

《Sweet Daily Life With Rich Fool Husband》

Chapter 53

I knew that Su's mother didn't really care about her. She came to inquire about Jiang Chengzhan. Su said with a sneer: "we're going to divorce, so you don't have to look for him. He won't recognize your mother-in-law."

After su wanwan's words, Su's mother was stunned for a long time. After a long time, she came back to herself and cried, "I knew you were useless. I couldn't even keep a man. When you were stupid, you took someone else as a treasure and kicked you. How can I live such a miserable life?"

"Wuwuwuwu, how can this be good? The Su family still expects you to be outstanding. As a result, it's not a joke?"

"I don't believe it when people say you've been dumped these days. I didn't expect it to be true. Wuwuwuwu..."

Su wanwan looks at her speechless and sneers in her heart. Is it outstanding to marry Jiang Chengzhan?

So it's not easy to get ahead?

It's not right. Jiang Chengzhan can only marry one wife in this world, and only one of the six billion people can marry him. It's really outstanding.

I didn't expect that I was able to make a name for myself.

Hissing——

Su wanwan couldn't help laughing.

Su's mother was shocked by her. "You still have a face to smile. Do you know that I have become a joke in my family now? My sisters also asked me why the engaged one is Xiaoxiao, and the abandoned one is late again. What do you want me to say?"

"I knew that. I should have insisted that Xiaoxiao get married. Alas!"

"My life is so miserable!"

.....

Su wanwan was fed up with their complaints and said impatiently, "I'm going out. Do you want to stay here or leave now?"

Mother Su looked back and forth at the villa. Without Jiang Chengzhan, she always felt that there was a sour smell everywhere. She waved her hand and said, "go, go, what's good here?"

After Su's mother and Su Xiaoxiao got on the bus, they both felt that things could not be settled like this.

Two people together for a while, mother Su said: "Xiaoxiao, anyway, your sister can't keep the man, but this cheap also can't be taken for nothing, how to say late also served him for a year, can't work for nothing."

Since Su Xiaoxiao knows that Jiang Chengzhan is well, she is green with regret. Even if she grows up with Jiang Yu, the key is that she doesn't want to marry her. Moreover, it makes people laugh.

What's more infuriating is that they have also filed a lawsuit and are now restricted to travel.

I don't know what the future will be like.

Wen Yan said unhappily, "so what? At the beginning, you agreed to let me marry you."

Mother Su gave her a hard poke in the head. "How can you be so stubborn?"

"Mom," Su Xiaoxiao called her angrily, "what are you going to do after all?"

Mother Su pondered for a while, "anyway, I'm still his mother-in-law, and your father-in-law is still his father-in-law. We can't wait on him in vain for so long. Let's invite him home..."

She attached to Su Xiaoxiao's ear and muttered. Su Xiaoxiao looked at her shyly, "is that ok?"

Mother Su: "what's wrong? Anyway, it's you who are engaged. Now that you are well, it's still your fiance."

She pause for a while, and said: "before the license when people are silly, marriage certificate of course does not count, and your sister has been driven out, they two have no chance."

Su Xiaoxiao nodded thoughtfully, "OK, mom, you can make the decision."

Su's mother and Su Xiaoxiao have just left. Cui Lingyue arrives. Su has not yet eased from her predicament. She smiles as she gets on the bus.

Cui Lingyue looked at her strangely: "are you ok?"

Su wanwan couldn't stop laughing: "just now my stepmother came. Guess what she said?"

Cui Lingyue looked at her strangely: "what did you say?"

Su wanwan: "she said that marrying Jiang Chengzhan is to be outstanding. I thought that the standard of being outstanding was too low. Later, I thought, no, I was the only one who married so many women in the world. I thought that the standard was too high, right?"

Cui Lingyue couldn't help laughing, "according to you, it's really high."

Sue stopped laughing for a long time, "where are we going today?"

Cui Lingyue: "today I'll take you to a more upscale bar. You haven't been there before."

"Good," said Su. She didn't drink recently, but she went to the bar every two days. She thought it was quite interesting.

Today, she wore a long beige skirt, which shows that her waist is slim and her skin is like cream. Her hair is curled and draped behind her. She has a pair of smart eyes and long eyelashes. She is dignified and playful.

Cui Lingyue turned and looked at her: "you are beautiful. You look good."

Su wanwan chuckled, "you are more beautiful. Some people are afraid that they can't walk."

Cui Ling read a set of small fresh light makeup, long skirt to thigh root down a little bit, she had a baby face, so look, sexy elegant still have some mature charm.

It's a lot of work.

Cui Lingyue, if you smile, it's over.

Because it was still early, they went to have some snacks first, and then they went to the bar.

They chose a half pack box, so that it was not too noisy inside and they could hear all the activities outside. It was fun.

Su wanwan sat in the seat inside and looked around the elaborate design of the bar. She had to say that the high-end places and beautiful scenery make people feel happy.

There are five people to play together, except for two of them. One is Cui Lingyue's college classmates, who are relatively quiet, and the other is Cui Lingyue's little beauty whom she met abroad. She is lovely and keeps talking when she has no spare time. She is not afraid that the atmosphere will be quiet.

There is also a mixed fashion circle, the figure is really no, that is, the skin is a little black, but it is not a big flaw.

Su wanwan was recently away from Cui Lingyue's college classmates. After chatting for a while, they suddenly heard the little beauty Zhang Keke talking with people outside: "cousin, why are you here? Come here, come here together."

Su wanwan looks up from the sound, and it turns out that Zhou Tao and two friends come to play.

At this time, Zhou Tao also saw her. Both of them looked at each other and were stunned. Soon, Zhou Tao said hello to Zhang Keke with a smile, and then said to two friends, "together."

When three people came in, the box immediately became smaller. Zhou Tao pushed Cui Lingyue's college classmates aside and sat down next to Su wanwan.

Since Jiang Chengzhan regained consciousness, Su wanwan had been with Zhou Tao several times. Later, she wanted to avoid suspicion, so she didn't go out with him any more, so they haven't seen each other for more than a week.

After saying hello to Zhang Keke, Zhou Tao has nothing to say to Su wanwan: "it's a coincidence, wanwan."

It's a coincidence that Su wanwan's face is not natural.

Summer wear less, two people close, she can smell his body is very strong male breath,

quietly moved to the side for a while, with his distance, smile: "yes, very coincidental."

Cui Lingyue hasn't been seen since she got to the bar. Su will go back to look for her later in the evening. She hasn't seen her figure after a circle.

I wonder, where is the dead girl?

Looking at what she seemed to be looking for, Zhou Tao asked, "who are you looking for?"

Cui Lingyue and Zhou Tao also know each other. Su wanwan said directly, "Cui Lingyue."

"She is not..." Zhou Tao suddenly remembered that when he came in, he saw several acquaintances sitting next door, including Cui Lingyue.

But he didn't want to say it after half of the conversation, because he saw Jiang Chengzhan sitting inside.

"Where is it?" Su wanwan stares at him,

Zhou Tao touched his nose unnaturally, "I may have read it wrong. Maybe I went to the bathroom."

Cui Lingyue really meets next door, because today Cen Xirui and Jiang Chengzhan have an appointment to come to the bar. She bribes Cen Xirui's assistant and hears from him.

This meeting, she is sitting beside Cen Xirui, pretending to meet him by chance.

"Little uncle, why do you think we are so predestined

Cui Lingyue giggles, but Cen Xirui coldly glances at his assistant, who lowers his head to minimize his sense of existence.

Betray the boss. He's dead.

Cui Lingyue said hello to Cen Xirui here, and then said to Jiang Chengzhan: "Mr. Jiang, I came with wanwan. She's next door."

If Jiang Chengzhan had a heart, he would go to find Su wanwan.

Seeing how considerate she is as a good friend, she never forgets to repair the

relationship between husband and wife.

Jiang Chengzhan answers carelessly, but he is a little bit upset in his heart. Can Cui Lingyue notice Cen Xirui?

After eating for a while, I thought that since the woman didn't notice him, he should pay attention to the woman.

He got up and pretended to go out naturally, intending to meet the woman next door.

Su wanwan doesn't understand why she is so persistent. She can't feel anything, but she just doesn't want to drink. So when someone comes with red wine, she goes to meet someone with juice, which makes the little black beauty in the fashion circle very unhappy. "Su wanwan, you are too much, we are all wine!"

Su wanwan blushed and explained, "I'm allergic to alcohol recently. I can't drink alcohol."

The little black beauty obviously didn't believe her: "then why do you come to the bar? Don't you come here to drink?"

Su wanwan was embarrassed and said, "Lingyue pulled me here."

"Bang, pretending to be noble," said little black beauty. She felt that Su would not give her face.

Seeing this, Zhou Tao purposely resolved his embarrassment, took up his glass and said, "I'll drink with you for her. How come my face is not big enough?"

"Big enough, big enough," said little black beauty. Seeing that Zhou Tao was handsome, she was very happy, and her face looked like a flower.

At first, Zhang Keke didn't care why his cousin chose to stay next to Su wanwan. When he met him to drink for others, he guessed something in his heart and looked at Zhou Tao mysteriously. It turned out that his brother liked this type of wine.

She ran over with her wine glass and gossip, sat down next to Su wanwan, and said: "good evening, sister. Nice to meet you."

Su wanwan didn't understand what Zhang Keke meant until Zhou Tao scolded Zhang Keke: "you're more strict. Don't you give me any gossip?"

"Understand, understand," Zhang Keke made a zipper action in front of his mouth, "cousin, don't worry, before you catch up, I won't talk disorderly."
