

Secret Love 1781

Chapter 1781: Ungrateful

Since Ye Wanwan sent a message in the group chat, everyone's phone buzzed.

Gong Xu immediately tossed Shao Heng to the back of his mind.

Ever since Ye Wanwan disappeared, her messages hadn't shown up in the company group chat since.

Suddenly seeing her surfacing in the group chat, Gong Xu was incredibly excited despite already knowing she had returned.

[Gong Xu: Brother Ye!]

[Gong Xu: Yeah, yeah! We're all here!]

[Gong Xu: How did you know, Brother Ye?]

[Gong Xu: Are you free now, Brother Ye?]

Gong Xu sent several voice messages out in quick succession.

Soon, Ye Wanwan replied: [I'm almost there.]

Upon seeing this message, Gong Xu's eyes shot open. "Brother Ye is coming..."

Han Xianyu's expression became serious upon seeing the message.

Now that Ye Bai was back, she naturally had to return to everyone's attention.

However, their reality now was different from the past.

The entertainment industry rose and fell. He had been through more difficult circumstances than this, so their current situation wasn't considered significant from his perspective.

However, at the mere thought of that dazzling girl sinking into an abyss and having to face those rumors and slander, he found it harder to accept than his own sufferings.

On the other hand, the audience around them, who were secretly anticipating a show, all couldn't help but sigh at seeing Gong Xu and his group keeping silent and obediently accepting public face slapping from Shao Heng.

Shao Heng's junior female assistant contemptuously mocked, "Tch, the Age of Immortals, is it? You used to be extremely arrogant, but now? You wouldn't even dare to fart in front of Shao Heng!"

This junior assistant was favored by Shao Heng, so the nearby minor artists all quickly chimed in. "Of course! Shao Heng has Stars Corporation supporting him! No matter how arrogant Gong Xu once was, he has no choice but to lower his head before Shao Heng."

The female assistant crossed her arms across her chest and coldly looked over everyone. "Since when could just anyone be mentioned in the same breath as my Shao Heng?"

As soon as Ling Shaozhe heard that, he took the chance to go up with an ingratiating expression. “What are you saying, Sister Ying? How could pieces of trash like this compare to Brother Shao?! Nowadays, the Age of Immortals only barely manages to hold on because they have a god like Brother Shao with them!”

When enemies met, anger boiled over. Ling Shaozhe’s eyes were brimming with hatred as he looked at Luo Chen and Gong Xu.

Back when they filmed *Terrifying Dragon* together, he exploded with popularity while Luo Chen remained anonymous. One soared to the heavens while the other remained on the ground.

Later though, Ye Wanwan actually managed to make a piece of trash like Luo Chen popular while his reputation became ragged.

If it weren’t for the fact that he habitually flattered and curried favor with people, he would’ve been shelved already.

In front of Shao Heng, Ye Wanwan was nothing! Even Ye Yiyi had to bow before Shao Heng.

The female assistant was somewhat mollified. She derisively looked at Gong Xu and his group. “You’re right! This whole gang has to rely solely on Brother Xu but they’re acting so ungrateful! They’re seriously heartless and wretched!”

Shao Heng was currently skillfully navigating his way through the honorable guests and chatting with them. He noticed the situation with his assistant but had no intention of stopping them.

Jiang Yanran almost snapped with fury at these absolutely distorted words.

“How can these people be so shameless? It’s clearly Shao Heng who’s latching onto our company like a leech...”

...

At that moment, outside the banquet hall:

Ye Wanwan obtained an invitation as Fu Mingxi’s guest.

Big Dipper and Seven Star couldn’t enter the venue, but how could Big Dipper allow that? Hence, he and Fu Mingxi spiraled into an argument again.

Chapter 1782: A harem is impossible

Big Dipper protested, “Hey, hey, you haven’t even received any official word yet, but you’re already posing as the empress with me? In terms of arrival order, you aren’t even on the list. Who do you think you are?!”

Fu Mingxi retorted, “I’m nothing much, but I’m the fiance the President personally agreed to marry back then.”

“Ha ha. And Old Seven and I are personally taught by the President! Isn’t that more useful than you?”

“Heh? You’re useful? How could brutes like you service the President well?!”

“Blah! I can’t service the President well? But a weakling and incompetent fool like you can service the President well? Do you even have enough stamina?!”

Ye Wanwan: “...!!!”

Hey, enough already!

Ye Wanwan was mentally exhausted by the quarreling that lasted the entire ride.

Ha ha...

Just who in the world gave her the courage to vow to possess a harem of 3000 concubines?

Just two were acting like this. If she had 3000, the heavens would freaking turn over from the arguing!

Big Dipper declared, “From now on, only one of us can stay! Sis Feng, tell us, who do you want—him or me?!”

Fu Mingxi protested, “President, Big Dipper is an intolerable bully! Please show me justice!”

Ye Wanwan: “...”

Harem? A harem is impossible! Impossible in this entire lifetime!

“I have something to do, so I’ll enter first. Enjoy your chat.” Ye Wanwan chose to flee on the spot.

Finally abandoning the duo who quarreled to the point of giving her a migraine, Ye Wanwan relaxed and sent a message in the company group chat before going in search of Gong Xu and the others.

A group of people congregated in the center of the hall. Ye Wanwan saw many familiar faces and in the middle of the group was tonight’s birthday boy, Shao Heng.

Gong Xu and the others were standing in the most remote corner and all had unhappy expressions on their faces.

Gong Xu’s eyes were sharp, and he was the first one to see Ye Wanwan. He jubilantly turned to her and waved. “Brother Ye, here!”

Ye Wanwan made her way toward them.

Everyone was originally currying favor with Shao Heng, but Ye Wanwan’s sudden arrival instantly attracted many curious gazes.

“D*mn! Who did Gong Xu call? Is it Ye Mufan?”

“How’s that possible? Ye Mufan is still detained by the police!”

“Then that’s...”

The crowd reflexively turned to the entrance and promptly saw a girl languidly strolling into the hall.

“F*ck me! Ye Bai! It’s actually Ye Bai!”

“Ye Bai? Which Ye Bai?”

“It’s the illustrious golden manager of the Age of Immortals who produced double Best Actors and one Best Actress at the Golden Orchid Awards last year! She slaughtered the ceremony back then!”

“Oh, oh! It’s that second miss of the Ye family, Ye Wanwan, right? She dressed as a man and singlehanded founded the Age of Immortals Entertainment! She’s a rather extraordinary figure!”

“No matter how extraordinary she is, she’s merely an insignificant manager! Her company’s been acquired now! I heard she fled with embezzled funds and is being cursed by everyone right now. Her reputation in the entertainment company is stinkier than sewage! I didn’t expect her to dare to return; isn’t she afraid of being arrested?”

“This is Shao Heng’s birthday party though! How did she get in?”

...

Nearly everyone’s eyes were pulled toward Ye Wanwan.

However, the girl acted like she didn’t notice anything. She directly walked toward Gong Xu the group and started talking to them.

Gong Xu grumbled, “Brother Ye, why did you come? It’s just a lousy birthday party; aren’t you giving him too much face?!”

Ye Wanwan raised her eyebrows and couldn’t help but chuckle. In the eyes of outsiders, she was currently a homeless dog who couldn’t be any more downtrodden. However, Gong Xu alone was always so... confident in her...

“It’s fine. I just came to observe,” Ye Wanwan nonchalantly replied.

Chapter 1783 Giving so much face

Han Xianyu naturally detected everyone’s malicious and mocking gazes. He reflexively used his body to block those gazes and protect Ye Wanwan. “Let’s go over there to eat something!”

Ye Wanwan nodded. “Sure.”

Han Xianyu didn’t want drama, but other people were on a different page.

Shao Heng’s junior assistant strutted toward them with several celebrities clustered around her. She snorted and said, “What a rare guest, Mighty Manager Ye! I didn’t expect you to attend Shao Heng’s birthday banquet! I’m truly thankful to you for giving so much face...”

The junior assistant evidently heard Gong Xu’s earlier words.

Upon seeing this, everyone waited for a good show.

Ye Bai was probably in for a stroke of bad luck now!

Han Xianyu and the others were also worried. Fei Yang was prepared to mediate the matter when Ye Wanwan glanced at the junior assistant and expressionlessly answered, “You’re welcome’

The onlookers: "..."

Shao Heng: "..."

This woman seriously dared to talk!

It appeared Yao hawen was right. This woman probably suffered a shock and went mad.

The junior assistant insincerely smiled and said, "I heard Sister hawen was indebted in your care a few days ago?"

The word "care was darkly uttered.

Shao Heng was currently signed onto Emperor Sky Entertainment, and his current manager was Yao Jiawen.

Yao Jiawen previously wanted to sign Luo Chen, Gong Xu, and Jiang Yanran to herself, but the three of them wouldn't agree no matter what. After Shao Heng was signed on, Yao Jiawen expressed her loyalty to Ye Yiyi every which way and managed to obtain Shao Heng.

This junior assistant was also her confidante.

Ye Wanwan was pensive. It appeared Yao Jiawen complained about her to Shao Heng after seeing a lack of activity from Hongxing Gang.

The junior assistant spoke covertly, so nobody else understood and merely thought the junior assistant was referring to how Yao Jiawen was previously Ye Wanwan's assistant.

When they thought about this, everyone couldn't

help but muse at the twist of fate.

"Tsk tsk, back then, Yao Jiawen was just Ye Baps assistant, but now, she's the General Manager of the Age of Immortals and has an awesome artist like Shao Heng under her!"

"Right? The wheel of fortune turns!"

The junior assistant laughed. "I thought Mighty Manager Ye wouldn't ever return in her lifetime! What? Did you spend all your money and come back to fish for some more? Heh, that's true. It might be impossible for you to be a manager anymore, but this face of yours is still worth something!"

Right now, Ye Wanwan's father and brother had their power stolen, and the company was gone. Hence, anyone in the entertainment company could step on someone like her who didn't have

any background, not to mention Shao Heng's assistant.

The junior assistant's words were extremely nasty, but she didn't fear anything with Shao Heng's support. There also wasn't anyone present who dared to object to her.

As expected, the whole hall was silent and merely watched the show.

"Feng Ying! Your mouth could use some bleach!"

The silent air was pierced by a youthful cold voice.

This time, it surprisingly wasn't Gong Xu who spoke; it was Luo Chen.

Gong Xu was about to speak when Luo Chen beat him to it. He instantly looked at Luo Chen, astonished.

"D*mn... You've finally blown a fuse, little sheep..."

Gong Xu murmured in shock.

The female assistant chuckled. "Heh, were you shamed into anger? What? Am I wrong?"

Luo Chen tightly clenched his fists and wanted to say something, but to his detriment, he had never been good with words and had to keep today's setting in mind, so he couldn't utter anything but "You..."

Chapter 1784 I'm afraid you can't afford it

The female assistant, Feng Ying, became more proud of herself when she saw Luo Chen at a loss for words. She said disparagingly, "Didn't your Mighty Manager Ye come running here today to curry Brother Shao's good favor? Why's she pretending to be so virtuous? 0

"Tsk tsk, didn't she act like the entire entertainment industry was her domain? What? Is she scared now?"

Feng Ying intentionally spoke in a volume that everyone could hear clearly. "Do you know what this is called? Its called however strong you are, there's always someone stronger! Some people should grasp their own importance first!

"She's just grasping onto a rotten log but still thinks she's hugging some golden thigh! How ridiculous!"

Shao Heng stood on the side with his wine glass in hand, aloofly watching this ruckus.

To him, these people were merely dogs with few uses.

It was their honor to have their popularity leeches by him.

"Feng Ying, what dogsh*t are you spouting?! You're the one freaking grasping a rotten log! So what if the entertainment industry is my Brother Yes domain?!"

Whenever Gong Xu encountered something related to Ye Wanwan, he was much easier to detonate and he would start to speak without thinking.

As expected, his words stirred some trouble.

Gong Xu's words were equivalent to calling Shao Heng a "rotten log."

"Pft, what did Gong Xu just say? The entertainment industry's Ye Baps domain?"

"Daring to say this kind of thing in front of someone from Stars Entertainment—an ignorant person is truly fearless!"

Feng Ying burst out laughing. "Hahaha, the entertainment industry is your domain? You have quite the ego! Does Stars Entertainment have to obey your Mighty Manager Ye, huh?"

Feng Ying sounded like he was teasing an idiot, evoking another round of jeering laughter.

“Hahaha, that’s right, that’s right. She’s so impressive, so of course Stars Entertainment has to obey her ton!” 0

“I’m going to die from laughter! Just who gave him the courage?”

Shao Heng elegantly sipped from his glass and snorted, derision apparent on his face.

He slowly walked over at last and leisurely strolled toward them. He gracefully said, “Miss Ye, I might not be too capable, but I do cherish old friendships. You took such good care of my manager previously, so I can’t stand by and do nothing now that you’ve fallen on hard times. How about this? I happen to be lacking an assistant; are you interested, Miss Ye?”

Ye Wanwan raised her brows slightly. An assistant?”

Admiration filled Feng Yings face immediately. “Brother Shao, you’re too nice! You still care about friendships with someone like her!”

She was once the Director of the Talent Recruitment Department and a golden manager but was now publicly invited by Shao Heng to become his assistant...

They were slapping her face in front of everybody without a doubt.

Ling Shaozhe looked immensely satisfied. “Hurry up and thank Brother Shao! You’re seriously one lucky b*stard!”

“Ah!” Feng Ling exclaimed abruptly. “Brother Shao, your assistant quota is full already! What should we do?”

Shao Heng intentionally pretended to be clueless. Its full?”

Feng Ling cheerfully replied, “However, I’m still missing an errand girl, so how about you become my assistant, Miss Ye?”

Feng Ling mockingly looked at Ye Wanwan. “Mighty Manager Ye, you won’t think the position is too low, right? Unfortunately, our Brother Shao has very high standards for his assistants, so I’m afraid you’re only qualified to run errands for me here.”

“F*ck you...”

Before Gong Xu could finish cursing, Ye Wanwan extended her arm and blocked Gong Xu behind her. Then she nonchalantly said, “Heh, Mr. Shao wants to hire me as an assistant? I’m afraid... you can’t afford it:”

Chapter 1785 Dare to steal someone from me

Shao Heng narrowed his eyes and Feng Ying guffawed. Our Shao Heng can’t afford you? There isn’t anyone Brother Shao can’t afford in this entire entertainment industry! What loftiness are you holding? What? Did you want to be Shao Hengs manager? Utterly delusional!”

Ye Wanwan aloofly replied, His manager? I have quite high standards for my artists, so I’m afraid Mr. Shao doesn’t qualify either!’

Feng Ying became furious instantly and she screeched, Ye Bai, I think you want to die!”

Feng Ying wasn't the only one. Everyone also looked at Ye Wanwan like she was an idiot.

Ye Bai is probably an idiot, right? Why's she spouting such irrelevant crockery at a time like this?!”

“Right? She actually said Shao Heng isn't qualified and he can't afford her? Who does she think she is? Even Stars' golden manager has to give some face to Shao Heng. This woman is simply absurd!”

“That's right! It's already an enormous favor that Shao Heng is willing to hire her as his assistant! How ungrateful!”

“Doesn't she know how she's fallen? Does she think she's still the Ye Bai from back then? Which celebrity in the entertainment industry would follow her? Even a nobody wouldn't jump into her firepit!” 0

Inside the banquet hall, everyone's gazes brimmed with scorn and derision. Feng Ying arrogantly ridiculed, ‘You're going to make me die laughing. Ye Bai, why don't you take a good look at yourself first? You? You think you can hope to become Shao Heng's manager? You're probably—”

In the midst of Feng Ying's harsh tirade, hurried footsteps and a wave of gasps came from the hall's entrance.

Everyone reflexively turned to the door and saw the extraordinarily handsomely-dressed Fu Mingxi strolling on the red carpet with the stars on his trail and entering the hall.

A single glance revealed how elaborately dressed Fu Mingxi was. He was more handsome and eye-catching than normal today, eliciting gasps and exclamations everywhere he went.

He was the hottest international superstar in Stars Entertainment and achieved great success in Hollywood as well. His hands from the array of major international awards he won. Most importantly, his stunning figure and looks caused countless girls to go crazy over him. No one could rival his status in the entertainment industry.

However, aside from official functions, he rarely appeared in public and never attended social functions in the industry. It was harder than ascending to the heavens for the media to catch a glimpse of him.

The price of any gossip and scandals concerning Fu Mingxi had sky-rocketed to outer space.

“Wow! Who am I freaking seeing?! Fu Mingxi! It's Stars Entertainment's Fu Mingxi, ahhhhh!!!”

“My god! Even Fu Mingxi is attending Shao Heng's birthday party! Doesn't Fu Mingxi never attend this kind of function?”

“Shao Heng has proved himself again! His face is incredible!”

“Ahhh! He's seriously so handsome that I can't close my legs !”

...

“Mingxi!”

“Brother Fu

“Best Actor Fu

Everyone instantly forgot about Ye Wanwan and her cohort and swarmed toward Fu Mingxi.

Shao Heng was already notified by Fu Mingxi ‘s manager that he wouldn’t be there today, so it was a jolt to Shao Heng’s mind to unexpectedly see Fu Mingxi.

Fu Mingxi ‘s manager was also present. He himself was astonished by Fu Mingxi ‘s appearance.

Didn’t Mingxi say he wasn’t coming? Why’s he here now?!

This is great! He’s finally listening to me!

The manager was excited out of his mind.

Catching sight of everyone’s fervor and admiration, pride and self-pleasure flitted through Shao Heng’s eyes. He straightened his cuffs and self-assuredly walked toward Fu Mingxi. “Brother Fu, thank you for attending my birthday banquet...”

Fu Mingxi was swift as a shooting star and nearly sprinted toward Shao Heng. Before Shao Heng could finish his greeting, Fu Mingxi pelted him with insults. “Shao Heng, what the f*ck is wrong with you?! How dare you try to steal someone from? me ?!?!?!”

Chapter 1786: Steal from me

For tonight’s birthday party, many people wanted to show off, so they started a livestream.

Hence, the scene just now was broadcast onto the internet, and Fu Mingxi saw everything from a livestream. After that, he didn’t have time to keep entangling himself with Big Dipper anymore and directly charged over with his sword drawn.

Everyone was flabbergasted by Fu Mingxi unleashing his wrath all of a sudden and stood in their spots in a daze.

Fu Mingxi’s manager was also stunned.

What’s going on?

Regardless of the situation, calm down, Mingxi! Your public persona is collapsing!!!

Fu Mingxi always presented a polite, graceful, and gentlemanly public persona to the outside world.

As Fu Mingxi’s manager, he knew Fu Mingxi occasionally had a rather... different side in private. However, he was very dedicated to his work and never displayed it publicly.

He didn’t expect Fu Mingxi to suddenly explode today.

Shao Heng was taken aback and reflexively said, “What’s wrong, Brother Fu? Do you have some misunderstanding?”

Fu Mingxi managed to calm down slightly, but cold fury was still apparent on his face. "Misunderstanding? Weren't you stealing from me just now?"

"Stealing from you? What do you mean?" Shao Heng was further puzzled. "There must be some misunderstanding here; I'll definitely explain it to you later, but thank you for coming, Brother Fu."

Shao Heng evidently didn't want to clash with Fu Mingxi.

Fu Mingxi also regained his cold and elegant persona now. "No need. I came here to accompany someone."

Came here to accompany someone?

Fu Mingxi didn't come here to attend my birthday party?

Whose face was big enough to make Fu Mingxi accompany them to attend something?

Shao Heng's expression darkened slightly but quickly recovered. He politely asked, "May I ask which senior Brother Fu accompanied here?"

Someone who could make Fu Mingxi accompany them had to be a monumental figure.

Fu Mingxi ignored Shao Heng and passed by him to walk toward Ye Wanwan.

Ye Wanwan was trying her best to lower her presence and pretend to act unfamiliar with him, but to her despair, Fu Mingxi had very sharp eyes and shot toward her like an arrow. "Brother Ye, why didn't you wait for me?"

Fu Mingxi was very tactful and changed his form of address rather quickly.

Shao Heng, who was trailing behind him, was startled. "You know Ye Bai, Brother Fu?"

His attentive assistant following him was also astonished and blurted out, "How do you know someone like this, Brother Fu?"

Fu Mingxi snorted and glanced at the duo. "Heh, weren't you having a cheerful time poaching my manager just now? Now you're asking me if I know her?"

Feng Ying froze in shock. "W-what...?"

What did Fu Mingxi just say?

Ye Bai's his... manager?

Fu Mingxi's suddenly forsaken manager, who was walking toward them from the crowd, was dumbfounded: "...???"

If Ye Bai is Fu Mingxi's manager, then who am I?

On the other side, Gong Xu's eyes also shot open.

What the heck???

Am I hearing things?

Since when did Brother Ye become Fu Mingxi's manager?!

Ye Wanwan exasperatedly glanced at Fu Mingxi. "Since when did I become your manager?"

Fu Mingxi humbly said, "Brother Fu, I know I'm not gifted at all, but I'll work hard. Won't you think about it?"

As soon as Fu Mingxi said that, everyone in the banquet hall practically felt their glasses dropping and shattering on the floor.

When Shao Heng bestowed Ye Bai with an assistant position earlier, they thought it was a benevolent gift and Ye Bai was arrogant and ungrateful.

They never expected to turn around and astonishingly watch a super big name like Fu Mingxi begging Ye Bai to be his manager...

Chapter 1787: Accept me

Ye Wanwan was at a loss for words as she looked at Fu Mingxi. Was this guy acting or really wanted her to be his manager...?

"Brother Ye, how about it? Accept me!" Fu Mingxi suggested cheerfully.

Ye Wanwan: "..."

Everyone looked at Fu Mingxi before their gazes landed on Ye Wanwan in disbelief.

Fu Mingxi was considered a top-notch artist in the entertainment industry. Not only did he walk the international route but he was also a genuinely popular artist from Stars Entertainment.

Now though, Fu Mingxi was actually shamelessly bothering Ye Wanwan in front of everyone and demanding her to be his manager... How was this possible?!

Everyone finally understood why Fu Mingxi claimed Shao Heng was poaching someone from him...

Shao Heng darkly turned to Ye Wanwan.

It had to be said that Ye Wanwan's looks and figure were considered superb and quite rare even in the entertainment industry. It wasn't strange that she managed to attract someone like Fu Mingxi.

"Heh, Brother Fu, the things you say." Feng Ying looked at Fu Mingxi. "Brother Fu, you're Stars Entertainment's popular Best Actor. How can someone like Ye Wanwan, whose mistakes a pile to be as high as a mountain and who fled after embezzling Age of Immortals' funds, be your manager?"

Fu Mingxi aloofly glanced at Shao Heng's assistant. "Who do you think you are? I'm talking to Brother Ye right now; who said you could talk here?"

Then Fu Mingxi turned to Shao Heng. "I'm very disappointed in you, Shao Heng. What kind of setting is this? Why are you allowing your dog to rabidly bite people instead of having it on a leash?"

Shao Heng's expression further darkened while Feng Ying gritted her teeth. However, this was Fu Mingxi talking, so she didn't dare to counter him.

The only one here who would dare to insult Shao Heng like this was probably Fu Mingxi.

"Heh." Shao Heng chuckled. "Brother Fu, there's no need to harm our brotherhood because of a woman. Am I right?"

"Right you motherf*cker," Fu Mingxi cursed uncharacteristically.

Fu Mingxi's manager's face turned ghastly pale. It was over... it was over now. Fu Mingxi's public persona was going to collapse!!!

"Fu Mingxi, don't be ungrateful for the face I'm showing you! I'm giving you face and calling you Brother Fu. But if I don't give you face, you're less than a dog to me." Shao Heng's eyes frostily glinted as he stared at Fu Mingxi.

Everyone looked at each other. Shao Heng truly wasn't exaggerating.

Stars Entertainment had three major branches in China, and Shao Heng's grandfather was the director of one of those three branches.

As for Fu Mingxi, he was Stars Entertainment's popular artist, but he didn't seem to have any special background to other people.

The only people in the entire Stars Corporation who knew Fu Mingxi was Stars Corporation's big boss' grandson was one of the branch directors of Stars Entertainment and Fu Mingxi's manager, who found out by surprise without other people knowing...

"You freaking..."

Hearing Shao Heng calling him less than a dog, Fu Mingxi's eyes shot open in fury and he dashed forward to punch him.

Fu Mingxi's manager turned pale with fright and instantly went up to stop Fu Mingxi. "Calm down... Don't go crazy... Your public persona, my brother! Remember your public persona in the hearts of thousands of girls!"

If Fu Mingxi really punched Shao Heng, the consequences would be no joke!

Chapter 1788: Bro, you're incapable

Fu Mingxi took a deep breath and squashed his impulse to ruthlessly beat Shao Heng up.

Shao Heng looked at Fu Mingxi and Ye Wanwan and snorted. This was his home field, and everyone had to act according to his wishes—Fu Mingxi was no exception!

Suddenly, a round of knocking was heard from a nearby window.

Big Dipper and Seven Star were leaning against the window from the outside, and Big Dipper was looking at Fu Mingxi scornfully. "Say, bro, you're quite incapable. Look at how cowardly you are, yet you want to follow Sis—Brother Ye? Hurry and go home to have your grandpa put you to sleep already!"

Fu Mingxi's temper shot up instantly, and he glared at Big Dipper. "What did you say? I'm scared?"

"That's right! Aren't you scared?" Big Dipper sneered. "Ah, you coward... If Second Elder knew he had a grandson as cowardly as you, he would probably get so angry he would kick off his coffin's lid!"

Both Seven Star and Ye Wanwan were taken back. Second Elder kicking off his coffin's lid?

Seven Star looked at Big Dipper. "Second Elder isn't dead yet."

"Your grandfather is the dead one!" Fu Mingxi angrily shouted.

Big Dipper nodded. "That's right. My grandfather died a long time ago—how did you know?"

"Big Dipper, I think you're the cowardly b*stard! Stop spouting rubbish!" Fu Mingxi impatiently said.

"Tch! Everyone knows who the cowardly b*stard is! That Shao Heng dude is calling you less than a dog... but you actually aren't beating him up! If he dared to insult me like that, I'd kick open his head! Look at your cowardice! You're less than my bro, Gong Xu!"

"I'm less than him?!" Fu Mingxi incredulously pointed at Gong Xu.

"You're less than Bro Gong Xu! My bro might not be too capable, but at least he acts like a feral dog who ripped off his leash..." Big Dipper replied.

Gong Xu looked at Big Dipper, dumbstruck. "Thank you... bro..."

"F*ck!"

At being humiliated like this, Fu Mingxi, who had never uttered profanities before, instantly cursed.

"Scram!" Fu Mingxi kicked his manager to the side and broke free. Then in front of everyone, he pulled Shao Heng towards him before Shao Heng could react.

"Fu Mingxi, are you crazy?!" Shao Heng coldly hollered.

"F*ck you!"

Fu Mingxi ruthlessly backhanded Shao Heng's face to everyone's shock. "Who said you could call me by my name?!"

After asking that, Fu Mingxi backhanded Shao Heng two more times.

"Ah, Fu Mingxi, bro, you still aren't too capable. You're too weak. Isn't Second Elder feeding you? You're weaker than Bro Gong Xu!" Big Dipper sighed at Fu Mingxi.

Gong Xu: "..."

Following Big Dipper's continuous ridicule, Fu Mingxi's eyes reddened. When had he ever humiliated himself like this? Especially in front of President Bai Feng!!!

Fu Mingxi kicked Shao Heng in the shoulder before pouncing on the other man and sitting on him. Shao Heng desperately put up a life or death struggle and the duo coiled into a ball.

"Security... Help!"

Feng Ying immediately walked up and harshly pushed Fu Mingxi away.

"Bro, you're still incapable! This woman is climbing all over you, but you aren't beating her up?" Big Dipper turned to Gong Xu. "Gong Xu, my bro, if it were you, would you hit her?"

Gong Xu reflexively nodded without any thought and blurted, "I would..."

Fu Mingxi immediately turned around and slapped the junior assistant shoving him several meters away.

Chapter 1789: Hit his head

"Freaking shut your mouth!" Ling Shaozhe harshly rebuked Big Dipper.

How did these two things burrow in here? They were actually clinging onto the window to provoke Fu Mingxi to hit Shao Heng?!

"Old Seven, this sonny is insulting you."

Big Dipper looked at Seven Star.

Seven Star glanced at Big Dipper. "He's insulting you."

Big Dipper became furious immediately and pointed at Ling Shaozhe through the window. "You b*stard, come out here! If I don't beat the sh*t out of you today, I won't be your grandfather!"

Before Ling Shaozhe could respond, Big Dipper turned to Gong Xu. "Bro, help me beat him up!"

"Eh..." Gong Xu was taken back. *He wants me to beat Ling Shaozhe up...?*

Although he did want to, it didn't seem too... appropriate in this kind of setting?

"Gong Xu, my bro, help me punch him... Look at your cowardice, and I was even praising you just now! Don't say you know me from now on; I can't humiliate myself like that," Big Dipper announced with disappointment when he saw Gong Xu rooted to his spot, unmoving.

"Bro Big, don't...! I'll help you punch him!"

Gong Xu became spirited instantly and mercilessly clobbered Ling Shaozhe's face with his fist. "B*stard! How dare you insult my Bro Big! I'm gonna kill you!"

Although Gong Xu and Ling Shaozhe were both rubbish fighters in Big Dipper's eyes, Gong Xu was slightly stronger than Ling Shaozhe in every aspect.

Gong Xu trained nearly every week, so it didn't take much effort for him to beat Ling Shaozhe up.

"That's right, Gong Xu, my bro, punch him! Kick his head... Ah, your ligaments aren't so hot! Jump up to kick his head!"

Big Dipper shouted loudly as he intently watched Gong Xu.

"Bro Big... I'm not as awesome as you... I can't jump up, so I can only use my fist to punch his head..."

Gong Xu's words were quickly accompanied by a punch to Ling Shaozhe's head.

Shao Heng's birthday party had turned into complete mayhem.

Several artists who had a good relationship with Shao Heng all came forward to help Shao Heng, but how could they be a match for Fu Mingxi? A punch each and they were sent sprawling to the floor.

Fu Mingxi's strength might not hold a candle to Big Dipper and the others, but he was Second Elder's grandson, so how could normal people defeat Fu Mingxi?

Sweat soaked Fu Mingxi's manager's forehead. It was all over... Fu Mingxi's public persona was utterly wrecked! However, thankfully he discovered Fu Mingxi was the grandson of Stars Corporation's big boss sometime earlier. Otherwise, he might also be standing on Shao Heng's side by now...

Fu Mingxi was extremely headstrong and wanted to start as the most minor artist trainee after coming to Stars Entertainment, so he never revealed his identity to anyone or mentioned anything to his manager. But thankfully, Fu Mingxi's manager was clever and discovered Fu Mingxi's true identity, so the team he chose would win for sure!

"Fu Mingxi, you motherf*cker... You f*cking dared to hit me... You're over! I'm going to make Stars Entertainment boycott you! I want you dead!" Shao Heng said to Fu Mingxi maliciously, sporting a face beaten black and blue.

After such chaos erupted, the livestream was long turned off, and everyone retreated, afraid to bring disaster upon themselves. They couldn't afford to offend either Shao Heng or Fu Mingxi.

Han Xianyu, Luo Chen, and the others all wore strange expressions. Fu Mingxi actually assaulted Shao Heng on Brother Ye's behalf...

Of course, the main reason Fu Mingxi assaulted Shao Heng was probably because of Big Dipper, not Brother Ye.

Chapter 1790: Attending as the boss of Stars Entertainment

"This is my first time seeing Fu Mingxi acting like this..."

"He probably took a fancy to Ye Bai."

"Heh, I didn't expect Ye Bai to have this wild card still. Truly not bad..."

In everyone's eyes, Fu Mingxi acted like this because he had an affair with Ye Wanwan, and Ye Wanwan dared to return without any scruples and appear in public because she had support and latched onto a thick thigh like Fu Mingxi.

...

The birthday party ended earlier than planned and Fu Mingxi was taken away by policemen.

Around the evening, Ye Wanwan had Director Zhou step in and bail Fu Mingxi out and avoided all the reporters crouching nearby.

“Sorry for inconveniencing you, Bro Zhou,” Fu Mingxi said while looking at Director Zhou.

Director Zhou waved his hand. “What inconvenience is this? Shao Heng was the blind one. You could’ve hit Shao Heng until he was crippled if you wanted to, Mr. Fu. Shao Heng and his grandfather probably won’t want to stay with Stars anymore!”

What kind of cosmic joke was this? Fu Mingxi was the big boss’ grandson. If Shao Heng and his grandfather knew about Fu Mingxi’s identity, they would probably have to apologize on their knees.

“President Ye... Tomorrow is Stars’ anniversary celebration, so I hope you can attend...”

Director Zhou looked at Ye Wanwan with an ingratiating smile.

Ye Wanwan mulled it over before nodding.

Director Zhou was over the moon that Ye Wanwan agreed. This was the big boss’ boss! Being able to invite her to appear at Stars’ anniversary celebration was a great accomplishment on his part!

“Oh right, does Stars have business dealings with Emperor Sky Entertainment?” Ye Wanwan asked Director Zhou.

“We do have business dealings with them, President Ye... As you know, an entity like Emperor Sky has to offer a great amount of tributes to Stars Entertainment every year, so we also toss them a few suitable international assignments without much significance. Also, we own quite a bit of Emperor Sky Entertainment’s stocks and are considered their investors,” Director Zhou explained.

Stars Entertainment’s anniversary celebration happened to be held in China this year. During the celebration, big names in China’s entertainment industry like Ye Yiyi, Gu Yueze, and Yao Jiawen would all attend in their best attire.

Ye Wanwan naturally knew about this.

Now that Ye Wanwan had a springboard like Stars Corporation, many things would be easier to resolve. At Stars Entertainment’s anniversary celebration tomorrow, she would attend as Stars Corporation’s biggest boss.

Aside from the top artists in China’s entertainment industry, there would also be many international artists from other countries. The bigger the setting, the more interesting it would be, no?

...

At a different Stars branch in China:

An elderly man wore a dark expression on his face as he stared at the battered Shao Heng.

“Grandpa, that dogsh*t Fu Mingxi... you have to destroy him!” Shao Heng ferociously exclaimed.

“Hmph!” The elderly man snorted. “Tomorrow is Stars Entertainment’s anniversary celebration. At that time, I will publicly announce a ban on Fu Mingxi. Also, many international artists under Stars

Entertainment will attend tomorrow, as well as Emperor Sky's Ye Yiyi and her fiancé, the CEO of Gu Group, Gu Yueze. Don't disgrace me."

"I understand, Grandpa... Oh right, and that Ye Bai..." Shao Heng fumed with rage between gritted teeth.

"Don't worry. I already had people spread news that Ye Bai sank her claws into Fu Mingxi... I will shatter their reputation and make them die tragically!" A frightening glint flashed in the elderly man's eyes. An antique like Ye Bai actually dared to provoke his grandson and Stars Entertainment! She seriously didn't know her limits!
