

# Returning from the Dead: His Secret Lover Chapter 140

What can we do?

It's up to us to protect our foolish Mommy!

The two brothers got to work immediately, while Vivian served as their sentinel, glancing at them occasionally out of curiosity.

They were a perfect team, and Sasha knew nothing about it.

She lost herself in her work the moment she arrived.

"Dr. Nancy, can you take a look at our patients?" a nurse asked, handing over a file to her.

"Sure," she answered.

Everyone in the hospital treated her well, despite her being new. Her reputation was nothing to laugh at, after all.

Sasha knew that, and she reciprocated their kindness gratefully.

"Hm, everything looks fine. What's the deal with the nursing home, though?" she asked, pointing at a few patients' names that had special symbols next to them.

"They're patients currently staying in our nursing home for recovery purposes, and they're under the internal medicine department's care as well," the nurse that handed the documents to her answered.

Sasha nodded. Wow... they even have a fully-furnished nursing home.

She flipped through the pages absentmindedly and put the file aside.

Suddenly, the nurse turned to her and said, "Would you like to go take a look at them? They're under conservative therapy right now as the methods used by our hospital weren't able to cure them of their ailments, and your TCM methods might be a breakthrough."

"Hm?" Sasha hummed, hesitating for a moment.

Some TCM methods were indeed more effective than western medicine, but she figured that it would not be appropriate for a newbie like her to go straight to the nursing home.

She opened her mouth to turn down the offer, but the nurse was not going to give up so easily. "Dr. Nancy, they have been staying there for a long time. They'll be eternally grateful to you if you could help them."

Sasha fell silent.

She did not need recognition or fame, but she needed to stay true to her duty of saving lives.

On top of that, she remembered the vow she made years back before she became a doctor. Hence, there was no way she would turn them down.

She gave in in the end and followed the nurse to the nursing home.

Meanwhile, at the Hayes Corporation...

"Mr. Hayes, the nursing home just informed us that Ms. Wand has gone over."

"What? She went over?"

Sebastian looked up from his computer screen with a start to glare at Luke.

Luke nodded. "Yeah, she went there in a vehicle belonging to City Hospital. Old Mr. Hayes is there, so..."

Sebastian fell silent.

Luke was a little confused by Sebastian's behavior. Strange... he's never gone silent for so long before...

They stared at each other in an uncomfortable silence.

The news came suddenly, but Luke did not expect his boss to be so shocked by it. Couldn't he have just asked someone to move Old Mr. Hayes away? Why is he just sitting there like a statue?

All our plans will be ruined if Old Mr. Hayes met her! We're so close to settling the matters with her identity!

"Mr. Hayes?"

"Stop her and make sure she doesn't see him," Sebastian said, the cold expression on his face sent a shiver down Luke's spine.

However, he decided not to question Sebastian's decision. He simply nodded and ran off to inform the relevant personnel.
