

《Sweet Daily Life With Rich Fool Husband》

Chapter 73

"Mom, you get rid of people quickly, I don't want to go out." Inside, Su Xiaoxiao came with a cry, "hurry up, I won't go out..."

Liu Zhilan said with a special look of heartache: "Xiaoxiao, don't be afraid, mom will make the decision for you."

"No matter who happened such a thing, it can't be regarded as nothing happened."

.....

"What's all this noise about?" With Jiang Chengzhan's confused voice coming from outside the door, everyone was stunned.

Everyone looked at him like a ghost and made way one after another.

One of them, who had a good relationship with Jiang Chengzhan, stammered: "Mr. Jiang, you, how did you come in from outside?"

Jiang Chengzhan was very surprised: "where should I come from?"

The man raised his hand and pointed to the bathroom in the room.

Jiang Chengzhan has a natural look. He arranges his bathrobe with both hands and walks into the room without any discomfort.

Directly to Su wanwan, frowned: "what are you doing?"

Su wanwan wanted to laugh, but she tried to bear it. She pointed to the bathroom, then to Jiang Chengzhan, and finally to the bathroom: "who are the people there?"

Then she happily went to Jiang Chengzhan's side. She looked very cute and said, "I hate it. Since it's not you, how can you come here?"

Jiang Chengzhan looks very sorry: "don't you know I'm a cleanliness addict? I just took a bath."

Su Wan Wan frowned: "but isn't this your guest room?"

Jiang Chengzhan said, "I think the ground is a little dirty, so I went to the next room."

Su wanwan will smile very brightly and look at Liu Zhilan: "Mom, we Chengzhan are here, the people there..."

She pointed to the bathroom. "Should you hold that person responsible?"

Then she pretended to be innocent: "Oh, how can I know it's not my husband, otherwise I can't argue with you here, right?"

"Now if you don't let me see who the people inside are, I feel that the grievance is in vain!"

She was particularly aggrieved and said to Jiang Chengzhan, "just now my mother said that I was a servant sent to you by the Su family. Your marriage to Su Xiaoxiao is still a matter of business."

"Oh, by the way, my mother said, otherwise Xiaoxiao would have been ill, and she would have taken care of you at that time!"

Hearing this, Jiang Chengzhan frowned. His face looked very bad, and his voice was very common

"Mrs. Su, my Jiang family's daughter-in-law is only Su wanwan from beginning to end, and she will never change."

He looked at Su Chengqing and said with no face: "since it's dad's birthday today, that's all. In the future, I don't want Mrs. Su and Su Xiaoxiao to appear in front of me and my wife again. Otherwise, don't blame me for not reminding you today."

At the end of the speech, he hugged Su wanwan and left directly.

Su wanwan was not very happy. "I haven't seen the people inside yet."

Jiang Chengzhan said coldly, "what else do you want to see? The people inside are not dressed. Don't you know?"

"Oh, right," Su remembers. Not only Tian Yingqi is naked, but also su Xiaoxiao is naked. She doesn't want Jiang Chengzhan to see that woman naked.

Two people out of the door, Jiang Chengzhan gave his bodyguard a wink.

Two strong men crowded out the crowd and went directly to the bathroom door, which was about to be opened.

At this meeting, Liu Zhilan didn't care about anything. She leaned against the glass door tightly to block the door, and didn't let the bodyguard come forward: "can't move, you go for me, no one can move!"

The two bodyguards said in a business like manner, "this is the room Mr. Jiang ordered. It's suspected that there is a strongman inside. We should make sure that the women inside are safe."

"Bullshit, you bullshit, get out of here, why do you open the door?"

Liu Lanzhi regardless of the image, like a shrew, heartrending cry.

She couldn't stop herself and went to pull Su Cheng Qing, "Lao Su, what are you doing in a daze?"

Su Chengqing looks out. These two bodyguards are Jiang Chengzhan's people. Naturally, he doesn't dare to despise them.

If you offend Jiang Chengzhan, you will bring misfortune to your son if you don't have good fruit to eat.

Who let his son not be su wanwan's brother.

Protecting his daughter or abandoning her, after struggling for a few seconds, he gave up completely and walked out mercilessly.

"Su Chengqing, you bastard!" Liu Lanzhi was pulled apart and sat down on the ground. Her skirt was torn apart and her hair was in a mess. She was like a shrew and had no image.

"Wow."

"It's Tian He and miss su er..."

Outside the door came one exclamation after another.

.....

When Su wanwan heard everyone's exclamation, she laughed like boiling water.

She looked up at Jiang Chengzhan with a smiling face, but her tone was a little aggrieved: "how can you do that kind of thing, you

Jiang Chengzhan picks eyebrows.

Su wanwan continued: "don't leave a way for others to live!"

Jiang Chengzhan laughs. He pulls Su wanwan into the next room and closes the door. The next second he presses the woman on the door.

Looking down at her, breathing more and more heavily: "Su wanwan, you let me watch the hand-to-hand fight drama all night, can't you not even order dessert?"

"Don't --" she pushed the man's body with her hands. How could he do such a thing when there was so much noise next door?

A woman's weak and boneless hands fall on her skin. It is clear that she wants to refuse but also welcome.

Just feel like rolling wave after wave of fever in the body, the man lifted the woman's chin, without hesitation kiss up.

They haven't done it since the man got better.

After only a few kisses, even appetizers are not considered, every time the heart itch unbearable, how can not solve the greedy.

Anyway, Jiang Chengzhan is going to have another family meeting with Su wanwan.

Su wanwan began to keep awake and struggle hard. After several rounds, she was soft as a pool of water and fell into the man's arms.

Two people kiss all the way from the door to the bedroom, and finally fall on the big bed.

I don't know where the clothes were thrown.

"Wife," Jiang Chengzhan looked down at her, heavy breath has been hit on the woman's sensitive neck.

The sweat dripping down on the man's forehead, Su Wan Wan closed her eyes, did not let the sweat drip on her eyes.

"I want you."

So frankly, Su wanwan couldn't help shaking. She wrapped her hands around his neck, bit his red lips and said, "I want you, too."

XXOO, OOXX.....

A burst of mandarin ducks playing in the water, after the battle between men and women, Su wanwan was all tired, lying on the bed, weak and said: "if you're not enough, I'll use my hand?"

Because of the stomach, Jiang Chengzhan was very careful when doing it, for fear of hurting her, so he didn't enjoy it in the end.

Sue didn't really enjoy herself, but she couldn't help it. Before she gave birth to her baby, she could only do it like this.

But Jiang Chengzhan can solve it in other ways.

Jiang Chengzhan see her tired almost no longer look, distressed said: "forget it, I go to the bathroom to solve."

"Don't," said Su wanwan, holding his big hand and climbing over.

.....

Unexpectedly, the two people who came to the birthday party were sleeping in the hotel.

Sue didn't wake up until 9 o'clock the next morning. She didn't remember when she was next door, because in the end, there was only man's panting in her ears.

I don't know what happened to Su Xiaoxiao and Tian Yingqi.

Is Liu Zhilan angry?

Let her count others all the time, and count her daughter in this time, right?

Thinking of Jiang Chengzhan's cooperation, Su wanwan can't help but raise her lips.

She used her mouth last night after she couldn't use her hands.

Obviously feel the pleasure of men.

"Are you awake?" Jiang Chengzhan's voice came from the living room next door. Su

wanwan said, "you didn't leave?"

"Is the company OK?"

Jiang Chengzhan pointed his notebook with his chin: "most things can be handled here. I'll take you home later. I'll go to the company first. I'll send your dress home. It's not suitable to change it. Tomorrow's anniversary celebration will be busy all day."

Su wanwan, thinking of tomorrow's celebration, was a little absent-minded.

At that time, I don't know how many news media will definitely take pictures of her and Jiang Chengzhan attending together, so that the two people can be regarded as public, right?

Is she his aboveboard wife?

No, it's like she's always been his aboveboard wife.

After breakfast, Jiang Chengzhan sent Su wanwan back. When Su wanwan got off the bus, he gave her another kiss. "Wife, wait for me to come back in the evening and serve you with my mouth, OK?"

There is also a driver in the driver's seat. Jiang Chengzhan's voice is not very loud. Maybe he will be heard by others. Su wanwan is so ashamed that he raises his hand to beat him: "what are you talking about?"

Jiang Chengzhan pecked on her mouth again, and then released her completely.

Driver in front: I'm a little driver with strong feelings. I'm deaf and have a very poor understanding ability. I never understand the yellow stuff that comes out of the boss's mouth.

The person in charge of the company soon sent Su's evening dress. It was a very beautiful polar dress, with bright diamonds on the top of the meat pink light yarn. The light flashed, which was even more brilliant than those Oscar stars.

After su wanwan put it on, her skin was white and tender, her waist was slim, graceful and elegant, and she was beautiful and precious.

No wonder rich people like to tailor it. Su wanwan thinks that this is the life of the rich.

Tailor made?

Su wanwan suddenly remembered that the designer didn't seem to have measured her,

and she has gained some weight in her abdomen recently.

"Well," she asked the person in charge of the dress, "how does my size designer know?"

The person in charge naturally told her: "it was reported by President Jiang. At that time, when sister Zhao was there, sister Zhao envied us very much and said that President Jiang was very kind to his wife."

Su wanwan chuckled and heard the person in charge say: "sister Zhao also said that at that time President Jiang first held a waistline, and then changed it. Madam, do you think it's right for you now?"

Smelly man, the heart is still so thin.

Later, I changed it. I must have thought that she would get fat when she was pregnant.

Fortunately, the month is small and not obvious.

"Madam, tomorrow I will bring the make-up artist to make up for you. Jiang always says that he will keep all the jewelry for you. Don't forget, madam."

"OK, I see," Su wanwan thought of Jiang Chengzhan's thoughtfulness

Hearing that the person in charge mentioned jewelry, she suddenly thought of something. What about the bracelet?

The auction was taken away by Qin Mingyang. Although she guessed it was Jiang Chengzhan's advice, he didn't admit it in the end.

What now?

Wuwuwu, she wants to wear that bracelet to the celebration now.
