

《Sweet Daily Life With Rich Fool Husband》

Chapter 47

Su wanwan tries her best to reduce her sense of existence, and at the same time, she keeps searching in her big eyes. How can she escape from this embarrassing situation?

Why don't you grab a golf cart and run away?

Just now, the staff didn't remove the key of the car. She just ran to start the car quickly and disappeared in front of the man in the blink of an eye.

That's what she thought and did.

After all, people who are used to running always act before thinking. When her thinking is gradually clear, she has jumped into the car and turned the key.

The car is still very good to drive. It's much better than the quality she used to drive. I'm proud of it. I saw the man standing next to her just now coming to the front of her car.

Su wanwan's heart was shaken. She hit the steering wheel hard in her hand, and saw a red golf cart rushing up the side hill.

There are a row of big trees on the hillside, and the car is about to hit them.

Su wanwan didn't want to be killed by the car at this time. Fortunately, she was healthy and didn't drive too fast. When the car hit a tree, she jumped out first.

Who knows next to a pit, good coincidentally one of her feet just fell in, and then the foot of a crooked, she staggered forward two steps, people kneel on a piece of soft grass.

That also painful of she ah of shout out a voice, the heart knows the skin of knee already split.

In just a few seconds, or even less than a minute, more than a dozen people on the scene witnessed the whole process from robbing a car to escaping and then to destroying a car and killing people. No, it was the whole process of people kneeling there.

Comparable to the latest international blockbusters.

If it's made into a movie, it's definitely the highest box office guarantee.

There are several people watching, one of whom is a hot little star recently. Seeing Su wanwan's embarrassed appearance, he said to the people around her in a strange way: "Oh, how can everyone have it? I don't know which one to sing?"

Others quickly echoed: "maybe Jiang and Cen are here. They want to attract people's attention. After all, it's not
