The Secret Heir Return To Wealth And Love Chapter 1599

Chapter 1599

“What’s up?”

“Erica’s getting hitched, and Jacob’s on a plane to Zurich after hearing the news. He even asked us to dig up dirt on the groom. Everyone knows, whether it’s us friends or Jacob’s parents, that no one’s a fan of Erica. We figured if she’s marrying someone else, then let her do it, it’s less trouble for Jacob, but

he ”

“You guys are something else,” Rosalynn cut him off in exasperation. “If Erica wasn’t marrying, you’d complain about her clinging to Jacob. Now she’s leaving Jacob to get married, and you’re still badmouthing her? I’m really curious, what on earth did Erica do to make you guys despise her so much?”

The guy on the other end was clearly taken aback by Rosalynn’s outburst and fell silent.

“Do you guys know who she’s marrying? And you’re already throwing shade?” Rosalynn continued.

“Rosalynn, I didn’t mean anything, I just hope Wayne can step in, get Jacob back, he will listen to Wayne

The guy on the other end was clearly holding back his anger.

Rosalynn was no longer the naive little girl she used to be, that much was clear to everyone

“No.” At that moment, Wayne chimed in from the side.

“Wayne, you.”

The guy on the other end heard Wayne's voice and wanted to say something more

"Enough" Rosalynn cut him off, get it. You guys think Erica's marriage is a sham, a ploy to get Jacob off her back, Well, rest easy, Erica is really getting married, and your buddy Jacob will be truly free"

The guy on the other end fell silent.

Rosalynn didn't have anything else to say and hung up.

"Who were they?" Wayne asked.

"Your buddies." Rosalynn replied.

Wayne probably figured out from the conversation that his friends were being nasty to Erica. It reminded him of his past relationship with Rosalynn

He hesitated for a moment, then asked, "Did they treat you like this too?"

Rosalynn looked at him, pretending to think only once. Then you flipped the table and to ok me away"

To be honest, Rosalynn didn't see any major problems during that time when she was with Wayne

Because at that time, Wayne was really good to her.

When the girlfriends of Wayne's friends mocked her for being Wayne's stand in, he would immediately lose his temper and say. "Who the hell are you guys to laugh at her? Do you even have the right?"

After that, Rosalynn never saw those girlfriends around Wayne's friends again

And there **was** even a time when he ruined a business partnership just because the other company's boss had been hitting on Rosalynn. He smashed a wine bottle on the guy

"That's good," Wayne sighed in relief, 7 won't hang out with them anymore."

Rosalynn laughed. "You haven't been hanging out with them for a while."

"Yeah." Wayne put his arm around Rosalynn, just about to kiss her, when Ivy's voice came from the doorway

"Mommy, it's time for our family craft project!"

Wayne dropped his head onto Rosalynn's shoulder with a helpless laugh.

"Coming—"Rosalynn laughed and patted Wayne's back.

As she did the craft project

with Ivy Rosalynn was still thinking about Jacob going to see Erica

Jacob **was** a smooth operator

Rosalynn had never seen him make a mistake

But the smoother the operator, the more unpredictable the consequences if they screwed up.

After giving it some thought, she sent a message to Erica.

"Jacob's on a plane to Zurich"

Erica replied quickly after the message was sent, "Got it, I'll save him a seat at the wedding banquet."

Chapter 1600

Then, Erica excitedly sent several wedding dress photos to Rosalynn: "I was just thinking about you. Which dress do you think I should pick?" Erica is mixed race, and thanks to her ethnicity, she has a killer body

These wedding dresses just totally show off her assets.

"Maybe you should ask your fiancé if he's cool with a four-day wedding, changing dresses every **day** I really can't decide" Rosalynn replied. Erica sent back a string of LOLS

“Whoa, who’s the bride? She’s stunning!” Ivy, seeing that Rosalynn wasn’t focused on her crafts, quietly sneaked up and instantly lit up at the sight of the wedding dress photos

“Look again, who is it?” Rosalynn handed her phone to Ivy Ivy was even more surprised, “It’s Erica is she finally getting hitched to Jacob?” Rosalynn’s smile faded a bit, then she playfully pinched Ivy’s nose “You sure remember a lot about those two?”

“Because Erica is so pretty...” Ivy mumbled, then continued to look at the photos, “How come there’s only Erica in the photo? Where’s Jacob?”

“Sweetie, Erica isn’t marrying Jacob Rosalynn patted Ivy’s back

Ivy was shocked: “Why?”

“Why don’t you ask her that yourself later? Rosalynn touched her face, “By the way, she said she wants you to be a flower girl at the wedding. Are you up

for it?”

“I am!” Ivy nodded immediately, but then she seemed to remember something, “Mom, will Jacob be upset?”

“Honey, you’re a kid. You don’t need to worry about everyone’s happiness or unhappiness.” Wayne said.

“Dad’s right.” Rosalynn gave Wayne a thumbs up.

Ivy was somewhat confused, then she turned her head and saw Baillie and Paige strolling by the lake outside.

Her worries disappeared in an instant.

“I get it” Ivy lifted her chin, “Just like Uncle Sutton, **Paige** and Baillie!”

Rosalynn was taken aback, thinking, her daughter really really knows how to draw parallels

“But Uncle Sutton is not nice to Paige. Jacob is very good to Erica, when he was sick I went to see him, he was feeding Erica fruits and taking care of her.” Ivy fell into deep thought after a few seconds, “Mom, will Erica’s new husband be as good as Baillie?”

Rosalynn patted Ivy’s head.

How could such a small child have so many questions every day?

“I haven’t met him yet, so I can’t say, but since he was chosen by Erica, he should be a good guy”

Erica likes Jacob, but she’s not blind. She’s always been clear about her situation.

The man who could help her out of this situation, Rosalynn thought, should be decent, right?

But Erica had no idea, Ivy was worried sick for her.

Her decision to get married came quite suddenly

Somehow, Larkin managed to get the Lawrence family involved in the wedding, which made her nervous all of a sudden.

She was constantly checking all the details of the church, the venue, and the guests’ hotel accommodations.

After confirming the details of the pre-wedding party again, Erica sat there, and the message from Rosalynn suddenly popped into her head.

Jacob was coming

“Erica”

A gentle voice came from behind.

Erica immediately snapped back to reality
