

《Sweet Daily Life With Rich Fool Husband》

Chapter 82

"Well," Jiang Chengzhan forced out a smile. At that time, his assistant only told him to go home and tell his wife that he bought the bracelet himself, but he didn't tell him the name and meaning of the bracelet.

What's the answer now?

The woman's eyes are full of examination and cunning, which clearly means to see through. If he doesn't answer well, he will be swept out immediately.

President Jiang, who is afraid of being swept out of the house, has not had a good rest recently, and his brain keeps running at a high speed. When he comes home today, he can finally relax, and his brain is confused. The key is that the woman in front of him is so beautiful that his eyes are on fire, so he blurts out what he didn't think.

"A red heart to the sun?" He glanced at the ruby. It was really like a red heart.

Su wanwan is stunned for a few seconds. She looks at Jiang Chengzhan and the ruby in her hand. It's not to say that she really has the meaning of heart.

What's the name?

Did not hold back his smile, "Jiang Chengzhan, how do you mean?"

After these words came out, Jiang Chengzhan was stunned. He didn't expect that he would say these words. Fortunately, Su wanwan laughed, so he laughed.

Hard to hold the woman in his arms, the voice is particularly hoarse, said: "wife, you do not difficult for me, I now do not think about anything, just want you."

Su wanwan pushed him hard: "if you cheat me and dare to say that, you'd better go out and live."

"Don't," Jiang Chengzhan held her hard, refused to let go and continued to work hard, "I can explain."

Su wanwan was so ground that he couldn't get angry, "then explain."

Jiang Chengzhan lowers his head and rubs her delicate neck with his nose. The woman's skin is smooth and delicate, with a faint milk fragrance. It's really attractive.

"It's been a very busy month. I asked my assistant to buy this necklace for me..."

He said that he straightened up and looked at Su wanwan very seriously, "but I promise it's true. I specially asked them to buy the best. I don't have time."

Sue was biting her lips to listen to his bullshit.

Jiang Chengzhan: "then when I was about to get off the plane today, my assistant was very clever. He said that he saw that you were not happy. He asked me to buy it myself, my wife..."

He vowed, "I will never listen to other people's bewitching any more. I just say that because I think you are so happy. I will resign this asshole assistant tomorrow."

"Wife, you see, if you don't answer my phone, I'm flustered. Then a little assistant can see that you're not happy. Do you think I'm pathetic?"

"I know it's wrong. I won't listen to others any more. I'll fire him."

People are also kind-hearted. It's really unnecessary to fire someone for such a small matter. It's clear that Jiang Chengzhan has no bottom line, and now it's all on people.

Su wanwan said angrily, "it's the discrimination you don't understand. Now it's all on the other people's heads?"

"People can see that I'm angry. Why can't you?"

"Why do you want to dismiss people?"

"Don't dismiss, don't dismiss," Jiang Chengzhan said repeatedly, "what you said is right."

Su looked at him speechless: "the point is not that. It's how you can lie to me. Once you lie, you will lie again and again. Now it's a small thing. Who knows what will happen in the future?"

"In case, in case..." in case there is a woman outside in the future?

She said aggrieved, eyes were filled with fog, a sour nose to the side of the small face.

The woman's tearful eyes, poor appearance, Jiang Chengzhan is really hurt, "wife, I really know wrong, no matter what the truth, no longer cheat you, you don't get angry, eh?"

The man's tone is still sincere. Su wanwan knew that he was very tired these days, so she didn't plan to pursue him any more. She nodded: "then if you lie to me again, I won't pay any attention to you any more."

"Good," Jiang Chengzhan a good word export, a bent down to hold up the woman, "wife, I have to account, now give me some compensation."

"Are you not tired?" Su wanwan's body empties, an arm around his neck, but soon is put on the bed by the man.

The man put his arms on both sides of her body, exhaled hot air just hit her face, warm and numb.

She hid subconsciously.

Jiang Chengzhan's eyes are scarlet, like a prairie wolf who has been hungry for a long time

Su wanwan pursed her mouth and didn't speak. The man bowed his head and gave her a kiss on the forehead. Then his lips moved down little by little and finally fell on her lips.

Four pieces of lip flap toss and tear rub, woman shortness of breath, uncontrolled open small mouth, the man quickly followed in.

.....

"Asshole, where are you going to kiss?"

The woman can't help shuddering and starts to whine.

"Then you are your baby daughter's little granary."

Jiang Chengzhan said with a special erotic smile: "I'll try it first, not poison food."

.....

I don't know how long it took. Su wanwan felt that her body was hollowed out, so the man let her go.

The man was satisfied and soon went to bed. Su had to get up late to feed his daughter night milk.

My son was taken care of by Yuesao because he ate milk powder.

She just needs to take care of her daughter.

In a flash of time, it was 100 days before the two babies were born.

Jiang Chengzhan held several tables and invited all his close relatives and friends.

Su wanwan likes this kind of low-key style. When the show is big, she thinks it's extravagant and wasteful, and she also troubles others.

However, Jiang Chengzhan's low-key is still beyond the imagination of ordinary people. After all, the president of Jiang's group has a higher low-key than the high-key of ordinary people.

Early in the morning, Cui Lingyue came to help.

One day's itinerary of the two babies was designed by Su. First, they had to have their hair cut, and then they had their hair made into a brush. Then they took a bath and took photos for a hundred days. Finally, they had their footprints preserved as a memorial.

As a matter of fact, Jiang Chengzhan has hired a special person in charge of this series of operations. Su wanwan only needs to take his children with him to cooperate with them.

But after all, it's two twin babies with different personalities. It's easy to operate, but in fact, it's very troublesome when the baby doesn't cooperate.

May 3 is more clever and sensible. Whether it's haircut or bath, he is quiet. He just keeps turning his eyes and looks at the people around him curiously.

And nine younger sister is not so obedient, a listen to the push of shaving, she began to cry, hand foot plane said nothing to cooperate.

Sue held her in her arms so that she was sweating and didn't understand the child.

Cui Lingyue held Wusan and said with envy: "later, I will have a good baby like Wusan." she said, kissing Wusan every other time. The little guy's white face is so cute.

Su wanwan raised her hand and rubbed her forehead. Fortunately, after tossing for a

long time, Jiumei fell asleep and finally could shave her head quietly.

Smell speech to smile: "that you must hold tight."

She pause for a while, smile to ask: "Cen always exactly what meaning, isn't he still don't know you like him?"

"How can it be," Cui sighed, "he just doesn't want to accept me. I don't think I can hold on any longer."

Su wanwan thought about it and suddenly had two good ideas, "Hey, if you want to find a boy to be intimate with you, it's like chasing you, and you're also hesitating, and then try to tell him this letter and see what his reaction is?"

"If he doesn't respond, you can just give up. You can't hang yourself by a tree. If he's jealous, hehe..."

Cui Lingyue gets goose bumps all over by Su wanwan's unkind smile, but what she says is reasonable.

After another chat, Jiang Chengzhan called Su wanwan and asked, "is the baby ready? The banquet is about to start."

Nine younger sister's hair finally cut almost, said: "it's OK, and so on can take the bath in the past."

Cui Lingyue looked at Su's phone call late at night and wondered, "why did your husband go to take pictures of the children? How can you take pictures together when he's not here?"

Su wanwan was also surprised: "I was in the study just now. Now I should be in the hotel. I didn't say that I came to pick us up. I ran by myself, probably accompanying the guests."

Two people also didn't think much, nine younger sister don't cooperate, everybody also have no way.

The banquet started at 12:00, and it was almost 12:30. Sue packed up the two children and took them out.

Su wanwan can only hold one, and the other is held by Yuesao. As she walks, she reminds Yuesao to be careful, but her voice is still in the air. Suddenly, she sees Jiang Chengzhan standing at the door with a very strange woman. She is shocked, and her steps have stopped.

The woman was tall and slender. She looked very delicate. Her wavy hair was tied up by her, and she was wearing big sunglasses. She stood beside Jiang Chengzhan.

"Late, what are you doing?" Cui Ling reads to see she does not walk behind to urge a way.

Su wanwan moves her foot to let Cui Lingyue open the way, but her heart is full of doubts.

In the TV drama that kind of small three hit the door-to-door drama quickly flashed in my mind, if Jiang Chengzhan brought people to demonstrate, what would she do?

Is she going to leave the place for others with her children, or is she going to tear it up?

When there were no children before, she was not afraid to tear with anyone, but now she has two children with her. What if she is hurt?

.....

Fortunately, Jiang Chengzhan didn't let her think for a long time. He quickly introduced her to her: "this is the elder sister," and then he introduced her to the people around him, "elder sister, wanwan and two children."

The woman takes off her sunglasses and hands them to the bodyguard next to her. Su wanwan watches her eyes turn red, and her eyes stick to the child in her arms.

She suddenly remembered that Jiang Chengzhan had a sister.

Auntie has always existed only in people's mouths. She has never seen her before, and she didn't react for a moment.

At the moment, seeing her coming up to her, Su did not respond until later, shouting like Jiang Chengzhan: "elder sister."

Jiang Chengmin didn't speak, but his eyes were looking at the child.

Su wanwan saw that she had been staring at the child and guessed that she wanted to hold the child. She hesitated and handed the child forward: "sister, do you want to hold her?"

Jiang Chengmin just about to reach out, Jiang Chengzhan suddenly came to hold her, voice is particularly gentle: "elder sister, also want to go to the hotel, too late, later hold."

At the end of the speech, he pulled people into the car.

Su wanwan stared at them, but she was more and more confused.

Although Jiang Chengzhan is very gentle to his sister, it seems that he doesn't want her to hold their children.

Why on earth is this?
