Chapter 101

“How could I not know him?”

Joseph still looked the same as before, wearing his thin-framed glasses and appearing scholarly.

However, he seemed tougher and his features were more mature now.

“Rosalynn, long time no see

He looked at Rosalynn with a gentle, warm smile.

Joseph, long time no see. Rosalynn replied indifferently.

“Aren’t you curious how I got in touch with him?” Paige teased mischievously.

She met Joseph when they were both attending a tutoring class together.

For some reason, Paige was convinced that Rosalynn and Joseph had a chance together.

Even now, her insistence remained

“How did you get to know each other? Rosalynn went along with Paige’s words but didn’t look at Joseph anymore.

Although Joseph had been so hysterical back then, Rosalynn never felt guilty towards him

She never made any promises to him. With so many people pursuing her, was she supposed to be responsible for all of them?

“He’s really amazing now, he even won the Physics Prize. He was a visiting professor at our school two years ago, and I almost didn’t recognize him!” Rosalynn sipped some lemonade: ‘I see

Paige even wanted to invite Joseph to sit next to Rosalynn.

However...

“Everyone, please have a seat. I’m sorry for the inconvenience tonight. Feel free to drink; I’m treating you all,” Rosalynn said with a smile.

As soon as Rosalynn spoke, several wealthy heirs squeezed closer to her. They all introduced themselves to Rosalynn enthusiastically.

1

She had never been surrounded by so many different kinds of handsome men before.

Apart from the noise hurting her ears, everything else seemed pretty nice.

Joseph sat in the corner

Rosalynn's indifference towards him left him feeling quite frustrated.

Seeing these younger guys made him even more annoyed, so he began drinking alone.

Naturally, Rosalynn didn't drink.

She found an excuse to leave early tomorrow for a meeting.

Upstairs in the bar.

Inside the boss's private room.

"Young people these days really know how to have fun," said the pleased boss Hanley as he entered.

Several close friends were drinking

Jacob leaned on the couch, swirling the drink in his hand, and absentmindedly asked, "What kind of fun are they having?"

"They're choosing men" Hanley sat down, picked up a glass of wine, and took a big gulp.

Hanley pointed to the floor-to-ceiling window outside. "I heard from the bartender that two ladies came tonight, each accompanied by a bunch of handsome men, and they were choosing among them."

Jacob wasn't very interested

He had already heard about Secretary Tesdal's great achievements over in B City.

In the end, she still didn't listen to his advice and went back to Wayne's side.

"I bet they're both ugly one rich kid teased

Hanley shook his finger mysteriously “My friend, you’re wrong this time. Not only are they not ugly, but they’re also two incredibly beautiful women with distinct charm!”

Chapter 102

“Come on, a gorgeous girl like her would come here to pick guys?” The other person didn’t believe it.

“I knew you wouldn’t believe me, so I purposely had someone sneak a few pictures!” Hanley said proudly. “I’m gonna send them in the group chat, everyone go check them out!”

Jacob’s phone beeped twice, but he wasn’t interested in looking.

The others, however, were all full of sighs after seeing the photos.

“That girl is beautiful, but not my type. The one surrounded by people though...”

Someone suddenly frowned

Then looked at Jacob Jacob, take a look? Why do I feel like she looks a bit like Wayne’s secretary?”

Jacob snapped back to reality.

He took out his phone and opened the group message.

In the photo, Rosalynn was wearing a black dress, her long hair slightly curled and draped over her shoulders.

Someone was handing her a drink.

She reached out her hand in a lazy manner.

“I must be seeing things. This girl is charming and seductive... Wayne’s secretary is plain and gentle. They’re not the same person.”

“Hanley, recall the photos!” Jacob urged

“What?” Hanley was confused

“Wayne is in this chat group too! Recall these photos” Jacob yelled angrily.

Although Hanley still didn’t know what was going on, he quickly obeyed the command to recall these photos

They had been friends for a long time, and Wayne was different from them- nobody dared to provoke him.

“It’s too late to recall... time’s up” Hanley’s face turned pale

Jacob

“Then just chat about something else and get those messages off the screen!” Jacob gritted his teeth

Jacob had a feeling that Wayne didn’t check this group often, but he was still worried for Fosalynn.

The gathering didn’t end until past one in the morning

One by one, Rosalynn helped the drunken boys into their cars.

*Hottie, be sure to reply my messages, okay? The last one to get in the car grabbed Rosalynn’s hand, blinking his eyes, obviously not wanting to part. “Get lost, go!”

Paige, tipsy, shoved the guy’s head and pushed him into the car

“He’s like a big baby!” Paige leaned on Rosalynn, laughing “Baby, your charm is just too powerful!”

“You have the nerve to talk!” Rosalynn tapped Paige’s forehead.

Paige leaned back.

Rosalynn, afraid that Paige would fall, quickly supported her.

Paige took the opportunity to give Rosalynn an enthusiastic hug

Rosalynn was helpless

“Rosalynn, let me help”

Joseph’s voice rang out.

Rosalynn’s smile faded immediately

Joseph came over to help Paige

Paige pushed away his hand then put one hand on Rosalynn's shoulder, turned around, and pointed at Joseph "You dog, didn't you tell me how much you liked Rosalynn back then? Why did you suddenly disappear?"

Joseph's face turned pale

He looked at Rosalynn "Rosalynn

"You go ahead, fil take her home Rosalynn didn't want Joseph to badmouth her in front of Paige. Her tone and expression were not good

As soon as her words fell, a car stopped by the roadside.

Chapter 103

"Rosalynn, give me some time to talk to you!" Joseph looked at her earnestly.

Rosalynn ignored him.

Her gaze landed on the car.

But the next second, a familiar driver got out of the car. Wearing white gloves, he opened the back door.

Wayne, dressed in a black trench coat, got out of the car

Looking up, his eyes met Rosalynn's

Joseph followed Rosalynn's gaze and saw Wayne

When he saw Wayne, his body trembled violently.

"How come he's here?" Joseph asked Rosalynn. "You two... haven't you... but he's getting married?"

"Who's getting married? What marriage?"

Paige looked up in a drunken daze.

Rosalynn grabbed her hand.

She turned Paige's back to Wayne.

Wayne already came up to them.

"Mr Mason, whether I'm getting married or not, what does it have to do with you?" Wayne maintained his posh demeanor

Joseph could never forget Wayne's previous insults and humiliation towards him.

He easily got him expelled from the lab.

He was accused of plagiarism and had his parents company supply chain cut off.

All of this was just to show him that he was not worthy of pursuing Rosalynn.

"It's been so many years, Mr. Mason, and you still haven't made any progress Disappointing" Wayne took his eyes off Joseph and looked at Rosalynn with fierce eyes. "President Silverman, you're getting married, why won't you let her go?" Joseph mustered the courage

He was no longer the Joseph who could be expelled at any moment!

"What does it have to do with you?" Rosalynn was speechless.

"Joseph, we didn't have a relationship back then, and so many years have passed, don't come to disturb my life anymore. Go!" Rosalynn said solemnly.

Joseph's face grew even paler, but he stood there unmoving

"I don't know if you're persistent or just plain stupid" Wayne mocked coldly

Rosalynn thought he was more terrifying like this than when he got angry

"Wayne, what are you talking about?" She frowned.

"Wayne?" Paige suddenly said, "Oh? Yeah, it is him!"

"Baby, it really is Wayne! Hahaha! President Silverman, you are now a heartthrob Paige let go of Rosalynn, straightened up but still wobbled, "Congratulations on your engagement! Your wife is super gorgeous!"

Rosalynn's fingertips trembled

“President Silverman, you should go to take care of your own things. My friend is drunk, and I will take her home.” Rosalynn spoke, without caring about Joseph.

All she wanted now was to keep Paige far away from Wayne.

She had just walked a few steps when Wayne’s bodyguards approached.

“Secretary Tesdal, leave her to us”

“Try touching her and see what happens” Rosalynn yelled, then turned to Wayne, “President Silverman, what do you mean by this?”

Wayne ignored Joseph

He walked up to her and raised his hand, tucking her loose hair behind her ear, “I’m here to take you home”

His tone was gentle, and there was no anger in his expression

Chapter 104

Rosalynn felt like she was about to explode with anger.

|

She couldn’t finish her sentence.

Wayne looked up at her.

There was no emotion in his eyes, more terrifying than ever.

“They will safely take Ms. Owens home” he said coldly. “Or you don’t want her to go home?”

“Absolutely not!”

Rosalynn shook her head in horror

She knew Wayne wasn’t joking

“Secretary Tesdal, don’t worry. We will safely escort Ms. Owens home, not allowing a single hair to be harmed the bodyguard said respectfully Rosalynn had known these two for several years.

She knew their character

“Baby, I have something to do, they’re my friends, I’ll have them take you home,” said Rosalynn, trying hard not to let her voice tremble. Paige nodded drowsily

If Rosalynn was busy, she would be well behaved.

Wayne reached out but did not touch Rosalynn, his hand hovering in the air.

Rosalynn saw it and took the initiative to reach out and hold Wayne’s hand The next moment, Wayne held her hand tightly

Then they walked quickly toward the car parked on the side of the road.

Paige stood there, wobbling, watching Wayne and Rosalynn’s backs.

“Hey, is Wayne holding my baby’s hand?” she muttered.

She tried to follow them, but the bodyguard stopped her: “Ms. Owens, you saw it wrong!

When Paige looked again, the car was gone.

Did she see it wrong?

Well of course she did.

Wayne was getting married. How could Rosalynn hold his hand?

Rosalynn hated home wreckers the most!

Before getting in the car, Paige suddenly remembered that Joseph was still standing there

She turned around, waved to Joseph, and said: “Joseph, I’m leaving

Joseph looked frozen.

He didn’t move or respond at all, just thinking about what Wayne had just said

The cold, mocking words seemed to strike Joseph’s back hard.

Later, Joseph learned that Rosalynn's grandma was seriously ill

He finally understood that Rosalynn had her own struggles to be with Wayne

It was his own persistence in looking for her that angered Wayne and caused her a lot of trouble.

Joseph knew he was wrong

He wanted to make up for it, so he searched for relatives in the medical field to help Rosalynn's grandma

But

By the time he finally found a clue, Wayne had already brought in the best international medical team to solve the problem

Joseph was devastated and depressed for half a year before going abroad.

But Rosalynn was like a thorn in his heart, unable to pull it out, sinking deeper and deeper.

When he learned from the media that Wayne was about to get married, he immediately came back

Joseph had heard about Rosalynn's background from Paige

He knew Rosalynn hated mistresses the most

He believed that even if Rosalynn hadn't left Wayne at this point, she would break up with him because of this

He didn't mind Rosalynn's past

He just wanted to make up for it and rekindle their old relationship

However Joseph never thought that their reunion would be so embarrassing!

T

Wayne!

A tidal wave of anger surged through his heart

It was all Wayne's fault!

He's about to get married, and he's still messing around with Rosalynn!

He couldn't let it end like this, he had to get Rosalynn out of this mess!

Chapter 105

The car sped down the road, driven by Wayne himself

"Wayne, slow down!" Rosalynn gripped the seat belt, she was terrified to death.

"Scared of dying?"

Wayne's expression was cold, his tone icy.

"Of course!" Rosalynn replied

Wayne snorted. "Afraid of dying yet you still dare to treat me like this?"

"What did I do to you? Rosalynn was speechless, I just bumped into Joseph, and from the start to the end, all the lovey dovey stuff between me and Joseph was in your imagination! I already explained""

Wayne gave her a deep look.

"He stopped talking

He drove straight back to his own house

Wayne hated crowds

The house servants here would leave after they finished their work for the day

So the huge house was now completely empty.

Wayne pulled Rosalynn out of the elevator by her hand.

Her wrist hurt from his grip

"Wayne, you're hurting me!"

In the next moment, Wayne threw her onto the sofa.

“What’s wrong with you?”

Rosalynn sat up.

If this jerk hurt her baby, she would die with him!

Wayne walked up to her

He looked down on her, pinching her chin, “You won’t let me touch you, but you go mess around with other men?”

Rosalynn was totally speechless

I’ve been thinking all night about how to make you happy, but it seems you have no trouble finding your own fun, huh? Wayne wanted to strangle Rosalynn.

He had come this far, what else was she not satisfied with?

She even had the audacity to go drinking with a bunch of guys in a bar

If he hadn’t been waiting for her message all night and happened to see a message in the group chat.

He would never have imagined that the person he was trying so hard to please was, right now, surrounded by men, drinking!

Rosalynn said in a deep voice, “They are all Paige’s friends!”

“You dare to be Wayne roared, “See for yourself!”

He let go of Rosalynn

He threw his phone to her side

On the screen were the photos Hanley shared

Rosalynn looked up at Wayne. “You had someone spying on me?”

“I didn’t have that thought before, I was only afraid of you running away. But today you taught me a lesson” Wayne said through gritted teeth, “From now on, I’ll have someone watch you 24/7 if you dare to flirt with other men, I kill him!”

“Wayne, you’re being completely unreasonable Rosalynn’s eyes were red with anger, “If you’re so capable, go check the bar’s surveillance footage. I didn’t even drink a drop, my conscience is clear

“That’s still not acceptable!”

Wayne’s anger had not cooled down at all

“Rosalynn, nu exhausted all my patience Wayne pulled off his te

%

Rosalynn shrank back, “hu said you wouldn’t force met

“Of course’ Wayne took off his be. “This drinking party was arranged by Paige, right?”

“What are you trying to do? Rosalynn immediately became alert

“What kind of punishment should it be? Wayne asked with a cold smile, “Should I start with her stepfather’s factory? Or?”

“Wayne, don’t pull any crazy stunts” Rosalynn was temfied

“What should you do then? Wayne handed her his fie, locking down at her emotionlessly

Rosalynn sat there, frozen for a moment.

Tears of humiliation rolled down her cheeks.

Her trembling hand reached out, her fingertips hooked onto the tie, and took it.

Wayne liked to tie her hands with his tie

Chapter 106

She skillfully tied the deep black satin tie around her snow white wrist.

Then she got up and looked at Wayne.

Lowering her head, she took the initiative to kiss him.

“Did I force you” Wayne asked

Rosalynn didn’t speak, but shook her head.

“Answer me, did I force you?” Wayne’s palm rested on the back of her neck, slowly exploring.

“No” Rosalynn finally spoke

“Good” He pulled her closer and kissed her deeply

Wayne knew all too well how to tease Rosalynn

She quickly lost all her defenses

Looking at the large floor to ceiling windows, Rosalynn shivered and said to Wayne, “Let’s go back to the room.”

“We’ll go back in a bit, Wayne whispered, kissing her red ear

He wasn’t as fierce anymore

But Rosalynn was still worried.

She leaned in close to Wayne’s neck, rubbing gently like a kitten.

“Don’t be so fierce, I’m scared…”

She didn’t know if her show of vulnerability had any effect

Or if it was because Rosalynn was so cooperative and gentle

Wayne, for once, was incredibly tender

But Rosalynn was still exhausted

She passed out immediately after they finished

President Silverman, now satisfied, last most of his anger

Looking at Rosalynn’s tear-stained, pitiful face, he had mixed feelings.

When he saw that photo tonight, he had murderous intentions.

After rushing over, he saw Joseph tugging back and forth with her.

A mix of anger and panic weighed on Wayne

“Rosallynn, what do I have to do to keep you by my side without worries? Wayne gently caressed her cheek, noticing the tears in the corner of her eyes, and tenderly wiped them away

Helplessly, Wayne embraced her in his arms.

When he held her hand the scar on the back of it felt rough..

Just now, she had begged him more than once, saying she was afraid of pain, not to hurt her.

How much did it hurt her compared to himself when the glass went in?

And stitching up the wound without anesthesia, how painful must that have been?

At first, Wayne couldn't understand why Rosalynn didn't use anesthesia

But tonight, it suddenly clicked she had seen Heatherway back then too.

in that moment, she was so frightened

So not using anesthesia was to stay alert? To be determined to leave him?

Wayne imagined it for a long time, not sleeping well all night, waking up to make sure Rosallynn was there, and when he was sure she was, he'd kiss her face for a while Rosallynn was completely unaware of this

She slept until noon

When she woke up. Wayne was gone

She didn't feel the slightest bit of loss

On the contrary, she breathed a huge sigh of relief

After lazing in bed for a while, she got up and took a shower

In theory, Wayne should know that she didn't have any clothes here and would have someone buy them for her, just like in the B City

But

He didn't

Yesterday's clothes had disappeared

They had been torn to shreds, probably thrown away by Wayne

She had no choice

Rosalynn could only grab a shirt from Wayne's wardrobe and put it on

Just as she finished changing

The bedroom door opened

Wayne walked in with a chill running through his body.

Chapter 107

Wayne's black shirt was just the right length, stopping slightly above Rosalynn's knees.

She never thought Wayne would come back at this time.

The buttons were done casually, as long as the essential areas were covered.

Hearing the sound of the door opening, she looked back in surprise like a frightened deer.

Her hair was a bit messy, scattered around her waist, making her fair skin even more attractive.

The red marks around her neck and collarbone were particularly eye catching.

Wayne stood there, stunned.

Rosalynn, barefoot, stepped on the warm floor, feeling uneasy under Wayne's gaze.

"Why are you back?"

Wayne raised his right hand

Only then did Rosalynn notice that he was holding a bag of stuff

"When I left this morning didn't you say you wanted some snacks?"

Wayne said as he approached her

In the morning, Wayne rushed to a company meeting.

When he left, his good-bye kisses seemed a bit too intense, waking her up

Wayne was prepared to get scolded

However

She didn't scold him, but acted all aggrieved instead.

Holding his neck, she rubbed her head against him and said she wanted some snacks

Out of the blue

Wayne knew she wasn't fully awake then.

But her cute, coquettish behavior greatly satisfied him

So, after the meeting President Silverman didn't stay in the company for long and went to buy snacks as soon as possible.

Rosalynn stood there with a bewildered expression due to memory loss.

"Stop talking nonsense I just woke up, when did I say I wanted to eat this?"

Wayne walked up to her.

With his other hand, he put his arm around her waist

"Has your brain gone bad too? His tone was full of sarcasm.

Rosalynn instinctively wanted to get away from him

But Wayne's arm tightened even more

"Who allowed you to wear my clothes?" He asked.

His tone was relaxed and not angry at all. Instead, he sounded quite pleased.

Rosalynn clenched her teeth.

"Do you expect me to be naked since I had no clothes? And let go of me! Rosalynn didn't bother dealing with Wayne's bad taste Wayne didn't let go of her.

Instead he easily lifted her with one arm around her waist.

“Wayne!”

Rosalynn cried out in shock

Wayne casually put the dessert aside and carried Rosalynn back to the bedroom.

Rosalynn was scared

“Wayne, can I promise not to wear your clothes again?”

Wayne threw her back on the bed

“No” He pinched Rosalynn’s chin

But this time he didn’t use any force

Rosalynn’s eyes were tinged with red, looking particularly aggrieved

If only there weren’t so much stubbornness and anger in her eyes.

“From now on, you can wear whatever you like” Then, Wayne kissed her on the lips

“You look good. I like it

Rosalynn’s face turned beet red

“You did it on purpose” She pouted “where did you put my clothes?”

“Thrown them away Wayne proudly replied

‘By the way, let me tell you something funny”

Wayne looked down, his fingertips lightly brushing against Rosalynn’s lips

Something funny?

Could Wayne, someone like him, really tell something genuinely funny?

Chapter 108

He probably doesn’t even know any jokes

“Last night, someone hired a marketing company to try to expose me online” Wayne said leisurely, with a mocking smile at the corner of his mouth

Rosalynn was distracted

“President Silverman, you’re ruthless in your actions. Many people want to do this to you. What’s so surprising about that?”

Wayne glanced at her and laughed.

“But the thing he wants to expose is related to you”

Rosalynn was taken aback, her eyebrows involuntarily frowned

“The post says something like, I forcefully took you and oppressed you for five years, and even after I got married, I still wouldn’t let go, and shamelessly tortured you” Wayne laughed, his fingertips slowly sliding across her cheek, “Funny or not?”

Joseph

This name suddenly popped up in Rosalynn’s head,

This idiot!

“Your senior schoolmate has become a little braver, but he’s still very stupid,” Wayne concluded

Rosalynn felt a little disheartened

“I haven’t been in touch with him. I had no idea he was doing this”

“Mhm Wayne responded, “What do you think, Rosa? How should I handle him?”

“Do whatever you want, she pushed Wayne away. I’m hungry”

Wayne looked at her.

He seemed to want to find her hidden emotions.

Then he let go.

Rosalynn got up, straightened her shirt, and walked out, ignoring Wayne’s probing gaze.

Wayne followed close behind

Fragrant pastries greatly healed her mood at this moment.

Wayne sat down across from her

Rosalynn ate one slowly

With her stomach and appetite satisfied, she felt comfortable all over

“President Silverman, have you checked last night’s surveillance footage Rosalynn asked.

Wayne sneered.

“I have”

Rosalynn knew it.

Wayne wouldn’t believe the words she said.

He had to confirm whether she cheated on him or not.

“Secretary Tesdal, you really are attractive

The bar’s surveillance cameras captured everything clearly, and those boys had their eyes glued to Rosalynn.

However, there was something that made Wayne feel happy

Throughout the whole ordeal, Rosalynn had never shown Joseph a good face.

Joseph sat there and drank quite a lot of alcohol in frustration.

“Im pretty, have a good figure, and a great personality. Isn’t it natural for people to be attracted to me?” Rosalynn paused, glanced at Wayne, and continued, “Honestly it’s only President Silverman who’s always treated me as a plain substitute.”

Wayne’s face changed slightly

At this moment, the doorbell suddenly rang

Wayne frowned. When he returned, he had sent all the servants away

Who could it be at this time?

“The clothes I bought have arrived Rosalynn put down her spoon and was about to get up and walk out.

“Eat your food,” Wayne frowned, got up, and walked towards the door

Moments later

Wayne walked in carrying several tightly sealed bags.

“Thanks, President Silverman Rosalynn grinned and took the bags

These were the clothes she had asked the delivery guy to buy

Honestly

Rosalynn was a little afraid that Wayne would tear these up in a fit of anger and throw them away without hesitation “What did you buy these clothes for? Are you leaving?”

Wayne asked

His tone was chilly.

“Yes” Rosalynn nodded.

Then she glanced at Wayne, ‘I don’t want to be here”

Chapter 109

“Why?”

Wayne asked, puzzled

This place was clearly safer and more comfortable than the apartment.

And it was his residence

In the past, Wayne had set rules for her, not allowing her to stay overnight here, so as not to give her the wrong impression.

But now...

“Why?” Rosalynn looked at Wayne and laughed.

Wayne’s heart sank

“Because for me, there are too many unbearable memories here.” Rosalynn said, word by word, ‘Do you know how inconvenient the transportation is here? Just walking to the entrance of the community takes more than twenty minutes, and it’s hard to get a car late at night

“And do you remember? One year on Ms. Walley’s birthday, you insisted on having some lousy cake. When I brought it back, I was almost frozen to death. And do you know what you did?”

Rosalynn pointed to the living room.

“You didn’t ask a single question and just threw the cake into the trash”

“Wayne, why?”

Wayne frowned

He walked up to Rosalynn, “If you weren’t happy, why didn’t you say so before?”

“Before, I was just someone you could play with. I knew my position. But now. Rosalynn laughed self-mockingly, “Now it’s different. If President Silverman doesn’t threaten me with my weak points, even if I die outside, I would not want to come back”

Wayne’s body trembled.

Rosalynn lowered her eyes

Carrying her newly bought clothes, she left to change without looking back.

When she came out in her fresh outfit, Wayne had already left.

She didn’t know what Wayne would think after hearing all that.

But does it really matter what he thinks?

Then, she sank into deep thought

That bastard Wayne just left like that, without saying whether she was allowed to leave or not

She worried that if she left, Wayne would go crazy and actually harm Paige.

After some consideration, Rosalynn decided to send him a message. Coincidentally, before she even started typing, Wayne had already sent her a message. “Your car is in the garage, if you don’t like it here, move back to your place.”

That means

She could take it as she was allowed to leave, right?

Rosalynn's mood lifted significantly

"Thank you, President Silverman" She replied.

The conversation ended.

Rosalynn got ready to leave immediately

As she reached the entrance, Paige called her.

She answered, "Awake yet?"

There was no response from the other side Rosalynn thought it was a bad signal and called Paige's name

"I'm here" Paige's voice sounded a bit strange, "Where are you?"

"What's the matter? Rosalynn asked softly. "Is it from last night

I'm fine, I'm good Paige hurriedly said, 'Can you come back for a bit?"

"Of course, I'll come back right now Rosalynn said in a hurry.

"Alright, then I'll buy some snacks you like!"

After hanging up the phone, Rosalynn felt a sudden unease

Paige had always been carefree since childhood, as if she never had any real worries.

Yet just now, she seemed to have a lot weighing on her mind

Chapter 110

The voice sounded like it had been crying recently.

Could it be...

That jackass Wayne, did he do something to Paige or her family again?

She had tried so hard last night!

What else does he want?

Rosalynn resisted the urge to call Wayne and curse him out.

She left, got in her car, and headed straight to Paige's old house.

Opening the door

Rosalynn saw Paige curled up on the sofa

The table in front of her was full of snacks and desserts.

"What's with all the stockpiling?" Rosalynn walked over, trying to keep her tone light.

Paige looked up at her

Her eyes were swollen from crying, indeed.

"What's wrong?" Rosalynn quickly ran to her side. "Did something happen?"

Paige saw her being so anxious

Then suddenly, she started crying again, letting out a loud wail

At this point, Rosalynn was completely at a loss

"Sweetie, don't cry, did something happen to your stepdad?"

"Or did something else happen to you?"

"Rosalynn, what exactly do you take me for?" Paige cried out. "So much has happened, and all these years I've been living abroad without a care, and you

Rosalynn's hand, which was comforting Paige, froze in place.

Paige knew

How could she know?

"Joseph came to see me Paige cried. "He told me everything, how your grandma fell sick and needed so much money, and that bastard Wayne took advantage of you and forced you. Five years! Oh my god!"

“Paige, it’s not like what Joseph said, Wayne’s been good to me!”

“Good, huh?” Parge sobbed, “You think I don’t know him? Everyone says he’s a cold blooded killer, and he’s done all sorts of bad things”

Rosalynn felt a headache coming on

Parge suddenly grabbed her hand “Sweetie, he’s getting married soon, you need to wake up and not to stay with him anymore!”

“Did Joseph ask you to convince me? Rosalynn touched her head.

Paige choked and nodded. “He’s really worried about you”

“Worned my ass” Rosalynn laughed in disbelief.

She told Paige everything from start to finish.

“He insulted you like that?” Paige was furious!

Rosalynn rubbed her temples “Now, he wants to expose all this online! But luckily, Wayne’s PR team found out before it even started.”

“If this gets out now, even if your identity is vague, netizens will definitely dig it up, and you’ll be cyberbullied for sure!” Paige looked terrified.

“Yeah” Rosalynn nodded, “He doesn’t really like me, he’s just resentful that Wayne took me away from him. No, wait, I was never his in the first place!

“So, you and Wayne Paige asked cautiously

“Do you know Olivia Rosalynn asked

Paige thought for a moment “The painter who married into the R Country royal family?”

“Yes” Rosalynn nodded, “That’s Wayne’s first love. I look quite similar to her.”

“Replacement lover? Paige was shocked and forgot to cry

“That’s the gist of it’ Rosalynn smiled and nodded
