocious looking at him: "no, I want to put the sofa in the balcony."

Jiang Chengzhan pursed his mouth and did not speak. After a long time, he whispered: "my wife is so fierce!"

Su wanwan drew him closer and asked him to lower his head. He whispered in his ear, "Zhan Bao, let's buy a sofa and put it on the balcony. Then we can kiss there."

"Kiss?" Jiang Chengzhan thought of Su wanwan's soft and sweet lips. He couldn't help nodding and said, "OK, OK, zhanbao likes it, zhanbao likes it."

Stupid!

Su Wan delayed his forehead and led him to the furniture section.

The shopping guide noticed them very quickly. It's a perfect match for the talented and beautiful. Of course, he should learn to ignore the man's independent problem and say hello warmly: "Mr. and Mrs. what kind of furniture do you want to buy?"

Su wanwan wants to give her a good idea, so that the salesman can find the right one for her faster. Who knows she hasn't said it yet, Jiang Chengzhan shouts: "you should be able to kiss."

Salesman is a young girl, smell speech surprised stare big eyes, this gentleman good direct Oh!

People are handsome and full of hormones. Even when they go shopping, they are enthusiastic.

She looked at Su wanwan enviously, thinking that this lady is really blessed.

Su wanwan's blushing cheeks are red. She wants to find a way to get in. She looks down on Jiang Chengzhan's intelligence, so she speaks up here.

She stretched out her hand and pinched Jiang Chengzhan's fingers, and whispered: "don't say such words."

Jiang Chengzhan was not satisfied and said, "but what you said is to buy a sofa that you can kiss."

Su wanwan

She raised her hand and scratched her head, covered her face with her arm, and ground her teeth with Jiang Chengzhan. She really wanted to sew his mouth, "did I speak so loudly?"

"Oh," Jiang Chengzhan understood and thought about it. He specially lowered his voice and said to the salesman, "I want to, I can, I can kiss you."

Su wanwan

What if she wants to jump off the stairs?

The salesman covered her mouth with a smile, quickly recovered her professionalism as a salesman, withdrew her smile, and said kindly, "this lady, your husband really loves you."

"Coincidentally, there are such sofas here. Let me show you."

Su wanwan really wants to take Jiang Chengzhan away, but it's hard to guarantee that he won't say anything too much when he goes to other stores. By then, the whole mall will have lost people. It's better to have only one.

She cleared her throat, withdrew her embarrassment, and nodded, "show me."

The salesman quickly took them to a sofa and said, "look at this one. It's an arc-shaped sofa. It's completely humanoid. It's very comfortable to lie on, and it's spacious enough. It can be one person or two people..."

The salesman said that they bit their tongues when they were together. Su wanwan thought that she had some special meaning.

But it's really beautiful. You can buy two single ones and put them on the balcony with a small table in the middle. She and Jiang Chengzhan lie on the top and look at the starry sky outside. They feel happy when they think about it.

Then he clapped the board: "that's it."

"Yes, madam. Please leave an address and we'll arrange delivery."

Su wanwan goes through the formalities and takes Jiang Chengzhan to continue to transfer.

Walking, walking, Jiang Chengzhan stopped, Su wanwan looked at his face not quite right: "what's the matter?"

Jiang Chengzhan rubbed his legs: "I want to hush."

As soon as he looked up, he saw the bathroom. Su wanwan pulled him to the men's room and said, "go ahead, I'll wait for you."

Jiang Chengzhan quickly went into the toilet, and quickly came out, crying and looking at her: "wife, I won't take off my pants."

Su wanwan: I love you!

There will be careers later. Don't worry.

She was also on the run in junior high school, in fact, did not study for a few days.

Only a person with rich experience like her can take Zhan Bao with him until he sobers up and returns to the peak.
