

《Sweet Daily Life With Rich Fool Husband》

Chapter 72

Jiang Chengzhan's puzzled eyes look back and forth on Su wanwan's face. The woman's skin is tender and white. She has put on a very light make-up, which is similar to her plain face. Now her expression is calm, but her eyes are full of cunning light. She doesn't know what she is thinking.

But since she said it, he will do as she asks.

But he still reminded: "you have to dare to see, wait for me to deal with you!"

Su wanwan cocked her lips and said, "look, OK," she said after a pause, "after you put Tian Yingqi in the bathroom, you can hide in any room, and then wait to see a good play."

"Don't tell me what to do?" Jiang Chengzhan looks at her mysterious, this meeting already guessed almost, but still cooperates with her, intentionally asks.

Su wanwan blinks at him. His long eyelashes are as smart and lovely as a small fan. Jiang Chengzhan's heart trembles. No, he will die if he doesn't eat meat.

After Jiang Chengzhan's arrangement, Su goes to the hall. She takes a glass of red wine from the waiter's tray. When she sees Su Xiaoxiao standing with several famous ladies chatting, she pauses and walks over.

"Thank you for coming to my father's birthday party," she said, raising her glass to several people. "Please don't be polite if there's anything wrong with the reception. Please say it."

Just now Jiang Chengzhan picked up Su wanwan. Everyone saw that. It would be polite to her and try to say good things to her.

Even the ordinary skirt she was wearing was praised as something in the sky but nothing on the ground.

Celebrity A: "it's nice to have skin at night. It's like a baby's skin. I really want to touch it."

Celebrity B's exaggerated tone: "this dress is really beautiful at night. It must have

been designed by the international brand Master Mr. Jiang invited for you. It's white and beautiful against the skin!"

Celebrity C: "that is, Jiang Zong is really considerate and painful enough. We are late. Do some people regret to die, so people still have to have that life."

.....

Everyone talks about Su wanwan from the beginning to the end. Su wanwan scoffs in her heart. If Jiang Chengzhan hadn't been kind to her, these people would have killed her with their eyelids.

Su Xiaoxiao, standing beside her, just feels uncomfortable. Especially when it comes to someone regretting her death, she really regretted her death. She would like to go back in time and go back to the moment when Jiang Chengzhan got married. She would not hesitate to get in the car and be Jiang Chengzhan's daughter-in-law.

She's the one who's the star of the day.

At this time, I don't know who asked: "by the way, where's Mr. Jiang?"

Su wanwan glanced at Su Xiaoxiao and said, "he is a cleanliness addict. He was splashed with red wine just now. If he doesn't wash for an hour, he won't come out of the bathroom if he rubs a layer of skin off his body."

She also sighed, as if very melancholy, "Oh, I don't know when to leave such a bad problem!"

She took a sip of orange juice instead of red wine.

Su Xiaoxiao's brain is spinning rapidly, washing for an hour?

Is Jiang Chengzhan in the bathroom now?

Will it come out in a moment and a half?

Is this a gift?

She doesn't believe that men don't cheat. Although Jiang Chengzhan is so good in front of Su wanwan, she seems to love her all her life. Once she turns around, she doesn't know how many women there are!

Now she pours on it and gives it to him. Don't you believe it?

She also talked to a few men before. They all said that she was beautiful in body, especially for men's soul!

One by one, they have the heart of thieves, but they don't have the courage to ask them to marry her.

Su Xiaoxiao made up his mind and secretly went upstairs when everyone didn't pay attention.

After a while, she and Jiang Chengzhan cooked the cooked rice, and then told her mother to come and get someone. As soon as she attended the anniversary celebration of Jiang's group the day after tomorrow, who would remember Su wanwan?

There are no scandals or concerns about big families.

Su Xiaoxiao finds Jiang Chengzhan's guest room, gently pushes the door, and the door opens. Even God is helping her, but it doesn't lock.

Su Xiaoxiao is happy in the heart, walked directly in, return hand falsely closed the door.

I'll need my mother's help later. Of course, I'll leave the door.

"Chengzhan --" Su Xiaoxiao went to the door and knocked on it. She didn't hear the response. She knocked again, "Chengzhan --"

The bathroom is the kind of translucent glass door, you can only see an illusory figure inside, but you can see it clearly without clothes.

The sound of the water in the rain is blaring. Su Xiaoxiao imagines what kind of strong body the man standing in the bathroom has.

Some parts of the unconscious body come to feel.

She looked at the bathroom door and clenched her teeth. The victory and defeat were in one fell swoop. She had to give up. If she didn't go in again, it would be hard for a man to act when he came out.

Thinking of this, Su Xiaoxiao quickly takes off his clothes and pushes open the door of the bathroom.

The next second, a big hand stretched out from inside and pulled people in hard. The glass door hit her waist. She took a cold breath in pain.

The shower in the bathroom is on, and the fog is very heavy. As soon as Su Xiaoxiao goes in, his eyes feel uncomfortable and he subconsciously closes them.

Later, when she was carried to the shower, she couldn't see anything clearly, her mouth was blocked, and she felt the man's rudeness, so she didn't care about anything.

Su wanwan follows Su Xiaoxiao up the stairs. Like a thief, she follows her to the bedroom and locks the door outside the bathroom.

Looking at the two figures in the fierce entanglement through the glass, I couldn't close my mouth with a smile. These scum men and women should be locked in life and death.

Su wanwan breathed out a breath and went to the hall downstairs.

She asked where Su Xiaoxiao was?

Everyone is busy celebrating Su Chengqing's birthday. No one notices that there is a shortage of people.

Su wanwan asked a circle, no one knows, she went straight to stepmother Liu Zhilan: "Mom, have you seen Xiaoxiao?"

Of course, Liu Zhilan knows that her daughter has gone to Jiang Chengzhan, but she deliberately pretends to be confused: "where do I know that?"

Su wanwan whispered, "strange!"

Liu Zhilan asked: "what's strange?"

Su wanwan shook his head: "I was drinking with you just now, and it disappeared in a twinkling of an eye."

Liu Zhilan patted her head and suddenly said, "she just said that she wanted to give Chengzhan something to eat. Didn't she go to Chengzhan?"

Su wanwan's face changed: "Chengzhan is taking a bath. How can she go?"

Liu Zhilan is not happy: "it's all a family. Why can't we go?"

Su wanwan frowned. Her face was taut and she stamped her foot: "my brother-in-law took a bath. What kind of hospitality did my sister-in-law show in the past?"

At the end of the speech, she stopped looking at Liu Zhilan and ran out.

Liu Zhilan quickly followed up: "what are you doing?"

Now the time is short. I don't know what happened?

How can su wanwan listen to her go to Jiang Chengzhan's guest room in one breath? Her voice is wrong. "Chengzhan --"

"Zhan Bao, please come out quickly --"

Liu Zhilan trotted to catch up with her dress, but she didn't care about her identity any more. She went to lasu late at night: "late at night, your father's birthday, what do you yell like?"

Su wanwan continued to look for the guest room, but no one could see everywhere. She rushed to Liu Zhilan and said, "do you think you are doing something bad?"

"Don't think I don't know. Look at Jiang Chengzhan. He dreams of letting his daughter climb onto his bed and be his mistress, right?"

When Liu Zhilan was exposed, she didn't care about her face. "Su wanwan, you should know that Jiang Chengzhan had an engagement with Xiaoxiao. Before you occupied the nest, now it's not right to return to the original owner?"

Su wanwan sneered, "don't forget, at the beginning I said I would give Jiang Chengzhan back to you. You said he was stupid. You also said that even if he was better, he would not regret it. How could you forget?"

How could Liu Zhilan forget it, but she paralyzed herself and didn't want to remember it at all. She became angry and said, "so what? Do you think you deserve to be the young grandmother of the Jiang family?"

"You have no intelligence quotient. If you want a woman who doesn't look good, what qualifications do you have to dominate Chengzhan..."

This meeting, Su wanwan's eyes finally fell on the bathroom door. The two people inside were more intense, mixed with the sound of running water. She heard the woman's cry inside.

Su did not move late, Liu Zhilan also stopped abusing, along her eyes to see, inside the two figures entangled is intense.

She couldn't help smiling as if she had succeeded.

Hum a to say: "now you also saw, others how to choose after all, you still don't know?"

Su wanwan looked at the two people in it in disbelief. Her eyes grew bigger and bigger, and she couldn't blink in the end.

She suddenly ran to the bathroom door like crazy, clenched her fists and smashed hard at the glass door: "Su Xiaoxiao, you shameless woman who specializes in seducing men, come out quickly!"

"Jiang Chengzhan, you big bastard, you dare to betray me, I'll fight with you!"

"I don't remember who was good to you before. You are like a fool. I make delicious food for you every day. I serve you day and night. You forget?"

"When you're ready, just kick me away and follow a little fox spirit..."

"I, I, I..."

"I have to kill you today and let you betray me!"

She scolded, both hands and increased efforts to knock on the door, but Liu Zhilan ran to want to pull people away, "Su wanwan, you're enough, which man is not that thing, do you have eyes to see?"

"A quiet divorce can bring some benefits, can't it?"

"If it's a big deal, I'll give you another 10 million, just a villa!"

Su wanwan ignores Liu Zhilan. She has just found her mobile phone in the banquet hall. She will take out her mobile phone and dial out. Liu Zhilan subconsciously asks, "who do you want to call?"

Su wanwan said angrily: "of course, it's for my father. I insist that he comment on this one for me."

The house was noisy for a long time, and it was full of shouting and smashing. Some management personnel had heard the noise and ran over.

Even the people from the banquet downstairs came to join in the fun.

Su wanwan wanted this effect. She pointed to the door of the bathroom and cried: "Wuwuwuwu, you all give me comments. When a man was stupid, I took care of him every day. Now he just got hooked up with a goblin. They couldn't help it at the

birthday party." she pointed to two figures in the bathroom.

People in this meeting also heard the movement outside and stopped, but the shower continued.

Seeing more and more people, Liu Zhilan is still worried about face. After all, she just wants Su Xiaoxiao to replace Su wanwan quietly, but she doesn't want to catch the scene of rape to be seen by so many people.

So she frowned and scolded in a low voice: "what nonsense are you talking about? Xiaoxiao was Chengzhan's daughter-in-law, but you were Chengzhan's sick nanny who used to take care of her. If Xiaoxiao hadn't been studying at that time, would you have needed you?"

"Besides, I gave you the money, didn't I?"

"Why are you such a child that you have to make your father laugh at the party, don't you?"

Liu Zhilan is really good at saying that Su wanwan looks at her sarcastically and wants to know what else she can say. "Mom, what you say is wrong. Chengzhan and I have marriage certificates. They are Jiang Jiaming's daughter-in-law. How can I become a nanny when we get to you?"

Liu Zhilan thought that her daughter and Jiang Chengzhan had become like that in the bathroom. Naturally, she would no longer take care of Su wanwan's face. "You don't look at yourself. Even if the Jiang family is blind, they won't marry you."

Mother and daughter quarrel more and more serious, this will have to start, a group of onlookers outside, but no one came forward to persuade.

Are waiting for a while, the bathroom door opened, the people inside come out, what will be the expression?

At this meeting, Su Chengqing came over. He glanced at the two noisy women and said, "what are you two doing? What's this like?"

"It's all scattered, it's all scattered, isn't it disgraceful enough?"

But none of the onlookers and hotel managers moved.

Su wanwan pinches his waist and stares at the bathroom door: "I don't care. Today, two people have to give me an explanation. Su Xiaoxiao, come out quickly!"
