

## Returning from the Dead His Secret Lover Chapter 1901

Finally know everything

But this movie, I don't know if Wen Xuxu's romantic movie was too literary, or what was going on. Halfway through the movie, she heard even breathing beside her.

When I looked back, my son was asleep.

"This kid..."

She smiled helplessly, taking off her coat and covering him.

"Don't—"

But suddenly, his son's hand grabbed her hard.

Wen Xuxu was stunned.

"Yinyin?"

"No...don't take them away, don't...disappear, I won't pester her..."

He grabbed her arm so hard, as if he was begging her, in his sleep With a hint of choking in his throat, he uttered such words in an intermittent dream.

Wen Xuxu's mind was empty.

She looked around, it was dark, and sad music was playing in the movie. Suddenly, she seemed to wake up to something.

Even his face changed.

This is a very, very suitable space for hypnosis.

At this time, why her son fell into a nightmare is this reason.

Wen Xuxu felt the pain in his arm getting deeper and deeper, and the son who was falling into a dream, even the corners of his eyes, there were transparent water marks sliding down.

Finally, she gritted her teeth and put her other hand on his forehead, which was sweating coldly.

There are many ways to hypnotize.

However, her talent in this field is not high. In order to save Huo Sijue, the only thing she learned from that RB professor was this mental detachment method. It is done by massaging some of the patient's facial acupuncture points.

And this is precisely because the professor considers that she knows Chinese medicine.

Wen Xuxu soon felt that his son fell into a deep sleep.

"Yinyin, who were you talking about just now? Who is going to disappear?"

"...Lan...Lan Shanshan..."

Another stunned, Wen Xuxu never thought that this hypnotized son would actually say Such a name.

Lan Shanshan?

Why didn't he want her to disappear?

Also, how did she disappear?

Wen Xuxu waited for a long time before she heard herself ask: "Why? Why did she disappear?"

Huo Yin after being hypnotized: "Because... Zhou Xiuying said that she doesn't want to see me and her daughter... ..have anything to do with it, I don't want...I don't want to destroy the relationship with the Shen family, if I insist, she...she will disappear with them..."

This hypnotized teenager finally appeared in front of Mummy, like a Like a small beast covered in bruises, he finally whimpered and said this last secret.

Yes, this is the truth of his request to wash his memory.

Last summer, when he finally spoke on the phone with Lan Shanshan, Lan Shanshan finally gave up, although it broke his heart.

However, he didn't get to the point of giving up.

Until Zhou Xiuying in the capital, he didn't know where he got the news. He was with his daughter Lan Shanshan. After he was shocked and pale, she came to Huo Yin as soon as he returned to the capital.

It was very, very hot that day.

But when Huo Yin went out and saw the elder kneeling in front of him, he felt a biting cold.

Later, it was what he had just said during hypnosis.

Zhou Xiuying threatened him that if he continued to maintain that relationship with her daughter, then she would take them out of the capital so that he would never be found.

Huo Yin collapsed on the spot.

He knew he couldn't stop it, and he couldn't change it.

Because Lan Shanshan at that time had too many worries and was giving up, and with her mother's appearance, it was even more hopeless.

Huo Yin went abroad overnight and found Lu Jin.

After locking himself in a room for ten days and ten nights, he chose to forget the memories that made him so painful.

This, that's all...

Wen Xuxu sat in the movie theater dumbfounded, until the end of the movie, she didn't know, she was still staring blankly at her son who was still awake.

"Ma'am? Madam?" The

staff reminded her after seeing it.

She just woke up.

Half an hour later, in a cafe next to the cinema, Huo Yin woke up and asked Mommy while banging on the back of his head, who was still dizzy.

"Mommy, is there really no problem with the milk we bought? Why does my head hurt so much?"

"No."

Wen Xuxu looked at him tenderly.

She took out a thin and long silver needle from her body. After she reached out and asked her son to stretch her arm over, she slowly stabbed the needle at his acupoint.

“Yinyin, you have to remember that no matter how old you are, you still have daddy and mommy behind you. If you encounter something, remember to tell us, do you know?”

“I know.”

Huo Yin looked at the red-eyed man Mommy, I feel a little weird.

Why is Mommy so sentimental all of a sudden? Also, is he crying?

Is it the movie just now?

He was a little embarrassed to ask, he didn't watch the movie just now.

Are all mothers selfish?

Wen Xuxu didn't ask anything else, but after coming out of the cafe, she didn't let her son drive, but went to the driver's seat with the car key.

Seeing this, Huo Yin didn't force it.

Soon, the mother and son returned to the apartment.

“Yinyin, since you have a headache, you won't go to school in the afternoon, so you can rest at home, and Mommy will take care of your own affairs, okay?”

After returning to the apartment, Wen Xuxu went to the kitchen for her son After cooking a pot of thick white porridge, she brought it to his bedroom.

“Okay.”

Huo Yin obediently agreed.

Wen Xuxu closed the door for him and went out.

Half an hour later, Huo Yin went to the hospital where he had been treated.

“Hello, may I ask if XX’s psychiatrist is there?”

“Yes, the psychology department on the third floor.” The

nurse pointed upstairs.

Wen Xuxu went straight up with his bag.

A few minutes later, when she found the psychiatrist, she found that there were still a lot of patients in the doctor’s consultation room, and when he was seeing a doctor, he still needed to be called in one by one.

Wen Xuxu sat down in the waiting position outside and took a newspaper to read.

After waiting for about 20 minutes, Wen Xuxu stood up when she saw the door finally opened, and without waiting for the nurse to call, she directly broke into the doctor’s office.

“Hey, ma’am, you...”

“Bang!”

Wen Xuxu closed the door unceremoniously.

The psychiatrist just took a sip of water in it, and he turned around immediately after hearing the movement.

This is a very young woman. Although her clothes are a little more mature than that of a little girl, her fair and delicate skin and delicate face without the slightest wrinkles are completely the Kochi women who are walking at the forefront nowadays.

“Are you...?”

“There is a patient named Huo Yin. You are his psychiatrist, right? I am his mother.”

Wen Xuxu introduced herself generously.

The psychiatrist was immediately stunned.

Huo Yin’s mother?

God, that boy’s mother is so young? This...

He suddenly remembered that he was beaten up because of Huo Yin that day. Immediately, he was very uneasy.

“What’s the matter with you? I already told the boy that day. It’s nothing to do with me. It was Huo Yin’s fiancée who asked me to do this. Don’t come to me again.”

Wen Xuxu hasn’t spoken yet, this cowardly mouse-like psychiatrist explained it one by one.

Huo Yin’s fiancée?

Is he talking about practicing Xiling? Lian Xiling, did you cheat on Huo Yin?

Wen Xuxu’s eyes darkened even more.

She put the bag down, dragged a chair in front of him and sat down.

“I didn’t come to you because of this. I wanted to ask, what was the memory that my son asked you to erase when he came to you?”

“...”

“You’d better tell the truth. 1. I am also a doctor myself, and I know about psychology. I hypnotized him in the cinema not long ago, but he only said part of it; 2. If you hide anything, you must know that the person sitting in front of you, is the first lady of Asia, it is best to think about it.”

She neatly stated her requirements and warnings.

The psychiatrist’s pupils were trembling.

First lady of Asia?

My God, he unknowingly provoked such a big number one person?

He didn’t dare to hide it anymore, and he told all about Huo Yin’s coming here to see a doctor.

“Your son was very, very painful when he came. He said that he fell in love with the person he shouldn’t like. That was his little aunt. Their identity and the obstruction of their elders made him want to die.”

“...”

Wen Xuxu’s mind buzzed again.

She never thought that among the three children, the eldest son, the most obedient and obedient, would have such a shocking story when it comes to relationships.

That being said, the previous Lan Shanshan suddenly proposed to recognize the ancestors and return to the ancestral line, and then change the name, it should also be for this matter.

Did she figure it out?

Wen Xuxu fell into contemplation.

“Huo... Hof people?”

“Huh?”

Wen Xuxu raised her eyebrows and looked at the psychiatrist.

Psychiatrist: “Yes... It’s like this. When I hypnotized your son, I didn’t completely lock that memory. If you are also a psychiatrist, you can release it.”

“Release it?”

Wen Xuxu’s eyebrows tightened even more.

No, she didn’t want her son to be so miserable. She had seen it in the movie theater. That was the first time she saw him so miserable since he met at the age of five.

So why did she let it go?

Zhou Xiuying is selfish, can’t she be selfish?

Wen Xuxu left the hospital and then went directly to school.

In the school, Lan Shanshan, who had just started the morning class and was about to go to lunch, suddenly received a call from Wells. He said that he had been waiting for her outside all morning.

## **Returning from the Dead His Secret Lover Chapter 1903**

Is the daughter-in-law so fierce?

Lan Shanshan: "..."

Although she wanted to refuse, she still came out after hearing this after waiting all morning.

As a result, she never thought that when she came out and was about to get on the silver-gray Land Rover, she saw a familiar red Lamborghini driving slowly.

"Shanshan, where are you going? Is this your boyfriend?"

Wen Xuxu, who got out of the car, looked at the blond boy in the car with calm eyes.

There are also young girls who have already opened the door at this time and are about to get in the car.

To be honest, she was very disappointed after seeing this picture for the second time. Before she knew about it, she would have been happy for her, but after knowing it, she only felt a little chilling.

Hasn't her son done enough for her?

She had never seen him do such an outrageous thing since she was a child.

However, just because he liked it, he learned to lie to Daddy, and he followed her wherever he went.

Everyone does have the right to refuse.

But this refusal does not make you trample your hot heart on the ground, whether it is Zhou Xiuying or her daughter.

Wen Xuxu looked at her quietly: "Are you going to get in the car?"

Lan Shanshan immediately released the door.

"No...no..."

"Well."

Wen Xuxu was slightly satisfied.

After that, her eyes fell directly on the second lieutenant named Wells.

"I'm sorry, I'm the young lady of the god's family. Lan Shanshan used to grow up in our god's home. Today I came to see her on purpose. I may have to ask you to run away."

"..."

After a long time, Wells, who was in the car, looked at this lady with an elegant temperament, but the aura between her brows was indeed extremely powerful, and nodded in shame.

He left soon.

Wen Xuxu then looked at the girl who was still standing beside her, and was showing extreme anxiety and tension.

"Go to dinner? Class is over."

"...Okay."

Lan Shanshan agreed boldly.

The two were about to get into the car and were about to find a place to eat, but at this moment, a girl suddenly ran out of the campus. She was so excited when she saw them here.

"Auntie, why are you here? Didn't you tell me? I'll come to pick you up."

It turned out to be Lian Xiling.

When Lan Shanshan saw it, her little face turned pale, and she felt like she wanted to disappear from here immediately.

This morning, she didn't actually go to class much. It was too uncomfortable. Ever since she heard what this woman said in the morning, her chest had been blocked like a stone.

It left her breathless.

Lan Shanshan turned her back to this woman.

Wen Xuxu also turned her head to look over, but when she turned her head, the first thing she saw was not Lian Xiling, but the car window next to her, with a face as white as paper girl.

Wen Xuxu: "..."

"Auntie?"

“You came just right. I went to Yinyin’s psychiatrist at noon today, and he said, you asked him to restore Yinyin’s previously erased memory?”

I never thought that this aunt would suddenly ask such a sentence in public.

The smile and Mingmei on Lian Xiling’s face froze.

She looked at this aunt, and in just a few seconds, all the blood disappeared from her face.

“Auntie, I...I know what you’re talking about?”

“Really, do you want me to take you to the doctor to ask?” Wen Xuxu immediately replied coldly.

This time, this Lian Xiling couldn’t make a sound at all, she just stood there, her entire expression showed great panic, and even the roots of her neck were red.

Lan Shanshan has also turned around this time.

When she heard this, she was shocked.

“Restore memory? Lian Xiling, why did you ask the doctor to do this? Didn’t Sixteen say it? This is what Yin Yin wants to delete. Why did you ask the doctor to restore him without his permission?”

” In just a few seconds, she seemed to have changed her mind. After rushing in front of this Lian Xiling, she grabbed her collar and asked sharply.

Wen Xuxu was taken aback.

Is it so fierce?

“I...I didn’t...” Lian Xiling had lost half of his arrogance after she had done it like this.

However, when Lan Shanshan saw it, she became even more angry, because she remembered the sudden indifference of the young man to her two days ago, and in an instant, Bingxue’s cleverness came to her mind.

“You didn’t? Do you dare to say no? When I was called by the foreign minister’s wife that day, Yinyin picked me up at night. The next day, Ruoruo said, you waited for a long time that night, you saw it ” ...

“

“I see, so you want revenge, right? Let him restore his memory, and he won't block you from now on, right?”

She asked one question after another. horrible.

Lian Xiling was pressed on the spot and couldn't answer a word, her face was white and white, and Wen Xuxu, who was beside the car, was shocked for a short time.

## Returning from the Dead His Secret Lover Chapter 1904

It's just... outrageous!

Suddenly, she stood there with her arms crossed, and began to eat melons in a calm manner.

It seems that she was wrong just now. This girl, it's not that she doesn't take her son to heart, but she hides it in her bones. As soon as she encounters his problem, this tiger's strength...

Wen Xuxu suddenly remembered it in her mind. When Shen Yu's accident happened, their family's Miss Huo went to Yangon single-handedly.

Why are these women so sturdy?

“Say it!”

“Creak—”

Sure enough, Lan Shanshan, who was extremely angry, couldn't contain her anger after she didn't hear the answer she wanted, and even holding the woman's fingers made a terrifying crisp sound. .

Wen Xuxu's veins jumped suddenly.

“Okay, Shanshan, don't be angry, auntie will come out about this matter.”

She hurried over and broke her fingers apart when she was about to strangle her to death.

If she hadn't really seen her son's life and death more important than her own, would she be so excited?

Wen Xuxu comforted the girl.

Then, her eyes turned, and after her entire expression became cold, she landed sharply on the girl behind.

"Miss Lian, I will tell your father truthfully about this matter when I go back."

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

"Also, let me tell you one more thing, your marriage with Yinyin, although it was decided by our old man and your grandfather. I came down, but before the decision, I told Yinyin's daddy that everything should be based on his wishes. I asked him last night, and he didn't agree or liked you, so, After I go back, I will also ask the old man to come to your grandfather in person to explain this matter."

Now that everything has been said.

Wen Xuxu simply said this.

As soon as the words fell, Lian Xiling, who had just come over from the opposite side of her, had a black eye, while Lan Shanshan, who was beside her, suddenly turned her head to look at her, her expression full of ecstasy.

It turned out that this was the content of their mother and son's chat last night.

The stagnation in Lan Shanshan's chest finally disappeared, and she quickly lowered her eyes. She looked down at her toes, and the tears of joy almost didn't fall.

Wen Xuxu pretended not to see it.

She threw this Lian Xiling there, got into the car with this little girl, and left.

Ten minutes later, Lan Shanshan, who finally recovered from sitting in the car, found that the road outside seemed not to go to the city, but the road back to the apartment.

"Auntie, this is...?"

"Well, I suddenly remembered that Yinyin didn't have a meal at noon, so let's go back to the apartment, do you think?"

Wen Xuxu said deliberately in front.

As a result, as soon as she said those words, she saw the sitting girl in the rearview mirror looking at the watch on her wrist: "Have you eaten yet? Auntie, if you didn't say it earlier, you should go back quickly."

"Well."

Wen Xuxu smiled.

As a mother, in fact, there are no other requirements, just like their children to live a happy and happy life in the future, and it's fine if someone loves them.

The two returned to the apartment, and when they went upstairs, Lan Shanshan asked Wen Xuxu to go up first, bought some vegetables from the supermarket downstairs, and then hurried back.

In the apartment, Huo Yin heard the movement and came out.

Seeing that Mummy, who had only been gone for a while, actually came back, he said it was puzzling.

"Mummy, you..."

"Okay, I'm back, I bought a fish for steaming, Yin Yin likes it very much, and he also likes tofu, which can be braised."

The girl who ran in carrying the vegetables didn't notice the boy in the living room as soon as she opened the door, and shouted at the door.

Wen Xuxu just stood there smiling and didn't speak.

Until she saw the girl who came back with the vegetables, saw her Wen Xuxu's son, and then slammed into it as if being acupuncture.

"You...Are you up?"

"...I haven't slept again."

The boy standing in the living room, with a gloomy expression, could only reply in front of Mommy.

As a result, as soon as he finished speaking, the mummy next to him interrupted: "Yinyin, it was Mummy who told Shanshan that you had a headache, and then Shanshan became anxious and stopped eating with mummy. I'll come back to take care of you."

"..."

Lan Shanshan looked at this aunt with red cheeks, she couldn't believe that the aunt, who was the mistress of the dignified family of gods in her heart, would actually talk nonsense.

"A... Auntie, I..."

"Okay, Shanshan, come in and cook, and I'll help you? No, my back hurts a little bit, so let me move a stool and command, Yinyin, you Come here and fight for Shanshan."

Wen Xuxu commanded her son with ease.

Huo Yin: "..."

Lan Shanshan: "..."

Finally, the two of them had to get into the kitchen, and next to them, they were eating fruits on a plate, while watching their mother-in-law comfortably with their legs crossed.

It's just... outrageous!

## **Returning from the Dead His Secret Lover Chapter 1905**

If you like it, don't let it go

For a meal, it took a full hour of work to get it done because the person who started the meal was not good at it.

Huo Yin: "What happened to my mother today?"

Lan Shanshan: "...I don't know."

Huo Yin: "Where did you meet her?"

Lan Shanshan: "..."

She doesn't care about this question. Dare to answer, because, but when this aunt saw her, it was when she was going to get into someone else's car.

Lan Shanshan took up the dishes she had made with a guilty conscience, "Let's eat first, I'll talk about this later, Auntie, have dinner."

"Have you eaten?" On the

balcony, Wen Xuxu enjoyed the sun comfortably for a while. , When she heard that she could finally eat, she came over immediately.

Braised pork ribs, steamed fish, seaweed egg drop soup... There are even black pepper steak and sashimi! !

Wen Xuxu was so happy.

She sat down and watched the capable daughter-in-law serve herself soup. The old mother's heart, not to mention gratified.

"Mummy, why are you laughing all the time?"

"Ah?"

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

Wen Xuxu noticed that the son beside her had been looking at her inexplicably.

Wen Xuxu: "... " It

is still necessary to converge.

After dinner, Lan Shanshan is going to go back to school. Huo Yin is asking for leave today, so he doesn't plan to go to school in the afternoon, so he prepares to accompany Mommy.

But Wen Xuxu started to buy a ticket back after eating.

"That Yinyin, Shanshan, your father suddenly came to me, I have to go back."

"Ah?" The

two little guys were shocked on the spot.

Especially Huo Yin, there was a trace of reluctance in his eyes immediately.

"Mommy, didn't you say you want to stay here for a few more days? What can Daddy have to do with you? Is it because I can't find the clothes at home? Or without you, I won't be able to eat."

“This child...”

Wen Xuxu couldn't help crying and laughing at this little mouth.

Naturally, she didn't go back because of his daddy, but she was in a hurry to deal with his little bastard, Lianjia, and Zhou Xiuying, all had to be dealt with immediately.

When Wen Xuxu finally went out, he specially asked his son to drive him to the airport.

“Yinyin, Mommy wants to ask you something. Do you really like the girl you told Mommy you liked at the movie theater this morning? Are you sure that she is the one who wants to spend your life with you? “

“Crench...”

With just that, the car almost stopped in the middle of the road.

“Mummy, you—” The handsome young man with a blush on his ears instantly was so angry that he was almost speechless.

What's this all about, it's so good, why did you suddenly ask this question again?

However, just after a while, he suddenly found that Mummy, who had always been gentle and joking, turned her head to look at him, her expression became very serious and serious.

“Mummy is not joking with you. Mommy married your father at the age of 18. At that time, Mommy's life had just begun, and a great future was waiting for Mommy.”

“But, I heard that you can marry Your Daddy, Mommy still chose to marry without hesitation. This is the confirmation. Yinyin, in one's life, people will make many decisions, including life-long events. Mommy thinks, if you really recognize her, Then don't let go, sometimes, too many worries will often cause regrets for your life.”

Wen Xuxu solemnly reminded again.

Of course she couldn't tell him that she had hypnotized him and already knew everything about him. In this case, as a child with strong self-esteem, he would be embarrassed.

Moreover, she hoped that he could use his own method to retrieve the lost things step by step.

Huo Yin really didn't make a sound.

He looked ahead, as if thinking about what Mommy said, thinking... When

Wen Xuxu saw this, he didn't bother, but took out his mobile phone and sent a message to his daughter and them, telling them that she wanted to back home.

【Ruoruo: Mommy! ! Didn't you say you were going to stay for two days? Why did you leave? 】

As soon as the little girl heard the news, she cried on the spot.

Seeing this, Wen Xuxu quickly comforted him.

[Mummy: I'm sorry, I'm sorry, Ruoruo, Mommy is really in a hurry to find your father, don't worry, Mommy will come to see you when you have time. ]

[Ruoruo: Woo~~]

[Sixteen: Okay, don't cry, the school will be closed for Easter in April, and I will take you back then. ]

[Ruoruo:!!! ]

The little girl immediately burst into tears.

Wen Xuxu couldn't help crying and laughing while watching this, but after seeing this scene, she was still very relieved, because she saw that her daughter was pampered on the top of her heart.

Wen Xuxu left the city.

That night, when everyone returned to the apartment, they unexpectedly found that Lian Xiling had not returned.

Ruoruo: "Why didn't Sister Ling come back? Is there something wrong with her?"

Lan Shanshan didn't answer, and continued to do her own thing.

As for Huo Yin, he wouldn't even care about this topic. He was peeling green onions in the kitchen. With his long and well-proportioned fingers, he placed the emerald green onions behind his fingertips, as if he was looking at a work of art.

## Returning from the Dead His Secret Lover Chapter 1906

To be a good boy who listens to his mother

Lan Shanshan also glanced at it several times.

She was a little surprised. Why did this guy suddenly come to help her again? Could it be because his mother told him when he left? Want to help her?

“Crack!”

Suddenly, there was a small sound.

Lan Shanshan immediately turned around and found that this guy was actually standing by the pool. He had torn the green onion into two pieces for such a simple task.

Lan Shanshan: “...”

Huo Yin: “...”

“If you want this, I’ll teach you.” The

white and delicate girl’s fingers were so fascinated, she took the green onions from the boy’s hand. In the past, and then very patiently taught him how to strip her.

Huo Yin looked down.

He didn’t expect that she hadn’t kicked him out of the kitchen. After he loosened his body, he lowered his eyes, his eyes did not fall on the two onions, but locked on the tip of the girl’s little nose. Small beads of sweat.

Crystal clear.

Like the grass dewdrops bathed in the sun in the morning.

“Okay.”

Lan Shanshan finally finished peeling, she handed it to the man and looked up at him.

However, he found that just by raising his head like this, there was a trace of unnaturalness on this guy’s face, and he immediately turned his head to look elsewhere.

Lan Shanshan: “...”

After that, the two didn't speak in the kitchen until the meal was ready.

Outside, if Ruoruo finally figured out why Lian Xiling didn't come back, it turned out that she would also be in the country.

"Why so suddenly? He left without saying a word, without even saying hello to us." She was a little dissatisfied and couldn't help complaining there.

Lu Jin came over, reached out and rubbed her little head, and dragged her to the dining table.

"Don't worry about these things, eat quickly. After eating, I will take you down to play for a while."

"What to play?"

As soon as she heard that she had fun, the little girl's attention was indeed attracted.

Lu Jin gave her a card. It turned out that a new e-sports room was opened nearby. When Lu Jin came back, he saw it and bought a card.

If Ruoruo saw it, her eyes seemed to be bloodied.

Immediately, she finished cooking as quickly as possible, ran upstairs to change into a set of light clothes, and pulled out the door.

"Sister Shanshan, and brother, do you two want to go there?"

When she went out, she did not forget the other two people inside.

And when calling Lan Shanshan, she also remembered what Mommy said, and instead of calling her little aunt, she called her sister.

Huo Yin was silent.

But when Lan Shanshan heard it, she immediately refused: "I won't go, I'm going to walk the dog later."

Ruoruo: "Okay, what about you, brother?"

She looked at her elder brother.

As a result, her brother also immediately said: "I'm not free, I have something to do at night." There is

something to do.

What else can happen? Don't you stay at home and play games?

Ruoruo finally left with Lu Jin.

As soon as they left, the apartment was much quieter. Lan Shanshan cleaned up the dishes, and Huo Yin went back to the bedroom. When Lan Shanshan finally finished cleaning up, she suddenly seemed to hear a dog barking downstairs.

"Little Lotus?"

Lan Shanshan was so frightened that she immediately rushed down.

But I found out that it was a passing child who was throwing stones at it after seeing a dog here.

"What are you doing? How can you smash it?" She was so angry that she rushed over to protect the dog and scolded the child.

However, after seeing her, the child didn't apologize, made a face at her, and ran away immediately. The angry Lan Shanshan almost didn't swear.

What are these children.

Lan Shanshan hurriedly looked at the dog in her arms.

"God, little lotus, you're bleeding, you're injured." Her face changed completely, and she was about to cry when she saw the blood dripping from the dog's head.

"Yinyin? Yinyin?"

She raised her head and shouted up with a cry.

The voice fell, and immediately, the upstairs window opened, and a handsome boy with a pair of headphones around his neck appeared above.

Lan Shanshan looked at him with red eyes...

Twenty minutes later, at a nearby pet hospital.

"Ma'am, your dog is not registered, we can't treat it, if you want to see it, you have to take it for chip registration, fill in the information, and the pet system on my side can scan it before you can give it to you. Your surgery."

Never expected that after the two brought Xiaohehua here, the doctor refused treatment because Xiaohehua was not registered.

Little Lotus is indeed not registered yet.

It has only been less than two months since Lan Shanshan came here, and the city's work efficiency is particularly low. She has been queuing for Xiaolihua from the first day she came, and she has not been on her turn yet.

Lan Shanshan was about to cry when she looked at the dog that was not moving much.

"Yinyin, what should I do?"

"Don't worry..."

The teenager standing next to her only said this lightly, and then he walked towards the doctor.

Not long after, when he came out again, Lan Shanshan was shocked to see that her little lotus had been pushed into the operating room at an unbelievable speed.

"You... how did you get her to agree? Didn't you say you need to register?"

"Oh, I re-edited his broken system, just enter Xiao Lotus's information."

The young man was expressionless Sentence back.

Lan Shanshan: "... It's

like five thunders!

That is the pet registration system of the entire Y country. He actually said that it was re-edited in an understatement?

The wicked complain first

Xiaohehua's head was finally stitched several times, and it was almost twelve o'clock when she came out of the veterinary hospital.

Lan Shanshan took the dog and wanted to take a taxi back, but when those taxis saw the two young people in the middle of the night and brought a dog, they were unwilling to take them.

No way, in the end, the two of them swept a bicycle and came back.

The little lotus sits on it.

Two people are walking, really no one.

“Yinyin, I’m so tired, I can’t walk anymore.” Because she had been supporting the dog behind and had to maintain that posture, Lan Shanshan couldn’t hold it anymore, and she called out in grievance.

The voice fell, and the boy pushing the car in front stopped.

“You go up.”

He looked back at her and said lightly on the street in the dead of night.

Lan Shanshan: “Ah? I...I’m going up? Then...what about the little lotus flower?”

Huo Yin: “...hold!” Remembering the website address

, his tone finally got a little ups and downs, like very helpless look.

Only then did Lan Shanshan react.

She glanced at this guy very embarrassedly, her ears blushed and quickly climbed onto the bicycle, holding her little lotus flower, not to mention how happy she was.

“Yinyin, is that... heavy?”

“...not heavy.”

“Oh.” The

girl’s pretty face became even more radiant.

That night, the two and one dog returned to the apartment so sweetly, and the most unbearable thing was that the little lotus was actually beautiful and did not act like a demon, so she sat obediently in the arms of the hostess.

When the hostess is happy, so is it.

---

Domestically, Guanhaitai.

When Wen Xuxu returned home, it was already late at night, and Huo Sijue personally picked it up.

As soon as she came back, before she even entered the house, she started talking to this man.

“Brother, the marriage between Yinyin and Lianjia is going to be cancelled!”

“Doesn’t he agree?”

Huo Sijue is indeed a smart person. Hearing this, he immediately thought of this question.

Wen Xuxu nodded.

“But it’s not only this problem, that Lian Xiling is also a big problem. I don’t know if I don’t go. After I went, I found that she was actually hurting Yinyin in order to achieve her own goal.”

“What did you say? Hurt?”

These words were a bit serious, so that after the man stopped, he stopped immediately, and his eyes became very gloomy.

Wen Xuxu said all the things that were about to happen in Atlantis.

Huo Sijue’s face became uglier the more he listened.

“This matter, I think, even if there is no Lan Shanshan’s past, it is difficult to guarantee that such a thing will not happen in the future when they get married. I understand a woman’s jealousy, but this is not the reason for her to harm others. Do you still remember Luo Yu? She stole you from me because she was jealous of me. She knew that you were not in good health, but she forcibly hypnotized you, changed your memory, and caused you great damage.”

“The current Lian Xi Ling, similar to her.”

When Wen Xuxu said this, he was very, very angry.

Because, how much she hated Luo Yu back then, how much she hates seeing such a person now.

Jealousy, really can't be the reason for you to hurt others, otherwise, Lan Shanshan sees her with Yinyin, she is not jealous? Aren't you sad? Then why didn't she do anything to hurt her to practice Xiling?

Huo Sijue's handsome face was so cold that water dripped from it.

Seeing that his wife was so angry, he brought the water in front of her and patted her on the shoulder, saying that he would handle the matter himself.

Then, at twelve o'clock, he turned around and went to the old man's room.

...

the next day.

The old man who got up early in the morning was really angry and was going to practice his home.

Unexpectedly, he hadn't even gone out yet. An army green jeep had already arrived outside. After a while, an old man with gray hair came in with a livid face carrying a crying little girl.

"Old General, I finally saw you, I'm really sorry, this evil barrier in our family is not a thing, I will send her to you today, kill or cut whatever you want!"

Leaving A big spectrum.

This old man turned out to be the old man of the Lian family. He actually came to apologize early in the morning with Lian Xiling, who had also rushed back yesterday.

Shenzongyu was stunned on the spot.

And Wen Xuxu's face became very gloomy early in the morning after seeing it from behind.

This little girl is really kind.

After the incident was exposed, she knew that she definitely didn't have any good fruit to eat, but when she came back, she also came back, and came to plead guilty early in the morning.

Wen Xuxu's eyes became colder and colder.

But because of Shenzongyu's presence, in the end, the grandparents and grandchildren still came in Guanhaitai, and when they came in, the Lianjia old man threw Lian Xiling in front of Shenzongyu with his hands.

“Dong——”

“Ah!!”

A muffled sound.

On the spot, this practice Xiling screamed in pain.

Old Master Lian: “What’s your name? If you did something wrong like that, what’s the point of calling it? Let me tell you, even if the old man beat you to death today, you deserve

it !” wasted.

## Returning from the Dead His Secret Lover Chapter 1908

The marriage cannot be voided

After all, Shenzongyu has been a person who has galloped and killed enemies on the battlefield all his life. He will not even frown with a hard knife and a gun, but now this former subordinate has made such a bitter trick.

He was a little undecided.

“This...this...”

“Master Lian, this matter, as I see it, you are a bit serious, our God’s father will definitely not do such a thing to a junior, you should take yours first. Help your granddaughter up.”

Wen Xuxu came out.

She interrupted her old man’s words, and after standing generously in front of everyone in the hall, she quickly replied the words.

The old man of the Lianjia was scolding vigorously. Hearing this, he raised his head and glanced at it.

All of a sudden, my heart “squeaked”...

Isn't this the old general's granddaughter-in-law? She is also the current mistress of the family of God. I heard that she is a powerful character. This time his granddaughter had an accident at the school because this woman discovered it in the past.

The old man Lianjia had a bad premonition.

"Old General, is this your granddaughter-in-law?"

"Yes, yes, that's her."

Shenzong Yuzheng had a headache. Hearing this, he nodded wildly, as if he had grabbed a life-saving straw.

Unexpectedly, as soon as he finished speaking, the old man who practiced immediately dragged his granddaughter on the ground, and threw her in front of Wen Xuxu with a "pop".

"Did you see? This is your future mother-in-law, you bastard, what do you think you are not good at learning? You have to learn to hurt others, if your mother-in-law has passed, you..."

"Wait a minute!"

Wen Xuxu really Unable to listen, she stopped him.

"Master Lian, it's like this, first, our two families haven't become in-law yet, it's inappropriate for your granddaughter to call me that; second, we may have to cancel this engagement, I'm sorry, but I didn't have time to inform you."

She said regretfully.

Immediately, after saying this, whether it was Lian Xiling on the ground or this old man, his face immediately turned pale and bloodless. "Cancel? Why cancel? Did I hear it right? Old general, the marriage contract between our two families, but when you found me to make a deal, I didn't dare to ascend to your god's family at first

!"

He aimed at Shenzongyu again, and his tone was a lot excited at once, with a little questioning meaning.

Shenzongyu was speechless when asked, his old face even more flushed.

"Yes, yes, I found you first."

“Yes, then why cancel it now? Old general, you can’t bully people like this. Although I am your subordinate, this is not good for the child. To be fair, now all the relatives in the family know that my child will be the great-granddaughter-in-law of your god’s family in the future, and you suddenly want to regret the marriage, how can the child have the face to live in the future?”

Good guy.

This old man actually even said the words “can’t live”.

Wen Xuxu couldn’t help but inquire about the people around him: “What kind of position did he follow the old man before?”

“Grandma Sun, I heard that she is a staff officer.”

Someone told her.

Staff?

No wonder it’s so awesome.

Wen Xuxu once again saw that their old man was choked with guns and sticks, his face flushed.

“Sophisticated, don’t get excited, this matter I... I...”

“Master Lian, you can’t be kidnapped so morally, can you? Now is not the age of arranged marriages. When our father went to find you, he didn’t say anything, right? I remember when my father mentioned it to me, I Having said that, the child must agree to this matter in the end, otherwise it will not count.”

Wen Xuxu answered this question in place of her father again.

When Shenzongyu heard this, he immediately nodded: “Yes, Xuxu did tell me that.”

“But you didn’t tell me that. You said that you liked my granddaughter and said she was good-looking. She has a good character and is your favorite candidate for Zeng’s daughter-in-law!!”

Unexpectedly, if Shenzong Yu finally plugged in, he was immediately refuted by the old trainer.

He distinguishes, and does not admit that Shenzongyu told him that at the time!

Shenzongyu did something stupid.

Wen Xuxu softened his tone a bit: “Master Lian, if this is the case, it is indeed our master’s fault. In this way, in order to compensate you, our God family can give you a sum of money, how about it?”

“Money?”

This old man’s face is so angry!

“Grandma God, do you think this matter can be solved with money? Do you think that if your family has money, everything can be settled?”

“ . . . ”

He was so reckless that he couldn’t even say such a thing. said it.

Wen Xuxu’s face was ashen on the spot.

He wanted to fight back, but at this moment, a man with a straight posture finally came down from the upstairs.

“Since that’s the case, then it’s official business, Adjutant Shen, go to Country Y to check, what exactly did his granddaughter do at school? After checking it, put it in front of the two families, and let them evaluate this theory and see. Can this engagement continue?”

He walked out of the elevator slowly, and two cold gazes swept across the grandfather and grandson. Immediately, the temperature in the hall seemed to drop a lot.

## **Returning from the Dead His Secret Lover Chapter 1909**

What’s the shameful thing about the two of them?

Huo Sijue?

The old man’s arrogance disappeared in an instant.

He looked at the man who appeared in a panic, and in just a few seconds, he no longer had the confidence to be arrogant.

Are you going to put it in front of the two families?

That's not whether the marriage contract can continue? But Lian Xiling is afraid that no one in the entire capital will dare to marry him in the future, and their Lianjia is even more discredited!

The old man had no face to entangle any more.

Seeing this, Shenzong Yu was also kind. After seeing the old man's face turned pale and pale, he thought that he was at fault in the first place.

He stood up.

"Okay, veteran, I'm also responsible for this matter. Now that the child doesn't agree, let's cancel the engagement. In order to express my apology, how about letting your grandson enter the Lu Department? He Didn't you always want to go in?"

"..."

This is really sincere.

It not only gave this old Lianjiao man a chance to go down the stairs, but also gave their Lianjia descendants a chance to rise to prominence.

Sure enough, Old Man Lian was satisfied, and he was going to take his granddaughter back.

But just as he stepped forward, Lian Xiling, who fell on the ground, saw that her matter was completely stale, and she actually went crazy!

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

"No! It's not like this, I would do something like that, not because I'm jealous, but because the two of them really have problems. That Lan Shanshan, as Huo Yin's aunt, covets Huo Yin. , has been pestering him, she is shameless first, I will do that and protect myself!!"

She screamed loudly, and her whole person looked a little hysterical.

Lan Shanshan?

In an instant, as soon as these words fell, everyone in the hall was like a thunderbolt. They stared at this woman and couldn't believe what they heard.

how can that be? That's nephew!

Shenzongyu also changed his face instantly.

“What did you say? I warn you, just now for your grandfather’s sake, I’ve already let you go. If you want to talk nonsense in black and white, be careful that I’m welcome.”

He glared at the little girl angrily . roared.

The same goes for the old man.

He reached out and dragged her over to shut her up!

“You bastard, do you think you’re not ashamed enough? You have to make a lot of shit here.”

“I didn’t, it’s true, and Lan Shanshan herself admitted it to me. She said it, she recognized it. Ancestor Guizong, I also changed the name for you, just to have the opportunity to marry into your god’s family in the future, if you don’t believe me, you can ask her!”

Lian Xiling screamed and continued to use a revengeful way to put these All shook out.

The hall was silent again.

Shenzongyu was sitting there as if something had been hammered heavily in his head, and his whole face was filled with a layer of fearful anger.

Identity, reputation, etiquette, righteousness and shame...

Yes, this person who came from the feudal era is the most concerned.

Wen Xuxu saw that something was wrong, she was shocked and angry, and finally rushed over to Lian Xiling, who was still laughing and schadenfreude, and slapped him down!

“Crack—” The

crisp slap sound was particularly loud in the silent hall.

Lian Xiling was beaten up.

She covered her face and looked at the person who beat her in disbelief, “You—”

“This slap is to educate you well for your family. If you don’t get it, you will be destroyed. Your mother gave you a mouth, but it is not human words. How did your mother teach you?”

”!”

Another voice.

The furious Wen Xuxu slapped her backhand in front of everyone in the living room.

“This slap is to remind you that my god’s family matters, what’s your business? The White House doesn’t dare to care about my god’s family’s affairs. How old are you in training? It can make you disappear directly!”

She grabbed her collar and said so condescendingly, at this moment, everyone felt the powerful aura of the mistress of the god family.

It was also after she destroyed the lineage of Shu Jingzhai of the Shen family that she reproduced such a thunderous artifice.

Yes, when I usually see her with a mild temper and kindness, I almost forget that this woman is not a delicate flower, she is the first lady of the royal family that even the White House is afraid of.

Lian Xiling was slapped to the point of being completely speechless.

She looked at this lady who had suddenly become so terrifying with horror, and her whole body trembled violently in her hands.

“Young... young grandmother, it’s Linger who is not sensible. Please forgive her if you have a lot.” The

old man Lian also woke up, and hurried to his granddaughter’s side, begging bitterly, and was about to kneel before Wen Xuxu .

Wen Xuxu was too lazy to look at him.

Those lingering anger eyes swept around the hall. Seeing the people around here, except for the man who had already sat down on the sofa with long legs crossed, it seemed that she was not surprised by her actions.

The others were still looking at themselves dumbfounded.

She sneered: “But it doesn’t matter, since you have said it all, then I will answer your question. That’s right, the Shen family and the Lan family are going to prepare for marriage in the future.”

“Xu Xu—”

As soon as these words came out, Shenzong Yu stood up on the spot in shock.

## Returning from the Dead His Secret Lover Chapter 1910

Lonely people often need light more

“What nonsense are you talking about? The marriage between the Shen family and the Lan family? What is the Lan family? Brat, you don’t care about your daughter-in-law? You let her talk nonsense here?”

“

However, what makes the whole hall feel weird is that this man seems to be very, very calm, as if he had expected his wife to say so. “Where is she talking nonsense

? Is there something wrong with this?” Shenzong Yu is about to explode. “Do you think there is a problem? She Lan Shanshan is Shenrong’s daughter. She and Yinyin were aunts and nephews in Shen’s family. Now they are going to marry. Isn’t that incest?” shouted out. “Clang!” In an instant, he was also angry when he saw Huo Sijue sitting on the sofa throwing the teacup in his hand on the coffee table. “What incest? Are they related by blood? That’s what you said. I was raised by Huo Yanying. Huo Yanying is about your age. Now I want to call you grandpa. It’s a mess.” “You -” Shenzong was half-dead with anger. In the end, it was Adjutant Shen who came out. When he saw that the old man was so angry, he quickly persuaded: “Old man, please help you go back to rest first. Let’s talk about this later.” Until the old man who had been rolling his eyes helped him away. As soon as the old man left, the hall became much quieter. The old man of the Lianjia raised his head, thinking that after this old man’s troubles, they had hope again. Unexpectedly, as soon as he raised his head, two very cold gazes swept over from the sofa opposite. Suddenly, his scalp went numb again, and he couldn’t say anything.

“Lian Zhiqiang, we’ve said everything that needs to be said. I hope you are a smart person and won’t do anything that makes me unhappy.”

He was actually very straightforward.

The old trainer shivered again.

What is he unhappy about?

Of course, it's the continued entanglement of their trainers, and the fact that they go out and talk nonsense.

But on the latter point, Wen Xuxu is not afraid, because in her opinion, if there is no blood relationship, getting married is no big deal. In this world, the kind of relative relationship that is only in name will eventually become Are there still few couples?

Moreover, even the law is allowed, she doesn't understand why those old feudalists can't think about it?

Wen Xuxu went upstairs, and when she saw Huo Sijue coming up, she asked, "You don't seem to be surprised at all about this, you already know about your son?"

Huo Sijue: "... ..."

I don't know.

This chapter is provided by [naijdate.com](http://naijdate.com). Visit [naijdate.com](http://naijdate.com) for daily update.

But it was vaguely felt.

Especially when he went to Ya'an, this stinky boy even went to the police station because he lost his temper and destroyed public property, which made him even more suspicious.

Huo Sijue took the cup, went to the water dispenser, and poured himself a glass of water.

"I just didn't expect him to be so bold."

"Bold?" Wen Xuxu frowned.

"That's not bold, it's because my son lacks a sense of security. He has been withdrawn since he was a child. Unlike Mobao and Ruoruo, he is lonely and sensitive. Most of the time, he likes to immerse himself in his own world, which makes him very safe."

Wen Xuxu analyzed it patiently.

Huo Sijue listened and nodded: "Then what? Since he likes being in his own world, why would he let this Lan Shanshan enter his world?"

"Because Shanshan has been very kind to him since she was a child, she is very careful, have you forgotten? One year, the old man gave red envelopes to the children during the Chinese New Year. Maybe because he didn't have that kind of red envelope anymore, he was given an ordinary peace, welfare or seal."

“Later, Yinyin was unhappy all night, he was very sensitive, because the great grandfather was just for him. It’s different from other children. And I was too busy at the time, so I didn’t even notice it. Later, Shanshan ran out and bought him a red envelope like this, and lied that it was given by my great grandfather. Yinyin is happy.”

Wen Xuxu told this story.

In fact, many years have passed since this incident. At that time, Huo Yin and the others were about seven or eight years old.

However, she still remembers it so clearly, not for anything else, but for the little girl who was only in her early ten years at the time. She not only knew Huo Yin’s thoughts, but also went out and bought him a red envelope.

How can people not like such a child?

Huo Sijue also fell silent.

Indeed, as a child, he will be better off with a caring and loving girl by his side.

“Then what are you going to do? Do you really want to announce your marriage to the Lan family now?” At the end, he could only ask this question, because in the marriage of his children, he was only the executor.

Leading, of course, is the wife.

Sure enough, as soon as he finished speaking, he saw Her Lady Queen shook his head.

“Don’t worry, I’m going to go to Zhou Xiuying. Yinyin fell ill again in country Y because of her, and even went to a psychiatrist to erase his memory. I want to ask her what happened. ?”

She suddenly became colder and said with a hint of anger.
