

## Returning from the Dead His Secret Lover Chapter 1861

He is working hard

Huo Sijue returned to Repulse Bay and saw his son sitting in the living room at a glance.

In just half a month, he thought that after the stinky boy escaped, judging from what the little guys secretly told him recently, he would be in a very good state.

However, when he saw him now, he found it completely unexpected.

“What’s wrong with you? Why are you acting like a ghost? Did you fight someone?”

He stood in front of him and saw that not only his clothes were dirty, but his face was blue and purple. A piece of fire swelled up in my chest.

These three children, it can be said that this one is the most obedient.

He was brought out by Huo Sijue himself, and he has been very aware of the rules since he was a child.

So, what the hell happened to him?

“Yesterday, your little aunt sent me a message saying that you were coming back. It didn’t take long for you to send me another message. If you can’t come back, what are you doing now?”

“ ...

” Minutes later, I saw this stinky boy looking up at him slowly in the sofa.

“Daddy, why do you keep Lan Yuan’s descendants in the house of God? Aren’t you afraid that after this incident is exposed, others will tell you about you?”

“What?”

Huo Sijue narrowed his eyes, a little strange that this son. Why do you suddenly ask such a weird question?

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

What happened to him?

Did Lan Yuan’s remnants find him?

In just a few seconds, the man with high IQ went through all the possibilities.

“Why should I be afraid? There are still labor prisoners in law, not to mention that your little aunt and his siblings have nothing to do with Lan Yuan. Except for a little blood, they have something to do with that old thing?”

“Then... so, even if someone deliberately threatens you with that incident, you wouldn't take it to heart, would you?” These

words were like a shot in the arm, which instantly stunned this lost youth. rescued from the edge of the cliff.

Huo Sijue looked at him quietly.

He was raised, and he must have seen something wrong with him at a glance.

Huo Sijue did not answer this question again, but asked the servant Sister Wang to take him up to take a bath and rest, and he called Leng Xu over.

“Go check it out, what happened to Huo Yin in Ya'an yesterday.”

“What does the president mean...?” Leng Xu smelled a bad breath when he heard this.

“After he came back, he has been asking about the relationship between Shen Shanshan and Lan Yuan. You can find out what is hidden behind Shen Shanshan. When I was in school, I felt a little strange. She is a girl. Those who escaped danger in their hands?”

The man's eyes sank, and his tone became much colder in just a split second.

Leng Xu understood.

Immediately, he immediately began to investigate the matter. By the evening, Huo Sijue was eating with his son in the restaurant, and his information had already been sent.

[Leng Xu: President, I have checked it out. Some people saw that Master Huo Yin and Shen Shanshan quarreled at the market in Lanxi Village yesterday morning. Huo Yin was very angry at the time, Shen Shanshan just cried, and then Master Huo Yin left. ]

【Huo Sijue: Are you gone? 】

[Leng Xu: ...I didn't go very far, went to the station there, then smashed the station and was sent to the police station. ]

Leng Xu sent a message on the mobile phone.

He really didn't dare to say that, in the police station, these three little guys, Huo Yin should be the most obedient and obedient, but as a result, such a shocking thing happened.

Even Master Mobao surpassed him.

Huo Sijue didn't reply, he just sat across from him and looked at his son.

Huo Yin: "...” The

surrounding air suddenly became cold, his hand holding the knife and fork paused, and the speed of eating slowed down.

But fortunately, this strong sense of oppression didn't last long. Soon, after Daddy's phone vibrated again, he took a quick glance and found that it was much relieved.

[Leng Xu: We have found it. It was a person named Sun Yu who called Shen Shanshan. I don't know what to say, but this Sun Yu, we have found that he lived next to Shen Shanshan's house. . ]

【Huo Sijue: Next door? 】

[Leng Xu: Yes, and, I have also checked your question about Shen Shanshan's college days before, and it was this person named Sun Yu who had been on the phone several times. ]

As expected of the leader of Longyin Pavilion, even these were found out at once.

The chill on Huo Sijue's body came up little by little again.

He can be tolerant and generous.

However, he does not allow anyone to play tricks under his nose. He has already said that she chooses the way herself, but if she goes wrong, don't blame him for being rude!

“Daddy, I...I want to tell you something.”

Suddenly, Huo Yin, who was sitting opposite, made a sound.

Huo Sijue was stunned for a moment, then looked up at him.

“What's the matter?”

“It's... I actually quarreled with Shen Shanshan yesterday. She suddenly received a call and she was going to drive me away. That's when she sent you a message.”

## Returning from the Dead His Secret Lover Chapter 1862

He really grew up

“Later, I forced her to ask her, only to find out that since her father died, a person named Uncle Yu has been contacting her, reminding her that her surname is Lan. I was in Ya’an, and he also called her, saying that I always At her place, she was afraid that something would happen to me, so she drove me away.”

Huo Yin finally said it in one breath.

Of course, he concealed something, which is why he really wanted to stay in Ya’an.

The voice fell, and Huo Sijue, who was opposite him, looked at him without saying a word, but stared at this stinky boy with a strange look between his eyebrows.

At this juncture, he chose to take the initiative to confess, did he find out that he was investigating him?

You little bastard, you still have some brains.

“I see, I’ll investigate this matter, so the ghostly appearance of you coming back in a state of despair is because you’re worried about your little aunt?”

“...”

He was so panicked in his heart, he immediately retracted his gaze, bowed his head and slammed it out. Get up and eat.

Fortunately, although Huo Sijue was very discerning, he would never have imagined that the son in front of him was still hiding a huge secret from him, and when he saw him, he lowered his head and stopped talking.

By default, he was most worried about Shen Shanshan.

Worry between aunts and nephews.

Huo Sijue asked people to deal with this matter.

After Huo Yin finished eating, he was going to go back to his bedroom, but after he closed the door, he couldn't calm down for a long time, and he kept sitting at the computer desk and looking at an open mobile page.

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

After an hour, a full hour of waiting, he finally saw the page start to move.

[Leng Xu: President, I have found this Sun Yu, but he denied that he is from Lan Yuan. ]

【Huo Sijue: What do you mean? 】

[Leng Xu: He said that he was sent by the Min clan to stare at Shenrong. Moreover, he also revealed that when the Shen Shanshan siblings were born, they were actually sent by the Min clan. Take it through. ]

Such a dialogue suddenly appeared on the screen.

Huo Yin stared intently, for a moment, even his own breathing seemed to stop.

Sure enough, when the message was sent out, he soon saw his father send a very angry expression on the mobile phone he was monitoring.

[Huo Sijue: What do you mean? What is being taken away? ]

[Leng Xu: When I was born, the doctor took it to get the vaccine. It was taken away at that time, and it was returned later. ]

Leng Xu sent a message on his mobile phone and said.

Having already said this, the rest is very simple. The meaning is probably that neither the Shen Shanshan siblings are Shenrong's children, and they should have been transferred by the Min family long ago.

Huo Sijue was very angry.

Since then, this monitoring page has no information.

Huo Yin turned it off, and when he got up, he found that his palms were already full of sweat, and his legs trembled slightly.

I'm sorry, Daddy...the

next day.

When Huo Yin got up and came downstairs, he saw that Daddy's whole face in the living room was gloomy.

"Daddy, early."

"Well, how are you recovering? Can you go to the company today?" Huo Sijue looked back at the son and asked.

He was really in a bad mood.

The news last night was a bit too unexpected for him. If that was the case, then he would have to consider where the two real children of Shenrong were?

Will they become Min's pawns again?

Huo Yin nodded obediently: "Okay, Daddy, are you going back?"

Huo Sijue said "um".

"Your uncle Leng found something last night. I want to confirm it. You can look at the company first. Ask Uncle Lin if you have anything, and your Uncle Qiao will be back soon."

"Okay."

Huo Yin Obediently agreed.

So Huo Sijue left City A and flew directly to the capital.

Huo Yin watched his daddy leave, and when the helicopter above his head finally disappeared, he also stood at the door and took out his mobile phone and clicked.

Soon, a sum of money was sent from his account.

On that day, Huo Yin was in the company all the time. He worked very seriously. Instead of his previous nonsense, he was particularly responsible for everything. The people in the company were shocked.

Is this little young master's rebellion going so quickly?

At noon, when he was having dinner in the CEO's office on the top floor, the screen of the mobile phone next to him lit up, and Shen Shanshan finally couldn't hold back and sent a message.

[Shen Shanshan: Yin Yin, you... how is the situation over there? ]

[Huo Yin: Very good. ]

He simply replied these two words, but his expression was obviously slightly raised when he sent it.

Shen Shanshan's heart, which had been hanging all the time, finally fell.

[Shen Shanshan: Really? So... did you tell your dad about this? Didn't he say anything? ]

This is what she wants to know the most.

God knows she hasn't slept all night since he left.

But the young man here saw it, but he directly denied it.

[Huo Yin: No, I am solving your identity problem now. ]

[Shen Shanshan: Identity? ]

[Huo Yin: Yes, come here today, you are not Lan Yuan's granddaughter, who do you want to be? You can tell me now and I'll make arrangements for you. ]

## **Returning from the Dead His Secret Lover Chapter 1863**

Shen Shanshan, I am disappointed...

He simply told her his plan, but still respected her decision very much and let her freely choose her next identity.

That's right, this is what he was planning on the way back from yesterday.

I have to admit that his IQ has really safely inherited his father. From Leng Xu's investigation to the appearance of Sun Yu, he has precisely followed his father's pace every step of the way.

Then arrange them one by one.

The arrest of Sun Yu was deliberately arranged by Huo Yin for Leng Xu.

His confession was also provided by him.

The purpose is to give this girl a brand new identity, so that she can break away from the family of God, so that she will no longer have to worry about it.

Huo Yin waited with hope.

Unexpectedly, just after he sent the news, Shen Shanshan's phone number came in directly.

"Hello?"

"So, what you mean now is to give me a fake identity to go out of the house of God?"

"Yes." Huo Yin did not deny it.

"Didn't you say that because of the identity of the Lan family, you are careful about my daddy and the reputation of our God family? That's settled now, you don't have to worry about it."

He explained in detail on the phone again. a moment.

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

Shen Shanshan's hope was shattered little by little, until in the end, her eyes were completely gloomy.

"Huo Yin, do you know what I'm really worried about?"

"What?"

"It's the world, it's your parents' disapproval, and all the family members of God, have you ever thought that one day we will stand in front of them and give How big of a shock did they cause?"

she asked softly over the phone.

Yes, this is what she is really worried about. She didn't even dare to think about that scene. She was Lan Yuan's granddaughter or his little aunt. How could she have such a wicked idea?

Huo Yin didn't make a sound.

He was sitting beside the coffee table with his mobile phone. At first, he was dazed. In the end, when he finally heard this sentence, the light in his eyes began to dim little by little.

Until the end, it was icy cold.

“So, what you mean is that you want me to tell my parents about this.”

“No... not!!” These

words were like a bolt from the blue, and Shen Shanshan over there immediately denied it in a panic.

Huo Yin heard that there was something called disappointment. After rising from his chest, there was no firmness in his eyes, and even the joy slowly faded.

“Shen Shanshan, you are more cowardly than I thought.”

“...”

“Since you are so afraid, well, it is as you wish. From now on, your Shen Shanshan is still my little aunt, and I, and your nephew Huo Yin!”

After he finished the last sentence, he pressed the phone without giving her another chance to speak.

Shen Shanshan was dumbfounded over there.

After a long time, when she finally came back to consciousness, she only felt that something in her chest had been dug away, she shook it, and slipped down in the room.

Yes, how smart he is, you can see at a glance that she is afraid and cowardly.

She wasn't brave enough for him.

What about the world, what about prejudice? At least, he Huo Yin went for it and did it.

But what about her Shen Shanshan?

She has nothing else but withdrawal and all kinds of worries!

Since then, Huo Yin has never contacted her again, and within a few days, Uncle Yu's story also broke out. Someone bribed him and made him talk nonsense about Shen Shanshan's life experience.

She is Shen Shanshan and Lan Yuan's granddaughter.

After Shen Shanshan received the news, she didn't say a word in Ya'an for a whole day.

In mid-August, just half a month before leaving school, Huo Yin went through the withdrawal procedures at T University, and went to Atlanta, Country Y, to study with Ruoruo and Lu Jin.

Ironically, not long after they left, Shen Shanshan's real life experience also came.

"Shanshan, Mom wants to tell you some good news. You...you are not the descendants of that old thing. Your dad...he is not the son of the Min family. Her son was killed by herself long ago.

", her mother Zhou Xiuying cried with joy in her ear.

God Shanshan is like five thunders.

She is really not Lan Yuan's granddaughter.

"It was found out by Yinyin's daddy, who said it was... It was said that Mrs. Min gave birth to a child. Lan Yuan originally promised that she would be the mother of a country after the restoration, but Lan Yuan broke his promise and married her to Bai. Zheng Hao. Under her hatred, her heart began to twist, and she killed her own child, put it in a clay pot, and buried it in front of Lan Yuan's tomb, so that he would never be born again."

Zhou Xiuying put this passage All the important events that happened in the capital were all told.

But in reality, there is more sensation than this.

Because, according to Min's brother's explanation, after Min killed his own child, they were afraid that Lan Yuan would come to the door, and finally went to Xixiang to hold a child of the same age.

And this child was the child of the Lan family's aunt's family.

The aunt of the Lan family is Lan Qiong mentioned in the Wangjiaolou Lan family tree. She is the aunt of the leaders Lan Ling and Lan Yuan. After marrying to Xixiang, she became the aunt of sisters Pei Qingfang and Pei Qingyun.

From then on, the viciousness of this Min's back then could be clearly seen.

"I also heard Daddy Yinyin say that during the war, this aunt of the Lan family was also helping to raise the children of her younger brother Lanling. If you agree, you can do an appraisal to see what you and your brother have left on them. Whose blood is it?"

Zhou Xiuying wiped her tears and choked.

Shen Shanshan's head was completely empty, she never thought that something very absurd and bizarre would happen to her one day.

Her surname is still blue.

But in just one month, she has changed from a descendant of an old villain who was despised by thousands of people to a descendant of a great leader admired by thousands of people. Is it so dramatic?

And all this, is it too late...

## **Returning from the Dead His Secret Lover Chapter 1864**

Life Experience

Shen Shanshan returned to the capital.

On the day she arrived, she was taken to Guanhai Terrace, and Shenzongyu personally came to pick her up.

“Shanshan, now that you and your brother's review are basically certain, the two of you are the descendants of President Lan (Lan Ling, who is sensitive to changing the name), and your brother has already done it with people from Xixiang. It's verified, I'm picking you up now, just to ask what your plans are in the future?” After

he took her to Guanhai Terrace, he looked at the young girl and asked solemnly for the first time.

He is the old man of the Shen family, and a junior like this will definitely not have such a formal conversation.

But Lan Ling was in awe. Back then, he was the one who led them to conquer this country. He and Situ Jingxuan will always be the supreme leaders in his mind!

Shen Shanshan pursed her lips.

Although she had been prepared in her heart for a long time, when it really came, she was still a little flustered.

“Cousin, what do you mean...?”

“The White House also knew about it, and they were very excited about your leader, grandfather and descendants, so what they meant was that they wanted to arrange another accommodation for you, and also Yes, let you restore the blue surname.”

Shenzong Yu said earnestly.

This is unavoidable, because as long as the name Lanling appears, it will definitely become the focus of the world, and as his descendants, he should receive the honor and care he deserves.

However, all Shen family members, including Shen Shanshan’s mother, thought Shen Shanshan would refuse.

Because she is a girl who knows how to repay her kindness, and she is also very smart, knowing that once the surname Lan is restored, the subsequent Vanity Fair may not be a good thing for her.

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

Therefore, the entire Guanhaitai is ready for her to continue to stay in the house of God.

Including Huo Sijue and his wife.

But on this day, what everyone did not expect was that this girl agreed.

“Okay, then let’s follow their instructions.”

“Ah?”

Shenzongyu was also stunned.

Ten minutes later, when the news spread all over Guanhaitai and Shen Shanshan came out, everyone’s eyes changed when they looked at her.

no offence.

However, they were all a little regretful. They were really worried that she would lose her true nature when she suddenly got involved in that Vanity Fair.

“Shanshan, I heard that you chose to restore the surname Lan.”

Wen Xuxu also came down, and specially came to see the girl when she was leaving.

Unexpectedly, as soon as the girl saw her, there was a hint of dodge on her white face, and she didn't dare to look up at her.

"Yeah." She nodded, and her hands kept twisting the corners of her clothes.

Wen Xuxu saw it, and although she was a little disappointed, she was always generous. Seeing that she was so nervous, she still reached out and touched her head.

"It's alright, you can choose whatever you want. But Shanshan, you must remember that no matter where you go, don't lose yourself, keep your heart and take good care of your brother, you know?"

"Got it. "

Shen Shanshan nodded, carefully remembering these words one by one.

After Wen Xuxu saw it, she was going to ask the driver at home to take her back.

"By the way, I... If my surname is Lan, can I change my name to you?"

Suddenly, the girl who was about to leave stopped again, and she turned to look at the elder who sent her away, like a drummer Enough courage to ask.

Wen Xuxu was stunned for a moment: "Name? What do you mean?"

Shen Shanshan: "I'm about the same age as Ruoruo and them. I've always wanted to call you sister-in-law, but I always feel a little disrespectful. Then... my surname is Lan, can I call you auntie? It's like... ...and called Sixteen and the others."

" ... "

For a few seconds, all the people standing in the living room looked at each other in dismay.

Including Wen Xuxu.

Auntie?

In terms of age, this is indeed very reasonable, but after being called sister-in-law for more than 20 years, it is a bit strange to suddenly change her name to auntie.

"That's good."

Wen Xuxu finally agreed.

Then, she saw that the girl finally showed a smile on her face, turned her head and ran away happily.

Wen Xuxu: "..."

What rhythm is this?

She went back to the third floor and talked about it to Sijue Huo who was reading a book upstairs. Sijue Huo paused for a moment while flipping through the pages of the book.

Change the name?

—

September.

Shen Shanshan's family moved to Wangjiaolou, the real ancestral home of the Lan family. She and her younger brother officially changed their names to Lan Shanshan and Lantian Hao.

After the name change was successful, people from the White House came over and said they could send them to study abroad.

"Going abroad?"

Lan Tianhao was very excited when he heard this.

But after Lan Shanshan heard it, her expression didn't change much.

"Uncle secretary, I still think the original school is good. It is also a famous school. Our domestic school is no worse than the foreign school. I hope to finish my studies there. I believe my grandfather agrees with me after knowing it. practice."

"..."

The secretary from the White House looked at this little girl in her early twenties and couldn't say a word for a long time.

## Returning from the Dead His Secret Lover Chapter 1865

This time, let me go to you

So, some genes are really innate.

Shenrong has been used by the Min family for so many years, but in the end, she has not become the knife in her hand, and the same is true of this pair of siblings, they are destined not to become the kind of vain person.

The siblings still went to T University.

Half a year later, Lan Shanshan obtained the exchange student qualifications of several schools in T University and Y country through her own efforts, so she did not hesitate to fill in the name of the school of Atlanta University on the form.

“Shanshan, you are going here, shouldn’t you be?”

After seeing her form, her friend Jasmine was both happy and worried for her.

Happily, it was her business at the time, she had always seen it in her eyes, and knew what she was doing.

But what worries her is that she is afraid that after she goes, there will be no results, because in the past six months, she has never seen that she has received any information from that boy.

But this time, she saw that this friend’s eyes were very firm.

“It’s okay, I’m ready.”

Then, she handed over the form.

Half a year later, it’s the end of the year again, but this time, when Lan Shanshan and the other sisters and brothers went back from vacation, they found that none of the older children from Guanhaitai came back to celebrate the New Year.

“Sixteen and Ruoruo said that if Ruoruo was invited to Milan Fashion Week, they would not come back.”

“Well, there is also Mr. Huo Yin, who is said to have been arranged by his Uncle Qiao to go to the financial street in country M. , to experience the experience.”

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

“Calligraphy won’t come back.”

Even Zhou Xiuying sighed when she said the last one.

This child was going to see Wan Wan off. Chi Yu finally got better and met her daughter, and Wan Wan missed her father too, so she arranged for the calligraphy to go there.

Lan Shanshan stood there and listened.

She was a little lost. She believed that the person she was waiting for should not have something to experience, but probably just didn't want to come back.

Lan Shanshan has never felt that New Year's Eve and New Years will be so difficult one day. She lives with her fingers every day, hoping to pass faster.

When school starts, she can go to country Y.

Fortunately, her best friend was with her during this time.

[Jasmine: You are going to see him soon, are you ready for the gift? ]

【Lan Shanshan: What are you talking about? 】

【Jasmine: What did you say? Of course it's his favorite. You don't even know this, do you? 】

[Lan Shanshan: ...]

Of course she knows.

However, it seems to be limited to what he eats. His other things are well taken care of by his mom. He has everything but food, which she often cooks for him when he is in the apartment.

In the end, Lan Shanshan didn't buy anything, she just held the puppy she brought from Ya'an.

That puppy he bought at the market at the time.

In the torment, finally, the ninth day of the first day came, she immediately pulled the suitcase and ran away early in the morning, seeing Zhou Xiuying at home stomping her feet.

"This kid, what's going on? I've never seen such a hurry before school starts. Why does it seem like this year's ass is on fire? I haven't attended several banquets arranged by others."

“What banquet?” On

this day, just in time Several concubines from the god’s family on the other side of Chanxi came to her to pay New Year’s greetings, and when they heard this, they asked curiously.

Zhou Xiuying explained: “Isn’t she graduating from college soon? Several wives have said they want to arrange jobs for her and let her choose whatever they want. I was just about to tell her.”

“Tsk tsk, is this a job arrangement? This is choosing a daughter-in-law, right?”

The sister-in-law immediately saw the clue.

That’s right, Lan Shanshan is now the hottest candidate for a daughter-in-law in the celebrity circle in the capital. Since her life experience surfaced, how many noble families want to marry her back to be their daughter-in-law.

The concubines are all happy for Zhou Xiuying, because it means that if Lan Shanshan gets married well, their family’s good times will really come.

—

City T.

After Lan Shanshan arrived at the school and went through the formalities, she didn’t stop for a moment, she went to the airport immediately.

Ruoruo already knew about this in Country Y, and after learning that she was coming, she was already ready to pick her up there.

[Ruoruo: Little aunt, don’t worry, I and Sixteen are already waiting here at the airport, we can pick you up when you come. ]

[Lan Shanshan: Good. ]

She actually wanted to correct her “little aunt”, but in the end, let it go, she didn’t want people to find out her thoughts.

Lan Shanshan boarded the plane with trepidation and excitement.

A few hours later, country Y.

Really, as soon as she got out of the airport, she saw a little girl in a sky blue down jacket and a furry ear cap in the crowd who came to pick up the plane, in front of a handsome and handsome boy. She waved.

“Little aunt, here! Here!!”

She shouted happily, her beautiful little face still wearing baby fat, full of bright smiles.

Lan Shanshan looked at it, suddenly a little dazed.

No one will wait for you in place

She had heard about the two people and had experienced a lot.

However, when she sees this little girl now, she knows that she must be very happy, and when she sees the boy behind her who is inseparable and has been protecting her.

She also knew that he must have used his life to protect her.

“Little aunt, why did you suddenly think of coming to exchange with us? God, you don’t even know, I know how happy you are when you’re coming.”

After coming out, she finally received Ruoruo , I was happy, and immediately asked this again.

When Lan Shanshan heard this, a trace of unnaturalness flashed.

“I... I just don’t know where to go, and I haven’t been abroad, and then I think of you.”

“Well, you did the right thing, you should come here!

” I gave great approval to my aunt’s “wise” decision.

Lu Jin twitched at the corner of his mouth, but said nothing.

After picking up Lan Shanshan from the airport, and when she arrived at the luggage check-in, she saw that she had brought a puppy over, and Ruoruo’s big round eyes widened.

“Little aunt, you brought a dog?!!”

“...Uh, yes, I have kept this dog all the time. My mother said, I’m going to school, and she wants to give it away, so I’ll bring it. I’m done.”

Lan Shanshan hesitantly made another excuse.

Fortunately, this little girl really doesn’t care. Before she could finish her words, she squatted down and hugged the dog.

“Be careful!”

Seeing this scene, Lu Jin finally grabbed her, afraid of getting hurt.

When Lan Shanshan saw it, she hurriedly explained: “It’s okay, it doesn’t bite. It’s the pastoral dog I bought from Ya’an. It’s very good and obedient.”

“Oh...”

Ruoruo’s eyes lit up.

The intelligence of the pastoral dog is indeed very high, and it is very protective.

The guys went back with the dog.

But they found that when they arrived in the city of Atlanta, because Ruoruo also came here to go to school, plus Huo Yin, after a total of three people, Huo Sijue bought them a duplex apartment here. .

“Look, little aunt, it’s just right, we have five rooms here, and it’s full when you come.”

Ruoruo brought her in, pointed to this beautiful duplex apartment, and happily introduced it.

Five rooms, she will fill up when she comes?

Lan Shanshan glanced at this very spacious and beautiful apartment, and didn’t understand a little, but she was embarrassed to ask, after all, this was not her house.

Until, after she moved her luggage to the last room and tidied up, Lu Jin came out after finishing the meal, and there was a sudden click outside, and someone came back.

“Hey, brother, are you back?”

Ruoruo raised her head to see the person who came back, and shouted crisply.

When the voice reached the bedroom, Lan Shanshan's heart thumped violently in her chest, and her whole body became very nervous.

She came out with something in her hand...

"Sister Ling, where have you been today? Why have you been gone for so long? Sixteen and I have brought my little aunt back."

Suddenly, another sentence.

Lan Shanshan's footsteps suddenly paused.

"I'm sorry, Ruoruo, I accompany Yinyin to buy materials, and the school starts tomorrow. He said that there are a lot of things that I haven't bought, so I will go out with him today." The

girl's soft and charming voice sounded like it's like the spring breeze blowing across the river in March, it's very nice.

Lan Shanshan was stunned.

She walked out of the bedroom slowly, and at a glance, she saw the young man in the living room that she hadn't seen for half a year. However, there was one more person beside him at this time.

A beautiful girl wearing a long linen dress and with very thick hair like seaweed.

"Sister Ling, you are so kind. As expected of the person sent by my great-grandfather, you really took good care of my brother."

"Ruoruo..." The

girl was shy.

She was sitting opposite the boy, and after giving him a shy look, her beautiful face was as red as the peach blossoms in March.

Lan Shanshan's face turned pale little by little.

She was holding something like that in her hand, and she just felt that after a basin of cold water was poured over her head, she was so cold in her bones that in just a few seconds, she couldn't even hear any sound in her ears.

After all... is she still late?

## Returning from the Dead His Secret Lover Chapter 1867

He called her, little aunt...

“Little aunt, are you ready? Come over for dinner, brother and sister Ling are coming back.”

Ruoruo didn't know the secret hidden among these people at all, and when she turned her head and saw that little aunt had come out, she immediately He was happy and ran over.

The living room fell silent.

In addition to Huo Yin who raised his head lightly and swept over, there was also the girl named Lian Xiling, who looked over and looked at her curiously.

Lan Shanshan's complexion suddenly turned pale again.

She saw the young man who finally looked at her, with a very flat and indifferent expression, no joy or anger. His reaction, after half a year, was beyond all Lan Shanshan's expectations.

Also, she saw the girl Ruoruo called Sister Ling.

She is really beautiful.

A standard melon seed face, fair skin that can be broken by bullets, and her eyes, watery, really like her name, you will be attracted to her at a glance.

Lan Shanshan couldn't move any more.

“Little aunt, why are your hands so cold? Is the heater not running enough?”

Ruoruo felt the coldness of her hands and asked with concern.

Lan Shanshan couldn't make a sound, and finally, Lu Jin came over: “Okay, Ruoruo, take your little aunt to dinner first, and I'll turn up the air conditioner.”

“Okay.

” Ruoruo pulled his little aunt over there.

The five people finally sat down at the dining table, and Lan Shanshan was seated at the top.

Lian Xiling: “Hello, little aunt, my name is Lian Xiling. I’m the granddaughter of the General Staff Officer of the Lu Ministry. I’ve heard Ruoruo mention you before, but when I see you today, my little aunt is really dignified and gentle.”

It never occurred to me that just after sitting down, this girl named Lian Xiling picked up a drink in front of her and took the initiative to introduce her identity.

Lan Shanshan was stunned again.

She stared at her blankly, and without paying attention, two sets of eyes for help subconsciously fell on the boy next to her.

She was only two or three years older than them, how could she be held so high at once, making her look like an old lady.

Also, why does she also call her little aunt?

She fixedly looked at the boy.

However, he found that maybe he felt her sight, Huo Yin sat there, and his eyes finally looked back.

“You don’t need to be so troublesome, it’s your own family, you can eat it yourself.”

He still said in a very flat tone.

After Lan Shanshan finished listening, her eyes were wide open with clear black and white eyes.

Why did he... react like this?

He looks like he doesn’t know her anymore? No, no, he still knew her, but he didn’t seem to remember anything between them at all?

what happened to him?

Lan Shanshan was completely frozen...

But after Lian Xiling listened to it, she followed his advice very obediently.

So, for the next meal, she didn't pour Lan Shanshan's vegetables and drinks so enthusiastically, but ate with the teenager next to her.

Of course Ruoruo was eating with Lu Jin with gusto.

Only Lan Shanshan, after she finished the whole meal, she estimated that she hadn't even eaten ten grains of rice.

Finally finished eating, Lian Xiling helped Lu Jin put the bowl in the kitchen, and Ruoruo went to feed the dog Lan Shanshan brought.

Seeing this, Lan Shanshan finally mustered up the courage to go to the second bedroom.

That was Huo Yin's.

He just came in after eating.

"Yinyin..."

The moment she walked to the door, she saw the familiar figure of the young man who seemed to be sitting in front of the computer, so she first shouted carefully at the door.

The voice fell, and the boy who was turning on the phone raised his head.

"Is something wrong?"

"..."

Lan Shanshan was suffocated again.

Because, once again, she clearly saw the dullness on this young man's face.

That is, just like the relationship between her and Mobao, and the same relationship between her and everyone in Guanhaitai.

"...No, I just wanted to see you. How have you been since you got here? Are you used to it for the past six months?"

She tried her best to suppress the knife-like pain in her chest, and asked with a smile on her face.

Huo Yin nodded: "it's ok, how about you? How is it?"

Lan Shanshan: "I'm not bad, then, I won't bother you, oh right, I'll bring you here this time. A small gift, I hope you will like it."

She came over, and took out the little thing she had put on her body for a long time.

It was actually a keychain.

It's just that this keychain is very special. It looks like a kind of cake, or a lotus flower.

Huo Yin took it and looked at it a little suspiciously.

"Okay, leave it here, thank you little aunt."

"...You're welcome."

When Lan Shanshan finally heard his name, she clenched her palm tightly, and when her breath seemed to smell the sweet smell, she turned around suddenly and came out.

"Huh? Auntie, are you coming to see Yinyin?"

It was so coincidental that as soon as he came out, he ran into Lian Xiling.

He just fulfilled you

After seeing her, the girl immediately asked in surprise, and her eyes were fixed on her hand.

"Little aunt, your hand..."

"Ruoruo, go down and buy a bottle of dishwashing liquid for me. Come up with Xiling." Suddenly, Lu Jin came out of the kitchen and asked Ruoruo, who came back, to give it to him. go shopping.

Ruoruo agreed immediately.

Afterwards, she jumped over, hugged Lian Xiling's arm, and went out.

Lan Shanshan finally breathed a sigh of relief when she saw it.

She prepares to go back to her room.

“There is a Band-Aid in the wine cabinet, you can handle it yourself.”

Lu Jin’s voice sounded in the kitchen again, as if he had eyes behind him.

Lan Shanshan: “...”

After a while, she slowly pulled over to the wine cabinet, then opened the drawer and took out two Band-Aids from it.

“Sixteen, let me help you.”

After treating the wound in her palm, she came to the kitchen, ready to help.

Lu Jin didn’t agree or refuse, so he was still busy with his own business.

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

Lan Shanshan started to clean the washed dishes with a dry towel next to her. She heard herself ask: “Sixteen, can you... tell me what happened to him?”

“What are you referring to?”

Lu Jin, who was burying his head at work, asked a question without any emotion.

Lan Shanshan turned her head to look at him, and with just this sentence, she found that she could no longer control her, and her eyes were red in front of this boy who was several years younger than her.

She is smart, and she already knew that this boy’s actions just now deliberately helped her out. Among all the people, he should be the only one in the know.

“He was ill. After he came here from the company, just like when Tong Hui died, he locked himself in the room again. However, it was three days that time, and this time it became a week.

” ... ”

A bowl just fell from Lan Shanshan’s hand and fell to the ground and shattered.

Huo Yin heard it in the room and came out.

“What’s wrong?”

“ . . . ”

Lan Shanshan didn't dare to turn her head back, she just stood there shaking violently.

In the end, Lu Jin squatted down and picked up the broken bowl.

“It's alright, I accidentally broke a bowl.”

“Oh, then don't let her do it, didn't she just come over today? Let her have a good rest. If you don't have time for this kind of thing, go ask her Come here as a servant.”

Huo Yin ordered from behind, the concern for this little aunt between his brows was still there.

But he didn't know that it was his words, and every word he heard in the ears of the girl here was like a knife stabbed into her heart.

It was so painful that she could barely stand.

“Then... what happened later?”

“Later, I was worried about the accident, so I found a psychiatrist. After the doctor showed him, he said that if he has an inherited genetic disease, it is best to turn off those things that make him miserable. “

Then, when I waited for him to wake up, I asked him if he would like it? He agreed.”

Lu Jin told the final truth.

That's right, Huo Yin's current situation is what he asked to do. In other words, he really fulfilled Lan Shanshan. She said it's okay, then he will erase all their pasts. .

Lan Shanshan couldn't remember how she got back to the room.

She only knew that when she finally woke up, she saw that it was completely dark outside.

At night in a foreign country, it was extraordinarily quiet outside. She slowly stood up from the ground, walked to the window, and saw the dog on a leash downstairs at a glance.

The pastoral dog she brought back from abroad.

Lan Shanshan went down, and when everyone in the apartment was asleep, she went downstairs and hugged the dog, who had been having trouble sleeping because of the changing environment.

“Little Lotus, what do I do next?”

“Wang...”

The dog who couldn't speak could only bark in her arms.

Lan Shanshan hugged it even tighter, she buried her head on its back, and after the hot tears fell, she didn't go back for a long time that night.

Lu Jin didn't sleep upstairs either.

He is not an ordinary person. Years of training will wake him up if he moves slightly. Besides, he was still guarding his girl. She pestered him and let him accompany him to watch the soap opera for a while, and just fell asleep.

When Lu Jin fell asleep that night, he thought that the girl downstairs would die.

After all, in his opinion, she is indeed not brave enough.

Surprisingly, when everyone got up the next morning, as soon as they went to the living room outside, they saw a hearty breakfast on the table.

At this time, a slender figure was still busy in the kitchen.

“Hey, you're all getting up, then wash up and have breakfast, it's all ready.”

Lan Shanshan came out from inside and saw that everyone was awake, she hurriedly greeted everyone to wash up and come over to eat .

If Ruo Ruo is happy.

## **Returning from the Dead His Secret Lover Chapter 1869**

This time, it's my turn to go to you

“Wow, little aunt, you are so capable. After that, in our little nest, we will not only eat the taste of sixteen, but also what you make, little aunt.

” Disgusted?”

Someone began to be dissatisfied.

The little girl hurried over to coax people: “No, no, why would I despise you? My sixteen’s cooking is the best, let’s go for a walk, let’s wash our face and brush our teeth.”

This little girl is really showing off, the more and more Thick-skinned.

Lan Shanshan blushed.

After a while, Huo Yin and Lian Xiling also came out. Seeing such a hearty breakfast, Lian Xiling was also very surprised.

“God, little aunt, you are amazing, you can make so many delicious food.”

“No, just a little home-cooked snack.” Lan Shanshan quickly and modestly shook her head.

But as soon as she finished speaking, this girl named Lian Xiling began to pick up these breakfasts.

“Yinyin should like sandwiches and milk, then I’ll get you some condensed milk.”

After she finished, she went to the refrigerator to get condensed milk.

When Lan Shanshan saw it, she brought the pot of meat porridge that had been boiled until it became sticky from the kitchen, and put it in front of Huo Yin, who had just come to the dining table and sat down.

“He doesn’t eat that, he likes to drink the porridge I boiled, Yinyin, eat it, it’s all you like, and I made you a basket of xiaolongbao.”

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

She brought it all up with a smile.

Lian Xiling, who was in front of the refrigerator, was stunned, and she looked back at all this.

And Huo Yin, after frowning at these things, he opened his mouth: “I like to eat this?”

Lan Shanshan: “Yeah, when we went to school together at T University, you liked to drink my pot. I have this porridge, and every day I boil it, you will drink several bowls.”

Huo Yin: "..."

Lian Xiling: "..."

Even Lu Jin and Ruoruo, who had just come out of the room upstairs, looked down here.

In the end, Huo Yin still ate with a spoon.

However, after everyone saw that he only took a few bites, he did not continue, but brought the milk and sandwiches that Lian Xiling prepared for him.

The living room fell silent.

"Little aunt, do you remember it wrong? We lived here with Yinyin for half a year, and he never let me prepare these things. What he likes to eat is Western-style breakfast."

Lian Xiling questioned again.

Lan Shanshan stopped talking.

She stared blankly at this young man who was eating breakfast as if no one else was there. Suddenly, something seemed to have awakened, and the overwhelming regret and sadness overwhelmed her whole body.

Yeah, what's he like or dislike?

During that time, he always ate whatever she did. As long as it was made by Lan Shanshan, he never picked it and ate it clean.

This led her to think he liked it.

But in fact, it was Huo Yin who had been accommodating her all the time. He was so picky, and he had been such a person with fine clothes and food from the bottom up.

Lan Shanshan went back to the kitchen and didn't come out for a long, long time.

"Brother, what are you doing? Why don't you appreciate the things that my little aunt carefully prepared for you early in the morning? If you don't like it, you have to eat it."

Ruoruo, who saw this scene in her eyes, said, After coming down, he taught his brother angrily.

Ke Lian Xiling disagrees with this point of view.

"But Ruoruo, if you don't like it, how can you swallow it?"

“But...”

“Okay, put it away, I’ll eat it in the morning.”

When the two girls were arguing, Huo Yin, who was sitting next to them, interrupted them. He frowned and asked them to put away the porridge. Afterwards, he got up and went back to his room.

Ruoruo immediately went to the kitchen with the porridge happily.

“Little aunt, you don’t have to be sad. I taught my brother a lesson. Look, he said to eat at noon.”

“...”

Lan Shanshan looked at this little girl who was still protecting herself, and couldn’t forgive herself even more.

what did she do.

That morning, when Lan Shanshan went to the supermarket, she made an international call to Guanhaitai on purpose.

“Aunt Wen, I’m Shanshan, I want to ask, what does Yinyin usually like to eat? And Ruoruo? I want to cook some food for them. They said they haven’t eaten for a long time, and they are all ordering takeout. “

That’s it, okay, I’ll tell you right away.”

Wen Xuxu over there was very happy when she heard it.

Immediately, this morning, Wen Xuxu carefully made a document with several pages in the country, all about what her children like to eat, and then sent it over.

“Husband, look how sensible this child is, Shanshan. As soon as she arrives at their place, she is busy cooking for them.”

“Really?”

Huo Sijue was reading the newspaper in his hand. , he sat with his long legs crossed and responded lightly.

Wen Xuxu: “Yes, yes, they asked me for a list of their favorites just now.”

Huo Sijue: “Didn’t the Lianjia’s daughter ask you for it?”

Lianjia?

As soon as these words were said, Wen Xuxu, who had just finished his work, was stunned.

That's right, she forgot about this, Miss Lianjia, but the old man specially found the other half for their Yinyin, this Lian Xiling's grandfather was the old man's comrade-in-arms before.

I heard that this girl is not bad, and she has been getting along well with Yinyin for half a year.

"She didn't ask me for it, but I heard Ruoruo say that she also takes care of Yinyin."

"Well, what are your plans?"

Huo Sijue suddenly asked.

In a family like theirs, when an average boy becomes an adult, if he is a suitable candidate, he can set up a relationship with the other party. Huo Yin is 19 years old this year, and the old man has this meaning for a long time.

Wen Xuxu had no other opinion after listening.

"If there is no problem with both parties, and Yinyin agrees, then it's settled."

"..."

Huo Sijue didn't say anything...

## **Returning from the Dead His Secret Lover Chapter 1870**

Her heart is full of him

Two days later, the school finally opened.

Because Lan Shanshan was here for the first time, Ruoruo originally wanted to accompany her to the school to report, but after analyzing it, Sixteen decided that she was not suitable.

“Lan Shanshan’s accounting study is completely different from your design. She is suitable for Huo Yin to take her there. Huo Yin is in finance, and they belong to the same category in school.”

“Yes.”

After such an analysis, Ruoruo , I think her family’s sixteen is absolutely right.

At the moment, she ran to her brother’s room. ” Brother

Yin, take your little aunt to school today. Her major is very close to your department. Sixteen said, you are more suitable.” There were some books, and when he heard this, he looked up. However, before he opened his mouth, Lian Xiling came over from next door. “The finance department and the accounting department are still different. They are two departments, and they are quite far apart. Otherwise, let me take me there. I am business administration and I am closer to my aunt. ” Biting gold. Ruoruo stood at the door and was stunned for a moment. But no one thought that at this time, Lan Shanshan, who had also packed up upstairs, suddenly came down with her schoolbag. After she heard this, she also came to this bedroom. “It doesn’t matter, just stay far away. Yinyin is more familiar with my situation. It would be better if he takes him there. Yinyin, can you take me?” She stood at the door, with a pair of clear water eyes looking over , Even Lu Jin in the living room couldn’t help but glance at it. She seems to have changed a bit. Huo Yin finally agreed, and was disappointed to see Lian Xiling beside him for a while.

However, she didn’t think about anything else, because in her eyes, this girl was their little aunt.

Several people went to school.

“Brother, I’ll go with Sixteen first, and we’ll call after class in the afternoon.”

“Yeah.”

Huo Yin nodded.

After a while, Ruoruo and Sixteen left, and only Lan Shanshan and the others were left at the gate of the campus. Of course Lan Shanshan had no other plans, but Lian Xiling went directly after seeing Ruoruo and the others. Bicycle area at the entrance of campus.

“Yinyin, let’s ride over there.”

This chapter is provided by najjdate.com. Visit najjdate.com for daily update.

“Well.”

Huo Yin agreed, it should be because they have been used to it.

Lan Shanshan stood next to her for only a second, before she made a decision.

“Hey, little aunt, why didn’t you take the car?”

“Ah? I won’t...” Lan Shanshan showed a very apologetic expression, standing there embarrassed.

“You don’t? Then...then I’ll take you?”

Lian Xiling probably didn’t expect that she wouldn’t be able to ride a bike. After she realized it, she said subconsciously.

Lan Shanshan: “...”

This time, she didn’t refuse anymore. After the girl got on the bike, she was ready to go up.

However...

“Ah...”

“Boom!” The

two of them screamed at the same time. If Huo Yin, who was next to him, had not supported him in time, they would have fallen to the ground.

There is no way, the design of this bicycle is like this. It is different from the domestic one. The design of wheels and levers is more inclined to single-person riding. Even if it is manned, it must have a lot of control.

Lan Shanshan just saw this at a glance and agreed.

When she finally got into the teenager’s car, Lan Shanshan looked at the girl next to her who was riding alone with a depressed expression, and she looked elsewhere with guilt.

However, she has no regrets.

Because, from now on, she needs to re-enter this young man’s heart little by little, no matter what the result is, she has to give it a try.

Lan Shanshan was brought by Huo Yin to her department to report.

“Yin? Is this your new friend?”

Seeing that Huo Yin actually brought new classmates over, those who knew him in the school asked curiously.

Huo Yin pursed her lips and nodded: “Well, my aunt.”

Lan Shanshan: “...”

Until the formalities were completed, her expression looked a little lonely, and she did not exchange to this university at all. Happy reading.

Huo Yin glanced back at her, and after a while, he still said, “don’t worry, the school spirit of this school is not bad, they won’t embarrass you and get along well.”

“Really?”

Lan Shanshan heard this. I just stood next to him and looked at the mood a little better.

“Then... Yinyin, can I visit you often? I... I just came here, and I’m not very familiar with English. If they are too far away, I...”

“Yes.” The

young man agreed very readily. .

When Lan Shanshan heard it, she finally smiled, standing beside the young man with her schoolbag on her back. When those beautiful clear eyes raised a bright smile, Huo Yin swayed slightly.

Very clean, very pure smile.

It was as if, as long as he agreed, she would own the whole world, and it was filled with his smile, which made him feel a pain inexplicably.

Huo Yin left.

That day, in the classroom, he looked out the window uncharacteristically several times, as if he was waiting for something.

When Lian Xiling came to look for him, he happened to meet two of his gazes looking at him from the inside.

“Yinyin?” The

girl was overjoyed.
