

Ye Chen & Charlie wade

Secret Identity 371-380

Chapter 371

Ma Lan had been absent-mindedly soaking in the mahjong parlor all morning, waiting for it to be almost time to hurry to the Tianhua Grand Hotel for her appointment with Gao Junwei.

All morning, she repeatedly wondered what the million dollar gift that Gao Junwei said would be.

Jewelry? Jewelry? Cash? A check? Or something else?

For someone like Ma Lan who loves to take advantage of small things, the attraction of Gao Junwei's million dollar gift is too big.

Last time, Ma Lan took Xiao Churan's check for 180,000 and took 160,000 from it, happily she couldn't close her mouth for days.

She was so happy that she couldn't keep her mouth shut for several days. Therefore, she was even more excited when she thought that she would get a million gift from Gao Junwei.

At half past eleven, Ma Lan said goodbye to the poker player and left the door of the mahjong parlor, so she took a [new penpal www.xbiquge.biz] taxi and headed straight to the Tianhua Grand Hotel.

When she arrived at the place agreed upon by both parties, she followed the agreement and did not rush in, but stood at the entrance of the hotel, waiting for the arrival of Gao Junwei.

Soon, a brand new black Mercedes-Benz car, slowly parked in front of her eyes.

Then, the car door opened, a young man in a suit, a talented-looking man stepped out of the car.

The man was Gao Junwei.

Gao Junwei looked really handsome and graceful, but the only pity was that he was walking with a limp.

Many girls were attracted by his cool look and the luxury Mercedes-Benz car, and were looking at him with gleaming eyes, but as soon as they saw that he was a cripple, they immediately sighed with regret and turned their heads.

Gao Junwei saw all this in his eyes, his heart was extremely angry, and he hated Ye Chen and Shi Tianqi even more, and only wanted to do something about it.

However, at this time, Ma Lan was not far in front of him, so he was not in a position to show the hatred in his heart, so he limped to meet Ma Lan.

Gao Junwei arrived in front of Ma Lan, smiled slightly, and said, "Auntie, sorry to have kept you waiting."

Ma Lan hurriedly said, "Oh my Junwei, you are so polite, Auntie also just arrived not long"

Saying that, she looked at this brand new Mercedes behind Gao Junwei and asked in surprise, "Oh my, this Mercedes, is this your new car?"

Gao Junwei smiled, "Yes, this Mercedes Benz S500 was just brought up from the 4s shop this morning, and the price isn't too expensive, it's just over 1.6 million."

Saying that, he handed the keys to Ma Lan's hand and said, "Auntie, please take the keys to this car."

After receiving the key, Ma Lan was in a fog and couldn't help but ask, "Junwei, what are you doing?"

Gao Junwei smiled slightly and said, "Auntie, this is the generous gift I told you I had prepared for you on the phone! I see that Uncle Xiao and Chorán both have a BMW, and you still don't have a car, this is really unjustifiable and sorry for your status."

Ma Lan was impatient with excitement and said, "Oh my Junwei, this is too expensive, how can auntie take it!"

Although that was the case, the car key in her hand was held very tightly, and she had no intention of returning it to Gao Junwei.

Gao Junwei naturally took this little thought of hers into his eyes and said with a smile, "Auntie, to be honest, the car that Uncle and Chorán are driving is a hanging 5-series BMW, which together is only 900,000, far less luxurious than this Mercedes s500, I see that Auntie your temperament, you should be driving a Mercedes, so this car well please smile!"

Marashi's heart was already bursting with joy!

She's the quintessential example of the kind of snobbish mother-in-law that society sees all the time!

372

She has nothing but money in her eyes!

In her opinion, the most important thing for a son-in-law was to be rich and willing to spend money on himself, otherwise, no matter how good a son-in-law was, it was just a stinking dog turd in her eyes.

A man like Gao Junwei was the best son-in-law because he was willing to spend money for his mother-in-law!

Now before he even got together with his own daughter, he was already so generous that he wanted to give himself a 1.6 million big Mercedes Benz, if Xiao Choran really followed him in the future, then he would have to give himself a big villa and a big yacht!

She was so excited at the thought of it!

However, superficial hospitality was still necessary, she grabbed Gao Junwei's arm and said seriously, "Oh my, Junwei, you really touched Auntie, but this car is also too expensive, I'm afraid it wouldn't be appropriate for Auntie to accept it, right?"

"How could it be inappropriate?" Gao Junwei said earnestly, "Auntie, it's a token of my appreciation that I'm giving you something, just feel free to accept it! Nothing inappropriate!"

Ma Lan was overjoyed to see him speak so firmly, so she stopped being polite and just put the key in her pocket and said with a big smile on her face, "Then Auntie will be more than welcome to accept it. Thank you so much Johnny!"

Gao Junwei took in her money-obsessed expression and smirked in his heart, just by rushing Xiao Churan's mother's snobbishness, it seems that he and his father's plan can definitely be fulfilled!

However, he thought so in his heart, but said politely, "Auntie, let's stop standing at the door, go in and eat while we chat."

Ma Lan was so excited that she nodded her head in succession, "Good, good, go in and chat, go in and chat!"

When they walked into the Tianhua Hotel, Gao Junwei asked the waiter to take them to their reserved seats.

After they were seated, Gao Junwei directly ordered a large table of expensive and delicious food.

Eating the food, Gao Junwei pretended to feel guilty, "Auntie, last time Uncle Xiao was hospitalized, I actually hired a quack to go over there, I'm not good at this, I have to say sorry to you here!"

Lan Ma looked at Gao Junwei and said with a smile on her face, "You don't have to be like this, you kid, Auntie didn't blame you at all for what happened last time! You're a victim too!"

Gao Junwei nodded, looked at Ma Lan and said seriously, "Auntie, to tell you the truth, I want to chase Chorán and marry her, I wonder if you will agree?"

When Marashi heard this, she was so excited that she said, "Agreed agreed! Auntie agreed! To tell you the truth, in Auntie's heart, she has long thought of you as my future son-in-law!"

Gao Junwei sighed and said, "You think so, but I'm afraid that Chorán's side, still holds a grudge against me, and if the misunderstanding between us isn't cleared up, I'm afraid that I won't be able to be with her for the rest of my life."

Ma Lan immediately said, "What misunderstanding is there, just say it out loud? If you're too embarrassed to say it, Auntie go say it for you!"

I have a villa by the riverside, I'll arrange a candlelight dinner tonight, and make some flowers and hearts, and then you can ask Churan out, so I can apologize to her. And maybe if she gets excited, it'll be done!"

"Geez Johnny, that's very kind of you!" Ma Lan brightened up and hurriedly said, "That's okay, I'll give Chorán a call!"

After saying that, she took out her phone and prepared to call Xiao Churan.

Gao Junwei was delighted, his mouth hurriedly said, "Auntie, you must not tell Churan that it's me who wants to ask her out, otherwise she will definitely just stop coming to see me."

Saying that, Gao Junwei added, "You can tell her that you have a friend who is preparing to decorate a large villa by the river and would like to get her studio to design it, she has such a strong work ethic that as soon as she hears that there is a business order, she will definitely say yes at the first opportunity, you can come with her then, and when I confess to her, you can also put in a few good words for me!"

Lan Ma brightened up and said off the top of her head, "Great! Just do as you say!"

Gao Junwei's eyes flashed with a sinister hint of evil as he thought to himself, "Tonight, I'll first screw the gorgeous Xiao Churan, then try the still charming Ma Lan, then a phone call to trick Ye Chen over and shoot him in the head!"

373

At this time, Xiao Churan, Ye Chen and his father, Xiao Changkun, had just had lunch at home.

When Ye Chen went to the kitchen to clean up the dishes as usual, he suddenly received a call from Chen Xiaozhao.

As soon as the call came through, Chen Xiaozhao shyly asked, "Master Ye, what are you doing?"

"At home." Ye Chen said faintly and asked, "What's wrong? Looking for me for something?"

Chen Xiaozhao said, "I'm calling to report something to you."

"You say."

Chen Xiaozhao was busy, "It's like this, yesterday, both Gao Junwei and Xiao Yiqian came to my grandfather's medicine hall, begging him for treatment, my grandfather didn't know that Xiao Yiqian had offended you, and almost gave Xiao Yiqian the half of the medicine that you rewarded him with last time!"

Ye Chen curiously asked, "What? Is your family close to Xiao Yiqian? Such a precious medicine, and your grandfather is willing to give it to him?"

Ye Chen knew very well that in his heart, Shi Tianqi treated the divine medicine he gave as a treasure, literally seeing it as important as his life.

No one would take the liberty of giving such an important thing to someone they did not know or had an ordinary relationship with.

Chen Xiaozhao hurriedly said, "My grandfather and Xiao Yiqian's father were brothers in arms, and they had many years of history, so our two families also have many years of history."

Saying that, Chen Xiaozhao told Ye Chen in detail about the causes and consequences of his grandfather and the Xiao family for so many years.

After listening, Ye Chen realized that the Xiao family was actually the benefactor who had helped Shi Tianqi back then.

The fact that Shi Tianqi was able to repay the Xiao family's kindness nonstop for so many years because of the little favor back then also made him somewhat impressed.

What made him even more satisfied was that Shi Tianqi was able to distinguish right from wrong and was willing to break with the Xiao family for his own sake.

Although Ye Chen was the young master of a top Yanjing family, he had left the family at a very young age with his father to travel around to survive. After his father's accidental death, he had to survive in the orphanage, tasting the cold and warmth of the world.

It's also in the orphanage that Ye Chen has developed the character to repay a kindness.

Auntie Li from the orphanage had helped him, and even though he had suffered all the insults, sarcasm and personal attacks from the Xiao family in front of the Xiao family, he had asked the old lady Xiao to help him by lending money to Auntie Li for treatment.

Xiao Chorán had helped himself, and even if he couldn't despise the nasty Xiao family and his strange pair of in-laws, he wouldn't want to leave Xiao Chorán.

It was because he was the one who knew how to repay his kindness that he felt even more affection for Shi Tianqi.

It seemed that in the future, Shi Tianqi would definitely become his loyal and devoted follower.

Since Shi Tianqi was so loyal, it was only right that he should give him some benefits.

Thinking of this, Ye Chen decided to go to Shi Tianqi's Franciscan Hall in the afternoon and give him another pill that he had concocted last time.

That time, Ye Chen had concocted thirty medicines in one breath, sent a few out, and had twenty more to go.

This medicine was practically at his fingertips, and it was of little practical use to someone like him who practiced the Nine Xuantian Scriptures and also had aura in his body, so sending him one was almost zero cost.

Moreover, Ye Chen also hoped that he could let these people in Jinling know that he was a person who had clear rewards and punishments.

If you don't do something well, you must be punished!

But when it's done well, it's even more rewarding!

Shi Tianqi did just fine this time, so he went to reward him with a miraculous medicine of his dreams in the afternoon.

So, Ye Chen for Chen Xiaozhao: "Is your grandfather in the afternoon at Ji Shi Hall?"

"In." Chen Xiaozhao asked excitedly, "Are you coming, Master Ye?"

374

Ye Chen hummed and said, "I'll go over to take a look this afternoon."

"Great Master Ye!" Chen Xiaozhao cheered and said, "Then I'll go tell grandpa right now, he'll be very excited!"

After cleaning up the kitchen, Ye Chen just came out and saw that Xiao Churan was ready to go out, so he asked, "Honey, are you going to the studio?"

Xiao Chu Ran shook her head and said, "Mom called me and said that she has a friend who wants to renovate a villa and wants me to take this order, I'm going over to take a look."

Ye Chen was busy asking, "Which villa area ah?"

Xiao Churan said, "Villa by the river, it's right by the river."

Ye Chen smiled, "That's just right, you can drop me off at the Franciscan Hall and I'll go see Divine Doctor Shi."

Xiao Churan asked in surprise, "You're going to see Divine Doctor Shi? Why don't I come with you, and we'll stop by and buy something to see his old man!"

Xiao Churan was very grateful to Shi Tianqi, because she always felt that it was Shi Tianqi who had wonderfully rejuvenated and cured her father's paraplegia.

Ye Chen smiled and said, "You don't have to worry about it, just take me to the place and go busy with your business, I'll just go see Shi Divine Doctor."

Xiao Churan said, "How inappropriate is that"

Ye Chen smiled, "There is nothing inappropriate, besides, Doctor Shi has an odd personality, if the two of us go together, people might not be happy."

Once Xiao Churan heard this, he nodded and said, "Alright, then you go first, if possible, make an appointment with Divine Doctor Shi and we'll both treat him to a meal."

"Good!"

.....

The couple went out together, and Xiao Churan drove the car, driving Ye Chen in the direction of the city.

Passing by the Ji Shi Hall, Ye Chen got out of the car and instructed Xiao Churan to drive more carefully, and he stepped into the door of the Ji Shi Hall.

Shi Tianqi was treating someone in the medicine hall at this time, and suddenly saw Ye Chen come in, he was so excited that he got up to greet him and said, "Master Ye, you are here!"

Ye Chen smiled slightly and said, "You are busy first, don't mind me."

Shi Tianqi nodded and busily greeted Chen Xiaozhao, who was dispensing medicine at the back, and said, "Xiaozhao, Master Ye is here! Come out and entertain!"

Chen Xiaozhao immediately dropped her work and stepped over with two red clouds on her cheeks.

"Master Ye, you're here!"

Chen Xiaozhao's voice was brittle and sweet, and her face also had an innocent smile on it, especially the two shallow dimples, which looked particularly endearing.

What surprised Ye Chen even more was that unlike other women, Chen Xiaozhao's body always carried a faint scent of perfume, what she carried, was a faint scent of medicinal herbs.

The vast majority of medicine shops had a heavy smell of medicine in them, and they didn't even talk about fragrance, but the smell on Chen Xiaozhao's body was clear and fragrant, and it even had a few calming effects.

Ye Chen looked at her and smiled, "Now that your grandfather's health has recovered, you're retreating to the background and taking action?"

"Yeah." Chen Xiaozhao smiled sweetly, "But I don't always play a hand, Grandfather personally sees five patients every day, and I come to see the rest of them."

Ye Chen nodded and said, "Your medical skills are already superb, I believe it won't be long before you become a famous little divine doctor in Jinling."

"How can that be." Chen Xiaozhao inevitably said shyly, "My medical skills are far worse than Grandfather's, and even worse than Master Ye you"

At this time, Shi Tianqi sent the patient away, and said to the staff in the pharmacy, "Say hello to the waiting patients, and tell them that I have a valuable guest here, and I need to suspend the consultation and entertain them first, please excuse me."

After saying that, he immediately stepped forward to Ye Chen, bowed with a respectful cupped fist, and said, "Greetings, Master Ye!"

375

When Ye Chen saw Shi Tianqi come up and salute himself, he smiled slightly, waved his hand and said, "Old Shi, you don't have to be so polite with me, and you don't have to call anything Master Ye, just call me Ye Chen."

"How does that make!" Shi Tianqi hurriedly bowed and said, "Master Ye is a true dragon on earth, how can I Shi call Master by name!"

Ye Chen saw that he was a bit stubborn in his manners, but he didn't continue to persuade him and spoke, "I heard that both Gao Junwei and Xiao Yiqian came to your place yesterday?"

Shi Tianqi was surprised and asked, "Master Ye, how do you know about this?"

Chen Xiaozhao, who was on the side, threw out his tongue and said, "Grandfather, I was the one who told Master Ye"

Shi Tianqi hurriedly reprimanded, "You child! Master Ye is busy with his affairs in his day-to-day life, how can you bother Master about such a small matter?"

Chen Xiaozhao was a little aggrieved all of a sudden.

The reason why she called Ye Chen was not because she wanted to take credit for her grandfather, but because she wanted to find an opportunity to say a few words to Ye Chen.

After all, she had already regarded Ye Chen as an idol in her heart, and even worshipped him more than she worshipped her grandfather, so she also wanted to find an opportunity to have more contact with him, even if it was just a phone call.

However, a phone call couldn't be without a topic, right?

So, she took it upon herself to report yesterday's incident to Ye Chen.

However, she did not expect that her grandfather would immediately berate her without saying a word.

In his heart, Shi Tianqi was mainly worried that Ye Chen misunderstood, after all, Chen Xiaozhao making this call to Ye Chen was in itself a bit of an invitation to take credit for himself, he did not want Ye Chen to misunderstand that he was a person who wanted to take credit for everything.

Ye Chen saw Chen Xiaozhao's aggrieved face and said with a smile, "Old Shi, it's just a little thing, why do you need to blame Xiaozhao."

Only then did Shi Tianqi hurriedly say, "I'm making Master Ye laugh."

Ye Chen waved his hand and said indifferently, "Old Shi, that Gao Junwei, as well as that Xiao Yiqian, have all offended me, and for you to refuse to treat them is considered giving me Ye Chen's face, I'll remember this favor."

Shi Tianqi busily said, "Master Ye, you have a renewed kindness to Shi, this small matter is Shi's share of sharing your worries, you don't need to be polite to Shi."

Saying that, Shi Tianqi pointed at his own Relief Hall and said seriously, "Shi Mou's decision to stay in Jinling to open a medical hall is mainly also to be able to be at your disposal at any time, Master Ye, and also to have the opportunity to repay your kindness!"

Ye Chen smiled, "You have a heart."

After saying that, he took out a pill from his pocket and handed it to Shi Tianqi, saying, "Old Shi, the medicine I gave you before can cure injuries and strengthen your body, although I haven't specifically proved it, but according to the ancient recipe, even a dying old man can prolong his life for five to ten years after taking one divine pill, so I'm gifting this pill to you and you keep it close to your body, it might be useful in the future."

Shi Tianqi looked at the pill and shuddered, threw himself on his knees and said tremblingly, "Master Ye, can't make it, Master YeYou have already rewarded Shi Mou with an additional half of a divine pill last time, Shi Mou has not yet been able to repay his kindness, how can he accept such a gift again"

The next Chen Xiaozhao, once she saw her grandfather all kneeled down, she also flung herself on the ground, but she was good, her slender hands on top of her knees, her big watery eyes, shy and bold, looking at Ye Chen.

Ye Chen's divine medicine was also given to a few people, although these people all knew that the divine medicine was incomparably precious, but the person who knew the value of it the most was Shi Tianqi.

First of all, Shi Tianqi had practiced medicine all his life, the more proficient he was in the art of medicine, the more he knew how ungodly the efficacy of this divine medicine was, not to mention rare in the world, not even a second one could be found .

Secondly, Shi Tianqi is old, the older you get the more you know your fate, so what if you are a world renowned doctor? After eighty years of age, it was possible to suddenly one day quietly pass away in one's sleep.

And this divine medicine, which could prolong the life of a dying old man, wasn't just a pill, it was several years of life!

Of course, Shi Tianqi wanted this divine pill, but he didn't dare to take it.

376

As the saying goes, no merit, no gain.

He was merely rejecting Gao Junwei and Xiao Yiqian, and in his opinion, this small matter was completely unworthy of having Ye Chen give himself such a valuable divine medicine.

But Ye Chen was fine with it.

If he wanted to make this stuff, he could make thousands of them a day.

The reason why he didn't get so many was mainly because things were precious.

Therefore, giving one to Shi Tianqi was nothing at all.

So he said indifferently, "Old Shi, since you want to stay at my side and share my worries, you should know that I, Ye Chen, have always done things with clear rewards and punishments, I think you have done well and should be rewarded, then I will naturally reward you, and you don't need to be polite with me, you can take what I reward you."

Shi Tianqi was so excited that old tears were streaming down his face, he hurriedly lay down on the ground with both hands and kowtowed as he said, "Thank you, Master Ye! Thank you, Master Ye!"

Chen Xiaozhao, who was on the side, also hurriedly kowtowed respectfully and said, "Thank you, Master Ye!"

Ye Chen looked at Chen Xiaozhao, smiled slightly and said, "Xiaozhao, raise your head."

Chen Xiaozhao hurriedly raised her head, her little face flushed red as she looked at Ye Chen, her eyes somewhat shy and dodgy.

Ye Chen looked at her and smiled slightly, "In the future, when the time is ripe, I will also grant you a divine medicine, and at that time, it may allow you to take your medical skills further as well."

The main purpose of the divine medicine for the elderly was to heal and rejuvenate the body's functions and meridian internal energy.

Whereas for young people, after taking it, it could greatly strengthen the body and even allow the meridians in one's body to be greatly strengthened.

Chinese medicine places the most emphasis on qi, the internal qi in the practitioner's own body, the requirements are higher, such as acupuncture, the internal qi is not enough people, some needles even if they know, can not even make it out, make it out can not reach the effect.

This was why, many famous doctors themselves also had very strong bodies, the fundamental reason why.

When Chen Xiaozhao heard this, he was so excited that he instantly shed tears, and Shi Tianqi, who was beside him, was also excited and said in a panic, "Xiaozhao, don't kowtow to Master Ye to thank him!"

Chen Xiaozhao came back to his senses and busily bowed down and kowtowed, choking with excitement, "Xiaozhao kowtowed to Grandmaster Ye!"

.....

When Ye Chen was at the Ji Shi Hall, giving medicine to Shi Tian Qi, Xiao Churan had just driven her car to the riverside villa located in the suburbs.

After she arrived at the entrance of the villa area, she called her mother, Ma Lan, and said, "Mom, I've arrived at the Riverside Villa, which house is that friend of yours in exactly?"

"Good." Xiao Churan said, "Then I'll wait for you at the door."

This side of Ma Lan was so excited that she hung up the phone, so she hurriedly said to Gao Junwei, and Gao Junwei's father, Gao Jianjun, "Choran is here, I'll go pick her up!"

Gao Junwei was busy pointing at the roses and candles arranged in the shape of a heart at the entrance of the gate and said, "Auntie, don't let it slip out, I hope that Choron doesn't even know I exist before she comes in, so that she can see this romantic scene as soon as she enters!"

Ma Lan laughed as she said, "Geez Junwei, don't worry, I won't let it slip!"

377

Gao Junwei's father, Gao Jianjun, hadn't spoken, but looked Ma Lan up and down, thinking that although this woman was a bit older, she was still very charming, and was considered to be one of the tastier ones among his peers.

At this time, he looked at Ma Lan, and his eyes were greedy, thinking that when Xiao Churan arrived, he would just make a move to tie both of them up, and then, he would have a taste of this Ma Lan first.

If there was still time, he could even try that young and beautiful Xiao Chorán!

Thinking of this, he smiled and said to Ma Lan, "Oh my, Ms. Ma, if your family Chorán, and our family Junwei can get together, then we will be able to become a family in the future!"

Ma Lan looked at Gao Jianjun and nodded repeatedly, flattering, "Mr. Gao, it's a blessing for our family Chorán to be related to you."

Gao Jianjun smiled, "With Ms. Ma in the middle to set them up, I think the two children will definitely be able to get together."

Ma Lan agreed and said, "Gao, I share your view! The two children are a perfect match for each other, don't worry, I'll advise Chorán to divorce that trash Ye Chen later!"

After saying that, she hurriedly said to Gao Junwei, "Junwei, you mustn't think that just because Chorán was married, second marriage, you have a problem with her, but our Chorán has been keeping her body like a jade since she got married to that punk Ye Chen!"

Gao Junwei got excited all of a sudden.

Guard your body like a jade?

Did Xiao Chorán still retain her chastity?

Jesus! That would be awesome!

Today, the famous beauty of Jinling, Xiao Churan, is about to be beheaded by herself for the first time!

Thinking of this, he was not excited and could not wait to immediately put Xiao Choran on the spot.

Ma Lan's mind was just thinking about some fly in the ointment, she couldn't see through Gao Junwei's inner viciousness, let alone know that great trouble was coming, instead she smiled and said, "Oh my, I'm going to pick up Choran, you guys wait for a while."

Father and son sent her out and back to the house, each with their own agenda.

Gao Junwei couldn't help but say, "Dad, Xiao Churan is still a virgin, it would be too much of a loss to kill her if we really get her once, right?"

Gao Jianjun said coldly, "Only by killing can we put an end to this once and for all, if we leave him alive, there will be problems sooner or later!"

Gao Junwei said, "Let's kill Ma Lan, and Ye Chen first, and put Xiao Churan under house arrest in the basement, our villa is so soundproof and so spaced out from the other homes, no one will definitely find out then."

Gao Jianjun brightened up and said off the top of his head, "You mean, put Xiao Churan under house arrest here for a long time?"

"Right." Gao Junwei said, "Otherwise, wouldn't it be reckless to waste such a beautiful woman?"

Gao Jianjun had a thought and said to Gao Junwei, "Then, let's lure Ye Chen over to kill him first, then we'll get Ma Lan and Xiao Choran on board and kill Ma Lan, and Xiao Choran will be imprisoned in the basement of the villa as you said, and every Monday, three, five, seven will be yours, and two, four, six will be mine!"

Gao Junwei was stunned, he didn't think that dad still wanted a share in Xiao Churan's matter.

After all, once he killed Ye Chen, he would have to kill Ma Lan to silence her, then Xiao Churan would definitely hate him to the bone.

By then, he would only have two choices, either kill her as well and silence her completely, or imprison her and treat her as a plaything.

Since she was a plaything, it wouldn't hurt to have one more person.

So he nodded his head and said to Gao Jianjun, "Dad, I'll do whatever you say."

Gao Jianjun was immediately pleased and said cheerfully, "That's good!"

378

Saying that, he pulled out a black pistol from his waist and finally checked it, saying with a cold face, "When Ye Chen arrives, I'll just shoot him in one shot! Revenge for you!"

.....

Xiao Churan was still at a loss for everything at this point.

She waited at the entrance of the riverside villa for a while, and then she saw her mother, Ma Lan, running all the way out to welcome her.

Afterwards, Ma Lan opened the cell's access control and greeted her, "Choran, come in quickly!"

Xiao Churan was busy welcoming her.

When she came to her mother, Xiao Churan couldn't help but ask, "Mom, why didn't I hear you say before that you know friends who live in the riverside villa?"

The riverside villa is located on the banks of the Yangtze River in Jinling, next to the river view, one of the upscale local neighborhoods, and the people who live here are either rich or famous, clearly beyond Ma Lan's normal social circle.

The first time I saw him was when he was in the middle of a fight, and the second time I saw him was when I was in the middle of a fight. They said the budget for the renovation is \$8 million. It's a big list for you, isn't it?"

Xiao Choran smiled, "Of course, normal home improvement, more than one million is considered a big list."

Lan Ma smiled, "That's good! Let's hurry over there, and you can look at the layout of the house and stuff, and give a rough idea of how to decorate it."

"Good!"

Soon, Ma Lan brought Xiao Choran with her to the door of Villa 8 and rang the doorbell.

The luxurious door opened, and the next thing she saw was Gao Junwei appearing at the door with a warm smile on his face.

As soon as the door opened, Gao Junwei said with a smile on his face, "Churan, long time no see."

She was stunned and her pretty face turned cold in an instant, ignoring him and directly questioned Ma Lan behind her, "Mom, this friend you're talking about, is that him?!"

Ma Lan was a little embarrassed and said, "Choran, don't be anxious yet, but Jun Wei has prepared a surprise for you!"

Gao Junwei nodded hurriedly, and with a flash, he revealed the rose heart on the floor of the entranceway.

Xiao Choran with anger questioned Ma Lan, "Mom, so you teamed up with Gao Junwei to cheat me?"

Ma Lan hurriedly said, "Churan, listen to my explanation, people Junwei is sincere to you"

Gao Junwei was also busy explaining, "Churan, it's not Auntie's business, I begged Auntie to help me invite you over."

Xiao Choran looked at Ma Lan with a chilly expression and said, "Mom, you've really disappointed me!"

After saying that, she turned around and was about to leave.

Ma Lan hurriedly blocked Xiao Churan's way and advised, "Churan, it's mom's fault, but mom didn't lie to you, it's all for your own good, Jun Wei really has a cooperation to talk to you, this villa is his, it's about to be renovated."

Xiao Churan frowned tightly and said angrily, "I'm not on the same page as him!"

Lan Ma glared at her and said, "What do you call that, Jun Wei has put his attitude low enough to apologize to you, look how nice the boy is!What are you still stubborn about?"

She said, and then urged, "Oh my, we're all here, just listen to Mom, communicate with Jun Wei, even if things don't work out between you two, it's good to talk about cooperation, isn't it?"

After saying that, she didn't wait for Xiao Choran to react, she pushed Xiao Choran straight into the house!

379

How did Ma Lan know that this push not only pushed her daughter into the fire pit, but also pushed herself into the fire pit.

Now, she was full of hope that Xiao Chorán would be able to freeze her grudge with Gao Junwei and then be able to feel good about Gao Junwei, this son-in-law of her own heart.

That way, she would be able to divorce that punk Ye Chen and then marry Gao Junwei.

Xiao Churan had just been pushed in by her mother, and she couldn't help but feel a little angry in her heart.

Mom usually has no discipline, no limits, and even loves money like life, which she can tolerate.

But now, she was even calculating herself, which made her really disappointed!

She was about to turn around and go out, but she didn't expect that Gao Junwei would just lock the door at this time.

Xiao Chorán said with a cold face, "Gao Junwei, trouble let me out!"

"Choran, we're here, don't be in such a hurry to leave! How about coming inside and sitting down for a chat?"

Gao Junwei blocked in front of Xiao Churan, full of hot eyes staring at the woman in front of him, looking at her long, straight legs, slender willow waist, perfect body, pretty face, his heart is hard to resist

This woman, really everywhere exudes charming charm, which makes his heart more and more hot.

Xiao Chorán looked at him in disgust and said in a cold voice, "I have nothing to talk to you about, trouble you get out of the way!"

Ma Lan still said in a silly way, "Oh Chorán, why is your child's attitude so bad? Talk well to Johnny!"

Xiao Chu Ran coldly said, "I have nothing to say to him!"

Afterwards, he pointed at Gao Junwei and warned, "Gao Junwei, please get out of my way, I want to get out!"

Gao Junwei looked at the cold expression of Xiao Chorán and suddenly laughed out loud!

At the same time, he also changed his face to another one, smiling cheaply with a face full of contempt and intrigue, "Xiao Chorán, you really take yourself seriously! Let

me tell you, I let you come because I like you, so don't be shameless!Otherwise, you'll have a hard time later!"

Xiao Chorán's face turned pale and questioned, "Gao Junwei, what do you want?"

"What do I want?"

Gao Junwei laughed and spoke loudly and obscenely, "Of course I want to fuck you!"

Hearing this, Xiao Chorán was incomparably frightened and immediately had to run out.

But before she even took a step, she was held tightly by Gao Junwei's wrist, unable to move.

Xiao Churan angrily said, "Let go of me!"

Gao Junwei stared at her pretty face and smiled, "Choran, you really are getting more and more beautiful!I wish I could fuck you right now!"

At this time, he looked at Xiao Chorán's beautiful and touching face and figure that was so perfect that it was mesmerizing, and his eyes were already so hot that they were frightening.

380

For him, he dreamed of getting Xiao Churan's body.

One had to know that Xiao Churan was the number one beauty in the entire Jinling, and she definitely deserved the name, she could simply be said to be the best of the best.

And now, such a near-perfect woman would soon be his, how could his heart not be thrilled and excited!

Ma Lan beside her was full of incredulity as she heard this.

Didn't Gao Junwei say that he was going to give a good apology to Chorán and then confess to her?

But now, what's this all about?

She rushed forward to stop her and said, "What's the matter with you, Johnny?That's not what you told Auntie at first!"

"Bullshit!" Gao Junwei's face turned pale and went up to kick Ma Lan directly to the ground, sneering, "Do you really think that I asked you to call your own daughter over to confess to her and then become your son-in-law? Don't you fucking daydream!"

He said, and then continued with an icy face: "You're such a money-grubbing snob who deserves to be my future mother-in-law? I'm telling you, I just want to fuck Xiaochu already, not only do I want to fuck her, my dad wants to fuck her too!"

At this time, Gao Jianjun came over with his pistol and said with a smile, "Son, you're half right, I don't just want to fuck Xiao Choran, I also want to try this Ma Lan! I'm a suave mature woman at this age!"

Ma Lan was so scared that she blurted out, "You can't do that This is against the law!"

"Break your mother's law!" Gao Junwei cursed coldly, "Not only are we going to fuck you two today, we're going to call Ye Chen over and shoot him in the head! A hanging trash who dares to go against me and break my leg, I will shoot his dog's head off in front of both of you!"

Ma Lan cried out in fear, "Jun Wei, this is a personal grudge between you and Ye Chen, it has nothing to do with our mother and son [District 8 www.yeyin8.com], we don't care how you settle the score with Ye Chen, but you have to let us go first."

"Let you go?" Gao Junwei said with contempt, "You're simply dreaming! Neither you nor Xiao Choran will leave today!"

Ma Lan cried and said, "Junwei, Auntie believes you are not a bad child, you are on this path because Ye Chen broke your leg, Auntie begs you, there is an injustice and a debt, let Auntie and Choran go, okay?"

"I'm not a bad boy?" Gao Junwei laughed, crouched directly on the ground, stared at Ma Lan's fearful face, and said with a smile, "To tell you the truth, the reason you and your husband Xiao Changkun were in a car accident that day was because I arranged it, I found a scraper truck driver and gave him two hundred thousand dollars to deliberately run a red light and hit Xiao Changkun's BMW, causing him to become paraplegic!"

As soon as this was said, Xiao Chu Ran's heart was simply furious to the extreme!

She blurted out, "Kao Junwei! Why are you doing this? When have my parents ever offended you?"

Gao Junwei laughed and said, "Your parents didn't offend me, but who asked me to like you? Who told me to like you, but you're so indifferent to me? I like you, and if you don't give me a chance, then I have to create one!"

Saying that, Gao Junwei said, "How do you think I'm going to win your favor and finally sleep with you if I don't bump your dad into that pussy and then have Dr. Liu go over there to treat your dad's injuries?"

"Hey"Gao Junwei said this with a long sigh and gritted his teeth, "Too bad! Who would have thought that his bullshit divine medicine was not good enough to use, and halfway through, Ye Chen, this trash, otherwise, maybe now you would be my woman!"

"Blame it on that damned Ye Chen! It's ruining my whole plan! And Hongwu threw me out of the window, and I'm a cripple at a young age! This revenge, I will definitely avenge today with interest!"

Xiao Chorán angrily shouted, "Gao Junwei! Aren't people like you afraid of retribution and thunderbolts from heaven?!"

"The sky strikes the lightning?"Gao Junwei laughed, "Fine, as long as I can fuck you, the Jinling Super Beauty, even if the heavens really want to strike me dead, then I'll admit it! But before you do, let me have a good time first!"
