## Chapter 121

In the hospital room

The noble lady stood behind Maddie, sweating on her forehead.

Maddie looked terrible, but still remained calm

The door was pushed open

The whining old lady immediately looked at the door

Rosalynn swept away her cold appearance from outside and started smiling sweetly, "Granny, are you awake?"

"Yeah!" The old lady nodded, smiling like a child

Rosalynn ignored Maddie and walked over, asking gently and apologetically. "Are you still scared?"

The old lady looked very aggrieved, "Where did you go?"

"Granny, it was me who had a little matter to discuss with Secretary Tesdal Wayne followed her in.

Seeing Wayne, the old lady got even happier.

But her happiness didn't last long

She started nagging. "When are you two getting married?"

Wayne unconsciously looked at Rosalynn.

Rosalynn still smiled, 'Granny, I've told you many times, I'm President Silverman's secretary. We won't get married.'

"Then who will you marry? My grandson is very good and well behaved" The old lady seemed anxious

"Mom, haven't you already met Heatherway? She's Wayne's wife! They're already preparing for the wedding! Maddie interjected.

She sounded extremely smug.

Although the old lady looked serious, she didn't cry and make a fuss like the last time.

She held Rosalynn's hand as if she had made a huge decision, "The blonde one doesn't look as nice as you! Granny will find you someone better and more well-behaved!"

Wayne

"Okay! Then I wait for you to get well and help me find someone better and more well-behaved!" Rosalynn smiled, sounding sweet and soft.

"Then my illness will be cured tomorrow!"

Maddie watched with envy

In the Silverman family, the men from the last two generations were not very useful, it was the women who held sway.

The old lady of the Silverman family single-handedly protected the entire family foundation during that period of turmoil.

Perhaps she needed some authority, so she was always strict.

She had never treated Maddie, her daughter-in-law, like this.

"Do you want more strawberries?" Rosalynn tidied up the old lady's messy silver hair.

The old lady nodded, "Yes"

"But you've already had a few this afternoon, so only two, okay?" Rosalynn said, like coaxing a child.

Wayne watched them, feeling warm inside.

No wonder Granny liked her so much.

Rosalynn washed two strawberries and handed them to the old lady.

The old lady ate the strawberries slowly without saying anything, as if she was thinking about something

Rosalynn didn't bother her

Wayne sat down at the foot of the bed

Maddie got angry just looking at him, "Where's Heatherway?"

"I don't know" Wayne replied coldly

"You" Maddie was so angry she wanted to hit someone, "She didn't do anything wrong

"What about you? Wayne stared at her sharply.

"Can you go outside and argue? It will scare your grandma," Rosalynn turned her head, looking a little annoyed.

Maddie was so angry she wanted to laugh.

A mistress actually dared to treat her like that?

"Yeah, go outside and argue, don't scare Rosa' The old lady snarled as well.

Maddie was so angry she wanted to bite through her lips.

"Could you guys leave? Wayne said, not even bothering to look at Madde

Maddie took a deep breath

geez, every second spent here was taking a year off her life!

As if she really wanted to stay

Maddie stood up without a word to the old lady and left

The noblewoman followed her like a dog on a leash

The door was closed

With two people left, the atmosphere in the room became strangely tranquil

Rosalynn also ignored Wayne

Chapter 122

Grabbing her unfinished book from the afternoon, she asked, "Shall we continue with the book, ma'am?"

"Sure" the old lady nodded

She looked at Rosalynn with eyes full of affection

She'd had a daughter once too

Unfortunately, the world was in chaos when her daughter was born

She had protected her sister's child, but her own daughter had died.

Now those children from her sister's family have been living a luxurious life thanks to her, but they never bothered to visit after she was sick Wayne sat there, quietly watching Rosalynn reading

A small lamp shining on her, making her look even more gentle

Wayne's heart suddenly sank when he remembered what his grandma said about finding her a better match for marriage.

Would she marry someone else?

He immediately denied the idea

No way in hell.

Even if it meant imprisoning her by his side for a lifetime, and having her hate him forever, he would never let her marry someone else!

Rosalynn tucked her falling hair behind her ear

Wayne's gaze fell on the mark he had left just behind her ear

That was his mark!

Time slowly passed

The complaints outside the door grew louder and louder.

It was getting late

Sean had finally returned.

The old lady was successfully lulled to sleep by Rosalynn

As they dimmed the lights in the room, Rosalynn switched shifts with the nursing staff

The nurse looked at her gratefully, and the two exchanged a few silent words.

Then Rosalynn left the room with Wayne.

“What did they say? That aunt asked in a shrill voice.

“President Silverman, we’ve asked many people at the scene, and they indeed saw the two children. The surveillance cameras in the facility were inoperative, so we couldn’t check. But we searched inside and checked the data from the cameras near the entrances and exits. First, there was no record of the two kids entering in the past three days, and no one in the facility knew who they belonged to. Second, there was no footage of the kids leaving the sanatorium, and no one was found inside, Wayne said. Wayne scoffed. “So, they just appeared out of thin air and disappeared again?”

Dylon continued. “We’re still checking the vehicles that entered and exited today. There are three suspicious ones, but it’ll take time to find them”

“That’s it?” Maddie complained, “Wayne, you’re going through quite a bit of trouble to get your secretary off the hook!”

“The test results for the food of the old lady’s caregiver are out,” Kane came over with his phone. “Indeed, there’s medicine that causes gastrointestinal discomfort in it

“It’s possible that Rosalynn and the caregiver colluded or that the caregiver has a bad character, deliberately doing this,” his aunt shouted in a shrill voice. “I think, either way, that caregiver has to be switched”

Rosalynn looked at the lady, “You’re so eager to shift the blame, could it be that you’re the one pulling the strings behind the scenes?”

The lady snapped, “You’re talking nonsense! You’re just trying to pin the blame on someone else because there’s no surveillance footage, aren’t you?”

Rosalynn hadn’t said anything yet.

Then she heard a gentle voice from behind her, full of laughter

“Looks like I showed up at just the right time, huh?”

Rosalynn looked back

There was the handsome, tall Calvin, and the elegant silver-haired grandma.

Walking towards her.

## Chapter 123

“Who are you?”

Aunt looked at the approaching person with disdain.

The old lady looks quite good, but she doesn't have any designer clothes from head to toe.

Just a poor person

Wayne's aunt quickly made a judgment in her heart.

“This is the person who helped save the old lady today' Rosalynn said, walking over, “What brings you here?”

Silver haired Granny looked at Rosalynn gently I was visiting a friend and was just about to leave when I saw your people searching for the little troublemaker. I overheard that someone wanted to give you and the caregiver trouble, so I came over

Old Mrs. Silverman had nothing to do today, so Maddie was already in a bad mood today.

Seeing the person who ruined her plan coming, she didn't even have the slightest good face

“You're here to ask for money, right? Maddie glanced at Sean, “Take them out and write a check”

Rosalynn

“Mrs Fuller She wanted to speak.

Silver haired Granny patted her on the back, and Rosalynn looked at her

She looked at Maddie and said “The Silverman family's generation has really come to an end, you guys have forgotten how to behave, it's so disappointing” “Who are you talking about?” Maddie was enraged at once

Calvin straightened his back, took a step forward, and glared fiercely at Maddie

He didn't know what the old lady was up to

They should have left for dinner already he was already hungry Suddenly she turned around to look for the girl!

With these people talking he couldn't understand a word

But one thing he was sure of was that apart from this young girl, none of these people had good intentions towards the old lady

"What do you want to do! Wayne's aunt and the lady who had been hiding behind Maddie were both homfied. "This is our Silverman family's territory!"

"I know it's the Silverman family's place, and it's disgusting to me, but I'm worried that Ms Tesdal would be bullied, so I endured my anger to come here" Silver haired Granny sneered, "Who was saying just now, that there's no surveillance

Maddie's face turned pale.

The lady behind her trembled with fear.

Rosalynn looked at the silver haired Granny with gratitude.

Although it was just a brief acquaintance, she actually came to help when she knew Rosalynn might be in trouble

"Don't be afraid' The silver-haired Granny patted Rosalynn's back again, and then took a small black box from Calvin's chest, "Although the nursing home's surveillance happened to be off at that time. I happened to be learning to shoot vlogs recently. At the time of the incident, I recorded everything I just watched it, and the faces of the two kids were clearly captured"

She spoke

Looking at Wayne, she handed him the small square box "Mr Silverman, this is for you!

"Wayne, we don't know where this old lady came from, who knows if the stuff inside is real? Wayne's aunt had no other thoughts

She just didn't like Rosalynn.

A few years ago, she had wanted to bring her goddaughter to Wayne's side.

Even if she wasn't lucky enough to end up marrying Wayne, she could still get a lot of benefits.

Just take the expensive apartment Wayne bought for Rosalynn, for example.

And the building project in Q City

Her son had really wanted to do that, but Wayne gave it to Rosalynn, the vixen!

How could she be capable of managing such a huge project?

Not to mention anything else, Rosalynn definitely made a killing

But this should have been her sons!

Wayne's aunt was so annoyed

She came today to see Rosalynn's misfortune and to verbally humiliate her a bit.

Now it seems like the tide was turning.

How could she accept that?

"Your mind is filthy, everything looks dirty to you" Silver haired Granny snorted coldly, then looked at Rosalynn again, "Alright, I've brought the stuff for you, I'm leaving"

"Let me walk you out!"

Rosalynn quickly said.

"No need, if you leave, who knows what nasty things they will say about you behind your back." The silver-haired Granny smiled kindly

Chapter 124

She's been into hot guys since she was a little girl.

When it came to finding a partner, as long as they were good looking, she'd marry them

She spotted Rosalynn earlier today.

A pretty young girl, sitting under a tree reading to an elderly person

The sunshine was great today, shining on her and making her shine in the peaceful environment.

She was attracted and walked over to her

That's when Calvin had the chance to save the old lady from the Silverman family.

Otherwise, those people from the Silverman family would probably want to give her a hard time, and she'd be in big trouble.

"It's fine

"Rosalynn smiled helplessly

This lady had a very aggressive way of speaking

"Good girl, I have your business card and I'll contact you later"

In the end the silver haired granny didn't let Rosalynn escort her, and she disappeared into the increasingly thick night with Calvin.

Rosalynn watched, feeling a bit reluctant in her heart.

Maybe she missed her grandmother a lot

She couldn't help but invest emotions in such gentle and loving elderly people.

Heatherway was quite annoyed by Wayne

When she calmed down and came back, she happened to pass by the silver-haired granny

"Old Mrs Jared?"

Hilaria Jared turned around and recognized Heatherway: 'Ms. Rosso, long time no see. [heard you got engaged, congratulations"

"Thank you" Heatherway hurried over, "What brings you here?"

"Visiting an old friend" Hilaria said lightly

Heatherway wanted to say something, but Jones rushed over

"Miss, it's not good! Mr. Silverman is angry!"

Heatherway froze

Hilaria spoke. "Ms Rosso, you go ahead"

"Old Mrs Jared, have you been staying in H Country lately? Heatherway quickly asked,

Hilaria nodded. 'TI probably stay for a while."

“Great, I’ll contact you later After saying that, Heatherway immediately jogged away  
Calvin was getting hungry, and his stomach started growling

Seeing this, Hilaria burst into laughter

“Are you hungry?”

Calvin nodded

Hilaria laughed heartily. Then let’s hurry up, or Calvin will starve to death?”

Calvin was speechless.

She had just come out of the old man’s place and was so mad that she couldn’t eat.

But when she saw Ms. Tesdal, she couldn’t be happier.

“Old Mrs. Jared, Old Mr. Gorman doesn’t know anything, how can we find Addy?”

With this sentence. Calvin successfully destroyed Hilaria’s happiness.

She frowned

“He cannot possibly have no clue. He’s Addy’s foster father, treasuring her like a pearl. Even if they fell out later because of his biological daughter, he wouldn’t let Addy simply return to her birth parents. He must know them inside out!”

Hilaria looked at the sky and sighed

“Even if she’s really dead, I want to find her

Chapter 125

After Hilaria left, Rosalynn glanced at the people from the Silverman family

“Now that the video caught those two kids, it’ll be a lot easier to investigate and find them,” Rosalynn said coldly “No matter how long it takes, President Silverman will Surely find out the truth, so why don’t you just step up and admit it? Let’s save each other some time.”

“Who do you think you are, Rosalynn, ordering us around like this? To be blunt, you’re nothing but Silverman’s family’s lapdog. Everyone here is your master, and you’re just barking all over the place!”

The aunt’s face flushed with anger as she looked at Rosalynn. She didn’t even care that Wayne was still around and started cursing at her

She hadn’t even finished cursing before her gaze met a seemingly deadly stare

The aunt glared at Wayne

“Wayne you’ve truly spoiled her rotten Look at her, daring to bully her elders”

The aunt’s voice gradually weakened

“It’s my fault for being too lenient, Wayne finally said

Rosalynn was surprised her clenched fists’ nails digging into her flesh

i

You see. Wayne was always on the Silverman family’s side after all

“Of course! The aunt, who had been on the verge of madness just moments ago, suddenly perked up at Wayne’s words “Nobody could be as arrogant as her!”

“I was talking about you” Wayne said coldly

The aunt’s gloating smile froze on her face

“What do you mean?” she asked.

“Starting from now, the Silverman family and Bane Corporation will terminate all collaboration with your husband and son. And in the future, they won’t be getting any contracts from us either, Wayne said slowly

The aunt was shocked

“No way, how can this be? Wayne, we’re family!”

“I warned you all to be more polite to Rosalynn. You didn’t listen, and now you’re reaping what you’ve sown”

Rosalynn’s heart skipped a beat

An indescribable feeling silently enveloped her

“Maddie, say something!” The aunt was almost in tears!

It was her loose lips that caused all of this!

Maddie’s face turned ashen.

She was struggling to save herself now.

Seeing Maddie staying silent, the aunt looked at Rosalynn with difficulty before lunging at her

Wayne frowned, reached out, grabbed Rosalynn by the waist, and pulled her close

“Secretary Tesdal, I have a big mouth and didn’t mean anything by what I said Please help me talk to Wayne. If we lose the business, my husband will kill me!” Heatherway returned just in time to see this scene.

“What’s going on? Heatherway asked

“Ms. Rossol’ said the aunt, overjoyed as if she had just seen God.

She then lunged at Heatherway

“Secretary Tesdal was just disrespectful to her elders, so I complained a bit. Now President Silverman wants to cut off all cooperation with our family and never collaborate with us again! Please, help me out here!”

Rosalynn got annoyed

“So, is anyone going to admit their guilt now? Rosalynn asked.

The aunt’s ches suddenly stopped

“If not, I’m calling the police” Rosalynn continued

“The police?” Maddie frowned “Do you want the Silverman family to be involved in a scandal?”

“Do you also think it’s a scandal? Rosalynn looked at her I think so too. The person who planned this must have terrible character. If you don’t like me, confront me directly! Attacking an old person, that’s worse than a piece of garbage!

Maddie’s face turned pale in an instant

As a young lady from a noble family, born with a silver spoon, and married into a wealthy family early on, no one had ever dared to insult her like this.

"You

Maddie pointed at Rosalynn, her hand trembling

"I'll ask one last time, is anyone going to admit it? Rosalynn yelled

Chapter 126

"Secretary Tesdal, chill out, I know you've been wronged, but nothing really happened to Granny, so why don't we just.." Heatherway frowned, looking troubled

"It's not you who's been wronged or almost injured, so don't act so pitiful Rosalynn said without even glancing at Heatherway.

Heatherway's eyes immediately reddened, and she instinctively looked at Wayne

Wayne's expression was cold, and he didn't seem to have the slightest intention to stop Rosalynn

Heatherway clenched her teeth.

Wayne was so smart

At this point, there's no way he hadn't figured out that his own mother was behind all this.

That's his own mom! How could he be so indifferent?

Is Rosalynn really that important?

Wayne's never been good to Rosalynn, he only saw her as a substitute for the Duchess-Olivia.

But what's the deal now?

Maddie knew very well that Rosalynn wouldn't let this go easily.

She never thought that someone who usually backstabbed others would be so hard to deal with!

She glanced at the lady next to her, who shuddered violently.

Her face was so pale, without a trace of blood

In a moment, she raised her trembling hand

“It was me.”

Everyone was shocked

“So it was you, you jind You’ve caused so much trouble if it wasn’t for the misunderstanding with Secretary Tesdal that almost got Granny hurt, I wouldn’t have ever targeted her You’re such a bad person!”

“Well then, she smiled

Mrs Fuller, having been dominating the business world so many years, probably wouldn’t have done this herself

No wonder she brought this unfamiliar lady to the party She just wanted to use her?

‘President Silverman, I’ve proven my innocence. The rest is a family matter for you to handle,” Rosalynn said to Wayne, “Till be going now”

Rosalynn knew very well that in terms of ruthlessness, she could never compete with Wayne

So let Wayne take care of the punishment.

Even if it’s just to flex his power, he would never go easy on the lady

As for Maddie, having suffered such a defeat, it may have been more distressing than if someone had killed her

Rosalynn walked to the garage.

Before getting in the car, someone called her from behind. Rosalynn turned around and saw Heatherway standing a few steps away.

“What’s up?” Rosalynn asked her tone less polite than when they first met at the airport

Heatherway smiled faintly

“Secretary Tesdal, Wayne told me about your relationship with him.”

Rosalynn frowned slightly. “So, what?”

“Don’t worry, I’m not petty. From now on, we’ll take good care of Wayne together”

Rosalynn stiffened, feeling nauseous

She couldn't help but retch a bit

"Sorry" Rosalynn said, "That's disgusting to hear Whether you really think that or are just testing me, let me be clear: I don't share men with others, it's too gross

"Not sharing?" Heatherway took two steps forward. The false composure was gradually disappearing

"You wanna hog him all to yourself?"

Rosalynn wanted to deny it, but her stomach was churning too much.

She had only eaten breakfast today and skipped dinner, plus she was upset. Even the baby in her belly was probably unhappy as well. So she turned around and began heaving

Heatherway's face began to contort looking ugly She wondered is this woman doing this on purpose to disgust me?

"What are you doing" asked Wayne

Rosalynn didn't respond.

"I didn't

Heatherway looked at Wayne, who was jogging over, and panicked for a moment.

"What's wrong"" Wayne asked Rosalynn, ignoring Heatherway

"I'm just hungry" Rosalynn quickly found a reasonable excuse, afraid Wayne would get suspicious.

As she caught her breath and stood upright, she waved Wayne away and said, "I'm fine. You go ahead and do your thing, President Silverman Get outta here" With that, she tried to grab the door to the driver's seat

Wayne snatched the car keys from her before she could react and pushed her to the passenger's side instead.

"Heatherway stood by the entire time, feeling extremely awkward

Wayne got Rosalynn into the passenger's seat, buckled her seatbelt, and closed the car door.

"Wayne, are you really leaving with her? What about me?" asked Heatherway, bothered by the situation. "Your family is all here, and you're leaving me behind with them- will they look at me?"

Wayne turned, looking deep into Heatherway's eyes

"Why did you suddenly want to visit Granny today, of all days?"

Indeed, the reason everyone came to the nursing home today was because of Heatherway's suggestion.

It was mom's

"Please call her aunt, after all." Wayne spoke coldly "I hope that you had no part in today's fiasco.

"You don't trust me?" Heatherway looked both shocked and hurt

how

"Ms. Rosso, we haven't known each other very long, so I can't say I know you well" Wayne's tone was filled with warning "If you want this arranged marriage to go smoothly, you'd better not do anything you shouldn't, especially to Rosalynn. Otherwise, I cancel the engagement"

"Cancel the engagement? Ms. Rosso's face went pale "Do you know the cost of canceling it?"

the c

"I do" Wayne's gaze didn't falter "But please believe me, for Rosalynn's sake, I'm willing to bear the consequences.

Heatherway had always thought she understood Wayne well and that she would eventually manipulate him using this knowledge. He was a man driven by his interests and would do anything to achieve his goals. Ever since he agreed to the arranged marriage, she breathed a sigh of relief and stopped worrying, even with Rosalynn in the picture. She believed Wayne would never give up the arranged marriage.

But he just said that for Rosalynn's sake, he'd cancel the engagement!

"It's cold outside, get inside."

Wayne left her with that icy statement and drove away

"Miss Jones, who had been watching from a distance, finally ran over when Wayne left.

"What did President Silverman say? Why do you look so pale?"

"Wayne said that if I mess with Rosalynn, he'll break off the engagement Heatherway replied.

"What?" Jones was shocked, but soon tried to comfort Heatherway, "This involves billions of assets, he's just bluffing! A secretary isn't worth that much

"Yeah. He just said that

Heatherway lowered her head, mumbling to herself.

"But we really underestimated Secretary Tesdall Jones continued, "Today she got the upper hand in front of Maddie, and Old Mrs. Silverman seems to like her too. She also holds 21 percent of the Silverman family shares

"If it wasn't for all this, do you think Rosalynn would be nice to her? Heatherway sneered,

Why couldn't Wayne see through this?

Rosalynn was just after his money, she didn't love him at all! In this world, the one who loved him the most was Heatherway!

"Rosalynn must be eliminated"

Heatherway slowly regained her senses. Looking at Jones, she said with determination.

No matter whether what Wayne said was true or not.

Since he mentioned it.

Heatherway felt that she couldn't help but be on guard!

"Understood. I'll arrange it! Jones nodded

Heatherway let out a long breath.

"By the way I saw Hilana not long ago Heatherway changed the subject.

"The one in oil industry research? Jones asked in surprise

"Yes" Heatherway nodded. "I heard from my grandmother that she's very dissatisfied with the abilities of her own children and grandchildren, and she's secretly looking for a

heit

"Those useless kids from the Jared family, loafing around all day, definitely won't make it! Jones showed utter disdain, "Especially her eldest son..."

"Hilana has not only oil resources but also diamond mines, jade mines, shipbuilding military industry, and real estate, all of which are developing very well." Heatherway eyes were full of ambition

"What do you mean?"

"We can't miss this money making opportunity

Ever since she learned about this, she had been trying to get close to Hilaria. But for the past twenty years, Hilaria had been working behind the scenes, rarely making public

appearances

But she suddenly came to H Country

"With the help of the Jared family, Wayne will be firmly tied to me" Heatherway said word by word

Jones lowered her eyelids.

She had always known that Heatherway had liked Wayne since childhood, and now it had almost become an obsession.

in the car, Rosalynn pulled up the collar of her coat to cover most of her face, leaving only her eyes exposed.

“Still mad?” Wayne asked.

“Im so angry I could die Rosalynn coldly replied.

“Ms Tesdal is my mother after all. Wayne said in a deep voice.

Rosalynn sighed wearily.

“Did I say anything?”

Wayne glanced at her and ultimately avoided the topic, “What do you want to eat?”

When it came to food, Rosalynn’s irritation subsided a bit.

She unconsciously rubbed her belly.

“A lot of things, she murmured

Seeing this. Wayne unconsciously curled the corner of his lips.

At that moment, Rosalynn’s phone rang Since the phone was connected to the Bluetooth, Wayne could see the caller ID was Evan

Rosalynn took a look, her face changed, and she hung up directly.

“Don’t answer the call? Wayne asked, his tone a bit strange

It’s not the first time he calls me, and I’ve hung up on him every time,” Rosalynn lied blatantly but acted very forthright.

Wayne was slightly doubtful, but seemed to be happier

“After coming back from the Q City, he really buckled down Wayne said casually

“Oh.”

Rosalynn seemed totally uninterested

“That guy named Noah.”

Rosalynn frowned

“Like I said before, Noah and I were neighbors when we were kids, it was just a coincidence! My grandparents took care of him, so that’s why I took him to the cemetery that day! Don’t mess with him” Her tone was very bad

The smile on Wayne’s face slowly disappeared

“Don’t you want to hear me out?”

Rosalynn

“He’s been working on a project to help children with congenital heart diseases, and I anonymously donated some money to it.”

Rosalynn was stunned, and at the same time, Wayne glanced at her

“Ms. Tesdal, I may not be a good person, but I’m not a bad one either”

Rosalynn pursed her lips

After a while she still said. “Thank you.”

“Wayne looked at her and felt a little deflated

He had tried all sorts of ways to please her and make her happy

But why did she still look unhappy?

“I want to have something warm, Rosalynn changed the subject.

“Alright Wayne replied

Afterward, the two remained silent. Wayne was not much of a talker, and Rosalynn didn’t want to talk now Half-asleep, she glanced outside and saw a familiar figure on the emergency lane ahead

“It’s that old lady!”

Rosalynn immediately became wide awake and hurriedly signaled Wayne to pull over

Wayne also saw her and slowly stopped the car

Rosalynn quickly unbuckled her seatbelt and got out of the car

“Take it easy!” Wayne was afraid she would trip.

“Lady” Rosalynn got out of the car and shouted at Hilaria.

Hilaria turned around and was stunned when she saw Rosalynn. Then She smiled, Ms. Tesdal, what a coincidence!”

“What’s wrong with the car? Rosalynn asked as she walked over.

“I don’t know” Hilaria helplessly shrugged, “I called for a tow truck, but it hasn’t arrived yet

At this point, Hilaria’s eyes turned to Rosalynn’s back

She saw a man in a black tailor-made suit and a black woolen overcoat, striding calmly towards them

“President Silverman? Hilaria was somewhat surprised, and she glanced at the car parked behind.

She didn’t see anyone else in the car.

“Mrs Jared,” Wayne nodded slightly

“You recognize me?” Hilaria looked astonished.

“You didn’t introduce yourself earlier, so I thought you didn’t want others to know who you are.” Wayne answered politely

“Do you two know each other?” Rosalynn had just been blinded by anger.

Now she suddenly realized that when they were at the sanatorium, no one introduced them, but the grandma had accurately found Wayne and called him President Silverman

“I’ve long admired Mrs Jared’s reputation Wayne said as he draped the cashmere scarf he was holding over Rosalynn’s shoulders.

The late autumn evening was extremely cold

Rosalynn unexpectedly took off the scarf and hurriedly wrapped it around Hilaria.

Hilaria was all smiles

However, her eyes were glancing between Rosalynn and Wayne, making the atmosphere somewhat subtle

“What’s wrong with Calvin?” Rosalynn noticed that Calvin was standing in front, looking annoyed.

“He’s hungry”” Hilaria said with a laugh “He’s been like this since he was a kid can’t stand being hungry When he’s hungry, he throws tantrums like a little kid

Hearing this, Rosalynn turned to look at the huge guy, Calvin. She couldn’t associate childishness with him at all

“Why don’t you guys join us for a meal in town? I haven’t eaten either. If you don’t mind, I’ll treat you as a thank you for helping me,” Rosalynn suggested.

“Sounds good to me”” Hilaria agreed and looked at Wayne. “President Silverman, is that alright?”

“Of course.”

Moments later, Wayne was driving with a stiff expression Beside him sat the desperately hungry Calvin Behind them sat Rosalynn and Hilaria, chatting away happily

In just ten minutes or so, they’d discussed at least four topics. Their conversation eventually reached the subject of the Q City project.

“You did all that yourself?” Hilaria asked with a look of surprise.

“I just crafted the framework, but it was a team effort overall!” Rosalynn replied.

Rosalynn still had no idea who this grandma like figure was, that even Wayne was so respectful to. She seemed knowledgeable about everything, with a wide range of interests She wasn’t unfamiliar with even the most technical topics

President Silverman, your secretary is quite impressive Hilaria said to Wayne. “It’s a waste to have her with you. Why not hand her over to an old lady like me? I need a good-looking she paused and changed her words,” a smart assistant by my side!”

"Mrs Jared to be honest, Prodigy Inc's Mr. Wallace has asked for her before," Wayne said with subtle boasting. "I turned him down. If I were to hand Rosalynn over to you, I'd be creating enemies"

"Old, rigid Wallace? Hilaria had a surprised look on her face.

Wallace was an ugly fellow, but he was loyal to his late wife. In order to avoid making her jealous and upset, he always had male secretaries and assistants.

And he actually asked for Ms. Tesdal?

Rosalynn kept silent

When there were no others around, she'd definitely bite Wayne hard for this! Wasn't he cutting off her future opportunities?

Hilana didn't dwell on the subject. Rosalynn wasn't Wayne's property. There was no need for Hilaria to negotiate with him. Being able to take Rosalynn for herself was enough

"Your wrists are so delicate!" Hilana held Rosalynn's hand and kept complimenting her. If you wore a bracelet, it'd be absolutely stunning!"

Rosalynn felt embarrassed by the praise

"By the way, where are you from?" Hilaria asked.

'L City" Rosalynn replied

"L City?" Hilaria paused for a moment, 'Elysian Fields, huh.

"Yeah, have you ever been there?" Rosalynn inquired

"No, not yet. But it's in my plans. I have a dear friend buried there," Hilana suddenly looked sentimental;

I'm sorry."Rosalynn said softly

Hilaria just laughed "Silly girl, what're you apologizing for? He wasn't killed by you'

Rosalynn's face fell

When they arrived in the city. Hilaria picked a Chinese restaurant "Their Sichuan cuisine is delicious. You will love it," she said, still holding Rosalynn's hand as they got out

of the car

Calvin followed them, mumbling something while Wayne trailed behind.

Rosalynn was taller than Hilaria, so when Hilaria spoke to her, Rosalynn would lean towards her listening attentively

Wayne, out of the blue, recalled Rosalynn's words from earlier "Im pretty, have a great figure, and a good personality. It's only natural for people to like me, right?"
