

# 《Sweet Daily Life With Rich Fool Husband》

## Chapter 38

Jiang Chengzhan is building blocks on the balcony, and Su wanwan is sitting in the living room chatting with Xu Hongmei.

In fact, she especially doesn't want to socialize with Xu Hongmei, but anyway, Xu Hongmei is also the hostess of the Jiang family. She has been married to the Jiang family for 30 or 40 years, and her grandfather's affairs will be presided over by her later. So even if she doesn't like it in her heart, she has to make a show on the surface.

Xu Hongmei's niece is very beautiful. Her name is Wang minran. She has a common family background, but she has to go to the upper class.

I've been with the rich second generation for several times, but I haven't even got a reputation.

Today, Xu Hongmei specially brought it to Jiang Chengzhan.

She had thought of marrying her niece to Jiang Chengzhan before, but after Jiang Chengzhan was stupid, Wang minran didn't like him.

I always thought I could marry into a rich family, but a year later, she didn't catch any man's heart.

This time, I came here after Xu Hongmei's lobbying.

Xu Hongmei told her: "although Jiang Chengzhan is stupid, he is the eldest son of the Jiang family. Even if he is not good, his identity is there. Being his wife is better than following others."

At first, Wang minran didn't want to, "before he didn't marry a wife, I didn't agree with him. Now he's getting married again, isn't he?"

Xu Hongmei sighed: "how can you be so stupid? That fool has a lot of shares in the company. You don't want to think about it. Who are those? If the Su family's daughter can marry in, why can't you?"

Wang minran thought for a while and finally agreed.

Today, I have been looking at Jiang Chengzhan since I entered Su wanwan's villa.

Men wearing a gray casual clothes, in addition to the head has a small pull through the fool, people look really no say.

Even if you're stupid, you can still talk.

Thinking about this, Wang minran was happy.

Xu Hongmei asked Su wanwan about her daily life. In order to make room for Wang minran, she deliberately said: "late at night, Grandpa Chengzhan especially likes eating your porridge. I've made it several times but it doesn't taste like that. Can you teach me?"

She said while wiping her tears, "I've been married to the Jiang family for more than 30 years. It's almost 40 years since I've been married. The old man has always liked my cooking. Now..." she sighed.

"I don't know how many opportunities there will be in the future."

Su wanwan is afraid that others will show weakness in front of her. If Xu Hongmei comes with her, she is really not afraid. She seems to be very bad because of her crying.

It's like she robbed Xu Hongmei of the honor she should have.

Silent a few seconds, she said: "OK, in fact, porridge is very simple, with snacks on the line."

She didn't think so much, but after she finished, Xu Hongmei's face changed. She realized that she seemed to use the wrong words, and quickly changed her words: "well, I didn't say that grandma didn't pay attention, I just..."

Xu Hongmei's face soon returned to normal, and she patted her hand with a smile: "late, you're right. I should be careful."

"By the way," she suddenly thought, "that day I asked people to pack up, and found some things Chengzhan used when he was a child. I don't know if they are still useful."

Jiang Chengzhan's stuff?

Su wanwan was suspicious. When she took Jiang Chengzhan out, she just picked up

some things. Most of them stayed in the old house, so Xu Hongmei had no problem saying that.

Xu Hongmei said: "I've packed it up, but you know there are many Jiang family members. It's hard to say which one doesn't have eyes will go along. Later, I'm afraid that if Chengzhan can't find it when he thinks of it, he'll be in trouble."

Su wanwan thought about it and said, "I'll send someone to get it."

Xu Hongmei put on a look of melancholy, especially for the sake of Su wanwan, said: "Alas, those people are not careful after all, if you lose one or two, it is also a loss."

How all feel today's Xu Hongmei is not quite normal, is there anything fishy?

"Grandma, I'll go back and get it myself." Su wanwan finally thought about it. She wanted to see what Xu Hongmei was doing with her.

Xu Hongmei immediately got up, "let's go."

Su wanwan took two steps outside, but suddenly she felt something was wrong.

Xu Hongmei saw her stop and asked, "what's the matter?"

Unable to leave Jiang Chengzhan at home, Su wanwan walked back and said, "I'll call Zhan Bao."

Xu Hongmei suddenly held her: "just take something. What do you want him to do? Don't you have bodyguards at home? What else can happen?"

Su wanwan was dragged out by life. Her heart was always empty and unnatural, but she couldn't think of anything wrong for a while.

It took a lot of effort to build a building. Jiang Chengzhan plans to show it to Su wanwan, "wife, look at the building built by Zhan Bao..."

When he was together, he suddenly felt that there was a soft body behind him. He thought it was su wanwan. He was very happy. "Wife, hurry up, I'll build the house for you. You can see how beautiful it is..."

"Zhanbao..." a soft and charming voice came from behind. Jiang Chengzhan felt numb all over, and felt like he had goose bumps.

Before he could react, a soft little hand slipped all the way from behind and finally fell on his Hun.

Jiang Chengzhan looked at the hand in front of him and frowned. A few seconds later, he let out a scream, raised his foot and ran out

Wang minran is most confident in her beauty. She has never seen a man who can refuse her.

What's more, Jiang Chengzhan is such a fool, so she doesn't worry at all.

Seeing Jiang Chengzhan's escape, she got up to chase him. As she chased him, she took off her clothes outside, revealing her white arms. Inside was a small belly bag that could only cover important parts.

Jiang Chengzhan was chased to the corner by her and couldn't escape any more. He looked at Wang minran with a face of terror: "you, you, you stay away from me."

Wang minran rubbed his slender legs against him. His little hands were sliding inch by inch on his face. He was full of seduction: "zhanbao, your wife has given you to me. You see, she's gone out. Only the two of us are left."

She threw an eyebrow at Jiang Chengzhan and said, "Zhan Bao, don't you know how to play around? Now your cousin is with you," she said, holding Jiang Chengzhan's big hand and touching her.

Jiang Chengzhan was so scared that he kept retreating. Wang minran saw that he would not resist. Knowing that there was a door, he tried again, "Zhan Bao, why don't you move? People are so miserable."

Her fingers kept slipping on him, trying to touch something important, but suddenly she was caught.

Wang minran smiles in his heart. As expected, he took the bait so easily.

Jiang Chengzhan giggled, "being nice, being nice, cousin, you look really beautiful."

Being praised as beautiful by such a handsome man, Wang minran's self-esteem is satisfied. In the past, those men who abandoned her didn't dislike her at all. They just disliked her family background.

Wang minran raised his eyebrows and his other hand fell on Jiang Chengzhan's lips. He nodded: "Zhan Bao is really good at talking. My cousin is happy to hear that. Let's go. Let's go to bed and play our family."

"Good, good," Jiang Chengzhan danced happily and was pulled to the bedside by her.

Wang minran thinks it's half done. No matter whether Su wanwan wants to continue to live with Jiang Chengzhan or not, their relationship will break.

At that time, we will try our best to make two people quarrel thoroughly, so that Jiang Chengzhan's shares will not know whose.

Thinking of this, she quickened her pace, hoping to roll to bed with Jiang Chengzhan now.

Jiang Chengzhan is pulled to the bedside, Wang minran embraces his neck to kiss him, Jiang Chengzhan suddenly stops: "cousin, it's not like this."

Wang minran was stunned for a moment, "what should I do then?"

Jiang Chengzhan went to the bedside table to find out a handcuff, bowed his head and stirred for a while, and said, "my wife and Zhan Bao are all using this. Zhan Bao likes this very much."

Wang minran hesitated. Does a fool know how to play?

In my heart, I scolded Su wanwan for being too shameless and playing with such a fool.

But look at Jiang Chengzhan long so handsome, she has a little m physique, this will be in the body thin dense heat flow, the brain began to chaos, can't think so much, hook Jiang Chengzhan chin nodded, Jiao didi said: "then you can be gentle, cousin can't stand."

Jiang Chengzhan nodded foolishly, grabbed her left wrist and tied it to the head of the bed. Then he took one from the cupboard and tied her right hand to the head of the bed. He stood beside and kept clapping his hands: "OK, now you can be a family."

The more she thought about it, the more wrong it was. When the car left the community, she regretted it. "Grandma, I forgot something. I want to go back and get it."

Xu Hongmei blocked: "what's so urgent? Go and take Chengzhan's things first. It won't take long."

"Oh," said Sue. She didn't have any evidence and couldn't get out of the car, and the driver didn't have to listen to her.

Silent for a while, she said: "well, Zhan Bao caught a cold a few days ago, but he
