

SENSATIONAL! FAKE NOBLE VS REAL GENIUS

Chapter 1 - 1 1 Clothes Off

1: Chapter 1 Clothes Off 1: Chapter 1 Clothes Off “Take off your clothes.”

“Hurry up, once the photo is taken, you can get the final payment.”

“Remember to get your face in the shot.”

Vague voices were speaking beside her ear, indistinct.

In her mind, a jumbled mess of memories darted around, figures and scenes flickered past her consciousness like fragments, some clear, some blurred, moving now fast, now slow.

Gu Zhiqi felt a buzzing in her head, painful and dizzying, as if it were about to explode.

As Gu Zhiqi’s consciousness slowly became clearer, the muffled conversations she overheard grew more distinct.

“Boss, I’ll take off her clothes.”

“Fuck!

This chick is seriously damn hot.”

“Boss, it’s been a while since we’ve had a taste, and this girl is so pretty.

Before taking the nude photos, can the brothers...”

“Shameless, one at a time.”

“Boss, you go first!”

The noisy, confused chatter continued, and unfamiliar breaths gradually drew near, but Gu Zhiqi could not yet control her body, not even to open her eyes.

The unfamiliar breaths came closer, several of them.

Even closer.

Gu Zhiqi tried again to control her body.

Someone began tearing at her clothes...

“Ssshrrr”

As her neckline ripped open, Gu Zhiqi’s eyes suddenly flew wide open.

In front of her, a burly man was aggressively tearing at her clothes, his lips twisted in a lewd, sly grin.

Gu Zhiqi narrowed her eyes slightly, and a cold, fierce light suddenly surged in her gaze.

The burly man didn’t notice Gu Zhiqi had opened her eyes, still eagerly stripping her clothes, his gaze lecherous, spouting filthy words.

“Damn it!

She’s so tender you could squeeze out water.”

“Come on, let daddy take good care of you... Ahhh!”

Before he could finish his sentence, the burly man let out a pig-like shriek.

Gu Zhiqi moved so fast that no one saw how she got up, and by the time the nearby henchmen reacted, the burly man was already under Gu Zhiqi’s foot, on a certain unmentionable spot.

Gu Zhiqi wore a cold, sinister smile and slightly lowered her head, looking down at the man underfoot with a chilling voice, “Does it hurt?

Huh?”

“You... You bitch... Aaaahhh!”

“It seems not painful enough.

Well, let’s continue.” The smile on her lips grew even colder and more unrestrained.

As the other henchmen stood frozen, Gu Zhiqi’s foot had already ground into their boss’s inner thigh several times.

Scream after scream sounded, making one’s scalp tingle just by listening.

“You whore, daring to hit the boss!

Brothers!

Kill her.”

Finally, amid the screams, the henchmen came to their senses and rushed towards Gu Zhiqi.

Gu Zhiqi casually kicked away the person under her foot and seized the club swinging towards her, then kicked the attacker.

“Bang”

The man she kicked flew backward sharply, knocking down three or four others.

Another three or four people emerged, and Gu Zhiqi, wielding the club she had snatched, swung it at someone nearby.

The man spun around from the blow, spitting out a mouthful of blood before collapsing to the ground.

Another assailant approached, and Gu Zhiqi poked him in the stomach with the club, followed by a kick, sending him flying outright.

“Boom”

He crashed into a pile of discarded oil tanks.

Afterward, finding the club cumbersome, Gu Zhiqi tossed it aside and began to fight bare-handed against the remaining assailants.

Though these men appeared hefty and formidable, they turned into mere chicks in Gu Zhiqi's hands, with virtually no room to fight back.
