

# 《Sweet Daily Life With Rich Fool Husband》

## Chapter 71

Su went out 20 minutes late and didn't come back. Although Jiang Chengzhan has been busy dealing with the guests, the remaining light in the corner of his eye has been aiming at Su's direction.

Seeing her go out just now, I guess she went to the bathroom, but no one came back after waiting for a long time.

In doubt, he said sorry to the guest who was dragging him to chat and went to the bathroom.

Who knows a waiter with a tray bumped into him, and a whole glass of red wine spilled on his clean suit.

"I'm sorry, sir," the waiter bowed his head, trembling with fear.

The manager with good eyes has come over with a respectful look. "I'm sorry, Mr. Jiang, the new waiter, can I take you to change your clothes?"

He looked at Jiang Chengzhan's clothes that were still dripping.

Jiang Chengzhan frowned, always have a bad feeling, he ignored the waiter's apology, and ran to the hotel manager, stride out.

Su wanwan was entangled by Tian Yingqi and couldn't walk away. She left, he left, she right, he right. Only a few rounds later, she was annoyed: "Tian Yingqi, if you don't get out of the way, I'll call someone?"

Tian Yingqi didn't take her words seriously at all. "Wanwan, don't you really care about me at all?"

He suddenly started, pulled Su wanwan and pressed her on the wall. He put his arms on both sides of her body and made a move of encircling her in front of her.

Su wanwan reaches out to push her hard. Now she's worried about her stomach. She doesn't dare to do too much. She tries to bite her teeth and endure: "there's an old love affair, you scum man. Su wanwan will take a fancy to you before she's blind. Please let me go."

"You know my husband has a bad temper. If you let him see him, you will be overwhelmed."

Tian Yingqi sneered: "Oh, your husband doesn't know where he is. Do you think he has time to take care of you

Su wanwan frowned: "what do you mean?"

Tian Yingqi deliberately approached her and said in a low voice, "do you know who his fiancée is?"

Su wanwan clenches her teeth and takes a deep breath. She raises her knee to the fatal place of Tian Yingqi. But when she lifts her knee half way, she sees someone coming out of the hall with anger that can't be concealed. Her white shirt is soaked with red wine, and a large piece of cloth sticks to his chest, which makes a beautiful outline.

The man three or two strides forward, pulled Tian Yingqi, raised his hand and gave him a punch, "dare to appear in front of my wife again, so that you can't be a man in your life!"

Tian Yingqi was suddenly ripped open, and the next second his fist came up. He didn't even have the defense, so he got a punch solidly, and the corner of his mouth was immediately stained red with blood.

Jiang Chengzhan was not satisfied with it. He gave another blow. This time Tian Yingqi fell to the ground.

Jiang Chengzhan angrily kicked him: "get out!"

Su wanwan looked at the murderer's man in a silly way. When the man finished the fight, her knee still didn't fall down.

Until Jiang Chengzhan came up to her, he asked her: "have you been hurt?"

Su wanwan just reflected that she was about to shake her head when her eyes suddenly fell on Tian Yingqi, who was climbing out of the ground. She dared to hit her idea. It was too unpleasant for her to hit him twice. She nodded again in a small voice, pretending to be particularly frightened and said, "well, I don't feel very good!"

"What's wrong?" Jiang Chengzhan is worried about Su Chengqing's birthday party. He doesn't want to make things big and embarrass the Su family. After all, Su wanwan is Su Chengqing's own daughter.

But now listen to Su wanwan say not good, he immediately anxious.

"What's wrong? I'll take you to the hospital."

Then he picked up the person and was about to leave. Su wanwan thought that things had become a little big. She didn't want to go to the hospital now. She just wanted to deal with Tian Yingqi and Su Xiaoxiao.

Quickly said: "it's not the body, it's the mood, the mood, just a little scared, the heart beat so fast!"

"Oh," Jiang Chengzhan finally slightly relieved, he gently put down Su wanwan, more distressed asked: "how can I be better?"

Su wanwan pointed to Tian Yingqi, who was still struggling on the ground, and said, "what did he say that you would abandon me? He also said that you are only new to me for a few days, and there will be other women in the future..."

Before she finished her words, Jiang Chengzhan could not control his anger and kicked Tian Yingqi again. "You are the one who betrays women. You dare to arrange me behind my back and talk nonsense with my wife."

"I'll be a woman later in my life, and I won't look at fairies when they come down to earth!"

When Jiang Chengzhan hit people, he did not forget to tell his daughter-in-law.

Sue, it's fun to listen.

All the people in the banquet hall rushed to hear the news, including Jiang Chengzhan's bodyguards who never showed up at the critical moment.

See Lord son send so big fire, rush up to express oneself bravely.

Su wanwan said: "husband, he certainly can't do it himself. Someone must help him. Ask quickly."

The blood of Huitian Yingqi's head had already covered his eyes, but his ear sensitivity didn't decrease at all. Hearing this, he cried and begged for mercy: "Mr. Jiang, aunt Su wanwan, there's really no one to help me. I just came here by myself. Please let me go."

He didn't say that when there was no one.

Su wanwan holds her arm in one hand and her chin in the other. She thinks thoughtfully that now Tian Yingqi tells everything in front of everyone. She must bite Su's mother and Su Xiaoxiao out. How can she take over the body of the original owner? It's not glorious for her sister-in-law to seduce her brother-in-law when such a scandal comes out of the Su family.

Better

She suddenly had an idea.

Doesn't Su Xiaoxiao always like to seduce his brother-in-law?

Then just give Tian Yingqi to her.

It's a perfect match for men and women!

Thinking of this, she put away the accusation against Tian Yingqi and patted her head with some chagrin. "Ah, that's probably my wrong thinking." she stretched out her hand and pulled Jiang Chengzhan's sleeve, pretending to be Jiao didi and said, "you see, your clothes are wet, do you want to change them first?"

Jiang Chengzhan looks down at his clothes. It's really not elegant, but now he's busy cleaning up Tian Yingqi. He doesn't ask how to do something?

Su's mother and daughter don't give him face. He doesn't need to keep face for them now.

Su wanwan saw that Jiang Chengzhan refused to go, and kept winking at him behind his back. At the same time, he spoke with his mouth: "hurry up

"You say, who invited Mr. Tian?"

"I know. Isn't this the man who sold his girlfriend?"

"Yes, now it's better to look at others, and regret it?"

"Ha ha ha, it's really a model for men!"

"But how can the Su family still keep in touch with such people, isn't it..."

.....

Everyone began to talk. Jiang Chengzhan didn't want to hear about Su wanwan. His cold eyes swept over him. He was dignified and powerful. He was full of threat. All
