

Returning from the Dead His Secret Lover Chapter 1831

Good-looking brother, I take it well...

"No, I don't like this."

Then she buried herself in it.

Seeing this, the Secretary of the League Branch could only sigh and leave.

And Cen Yuan also quickly returned to the dormitory, but she did not expect that she had just returned when she received a message on her mobile phone.

[Anonymous: That competition, you go to participate.]

"Crack—" The

phone just fell to the ground.

She stared at it in horror, her expression as if she had seen a ghost, fear, shock, disbelief...

all appeared on her face at this moment.

Why?

Didn't she delete him all? Why can he still find her? How did they get into her phone?

She was trembling all over. She stood there for at least a minute and didn't dare to step forward, as if the one lying on the ground was not a mobile phone, but a very terrifying thing, a plague, a life-threatening evil spirit! !

She couldn't wait to crush it immediately.

In fact, she did just that, but as soon as her foot stepped on it, the phone was screaming frantically from below.

Is there anything more desperate than this?

In the end, she picked up the phone with a face ashen and mechanically placed it on her ear.

"Cen Yuan, what are you doing? Do you think you can cut off contact with us like this?"

“ ... ”

“I tell you, from the moment you contacted us, you have been inseparable, you Never try to escape our eyes!”

This person reminded her viciously on the phone, every word was like a poisonous snake that had bitten, making people tremble with fear.

However, there was absolutely nothing to do.

“Cen Yu’an, don’t forget, your hands are already stained with blood. You’re dead. Although you didn’t kill them yourself, you participated in every step. You can’t wash them clean.”

He viciously called again on the phone. a sentence.

Yes, if you can’t wash them clean, you can only go to hell with them!

“You... what do you want to do? Now that Huo Yin’s younger brothers and sisters are here, you still want to kill Lan Shanshan’s sister and brother, there is no chance!”

“So didn’t you go to the competition?” The man’s phone Li said gloomily.

“Let me tell you, Huo Sijue’s eldest son has a mental illness. He sent him to T University, and let him be in charge of the Huo Group’s projects, just to exercise him, then you say, this is What will happen to him if the next project is screwed up?”

“ ... ”

“I’m looking forward to this, it would be even more exciting if there was a little more human life or something.”

This poisonous snake actually came at the end Such a sentence.

In an instant, Cen Yuan, who was standing in the dormitory, only felt that the annihilating darkness was coming towards her. She finally smashed her mobile phone on the ground again, and screamed hysterically again.

She finally knew what despair was.

She also finally knew what fear was, that after stepping into the abyss, there was no turning back.

—The

next day, the apartment.

After yesterday's hard work, the few people who stayed in the apartment completed the task very well, and then they went to work separately.

"My task today is to design clothes. Within a week, I will design their clothes."

"Well, yes."

On the makeshift conference table, that is, the dining table in the apartment, the little guys didn't even eat breakfast in the early morning, so they reported to work there.

Hearing her sister's progress, Huo Yin, the main person in charge of this project, expressed her satisfaction.

Then there's Mobao.

"I've already found the decoration team. The next step is to see the drawings from your side, and you can start work immediately."

"Well, my security system is almost done, and I can guarantee that even flies can't escape my eyes. "Lu Jin also handed in his own drawings.

If he does this, there is no doubt about it.

He is the number one killer of Longyin Pavilion, such a thing is trivial.

Huo Yin looked at the sisters and brothers of the Shen family next to him, but Shen Tianhao was obviously not very good. He only found a few boys, but Shen Shanshan came up with a dense list.

Ruoruo: "Wow, little aunt, you can, oh, pull so many people all at once, who are they?"

"Some of them are classmates from our school. After hearing that it was the Huo Group's model competition, everyone was excited. Crazy, rushing to participate. There are some other little stars that I introduced to the Ning family."

Unexpectedly, Shen Shanshan gave another list after introducing the first list.

Star!

Everyone's eyes lit up.

With stars, the popularity will be even higher. In this way, this building and its surrounding business districts will become even more popular.

Everyone cast their admiring glances at this intelligent girl.

Including Huo Yin, he looked at her, and it was also in those beautiful black eyes that he didn't hide it, but showed a very obvious slight uplift.

Now that everyone's preparations are done, it's time to start investing. So after breakfast, they all ran away. Only Huo Yin, who was in command, and Chi Wanwan, who was only six years old, were left in the apartment. .

They stared at each other...

Returning from the Dead His Secret Lover Chapter 1832

Be My Brother's Wife

"Brother Huo Yin, you don't have to worry. I'm easy to take. I don't need you to feed me, I don't need you to coax me, as long as you take me with you." The

six-year-old girl saw this handsome brother revealing With a frowning expression on his brows, he immediately packed his small bag and ran to the door to wait for him.

She is so good, how could the handsome brother not take him?

In the end, Huo Yin took her out.

Half an hour later, the office building.

"God, where is this little girl? She looks so beautiful!"

As soon as they got here, Mo Yan and the others cried out in amazement after seeing Chi Wanwan.

Chi Wanwan looked at the big sister pinching her little face and showed a sweet smile. "

I'm Chi Wanwan. It's brother Huo Yin's sister. I'll be brother Yin's wife in the future. " . And Huo Yin even sprayed all the water he had just drank in his mouth at the desk. "Chi Wanwan, what are you talking about? Who told you to talk nonsense?" "I'm not talking nonsense. My dream since I was a child was to be your wife to brother Huo Yin. My father said it was okay. Yes, as long as I work hard, I will definitely become Brother Yin's wife." After speaking, this little girl with pink and jade carving tilted her head and

looked at the handsome brother opposite, and her saliva drooled again. . Mo Yan and the others are going to laugh crazy. It really looks like it was raised by Chi Yu's out-of-tune person, and, for this precious daughter, and the photos of the big star father and daughter that he took occasionally over the years, he should have spoiled her.

Because it was said that Chi Yu was lying there once, because this baby pimple likes to paint, he was the same big man, but she had her hair tied, lipstick, nails...

So, now this little girl says she wants to give Huo Yin To be a wife, I believe Chi can be taught.

Huo Yin was so angry that his eyes turned blue.

At noon that day, when Ruoruo and Shiliu came back, he shouted, asking them to send the little girl to the capital first.

Ruoruo: "Why? I have so many things to do, and the models will be here soon!"

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

Mo Yan: "Miss Ruoruo, you don't know, this little girl said in front of all of us today that she will be here in the future. My dream is to marry your brother as a wife."

"That's right, hahahaha..."

Everyone couldn't help laughing again.

Ruoruo: "Uh..."

Lu Jin: "..."

After a while, she saw the girl scratching her head there.

"So you already know. I'm telling you, brother, it's all to blame for Uncle Chi. She grew up putting your picture on her crib."

"..."

"Because of you."

Lu Jin interjected not too coldly.

The office building was so silent that you could even hear a pin drop on the ground. At this moment, after everyone finally fell silent, a pair of eyes kept turning back and forth on the two people in the office, one big and one small.

Completely ignored the gloomy face that was big at this time!

What a mess!

Huo Yin was very angry, and finally sent a message to Mommy, complaining about the failure of the unkeyed uncle's education.

【Wen Xuxu: ... 】

After several seconds, Wen Xuxu replied to this message.

[Wen Xuxu: Yinyin, your uncle Chi would do this because Wanwan had lymphoma when she was three years old and almost didn't save it. Later, in order to encourage the child and actively treat her, he mentioned you.]

【Huo Yin: Me? 】

[Wen Xuxu: Yes, because of my premature birth when you were a child, your health was very bad, and your blood type was special. Several times your father took a helicopter to go to the hospital overnight to save you.]

[Wen Xuxu: So, your uncle Chi was there to encourage her and hope to use your example to keep her alive. Later, when she overcame the disease, she has always regarded you as an idol.]

Wen Xuxu told the son about this unknown past, and also sent a few photos at that time.

Huo Yin saw it, and finally stopped talking.

It was a thin cat-like child curled up on a hospital bed, her face was pale, her eyes were closed, and her nose was full of tubes...

“Actually, she is a child, only six or seven years old, what do you know? Wife? Brother, you don't have to be angry, this little brat is just kidding.”

At the critical moment, Ruoruo also glanced outside the office, and was playing with a puppy with her little butt. Also happy little girl after the movie.

She also advised.

In the end, Huo Yin didn't pay attention to this matter anymore, and he bury his head in the list of the first batch to be handed in.

Gen Yuan?

He saw the last one, and all of a sudden, a handsome face that had just stretched out, immediately took on another layer of darkness.

[Huo Yin: Why did Cen Yu'an's name appear in it?]

【Shen Shanshan: Huh? 】

In the past message, it may be because of the busyness, the girl did not respond for a while.

Returning from the Dead His Secret Lover Chapter 1833

Mantis Catching Cicadas

Seeing this, Huo Yin took a picture of the list in front of him with a gloomy face, and he could feel his anger and dissatisfaction through the screen.

Shen Shanshan: "..."

How would she explain this?

It can't be said that the Secretary of the League Party has found her in person, she still refuses to agree, and the matter between them has not been brought to the fore.

Shen Shanshan looked at the message sent on the screen of the mobile phone, and imagined the angry look of this young man in her mind. She didn't know how to respond, so she could only send a few words in the end.

[Shen Shanshan: It was recommended by the school.]

【Huo Yin: So what? 】

[Shen Shanshan: Yinyin, no one knows about the conflict between her and me now. If you go directly to the school to ask her to retire, she might think about me.]

The last sentence, this girl already has a tone of pleading.

Yes, this is what she is most afraid of now, this girl, she has already felt that her mentality is undergoing a great change, sometimes to the point of horrifying her.

For example, the last time she went to Ning's house, she actually approached Shen Tianhao! !

At this moment, Shen Shanshan just wanted to rest and calm down.

Huo Yin saw it in the office building. Although he was still angry, he realized the pleading between the lines. In the end, he didn't say anything else.

Just in time, Lu Jin came in at this time.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

"Sixteen, you help me pay attention to a person."

"Who?"

Lu Jin was a little surprised, because in his impression, the calm and wise eldest young master of the Huo family is rarely cautious enough to specifically warn a person.

Lu Jin picked up the list in front of him.

"Cen Yu'an?"

"Yes, she is Tong Hui's elder sister. Some time ago, she found out that the sister and brother Shen Shanshan were surnamed Lan, and she did a lot of little tricks behind her back. She already had a life in her hands."

Huo Yin didn't hide it from him.

The voice fell, and Lu Jin, who was standing there, couldn't help but stunned slightly.

It turned out to be this person. So, Uncle Huo specially let him come here this time. Is the real purpose actually for this? Do you want him to catch those fish for him?

The smart boy understood it immediately.

Immediately, he nodded, remembered the girl's name and appearance in his mind, and soon, he went out.

Night falls.

Several people returned to the apartment again, but Ruoruo soon discovered that her sixteen did not come back.

“Where’s Sixteen? Why haven’t you come back?”

“It seems that you are still working on that security system. It’s too much. Why don’t you care about your brother? Your brother didn’t even drink saliva when he came back.”

Mo Bao, who had just returned to the apartment, While answering her sister’s question, she complained dissatisfiedly.

Ruoruo’s face immediately turned red.

Just as she got up to pour water for her brother, she saw a pair of small hands approaching. She brought a glass of water in front of Mobao, then turned and ran.

“Huh? Wan Wan?”

“Wow, so it’s Xiao Wanwan, Xiao Wanwan, or you hurt your brother, come here quickly and let brother hug.” Mo Bao was about

to see it, and he suddenly looked at the one who had hid behind his brother. The little girl beckoned and let her go.

At first, Chi Wanwan was unwilling.

She grabbed brother Huo Yin’s clothes, and after a small head stuck out from it, she glanced at him carefully, and immediately retracted it.

“Hahahahaha...”

Mo Bao was fascinated by her cute appearance. After a certain place in his heart was soft and messy, he stood up from the stool and was about to carry this little girl over.

“No, no, Wanwan doesn’t want him to hug him, brother Huo Yin, save me!”

After she screamed, she began to drill on Huo Yin again, as if she was about to hug her big brother, a big monster .

Mo Bao was not happy.

He stared at the little girl’s film and was very depressed: “It’s really weird, I look scary? Why is she so afraid of me?”

“It’s not that you look scary, it’s your actions that are scary, Wan Wan is still young Child, why are you always so violent? If you want to have a good relationship with her, be gentle and coax her.”

Ruoruo analyzed it for her brother.

Mo Bao listened, and then patted his head, and soon, he took out something from his body.

“Come here, little girl, see what this is, and I’ll play it for you.”

“...”

Chi Wanwan looked at brother Huo Yin on his body.

what is that? a toy?

In the end, Chi Wanwan was carried over by this big brother who looked like an iron tower, and sat on his lap to play with a robot.

Well, the calligraphy was picked up in the building.

Time passed quickly, and in a blink of an eye, it was time for the opening. At this time, all preparations were made, and the media reporters who received the wind had to rush over.

“Even the media reporters are here. There should be a lot of movement today.”

When Huo Yin got the news, he specially called Lu Jin into his room and said.

Lu Jin’s expression was light.

He actually wanted to ask, today’s home game is obviously the project this guy is in charge of, why is his mind focused on that matter? Where is his focus?

Returning from the Dead His Secret Lover Chapter 1834

The game begins!

“Don’t worry, I’ve already arranged it, and the one named Cen Yu’an, all her actions today can’t escape my eyes.”

Lu Jin still comforted him.

Huo Yin listened, and this time he breathed a sigh of relief. After that, he simply packed up and set off.

Lu Jin followed behind.

“Sixteen, I have to work hard for you today. I just received a call. That Ning Xiner’s father will bring government officials here. If this is the case, the scene will be even bigger, and the security aspect will be more urgent.

” Accidentally, after coming out, Lu Jin actually met Shen Shanshan, and she hadn’t left yet.

Lu Jin stopped and glanced at Huo Yin who had just got in the car. His eyes fell on the girl casually.

“It’s okay, everything is well prepared. There are a few people who were specially transferred from Guanhaitai. There will be no problem .

” She lifted the box on the ground, and while walking with the boy, she chatted: “Yinyin’s project this time is very important, don’t make any trouble.” Remember the URL “Why?” “Because, this It was the first time he integrated into the society and handed over the homework, you and I both know what kind of character he is, it is really not easy to get to this point.” Shen Shanshan looked at the car that was waiting for them in front, then The black and white apricot eyes suddenly became very gentle. It was like a ray of breeze suddenly blowing from the river in March, this girl was standing there, and she didn’t even notice it, her eyes were full of water. At this time, his eyes filled with the shadow of the boy in the car. The corners of Lu Jin’s lips twitched, and he looked away. “Don’t worry, I won’t let him have an accident.”

You too.

Lu Jin didn’t say the last sentence.

Soon, after everyone arrived at the building, a very large-scale opening ceremony, plus the model competition that was already in full swing in the country.

Finally, the curtain was slowly opened under the attention of all the people...

“I’m so nervous, there are so many people here today, and the supermodels mentioned in the publicity are really here!!”

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

“Yes, there are also celebrities, Huo The group is still very strong, we must seize this opportunity.”

“Yeah!”

In the dressing room in the building, the amateur models who came to participate in the competition were discussing excitedly, especially Ning Xiner and the others. , even more excited.

The queue is so big, you can't be excited.

Cen Yuan is also in the dressing room.

She sat there, listening to the discussions of these people, but her fingers were slightly cold.

“Miss, you're too nervous. I'm not good at putting on makeup like this. Take it easy.”
The makeup artist felt it and quickly reminded her.

“...”

She secretly took a deep breath, forcing herself to calm down.

After finally getting the makeup done, the next step was to pick clothes, so the models filed out from the inside and walked to the dressing room on the other side.

“Cen Yu'an, the plan has come out. The front locker room is where Huo Sijue's daughter is in charge. She is mainly in charge of all the models' clothing this time. Your task is to work with her.”

“What did you say? “

As soon as she said this, she was shocked and screamed on the spot!

These devils, are they crazy? How dare they attack Huo Sijue's daughter, aren't they afraid of being crushed?

She stopped and didn't go. After carrying her skirt to a secluded place, she pressed the anger in her chest and asked, “What do you want to do? Our purpose is Lan Shanshan, not others!”

“I know , but we did it for her.”

“What do you mean?”

“You think, if something happened to Huo Sijue's daughter in this project, Huo Yin would be hit hard. At that time, both children and daughters would suffer. Huo, what will happen to Huo Sijue? Of course, Lei Ting is angry.”

“And at that time, will he still favor the gods? Huo Yin personally handed them over to their brothers and sisters, so there will be no such man. Asylum, we can kill at any time!”

This person said on the phone, not without a sinister voice.

That’s right, this is their final plan, to kill with a knife.

Because, Shen Shanshan and the other sisters and brothers, the biggest supporter behind them now is Huo Sijue, the Shen family. If they can’t get rid of this relationship, they will never be able to move.

Also, Huo Yin is gone, just with a 21-year-old girl alone, they can easily kill her.

The person on the phone, thinking of the success of this plan, laughed wickedly inside.

Cen Yu’an’s chest rose and fell sharply.

Her eyes turned black, but her body was getting colder and colder, as if her whole body had fallen into an extremely terrifying abyss. She basically couldn’t find anything but death.

Returning from the Dead His Secret Lover Chapter 1835

She is so clean that she envy

Why did she go back to them in the first place?

Why would she do that?

“Cen Yu’an, are you hesitating? It doesn’t matter. If you don’t want to, we can force it. However, today is a good day, and the multimedia is here. I don’t mind letting this popular opening ceremony be added. A more exciting stroke.”

“You...what do you mean?”

“What do you mean, don't you know? We have a record of everything you have done.”

The devil laughed wildly on the phone...

Cen Yu'an Even the last glimmer of hope was dashed...

—The

dressing room.

Indeed, this place is Ruoruo's territory.

Because, this time, the costume design was all made by her. Although some of them were other designers she invited, she was still in charge. Therefore, when the models arrive here, they basically follow her instructions.

“Look, that's Huo Yin's sister. She's really beautiful and capable.”

“Yes, she's amazing!”

As soon as Ning Xiner and the others came in, they saw the girls in the locker room who were very busy. Afterwards, they all showed a look of admiration and admiration.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

Even Cen Yuan, who came in at the end, was stunned when he saw Ruoruo, standing not far away.

Beautiful indeed.

In terms of appearance, Cen Yu'an has always been very confident. She is someone who has been exaggerated since she was a child, and no girl I see can compare to her.

But now, when she saw this girl named Huo Ruoruo, she finally had to admit that she was no worse than herself.

She has a very standard oval face, a pair of large and round black water eyes, flickering like gems, and seeing someone calling her, there are so many people here, but she always smiles, sweet and charming, really beautiful.

“Ruoruo, after everyone changes their clothes, do they have to rehearse first?”

Shen Shanshan was also inside.

This time, she is responsible for arranging the entry order of all the models, so she must communicate clearly with the chief designer Ruoruo to avoid trouble.

If Ruoruo looked back and saw that it was her little aunt, she nodded hurriedly.

“Yes, little aunt, this is my brother’s first project, we can’t make mistakes, it will look better after rehearsal.”

“Okay.”

Shen Shanshan completely agreed with this decision.

At the moment, she led the models into the dressing room, while Ruoruo was outside staring at the people who had changed their clothes for the catwalk.

Cen Yuan walked over.

“Huh? Why haven’t you changed your clothes yet?” I

was a little surprised, there were so many people at the scene, and Ruoruo, who was standing there, saw her in a flash.

Cen Yu’an stopped immediately.

“I...I...”

“God, you are a good model, with good body proportions and three-dimensional facial features. Which group are you from?”

Ruoruo grabbed her and looked at her. In his professional eyes, he suddenly lit up like a star, and hurriedly asked the girl’s group.

Designers are like this, while designing clothes, finding a good model is what they want most.

Cen Yuan didn’t expect this to happen suddenly, she was a little confused and wanted to say something, but this enthusiastic and very simple girl in front of her had already asked her assistant to get her clothes.

“Qushui Yiren, that’s all, the main style I designed this time, I’ll wear it for you!”

She actually gave her the best work in her hand.

Cen Yuan stood there still.

She didn’t know how she was feeling at the moment?

However, she knew very well that at this moment, she saw these clean and beautiful apricot eyes looking towards her, as well as her unreserved hope and encouragement.

Suddenly, a thought jumped out of her – she must not hurt her!

“What’s wrong with you? Don’t you like this?” Ruoruo still knew that the girl in front of her was her greatest danger at this time. After seeing that she was not moving, she asked with concern.

“Then if you don’t like it, I…”

“I like it, I like it very much!”

Cen Yuan finally spoke, and she almost immediately took the dress from the beautiful girl’s hand.

“But, I can’t wear it, can you help me?”

“Of course, no problem.” Ruoruo readily agreed.

So, the two started walking towards the locker room.

When he arrived in the locker room, because it was the first time to undress in front of others, Cen Yuan was a little shy and nervous, so he didn’t dare to do anything.

Ruoruo: “Sister, you don’t have to worry, I’m a girl too, and I promise you that there are no cameras in this dressing room, and your privacy will not be exposed.”

She called her sister sweetly, very considerate of comforting her.

Cen Yu’an lowered her eyes with a hint of crimson.

“Okay.”

She agreed, and began to slowly take off her clothes.

It is indeed a perfect ratio, and every size is a golden point.

Ruoruo was so happy that she couldn’t wait to put the dress in her hand on her, but she didn’t notice it at all. At this moment, there was a strange voice in the dressing room next to her.

“Crack—”

It was a crackling sound.

Suddenly, after someone exclaimed outside, everyone looked at the locker room in horror, including a shadow that rushed in quickly from the outside.

“God, what happened? Why is this locker room empty?”

Returning from the Dead His Secret Lover Chapter 1836

Falling into hell forever

“I don't know, did someone fall off just now?”

“No, it's just a fake model.”

Someone suddenly said in the crowd.

Fake model?

Cen Yu'an in the locker room here listened, and his face changed drastically!

That locker room, she naturally knew why it suddenly stepped empty, otherwise, she wouldn't bring this girl to the locker room here.

But why became a fake model?

She suddenly had a very bad feeling in her heart. She didn't care that the clothes on her body were not fully dressed, so she opened the curtain and looked outside.

Sure enough, it was very noisy outside.

However, without the chaos she imagined, more people were watching the locker room curiously.

At this time, a very tall and tall figure appeared in the dressing room.

Is that... Huo Yin?

Her heart skipped a beat.

However, it wasn't. When that person took care of the dressing room and walked out slowly, she saw a picture of a young man who had never seen before, but whose facial features were not inferior to Huo Yin's.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

Another amazing boy.

Because he has a pair of very beautiful peach blossom eyes, like a glass cup filled with smooth glaze, but there is an extremely cold and cold air on him.

As soon as they came out, they just glanced around, and all the girls in the locker room felt a penetrating chill shroud them, and they didn't dare to make a sound anymore.

Who is this boy? So beautiful!

"Ah? Sixteen? Why are you here?"

At this time, Ruoruo, who was on Cen Yuan's side, also saw this young man. Suddenly, after a while of surprise, she ran out of it.

That's right, this person is Lu Jin.

Cen Yuan stayed in the locker room and continued to watch.

However, he found that after the girl ran out, the young man, like the clear frost and bright moon, softened the chill in his eyebrows and quietly looked at the girl who ran in front of him.

"Come and have a look, there is a dressing room that seems to be unfinished."

"Really?"

Ruoruo heard it, and immediately went behind him to look. When she found that there was indeed a big hole in it, she was shocked. .

"God, luckily we didn't go into this locker room just now, so lucky." She patted her chest with a fluke expression on her face.

Lu Jin also said "um", and then the two cold and indifferent gazes swept away and shot directly at Cen Yu'an here.

Cen Yuan was looking at this moment, and suddenly met these two sets of eyes. Suddenly, after a breath of cold air was drawn out of her chest, she shivered fiercely under the eyes of this young man.

So oozing!

Her mind was blank for a few seconds.

Ruoruo: "Okay, now that everything is settled, then you can go out quickly, there are girls here, it is inconvenient for you to come in." At the

critical moment, Ruoruo had already started to push this guy.

The voice fell, and the people around were staring blankly at the models of this beautiful young man. Only then did he wake up, and suddenly, after hearing a scream, everyone flushed and covered their chests.

Lu Jin: "..."

In the end, he was pushed out.

Ruoruo then hurried back to the locker room: "I'm sorry, something happened, let's get dressed."

Cen Yu'an: "...Okay."

She also returned to the locker room.

But this time, when she looked at herself in the mirror, she was never as calm as before.

Who is this young man?

Also, why are there fake models in that dressing room? According to the plan, she should take this girl in, and then fall, it will become the two of them.

But after she didn't go, why are there fake models in it?

Cen Yuan started to feel uneasy.

"That...Miss Ruoruo, can I ask you, who is that boy just now?"

"He, he is from my family. He grew up with me."

Ruoruo said with a hint of sweetness, I told the sister casually.

As a result, as soon as the voice fell, she saw that she was shaking twice in front of her!

Growing up with her?

Could it be... Could he be the bodyguard of this Miss Huo family? That is, the killers who are ranked No. 1 in the Huo Family Longyin Pavilion in the population, Lan Jia, Min Shi, Shen Rong... and so on! !

The boy who died in his hands?

Cen Yu'an's mind was empty.

It was at this time that a voice came from the miniature contactor hidden in her ear.

"Cen Yu'an, you're amazing, you dare to put us together, don't you want to live?"

"..."

"Okay, it doesn't matter, you wait for me first, and I'll take care of you later." After that, the man The sound was muffled in her ears.

"!!!!"

"Sister? What are you thinking? My clothes are ready, I will go out to watch their rehearsal, you can go to my assistant and arrange for a haircut."

Ruoruo has already made the dress, ready to go go out.

Unexpectedly, just as she turned around, this beautiful sister suddenly grabbed her arm.

"No, you can't walk around, you...you go to the boy just now, where is he? Go to him, go!" Cen Yuan has never been so out of control before.

Returning from the Dead His Secret Lover Chapter 1837

His Bottom Line

She grabbed the girl's wrist hard. At this moment, when all her light was swallowed up by the darkness, she finally chose a conscience.

Ruoruo looked at her inexplicably.

But at this moment, with a “pop”, the lights in the locker room suddenly dimmed.

“Ah—”

all the girls exclaimed.

And Ruoruo looked at the sky above her head in surprise, one second, really only one second, when her wrist was suddenly held by someone and dragged out.

Behind her, she felt like a hand was pushing her.

Immediately, after something clicked again, behind her invisible, a huge black hole appeared, and this time, the girl standing behind her fell like this.

No one really likes the dark.

However, it's too late.

When the lights came on again, Ruoruo looked at Lu Jin who reappeared in front of her and held herself in her arms, she looked at the empty locker room behind her.

She is dazed.

“Where's her?”

“I've already brought my make-up and hair, don't worry.” The boy who hugged her comforted her gently.

If Ruo Ruo's heart was completely put down, in a blink of an eye, she would have re-invested in this model competition that has not yet ended.

What she didn't know was that the grand model show in the building and the opening ceremony officially entered the eyes of all the media and audience. In an old abandoned house not far from here, Lu Jin sat on a stone bench and stared blankly at a person who was thrown in.

“Just him?”

“Yes!”

The Longyin Pavilion member who brought in the last person stood aside and nodded neatly.

Only then did Lu Jin raise his eyes and slowly walked towards this person.

The man stared blankly.

He didn't know this young man, but inexplicably when he came by himself, he felt a great fear. It's a good thing that he is King Yama, and he will be killed in the next second.

"You... what are you going to do?"

"What do you say?"

The boy whose eyes were filled with the breath of death asked indifferently.

Suddenly, he shot like electricity, grabbed the man's chest and hit him hard on the ground, with a "click" sound, just like the crisp sound made in the locker room not long ago.

The ribs between his chest and abdomen were all shattered by him!

"Pfft—"

This is horrible.

When the blood spurted out of this mouth, the two members of the Longyin Pavilion standing beside them were also frightened and trembled, and even their scalps were numb.

Sure enough, after not seeing him for half a year, this little guy has become even more ruthless.

Moreover, the most terrifying thing is to let him be tortured in this huge pain before he wants to lose his life.

"I still underestimated you. I thought you just wanted the lives of sister Shen Shanshan, but I didn't expect that you actually made up that little girl's idea. Do you know what my bottom line is?" The

fingers were also stained. The bloody boy, after standing up, took a silk handkerchief and wiped his hands clean before returning to his seat and continuing to sit.

The man was speechless, and there was only great fear in his eyes.

This sentence, no need to answer, he already knows.

That must be that innocent little girl.

He closed his eyes in pain.

“What’s his name?” Lu Jin took a sip of water and finally asked about business.

“Mu Qing, a student of T University, seems to be the secretary of the student union. However, we checked and it seems that he has nothing to do with the people on the list.” The

member took a blueprint from his body, as if When I went to arrest this man, I found it there.

Lu Jin took it and looked at it.

It’s the list, but it’s very strange. There are several people on the list connected in series, and then they form a series of numbers. At first glance, it is very inexplicable.

Lu Jin: “...”

“Hahahaha...you don’t have to read it, even if it’s a brain for you, you can’t understand it.”

The man finally recovered a bit, and he didn’t know if it was because he already knew it. He has no way to live, and he is still quite rampant.

But to his disappointment, the young man in front of him just glanced at it, then took a pen and drew on it.

“Go and see where this latitude and longitude is?”

“Okay.” The

members went to check immediately.

After a few minutes, I finally found it.

“I found it, also in Xixiang, but on a mountain called Meiling.”

“Meiling?” A hint of doubt flashed in Lu Jin’s eyes.

At this time, the man lying on the ground changed his blood-stained face after hearing this.

“Xixiang, it turned out to be Lan Yuan’s old nest. I think there must be some secrets in it. Send this information to Uncle Huo and let him check. What is it?”

Lu Jin finally made a decision. .

When the two members heard this, they immediately broke into a cold sweat.

Isn't this kid too arrogant? They asked their boss to check the task given to them? Does he know who the master is? Who is the subordinate?

The two almost knelt down for this guy!

Returning from the Dead His Secret Lover Chapter 1838

Hatred

But in the end, there was no other way, so I sent it in the past.

As a result, what surprised them was that in less than 20 minutes, a message was sent from Guanhaitai.

“The president said that this place should be Lanyuan's other military supply storehouse.”

“The other one?”

Lu Jin heard that, and two eyebrows like tick feathers frowned.

The military supply storehouse, he remembered that during the war, Leng Xu told him that the tunnel at the bottom of the river had been completely blown up. Why is there still a military supply storehouse here?

“Then what he means... This is Lan Yuan's remnant again? He wants to make a comeback? Then why did he kill the god Shanshan's siblings? They are not Lan Yuan's grandchildren?”

“...Uh, no, Sixteen you Don't get excited, the president said, this person should just want to use this thing to avenge their family.” The

members were a little embarrassed, and sent a message from the president to the boy to see.

revenge?

Lu Jin was even more confused when he heard this sentence.

Until, after he got the mobile phone, he saw that the opened photo showed the real identity of this student.

“Bai Muqing? His surname is Bai?”

“Well, he is the grandson of Bai Zhenghao’s brother. Back then, after Bai Zhenghao was defeated by the president, Lan Yuan saw that the pawn was useless, and was afraid of revealing his secret, so he let him Bai Zhenghao’s wife poisoned them all.”

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

“Poisoned?”

Lu Jin raised his eyebrows.

“Yes, this child just happened to be fostered at grandma’s house at the time, and he was lucky enough to save his life.”

“...”

Lu Jin’s face turned blue.

Of course he knew Bai Zhenghao’s wife, she died at the hands of his Lu Jin.

However, even if she no longer has anything to do with that old bastard Lan Yuan, she is also Bai Zhengzhi’s wife. The two also gave birth to a son, Bai Baixuan. How could she be so vicious?

Lu Jin looked at the information, and his eyes once again fell on the man on the ground who was beaten to death by him.

“So, your real purpose is to avenge your own family?”

“No...Aren’t they all the same? Which of the people on the list is...didn’t die in Lan Yuan’s hands? I called them together, What’s wrong? Killing Lan Yuan’s descendants and taking his things, what’s wrong with that?”

He trembled violently on the ground and asked hysterically with the last of his strength.

Lu Jin was silent.

He really didn’t know how to answer this question? Because from the perspective of hatred, this old beast is also his enemy of Lu Jin.

Back then, if it wasn’t for him and Fuggie wanting to occupy Wai and become his base, Fudge would not bewitch his father and let him kill one heir after another.

His two older brothers, later, came to him again.

Therefore, at this moment, the hatred mentioned by this person is very empathetic to him.

However, hatred is hatred. Just because someone killed you, you have to kill another innocent person. What is the difference between Lan Yuan and the Min family back then?

Lu Jin returned the phone to the colleague next to him.

“Do you know whose hands Bai Zhenghao’s wife died?”

“Who?”

“Me!”

“...”

“Then do you know what she did when I killed her?” Lu He continued to ask questions with no expression on his face.

This man was speechless, and the word just now stopped his thinking.

Because, he has been looking for that femme fatale woman, but unfortunately, he has not found it for so many years, and it was not until the end of last year that he heard that this woman had been killed.

Died at the hands of a mad boy.

That young man, at that time, single-handedly killed the Y country, and then, in less than a day, he destroyed all the lair where the woman was entrenched there, and finally slashed the poisonous snake.

He remembered it all.

It is also for this reason that he has always wanted to meet this person, thank him very much, and avenge their Bai family.

“The last thing she did was to escape and kill her own son, Shenrong, the father of sister Shen Shanshan. You think, she even killed her own son, let alone you?”

“...”

“In other words, Shenrong is actually a victim, why do you take him as the target of revenge? He never mentioned his true identity to his children. He died in the end to

relieve Ruoruo from snake venom. He was killed by his mother, Bai Muqing, not everyone in this world likes to be a ghost in the dark, he wants to be a person more, why don't you let them go?"

Lu Jin rarely persuaded him with a good temper.

Probably because he just mentioned the tragedy in his family, which reminded him of himself.

Bai Muqing lay on the ground and finally became silent.

He stared blankly at the top of his head, a face that was as white as a dead person due to excessive blood loss, until finally, he slowly closed his eyes.

"Take him away."

Seeing that the matter had been resolved, Lu Jin waved his hand.

Soon, when he came out of the old house, he also came here with his calligraphy treasure.

Returning from the Dead His Secret Lover Chapter 1839

It's Good To Live

"How is it? Have you done it here? I heard that the person behind it is the secretary of the league branch of their school?"

"Well, it's Bai Muqing, the grandson of brother Bai Zhenghao. Where is Cen Yu'an?"

Lu Jin also asked this question. people.

Mo Bao listened, shrugged, and said: "I've been sent to the hospital, nothing will happen, you have done so much preparation work below, but the death penalty can be avoided."

"Well."

Lu Jin did not deny it.

At the moment, after the two returned to the building, they pretended that nothing had happened, and waited until the grand opening ceremony and the large-scale model show ended successfully.

They just went to Huo Yin.

“God, today’s event is so successful, you see, the Internet is full of our topics.”

“Yes, yes, it’s all butchered!”

“Xiner Xiner, look, it’s all about you... “

...”

This show was truly an unprecedented success, and everyone stayed there for a long time after the show was over.

Huo Yin stood not far from the office building and watched quietly.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

This was the first time he had stood in front of so many people, but he was no longer afraid. At this time, his chest was filled with the great joy that his first success brought him.

And this kind of joy makes him happy to see everyone here at this moment.

So, the environment can really change a person.

Shen Shanshan came over with a lot of gifts, all of which were given to the organizer by the models after their success, and they couldn’t be pushed away.

“Yinyin?”

She panted and hugged her. After seeing the boy standing there, she originally wanted to ask him to help her.

However, she suddenly saw the look with his eyes looking at these noisy crowds, and suddenly, she stopped and stood quietly opposite to accompany him.

A pair of beautiful and moist black eyes were full of joy.

Yes, compared to the success of today’s event, she is happier to see this young man walk out of his closed world.

Maybe, not quite out yet.

However, she can see that he is like this, which is the biggest gain today.

“Huh? Little aunt, why are you holding so many things? Didn’t you ask anyone to help you? Huo Yin? Brother? Why do you come to help wherever you are?” As

he was standing, Mo Bao and Lu Jin came over from behind.

The two of them came to help after seeing Shen Shanshan holding so many things there.

Only then did Shen Shanshan come back to her senses.

“It’s okay, not a lot, by the way, what were you two doing just now? Why didn’t I see you?” Shen Shanshan suddenly thought of this and asked when she came with them.

Mo Bao was so carefree, he just said that he went to the inspection.

As for Lu Jin, he didn’t talk much at first, so naturally he didn’t speak much.

When the two reached the opposite side, Huo Yin also reacted, glanced at the things in the hands of the three people, and asked, “What about Ruoruo?”

Shen Shanshan: “...” Before he

could speak, his right hand The boy walking beside him suddenly shoved the gift he was holding back into her hands, then turned around and folded it back.

Just... very convinced!

By the time everyone packed up and finally returned to the apartment, it was already evening.

“There is news from Cen Yuan’an. After she woke up, she called the police and turned herself in.”

In the apartment in the evening, the balcony is a good place to watch the scenery. The fiery red sunset, at a glance, is so dazzling that it looks like a splendid scene.

Lu Jin just stood there with his hands in his trouser pockets, looking at the man on the balcony who was watering the flowers.

What flower?

Lu Jin looked at this thing that looked like a dog's tail, and didn't think it was good-looking, but it happened that at home, this person was always the proud man who came to eat and open his mouth.

At this time, he even condescended to water it.

"Really? What did she say?"

"She said she killed someone. There was a girl in the school before, right? She admitted it." Lu Jin replied lightly.

The voice fell, and finally, the guy held the kettle in his hand and stopped there.

If she admits to murder, then according to her age, she will be sentenced. The death penalty should not be, after all, she is an accomplice, but fixed-term imprisonment of more than ten years is inevitable.

Huo Yin continued to water.

"Tell my dad, give me some money to go to Cen's house and sit for a few years, it's better than dying."

He calmly ordered, and did not say that after the girl was finally caught, she received the punishment she deserved. , he just applauded or something, but still took care of her family from humanitarianism.

As for herself.

The boy was even more generous, and in his tone, there was only happiness for her to pull back from the precipice.

Lu Jin pursed his lips nonchalantly, and was about to go back to the living room when Huo Yin asked again from the balcony: "I heard that Bai Muqing used the one buried in Lan Yuan in Meiling, Xixiang. The military supply storehouse is used as bait?"

"Yes."

"Are you going to that place next?"

I never thought that this guy suddenly opened his mouth and asked such a question.

Lu Jin stopped talking, but immediately glanced sideways at the girl in the living room who was playing with Chi Wanwan's little girl.

Returning from the Dead His Secret Lover Chapter 1840

ran away from home

“Don’t worry, I won’t tell her, I just need to remind you that if you really want to pass, you must be careful.”

“How?”

Lu Jin retracted his gaze and looked at the boy two years older than him.

In fact, in terms of intelligence, the two of them are on a par, but each has a field that everyone is good at. For example, Lu Jin is good at arranging troops and attacking directly.

The person in front of him may be more proficient in analysis and speculation.

His mind is just like his father’s, a game of chess is placed in front of him, he doesn’t make a move, but he can always catch the most crucial breath in it after a glance.

“That’s Lan Yuan’s old nest. Daddy searched for so long and couldn’t find it. Why would Bai Muqing know? When his family was poisoned, how old was he, and such an important secret, the Bai family didn’t have a budget for him at that time. He will be wiped out, so how did he get it?”

Huo Yin explained the things he analyzed in his heart one by one.

When the words fell, Lu Jin frowned slightly.

“So, your father’s intention is to let me destroy it, so as not to be acquired by people with ulterior motives.”

“Well, that’s what you mean, then you have to be more careful. If something happens to Bai Muqing, I believe that there will be people behind it. If there are still people, they must have received news.” Remember the website

, Huo Yin reminded again.

Lu Jin raised his eyebrows.

He didn't take these to heart, he was just worried that after he was about to leave, that little girl...

"Sixteen, what are you doing standing there? Come and help me find these beads, Wan Wan made them scatter them all. One place." The

two were standing on the balcony.

All of a sudden, there was only an exclamation in the living room, followed by a bang, and a lot of beads were pulled off the coffee table by a little girl.

It's all over the ground.

If you want to cry.

She doesn't care about anything else, but she is very precious when it comes to making clothes.

Lu Jin saw it and hurried in to help pick it up.

The others also helped, but only Chi Wanwan was so frightened that she stood there so helpless that she didn't dare to move at all.

"Little girl film, what are you doing here? Hurry up and stand aside."

Mo Bao was bending over to pick up the beads. When he saw that the little culprit was still standing there motionless, it was very uncomfortable to lie on the ground because of his burly body. It was convenient for him to reach out and carry her to the sofa again.

Chi Wanwan: "..."

Immediately, those big watery eyes turned red.

Everyone disliked her, and no one here welcomed her.

The little girl was injured. She sat on the sofa with tears in her eyes and glanced at the people in the room. After seeing that no one really noticed her, she pursed her little mouth...

She actually jumped off the sofa and ran away out.

When everyone picked up all the beads, it was discovered that the little girl in the living room was gone.

“Where’s Wan Wan? Where did she go?”

“Ah? I don’t know.”

Everyone was at a loss.

In the end, it was Shen Shanshan’s sharp-eyed discovery that the pair of small shoes placed at the door was gone.

OMG!

Everyone panicked, looking at the sky that was completely dark outside, how dare they stay in the apartment again, and immediately, everyone went out to find someone.

Shen Tianhao: “It’s all Mobao’s fault, you must be carrying her again, and she ran away.”

Mobao: “I... how can I have it?”

He felt guilty and wanted to deny it.

But in fact, he didn’t even remember whether he had taken that little girl’s film at that time.

Because he seems to like this to children.

Shen Shanshan saw it next to them, and interrupted them quickly: “Okay, let’s investigate this first, let’s find someone quickly, by the way, Tianhao, you can call Xiner and try? They are familiar with them here. I know a lot of people, let them help you find them.”

She suddenly thought of the Ning family.

Shen Tianhao made a phone call immediately.

Really, not long after, the police in this area were dispatched, so everyone also went to find it separately.

“Mobao, do you want to come with me?”

When they parted, Shen Shanshan, who was very attentive, already felt the boy’s anxiety, so she specifically asked whether to go with her to find the child?

However, Mo Bao refused.

“No, I’m faster than you, so I’ll find it myself.” Then he left without stopping.

Seeing the god Shanshan here is a worry.

At this time, Huo Yin came over and saw that she had been standing there staring at her brother's back, he pursed his lips and said, "He feels guilty, so he wants to find the child in a hurry."

"Ah? Yin Yin, are you here?"

Shen Shanshan turned around and saw that it was him, so she recovered.

"I know, it's because of this that I'm worried. Mo Bao definitely didn't do it on purpose. He just likes to joke with Wan Wan. How could he be angry with a child when he is such a bright and cheerful person?"

Shen Shanshan sighed, Defend Mobao.

Huo Yin looked at her.

This seems to be the first time I have heard other people's comments from her, and this person is still his own younger brother.
