

《Sweet Daily Life With Rich Fool Husband》

Chapter 7

She always kisses me. Su wanwan is not at ease. She specially instructs Jiang Chengzhan to say: "zhanbao, when I come to my parents' house, I can't always hold me, let alone kiss. Do you know?"

Jiang Chengzhan scratched his head, some small grievances: "don't you like Zhan Bao to kiss you?"

"No," Su wanwan's tongue doesn't work very well. How to say it in front of outsiders?

But I'll be at my parents' house soon. Where can I tell you.

"Well, Uncle Li," Su wanwan suddenly said to the driver in front, "can you stop by the road and buy me some water? I'm thirsty."

Li driver Oh a sound, the car safely stopped at the side of the road, out of the car.

There was water in the car. Of course, he knew it. It must be what the little grandmother wanted to say. He was embarrassed and understood when he was in the car. He took out a cigarette and smoked it.

Su wanwan then took Jiang Chengzhan and said, "zhanbao, you hear wanwan say that kissing can only be done in a place where there is no one at home and can't be seen. Do you know?"

"Why?" Jiang Chengzhan's eyes are full of childlike innocence and looks at her in a puzzled way.

Su wanwan thought about it and said with a bit of threat: "because I'm kissing outside, others will think I'm not cultivated and will take me away. Then you will have no wife and you won't see me, you know?"

Jiang Chengzhan stares at her with big black eyes, a little confused.

Su wanwan said, "don't you like me? Will you be sad if you don't see me in the future?"

At the thought of not meeting Su wanwan, Jiang Chengzhan was very sad. He hugged Su wanwan and said with a cry, "I don't want you to go. I don't want you to go. Will you take Zhan Bao with you wherever you go?"

Seeing that Jiang Chengzhan is so scared, Su wanwan is not very comfortable. She holds Jiang Chengzhan, pats him on the back, and says comfortingly, "don't worry, Zhan Bao, wanwan won't leave you, but you have to be obedient, you know?"

"I'm obedient, I'm obedient," Jiang said repeatedly.

Su wanwan stressed again: "so you can't kiss someone in the future, you know?"

"Especially last night you can't tell anyone about the bathroom or the bed, you know?"

Jiang Chengzhan nodded his head hard, and there was a splash on his long eyelashes.

Su wanwan wiped the tears off his face and said with a smile, "OK, OK, it's OK."

Jiang Chengzhan smiles at her, but there is no one in the meeting car. He quickly kisses Su wanwan on the mouth, and emphasizes: "there is no one now."

Su wanwan couldn't help hissing. She was such a child.

When they were calm, she dropped the window and called driver Li: "Uncle Li, you can go."

Li driver did not go to buy water, so he got on the bus with a good look.

Soon arrived at Su's house.

There are a lot of people in the Su family. Apart from the fact that Su's younger brother is not at home when he is in junior high school, there are also some relatives.

Jiang Chengzhan is dazzled. In fact, Su wanwan is dazzled too. She uses the memory of the original owner to quickly match the faces in the room.

Soon saw the Su father and the Su mother, she not cold not pale called a parents.

There are the original owner's uncle and two aunts, aunts, the rest are cousins.

Of course, the owner's sister is also there, but she's hiding behind the others. After all, it's her who should marry Jiang Chengzhan. Maybe she's guilty, maybe she's guilty, maybe she has no face to see others.

Su Xiaoxiao is one year younger than the original owner. She is as beautiful as a flower. She is fresh and refined, but she is unruly and headstrong. The young lady is very arrogant.

Su wanwan and Jiang Chengzhan get to know all the people in the room one by one. Someone pulls Jiang Chengzhan out to talk. Su wanwan is not at ease and refuses to let go: "he was tired in the car just now and needs a rest."

One of Jiang wanwan's cousins came to hold her, "what's the matter with you when you're home at night? Are you afraid that you'll treat me badly?"

Su Wan was said to be sorry, "no, my sister is joking."

In the room, a group of people gathered around Su wanwan to ask her about her stay in Jiang's house. Su wanwan picked up some interesting things and chatted with everyone for a while.

The original owner's temperament is relatively cold. Su wanwan's personality is lively and active. He is much more enthusiastic. After entering the house, no matter who speaks, Su wanwan can go on and make everyone laugh.

Su's mother stood by and wondered all the time. How did she feel that after only two days, Su was like a new person?

Su Xiaoxiao went to her mother and said strangely, "do you think my sister is pretending or really happy?"

Mother Su shook her head: "it doesn't look like she's pretending."

Su Xiaoxiao does not understand: "but Jiang Chengzhan is really stupid, how can I accept a fool?"

Su's mother was still at a loss. "Then you try to see if Jiang Chengzhan is really stupid?"

After hearing this, Su Xiaoxiao turns around and goes out to find Jiang Chengzhan. Su's mother asks someone to pour a glass of juice for her.

Su wanwan took a sip of the juice. The freshly squeezed watermelon juice was sweet and delicious. She couldn't help taking another sip. When she heard that someone was just about to open her mouth, she suddenly heard an unhappy cry outside: "wife, don't stay here, Zhan Bao. They are all bad people."

Su wanwan subconsciously stands up and looks at Jiang Chengzhan, who is dirty all

over, walking into the room. He is not happy, and the small tugs on the man's head are all confused.

She combed it herself!

Leaving the crowd aside, she walked over, patted off the dirt on him and asked, "what's the matter?"

Jiang Chengzhan still had tears in his aggrieved eyes. Holding one of his arms, he said, "they say there are fish in the pond. They cheat people. There is no water at all."

"My arm hurts, wife. Let's not stay here."

Su wanwan raises his sleeve, and her white arm turns blue. She glances at the onlookers behind Jiang Chengzhan and asks coldly, "who did it?"

Originally everyone came back frolicking and frolicking, but I didn't expect that I was used to being gentle at ordinary times. I fell in love with them at Su's evening party, and all of them shut up.

I'm not afraid of Su wanwan, but I'm afraid of the Jiang family.

I think Jiang Chengzhan can't say anything when he goes back. He's just fooled by everyone. But if Su goes back late and talks about things, things will be big or small.

Su wanwan pulls Jiang Chengzhan to the sofa and sits down. She coaxes him in a soft voice: "hold on for a while." she turns back and asks her mother, "do you have any eggs?"

"Yes," mother Su said repeatedly, "two of the eggs I just cooked in the morning didn't eat. I'll get them for you."

Soon mother Su brought an egg and a handkerchief from the kitchen.

Su's mother doesn't like Su wanwan, but she likes Jiang's money. As long as Su wanwan brings back some money, it can't be underestimated.

Moreover, the Su family's business depends on the care of the Jiang family, but they don't want Su to get in the way.

That's why I'm so kind to Su wanwan.

Su wanwan first blows the bruise on Jiang Chengzhan's arm, and then slowly rolls the egg on it. Seeing Jiang Chengzhan's pain, she comforts him and says, "it won't hurt

soon. Zhan Bao is good!"

There were so many people in the room that they would look at both of them in surprise.

No one thought Jiang Chengzhan would be so stupid. It's a pity for Su wanwan, but at the same time, it's also a blessing for Su Xiaoxiao. However, it almost surprised me to see Su wanwan's gentleness towards Jiang Chengzhan. This girl is so good to a fool, isn't she brain broken?

Su wanwan ignored them. While he continued to cut Jiang Chengzhan's wounds, he said in a strange tone: "Alas, it's not free to marry a rich family. Even if you are a fool husband, the burden on your shoulders is getting heavier and heavier."

A sister-in-law of Su wanwan came and asked, "what's so heavy a burden?"

Su wanwan sighed and said, "well, yesterday the old man gave me 2% of the shares as soon as he was happy. You can help me calculate the market value of the Jiang family, which is hundreds of billions. How much is 2%

As soon as Su wanwan was about to say that there are always billions, he heard someone exclaim, "ten billion?"

"What?" Even sue was shocked. She's worth 10 billion now?

Are you sure it's not a billion?

Calm down, calm down, she is a person who has seen the world.

Ignoring all the chatter, she said, "Alas, it's a pity that my husband is a fool. We don't know if we will have children in the future. Where can we spend so much money?"

Mother Su immediately stepped up and pointed to herself impatiently.

Su wanwan glanced at her gently and continued slowly: "it's said that the elder sister loves her younger brother, so I'll just kiss her younger brother. Who won't give it to my younger brother in the future?"

When she said that, everyone immediately began to agree.

"Right, right, who don't give it to my brother?"

"I love my brother the most before."

"How to say, wanwan is also a girl of the Su family. It's not easy for her parents to raise her. It's still right to give her family some subsidies."

"We Su family don't lack any subsidy, but our daughter is filial and supports her parents."

.....

After hearing 10 billion yuan, Su's mother almost glared out. She sat down beside Su wanwan and said, "girl, mom used to treat you very well. You can't forget..."

When it comes to emotional department, tears are coming down, in front of a pink, all money.

Su wanwan rubbed her shoulders and sighed, "Oh, I'm so tired after all the driving."

She turned her head and asked Jiang Chengzhan, "is Zhan Bao tired?"

Jiang Chengzhan's arm didn't hurt and his face was better. He nodded and rubbed his shoulder like her. "I'm so tired!"

Still very smart, Su wanwan looked back at her mother with a smile: "Mom, I tell you, a fool is best to coax him. As long as he is happy, everything will be given to you."

Mother Su's face blossomed with laughter. "Yes, yes, Ma knows."

Su wanwan: "so who gave us a bad idea just now and didn't give us zhanbao massage?"

The people in the room looked at each other. It turned out that Sue was waiting for them here.

Su's mother was in a bit of a dilemma. Su wanwan reminded her, "two percent of the stock is worth 10 billion."

Mother Su immediately looked back at Su Xiaoxiao and said, "go and rub it for your elder sister."

Su Xiaoxiao went reluctantly, muttering in her heart why she should give a fool a massage!

Just as his finger was about to fall on Jiang Chengzhan's shoulder, Su wanwan suddenly said, "what are you doing? Are you coveting your brother-in-law?"

Su Xiaoxiao's action is stiff, and the accusation of seducing her brother-in-law comes down. She is so ashamed that she wants to go under the table.

Su wanwan pointed to her shoulder: "here, I want you to press here."

Ha ha ha

There was a roar of laughter from the room.

Su wanwan: sure enough, a fool can't be trusted. Laozi is worth ten billion yuan now!

Zhan Bao: aren't you a billion?
