The Secret Heir Return To Wealth And Love Chapter 1526

Chapter 1526

Shortly after the video went live.

One accusation after another rolled in, all targeting Quentin

Overnight alongside the scandalous affairs, there came shocking allegations of Quentin using his family's wealth to bully others, forcibly taking credit for other people's work, and so on.

All these accusations were gradually made public.

Some of these claims did have any evidence, but others came with undeniable proof.

Ordinary folks were naturally interested in the juicy secrets of the rich and famous, and gradually, the discussions about Rosalynn keeping Quentin away from her son and grandchildren were drowned out by the accusations against Quentin,

These proven accusations alone should be enough to land Quentin in some serious hot water”

In all this mess, I can see the shadow of the late Natalie. Who would have thought Natalie's death could stir up such a storm? I always thought she

“Just a quick reminder, it was leaked before that this old man has been trying to get Secretary Tesdal to pronounce Wayne dead so he can dry up the assets. Will a father rush to split the assets when his son’s body hasn’t even been found

Quentin was having a rough time.

When he finally logged on again, he found his world had completely collapsed

His overseas social accounts were temporarily banned.

When Quentin contacted customer service to ask why, he was told. Due to your inappropnate behavior we’ve decided to temporanly disable some fitures on your account, including but not limited to chat, messaging, commenting posting”

Quentin was furious. “I didn’t force any of those women to be with me. It was their own choices! What did I do wrong?”

Indeed, even as he faced backlash, Quentin genuinely believed he had done nothing wrong

He hadn’t forced anyone to be with him, the women had all approached him willingly

He always took them to the best hotels! He gave them gifts!

All he did. –

Why should he have to pay for Maddie’s madness?

After his rant, as if he just thought of something, he quickly turned to his girlfriend.
“Honey, all those things online are lies spread by Rosalynn to smear me. I’m not the person they’re making me out to be you know that, right? You believe me, right??

A flicker of disgust flashed in the woman’s eyes, but the next second, when she lifted her head again, her eyes were filled with deep affection: “Of course I trust you!

I don’t need to snoop around online to figure out who you are!”

“Darling, you’re truly the perfect woman Quentin sighed with relief

He knew, this woman was totally different from other women.

Being with her, he felt a kind of ease he had never experienced before

She could play any game he wanted, she was totally down for anything!

She was nothing like Maddie, or those other women who were always after something from him!

He was getting older, and felt his passion was dwindling, so he wanted to settle down with this woman

He was really afraid just now, that she would develop negative feelings towards him due to these baseless accusations online and then leave him! “It seems you’re not planning on backing down. Let’s not time then. Let’s go to the police the woman said firmly..
“What?” Quentin looked at her blankly.

“You’re Wayne’s father you can totally go to the police with your concerns for Wayne’s safety and suspicions about Rosalyn haming Wayner Right

Quentin clapped his hands hard, then hugged the woman tightly “You’re the smartest I’ll buy you a gift, how about a Hermes Birkin?”

Tve told you alwady, i don’t like it when you spend money recklessly. You shouldn’t waste money on me.”

Quentin was even more overjoyed.

Tums out she really loves him for who he is, not his money!

By this time, it had gotten dark, and the streetlights in the garden by Moonlit Lake were all lit.

Ivy and Cory were playing with Max on the grass.

Rosalynn was holding Wayne's arm, and Wayne was holding a basket with the little fruits they had just picked after dinner with y

The cool night breeze drove away the heat of the day, making people feel very comfortable

"Are you

tired?" Rosalynn looked at Wayne and asked softly.

Wayne shook his head: "I had a great day, home is indeed the best"

Rosalynn smiled: "Tomorrow I plan to remodel the unused gym at home into a rehab room, so that a physiotherapist can come to the house to do your what, saving you the trouble of going back and forth

"Mm." Wayne's right leg still needed two mom surgeries.

Previously in the sea, he probably hit something, causing a leg fracture. Osborn had treated it but not well, causing various problems in Wayne's bones and muscles.

Bone problems can be solved through surgery. But muscle and tendon urs can only be recovered through prolonged rehabilitation

Just as they were talking. Max happily ran towards Wayne with something in his mouth.

When he got to Wayne, he put the thing down at his feet, then laid down on his front legs, tail up, wagging and barking at Wayne

Rosalynn and Wayne looked down and saw a large piece of chicken breast dog treats on the cobblestone path

The dog seemed even more delighted, barking proudly.

Rosalynn immediately laughed even happier.

At this time, Cory and ivy also came over

"Max, this is a dog treat. People don't eat dog treats" Ivy said with a bit of helplessness.

Max looked at Ivy blankly, it wasn't clear if he understood, but he barked i
