Chapter 1886

Chapter 1886

Rosalynn's people had gotten in touch with the person in charge of the transfer platform and successfully found the actual remitter of the money.

"An adult website? Jaime was taken aback, "Sam is part timing as a porn star?"

After Jaime said this, something suddenly occurred to him.

"Jesus!" He instinctively looked at Rosalynn.

Rosalynn remained indifferent, "Find it."

"Got it." Jaime nodded and immediately got serious.

In less than a minute, Jaime had found the target video.

Because the video was right on the homepage of that website, and it was pinned at the top with a very prominent banner recommendation, as the top-ranked of the month.

In the banner picture, the faces of the two men were turned away, but the face of the female porn star was crystal clear

It was Jennifer.

"No wonder she didn't want to confess Kate frowned, "I really don't understand what this girl is thinking. If she's selling fake bags, she just needs to go to jail. She can turn over a new leaf and start a new life after she gets out. Why does she have to go this extreme route?"

After saying that, Kate instinctively glanced at Luna.

Luna was trembling all over, and her brows were tightly furrowed.

"People like that, of course, don't think like normal people, Luna said solemnly. "But..."

Luna's brows furrowed even tighter.

"I never imagined Jennifer, being so proud, would do something like this."

"I want to see Jennifer Rosalynn said, looking at the person in charge of the investigation.

After a while, Jennifer sat in the interrogation room, she even casually hummed a song

She knew that the people from the Scott family and Rosalynn were probably watching her from the shadows.

The more terrified she looked, the more satisfied they would be. The more casual she was, the more their anger couldn't dissipate. They must be feeling helpless, right? Thinking about this, Jennifer felt even happier.

At this point, the door of the interrogation room opened

She thought it was the interrogator who had returned, but as she looked up, she saw a pair of beautiful eyes with a smile.

"Mrs Silverman."

Jennifer leaned back in her chair and smiled at Rosalynn, "They said your daughter is not dead..."

Jennifer do you know Sam uploaded a video of the three of you to a porn site?" After Rosalynn sat down, she didn't respond to Jennifer's words, but said these directly Jennifer's smile froze on her face, "What are you talking about?"

Rosalynn didn't bother to explain, she just opened the iPad in her hand, turned it around for Jennifer to see the video she had just downloaded.

She turned the volume up very high

Jennifer stated wide-eyed at the iPad screen, her ears filled with the voices of Sam, Wade, and herself

*Turn it off, I said turn it off!” Jennifer suddenly became agitated.

But her hands and feet were tied, she could only lie on the table, in a very twisted position.

Rosalynn did not budge.

She just stood there, arms crossed, watching Jennifer.

Truth be told, Rosalynn respected everyone’s personal preferences, but was utterly disgusted by the act of secretly filming and then uploading the video online.

But this time, Jennifer had crossed a line.

So, there wouldn’t be any more mercy for Jennifer

How would she know what pain felt like if she didn’t experience it?

The video was only three minutes long.

When it ended, the interrogation room fell into a sudden silence, Jennifer laid on the table, tears streaming down her face, but the look she gave Rosalynn was still full of

resentment

“So, is this why you didn’t tell the whole truth?” Rosalynn looked at her with a smile, arms crossed and tilted her head, “Luna was quite surprised after watching your performance, she didn’t expect you to stoop so low”

Rosalynn paused for a moment, then added with a disgusted face, “She asked me to ask you, don’t you find yourself disgusting?”

“I was forced. They forced me!” Jennifer screamed, “I didn’t willingly do it!”

“You didn’t resist in the video, stop making excuses for yourself. Rosalynn sneered, “The Scott family has looked into it, you got in as Sam’s cousin, why would Sam help you for no reason? You traded your body for it, didn’t you?”

“I didn’t!” Jennifer shouted, “Why do you think I killed them? It’s because they hurt me! If I willingly did it, why would I kill them?”

“You tried to seduce Frederic and failed, so in anger, you killed him. You were worried your two lovers would expose you, so you killed them too, it’s not hard to guess.” Rosalynn continued

Under this new logic, Jennifer was left speechless.

“That’s not it, I didn’t seduce Frederic! My plan was to kill him from the start!”

“You just said that Frederic tried to force you, now you’re changing your story, your mouth is full of lies, Rosalynn said with a disgusted look.

Jennifer was so angry that she was shaking all over

Her eyes were fixated on the iPad, if her hands and feet weren’t tied, she would have rushed over and smashed it to pieces.

“Rosalynn, I have no grudge against you, today. I didn’t mean to hurt your daughter, I wanted to die with Luna’s son. I unintentionally hurt your daughter, I apologize...” Unintentional Rosalynn laughed, “Jennifer, do you think everyone is as stupid as you? Do you think I believe what you’re saying?”

With tears in her eyes, Jennifer quickly put on a pitiful look, “Really, I have no grudge against you, it’s Luna that I hate, L.

“I have seen the surveillance footage at the river, your eyes were fixed on my daughter when you fainted on the bridge. After she reached you, you didn’t look at Cain or Carney at all, you were targeting my daughter from the start, Rosalynn said coldly.

Because some of the children Rosalynn brought loved to play by the river.

For safety reasons, Kate had installed a camera at the bridge.

The surveillance clearly recorded the entire incident.

From start to finish, Jennifer didn’t glance at Cain or Carney

Even in the surveillance footage, the taller Cain was the first to reach Jennifer.

If she was targeting Cain or Carney, it would be much easier to pick them up and jump into the river than to wait for Ivy to come and pick Ivy up and jump in.

After watching the surveillance, Rosalynn confirmed that Jennifer's target was Ivy

"How is that possible! Why would I do that? It was Luna who hurt me! Jennifer tried to argue

Rosalynn looked at her, her face gradually covered with a cold chill

Chapter 1888

"So, besides the stuff you just confessed, the conflicts you got with Paige, it's mostly about jealousy, ain't it?" Rosalynn asked, "You're jealous 'cause my daughter was born with a silver spoon in her mouth, living like a princess. And you? Your folks always favored your bro, always gave him the best stuff and the family fortune. It broke you, doesn't it? Why do some people get everything you want right out of the gate, while you gotta hustle and struggle, and even hit rock bottom? That's why you want her dead"

Jennifer stared at Rosalynn

A wave of terror washed over her, and she didn't know how to clap back

How did Rosalynn know what was going on in her head?

There were plenty of girls around Jennifer with the same story

It was a thing where they lived.

She used to like the Scott family a lot because Kate doted on her daughter.

Kate even told Jennifer that daughters should be family's precious treasure

Then Jennifer saw Ivy online.

She also had a big brother, and they were loaded too. But Ivy was the golden child

Just a kid, and already throwing big ass art shows.

Jennifer saw the price tags for a few of those pieces, hundreds of thousands of bucks.

That's enough dough to cover all her study abroad expenses.

She also saw all the fancy hair clips and trinkets Ivy wore when she was out.

Any one of those could cover all the money she'd ever gotten from her folks. Jennifer had been pissed about it for a while.

The day her family got dissed at the Scott's was the first time she saw tvy in person That annoying girl stepped up like she was ready to block attacks for Paige.

That confidence was something Jennifer never had.

She thought then, this rich kid was a real pain in the ass

And for the first time, she thought Ivy should be dead.

"I'm not jealous of her!" Jennifer looked at Rosalynn, pushing back, "I just can't stand her

Rosalynn was even more ticked off now

"Your daughter is a real pain in the ass, always making a racket. Just hearing her voice makes me want to strangle her!" Jennifer continued

She was done anyways, she might as well stop fighting

She thought that would set Rosalynn off, but...Rosalynn just looked at her and laughed.

Jennifer's face changed, and she stared at Rosalynn, her brow furrowed.

"You think you're in a position to judge my daughter?" Rosalynn was laughing even harder, and continued, "You've been spreading rumors that you're Baillie's fiancée, but Baillie doesn't even know who you are. You've been scamming your friends and classmates, selling fake luxury goods. You've killed innocent people, poisoned two innocents Everything you've done, it's just sick!"

“Shut up!” Jennifer’s face was twitching uncontrollably.

“They made me do it! They were not my lovers! You can’t just accuse me of anything”

“Your words don’t count” Rosalynn casually waved her hand, “It’s up to me to judge what kind of person you are, and what you’ve done.”

“What are you going to do?” Jennifer looked at Rosalynn, terrified.

“You don’t think that by hurting my daughter, just getting the death penalty is enough, do you?” Rosalynn said and slowly stood up, looking down at Jennifer Jennifer looked up at her in horror, shouting “She’s still alive, isn’t she? She is still alive, right?”

Chapter 1889

“She only survived because her friends risked their lives to save her. What the hell do you have to do with it?” Rosalynn said, picking up her iPad. “I gotta say, your act is better than a professional. Your expressions, your voice..”

“Mrs. Silverman, Mrs. Silverman, I’m sorry! Please, for the sake of your child, let me off the hook!” Jennifer started to wail. “We’re both women, **you** can do whatever **you** want to me, just please don’t release those videos. I’m begging **you**! Let me die with some dignity and innocence, I beg you!!”

Rosalynn laughed. It was a beautiful laugh, but Jennifer felt a chill of terror.

“So, your dignity and innocence **are** your weak points, huh? Jennifer, you’re not half bad, you’ve given me a heads up.” Rosalynn tapped the tablet lightly. “I’ll let the whole world appreciate this, especially the people who know you.”

Jennifer was taken aback, “NO!”

Rosalynn left without looking back.

Outside.

Nobody dared to speak when they saw her coming out.

Jennifer was still sobbing uncontrollably.

Rosalynn handed the iPad to Jaime. “Thanks for your hard–work, guys. I won’t interfere with your normal operations now.”

“We should be thanking you for your cooperation, Mrs. Silverman.” .

Rosalynn nodded slightly, then she left with Kate and the others.

“Sis, are we going to release the videos now?” Jaime asked as they walked. Rosalynn glanced at him. “Who said anything about releasing them?”

“But you just told Jennifer...” Jaime was puzzled.

Kate and Luna exchanged a look.

“In her mind, they’re already spreading like wildfire. That’s all I needed.” Rosalynn explained.

In the end, releasing the videos would only give the scumbags out there a sick thrill.

Her goal was to break Jennifer, to let her crumble in the face of lost dignity and innocence before she dies.

Now, her goal had been reached.

Whether or not the videos would be released was irrelevant.

“I’m heading to the hospital, so I won’t be going back with you guys.” Rosalynn said to Kate and Luna.

The two nodded quickly, they watched Rosalynn leave.

“Now I see why so many people are willing to die for her.” Kate sighed.

Gabriella Jared knew many people, and all of them were willing to help her.

The number of people Kate knew in her lifetime was nowhere near that.

“Rosalynn is a person who can do great things.” Luna said.

Kate glanced at Luna, then pondered her words.

“You’re right.” Kate nodded repeatedly.

She wouldn’t have been able to face the situation today with a clear head.

It started to drizzle again.

Rosalynn felt exhausted. Her forehead pressed against the car window, feeling the coolness, Her temples throbbed occasionally.

“Rosalynn, are you okay?” Jaime asked softly.

Rosalynn opened her eyes and looked at Jaime. “Jaime, you’re not mad that I didn’t release the videos, are you?”

Jaime smiled faintly. “I was a bit pissed at first. She almost killed Ivy. But...I know you have your principles. I understand you.”

Chapter 1890

Jaime will never forget how he met Rosalynn.

He was in hot water at the time, having pissed **off** the deputy manager who came with Rosalynn.

His hacking into the website had caused the deputy manager **to** lose millions, and he got a proper beating on the spot.

Jaime felt like he was going to die that day, but he kept a stiff upper lip until the deputy manager mentioned his grandpa, which made him immediately freak out.

In the following days at the police station, he was on pins and needles.

Rosalynn came to see him, telling him his grandpa was okay and that she had footed the bill for his grandpa’s surgery and medical expenses.

He would never forget that feeling for the rest of his life.

He broke down in front of Rosalynn.

From then on, he stopped messing around, he apologized, he tried to make amends.

He never touched those bad behaviors again.

Although, compared to Jennifer, they were leagues apart.

But according to Rosalynn's principles, punishing Jennifer could be severe, using all means, torturing her mentally, as long as it abides by her principles.

She would never cross the line she set.

For instance, spreading those videos.

"Anyway," Jaime leaned back in his chair, legs crossed, "whether you spread that video or not, in Jennifer's mind, she already believes you did. Think about it, I feel that's even more impactful than you actually doing it."

Using something that will never happen to mentally torture Jennifer.

"About what happened earlier, don't tell Wayne." Rosalynn closed her eyes tiredly.

"**Don't** worry, he won't mind." Jaime immediately said.

The car returned to the hospital.

Rosalynn didn't let Jaime go **in** with her, but tell him **to** go

home

me to rest.

When she arrived at the door of the ward, Molly was sitting there. Her injuries had been treated and she had changed into a clean set of clothes.

The clothes were probably bought by Felix, they were obviously too big.

Molly was already thin, and this dress made her look even thinner

She was looking down, playing with her **fingers**, lost in thought.

Hearing the noise, she immediately looked over cautiously.

Seeing it was Rosalynn, she relaxed her guard a bit.

“Are your wounds all treated?” Rosalynn asked gently.

“It’s nothing serious.” Molly slightly lifted her sleeve, trying to cover the wound on her arm, “How’s that woman?”

“She’s getting her just desserts.” Rosalynn said, then **sat down** in the chair opposite Molly, “Molly, if it wasn’t for you and Max today, Ivy...”

“I was careless.” Molly hung her head.

She sat there, constantly replaying the events of that time in her mind.

In her mind, she thought of countless possibilities to prevent the accident.
