The Secret Heir Return To Wealth And Love Chapter 1881

Chapter 1881

Rosalynn was staring Jennifer down.

She was actually pissed off.

“Tell her, my daughter is perfectly fine and she’s not hurt at all, Rosalynn suddenly said.

Jennifer seemed like she was waiting for some news.

Even though when she got arrested, she saw that Ivy had woken up, kids are fragile after all.

After drowning, it’s possible that she only temporarily regained consciousness and then could still pass away.

Or even if she didn’t die, it could be possible that she had brain damage due to oxygen deprivation, or she could get infected by bacteria.

So, she was waiting now.

Waiting for the person interrogating her to bring such news.

The interrogator left briefly, and Jennifer’s eyes instantly lit up, her face full of anticipation.

As soon as the interrogator came back and sat down, Jennifer couldn’t wait to ask, “She’s dead, right?”

“Who’s dead?” the interrogator said seriously.

“The kid I took to the river!” Jennifer rushed to say.

The interrogator scoffed, "You wish. That kid was lucky. She's already been checked by the hospital and aside from being a bit scared, she doesn't even have a scratch. You should stop worrying about other people's kids and start confessing to what you did!"

Jennifer suddenly struggled, screaming, "She didn't get hurt at all? No way!"

"This is absolutely impossible!!!" Jennifer suddenly struggled again, her waist bitten off a large chunk by Max, just barely stopping the bleeding!

Not to mention, the kid's head and body were injured by the rocks!

"I don't get it, I looked at your social relationships, this kid has nothing to do with you at all, and the deceased, Frederic Pierre, and Wade and Sam, why would you want to kill these people who have nothing to do with you?"

The interrogator looked at Jennifer, in a chatty manner, trying to coax Jennifer into telling the truth.

Jennifer angrily said, "Did you know that I was engaged to Baillie Scott?"

The interrogator cursed, "Bullshit!"

Jennifer continued, "Because the kid's mom and Paige are good friends, their family is powerful and they stole my man! Can't I kill her to get back at her mom?"

Rosalynn's face grew colder.

Jennifer had a smirk on her face, "So the butler's name was Frederic? After my sister married into the Scott family, she became the lady of the Scott family, but Frederic looked down on people, when I went to the Scott family, he always put me in the corner and glared at me! I originally wanted to kill Paige and her kid, but Rosalynn arranged too many security guards, I couldn't get close at all. So I thought, since she wants to protect Paige's kid, then I'll just kill her daughter instead."

Jennifer said, laughing more and more happily.

Luna and Kate both subconsciously looked at Rosalynn.

Rosalynn crossed her arms, her face cold, silently.

However, Jaime was already furious to the extreme.

He roared, "I'm gonna kill her!"

The police quickly tried to calm him down, "Sir, please calm down!"

Jennifer seemed to have found an opportunity to speak, she couldn't stop talking.

"Thanks to Paige having a kid, the Scott family had many guests, which allowed me to enter the Scott family. However, I wasn't very lucky, when I was preparing to find an opportunity, I was discovered by Frederic."

"So you killed him, did you?" The interrogator asked sternly.

"I'm just a fragile girl, you should believe me, if I wasn't pushed to the brink, how could I easily kill anyone? Frederic was being indecent, he threatened to expose my actions in the Scott family and wanted to take advantage of me!"

"No way!" Kate answered without hesitation, "Frederic is not that kind of person!"

"He's old enough to be my father. How could I let him tarnish my innocence? I had no choice, I had to strike first for self-defence. Sir, this should count as justified defense, right?"
