

## Secret Love 1751

### Chapter 1751: We're reporters

"Your creditor." Third Elder released a dark chuckle.

"My creditor?"

Huang Mingkun sounded surprised. *When did I have a creditor...?*

Before Huang Mingkun could figure it out, Third Elder turned to an elite member and ordered, "Kick the door open!"

The elite member kicked obediently.

A loud bang was heard a second later, and the door to the presidential suite was kicked open.

Behind the door, Liang Meixuan and Huang Mingkun were scrambling to dress with panic on their faces.

"Film it! Film everything! Photos, videos, everything!" Third Elder commanded at once.

All the Fearless Alliance members, including Seven Star and Big Dipper, swiftly took out their phones and started madly taking photos.

"You... Where the f\*ck are you from? What's your objective?!" Huang Mingkun harshly shouted at Third Elder.

Third Elder didn't answer him at all and jeered instead. "D\*mn! Truly d\*mn! The Ye family's Steward Huang and... isn't this the Ye family's Madam Liang, Liang Meixuan...?"

"Sh\*t! A big scoop!" Big Dipper hastily dashed forward and pointed at them.

Liang Wanjun's expression wavered between red and white.

Who in the world were they and why had they stalked them...? To blackmail them or...

"You're asking for death!" Huang Mingkun harshly glared at Third Elder.

"Asking for death?" Third Elder darkly chuckled. "Huang Mingkun, you, a steward of the Ye family, actually has this kind of illicit affair with Liang Meixuan. I wonder who's asking for death... These are entertainment reporters, so you can wait for your death!"

"Entertainment reporters?"

Huang Mingkun and Liang Meixuan's expressions simultaneously changed when they heard that.

If these people really were entertainment reporters and their affair was exposed, the consequences would be inconceivable!

This would have an enormous impact on not only them but also Emperor Sky Entertainment and Ye Yiyi...

"Who the heck are you?!" Huang Mingkun stared at Third Elder.

He could swear to the heavens that he absolutely didn't know this elderly man and had never seen him before...

"Who am I?"

Third Elder snorted. "Huang Mingkun, don't you remember the extent of money you lost when you gambled at our casino previously and how you haven't paid it off yet? Not only that, but you borrowed a large sum from our company then decided to go missing on us? Repaying debts owed is a principle of this world... What, don't you know this?"

Third Elder had been following Huang Mingkun lately and knew Huang Mingkun had a fond love of gambling and often went to gamble almost every other day. Additionally, he owed quite a bit of money to one of the casinos.

"You..." Huang Mingkun looked at Third Elder. He did owe a few casinos money, but which casino would be so tactless and dared to make trouble for him?

"What? There's nothing we can do about the fact that you owe us money, so we had no choice but to lead these reporters here to expose you. Tsk tsk, I didn't expect you to take such a gamble and get yourself mixed up with Madam Liang!" Third Elder mocked.

"Take more photos! This is a giant scoop and it's an exclusive... Emperor Sky Entertainment and the Ye family is going to be the talk of the country!" Big Dipper exclaimed.

"Whose reporter are you?! Do you all want to die?!" Liang Meixuan maliciously questioned while pointing at Big Dipper.

### **Chapter 1752 Fm just someone else's employee**

"Eh? You're threatening me? As a reporter, my job is to publish facts! What, should I be scared of you? What could you possibly do to me?" Big Dipper said derisively and

pointedly snapped a few more photos of Liang Meixuan with his phone after saying that. 0

"Huang Mingkun, will you pay us the money you owe us? Don't say I didn't give you a chance: Third Elder looked at him intently.

Before Huang Mingkun could say anything, the elevator door opened and four to five

hotel staff members walked out.

The hotel staff swiftly rushed over and shouted at Third Elder and his group, "Who in the world are you? We've already called the police!"

"Called the police?" Third Elder snorted. "I'm glad you called the police! I'd like to see who will end up worse off:

"Call the police? Call what police? Who told you to call the police?!" Huang Mingkun broke out into curses while pointing at the hotel staff.

If the police really came, there really wouldn't be any leeway left... These people's charges wouldn't be enough to warrant a detainment, but this affair

involving him and Liang Meixuan would definitely be divulged and photos and videos would be...

Sweat drenched Huang Mingkun's body. They absolutely couldn't call the police!

"Mr. Huang... Madam Liang... This..."

The hotel staff looked at Huang Mingkun and Liang Meixuan with incomprehension.

This is unrelated to you. Scram: Huang Mingkun ordered while impatiently waving his hand.

"Um... Alright then. We probably didn't obtain a clear understanding of the situation. Our sincerest apologies for disturbing everyone:

The hotel staff could only leave.

After they left, Third Elder looked at Liang Meixuan and Huang Mingkun and mockingly said, "Steward Huang, Madam Liang, this way, please... Well go see our boss and discuss whether Steward Huang will pay back the money or have these reporter friends expose your affair:

Huang Mingkun gnashed his teeth. "Get out first and let us finish dressing:

Third Elder nodded. "Sure, well wait until you're dressed. Remember not to play any tricks:

Third Elder then led everyone out of the room.

A moment later, Huang Mingkun and Liang Meixuan walked out of the presidential suite, neatly dressed.

"Heh, Steward Huang, Madam Liang, let's go: Third Elder chuckled darkly.

"Which casino are you from? How much money do I owe you? I'll transfer the amount directly to your boss, so I wont be coming with you: Huang Mingkun retorted coldly.

As he was the steward of the Ye family, Huang Mingkun naturally wasn't an idiot. He didn't know these people's identities at all, so he couldn't believe them based on their mere word alone.

Seven Star and Big Dipper met each other's

eyes. This old thing wasn't too stupid... Wouldn't Third Elder's scheme be useless then...?

However...

A second later, Third Elder held a dagger to Liang Meixuan's neck and smiled. "Steward Huang, Madam Liang, Fm just someone else's employee. Its difficult to say what might happen if you two wanted to make things hard on me..." 0

Seven Star: "... " Big Dipper: "... " All their doubts dissipated...

"Y-you..." Liang Meixuan's face turned ashen, and she didn't dare to move a centimeter.

"What about me? Let's go:

Third Elder smiled and pushed Liang Meixuan and Huang Mingkun into the elevator.

After leaving the hotel, Big Dipper and Seven Star entered their rented vehicle like chicks.

### **Chapter 1753 Interested**

Third Elder led Big Dipper and Seven Star into the same vehicle while the remaining elite members were separated into several cars and followed behind them. 0

“Just... just who are you?!”

A foreboding feeling enveloped Huang Mingkun as he asked Big Dipper and Seven Star.

“Didn’t we tell you who we are? Entertainment reporters;’ Big Dipper countered with a chuckle.

“Impossible!” Huang Mingkun shook his head. You absolutely cant be reporters!”

“Oh... How are you so certain we aren’t reporters?” Big Dipper was curious. His acting was clearly fine, so how could this old thing see through it?

“I’ve never seen reporters shooting photos with their phones!” Huang Mingkun snapped.

A realization dawned on Big Dipper. All of them held phones the whole time after entering the room...

They had acted a bit unprofessional! Darn!

Not bad, old thing. You’re kind of clever!” Big Dipper praised with a snicker.

Liang Meixuan’s face turned ashen. What were these people’s intentions? Did they want to extort money?

It wouldn’t be too troublesome if they just wanted money...

“Just what do you want? Where are you taking us? Do you want money or something else?!” Liang Meixuan asked them.

Big Dipper looked at her with irritation. “Stop asking questions. You’ll find out when we get there:

Soon, the car stopped in front of a remote cabin.

Seven Star and Big Dipper each grabbed a person and threw the pair into the house.

Soon, elites from the Fearless Alliance also arrived.

Inside the dim room, Liang Meixuan and Huang Mingkun’s limbs were all tied.

“Heh... I invited you two here today merely to ask something: Third Elder sat down on a sofa and looked at the tied-up pair with a smile.

“What... just what do you want? If you want money, name a price!” Huang Mingkun shouted fiercely.

“Money?”

The corners of Third Elder’s lips curled into an icy smile. To be honest, Brother Huang, I really don’t lack money. I already told you

that the reason I invited you two here today is simple. I simply want some useful information from your mouths:

Huang Mingkun and Liang Meixuan met each other's eyes. An ominous feeling continued to creep into their hearts for some reason.

These people looked very foreign to them, so they definitely hadn't seen these people before but these people went through such great efforts to abduct them here... Just

what information did they want...?

"I'm telling you... We have a good relationship with higher-ups in Hongxing Gang. You must've heard of Hongxing Gang, right... I think we must have some

misunderstandings between us. Tell us any demands you have. If this matter escalates too much, it won't go well for not only us but also you:

Huang Mingkun turned to Third Elder and tried to negotiate in a friendly manner.

"Heh... We don't know the Hongxing Gang you're referring to nor are we interested in knowing about them. Instead, we're rather interested in the death of Madame Liang's husband, Ye Shao'an," Third Elder said in good humor.

The pair's expressions instantly changed.

#### **Chapter 1754: Professionalism**

Back then, Ye Shao'an was killed because of Huang Mingkun and Liang Meixuan, and they successfully framed Ye Mufan and Ye Shaoting for his death.

If someone else learned about this matter, the consequences would be too horrible to contemplate.

"Ye Shao'an was killed by Ye Shaoting and Ye Shaoting's son, Ye Mufan. Everyone knows this! What's there to question?" Huang Mingkun replied calmly.

"Ah... I see."

Third Elder nodded. "Then there's not much to say. I'm not afraid to tell you that I didn't plan to release you alive after abducting you here today. If you tell me, you'll die. If you don't tell me, you'll still die."

Big Dipper furrowed his brows. Third Elder was dumb, right...? If they died whether they told the truth or not, why should they say anything? If it were him, he wouldn't say it.

"The only difference is that if you tell me, you'll be executed by the law and might be able to cling onto your lives for two more years in prison... But if you don't tell me..." Third Elder donned a malicious smirk as he looked at the pair. "I'll show you what viciousness is..."

"Who sent you here?!" Huang Mingkun stared at Third Elder intently.

"That's easy. You've probably guessed that... it's Ye Wanwan who sent us here."

*Ye Wanwan?!*

Liang Meixuan and Huang Mingkun's expressions drastically changed.

*Didn't Ye Wanwan go missing...?*

"I won't lie to you, but Ye Wanwan has offered a large sum of money to obtain information from your mouths... If we can't get anything, there's no need for you to live," Third Elder said.

"Brother... How much money did Ye Wanwan give you...? Tell me, and I'll give you double—no, triple!" Liang Meixuan hastily interjected. "I'll give you triple the price for you to release us! Then I'll pay you another sum for you to kill that d\*mn b\*tch, Ye Wanwan!"

Big Dipper leaped up from the sofa instantly and marched toward Liang Meixuan. Before she could react, Big Dipper ruthlessly backhanded her face twice.

Blood dripped from her mouth, and surprise was apparent in her eyes as she looked at Big Dipper.

"Motherf\*cking dogsh\*t! We're professionals and have professionalism! I'm telling you, hurry and tell us! Don't make it hard on us!" Big Dipper ordered viciously.

"It's Ye Wanwan's family who killed Ye Shao'an! What's there to ask? The answer is the same no matter how you ask the question!" Huang Mingkun shouted furiously.

Liang Meixuan and Huang Mingkun knew very well that they couldn't reveal the truth of the matter no matter what or else they'd die without a doubt!

If these people were telling the truth and they'd die whether they said anything or not, why would they say anything?!

"Heh, nice. Truly tough nuts to crack... Unfortunately, there are heroes and good men with tougher backbones than you, but I can crack them no matter how hard the bone!"

Third Elder then turned to the elites nearby. "You don't need me to tell you what to do, right?"

"Yes!"

The Fearless Alliance elites immediately hung Liang Meixuan and Huang Mingkun from the beam that ran underneath the ceiling.

"Remember, you can't allow any wounds, internal or external, to appear on Liang Meixuan and Huang Mingkun's bodies! Otherwise, even if they confessed, they could refute it, claiming their confession was extorted under torture and that would be a hassle."

### **Chapter 1755: Plenty of experience**

Third Elder reminded the Fearless Alliance elites.

"Don't worry, Third Elder... It's not our first time doing this kind of thing; we have plenty of experience," an elite replied with a joking tone.

Big Dipper couldn't help but give Third Elder a thumbs up. Third Elder truly didn't rely on luck to make his way up to an elder position back then; his techniques and courageousness alone were superior to an average person's.

For the next several days, Liang Meixuan and Huang Mingkun were tortured to an inch of their lives by the Fearless Alliance elites, and their psychological defenses were on the verge of collapse. The elites didn't hit or curse them, and there wasn't a single wound on them, but the torment they suffered was indescribable.

Liang Meixuan and Huang Mingkun hadn't slept for three whole days, and there wasn't a ray of light inside the dark room, prohibiting them from knowing whether it was day or night.

One of the Fearless Alliance elites got a hold of some sleeping pills and grounded them into powder before putting them inside bottles of mineral water and making them drink it.

Huang Mingkun and Liang Meixuan also had clips clamping their eyelids and couldn't close their eyes, so their eyes were completely bloodshot and they couldn't hold on.

"Heh." Third Elder smiled and entered the room, examining the suffering of Liang Meixuan and Huang Mingkun. "How do you feel?"

"You... you f\*cking b\*stard... Kill us if you have the guts..." Huang Mingkun howled hysterically when he saw Third Elder, but this howl didn't have much strength behind it since he was extremely exhausted and could feel his heart starting to fail.

"Steward Huang, why are you so angry...? Why would we kill you? We're also law-abiding citizens, so we wouldn't do such a thing... Since you two don't want to talk, let's continue. I believe you'll eventually be willing to talk," Third Elder said with a chuckle.

"No... I'm begging you. Let me sleep a little... Just a little... Just a little is fine!" Liang Meixuan pleaded with a sob. She really couldn't stand it anymore.

She was extremely exhausted but wasn't allowed to fall asleep. This type of torture was thousands of times more painful than physical torture.

"If you want to sleep, it's very simple... You just need to tell me how Ye Shao'an died, and I'll immediately allow you to have a good sleep. How about it?" Third Elder asked with a smile.

Liang Meixuan replied, "Ye Shao'an... was... was killed by Ye Wanwan's family..."

"Hm... Well, I'm not too satisfied with this answer. What should I do?" Third Elder looked at Liang Meixuan before turning to glance at Big Dipper.

"Big Dipper, continue to feed them some sleeping pills." Third Elder walked out of the room.

Huang Mingkun and Liang Meixuan's face contorted with terror.

"No... I'll tell you, I'll tell you everything... It was Huang Mingkun and I who had someone kill Ye Shao'an then framed Ye Shaoting and Ye Mufan for it!" Liang Meixuan cried.

Third Elder paused in his steps and turned around with a smile. "I'm rather satisfied by this answer, but you have to mention this as though you're having a casual conversation with Huang Mingkun; you can't say it to us."

"How come, Third Elder?" Big Dipper turned to Third Elder in confusion.

Third Elder glanced at Big Dipper but ignored him.

### **Chapter 1756: Villain mode unlocked**

It was Seven Star who quietly answered Big Dipper. "If we recorded them like this and Sis Feng turned it in as evidence to the courts, what would the viewers of this clip think?"

"I don't know." Big Dipper shook his head.

"They'll only treat this recording as evidence captured through the extortion of a confession. It would be perfect if this confession was revealed in the midst of a casual conversation between Liang Meixuan and Huang Mingkun," Seven Star explained.

...

"Do as I say and you'll be able to have a good sleep. Understood?" Third Elder asked them before having someone lower and release them.

At that moment, Liang Meixuan and Huang Mingkun's psychological defenses had collapsed already.

"Huang... Huang Mingkun, say, our act of hiring someone to kill Ye Shao'an and framing Ye Shaoting and Ye Mufan... won't be exposed, right?"

Liang Meixuan tried her best to resist her fatigue as she spoke to Huang Mingkun.

"Don't worry... It won't. Our plan was absolutely perfect, and no one will realize it. Those two idiots, Ye Mufan and Ye Shaoting, deserve it! Their whole family is idiotic..."

"This whole family is rather comical if you think about it. Back then, Ye Shao'an owed a large sum of debt, so he embezzled a giant sum from the company's funds. Later, he befriended people from the mafia behind the back of the old geezer, Ye Hongwei, and framed Ye Shaoting for the whole thing..."

"Ye Shao'an teamed up with Ye Yiyi and Gu Yueze to abduct Ye Wanwan and injected her with illegal drugs and recorded her... In the end, Ye Shaoting actually willingly took the fall for his daughter. Wasn't he dumb?"

Third Elder smiled and ended the recording after Huang Mingkun finished speaking.

"That's good now, right?! Quick... let me sleep!!!" Liang Meixuan growled.

Perhaps it was truly too painful, but both of their acting skills were decent and the recording was taken in one shot.

"Heh, not bad." Third Elder swept his eyes over Liang Meixuan and Huang Mingkun and nodded with a smile. "You should've done this a long ago. You wouldn't have needed to suffer like this, am I right?"

“D\*mn! You’re awesome, Third Elder!”

Big Dipper walked toward Third Elder and gave him a thumbs up. “You’re a lot more awesome than First Elder, Third Elder!”

When Third Elder, who intended to ignore Big Dipper, heard this, he became invigorated immediately. “Of course! How could First Elder, that old geezer, compare to me? When has he ever outmatched me?”

“Um... What should we do with Huang Mingkun and Liang Meixuan? Let them sleep?” Big Dipper asked.

“Sleep?” Third Elder glanced at Big Dipper. “Did your brain turn crusty? Keep pumping them with sleeping pills. They can sleep in four hours.”

“Why do we have to wait four hours?” Big Dipper didn’t understand.

Third Elder snorted. “Because we’ll reach the humanly limit in four hours. If they don’t get to sleep by then, they’ll die, and the President made the order that we can’t have any lives on our hands, so I’m naturally strictly adhering to the President’s orders.”

Big Dipper was amazed. “To the tee indeed!”

Not willing to cut them any slack by a single second...

After saying that, Third Elder left the house with his recording and went back with Big Dipper in tow.

Third Elder sincerely pleaded for forgiveness. “President, because you requested for them to remain alive, I couldn’t act uninhibitedly and this was all I could do.”

After listening to the recording, Ye Wanwan’s expression was indescribable. She rubbed her chin as she murmured to herself, “Isn’t this solution too... villainous? I suddenly feel like I’ve become a bandit or some evil power...”

Big Dipper looked bewildered. “Sis Feng... weren’t we evil bandits to begin with?”

Ye Wanwan was startled and chuckled involuntarily.

*Alright, I subconsciously used “Ye Wanwan’s” line of thought to consider this situation.*

Ye Wanwan turned to Big Dipper, propping her chin on her hand and grinned. “Heh, you’re right.”

### **Chapter 1757: Villains collude together**

Ye Wanwan played the recording again and listened to Liang Meixuan and Huang Mingkun’s conversation.

This recording alone was enough to prove Ye Mufan and Ye Shaoting’s innocence and Liang Meixuan and Huang Mingkun’s unquestionable guilt.

“Third Elder, how did you make them talk?” Ye Wanwan looked at Third Elder curiously.

Liang Meixuan and Huang Mingkun had to have known what this kind of recording represented, so they shouldn’t have talked even if someone held a knife across their necks.

If Ye Wanwan was Liang Meixuan or Huang Mingkun, she absolutely wouldn't have uttered a single word since she would die regardless. Why would she talk?

Before Third Elder could reply, Big Dipper bolted forward and hastily answered, "Sis Feng, I'm telling you, after Third Elder abducted Liang Meixuan and Huang Mingkun, he treated them nicely and didn't beat them or yell at them or deprive them of food or water. The only thing he did was prohibiting them from sleeping—he clipped their eyelids open and added small amounts of sleeping pills to their food and water. Liang Meixuan and Huang Mingkun were incredibly tired and confessed to everything for the sake of getting some sleep. They had no choice but to cooperate with us and stage this conversation."

Ye Wanwan looked at Third Elder pensively. It had to be said that Third Elder was truly very reliable during crucial moments.

It was difficult to imagine what Liang Meixuan and Huang Mingkun underwent.

Normal people wouldn't be able to endure not sleeping for several days. It wasn't just that, but Third Elder actually added sleeping pills to their food and water.

Although Big Dipper said and Liang Meixuan and Huang Mingkun were treated nicely, the prohibition of sleep in conjunction with the consumption of sleeping drugs could be considered as one of the cruelest forms of torture in the world. Even professionally trained individuals might not be able to withstand it, let alone normal people.

Ye Wanwan recalled how Third Elder was one of her biggest threats when she first arrived at the Fearless Alliance, but once this enemy transformed into a friend, he was evidently very reliable.

"Sis Feng, no wonder they say old ginger is hotter than young ginger! Third Elder is truly vicious and merciless, brutal and inhuman, cruel and unfeeling, ruthless and malicious, and he has the ambition of wild wolves!" Big Dipper cheerily gave Third Elder a thumbs up.

Third Elder's expression dropped instantly. "What dogsh\*t are you spouting?! Who are you accusing of having the ambition of wild wolves?"

"Villains colluding together then..." Big Dipper changed his compliment.

Ye Wanwan: "..."

*Don't randomly use idioms if you don't know how to use them...*

Before Ye Wanwan could say anything, First Elder, wearing a red polo, slowly entered the living room from outside the house.

"It's so lively here. Don't you need to work today?" First Elder asked with a chuckle when he saw Third Elder.

Big Dipper answered, "First Elder, we finished our job! Listen to the recording that Third Elder obtained!"

"Oh? Really? Third Elder got a recording of Liang Meixuan and Huang Mingkun?" First Elder looked incredulous.

“Really! Third Elder abducted them...” Big Dipper then proceeded to repeat the whole process to First Elder.

First Elder finished listening to the whole recording with suspicion, his expression shifting at the conclusion. Third Elder really got ahead of him and obtained the evidence needed...

“Heh, I said before that it would be enough if the President took only me to China. Bringing First Elder here too was truly a waste; it would’ve been better to have First Elder stay at the Fearless Alliance and hold down the fort,” Third Elder injected, his lips curling with a haughty expression.

### **Chapter 1758: Who’s stronger?**

First Elder snorted in response and nonchalantly said, “It’s enough to have Second Elder and the others holding down the fort at the Fearless Alliance. As for me, I should naturally follow the President wherever she goes as the First Elder.”

“Also, although Third Elder resolved this matter, you took so much time and had to resort to cruel torture to deal with two normal people. You really are only so-so.”

Ye Wanwan was exasperated upon seeing First Elder and Third Elder, who were as incompatible as fire and water, turn on their insulting modes. They were so advanced in years already, but why did they still act like children... She truly couldn’t understand it.

“First Elder, I’m afraid I don’t understand what you’re saying. What do you mean I took so long? Back when the President ordered us to stalk Liang Meixuan and Huang Mingkun, you wasted so much time, First Elder, but what useful information and leads do you have to show for it?”

“As for me—I merely used three days and made those two spill the truth, so I don’t need to explicitly say who is stronger and who is weaker. I’m sure everyone knows in their hearts.”

“I don’t think so. If it were me who did something like this, I could’ve probably achieved it in half the time,” First Elder retorted with a chuckle.

Third Elder looked at Seven Star and Big Dipper and asked with a frown, “What do you think? Who’s stronger between First Elder and me?”

Seven Star expressionlessly looked at First Elder then Third Elder but remained silent.

“First Elder is stronger!” Big Dipper hastily answered.

Third Elder’s expression shifted instantly. “Big Dipper, didn’t you previously say I was stronger than First Elder?”

“Yeah... But First Elder wasn’t with us earlier. First Elder is standing right there now,” Big Dipper replied matter-of-factly.

Third Elder: “...”

Seven Star: “...”

Ye Wanwan: "..."

*Who said Big Dipper isn't bright? There probably isn't anyone slicker than Big Dipper...*

"However, Third Elder did do something of merit this time," Seven Star suddenly interjected.

"That's right." Ye Wanwan nodded. "If it weren't for Third Elder, I wouldn't have been able to obtain the information I wanted this fast."

Pride surfaced on Third Elder's face again at Ye Wanwan's praise, and he glanced provokingly at First Elder.

Before Third Elder could respond, Ye Wanwan's phone started ringing.

Ye Wanwan was confused at the caller ID. It was an unfamiliar number.

She answered the phone.

"Are you Ye Wanwan?" An aloof voice was emitted from the phone.

"That's me." Ye Wanwan didn't waste words.

"Miss Ye, some of the things you did these past few days have made me very unhappy."

"Who are you?" Ye Wanwan asked.

"May I ask if you've heard of Hongxing Gang, Miss Ye?"

*Hongxing Gang...*

Ye Wanwan looked pensive.

She knew Hongxing Gang would come to make trouble from her, but she didn't expect them to be so swift.

Liang Meixuan and Huang Mingkun were still captured, and Third Elder hadn't released them yet, so the Ye family and Hongxing Gang definitely didn't know about this matter yet.

So Hongxing Gang probably sought her out due to what happened with Yao Jiawen on the set.

Ye Wanwan couldn't help but chuckle. She clearly had dirt on Yao Jiawen, but that woman still told Hongxing Gang about this without any scruples.

This signified one of two things.

### **Chapter 1759: They've probably never died before**

One, Yao Jiawen didn't care about those photos and videos being exposed.

Two, Yao Jiawen was certain that Hongxing Gang could appropriately handle this matter and easily destroy Ye Wanwan and that she held the advantage over Ye Wanwan.

To Ye Wanwan, these people were rather interesting. Since they wanted to play, she'd play along with them. She didn't care.

"May I ask what position you hold in Hongxing Gang?" Ye Wanwan asked.

"Heh, Miss Ye, that has nothing to do with you. However, I don't mind telling you that there's no room to make up for what you've done, so I'm here to advise you to return the photos and videos you took on the set to Yao Jiawen, Miss Ye.

"Then hold a press conference and admit that you fled after embezzling Age of Immortals' funds. Also, kneel down before Yao Jiawen in front of the world and apologize to her. If you do as I say, Miss Ye, your family will be safe and sound...

"However, if you stubbornly clinging to your course and act ignorantly, Miss Ye... Your family might suffer a miserable tragedy because of you... What do you think, Miss Ye?"

"Heh... You're quite gutsy." Ye Wanwan's lips turned up. "You're the first person to dare to talk to me like this. Hongxing Gang, is it...? You'll pay tragically for those words."

"Miss Ye, are you telling me you really are unafraid of death and uncaring about your family's lives..."

Before the Hongxing Gang member could finish speaking, Ye Wanwan hung up.

"Sis Feng, what dogsh\*t is Hongxing Gang? How dare they act so arrogantly? They've probably never died before!" Big Dipper said.

When Ye Wanwan accepted the call, she put it on speakerphone, so everyone heard the conversation clearly.

"President, leave this matter to me too. It won't be long before the Hongxing Gang completely disappears without a person spared," Third Elder promised with a dark expression.

"Heh, Third Elder, you're funny," First Elder retorted.

Third Elder knitted his brows and his eyes landed on First Elder in flamboyant red. "What do you mean?"

"What do you think I meant? Are you treating this place as the Independent State, Third Elder? This is China, a place with institutional laws. Everything has to act with the law in mind," First Elder said.

"Who needs you to teach me?" Third Elder was displeased.

Ye Wanwan mulled it over before deciding to assign the resolution of Hongxing Gang's trouble to First Elder.

Third Elder was unhappy with First Elder but it wasn't his place to pursue the matter since Ye Wanwan made her decision already.

After that, Ye Wanwan left Golden Seas and brought Seven Star and Big Dipper with her to drive to the Si residence.

About half an hour later, under Ye Wanwan's directions, Seven Star parked the car outside the Si residence.

Qin Ruoxi had gained complete control over the current Si family and she had placed Grandma Si under house arrest and stripped Grandma Si of all power.

Ye Wanwan originally planned to contact Eleven and Little Stutterer, Feng Xuanyi, but Feng Xuanyi's number had turned into a blank number while Eleven's phone remained turned off, so she couldn't contact either of them.

Ye Wanwan didn't rashly approach the Si residence. Back in China, Qin Ruoxi wanted to deal her a fatal blow multiple times, so Ye Wanwan would complicate the issue unnecessarily if she was discovered.

"Eh... why does that man look familiar...?"

### **Chapter 1760: Isn't that man Lord Asura?**

Big Dipper had just lit a cigarette when he caught something in the distance. He rubbed his eyes in disbelief and straightened up, pointing at the man in the distance, and exclaiming, "D\*mn, isn't that man Lord Asura?!"

Ye Wanwan was surprised at the mention of Lord Asura and followed the direction Big Dipper was pointing in.

A man in a black suit appeared by the Si residence's main door and turned to leave a second later, leaving his back figure behind.

However, his turning allowed Ye Wanwan to clearly see the man's face. As Big Dipper said, this man had identical looks to Lord Asura except for his black hair.

"Si Yehan..." Ye Wanwan murmured, her heart pounding in her chest.

"He doesn't resemble Lord Asura." Seven Star, who was sitting in the passenger seat in the front, expressionlessly said, "They do look very similar, but the way they dress and their mannerisms are very different. Also, this man has black hair."

"Follow them!" Ye Wanwan ordered immediately.

"Will do, Sis Feng!" Big Dipper tossed his cigarette to the side and stomped on the gas, instantly following the man.

As they were about to catch up to the man, he turned into an alley and disappeared without a trace in the blink of an eye.

Ye Wanwan told Big Dipper to stop the car at once.

They swiftly opened the doors and shot out. However, after searching for a full 15 minutes, they still couldn't locate the man.

"D\*mn! Is this a magic trick...? He disappeared?"

Big Dipper examined his surroundings but there wasn't any sign of life in the alley.

Ye Wanwan was also baffled. Big Dipper and Seven Star both saw the man earlier, so she wasn't seeing things.

Moreover, based on that man's style of dress, he was Si Yehan and was vastly different from Lord Asura of the Independent State.

Ye Wanwan furrowed her brows deeply.

*What's going on...?*

*There's no doubt I saw Si Yehan just now...*

*If Si Yehan is really still in China, then who's Lord Asura from the Independent State...?*

"Could that man be Lord Asura? They might dress differently, but they look the same," Big Dipper asked in confusion.

"That's not for certain," Seven Star calmly replied.

Ye Wanwan sunk into contemplation.

It was difficult to say whether that man just now was Lord Asura or not, and there wasn't any point in making guesses right now. They shouldn't make any judgments until they located him.

Ye Wanwan wanted to search thoroughly, but her phone started ringing at that moment.

"President, First Elder screwed up his task. If you have time, come and take a look." Third Elder's voice was emitted from the phone.

Ye Wanwan was startled by the news.

*First Elder messed up the task...? How's that possible?*

*First Elder failed to take care of the mere Hongxing Gang...? Did an accident happen?*

"What happened?" Ye Wanwan asked with a frown.

"It's hard to explain over the phone, President. It'd be better for you to come and see," Third Elder replied.

Ye Wanwan could faintly hear waves of groans and shouts from the other end.

"Understood. Send the address to Big Dipper; we'll come over now," Ye Wanwan said.

Shortly after hanging up the phone, Big Dipper received an address and GPS location from Third Elder.

They immediately returned to the car and Big Dipper hit the gas, driving to the GPS location.
