

《Sweet Daily Life With Rich Fool Husband》

Chapter 30

Jiang Yushen has been following Su wanwan and Jiang Chengzhan recently to see what they are doing.

He doesn't believe Su can be honest all the time. There must be something fishy waiting for him.

Today, I heard that Su had taken Jiang Chengzhan out of the house. I had a hunch that something must have happened, so he came here.

Sure enough, he guessed it right.

Su wanwan even contacted the youngest son of the Zhou family. Isn't she trying to do something?

Jiang Chengzhan is a fool now. He is not afraid at all, but Su wanwan came to Jiang's home so suddenly, he really can't feel his head.

Later, after leaving Jiang's house, he always thought that Su's evening party had something to do. As a result, he invited a tutor and went out to spend money, which was childish and outrageous.

Now I see her coming to meet Zhou Tao, and my thoughts are gradually implemented. As expected, I can't stay any longer.

Of course, Jiang Yushen has two guesses in his mind. One is that Su wanwan asks for help, and the other is that Su wanwan can't keep it. After all, no one can keep it with a fool.

The youngest son of the Zhou family is handsome, glib and can please girls. Which woman doesn't love him?

At first, she suspected that she would collude with her ex boyfriend. Now, it seems that she may have set her eyes on others. Isn't Zhou Tao also her classmate?

Zhou Tao is still teasing Jiang Chengzhan. As soon as he looks up, he sees a man standing next to him. He looks a little familiar. He quickly reacts that this is not the person Su wanwan asked him to follow?

Jiang Chengzhan also noticed Jiang Yushen at the meeting. Remembering that he had beaten himself a few days ago, he immediately shrank back.

Jiang Yushen looked at him and hissed. He sat down to the place where Su had just sat, and first explained his intention. "Passing by, I happened to see..." he pointed Jiang Chengzhan with his chin, "my nephew, his brain is not good, I come in to have a look."

Zhou Tao looked at him for a few seconds. He usually reacted quickly. He would look at his eyes, nose and heart and say, "you are Mr. Jiang's uncle. I'm his wife's classmate. I'll call you uncle, too."

Jiang Yushen nodded: "Mr. Zhou is at will."

He looked at Jiang Chengzhan curiously, "what are you talking about?"

Jiang Chengzhan just hid behind, and said, "nothing, nothing, nothing."

Zhou Tao didn't care. He said, "I'm joking with President Jiang."

Jiang Yushen said strangely, "what's the joke?"

Zhou Tao: "I said that Mr. Jiang's wife was not good to him, but Mr. Jiang didn't say that he was good to him. Uncle, who do you think is right between Mr. Jiang and me?"

Without waiting for Jiang Yushen to take over, he said, "you see, his wife won't even give him a green hat. How can it be better?"

Jiang Yushen

He couldn't help but sneer. He looks at Jiang Chengzhan and laughs sarcastically. "Chengzhan, what Duke Zhou said isn't true?"

Jiang Chengzhan argued: "he's bullshit. I'm sure he'll send it later. It's just that he hasn't arrived yet."

Zhou Tao said with disdain: "President Jiang must be deceiving himself. You are stupid. Your wife just fooled you."

Jiang Yushen also echoed: "that is, I don't think wanwan is in the same mind with you,

otherwise let her prove it."

When Su came back late at night, there was one more person at the table. Her eyes were sharp and she looked at Jiang Yushen, "Oh, isn't this scum that even nephew doesn't let go? How can you come here?"

She went to pull Jiang Chengzhan: "zhanbao, let's go."

Jiang Yushen got up and glared at her and said, "why, guilty?"

Su wanwan said, "what am I guilty of?"

I knew that Jiang Yushen would not let them go. Unexpectedly, he followed them to the hotel. Su wanwan looked at him with disgusting eyes.

Think of a few days ago, he ran to the cottage to fight Jiang Chengzhan, hate teeth, don't let her seize the opportunity, otherwise he must regret to come to this world.

At the same time, she took out the jade from her bag to show him, reminding him to pay attention to what she told him, otherwise she would break the jade.

"What does Cheng Zhan want? You don't know. Are you still pretending?" Jiang Yushen asked.

Su wanwan looks at Jiang Chengzhan with doubts, "Zhan Bao, what do you want?"

She doesn't remember when she didn't meet Jiang Chengzhan's requirements. She has done very well.

Jiang Chengzhan said: "wife, they say you don't want to give me a green hat, but they are not good to me."

Su wanwan

This is a fool.

This will be a lot of people's eyes are cast over, Su late feel hot face, do not want to stay, she went to pull Jiang Chengzhan: "go home late to see you off."

"Oh," Jiang Chengzhan was happy, "let's go and go home."

Jiang Yushen suddenly stopped Su wanwan and looked at her ambitiously. "I said that my nephew's daughter-in-law, green hat son can't do it alone. Why, do you want to fool my big nephew?"

Su wanwan thinks Jiang Yushen is so shameless. She just doesn't want to argue with him in front of so many people. Everyone knows what makes Jiang Chengzhan stupid at that time.

Why did Jiang Yushen catch up with such a big man!

She looked at him with a cold look in her eyes and a smile on her face. She asked, "don't you say to do it with you?"

She turned her head and looked at Jiang Chengzhan, "Zhan Bao, there are two people here. Which one do you like?"

Jiang Chengzhan's eyes moved from Jiang Yushen's face to Zhou Tao's face, and finally pointed to Zhou Tao and said, "I like him."

Su wanwan picks Jiang Yushen's eyebrows, "see? Zhan Bao doesn't like you, "she said to Zhou Tao again." let's go and make a present with Zhan Bao. "

Zhou Tao was stunned for a moment. Is this a big day?

He was afraid that Su would repent later, and quickly jumped out of his chair and left. "OK," he whistled with Jiang Yushen, as if he was a concubine favored by the emperor.

Jiang Yushen looks at the three people who go out together, and they are itching with hatred.

Su wanwan takes Jiang Chengzhan home. Zhou Tao drives his car behind him, and Jiang Yushen follows Zhou Tao.

As soon as Su wanwan entered the room, Zhou Tao and Jiang Yushen followed him.

Zhang Dandan, the training teacher in the room, was working on his school assignment. Hearing this, he stood up and said, "my sister came back in the evening."

Su Wan nodded later: "please, wait so long."

Zhang Dandan found that there were still two people behind her. She was a college student. Before she entered the society, she suddenly saw a stranger. She was a little embarrassed and stepped back two steps.

Su Wan looked at her and said, "Mr. Zhang, sit down first. I'll send these two scum away."

Jiang Chengzhan was worried about this meeting. He jumped to his feet and yelled: "wife, Zhan Bao wants green hat son. Do it quickly, do it quickly!"

Zhang Dandan suddenly heard that his head was blank. He knew that the private life of rich people was chaotic, but he had never seen it with his own eyes. Today, he opened his eyes.

Su wanwan is embarrassed. Zhou Tao and Jiang Yushen are standing in the middle of the ground, both of them looking at the excitement.

Thought, see how you meet your husband's requirements.

Su wanwan has made a lot of progress in her painting recently. She goes to her study, takes out paper and colored pens, goes to the sofa, sits on the carpet, spreads out the paper, turns her head and looks at Zhou Tao: "what are you doing in a daze? Don't you want to be a green hat?"

Zhou Tao

Does modern people still explain green hat like this?

On the contrary, Zhang Dandan was relieved. She thought, how can people have no lower limit.

On the contrary, Jiang Yushen let out a cry. His face was blue and white, and no one asked him to sit down. Jiang Chengzhan had a defensive attitude towards him, so he had to turn around and leave.

Su wanwan quickly folded a hat with paper. The green color on the thin picture didn't use Zhou Tao. Finally, he handed it to Jiang Chengzhan: "well, the green hat you want."

Jiang Chengzhan took a look and was quite satisfied. He squatted beside Su wanwan and said in a delicate tone, "wife, you can help Zhan Bao put it on."

Sue picked it up and quickly put it on.

Jiang Chengzhan almost jumped up: "Oh, my wife gives me a green hat, my wife gives me a green hat."

Su wanwanqi wants to kill people, which is very special. Jiang Chengzhan is definitely a ruthless character. His wife can be so excited when she takes a green hat.

Zhou Tao looked at Su wanwan's gnashing teeth and gave her a thumbs up: "OK, Su wanwan, dress, capital dress!"

He got up and said, "OK, I'll go too. See you later."

Su wanwan watched Zhou Tao leave. His whole body seemed to have been pulled out, and his whole body was piled on the sofa.

This day how so tired.

After another half an hour, Su had a good rest and began to let Zhang Dandan give a lecture.

She is smart and has a good memory. No matter what, Zhang Dandan said once, she can remember it and will not forget it for a long time.

So learning English is no pressure for her.

And she used to run around and sneak across Russia. She could even speak Russian, but she didn't know it.

Dialect all over the country is no less, she can learn vividly, but also understand.

At the beginning, Zhang Dandan came as a teacher of Jiang Chengzhan. After the training, she found out that it was su wanwan who had to learn. Jiang Chengzhan's English ability was at least eight or above, she estimated.

However, no matter who teaches, as long as she has money to take it. In order not to let her talk about it, Su wanwan specially gave her more, and she was very happy.

Today, after testing several clips of Su wanwan, it's amazing to find that she is learning very fast. "Sister wanwan, I found that you are really good. You can remember what I said just once."

Su wanwan was in a very happy mood and laughed, "you flatter me. In fact, I've learned all of them before, but I just forgot them, so I'll remember them as soon as you say them."

The original master's degree is a bachelor's degree. Of course, she can't admit that she hasn't.

Zhang Dandan, oh, thought she had no foundation.

However, Su wanwan sighed in her heart. If she had been able to study before and
