

## Returning from the Dead His Secret Lover Chapter 1821

She's so smart

"Then what's your final plan? I didn't tell you to kill people. You killed two people in one fell swoop. How did you end it?"

The girl who continued to question was so angry that her whole body was trembling. It was so white that there was no blood at all.

However, the person on the phone smiled.

"Miss Cen, since you want to drive Lan Shanshan to a dead end and make her feel that life is worse than death, then you must be cruel. Besides, from the moment you promised, it was already Are you ready for this?"

"You—"

Just like that, the girls here were blocked and could no longer say a word.

Yes, they have already gone to hell, so what are you pretending to be aloof? If she was so afraid of blood on her hands, she shouldn't have contacted them in the first place, and once contacted, wouldn't it mean that she already had sin in her heart?

The man simply hung up the phone.

Half an hour later, nail salon.

"Hello, are you two doing manicures?"

"Yes, we are going to do crystal manicures."

Shen Shanshan directly reported the projects she was going to do.

The lady from the nail salon heard it, and readily agreed, and brought them into the shop.

Zhang Yufang: "Look, Senior Sister Shanshan, I accompanied Xin'er here to get my nails done, and we both sat in this position."

After the girl sat down, she immediately introduced to Shen Shanshan.

Shen Shanshan listened, didn't say too much, just nodded, and then waited for the little sister to pass by and make it for them.

Nail beauty, a very popular decoration industry in today's society, I believe that many girls who love beauty have done it, and Shen Shanshan is the same.

So, until the little sister came with the tools for making nails and the nail polishes, she just looked at the transparent bottle of nail polish.

"Is this what we do?"

"Yes." The

young lady nodded.

Shen Shanshan didn't ask any other questions. It took an hour. After the two of them finished their nails, she took advantage of this and the other's finished nails, got up and left.

Go to Huo Yin to contact his genius brother and test the things on the nails.

However, when she came out of the nail shop and walked to the side of the road, suddenly, something flashed in her mind, and she stopped immediately.

Zhang Yufang: "What's the matter? Senior Sister Shanshan?"

"I remember you told me that Xiner's nails are quick-drying, right?"

"Yes."

The girl was still at a loss.

Shen Shanshan immediately looked at her shiny nails: "Then why do we have to bake? We didn't make it clear just now? She made me another style?"

"Huh?" The face is blank.

Seeing this, Shen Shanshan didn't tell her, just turned around and went back to the nail salon.

"Boss, are the nails we just did crystal nails?"

"Yes?" The boss, who was busy in the store, was a little puzzled when he saw them coming back.

"It's the most popular crystal armor in our store now. What's wrong? Is there any problem?"

“No, I just heard from my classmate that she made it naturally, but the two of us just baked it. Now, why is it different? Could it be that the materials are different?”

Shen Shanshan raised her own question.

But I saw that the boss heard it, and immediately came over and looked at her fingernails.

“How could it be? All the nails we make have to be dried. Did you hear it wrong? This kind of nail is made of crystal nails that are made by applying nail polish layer by layer. How could it be air-dried? “

The boss repeatedly stressed.

Shen Shanshan stopped talking.

After a while, she went directly to the sofa over there and sat down again, and she said, “Boss, then you should call up your store’s surveillance camera yesterday and show it to me, our school is dead, because Your nail polish, if I notify the police now, it will be troublesome when they come to you.”

“...” In

a word, the whole manicure shop looked at her.

Including the young lady who just did their nails.

Is she so smart?

Isn’t it easy to deal with? A little girl in her early twenties, how could she find a flaw in such a small detail?

She panicked, and when the boss went to get the surveillance camera, she immediately left the nail salon and ran away.

As for Shen Shanshan here, after getting the surveillance, she quickly looked at it. As a result, she really saw Ning Xiner who came to this shop at noon yesterday to get her nails done. Her nails were not baked. of.

Not only that, but her nails seemed to have been brushed several times.

“I...I didn’t teach her to do this, and, who is this person? Why haven’t I seen her?” The boss had already shouted.

Shen Shanshan understood.

Immediately, after calling Huo Yin, she asked the girl next to her to call the police.

The incident last night was so turbulent that I believe the police must have come here before. After all, it was a problem with the nails, but why did the police come and found nothing?

Can't hide...

After Shen Shanshan hung up the phone, she sat in front of the computer and looked at the monitor in a trance.

Soon, Huo Yin arrived.

"Yinyin, you're here? Look, it's been confirmed that there is a problem with the nail maker, and he's gone now."

Shen Shanshan immediately stood up, pointed to the monitor in front of her, and said.

Huo Yin frowned and sat down.

Before he came, he had actually checked it out. After the errand man arrived at the school last night, the two items were brought in by Ning Xiner's two female classmates.

That is, including this Zhang Yufang.

When they went in, when they passed the tree-lined path of the school, they found that there was some residual phosphorus powder on a branch.

So, this is a murder!

Huo Yin finished watching the video and said, "Wait for the police to come here first. If there is something hidden behind this, they are professional and will definitely dig it out."

He said this indifferently and ruthlessly.

But in fact, when Shen Shanshan saw the final truth, there was no objection, so the two stayed in the nail salon together and waited for the police to arrive.

Ten minutes later, the heavily armed police force arrived.

The captain of the criminal police, as soon as he stepped in, saw the two people staying in the store, and swept over with a pair of falcon-like eyes, and came over immediately.

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

“Hello, I’m the captain of the criminal police team. Did the two of you find the clue?”

“Yes, Uncle Police.”

Shen Shanshan hurriedly stood up and told the general story of her coming here, and also pointed out that He pointed to the monitor on the computer side.

The captain immediately sent someone to check.

“Then who is this?”

“...Uncle policeman, he is my nephew, he...”

“On the way from the school to the girls’ dormitory, there is a path with locust trees planted on both sides. The police officer can go to the 6th branch on the left and ask the forensic doctor to check, there will be what you want.

”, This young man actually spoke up.

He calmly said what he had also discovered. He didn’t have the expression of being very resistant and afraid of communicating after seeing a stranger.

Shen Shanshan was stunned.

Is he... not afraid?

The captain didn’t know the situation of this young man yet, and when he heard that he had provided such an important clue, he patted him on the shoulder very approvingly.

“Okay, what’s your name?”

“...Ah, that uncle of the police officer, go check it out quickly, but don’t let people destroy the scene again.”

Shen Shanshan noticed now.

Seeing that the boy's brows were sharply raised, she quickly changed the subject, then hugged his arm and pulled him over.

He doesn't like to communicate with strangers.

He doesn't even like people he doesn't know touching him! !

Shen Shanshan pulled him to the side, and when she saw that the criminal police captain had finally left with someone, she breathed a sigh of relief, and reached out and wiped it on his shoulder.

"It's okay, let's change clothes when we go back."

"..."

Huo Yin didn't speak.

Those beautiful eyes just swept across her little white face full of anxiety, and for a moment, he calmly looked elsewhere.

"Well."

"..."

——Ning

Xiner was finally found to be acquitted.

As for the reason for this case, according to the answers given by the police, they believe that it may be that Ning Xiner usually acts too high-profile in school, which leads to hatred.

For the specific reason, we still have to catch the murderer.

As for the murderer...

"The captain has already sent me a message, saying that it is the woman from the nail salon. They are already wanted. She is a super wanted criminal. It is published nationwide. I believe she cannot escape."

This morning, Shen Shanshan said while busy in the kitchen.

Outside, both boys got up, but Shen Tianhao was occupying the bathroom to read his fantasy novels, leaving Huo Yin in the living room.

He was holding a little fodder to feed a baby turtle they had bought a while ago.

He didn't respond much when he heard the girl's voice in the kitchen.

wanted?

It seems that he overestimated them. The police are not all like the uncle and the others, and they are still a lot of waste.

The juvenile's fair and slender fingers threw two more feeds into it.

"Are you feeding him again? Yinyin, turtles can't be fed often. If they are fed too much, they will die!"

Before they were thrown away, a slender figure came out of the kitchen. Immediately rushed over to grab his hand, and hurriedly picked up the two feeds from the tank.

Huo Yin: "..."

After two beams of eyes glanced at the white wrist that grabbed him, he lowered his eyes, those very beautiful and thick long eyelashes covered the slightest fluctuations inside. .

Shen Tianhao also came out. When he saw this scene, he said to his sister: "Sister, it's just a turtle. What are you doing so excited? It scared everyone stupid."

"Ah?"

Shen Shanshan was reminded that this Just got surprised.

"I'm sorry, Yinyin, I was in a hurry just now, don't be nervous, I don't mean to blame you." She quickly let go and apologized to the young man.

But in reality, how could this young man blame him?

## **Returning from the Dead His Secret Lover Chapter 1823**

Gen Yu'an, do you know what you are doing?

The three sat and ate breakfast together. When they were about to go out, Ning's parents downstairs brought Ning Xiner to thank them in person.

"Sister Shanshan, Huo Yin, and Tian Hao, this time, I'm really thankful for you all, if it wasn't for you, I might have..."

"Yes, it's really thanks to you this time, you are my Ning The great benefactor of the family! It is the great benefactor of our husband and wife!"

After Father Ning came in, he was also in tears and wanted to give them a big gift.

Mother Ning is the same.

The two boys had never seen such a scene, so they stood aside and didn't know how to deal with it, but Shen Shanshan was calm. After seeing it, they quickly stopped the couple.

"Uncle and auntie, what are you talking about? Xiner is our good friend. When something happened to her, we naturally have to help her."

"Yes, you are welcome, I don't believe this little pig can kill. "

Shen Tianhao was about to blurt out.

Suddenly, the apartment was quiet, and Ning Xiner glared at the boy who gave her a nickname, her face flushed red.

"Shen Tianhao, you... Who are you calling a pig?"

"... I... I said it wrong, hey, don't come here, I didn't mean to..."

Within two sentences, these two People actually started to make trouble again, and Shen Tianhao was chased so much that he hid in his room in the end.

Shen Shanshan was extremely embarrassed.

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

She wanted to reprimand her younger brother for being so rude, and wanted to apologize to the two uncles and aunts.

But she didn't realize that after Ning's father and Ning's mother saw this scene, suddenly, the two looked at each other, and they both showed very satisfied expressions.

God's family, of course, is unattainable.

Therefore, they never thought that their daughter would have something to do with the proud man in front of them.

However, the other one is not bad. It is also a family member of the Shen family. Although it is a collateral branch, I heard that it is very valued by the current ruler of the Shen family, so for a small boss like them, it is already very good.

Ning's father and Ning's mother finally returned with a very happy mood.

"Master Huo, and Miss God, in order to thank the two of you for saving Xiner's life this time, can you come to my house for a light meal tonight? Don't worry, there won't be any other purpose, just to eat a meal. It's just a light meal."

"..."

Almost immediately, Huo Yin would refuse indifferently.

But Shen Shanshan here suddenly thought of his mother's advice that she would take him to participate in more social activities, so she immediately grabbed him again.

"Okay, it's time to trouble the two of you."

"No trouble, no trouble, we are grateful for your coming. It's too late for us as a husband and wife." Father Ning was instantly ecstatic.

This matter is settled.

When they were leaving, Shen Shanshan sent a message to Ning Xiner, who had left, in order to make it more lively, telling her that her friends had also contributed.

[Ning Xiner: Don't worry, Senior Sister Shanshan, I will invite them all over, adversity sees the truth, as long as I have helped Ning Xiner in the past two days, I will invite them to dinner! ]

[God Shanshan: Good. ]

[Ning Xiner: But, my dad said, you must bring your brother too. Then, if he comes, please help me warn him not to call me Ning Xiaozhu! ]

[Shen Shanshan: ...]

It's a little bit dumbfounding.

However, someone remembered her brother, and she was still very happy. At the moment, when she was going to school, when she sent Huo Yin to the finance department, she deliberately pulled the careless brother aside.

“Ning Xiner asked you to go to dinner, you have to be polite and don’t embarrass me.”

“Ah?” The

tall boy was stunned.

also invite him?

He stood there, and suddenly, the round-faced little girl who always likes to fry his hair appeared in his mind, and he suddenly felt very happy.

So do you want to buy a gift?

—

Department of Finance.

Cen Yu’an came very late that day, and the first class of the school was over, so she came over slowly.

And when she arrived, she also looked absent-minded.

The group secretary: “Student Cen Yu’an, what’s wrong with you? Why do you look so bad today? Are you feeling unwell? Did you go to tutor again last night?”

The group secretary was still very concerned about her.

Only then did Cen Yuan come back to his senses.

“It’s nothing...it’s okay, I just slept a little late.”

“Well, then why don’t you go to the stairwell and rest for a while, there’s no one there now.”

“Okay.”

Cen Yu’an left, holding the book in his hand. Step room.

The staircase room is actually the place where their department used for self-study. At night, there will be a lot of people, and it will be quieter during the day.

Cen Yuan pushed open the door.

“!!!”

Surprisingly, she saw a boy inside at a glance. At this time, after hearing the sound of her opening the door, two cold and indifferent eyes swept over.

Cen Yu'an was immediately stopped by something.

What kind of look is that?

She couldn't describe it.

However, she knew very well that it was these two sets of eyes. When he swept over, she couldn't control the numbness in her head, and the blood on her whole body seemed to disappear.

It was so cold that even the fingertips were shaking.

"Why...why are you here?"

"Then what about you?" The boy opened his mouth, his voice also cold as if it had been quenched.

"I..." "I

only want to find a quiet place to hide when I am extremely uneasy and fearful. Back then, when your brother died in prison, I locked myself in the room for three Days and nights, that's how it is."

Huo Yin began to tell about his unbearable past.

His lips were extremely white.

The depths of his pupils, even now, still tremble slightly when he mentions it.

Cen Yuan's face changed again.

Banquet

“I was hesitant and fearful, as if I was completely in the dark. I forced myself to sleep, thinking that when I woke up, nothing had happened, and your brother was still your brother.”

“Or, is it back? When I don’t know him at all, do you know what it’s called?”

Huo Yin suddenly stopped and stared directly at the girl.

When Cen Yu’an saw it, it was as if all of her clothes had been stripped off all of a sudden, those secrets hidden in her heart, those things that were shameful.

They were all pierced by the young man’s two beams of sight like blades.

what is it call?

Of course, it is called escape, and it is also called paralyzing oneself.

She is an elective in psychology. She knows this better than anyone else, but why did this young man suddenly tell her this? Did he find something?

She was so terrified that her whole body started to tremble.

However, the boy didn’t say anything else. After he finished his last sentence, he put away the books in front of the desk and put them in his schoolbag, got up and left.

Cen Yuan: “...”

It wasn’t until his back disappeared in front of her eyes that she suddenly seemed to have all her strength taken away from her.

“Boom—“

The whole person fell on the back door.

Because, she suddenly realized that in that case, after the two found clues, they were directly handed over to the police.

And handing it over to the police means that he no longer has room to spare.

Cen Yuan was paralyzed...

——Ning

family at night.

Ning Xiner was really generous. For a family banquet, she called almost all the first-year students of the Finance Department, which made the banquet this evening a lively one.

Shen Shanshan followed Huo Yin the whole time, she was afraid that he would not adapt.

But in fact, his performance was much better than she imagined. After arriving at Ning's house, apart from frowning a little when he saw so many people at first, when he entered, those classmates took the initiative to greet him.

And very enthusiastically brought him into them.

After seeing Huo Yin, he slowly let go, and Shen Shanshan finally let go and went to the girl's side.

"Why didn't Cen Yu'an come today?"

"Yeah, I didn't see it either."

After a lot of excitement among the girls, they suddenly saw that one of them was missing, and couldn't help asking someone.

It just so happened that Shen Shanshan was about to arrive here, and after hearing that, she was also stunned.

"Didn't she come?"

"Yes, Senior Sister Shanshan, I wonder if Xiner invited her?" Someone analyzed.

But Ning Xiner, although she is arrogant and willful, and the eldest has a temper, she still knows the most basic manners. Everyone from the entire department is here, so it is impossible to leave one uninvited.

Shen Shanshan went to Ning Xiner's side.

"I invited her. I sent her a private message. If she doesn't come, what can I do?" The eldest lady pursed her lips, and it really wasn't her business.

Shen Shanshan smiled and comforted her: "It's okay, she doesn't come, that's her loss, you see so much delicious food here today."

Other girls: "That's right, it's better not to come."

Everyone is comforting with this little girl.

What was surprising was that Cen Yuan still came that night.

She was wearing a khaki slim-fit hip-length dress, her jet-black hair was draped vertically over her shoulders, revealing her standard oval face, and her thinly-painted Fendai facial features were so bright that almost as soon as she appeared, everyone turned to her. looked over.

This is really a beauty!

Shen Shanshan also looked over, and for a moment, she suddenly thought of a famous female star-Guo Biting.

“Cen...Yuan is here, hurry up, put all these things away.”

“And the ones on the ground, why did you get so dirty? What do the girls think of us when they see it?”

“ ... ”

“ ... ... ”

In just a few minutes, the boys were all messed up.

They hurriedly cleaned up the site they had made a mess in front of them, and some people were even moving stools and obstacles, just to make way for this iceberg beauty to have a wide avenue to welcome her.

When the other girls saw it, they were going to be pissed.

This Cen Yu'an is a scourge!

They turned their heads and left, ignoring her. In the end, Shen Shanshan pulled Ning Xiner over and asked her to entertain the girl.

Ning Xiner: “You're here? So what? Then you can see what you eat and what you eat. It's all here.”

She pointed to the banquet scene at home, letting Cen Yuan do what she wanted.

When Cen Yuanan saw it, the discomfort and stiffness in his heart became stronger.

In fact, she mustered up a lot of courage to come.

She doesn't come, which is even more suspicious.

But here she is...

She saw that she had long run to the empty girls field, and she felt a strong sense of humiliation standing there.

Especially when she saw that Shen Shanshan was surrounded by their stars like the moon, this feeling was even more unbearable for her, and she wanted to leave this place immediately.

“Student Yu’an, what do you want to eat? BBQ? We just cooked.”

Suddenly, a boy brought a plate of skewers over to please.

## **Returning from the Dead His Secret Lover Chapter 1825**

Do you really want to live?

Cen Yuan glanced at him.

A very ordinary boy, if he were in school, she wouldn't even look him in the eye, but now...

“Thank you.”

After taking her delicate fingers like light green, she took a bunch of them from the boy's hand. The grilled chicken wings were handed to his lips.

God, the famous iceberg beauty didn't reject him.

Boys are going crazy.

When other people saw it behind their backs, they were all excited. They were all boys and liked beautiful girls, which was normal.

So, Cen Yu'an, who was left out in the cold, finally became the darling of the boys.

The girls over there were even more pissed off.

“Look, I'll say she's a vixen, and she's fascinated all the boys.”

“That’s it!”

They were all very angry.

Shen Shanshan saw it and frowned: “Okay, you all leave at once and leave her there alone. If the boy doesn’t take the initiative, what will she do as a girl? Have you thought about her situation? “

She still understands Cen Yu’an’s mood just now.

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

However, Cen Yu’an did not necessarily accept her love. After sitting there for a while, she suddenly saw Shen Tianhao who was baking something, and she passed by.

“Want to help?”

“Ah?”

Shen Tianhao, who was immersed in the barbecue, immediately raised his head.

This is.....?

He couldn’t take his eyes off the girl’s face at once. It was like in the spring scene in the garden, and suddenly he saw a touch of bright beauty that made all the colors dim, and he was speechless for several seconds.

Cen Yu’an blushed.

“Senior?”

“Oh, I’m sorry, otherwise, you can help me out.”

Shen Tianhao finally came back to his senses, and suddenly let go of his anger. He warmly invited her to help him.

He is from another department.

Before, I heard that there is a famous iceberg snow lotus in the finance department, but I never read it seriously, and even met my sister a few times later.

But now she is so amazing.

Not only did she put on beautiful clothes, she also put on makeup. After seeing the whole thing, it was like a lotus flower. It was normal for him to be attracted to a big boy with strong blood.

So, that night, Cen Yuan has been helping Shen Tianhao.

When Shen Shanshan came over from the group of girls, the relationship between the two of them was already very good, and they had been chatting and laughing there.

“!!!”

In a second, after Shen Shanshan climbed up with a layer of coldness behind her, she didn't even think about it, and people rushed over.

“Tianhao, what are you doing? Put things down and stay away from her!”

She shouted loudly when she came in front of him, and she was uncharacteristically unreasonable and told him to stay away from this woman immediately.

Shen Tianhao was stunned.

Including the people around, after seeing this scene, they also showed very stunned expressions.

what happened?

Isn't this sister always calm? Why is she now making such unreasonable demands on her younger brother, as if she were a completely different person.

“Sister, what are you doing?” Shen Tianhao here was also angry, he stared at his sister sullenly and refused to agree to her.

God Shanshan is going crazy.

She pounced directly in front of him, and after knocking off everything in his hand, she dragged him away.

“You go back with me, right now!”

“Sister—”

Shen Tianhao didn't expect such an unreasonable day for his sister, so he threw it hard, and immediately his hand broke free, and his sister was thrown aside.

“Ah—” The

severe pain came from Shen Shanshan's waist, holding the table, unable to straighten for several seconds.

Shen Tianhao: “...”

Other boys and girls: "..."

Just when everyone was there looking at each other, suddenly, a young man came out of the villa after hearing the movement outside.

"Shen Tianhao, what are you doing??"

It was like a sharp sword draped in the sky. After the boy's voice was furious, he threw it over, and everyone felt a great chill on the spot.

Including Shen Tianhao.

"I...I..."

"Shut up for me! Go back to me now, otherwise, you won't want to stay here any longer!"

Another sharp scolding.

At this moment, it was clear that Shen Tianhao was the older one, but for some reason, he had no confidence anymore, and even his eyes showed a trace of fear.

He remembered the master of their god's house.

As for the young man in front of him, the majesty that radiated from his bones and the huge sense of oppression were exactly the same as his father!

A few minutes later, Shen Shanshan finally took Shen Tianhao and left quickly.

This calm-tempered girl finally lost her hands and feet after she finally met her brother, and left here almost as quickly as possible.

This is from the fear in her heart.

Huo Yin didn't leave, he stayed, his eyes were in the dimly lit garden, as if completely covered by the breath of death, staring at the girl in front of him for a moment.

"You really don't want to live?"

"..."

It was like a voice coming out of hell.

Cen Yu'an stood there for a moment, shaking again, and his blood was even more lost.

Fishing

“What did I do wrong?”

Cen Yuan calmed down. She looked at the young man in front of her with grief on her face.

“Just because I said a few words to her brother? Huo Yin, shouldn't you be fair to me? She Ning Xiner invited me here, but ignored me. Have you considered my feelings?”

” “ . . . ”

“A few of them are willing to talk to me, what's the matter? I just said a few more words to them, is there a problem?”

She asked word by word, and in those beautiful big eyes, all the All tears of grief.

But unfortunately, the young man in front of him was still very indifferent.

“Are you sure you didn't have any other thoughts about Shen Tianhao just now? Shen Tianhao, but Shen Shanshan's younger brother is also Lan Yuan's grandson, and now the Lan family is the only male in the world, do you really have no other idea? “

He reminded her coldly, his gaze was like a knife.

Cen Yu'an suddenly climbed up with a penetrating coldness from the soles of his feet.

Did she have no other intentions?

Of course there is.

Just now, because she saw that she was left out in the cold, while that woman was being admired by all the stars, and the resentment in her heart climbed up again, she couldn't help but cast her eyes on Shen Tianhao.

At that moment, her mind was sinful.

She finally couldn't say another word...

Huo Yin stood next to her and saw her appearance, so he just threw a sentence: "I left that case to the police, but I still leave room for you, if you still want to Find it on the road to death, it doesn't matter, I will hand you over to my daddy myself!" In the

end, he only mentioned one person.

his daddy!

Cen Yu'an's pupils widened in an instant. She stared at the boy in disbelief. It seemed that at this moment, she finally knew what fear was.

What does it mean to really not give her the slightest chance to survive.

Yes, his daddy Huo Sijue, that is the real god of this country. If she falls into his hands, she will really only be smashed to ashes.

Cen Yu'an watched the young man leave in a dead end.

That night, when she returned to the dormitory, she gave Shan all the contact information on the phone and computer without saying a word,

and Shen Shanshan, who brought her brother back with her, was very strict once she arrived in the apartment. He warned him not to get too close to this Cen Yu'an.

Shen Tianhao is simply inexplicable.

"Why can't I approach her with her? She doesn't have a boyfriend yet!"

This mindless thing had already thought of the word "boyfriend".

Shen Shanshan exploded with anger.

"He doesn't have a boyfriend, are you going to be her boyfriend? Shen Tianhao, believe it or not, I'll let you drop out of school right away? Go home?"

"What did you say? Let me drop out of school? Shen Shanshan, What qualifications do you have to make me drop out? Do you think you are my sister and can decide everything about me? Do you think too highly of yourself?"

"You—"

Shen Shanshan was so angry that she almost fainted.

Fortunately, Huo Yin came back at this time. After seeing the siblings quarreling with each other, he came between them and stared at Shen Tianhao gloomily and said, "She is not qualified, my father is qualified. Right?"

"I—"

"Shen Tianhao, listen to me. Before my daddy makes a decision, if you have any contact with Cen Yuan again, I can't guarantee what I will say to daddy."

Huo Yin stared at this brainless thing again and gave a stern warning.

Shen Tianhao's face immediately flushed red.

He wanted to get angry so much, why did this stinky boy dare to talk to him like this? Didn't he remember he was younger than him? Didn't he remember that they were uncle and nephew?

It's too much!

However, in the end, he still didn't dare to say a word.

And Shen Shanshan, at this time, his anger has subsided a little.

Whether it's the boy's daddy or the old man of the god family, he can definitely control her, anyway, she's useless.

She went back to her room.

—

Viewing the Sea Terrace.

Wen Xuxu only heard the phone call from her son that night. She was surprised when she heard that it was about Shenrong's children.

"Is it that serious? Yinyin also called you?"

"Well, Shen Tianhao has no brains, and Shen Shanshan can't control him, and it's hard to tell him Cen Yu'an's true identity, so , you can only leave it to us."

Sitting in the chair, Huo Sijue replied while casually looking at the book in his hand.

Wen Xuxu heard that something was wrong, and immediately, she put down the skin care product she was wiping and came to him.

"What do you mean? Something happened again?"

“Well, Cen Yu’an has been eyeing Shen Tianhao. Two days ago, after she murdered with those people, she was found out by Yin Yin and Shen Shanshan, and the plan failed, so she When I went to Ning’s house last night, I started to fight Shen Tianhao’s idea.”

## Returning from the Dead His Secret Lover Chapter 1827

It’s all here

Sure enough, nothing could escape the eyes of this man.

Wen Xuxu’s expression changed immediately when he heard it.

“Why is she like this? How did a little girl in her early twenties become so vicious all of a sudden? Wasn’t she a good student with excellent academic performance? It’s only been a few months, how has she become so terrifying? “

She was really pissed off.

Because she is also someone who has come from the wind and waves, but such a young girl has become such a terrible person in just a few months.

It really opened her eyes a bit!

Why is this happening?

Is it really just because of the hatred in her family?

Does Cen Yuan know? When they first learned about this girl, they saw that she was so outstanding and outstanding, and they planned to pave a good way for her.

Even when she applied for Huo’s intern job, she gave her the green light.

Wen Xuxu’s face turned blue.

“One is the result of family education. Second, it has something to do with her nature.”

“How do you say it?”

“Look, family education, after her father and brother had an accident, only their mother and daughter were left. The two must have been bullied a lot. Therefore, her mother will inevitably complain and force her to stand out. Over time, she has become a person who only pretends to be resentful and wants to be strong. This point, From the very first time she arrived at school, she was indifferent to everyone and showed no humaneness.”

The man began to analyze.

Wen Xuxu nodded: “From a psychological point of view, it is indeed the case, then you say her nature...”

“The meaning of her nature is that she has those things hidden in her bones. Shen Shanshan has given her many opportunities, but she has never been grateful. On the contrary, after Shen Shanshan did something wrong to her, she would Immediate resentment came back, which shows that she is a person who is competitive and narrow-minded, and this has nothing to do with the environment in which she grew up, it is the essence of human beings.”

He finally came to the girl’s conclusion.

And this conclusion, every word is straight to the point, and it cannot be overturned!

Yes, being competitive and jealous is not something that only poor people have. Many rich people, even successful people in the upper class, will have such things.

So, it really has nothing to do with the environment.

It is your nature!

Wen Xuxu finally understood, and suddenly, she was even more worried.

“Then what are you going to do now? Do you want to arrest her immediately? Anyway, you have the evidence of her murder, right?”

“Don’t worry, the fish in the back haven’t taken the bait yet.” The

man said lightly.

fish?

Does he still want to go long-line fishing?

Not only did Wen Xuxu start to worry about her son in T City, she didn't want her Yin Yin to be involved in this fight.

Wen Xuxu sent a message to his youngest son in the military school that night.

[Mummy: Mobao, are you free these days? Can I take a few days off? ]

[Mobao: Yes, Mommy, what's the matter? ]

This son is still good, and immediately agreed to her.

Wen Xuxu suddenly felt relieved, and she immediately sent a message to her son.

[Mummy: It's the project that my brother is in charge of, and it's about to open. I'm worried that someone in the company will be behind the scenes? I want you to protect my brother. ]

She didn't say anything about the brothers and sisters of the God family.

Instead, it mentioned those people in the Huo Group.

So, this couple, all of them are as skilled as they are, and one knows everything about the brothers and sisters of the Shen family.

One after another, the movements of the company are clear at a glance.

When Mo Bao heard that someone dared to attack his brother, of course he agreed immediately.

So the next day, Mobao flew to T City, and happened to miss it with sister and brother Shen Shanshan.

But he never thought that after he got off the plane that day, he picked up a child at the airport.

"Are you Brother Mobao?" The

six- or seven-year-old girl was very beautiful, with watery eyes, flickering and flickering, and a small round face, just like the white porcelain. As soon as she saw the calligraphy, she felt Come and hug his leg.

At this time, Mobao was already a little over 1.8 meters tall. When he saw the little radish under his feet, his eyes were bigger than copper bells.

Where did this come from?

She actually knew she was a calligraphy! “

Who are you? Do you know me?” “Yes, Dad has pictures, I often look at them, and sister Ruoruo

asked me to come here to wait for you. She and Brother Sixteen will be here soon.”

The girl explained with a little milky voice again with a smile.

Mobao: “...”

What’s the mess?

Why is my sister here too? What is this all about?

Fortunately, after a while, in the passage from the airport, he really saw a big girl wearing a pale pink skirt and a white beret on her head, just like a child. , Sitting on the suitcase, he was pushed out by a tall and handsome young man.

Brother, do you like me?

“Brother, I’m here, here!!”

“...”

The whole airport will hear it.

Mobao is full of black lines.

“Why are you back? Also, come as soon as you come, why did you come up with such a little girl’s film? Is it...?” “The

burly and strong sunshine boy suddenly thought of something, and suddenly, his iconic crescent eyes were all round again, and moved directly from the little girl

to the faces of the two who came out.

Ruoruo responded . He was sluggish and didn't understand what it meant.

Only Lu Jin, after seeing this person's eyes, his face turned red, and his beautiful and delicate facial features immediately sank.

“Have you ever seen a 9-year-old child reproduce? “

...”

Mo Bao was choked on the spot! Yes

, this guy is only 16 years old, but this little girl is six or seven years old. How did he give birth?

Mo Bao was embarrassed

. Whose child is this, why did you bring her here all of a sudden? “

“Brother, don't you recognize it?” This is Aunt Zhong Wan's child. Her father was sick and no one took her. We happened to be traveling. When we got to him, he entrusted us to bring her back.

Ruoruo explained. The

voice fell, and Mo Bao stared at the child again, only to realize that in her eyebrows, she really looked like Aunt Zhong Wan who was no longer there.

Sigh...

Mo Bao remembered this aunt who had taken care of them since childhood, After my heart finally sank, I bent down and picked up the little girl who was still holding her leg.

Chi Wanwan: “Don't get me wrong, I wasn't looking for you, we were looking for mom.”

Mo Bao: “Mom?”

“Yeah, Mommy Ye, but we didn't know that mom was gone until we were on the plane. RB, the baby in the womb can't be brought with Wanwan, so sister Ruoruo brought me here.”

“Well, by the way!”

Ruoruo answered this sentence very succinctly.

It was indeed on the way. The flight to City A was going to pass here. Later, Mommy said that the aunt had not come back, so they simply landed at this halfway station.

I want to see brother Yin.

Unexpectedly, I also met Brother Mo.

If Ruoruo is too happy, she is already an 18-year-old adult, but this will be under the care of the teenagers on the left and right. She and the 6-year-old Chi Wanwan are pushed out all the way while sitting on the suitcase. .

Mo Bao: "If you are like this, sooner or later you will raise her up."

Lu Jin: "..."

After a while of silence, he heard the expressionless guy staring at the girl in front of him and saying, "Do you have an opinion?"

"!!!" Kneel

for him!

The four of them went to Huo Yin in a mighty manner.

At the beginning, Huo Yin in the apartment opened the door and saw the four people with a stunned expression. He stood at the door and stared at them, forgetting what to do.

It was Shen Shanshan in the apartment who came out after hearing the movement.

"God, Mobao, Ruoruo, and Sixteen, why are you all here? Why didn't you tell us before you came? I'm not prepared for anything."

"No need to prepare, little aunt, we are all a family. , so what are you polite about?"

Heartless Ruoruo, after waving her little hand, immediately came in as if she had returned to her own home.

Sixteen followed.

But soon, he found himself being dragged, and when he looked down, it was a small radish hugging his thigh, looking up at him pitifully with big watery eyes.

"Brother Sixteen, no one welcomes Wan Wan, don't they like Wan Wan?" A grieved little milky voice made it more distressing.

Sixteen: "..."

Just as he was about to explain, a tall and burly figure came over unexpectedly. After seeing this little girl's film and hugging her legs, he bent down and picked her up.

"Little aunt, come here, let me introduce to you, this is the child they picked up on the road at Sixteen."

"Ah?"

"Brother Mo, what did you say? She..."

"Wow—"

Chi Wanwan After crying, big tears fell from her beautiful eyes, and her white and tender hands were waving like a baby chick who had been wronged.

Shen Shanshan couldn't help crying.

She quickly took the child from this guy's hand, she blamed: "Mo Bao, you are too much, she is a child, so it is easy to be scared."

Mo Bao: "Hehe, just kidding... just kidding..."

Shen Tianhao: "How can you be as heartless as me?"

Mo Bao: "..."

Huo Yin: "..."

After coaxing for a while, the injured Chi Wanwan stopped crying, and obediently ran to the least dangerous place Next to brother Huo Yin.

"Brother Huo Yin, do you like me?"

The little girl, who was carved with pink and jade, ran to Huo Yin's room and saw him working there. She leaned on his desk obediently and looked at him with a small head tilted.

Huo Yin glanced at her.

She really looks like her mother, her facial features are so small, it can be seen that this is a beautiful embryo.

"Go out to play." Huo Yin didn't answer her question, but just let her go out to play lightly.

But Chi Wanwan didn't move.

She looked at this beautiful and handsome brother, and the pink mouth suddenly "slapped", and a drop of transparent liquid actually flowed out from it.

It just fell on Huo Yin's table.

Huo Yin: "..."

## Returning from the Dead His Secret Lover Chapter 1829

Many people are powerful

Chi Wanwan still stayed in Huo Yin's room that day.

In fact, it was also because she was afraid of the calligraphy outside. He was too tall and seemed to like to tease people so much that as soon as she went out, she was worried about picking her up when she saw him.

Chi Wanwan sat obediently on the small sofa of her handsome brother.

Shen Shanshan was cooking outside, and all of a sudden there were so many people, she was too busy.

Fortunately, Lu Jin was there to help.

"Sixteen, I didn't expect you to still cook? You are really amazing. You know that your uncle Tianhao can't do anything. Yilai stretches out his hand to eat and opens his mouth. I don't know if he will starve to death in the future?"

She looked Looking at the beautiful boy next to him who was cutting vegetables in an orderly manner, he was both surprised and envious.

Lu Jin's lips curved slightly.

He will definitely do this. Back then, he had been trained in Longyin Pavilion for several years. The training program at that time was not only to hone attack skills, but also to survive.

Besides, there is such a foodie around now, can he not learn?

Lu Jin helped the girl prepare the meal.

“Eat and eat, after eating, let’s go to see the project at my brother’s place.” Mo Bao, a natural optimist, saw the food on the table, he immediately ran to his brother Huo Yin’s room.

As a result, Chi Wanwan, who was playing inside, shivered again when she saw him, and immediately ran over from the sofa and got into Huo Yin’s arms here.

Huo Yin: “...”

Calligraphy: “Is this little girl’s film poisonous? How can I drill into you when I see you? It’s like seeing a ghost when I see me?”

Huo Yin: “Okay, let’s go out to eat. .”

He directly pushed the big brother out, and then took out the little girl in his arms.

In terms of body shape, the Mobao one will indeed give children an invisible sense of oppression, because he has been in the military academy for many years, and his physique is very strong.

Besides, he likes to joke again.

And what about Huo Yin?

Because of his body, he didn’t do such high-intensity training, which also caused him to be much thinner, and his more restrained personality also made people seem to be more accessible.

Of course, this is only in Chi Wanwan’s eyes.

Because in the eyes of outsiders, as long as they see this young man, they are indifferent to strangers.

“Go to dinner.” Huo Yin instructed lightly while watching the little girl’s film.

Chi Wanwan blinked with a pair of big watery eyes in his hands.

“Then can I sit with you? If there is definitely no place for me beside my sister, I will be occupied by the sixteenth brother, then Mobao brother, and that brother...” The

little girl's mouth was deflated, and she revealed A very terrified little expression.

Huo Yin's forehead twitched.

In the end, he had no choice but to take this little girl out.

Shen Shanshan: "Huh? She's actually following you? I said why there's no movement."

She came out with the vegetables, and when she saw that the little girl was brought out by Huo Yin, she was very surprised and came over He touched Chi Wanwan's little head.

"Your name is Wan Wan, right?"

"Yes."

Chi Wanwan looked at this gentle big sister and liked it in her heart.

Shen Shanshan: "Then do you want to sit with your little aunt? This brother may not take care of you."

She pointed to Huo Yin, who had never taken care of anyone at all.

Chi Wanwan took a look.

Handsome brother, and gentle sister...

Forget it, eat your little belly first, and play with your beautiful brother later.

The little girl of the ghost was obediently carried over by this big sister, so this meal ended at noon with the enthusiasm of these six or seven boys and girls.

After eating, Huo Yin still agreed with them and took them to the place of the project to see.

So a large group of men and horses set off again.

"Brother, what kind of projects are you doing over there? Are they all shopping areas?"

Ruoruo asked first because he knew business in the past.

Huo Yin gave her a drawing.

"It's like this for the time being, but I want to radiate the surrounding area and form a business district, so that I can reap greater profits. So, let's wait for the situation on the opening side to see the response."

“Yes, but do you want it? What about something more distinctive?”

The little girl who usually only knows how to eat, drink, and have fun, but after getting her brother’s blueprint, she suddenly made a suggestion.

feature?

Huo Yin looked at him.

Mo Bao, who was driving in front of him, and Lu Jin, who was sitting next to him, also turned around in unison.

“What do you mean?”

“It’s similar to antiques, you know? The Wayi show I held in the ancient town of Y province before has completely set fire there, and we can also look for similar ones.”

Ruoruo once again Remind brother.

I have to admit that this girl’s business acumen is really the most talented of the triplets, and this is probably the combination of all the excellent genes of Wen Xuxu and Huo Sijue.

Huo Yin understood, and suddenly, he was extremely smart, and his brain started to run at a high speed.

## **Returning from the Dead His Secret Lover Chapter 1830**

Regret

He is not as talented as his sister, because the one thing he is good at is scientific research, but he has a brain with a very high IQ, so it is all right.

Soon, he came up with a solution.

“You mean the International Supermodel Competition?”

Shen Shanshan couldn’t close her mouth when she heard this idea.

Will this be too much play? It's just a small project, does it need to be that big?

However, as soon as this proposal came out, it was unanimously approved by several other teenagers, especially Ruoruo.

"This is a good idea. You can use the Huo family's signboard to hold a huge supermodel competition here. At that time, this building will have the first shining signboard!"

"Well, it makes sense. Lu Jin

also agreed.

As for Mobao and Shen Tianhao, needless to say, the two of them just need to follow the big army.

Half an hour later, everyone finally arrived in front of the building. After Huo Yin took a few people in for a visit, after confirming that the project was really feasible, he asked Daddy for instructions.

Now that Uncle Qiao hasn't come back, it's all up to Dad to decide.

Sure enough, after hearing it, Huo Sijue, who was far away in the capital, also thought that this idea was good, but he changed it. The international supermodel can be used as a gimmick, just invite a few.

For the rest, people from China can be invited to participate, that is to say, it is held by the Huo family, and this place can also announce to the outside world that the Huo family group will enter the incubation place of clothing racks!

"Mom, Daddy is really a god."

After Ruoruo heard the final plan, she immediately knelt down to Daddy.

Not to mention Huo Yin and others. Immediately, a few of them started to change the plan in the office building, and because the opening time was coming soon, almost everyone participated.

Ruoruo: "I'm in charge of getting in touch with the supermodel, and the countess can help me."

Mo Bao: "Then I'll be responsible for finding someone to re-create the scene. If that's the case, I'll have to do it again outside, extending for several kilometers. "

Lu Jin: "I'm in charge of safety issues, and the whole project can be handed over to me!"

This young man is still the most domineering.

Huo Yin patted his shoulder gratefully, and gave her the contact information of the security captain here.

As for Shen Shanshan and Shen Tianhao, because they have been reading books here for many years, the task given to them is, of course, to contact those who come to participate in the competition.

"Sister, who do you think we should go to?"

When returning, Shen Tianhao asked the elder sister next to him while scratching the back of his head.

Shen Shanshan glanced at the school not far away and thought about it: "I wonder if our school is willing to participate?"

"Our school?"

"Well, didn't you say so? Find someone to participate in the modeling competition, then Anyone can do it, it's a bit like a draft, and if that's the case, so can people in the school."

Shen Shanshan is still quite smart, and she suddenly realized the true meaning of this plan.

Shen Tianhao's eyes lit up.

Immediately, the siblings separated, Shen Tianhao was in charge of the boys, and Shen Shanshan was, of course, a girl.

"Modeling competition? Or from the Huo Group? Oh my god, I'm going, I'm going!!"

Ning Xiner, who heard the news, was the first to jump up excitedly when she arrived at the girl's side.

She was so excited, so were the other girls of course.

So in just one afternoon, Shen Shanshan found a lot of people who wanted to participate. All of them had long legs and small waists, and she was so elated.

The same goes for boys.

Gen Yuan also saw this movement, but she didn't dare to speak.

With her beauty and figure, she can participate in this competition, but she doesn't dare to go now, she is like a clown who has been dragged into the darkness.

I can only envy watching these girls seize this golden opportunity under the sun.

"Yuan, why don't you go? Your conditions are so good, you will definitely be selected if you go." Suddenly, a voice came from behind her.

She turned her head back immediately and looked at the secretary of the regiment who came to her side at some point.

"I..."

"Are you afraid to go? If you are afraid, I will accompany you. This is a good opportunity. Although I know that your dream is to be a top financial planner, you can work in the Huo Group. Winning in the model competition is also a shortcut to success." The Secretary of the

League Party said very bluntly.

Yes, this is one of the easiest shortcuts to success right now.

Because, if the Huo Group really intends to develop into the modeling industry, its appeal will be overwhelming at the beginning, and once the show wins, the popularity of the model will be opened.

Is there an invite yet?

In fact, there is no absolute path to success. In this world, many people will eventually discover that the path she took to reach the top was not the path she dreamed of at the beginning.

So, it doesn't conflict at all.

But the beautiful girl in front of her only lowered her eyes in the end.
