

Sensualist's

Chapter 155

In the morning, Yang Yu wakes up and stretches. Deeply exhaled, very calm down to go downstairs to brush teeth, wash face, dressed himself handsome. Then he warmed up two hard steamed buns, chewed them up, took a flashlight, and then went to the firewood house to get a firewood knife, which was inserted on his waist. This posture is similar to Zhou Xingchi's stripping with a pig killing knife in "homemade 007".

They are as bright and dazzling as fireflies in the night.

Yang Yu went to Taohuayuan with a firewood knife and a steamed bread.

There is a hot spring in the north of Taohuayuan, which is the favorite place for village women. They always like to swim naked there, and generally don't let men go. There is an abandoned altar in the south of Taohuayuan. Yang Yu came here once. The last time he came here, he was still cheating with his sister-in-law Han. As a result, he met Li Ruolan. Fortunately, he was clever enough to cope with it.

This time, Yang Yu came to the ruins.

There was a door under the ruins. It was locked tightly. The door was very old and broken. It was full of dust, but the lock was new. Could anyone use it?

Without saying a word, Yang Yu took the firewood knife and chopped it down. The door was opened. It was dark inside. Yang Yu opened the flashlight he had already prepared and went in. It was full of discarded things, many of which were related to Christ, such as sculptures and doors. Yang Yu was walking in the house, looking at it. Suddenly he stepped on it, but felt loose. When he flashed the flashlight, he found that the area under his feet was very clean.

Yang Yuxin opened the cloth on the floor. It turned out to be a skylight. It was also locked. The firewood knife cut it down directly and pulled up the skylight. A chill came. Yang Yu was not surprised. It seemed that all this was expected.

When the flashlight shone down, he found that it was not very deep, so he jumped down. He quickly took the flashlight and found that it was a tunnel. The tunnel is very deep. I don't know where it leads. It seems that it has been abandoned for a long time.

Is this a bomb shelter? Yang Yu thought. Maybe the devils came to this village during the Anti Japanese war.

There are two ends of the tunnel. Yang Yu calculated the direction of the tunnel. It might go deep into the bottom of the mountain, so he walked back. Sure enough, he didn't walk two steps before he reached the bottom and saw a door. It was the same firewood knife that opened the glottis with a few clicks.

It was dark inside. Yang Yu took a flashlight to shine on it, followed the room clockwise, and then saw two people in the corner.

Pop!

Yang Yu finds the switch of the electric light and turns on the light. The light doesn't shake.

"Miss Yang?" Zhang meiruo looks at the man in front of her in surprise and suddenly cries, but Li Ruolan is calm when she sees him.

"How do you know we're here?" Li Ruolan took the lead in asking this question.

"Didn't you leave me an address on the blackboard?" Yang Yu said with a smile and helped Li Ruolan untie the rope.

"What? Is the school flower crying? Oh, my face is still there. I thought he peeled off your face. The school flower would be a big ugly man." Yang Yu even molested Zhang meiruo. When he saw that the usually fierce child was the first to vent her anger, he couldn't resist a word.

Last night, when the surgical scalpel of that pervert swayed in front of her eyes, she really cried for her father and mother. Zhang meiruo was really scared when she came into contact with the mask so close. She finally understood why Yunxi was so scared and why there was a shadow. Now the face still appeared in her mind from time to time.

A terrible face, who saw will remember for a lifetime.

When Zhang meiruo is untied, she pours on Yang Yu's arms and hugs him tightly. This is something Yang Yu didn't expect, but no matter how fierce she is, Zhang meiruo is only a little girl, a 16-year-old girl.

"Well, it's all right, good boy!" Yang Yu stroked her head and coaxed her into saying that this was the first time Yang Yu coaxed the school flower. Zhang meiruo was also the first time to be very gentle in Yang Yu's arms. She instantly understood why Yunxi depended on Yang Yu so much, because Uncle Yang's mind was very safe and warm.

It's the embrace that all women hold and don't want to leave.

What kind of security can a little kid give? Zhang meiruo also seems to understand why so many girls in the class are secretly in love with Mr. Yang.

Yang Yu carries Zhang meiruo on her back. She is already in vain. It's all about crying, struggling and consumption, and more about the destruction of the spiritual world.

"How is sister LAN?" When they were walking in Taohuayuan, Yunv village was already very busy, so

they asked Li Ruolan.

"I'm fine." Li Ruolan is an adult woman, 28 years old. As a reporter for so many years, she has seen many disgusting scenes, many corpses, many abnormal people, but seeing that face also makes her feel terrible.

It seems that the psychopath has a magic power, and the terror emanating from his bones is different from other people's psychopaths.

"Does sister LAN know any policemen? Give me a shout. I'll send Zhang meiruo back. " Yang Yu said.

"That pervert didn't say a word from the beginning. He was covered in disguise. I can't see who he is. I'm afraid the police are coming. Just like last time, I'll come back empty handed." Li Ruolan is also aware of the incompetence of the police, and often just laughs at it. "No, not this time. You just call them over. You know the best. " Yang Yu pauses for a moment, turns to look at Li Ruolan, and says every word:

"I already know who is a perverted murderer."

Li Ruolan opened his mouth wide. Did Yang Yu really find out the perverts? This is a great thing. I didn't expect it. I really didn't expect it.

Four hours later.

Yunv village church.

Many people don't understand why they are called to this church, but when the police ask you to come, you have to come.

There are many people gathered in the church, all of whom Yang Yu asked the police to find. They are people related to the serial abnormal homicide case, including Xiao Xi's parents, the former murderer's family, Mr. Liu's family, village head and Zhang meiruo, Secretary Li's family, little aunt's cousin's three younger sisters' family, Lin Yina, Cui Qiang, Lin Yiyi, Wang Ren, the second elder, Dr. Wu, principal and so on The Christian whose face had been burned before, as well as several other Christians, were also highly respected figures in the village. They were all present.

Of course, reporter Li Ruolan, two policemen and a detective are indispensable.

The detective is Li Ruolan's classmate. He knows Li Ruolan and has a good relationship. He usually comes to play and is reliable. He has just taken over the case.

"Mr. police, what's the matter with you calling us here? "The second elder is obviously the most dissatisfied. Today, Sunday, he was supposed to be teaching, but he was occupied. There are still some people waiting outside, and they don't know what happened.

But the doors and windows are locked, the curtains are drawn, and the Christians and villagers outside don't know what happened. It's not easy to have a look around.

After waiting for everyone, Yang Yu came in from the outside, closed the door, took a deep breath, looked around, and then said, "I'm sorry to delay you for a while. I called you here because I want to tell you a story. "

" tell a story, Yang Yu, what the hell are you doing? "Cui Qiang has a bad temper. He has to go up the mountain to cut firewood in the afternoon.

"The story starts 13 years ago. "Yang Yu played the key to the story first. When you listen to it, you suddenly become interested in what happened 13 years ago. Especially Xiao Xi's parents, they have a breath in their heart.

Yang Yu slowly reveals the terrible truth behind the serial murder.

Chapter 156.1

"Thirteen years ago, there was a case of abnormal sexual slavery in our village. "When Yang Yu said this, he motioned to Xiao Qian's parents to remind them of the past. I hope you don't mind. After all, in the past so many years, the murderer has been shot, and Xiao Xi's parents have been suffering.

"The girl named Xiao Qian, a junior high school student, was tied up and locked up under the cellar in the back room of the school for several weeks. She suffered all kinds of humiliation and sexual abuse. The killer was disguised as suicide, drank alcohol, tripped and fainted. As a result, she was found in the morning, and finally admitted her crime and was shot. "When Yang Yu talked about the murderer, he was polite to his parents.

"This case has been closed for more than ten years. What does it have to do with all of us? "People are confused.

"I want to tell you two things: first, there is another murderer. The former murderer, Mr. Liu, is just a scapegoat. "When Yang Yu said this, everyone was boiling.

Mr. Liu's parents were very old. After hearing this, they could not restrain their excitement. They stood up one after another, their legs were still shaking. The old man took the old woman's hand and said with trembling: "I'll tell you, our good son must have been wronged. He is not that kind of person. "

" who is the real killer? "Xiaoxi's parents put in a word. If the real murderer is still at large, does Xiaoxi not die in peace?

"The second thing. "Yang Yu deliberately stopped for a while to give everyone a psychological preparation, because many people don't know about it at all. It's confidential. Yang Yu emphasized and continued:" the second thing is that Xiao Xi was skinned by the murderer before she died. "

many people covered their mouths and were about to vomit.

"Isn't that bloody cruel? "Cui Qiang's character is impetuous. As soon as he heard this, he became angry:" son of a bitch, don't be caught by Laozi. I'll peel his skin, too. Yang Yu, go on. "Cui Qiang didn't want to come. These things have nothing to do with him, but Yang Yu said so, and his interest and anger came.

"Originally, Xiao Xi was dressed in white, but she was stained red by her blood. "When Yang Yu said this, even he was thrilled. When he opened the door in that dream, he saw Xiao Xi standing on the stairs in red clothes. Later, he noticed that the red clothes were dripping blood, and Yang Yu suddenly realized.

"Now that face is still in the hands of the real killer, which is also the most direct and powerful evidence that Miss Liu has been wronged. And my cousin and my cousin have met, they are also witnesses. The material evidence and human evidence are complete enough to vindicate Mr. Liu. "

When Yang Yu said this, his eyes were on the parents of the former murderer, Mr. Liu. The two old people had already wept with joy. This is the happiest thing they have heard in the past decades. It's gone. Because the son's killing is carrying the reputation of perverts, the two old people really have a hard time, but there is nothing more painful than the loss of their son.

The most painful thing in the world is that white hair people give black hair people.

No, absolutely not, absolutely nothing more painful.

"Where is the evidence now?" Detective Lei asked, the police are most concerned about evidence when handling cases, so detective Lei is also most concerned about this, otherwise he can't arrest people.

"Don't worry, officer ray. I'll find it out. Give Xiao Xi justice. "Yang Yu continues to say, and the parents of Xiao Qian have already been crying. What material evidence is her beautiful daughter's face.

"This is the first crime committed by a perverted sadist. Since then, there have been countless crimes. I don't know how many people he has killed and how many faces he has skinned in the past 13 years. Until a few months ago, he even attacked my cousin Yunxi. Fortunately, I found a hiding place and rescued her. I doubted Dr. Wu in the middle of this. I'm sorry again. "Then Yang Yu nodded to Dr. Wu, saying that he was very sorry.

It's very quiet, listening to Yang Yu all the time.

"Several bodies have been dug up from the cellar, all of them are still rotting, and there is a survivor. These may be things that we all know, but there are two things that we don't know. "Said Yang Yu.

There is another discussion under the stage. Isn't Yang Yu adjusting everyone's appetite?

"The first thing is that the perverts are very attached to the cross, and even make a lot of obscene and

disgusting abnormal behaviors towards the cross; the second thing is that there is a mural in the cellar, which depicts the twisted last supper, and there is no Jesus, and the mural also says "I am watching you in the dark. ". "Yang Yu said, looking at the expression of everyone below are not the same, deliberately pause for everyone to digest, and then said:" these are things you don't know. "

" what's wrong with the cross? It's not a woman. Does he want to shoot through? What a fool. "Cui Qiang disdains and hates him. He is a very straightforward person. If he has something to say, he never puts it in his heart. It's actually the best way to make friends with such a person. You don't have to worry about being counted at all.

"Only the devil will look at you in the dark, and Jesus will only bring light. Presumably, this mural means that the devil wants to replace Jesus and corrupt the twelve believers together. "The second elder also interpreted the meaning of perverts according to his own ideas."The twelve believers of Jesus have already become the Holy Spirit, and the devil can't stand it. "Another Christian replied.

"The second elder's interpretation is very profound. I'm afraid I can't see it. However, based on these two points, I speculate that the pervert is a Christian. "Yang Yu made the word " Christian "a little louder.

"Well! "The old woman who spoke just now gave a cold hum and stood up:" Mr. Yang, you are talking about evidence. If you dare to insult the children of the holy God, I'm afraid you don't want to stay in the village. "

" what elder Hu said is, so I will show you the evidence to convince you. "Yang Yusi did not show any weakness. He called all the people together today and had already made preparations in his heart.

"Yang Yu, go on. "Sergeant Lei interjected that he has the greatest power here, and even represents the law, so Yang Yu specially invited him to suppress it.

"So, later, sister LAN and I often came to church, in order to catch the demon of sexual perversion and serial killing hidden in the aura of the God of kindness and fraternity. "Yang Yu put a lot of emphasis on" perverted serial killers. "

"We think that the pervert is a person with mental deformity. The reason for this shadow is likely to be childhood trauma or ridicule, while wearing masks is likely to cover up the inner and secluded thoughts, so we found Ma Qi." Yang Yu nodded to Ma Qi again, which was also polite. Ma Qi was the Christian whose face had been burned and turned ugly 13 years ago and was ridiculed by the villagers.

"Ma Qi is a Christian. Thirteen years ago, his face was burned and his mask was used to hide himself. He was ridiculed by the villagers for a long time, which led to his heart deformity. At the same time, he was single and needed to vent his sexual desire. All these are in line with the profile description of a pervert." Yang Yu said that these are around Ma Qi, but also said to all people, in order to tell everyone that ridicule makes people hurt, it is likely to give birth to a pervert.

"Ma Qi is that pervert?" Cui Qiang suddenly stood up with sparks in his eyes. Cui Qiang is really funny.

The pervert didn't catch your wife and didn't look for you. What are you excited about?

"Ma Qi is not that pervert! Fingerprints don't match. Time of absence. I made a mistake, so I apologize again." Yang Yu bowed deeply.

Ma Qi was even more embarrassed. He stole his fish, but Miss Yang didn't feel at ease at all. He was a Christian and did such a thing. He suddenly felt that he realized the meaning of God, just at such a brilliant moment.

"Mr. Yang, tell me the main point quickly. Do you catch the perverts in the end?" Lin Yina also said impatiently.

But other people, village head, secretary, cousin, Ruoshui and so on, are listening to Yang Yu's analysis wholeheartedly, because they all know in their hearts that Yang Yu is not only telling stories, but also listening to reasoning.

However, there are two people who are very interested in the whole reasoning process. One is Li Ruolan, of course. She wants to write a report, and she admires Yang Yu's observation ability and logical ability. The other is Li ruoreng, who has nothing to do with it. But Yang Yu is very handsome when she talks on stage.

He is so handsome that Li ruorrong has been looking at Yang Yu. Yang Yu has deliberately avoided her eyes several times.

It's a real seduction. In front of so many people, if the water is there, you elder sister should be looking at me so affectionately.

How can you feel!

"Don't worry, there will be something you want to hear." Yang Yu replied, drank some water, and then continued: "after I got the wrong person, I began to look for a new breakthrough. One day I went to Secretary Li's house for dinner, and a sentence from Secretary Li suddenly woke me up, saying: "if I were Jesus' "

Secretary Li Zou frowned, but he didn't expect that he still had something to do with himself?

"Murals, without the last supper of Jesus, I suddenly realized that the pervert thought he was Jesus, Jesus came down to earth, Jesus came into the world, so Jesus was not painted in the murals. Therefore, sister LAN and I suddenly understood that everything is related to religion

"Naturally, the reason why perverts choose their targets must have something to do with religion. We start to look and look, and finally one day." When Yang Yu said this, he went up to Yunxi, gently stroked his head, like doting on a child, and then continued: "one night, my cousin Yunxi asked me what day my birthday was. Only then did I know that Yunxi's birthday turned out to be Easter."

Everyone listened quietly, looking forward to Yang Yu's new discovery.

"With another flash of inspiration, I found out that all the victims' birthdays were religious festivals. Xiaoxi's birthday was epiphany, and so were other victims. I finally found the law of perverts' choice of victims. The next important festival of Easter is the ascension of Jesus. This year's May 10th is Zhang meiruo's birthday." Yang Yu turns to look at Zhang meiruo.

Zhang meiruo, with her mouth open, was surprised because she didn't know these things at all. Suddenly, she understood in an instant that teacher Yang asked me to move in with them, not to make up lessons, but to protect me? Zhang meiruo burst into tears, and she turned out to be the next target of the pervert. Yang Yu wholeheartedly wanted to protect me, but I kept cursing him and cursing him behind my back.

"Sure enough, yesterday, Zhang meiruo was taken away." Yang Yu said that he had been looking at Zhang meiruo. Zhang meiruo's kidnapping is certainly a bad thing for Yang Yu, but there is also a good thing, that is, his reasoning is correct, and there is no better way to prove the correctness of the theory than practice.

"Why did the pervert bind me? And how did you find us?" Li Ruolan is also curious about this problem. It's true that Li Ruolan has found something, but she wants to give Yang Yu a chance to express herself and listen to Yang Yu's logical reasoning.

"I don't know." Yang Yu simply replied, "I didn't know the pervert would catch you."

But Li Ruolan laughed and said, "because I met him, he can only arrest me."

This time it was Yang Yu's turn to be surprised, but he soon understood.

"You go on." Li Ruolan said with a smile to Yang Yu that she suddenly found that she was more and more interested in Yang Yu.

Yang Yu also laughed. He did not expect that he would have such a tacit understanding with Li Ruolan, so he continued: "the reason why I can find the place where sister LAN and Zhang meiruo are bound is because of that sentence: everything is related to religion. People, time, law, purpose and world outlook are all related to religion, but one thing is missing, that is, place. "

Yang Yu's appetizing remarks and reasoning have made the villagers feel amazing.

"The first victim is the school, and the second is the old house to the northwest of Taohuayuan." Yang Yu turned around and said to elder two, "elder two, I went to see you last night. Can you tell us what these two places used to do?"

When the second elder was asked, he didn't really want to talk, but when people looked at him, they

had to answer, "more than ten years ago, the school was originally an old church, but later it was transformed into a school. Later, we temporarily took the old house as a church, until five years ago, after the church was established, we moved back."

"Thank you very much for the answer from the second elder. It's really unexpected, especially for people from other villages like me. I really don't know that these two victims were churches. So where is the third victim?" Yang Yu asked.

"The church, too. here? But you said my daughter didn't find it here?" Secretary Li answered first.

"In addition to the school, the old house and the church, the fourth sacred place related to Christ in the village is the ruins altar in Taohuayuan." Yang Yu said confidently, then turned around and looked at Li Ruolan.

Li Ruolan has no taboo about her eyes. She just looks at Yang Yu like this. The look in her eyes is more and more like Li ruoreng's seductive eyes.

Yang Yu then said to Li Ruolan, "I believe elder sister LAN, you found this, so yesterday at noon, you didn't even care to eat, so you went to the ruins. But who knows, the perverts are also there. The perverts are afraid of exposing themselves, so they have no choice but to bind elder sister LAN. Sister LAN, am I right?"

"Smart!" Li Ruolan raised his thumb and said, "it's a pity that he attacked me from behind, and I fainted without seeing him clearly."

"Yang Yu, I'm here to arrest people. I'm not here to listen to you. Just tell me. Who is the pervert in this? I'll take him back and chop him." As soon as police Lei heard that his friend Li Ruolan dares to arrest him, he has already been furious, because police Lei and Li Ruolan are classmates, and they have been secretly in love with her. Unfortunately, they have never expressed their love. Now they are married, and Li Ruolan is still alone.

What Sergeant Lei said caused a great disturbance.

"Officer, are you kidding?"

"Yang Yu, what do you mean? Is that pervert here?" Cui Qiang has doubts on his face.

"Yes, that pervert is one of you now." Yang Yu said word by word.

"Miss Yang, you're making a big joke. It's all my own. How can it be?" Cui Qiang feels that it's time for Yang Yu to take medicine and say such boring words.

"Yes, Mr. Yang, are you mistaken? I know all the people here. They are all good people. There is no pervert." Even if he has been a village head for several years, he doesn't know who he is.

Yang Yu's joke is really serious.

"I dare to say that I'm sure I can find him out." Yang Yu's eyes became sharp.

There is a lot of discussion, some are surprised, some are disdainful, some think Yang Yu farts, and others think it's time for Yang Yu to take medicine.

Sergeant Lei patted the table and yelled, "everyone be quiet!"

Suddenly, the church was silent.

"Yang Yu, just tell me who it is?" Asked Sergeant Lei.

Yang Yu followed the crowd step by step and went to the back of the crowd, but he was not in a hurry to say. "Yang Yu, please tell me quickly. I'm so anxious." Cui Qiang is an acute man. He can't stand this kind of rhythm.

Yang Yu went to Dr. Wu, looked and passed. He went to Ma Qi's back, looked and passed. Finally, he came to the Christians and passed. He went on in a circle. Finally, he came to Cui Qiang and looked at him.

"Yang Yu, what are you looking at me for? I'm not that pervert." Cui Qiang is nervous when he is seen by Yang Yu.

"It's not you. Why are you sweating so much? What are you nervous about?" Yang Yu asked.

"You look at me like this, how can I not be nervous? Besides, the police are still there, and I'm timid." Cui Qiang wiped his sweat and said with a smile.

"Yang Yu, have you been kicked in the head by a donkey? Why do you suspect my husband?" Lin Yina scolds, she knows Cui Qiang's character, although stingy, narrow-minded, or 12 seconds brother, but this kind of abnormal things, he absolutely can't do.

"Serial homicide psychopath is" Yang Yu raised his finger, pointed at Cui Qiang, also looked at Cui Qiang. Cui Qiang swallowed deeply, his legs trembled, and the sweat on his forehead rolled down.

All of a sudden.

Suddenly Yang Yu turned around and pointed to Wang Ren. At the same time, his mouth also said: "it's you, brother Wang Ren."

Everyone's face changed.

It's turning blue.

Quiet. The church is terrible.

Everyone was stunned.

This!

Unexpectedly, Wang Ren is the best man in the village. The most honest love to help others, the most loving wife of a good man's model man ah.

It was quiet for half a minute. No one spoke.

All of a sudden.

Lin Yiyi stood up, glared at Yang Yu and said: "are you kidding? My husband is a recognized good man. How can he do such a thing? And he"

is that right

Chapter 156.2

"Yiyijie, look at me!" Yang Yu also widened his eyes, and his face was very serious. He said word by word, "do you think I'm joking?"

"No way, you are just messing about. What evidence do you have to prove that my brother-in-law is a psychopath? If you can't prove it, I'll chop you with a firewood knife!" Cui Qiang said fiercely that he would eat people when he was fierce.

"Yang Yu, you must be mistaken. Don't you know who my brother-in-law is?" Lin Yina roared, too.

Everyone is speaking for Wang Ren.

"Yes, is Yang Yu mistaken? Brother Wang is such a good honest man. How can it be?" Even village head Zhang stood up to speak for him!

"Yes, brother Wang Ren is definitely not. Yang Yu, you must have wronged him." Even my aunt came out to help talk.

Everyone speaks for Wang Ren!

But Yang Yu roared: "shut up!"

The voice rang through the whole church, and everyone was quiet. Lin Yiyi, Cui Qiang, Lin Yina, village head and others all stood and looked at Yang Yu, but they all shut up.

"Just because he is honest, just because he is a good man, just because he is a model man, we don't doubt him. We don't even believe that I killed him, but it's just like this appearance. Even if I'm a little late, Zhang meiruo and Li Ruolan, maybe they are not living now, but a cold corpse." Yang Yu roared, roared at the village head, roared at Lin Yina, roared at everyone.

All of a sudden, this sentence calmed everyone.

Yang Yu suddenly became like a raging beast.

"Well, I don't care about that, but you should know that my husband does that." Yang Hongyu found that she was not serious about her eyes.

"What about your husband? What can't he do? " Yang Yu asked.

Lin Yiyi shut up, Lin Yina is also hard to stare at Yang Yu, thinking, don't you know it? My brother-in-law doesn't give up. How can a man abuse a woman???

Lin Yiyi raised his head, looked at Yang Yu, and said word by word: "my husband doesn't give up, so far, I haven't had sex with him once!"

With these words, the church is boiling again.

There is a steady stream of discussion.

"No? Wang Ren doesn't? No wonder we haven't had children for such a long time. I see

"My brother-in-law doesn't give up? Married for so many years without sex? But is it really the case? No wonder Yiyi and Yang Yu had sex in the woods last time. That's why. " Cui Qiang thought, but still couldn't believe it.

"Be quiet!" Sergeant Lei slapped the table again.

All of a sudden, there was silence again. Everyone was waiting for Yang Yu to speak. If Wang Ren really didn't give up, it would be impossible to carry out sexual abuse, which would not be tenable. Yang Yu would beat himself in the face, and he would still beat loudly.

But, Wang Ren does not lift, how can Yang Yu not know? It's because I know that I didn't doubt him from the beginning to the end, even the first man who was excluded from the suspicion.

In addition to Wang Ren's character and reputation, no one can doubt him. Yang Yu is also dead and can't believe it, but Yang Yu finally made such a crazy decision.

"What? Is elder brother Wang Ren not going to raise it? " Yang Yu deliberately said, this is to ask, looking

at Lin Yiyi, Lin Yiyi has never been so excited.

"Can you prove that he didn't have sex with you? I haven't slept with Li Ruolan. Can it prove that I didn't? What's the logic? Does not your husband have sex with you prove that he has not? What the hell is the logic Yang Yu denounced Lin Yiyi for the first time, because in front of principle, logic and reason, a woman's IQ will drop to zero.

"Good! Then show me the evidence! " Lin Yiyi will never accept this fact, if his husband did not give up, and after marriage did not go to me? What the hell is this dog day life!!!

From the beginning to the end, Wang Ren did not say a word, that is, did not admit or deny.

"Sister LAN and I have analyzed all the Christians in our village, but we have not found a suspect. No one has abnormal behavior. He has hidden so well, so well, so perfectly." Yang Yu continued: "so, we have to try every means to carry out the plan to lead the snake out of the hole. Even if it's just a little detail, we don't want to let it go, so."

Yang Yu turned his head to the second elder and the Christians and continued: "so one day, I made a cross which is very similar to that in the abnormal cellar and put it in this church. I think you saw it that night."

"As a devout Christian, when he suddenly sees such a sacred thing, he must treat it with reverence, sincere attitude and expression. For example, second elder, didn't you pray to the cross?" Yang Yu asked, he does not need to answer the two elders, two Presbyterian tacit.

"But a real pervert will be surprised, confused and even reactive." Yang Yu explains that Yang Yu always wants to put himself into the world view of that pervert and murderer. Before going to bed, he thinks about this: if I am a pervert, what will I do? What would be my reaction?"Sure enough, brother Wang Ren was surprised, but I didn't pay attention to this detail at all, because I didn't doubt him at all. But then I saw the second scene. I found that brother Wang opened his eyes to look at the cross when he was praying in the middle of the way, and brother Wang, who didn't lift, had a slight physical reaction and even lifted up his underpants It's not high, but as a man, I'm very sensitive and can judge it all at once, which makes me very surprised. Because "not giving up" is the fundamental reason why I exclude brother Wang from being a pervert. " Yang Yu didn't say that he knew elder brother Wang Ren didn't give up. Did he say that Lin Yiyi borrowed seed from him?

"Even at this moment, I was just wondering, not doubting, but I didn't want to let go of any details. So after the church prayed, I went back after everyone left. I saw brother Wang cleaning, but the cross was gone. Brother Wang told me that he was carried away by a stranger. " Yang Yu talks and complains, and everyone listens.

Yang Yu didn't even tell Li Ruolan about these things, because he was afraid that he was wrong.

"I'm surprised that strangers came to help take the cross. Brother Wang, as the logistics administrator,

you didn't stop and ask? Ha ha, I have been chasing along that road for a long time. I have asked several families, but I don't even have a personal picture. I suspect brother Wang is lying. " Yang Yu said.

"When I got home, I began to think about all the things related to Wang Ren. First of all, brother Wang Ren has been to Taohuayuan. I heard from your wife more than once. I also met you once. At first, you said that you were passing by, but later, you thought that the direction of Taohuayuan and your family could not go together. It's also the main road to go. How can you go around for a long time instead? Since he is not passing by, what does brother Wang do in Taohuayuan? Because you're going to the abandoned altar. Doubt one. "

"Second, brother Wang is actually a vegetable supplier in our school canteen. For many years, I have met you in our office. You have a good relationship with the principal." Yang Yu, of course, took a special look at President Chen and continued: "our student status files are simply put in the drawer. Of course, they are usually locked, but it doesn't mean that you can't see them. You can see the student status files and know every student's birthday. This is the second doubt. "

"Third, you happen to be the back office hygienist of the church. It seems that you work for the church for free. In fact, the cellar in the church has become your back garden. Another condition is met. "

"Fourth, a few days ago, I sent Zhang meiruo home, and you helped me send my cousin home. In fact, Zhang meiruo went home by herself, and I came back later. I have been behind you all the time. Frankly speaking, I really took my third sister as bait. Of course, I failed. Later, my cousin told me that I felt very uncomfortable when I went home with you, of course, because it was you If you tie her, you're almost there. Don't underestimate a woman's sixth sense. "

"All these doubts point to your brother Wang, but I still don't believe it. Even last night, my cousin took a bath and you were peeping. When I went to Lin Yina's house, he suddenly disappeared, while your brother Wang suddenly appeared. " Yang Yu said with a smile, all these things are too coincidental: "more than that, I specially played a play with my cousin, my cousin deliberately screamed, and the bloody words on the wall, in fact, my blood, I want to test your reaction, I also specially asked brother Wang to help me clean, in fact, I was hiding upstairs peeping at your every move, I just want to see, when you When you see the words you have written, what's your expression and mood

Listening to Yang Yu's words, the crowd concentrated.

Yang Yu turned to Lin Yiyi again and said: "in fact, sister Yiyi has suspected your husband's abnormal behavior for a long time. For example, she often goes out at night and is in a daze. She suddenly changes her personality and laughs strangely. In terms of a woman's sensitivity, even if she doesn't know what she is thinking, she will feel it."

Lin Yiyi was speechless, how could she not feel, sleeping with him for nearly five years, but could not guess what he was thinking? Lin Yiyi suddenly understood a lot of things and became scared. He understood that he had let himself borrow seeds, but he was angry when he was killed by Yang Yugan. He understood why his husband sometimes didn't go to bed in the middle of the night, and he

sometimes showed a terrible and strange expression. However, Lin Yiyi couldn't convince himself and couldn't accept it. The man who had been sleeping with him for five years was surprised. After five years of deceiving herself, she turns out to be a serial killer. Lin Yiyi can't accept this fact. She has to struggle:

"Hum! These are just your reasoning and Mr. Yang's wishful thinking. Do you have any evidence, direct evidence?" Lin Yiyi's tears have sprung up.

After listening to Yang Yu's words, other people hesitated, not because Yang Yu was right, but because they did not know the heart of the people.

Cui Qiang did not stand up again to refute. He was afraid that his brother-in-law was really that kind of person. How could he accept it?

"It's not easy to get evidence. I have three." Yang Yu said with confidence that if there was no evidence, he would not come. If there was no evidence, he would not make such a big bet to lose face. This is the third time he has arrested a suspect. Yang Yu continued: "All the above doubts are just my reasoning. Even so, I still don't believe that brother Wang will be the pervert. Until last night, last night, I saw something and completely listed brother Wang as the number one suspect."

Yang Yu's saying this aroused everyone's curiosity, especially Li Ruoshui. What did Yang Yu find last night?

"I found an old picture!" Yang Yu took out an old photo from his arms and held it up to the public. Then he said, "This photo is a class photo taken 13 years ago. It's also the day when Xiaoxi disappeared. Xiaoxi wore this dress and a white skirt on her last day. Many people have seen this picture. Lanruo, my cousin, I and Xiaoxi's parents have seen it. At the beginning, they only looked at this picture to confirm the person and whether the face is Xiaoxi. But we have overlooked a very, very important point. A very important clue hidden in this old picture." Yang Yu said, and specially took out a magnifying glass.

Li Ruolan was curious. She had seen this picture many times, but she didn't find anything suspicious. How sharp are Yang Yu's eyes.

"Officer Lei, can you help me see what you see in Xiao Xi's face?" Yang Yu handed the photo and the magnifying glass to officer Lei, who looked at it carefully.

A few seconds later, officer Lei raised his head and said, "I saw Xiao Xi. She was scared and scared."

"Yes. Can you look at the person on the left side of the background for me again?" Yang Yu continued, and Sergeant Lei looked at it again. A few seconds later, he said, "I saw a sinister, smirking, ferocious man."

Yang Yu took the photo and the magnifying glass, and this time, for the first time, he said to brother Wang, "brother Wang, do you want to see for yourself what you looked like 13 years ago? If I guess correctly, 13 years ago, brother Wang should have been a logistics officer in the school canteen. Mr.

Chen, isn't he? " Yang Yu turned around and asked President Chen.

Principal Chen nodded with acquiescence.

"Looking at their angles, Xiao Qian didn't look at the camera at all. Instead, she turned and looked away. At the same time, brother Wang was also looking at the past. Due to visual errors, we couldn't judge whether they were looking at each other. Was Xiao Qian so frightened because she saw Wang Ren? fear? Because she knew that man would be bad for her, but she didn't dare to say. Is brother Wang also looking at Xiaoxi? The picture looks like this, but actually, I don't know. Fortunately, I am a math teacher. Fortunately, there was a sun that day. " Yang Yu said, and took out a piece of paper from his pocket, which was the geometric map drawn last night, and then said: "I drew this geometric map by using the comparison of light and shadow, the height ratio and the distance ratio. The two circles are the positions of the two people, and the 30 degree and 45 degree are the angles of the two people turning around. Last night, I made an experiment with my girlfriend, and found that It's true that the person in Xiaoxi's photo is brother Wang. You are also looking at her. Can you explain why Xiaoxi looks frightened and scared, and you look like a smirk and ferocious

Yang Yu's calculation and reasoning are really painstaking. It's also this photo that makes Yang Yu and brother Wang suspect. Too many coincidences are not coincidences.

"Do you want me to guess what happened when you first committed a crime 13 years ago? You don't know that you are abnormal. You tied the first girl Xiaoxi with your worldview and locked her in the cellar for a few weeks. She suffered from your sexual abuse and torture, and you skinned her while she was alive. Wow, I'm almost there. You've studied medicine, but you're a veterinarian. I'm afraid no one knows about that. " Yang Yu won't let go of any details. It certainly needs technology to peel off the skin alive. Yang Yu is trying to infuriate Wang Ren. This man is too rich and too deep. Yang Yu must take risks to infuriate him. The pervert will only enjoy his own world.

"Xiao Xi's blood ran down her cheek and stained the white skirt. It turned red all day long. You were suddenly afraid. After all, it was the first time that villagers outside were looking for it. You knew sooner or later you would find it here. Are you afraid?" Yang Yu walked to Wang Ren gently.

Wang Ren kept his head down and didn't speak, but Yang Yu didn't care. Yang Yu squatted down and continued to say to him:

"so, you want to find a scapegoat, and you suddenly think of a person, Miss Liu, because Miss Liu loves Xiaoxi deeply and is a coward. No one is more suitable than him to watch his beloved woman die in front of you It's too late. What's as like as two peas in your mind, downhearted, unable to get away from the world where your loved one died, Liu admitted everything. He just wanted to die with Xiao Xi. He was a coward. Two lives, that's it. "

After listening to this translation, Xiao Qian and Liu's parents had already stood up and rushed over, but they were still stopped by the crowd, and the cry immediately rang through the church.

Wang Ren still didn't speak.

"The evidence is not enough. It's just your reasoning." Lin Yiyi is still refuting for Wang Ren.

"Don't worry, there are still two evidences. Let's look at the most direct evidence first." With that, Yang Yu took a shoulder pole from the corner. What kind of evidence can a shoulder pole be?

"This shoulder pole was used by you to carry vegetables out of the mountain for our family a few days ago. I really appreciate brother Wang's help, but this morning I took this shoulder pole and asked sister LAN to go to the police station for fingerprint comparison. The result is" Yang Yu took out a piece of paper from his pocket and opened it to everyone.

"It turns out that your fingerprints match those in the cellar of the old house." When Yang Yu said this, he even turned pale. This is the end he didn't want to see. But this evidence also directly proves that Wang Ren is a real pervert.

At this time, the church was silent. Those sitting next to Wang Ren suddenly moved away and fled to other corners in fear.

"It's impossible. You slandered it and framed my husband, right?" Lin Yiyi cried and roared, but no one answered her.

"Enough!" Wang Ren spoke for the first time.

Wang Ren stood up and looked at Yang Yu. He was still honest.

"Perfect reasoning, perfect demonstration, teacher Yang is really brilliant." Wang Ren took a deep breath, sighed and said, "but some reasoning is wrong. For example, I didn't find Mr. Liu to be the scapegoat. For example, I really passed by Taohuayuan that time. For example, I didn't take the cross away. You're wrong about all this, but maybe it's destiny. "

When Wang Ren said these words, it was understated.

"Why? You tell me why? You have such a good wife, such a happy family, why do you do such a thing? It doesn't matter if I'm disappointed. You let Yiyi down too much. " Yang Yu's eyes are red because he doesn't want to accept this fact.

Chapter 156.3

But this is the fact, the fact is very, very heartless, indifferent.

"Why? Don't you already know? " Wang Ren's face suddenly changed and everyone didn't know him, even Yiyi's elder sister.

"You are not Jesus!" Yang Yu said coldly.

"Yes? Ha ha ha Wang Ren suddenly laughs and laughs. Everyone feels scared when they see him. Even Yiyi is scared. Is this man really his husband?"

All the villagers dare not accept and believe that how can Wang Ren be like this? How can the honest, kind-hearted Wang Ren be such a person?

"Don't you have a third piece of evidence? I want to hear more." Wang Ren had no fear of his own disaster.

"Then I'll draw a happy end to my reasoning." Yang Yu stares at Wang Ren and says, "the school, the old house and the altar are all related to Christ, and all of them have a cellar. If I'm not wrong, there should be a cellar under this church. Maybe it's your commander-in-chief. Let me guess what's hidden inside? Xiao Xi's face? The cross that made you fly? Your dress? And the girl's bones?"

Yang Yu can't bear to say these words any more. He is afraid. What terrible things are hidden in the cellar under his feet?

"Open the cellar door." Sergeant Lei has taken out the handcuffs and is ready to put them on.

Wang Ren turned around and walked in the direction of the general store of the church, where everyone just avoided, as if he had seen a ghost.

Cui Qiang, Lin Yina and Lin Yiyi are all in a daze. They can't accept the fact. The two women hold each other and cry together. Xiao Xi's parents and teacher Liu's parents also cry together. The cry resounds in the church.

There is a cross embedded in the top of the church hall, which stares at Jesus. Jesus doesn't move. He seems to be indifferent to the sadness, separation and suffering of the world. Is he really God?

God loves the world? Ha ha, formed a bright irony!

Yang Yu, Li Ruolan and three policemen followed Wang Ren. Others, village head, secretary, headmaster and elders followed and went to the grocery store.

Wang Ren took out the key and opened the door with a click.

All of a sudden.

Wang Ren cheered up the miscellaneous goods and threw them back. Yang Yu quickly hugged Li Ruolan, and several boards hit Yang Yu's back. There were many nails on those boards, which made Yang Yu sweat. Almost, if these rusty nails had just been nailed into his head, he would have died.

"Still want to run?" Police officer Lei quickly took out the pistol and ran after it. It was dark inside, and

Wang Ren was gone.

Police officer Kelei had already prepared a flashlight. Looking inside, he found that it was a down stairs. He ran down quickly. Yang Yu, Li Ruolan and the other two policemen all followed.

Yang Yu led Li Ronglan for a while, and found that there was a light in front of him. He also saw officer Lei standing there, so he ran quickly.

Oh, my God.

Yang Yu will never forget the scene in his life!

Shocked!

Shocked!

Everyone was shocked, and even the two policemen vomited.

What terrible scenes did they see?

In front of me is an underground hall. It's bright and spacious. There are not many things.

But this hall is full of things.

That thing, unexpectedly, unexpectedly, is a human skin, there are dozens of it!

The dozens of human skin hanging in the air, swaying, this scene is terrible, terrible.

All the women screamed directly.

Everyone was shocked.

In front of the hall, there is a big chair, just like the emperor's Dragon chair, on which sits Wang Ren. Wang Ren is looking at these human skin masks with a ferocious face, full of excitement and enjoyment. Lin Yiyi finally understands that where Wang Ren often goes out in the middle of the night is to come here to "enjoy" his climax.

"Wang Ren, you are officially arrested. You can keep silent, but what you say will become evidence in court." In the face of such a pervert, Sergeant Lei directly pulled out a pistol and aimed at Wang Ren.

"Arrest me? Ha ha ha ha Wang Ren laughs strangely. He suddenly stands up. At this time, a cross slowly emerges from the seat.

Yang Yu recognized it at the first sight. He was familiar with the cross, the one in the elder's room.

It's black, and it's foggy on the edge.

"You come down!" Sergeant Lei yelled, then pointed to the other two policemen and signaled them to go and arrest people.

Wang Ren stood as like as two peas in the chair, standing in front of the cross, opening his hands, his feet together, his head on the cross, exactly like Jesus's being seen on the cross. Wang Ren leans himself on the huge black cross just like Jesus. "Farewell, Yang Yu, but I will come back to life in three days. We will meet again on judgment day, ha ha." Wang Ren said, suddenly head back a bump, seems to hit some switch.

Ding Ding Ding!

Only when he heard the sound of a dozen nails, Yang Yu found that a nail came out of the cross, penetrating Wang Ren's body, especially the one on his forehead, directly penetrating his head and staring at it.

Wang Ren, like Jesus himself, nailed himself to the cross with his own mechanism. Before he finished, the cross was suddenly pulled up and hung in the air.

Blood down the cross, ticking.

Wang Ren is dead, but he keeps his eyes wide open and looks at Yang Yu.

That's horrible.

Everyone exclaimed.

Yang Yu looked as like as two peas of the same kind of sculpture that hung on the cross of the half empty, Jesus and Jesus, and those eyes that stared at him. Yang Yu suddenly remembered a sentence: "I will gaze at you in the dark."

Chapter 157.1

"Sister LAN and I have analyzed all the Christians in our village, but we have not found a suspect. No one has abnormal behavior. He has hidden so well, so well, so perfectly." Yang Yu began to analyze the reason why he doubted Wang Ren, and continued: "so, we have to try every means to carry out the plan to lead the snake out of the hole, even if it's just a little detail, we don't want to let it go, so."

Yang Yu turned his head to the second elder and the Christians and continued: "so one day, I made a cross which is very similar to that in the abnormal cellar and put it in this church. I think you saw it that night."

"As a devout Christian, when he suddenly sees such a sacred thing, he must treat it with reverence and

sincere attitude and expression. For example, elder two, didn't you pray to the cross?" Yang Yu asked, he does not need to answer the two elders, two Presbyterians tacit.

"But a real pervert will be surprised, confused and even reactive." Yang Yu explains that Yang Yu always wants to put himself into the world view of that pervert and murderer. Before going to bed, he thinks about this: if I am a pervert, what will I do? What would be my reaction?

"Sure enough, brother Wang Ren was surprised. However, I didn't pay attention to this detail, because I didn't doubt him at all. But then I saw the second scene. I found that brother Wang opened his eyes to look at the cross when he was praying in the middle of the way. Moreover, brother Wang, who didn't lift, had a slight physical reaction and even lifted his Underpants, although not high, but as a man, I am very sensitive, immediately judged, which makes me very surprised. Because "not giving up" is the fundamental reason why I exclude brother Wang from being a pervert. " Yang Yu didn't say that he knew elder brother Wang Ren didn't give up. Did he say that Lin Yiyi borrowed seed from him? This is not appropriate.

"Even at this moment, I was just wondering, not doubting, but I didn't want to let go of any details. So after the church prayed, I went back after everyone left. I saw brother Wang cleaning, but the cross was gone. Brother Wang told me that he was carried away by a stranger. " Yang Yu talks and complains, and everyone listens.

Yang Yu didn't even tell Li Ruolan about these things, because he was afraid that he was wrong.

"I'm surprised that strangers came to help take the cross. Brother Wang, as the logistics administrator, you didn't stop and ask? Ha ha, I have been chasing along that road for a long time. I have asked several families, but I don't even have a personal picture. I suspect brother Wang is lying. " Yang Yu said.

"When I got home, I began to think about all the things related to Wang Ren. First of all, brother Wang Ren has been to Taohuayuan. I heard from your wife more than once. I also met you once. Brother Wang said that he was passing by, but later he thought that the direction of Taohuayuan and your family can't go on the road at all. It's also the main road to go. How can he go around for a long time instead? Since he is not passing by, what does brother Wang do in Taohuayuan? Because you're going to the abandoned altar, maybe to get something, maybe there's something exciting there. Doubt one. "

"Second, brother Wang is actually a vegetable supplier in our school canteen. For many years, I have met you in our office. You have a good relationship with the principal." Yang Yu said this, of course, with a special look at President Chen, and continued: "our student status files are simply put in the drawer. Of course, they are usually locked, but it doesn't mean you can't see them. You can peek at the student status files and know every student's birthday. This is the second doubt. "

"Third, you happen to be the back-up hygienist of the church. On the surface, you seem to work for the church for free. In fact, the cellars in the church have become your back garden. The Church of the original school, the old house, the temporary church, the ruins, the church and the keys are all with you. Another condition is perfect."

"Fourth, a few days ago, I sent Zhang meiruo home. I asked you to help me send my cousin home. In fact, if Zhang meiruo went home by herself, I always followed you. Frankly speaking, I really took my third sister as bait. Of course, I failed, so I went back to Zhang village head's house. Later, my cousin said to me, I feel very uncomfortable when I go home with you. Of course, I feel uncomfortable, because you once bound her. Don't underestimate a woman's sixth sense. Yes, sometimes

"All these doubts point to your brother Wang, but I still don't believe it. Even last night, my cousin took a bath and you were peeping. When I went to Lin Yina's house, he suddenly disappeared, while your brother Wang suddenly appeared. " Yang Yu said with a smile, all these things are too coincidental: "more than that, I specially played a play with my cousin, my cousin deliberately screamed, and the bloody words on the wall, in fact, I wrote, I want to test your reaction, I also specially asked brother Wang to help me clean, I hide upstairs peeping at your every move, I want to see, when you see And what expression and mood you have written down. "

Listening to Yang Yu's words, the crowd concentrated on these doubts, but none of them were fatal.

Yang Yu turned to Lin Yiyi again and said: "in fact, sister Yiyi has suspected your husband's abnormal behavior for a long time. For example, she often goes out at night and is in a daze. She suddenly changes her personality and laughs strangely. In terms of a woman's sensitivity, even if she doesn't know what she is thinking, she will feel it."Lin Yiyi was speechless, how could she not feel, sleeping with him for nearly five years, but could not guess what he was thinking?

However, Lin Yiyi couldn't convince himself and couldn't accept the man who had been sleeping with him for five years She cheated herself for five years and turned out to be a serial killer. Lin Yiyi could not accept the fact that she was struggling:

"hum! These are just your reasoning and Mr. Yang's wishful thinking. Do you have any evidence, direct evidence? " Lin Yiyi's tears have sprung up.

After listening to Yang Yu's words, other people hesitated, not because Yang Yu was right, but because they did not know the heart of the people.

People are unpredictable.

Cui Qiang did not stand up again to refute. He was afraid that his brother-in-law was really that kind of person. How could he accept it?

"It's not easy to get evidence. I have three." Yang Yu said with confidence that if there was no evidence, he would not come. If there was no evidence, he would not make such a big bet to lose face. This is the third time he has arrested a suspect.

Yang Yu continued: "all the above doubts are just my reasoning. Even so, I still don't want to believe that brother Wang will be that pervert. Until last night, I saw something last night, completely changed my mind, and officially listed brother Wang as the number one suspect."

Yang Yu's saying this aroused everyone's curiosity, especially Li Ruoshui and Li Ruolan. What did Yang Yu find last night?

"I found an old picture!" Yang Yu took out an old photo from his arms and held it up to the public. Then he said, "this photo is a group photo of a class 13 years ago, and it's also the day Xiaoxi disappeared. Xiao Xi wore this dress on her last day, a white skirt. Many people have seen this picture. Li Ruolan, my cousin, I and Xiao Xi's parents have seen it. At the beginning, they only looked at this picture to confirm the person and whether the face is Xiao Xi. But we have overlooked a very, very important point. Li Ruolan was curious. She had seen this picture many times, but she didn't find anything suspicious. How sharp are Yang Yu's eyes.

"Officer Lei, can you help me see what you see in Xiao Xi's face?" Yang Yu handed the photo and the magnifying glass to officer Lei, who looked at it carefully.

A few seconds later, officer Lei raised his head and said, "I saw Xiao Xi. She was scared and scared."

"Yes. Can you look at the person on the left side of the background for me again? " Yang Yu continued, and Sergeant Lei looked at it again. A few seconds later, he said, "I saw the man's sinister, sly smile and ferocious look."

Yang Yu took the photo and the magnifying glass, and this time, for the first time, he said to brother Wang, "brother Wang, would you like to see for yourself what you looked like 13 years ago? If I guess correctly, 13 years ago, brother Wang should have been a logistics officer in the school canteen. Mr. Chen, isn't he? " Yang Yu turned around and asked President Chen.

Principal Chen nodded with acquiescence. Yang Yu passed on the photos and magnifying glass to the village head, who then showed them to Secretary Li.

"Looking at their angles, Xiao Qian didn't look at the camera at all. Instead, she turned around and looked away. At the same time, brother Wang was also looking away. Due to visual errors, we couldn't judge whether they were looking at each other or not. Was Xiao Qian so frightened because she saw Wang Ren? fear? turning around. Last night, I made an experiment with my girlfriend, and found that It's true that the person in Xiaoxi's photo is brother Wang. You are also looking at her. Can you explain why Xiaoxi looks frightened and scared when she sees you, but you look like a smirk and ferocious

Yang Yu's calculation and reasoning are really painstaking. It's also this photo that makes Yang Yu and brother Wang suspect. Too many coincidences are not coincidences.

It seems that the villager is scared, and Wang Yiyu is not really aware of the evil.

This picture was taken on the day when Xiaoxi disappeared. She had a premonition of her own crisis, but it was so unfortunate that no one helped her. And whether she had already asked for help and no teacher believed her or helped her?

People's teacher! What four sacred words! ha-ha!

"Do you want me to guess what happened when you first committed a crime 13 years ago? You don't know that you are abnormal. You bound the first girl Xiao Xi with your worldview and locked her in the cellar for a few weeks. She suffered from your sexual abuse and torture, and you skinned her while she was alive. Wow, I almost forgot that you studied medicine, but you were a veterinarian. I'm afraid no one knows about that. " Yang Yu will not let go of any detail. He will surely need technology if he wants to peel his face alive. So these backgrounds have been secretly investigated. If it hadn't been for that picture, Yang Yu might not have suspected it.

Yang Yu is trying to infuriate Wang Ren. This man's city is too deep. Yang Yu must take risks to infuriate him. The pervert will only enjoy himself in his own world.

"Xiao Xi's blood ran down her cheek and stained the white skirt. It turned red all day long. You were suddenly afraid. After all, it was the first time that villagers outside were looking for it. You knew sooner or later you would find it here. Are you afraid?" Yang Yu walked to Wang Ren gently.

Wang Ren kept his head down and didn't speak, but Yang Yu didn't care. Yang Yu squatted down and continued to say to him:

"so, you want to find a scapegoat, and you suddenly think of a person, Miss Liu, because Miss Liu loves Xiaoxi deeply and is a coward. No one is more suitable than him to watch his beloved woman die in front of you Now, do you enjoy the process and the death of your beloved in front of you? What's as like as two peas in your mind, downhearted, unable to get away from the world where your loved one died, Liu admitted everything. He just wanted to die with Xiao Xi. He was a coward. Two lives, that's it. "

After listening to this translation, Xiao Qian and Liu's parents had already stood up and rushed over, but they were still stopped by the crowd, and the cry immediately rang through the church.

Wang Ren still didn't speak.

"The evidence is not enough. It's just your reasoning." Lin Yiyi is still refuting for Wang Ren, but it's not enough. This old photo is just a doubt, not enough evidence.

"Don't worry, there are still two evidences. Let's look at the most direct evidence first." With that, Yang Yu took a shoulder pole from the corner.

What kind of evidence can a shoulder pole be?

"This shoulder pole was used when you carried vegetables out of the mountain for our family a few days ago. I really appreciate brother Wang's help, but this morning I took this shoulder pole and asked sister LAN to go to the police station for fingerprint comparison. "It turns out that your fingerprints match those in the cellar of the old house." When Yang Yu said this, he even turned pale. This is the end he didn't want to see. But this evidence also directly proves that Wang Ren is a real pervert.

At this time, the church was silent. Those sitting next to Wang Ren suddenly moved away and fled to other corners in fear.

"It's impossible. You slandered it and framed my husband, right?" Lin Yiyi cried and roared, but no one answered her.

"Enough!" Wang Ren spoke for the first time.

Wang Ren stood up and looked at Yang Yu. He was still honest.

"You are not Jesus!" Yang Yu said coldly.

"Yes? Ha ha ha Wang Ren laughs. Everyone feels scared when they see him. Even Yiyi is scared. Is this man really his husband?"

Yunxi, Zhang meiruo, her cousins Li Yuanxi and Li Ruolan all felt the breath of fear, because these four people had met Wang Ren in person.

That kind of fear, they will never forget, now that kind of fear really came.

All the villagers dare not accept and believe that how can Wang Ren be like this? How can the honest, kind-hearted Wang Ren be such a person?

"Don't you have a third piece of evidence? I want to hear more." Wang Ren had no fear of his own disaster. "Then I'll draw a happy end to my reasoning." Yang Yu stares at Wang Ren and says, "the school, the old house and the altar are all related to Christ, and all of them have a cellar. If I'm not wrong, there should be a cellar under this church. Maybe it's your helmsman."

Yang Yu stares at Wang Ren fiercely. Yang Yu looks terrible: "let me guess what's hidden inside? Xiao Xi's face? The scalpel? The cross that made you fly? Your dress? And the girl's bones? I think these things are covered with your fingerprints. Just check them casually."

Yang Yu can't bear to say these words any more. He is afraid. What terrible things are hidden in the cellar under his feet? In fact, Yang Yu also has evidence: Wang Ren's DNA report.

Last night, when Li Ruolan faced Wang Renyi, he deliberately rushed over and bit him. Although he didn't hurt him, he tore off some hair. The DNA of these hair only needs to be compared with Wang Renyi, but I'm afraid it's going to be after the arrest.

"Do you want to see it?" Wang Ren's naked provocation.

"Open the cellar door." Sergeant Lei has taken out the handcuffs and is ready to put them on.

Wang Ren turned around and walked in the direction of the general store of the church, where everyone just avoided, as if he had seen a ghost.

Chapter 157.2

Cui Qiang, Lin Yina and Lin Yiyi are all in a daze. They can't accept the fact. The two women hold each other and cry together. Xiao Xi's parents and teacher Liu's parents also cry together. The cry resounds in the church.

There is a cross embedded in the top of the church hall, which stares at Jesus. Jesus doesn't move. He seems to be indifferent to the sadness, separation and suffering of the world. Is he really God?

God loves the world? How ironic!

Yang Yu, Li Ruolan and three policemen followed Wang Ren. Others, village head, secretary, headmaster and elders followed and went to the grocery store.

Wang Ren took out the key and opened the door with a click.

All of a sudden.

Wang Ren cheers up the miscellaneous goods and throws them back. Yang Yu quickly goes over and hugs Li Ruolan. Several boards hit Yang Yu's back. There are many nails on those boards, which makes Yang Yu sweat.

Almost, if these rusty nails had just been nailed to the head, they would have died.

"Still want to run?" Police officer Lei quickly took out the pistol and ran after it. It was dark inside, and Wang Ren was gone.

Police officer Kelei had already prepared a flashlight. Looking inside, he found that it was a down stairs. He ran down quickly. Yang Yu, Li Ruolan and the other two policemen all followed.

Yang Yu led Li Ronglan for a while, and found that there was a light in front of him. He also saw officer Lei standing there, so he ran quickly.

Oh, my God.

Yang Yu will never forget the scene in his life!

Shocked!

Shocked!

Everyone was shocked, and even the two policemen vomited.

What terrible scenes did they see?

In front of me is an underground hall. It's bright and spacious. There are not many things.

But this hall is full of things.

That thing, unexpectedly, unexpectedly, is a human skin, there are dozens of it!

The dozens of human skin hanging in the air, swaying, this scene is terrible, terrible.

All the women screamed directly.

Everyone was shocked.

In front of the hall, there is a big chair, just like the emperor's Dragon chair, on which sits Wang Ren. Wang Ren is looking at these human skin masks with a ferocious face, full of excitement and enjoyment. Lin Yiyi finally understands that where Wang Ren often goes out in the middle of the night is to come here to "enjoy" his climax.

"Wang Ren, you are officially arrested. You can keep silent, but what you say will become evidence in court." In the face of such a pervert, Sergeant Lei directly pulled out a pistol and aimed at Wang Ren.

"Arrest me? Ha ha ha ha Wang Ren laughs strangely. He suddenly stands up. At this time, a cross slowly rises from the seat.

Yang Yu recognized it at the first sight. He was familiar with the cross, the one in the elder's room.

It's black, and it's foggy on the edge.

"Don't move! Stand there for me. " Sergeant Lei yelled, then pointed to the other two policemen and signaled them to go and arrest people.

Wang Ren stood as like as two peas in the chair, standing in front of the cross, opening his hands, his feet together, his head on the cross, exactly like Jesus's being seen on the cross. Wang Ren leans himself on the huge black cross just like Jesus.

"Farewell, Yang Yu, but I will come back to life in three days. We will meet again on judgment day, ha ha." Wang Ren said, suddenly head back a bump, seems to hit some switch.

Ding Ding Ding!

Only hearing the sound of a dozen nails, Yang Yu found that many nails came out of the cross, penetrating Wang Ren's body, especially the one on his forehead, directly penetrating his head and staring at it.

Wang Ren, like Jesus himself, nailed himself to the cross with his own mechanism. Before he finished, the cross was suddenly pulled up and hung in the air.

Blood down the cross, ticking.

Wang Ren is dead, but he keeps his eyes wide open and looks at Yang Yu.

That's horrible.

Everyone exclaimed.

Yang Yu looked as like as two peas of the same kind of sculpture that hung on the cross of the half empty, Jesus and Jesus, and he stared at her eyes. Yang Yu suddenly remembered the sentence: "I will always be watching you in the dark."

Chapter 158

Three days later, it was labor day. The students are on holiday.

The case of serial perverted killers has been completely closed. It has spanned 13 years. The number of victims has reached more than 30, all of whom are girls, which has shocked the city once again. The person who solved the case is not a policeman, but a people's teacher.

Liu teacher also overturned the case, also give Xiaoqian an account. The students can safely finish school again, the haze of Yunv village has also been cleared, the beautiful weather has been restored, and everything is revived to welcome the coming summer.

Summer is a good time for girls to show off their thighs. It's also a good time for Yang Yu to tease and seduce these girls.

However, there is only one month left for the entrance examination.

"Yiyi elder sister, this is the red field fish I just caught from the field this morning. There are many more, so I'll bring one to you by the way." Yang Yu specially catches a fish to Lin Yiyi's home. Because the Pervert's attack on Lin Yiyi is devastating.

I don't know how many years I've been sleeping with my husband. What's more, my husband didn't touch himself in five years.

These days, every night when he goes to bed, Lin Yiyi dreams that Wang Ren gets up quietly in the middle of the night, goes to the basement of the church, works on the wooden chair, looks at the human skins hanging in front of him, stares at them, smiles and enjoys them. Every time, Lin Yiyi wakes up and sweats. Look at the room. It's empty. She's the only one left.

Lin Yiyi couldn't help crying.

"What are you doing here? Do you want to see me joke? My husband is gone, my family is gone, and I've been ridiculed as a virgin for 28 years." Lin Yiyi is very angry when she sees Yang Yu, although she knows that Yang Yu can't be blamed for this. My husband is worthy of death, but, but.

"Sister Yiyi, let it go about brother Wang. Why don't you move in with your sister?" Yang Yu knows that at this time, sister Yiyi is the one who needs the most attention.

"You don't have to worry about my business, and you don't want to see me again." Lin Yiyi said coldly that he was a widow now. The whole village will know that the child is not Wang Ren, and whether it is a

good thing or a bad thing. If Wang Ren's child is pregnant, maybe the child will live in the shadow of his father being a pervert all his life. But he also formally carried the name of not keeping women's way.

In addition, the village leader and the villagers in xuanren church were not allowed to go, but they didn't know anything about it.

This has also become the most nagging topic of the villagers after dinner.

"Take the fish." Yang Yu put the fish on the bench outside the hospital. Unexpectedly, Lin Yiyi came over, picked up the fish and threw it behind. The fish fell to the ground with a slap, struggling to death.

Yang Yu had to find it again and put it back on the stool. Then he had to walk with his head down.

Only Lin Yiyi was left alone, tears could not stop flowing. It's not easy to be a woman. Yang Yu doesn't want to comfort her. Now she can only come out by herself. All she can do is help her and care about her.

Yang Yu is going to go home and go to the mountain to comb the vegetable fields. In the afternoon, he needs to go up the mountain to cut down a bamboo for water diversion. Cut the bamboo into two pieces, remove the node, and you can use it as a water pipe. In rural areas, water diversion is done in this way.

But I met village head Zhang on the way.

"Miss Yang, I just came to see you." Village head Zhang took the initiative to say hello.

Yang Yu thinks that the pervert has caught Zhang meiruo, and Zhang meiruo is safe. Although Zhang meiruo has been sleeping in her home these days, the clothes and some daily necessities are still in Yang Yu's house and have not been taken back, so Yang Yu guesses that she should be looking for clothes.

"Did the village head come to take Zhang meiruo's things? It's all done." Yang Yu said.

"Oh, no, on the contrary, I want Zhang meiruo to stay in your house for a while longer, Mr. Yang?" Zhang village head a little embarrassed said.

"Why? The pervert is dead. Zhang meiruo should be safe." Yang Yu doesn't understand. At the beginning, Zhang meiruo was asked to move in because he was afraid that the village head couldn't protect him. Now Wang Ren is dead, how can he still live in his own home?

"You know, I'm the village head. If the village head's daughter doesn't go to high school, I'll be proud, not to mention I'm the only one." Village head Zhang still loves his face. You can see how nice it is for Secretary Li's three daughters to be reporters, village officials and teachers.

Mr. Zhang always feels that he has no face. Yang Yu has the final say a thankless task.

, but he didn't have the final say. Zhang Meiruo was so dislike herself. Then she said I gave her father a little report, and then I misunderstood her.

"I'm afraid Zhang Mei won't agree." Yang Yu felt his head and covered up his guilty feeling. He wanted to find an excuse, but he couldn't find it. Besides, who was the other person? The village head? How dare you refuse? Don't want to live?" Zhang Mei, if I can tell her, at teacher Yang's house, everything will be up to you, so you can treat her as your sister. If teacher Yang has anything to do in the future, just ask me, and I'll take care of it for you, OK?" Village head Zhang is also wise. He also knows that only this condition can attract Yang Yu.

Where does Yang Yu dare to hesitate? We can't offend the village head because of this. What's more, the village head said it for his part.

"Yes Yang Yu agreed.

"Good! I haven't thank you for saving my daughter this time, but if Mr. Yang helps my daughter get into high school, I will thank you very much. Ha ha. " Village head Zhang said, happy.

Yang Yu knows in his heart that this village head is really not a fuel-efficient lamp. He has tasted the sweetness of everything first.

I thought this school flower was going to move back, but I didn't expect that I would continue to live. Once I live, it must be the entrance exam. In the sprint stage, I live in Mr. Yang's home to make up lessons. Is there anything better than this.

It was a slapping calculation.

Now it's almost noon, sunny, Yang Yugang home, found Li Ruolan standing in front of his home, is chatting with his cousin.

"There are beauties coming to our cousin again." Cousin Li Yuanxi jokingly said, it seems not jealous: "well, you talk, I go in to help my mother cook." With that, my cousin went into the inner room.

"Sister LAN, I haven't seen you for a few days." Yang Yu hasn't seen Li Ruolan these days. Because the case has been solved, there's no reason to go to her. Besides, she's still her girlfriend's sister. She's also looking for Li Ruoshui. But Li Ruoshui's school is all together. What's the matter when she comes home.

"It's something else. I'm afraid you don't have time for class. " Li Ruolan said.

"Goodbye? Is sister LAN going back to Shanghai? Don't you mean two months? " Yang Yu looks surprised, did not expect sister LAN to leave so soon.

"I've been writing these days. I'll go back to hand in my work and leave tomorrow." Li Ruolan really likes

it here, but there's no way to work.

"In such a hurry, when will sister LAN come next time?" Yang Yu also asked as usual. In fact, he spent the most time with Li Ruolan during this period. They solved cases together, looked for clues together, reasoned together and so on. Their cooperation was very tacit and they had a good chat.

"When would you like me to come?" Li Ronglan asked.

"Ha ha, I certainly can't bear to leave sister LAN." Yang Yu said, this is true, but people have to work, there is no way.

"Really?" Li Ruolan looks at Yang Yu. His reasoning in the church last time really impressed Li Ruolan. Unexpectedly, he found all the clues.

Yang Yu was embarrassed to answer such a question, for fear of misunderstanding.

"Come and see me in the evening, will you?" Li Ruolan said that he wanted to say Chen's sentences, but he still used interrogative sentences.

"Of course." Yang Yu agreed, and it was very good with her three sisters. She was afraid of her second Sister Li ruorong. She was too sexy. Every time she went to her house, she was dressed very naked, half of her breasts were exposed. Yang Yu was very excited several times, and her lower body was hard. But she was a girl friend's sister, and she couldn't go up.

"Come later. Don't let them find out." Li Ruolan said, when she said this, her face was still very serious, no smile.

Yang Yu Zou eyebrows, wondering, what do you mean? What is "don't let them find out"? It's not to steal. I often come to you. Why do I have to be quiet?

"Why?" Yang Yu couldn't touch his head and asked.

Li Ruolan did not answer, turned and left.

Yang Yu just froze there, completely don't know what meaning, soliloquize: "what meaning? Why can't aunts and uncles, if they know the water? It's OK to know. We're not cheating. It's strange. "

Chapter 159

As soon as the Yangyu family finished their dinner, Zhang meiruo came with a book.

"Good aunt, good teacher Yang." Zhang meiruo said hello politely. At the beginning of the meal, Yang Yu had already told Zhang meiruo that she would continue to live in her own home. We have no opinions. Many people are more lively.

"Meiruo, have you eaten?" The little aunt asked. Chinese people like to ask this question: have you eaten it?

If I didn't, would you treat me? But the problem is, I said I didn't eat, and you didn't invite me.

It's a funny way to say hello.

"Eat, Yunxi. Let's go upstairs and do our homework." If meiruo takes a look at Yang Yu, she doesn't think he is so annoying.

That day in the cellar, I was really afraid to die. I thought I would die there, but teacher Yang appeared like a God. When Yang Yu rescues her and lies on his back, Zhang meiruo suddenly feels that teacher Yang is not so annoying.

Yang Yu also had to make up lessons for them and go to Li Ruolan's house, so Yang Yu took a bath first.

After taking a bath, because they are used to it, they all wear underwear, and they don't wear other clothes. Besides, it's going to be summer soon. It's already getting hot, and cousins and cousins are used to it.

However, it has to be said that Yang Yu's persistent exercise has made his abdominal and chest muscles more obvious and stronger. Now Yang Yu has begun to practice his thighs.

There is a saying: men do not practice legs, sooner or later impotence.

Yang Yu just went upstairs and wanted to go to the attic to get dressed when he suddenly found Yunxi and Zhang meiruo fighting happily in the room. At this time, Zhang meiruo suddenly rushed out and bumped into Yang Yu.

When she looked up, she just looked at Yang Yu's eyes. This time, Zhang meiruo felt that there was an electric current sweeping all over her body. She was careful that her liver suddenly jumped. She had never jumped so fast. And found that teacher Yang was naked, muscular, super man, suddenly, inexplicably blushed.

"Wow, the school flower will blush when she meets my cousin, shame! Ha ha Yunxi saw this scene, good can tease next Zhang meiruo.

"What are you talking about? How can I deal with you?" He said that he threw the pillow to Yunxi, but he didn't forget to look up at Yang Yu secretly. Yang Yu was also looking good. They looked around again, and Zhang meiruo quickly avoided it.

Without much thought, Yang Yu went back to the attic to get dressed.

"Hello, my cousin is in good shape, isn't he?" Yun Xi lies on the bed and asks about Zhang meiruo.

"No, it's ugly." Zhang meiruo said.

"You just blushed. You lied! Did you get an electric shock with my cousin just now? " Yunxi doesn't seem to be angry at all, but Zhang meiruo is more happy with her company.

"Hey, Yunxi, you're looking for a fight." Zhang meiruo said, and they wrestled happily.

"Do you want to do your homework?" Yang Yu put on his clothes and came down directly, because he had to go to Li Ruolan after two hours of cram school. He didn't know what was going on and needed to be so mysterious.

Yunxi and Zhang meiruo look up and find that Yang Yu has come down. After hearing this, they have to do their homework.

Yang Yu sat next to them and gave them systematic review function, especially for weak items.

Yang Yu is next to Zhang meiruo. Zhang meiruo feels very uncomfortable.

I don't know what's going on. My heart beats very fast. I don't feel like that. What's the matter today?

"What are you thinking? It's time to be distracted. " Yang Yu found that Zhang meiruo suddenly started to stay.

"No. I'm listening. " Zhang meiruo quickly recovered.

In the past two hours, Zhang meiruo didn't hear much at all. Every time Yang Yu was next to him, her heart would jump wildly and her face would be red.

"Well, come here tonight, and you can continue your study." Yang Yu said, looking at the time, it's almost time to find Li Ruolan.

Zhang meiruo looks at Yang Yu's back and leaves, and her heart settles down.

Yang Yu went back to the attic to get a flashlight. It's nine o'clock now. It's really late. He just made up a missed lesson. I'm afraid that in the past, Secretary Li's family will go to bed.

Now that I have agreed with Li Ruolan, I'd better go and say goodbye.

Yunu village at 9 p.m., it's really boring. There is no one on the road, only the breeze blows, and even the lights of households are turned off beside the road, because most villagers have fallen asleep at this point. Even if they don't sleep, they are already in bed. It's not like the city, where night life begins.

When Yang Yu arrived at Secretary Li, he went around the room and found that all the rooms were dark

and sleeping? It seems to be late.

Yang Yu just wanted to go, but hesitated again. Do you want to shout?

No, Li Ruolan told me to come quietly, don't let others know, but now, you are all asleep, and the door is closed, how can you get in? Even if I go in, sister LAN will also sleep. I can't just knock on her door, can I?

It's really like being a thief.

Now that she's here, it's not good to leave like this. Yang Yu decides to go around again to see if the light in Lan Jie's room will be on. When Yang Yu arrived at the gate, he wanted to knock, but he didn't dare to. He pushed the door and it opened.

"Did Li Ruolan leave the door for me on purpose?" Yang Yu said to himself.

If the door is open, just go in. Anyway, Secretary Li's family are acquaintances, so they don't regard themselves as thieves.

Yang Yu went into the room and closed the door. The room was dark. He turned on his flashlight and looked around. Suddenly he heard snoring. It turned out that it was from Secretary Li's room on the opposite floor. He didn't care and went to the third floor.

He walked lightly and crept, afraid of making a sound and being found.

Finally, on the third floor, Yang Yu turned off his flashlight and stopped at the door of Li Ruolan's room. He stood up and listened. There was no sound in both rooms.

At this time, Yang Yu hesitated even more. Like a thief, what am I doing.

Can a listen, Li Ruolan's room also has no any sound, LAN elder sister already slept?

Is this going back or knocking? Yang Yu hesitated.

Why do two people come to sleep? One said: it's all coming. What does it matter to knock at the door? Another immediately replied, "what should I do if I am heard by Li Ruoshui?"

Yang Yu decided to retreat and want to go.

Can just step out, and stopped, thinking: find it, find it, I did not do bad things, said it is to say goodbye, and did not with sister LAN how, guilty what really?

Yang Yu raised his hand, then put it down, then raised his hand, then put it down, and finally let it out. Bang bang, knock on the door twice.

Suddenly, Yang Yu felt that he was really a thief. Even if he didn't come to steal things, he seemed to steal.

But after a while, sister LAN didn't open the door. Yang Yu was relieved and was ready to turn around, but the door opened.

There was a faint light coming from the room, like a small desk lamp.

Li Ruolan's sleepiness seemed to wake up. Yang Yu wanted to say: "wake you up?" But he was afraid that Li Ruolan would hear him, so he went back.

"Come in first." Li Ruolan said softly, very quietly, and seemed afraid that his sister across the street heard him.

After entering the house, Yang Yu directly locked the door. The room was warm because the windows were closed and the curtains were drawn.

"Sister LAN has gone to bed. I'm sorry to be late." Yang Yu said he was sorry. He just stood there and didn't know what to do.

"Are you standing like this?" Li Ruolan went back to bed, not fully awake, like hazy, plus a head of short hair, very lovely.

"Sister LAN, what can I do for you?" Yang Yu thinks it's so late that everyone has gone to bed. I'm afraid it's inconvenient to stay, so he asked first.

"What are you nervous about?" Li Ruolan looked at Yang Yu and said with a smile.

"That's not true. I'm afraid I'll disturb sister LAN if I stay for a long time." Yang Yu said.

Li Ruolan pursed her mouth and laughed. She just looked at Yang Yu like that. Yang Yu was a little embarrassed. After all, Li Ruolan was seven or eight years older than herself. She was an elder sister and usually took care of herself. However, it was the first time for her to look at her like this. Yang Yu was a little uncomfortable.

"Don't you like to be alone with me?" The point is that Li Ruolan didn't ask.

"No, I like to be alone with sister LAN." Yang Yu is telling the truth. With Lan Jie, you can talk about everything. You don't have to taboo anything. Yang Yu is afraid of Li ruorong.

I'm really afraid. I'm afraid I can't hold it.

"Yes? I'll ask you again Li Ruolan stopped, and his face became a little more serious.

Yang Yu was curious and thought, what are you asking?

"Do you want to make a date with me?" Li Ruolan asked such a hot and bloody question again.

Yang Yu was also stunned on the spot. He didn't react at once. He reacted immediately and said with a smile: "isn't sister LAN joking?" Yang Yu doesn't want to make a fool of himself this time. Last time, Li Ruolan stood up to him. If he was trying to test himself, if Li Ruoshui was standing outside, he would not hit himself with a stone. So, he learned to be smart this time.

"Do you think I'm joking?" Li Ruolan said that she pulled off the two belts on the shoulder of her pajamas. Suddenly, her pajamas slipped down, revealing her whole upper body, but the quilt covered her chest, and the whole milk showed half.

Yang Yu's blood was boiling all at once.

"Sister LAN, don't play with me." Yang Yu had no choice but to say so, secretly aiming at Li Ruolan. Li Ruolan looked at Yang Yu with a serious face, and his eyes were full of affection.

"Do you want me to stand up and show you that you believe I'm serious?" Li Ruolan said that she was really ready to stand up.

Chapter 160

"No," he said Yang Yu quickly stopped, said: "too suddenly, not to mention you are Ruoshui's sister." In fact, Yang Yu wanted to ask: please give me a reason? Whatever the reason, even if you say: I'm a bitch. If Li Ruolan doesn't, Yang Yu has no sense of security.

"What? Don't you have the guts to cheat on your girlfriend's sister? " Li Ruolan did not say why.

Yang Yu is even more anxious. In fact, his heart has already been bouncing. He really wants to cheat with his girlfriend's sister. The taste must be exciting. But cheating is cheating. Even if it's cheating addiction, Yang Yu is not afraid. What he's afraid of is that Li Ruolan will be my girlfriend or something. That's troublesome.

It's said that if you abandon your girlfriend, you can't keep up with her.

Fishy face or no face. Even if Yang Yu is shameless, her aunt is shameless, and her cousin is shameless, when Yang Yu leaves the village head, people will say behind his back: you see, the grandson of little aunt Si's family, first fell in love with Secretary Li's third daughter, and then cheated with her elder sister behind her back. As a result, he became addicted to stealing fishy food, dumped Ruoshui, and fell in love with her elder sister again.

You said that this bloody drama was discussed by the eight women in the village, not to mention Yang Yu. My aunt, cousin, cousin, Secretary Li and Li Ruoshui all lost face, even the face of "people's teacher".

So, after all, people are shameful, and bad things are done secretly.

"It's not that I have no guts. I just want sister LAN to tell me why?" Yang Yu must have reasons.

Sometimes people are so cheap, all naked to you, you have to pretend to be pure to have a reason? Why didn't you give up the reason when you were doing Yang Lin? I didn't listen to you when I was doing Han Qingfang.

"Because I like your wisdom. There are too few young, handsome and smart men like you." Li Ruolan said that many people around him are in their thirties, still like a child, or in their twenties, but they look like uncles. Of course, there are also normal, but sometimes the IQ is like a child, Li Ruolan, a white-collar woman, who would be interested.

It's over. Yang Yu muttered in his heart, sister LAN, I can't touch her. If you say that the guy who likes me is big, I will do you. If you want to tell me that I like your personality charm, you can only say: I like your sister.

"Are you afraid?" Li Ruolan didn't seem to care at all. She also wanted to see Yang Yu's determination, so she continued: "don't you want to taste the taste of cheating with your girlfriend's sister?"

"Yes, of course." Yang Yu blurted out. You said no? That's a fool. Yang Yu doesn't have to pretend to be pure. That's a real loser.

"I know what you men think in their hearts. It's just that you don't have to be responsible for being a woman. You want to do me for nothing and not cause you any trouble, especially when I'm Ruoshui's sister." Li Ruolan said that after all, sister LAN is a reporter at her age, and she is in a big city. She has never seen any human life or scene before. She also knows the man's mind.

Yang Yu felt his head awkwardly and made a point. He could only smile foolishly.

Li Ruolan looked at Yang Yu straightly, put away his smile and became serious: "give you one last chance, steal or not? If you don't take off your clothes, steal them Then he just went back to the bed.

Without saying anything, Yang Yu took off his clothes directly. His girlfriend's sister could go on. How could she find such a good thing? In the future, no matter what happens behind her, when the boat comes to the bridge, it's natural to be straight. Life is short, and it's king to have fun in time. What do you want to do in the future? I'm full. Hold on.

As soon as the lamp was turned off, he got into bed naked.

When Li Ruolan saw that the light was off, he pulled down his pajamas and underpants, and he was hot all over. As soon as Yang Yu gets into the bed, Li Ruolan turns around and pours on Yang Yu. The two of them are burning and their skin clings to each other.

It's very exciting to think that what I'm holding naked now is my girlfriend's sister, and my girlfriend Li Ruoshui is in the opposite room. Yang Yu is nervous and his heart is beating. It's like the first love when he was young and ignorant.

Yang Yu's first love girlfriend was in her hometown. At that time, it was the Spring Festival when she came home for the new year. They fell in love at first sight. But two days later, she went back to school in the city. On the last night when we were playing together, her mother pulled her away. She was crying and her eyes were always looking at me. But I, like a coward, watched her cry and was dragged away by her mother, just looking at me. Look at me, I'll never forget that look.

From the first love that heart, has passed seven years, seven years, did not see her once, heard that she has married.

Looking back on the past, Yunqiao is unbearable.

Suddenly, the bed is a bloody war, the big bed squeak swaying, hit the wall, made a sound, two people's action is so big? Li Ruoshui, who is next door?

Chapter 161

After a storm, Yang Yu is ready to take a breath and press on Li Ruolan. His forehead is on his forehead and he looks at each other. Although his eyes can't see clearly, he can feel the attraction of each other.

"What's the taste of a sister who's a girlfriend?" Li Ruolan and Yang Yu's lips met, gasping for air, and asked softly.

"It's cool, it's exciting." Yang Yu is not stingy of praise way. This feeling is really cool: "how does sister LAN feel?"

"Ha ha, you are so good." Li Ruolan came up to Yang Yu's ear and said, "it's exciting to have sex with your girlfriend's boyfriend."

"Be careful to be addicted?" Yang Yu said with a smile.

"Then I'll be addicted one night. What should I do?" Li Ruolan is pressed in the body, suddenly obedient, gentle up, which woman is not like this?

"What else can we do? Steal. Ha ha Yang Yu replied with a smile, what a direct answer.

"Then I want you to be addicted." Li Ruolan, a strong woman, has become coquettish.

"Cheating with his girlfriend's sister, which man is not addicted?" Said Yang Yu one mouthful to contain to go down, continued to be crazy to twitch again.

Li Ruolan immediately clamped Yang Yu.

"Let me see sister Lan's expression, OK?" Yang Yu likes to see the expression that the beautiful women are still dying. When the beautiful women are satisfied, men have a special sense of accomplishment, which is more comfortable than the following actions. One is the enjoyment of the body, and the other is the enjoyment of the spirit.

"Next time I'll show you, I'll tell you to listen." Li Ruolan knows the love of men, but it's just to keep your appetite in check. You can't spoil men too much.

"Where and next time, you're going back to the city, and you don't know when to come back." Yang Yu is not happy to say, how to steal?

"I'll hand in the manuscript and come back. I have to work, and there are other materials to write in the village. Anyway, I'm a columnist, and I'll just hand in the papers regularly." Li Ruolan said. This job is actually quite free. You don't have to stay in the office.

"If you really want to have sex with me, I can change to our city newspaper. It's much more convenient." Li Ruolan continued.

"Good. Then I'll give you a little more tonight." Of course, Yang Yu thinks it's good. More often, men like women who are coquettish in bed, and women who can get more satisfaction and sense of accomplishment from bed.

At two or three o'clock in the morning, Yang Yu had to go back. He would be found at dawn.

"God, you're really good." Li Ruolan collapsed on the bed and didn't do it for a year. He was hard to do it for such a long time. He couldn't stand it: "besides, your guy is really thick. It's killing me."

Yang Yu put on his clothes, turned on the light, and watched Li Ruolan lying on the bed, naked, with a beautiful back and a cocky butt. Close to the past, comforted and stroked Li Ruolan's short hair, gently kiss on the forehead: "sister LAN, I went back first."

Just about to get up, Li Ruolan grabbed Yang Yu's hand and asked, "you haven't told me yet. Are you cool? I'm not satisfied with you"

Li Ruolan suddenly cares about this problem. He is very satisfied. He is very satisfied with Yang Yu's Kung Fu in bed. He is afraid that his kung fu is not enough to please Yang Yu.

Of course, Yang Yu feels great.

.....

At four o'clock in the morning, Yang Yu steals home and goes to school with Yunxi and Zhang meiruo after a few hours' sleep. Without the shadow of perverts, everyone's mood is much better, and the

school is more lively and energetic.

Because Yang Yu caught the abnormal maniac, the villagers were once again impressed, especially the headmaster and other female teachers, who were shocked by Yang Yu's ability again and again. The previous basketball game is now solved.

"Mr. Yang has done a lot of things that others can't do in our school. I think the headmaster of this high school entrance examination is very confident that he won't be the last one." The headmaster said happily.

"Then the headmaster will treat us all to a meal." Li Ruoshui came back quickly.

"That's a must, ha ha." The headmaster was also very happy. At this time, he took out the letter he had just received and said, "there is a forum about the high school entrance examination in the county. Yang Yu and Mr. Li, look, who will go?"

This kind of meeting is held every year. It's all about the situation. Let's invite some senior teachers to talk about the key points of this high school entrance examination, the examination trend, and so on. It's useless to say it. Maybe it's useful. It's just a fart to say it's useful.

"I'll do this kind of errand." Yang Yu took the initiative and asked Li Ruoshui to take a ride here. It would be very troublesome. It's enough for him to listen to it. Moreover, maybe he can pay a visit to Mr. Qin on the way and settle the accounts. The development situation in the future needs to be further arranged.

"You see, Miss Yang loves you so much. Ha ha The headmaster was happy to add to the cake.

"That's not enough." Li Ruoshui doesn't care on the surface, but he is happy in his heart.

Yang Yu also smiles and looks at Yang Lin unintentionally. Her face is jealous, but it doesn't mean that she is jealous. Looking at her expression and the flirting between Yang Yu and Li Ruoshui, her heart is still sour. In class.

"There's a mock exam this month. Let's cheer up." Yang Yu looked at these students. After May Day, the weather began to be hot, and the female students began to travel less and less. Maybe we can see a bunch of white thighs next semester.

"Is there any reward for Mr. Yang?" These female students know the reward, and they are all spoiled by Yang Yu.

"Of course, there are rewards, but you have to wait for the high school entrance examination. After the high school entrance examination, you have nearly three months' summer vacation. Mr. Yang will take you to play wherever you want." Yang Yu now wants them to do well in the senior high school entrance examination, and everything else is easy to say.

"I want to go to the beach." Han Qingfang is the first to respond that the beach is the place she always wants to go, but it's not easy to go to Dashan Village.

"Yes, I want to go too." Zhang meiruo followed suit.

Yang Yu takes a look at her, and Zhang meiruo turns to be a good girl. When we go to the seaside, Yang Yu is not happy. It will be summer vacation and hot day. All the bikini are on the beach. If these female students are all wearing three-point style, will Yang Yu have a bloody nose.

"If you do well in the exam, I'll take you there. If you don't do well in the exam, you can't go anywhere." Yang Yu actually knows that as long as they want to go, they can rent a car and drive by themselves. It's just a test, which is the focus at the moment.

Yang Yu thinks that these students' grades have improved a lot, especially in their learning attitude. In fact, the children in rural areas are not stupid at all. They just lack good teachers and things that can enlighten these students.

Yang Yu doesn't think of himself as a senior teacher, but after all, he is a professional teacher graduated from the general normal university. Besides, he has his own teaching methods. As soon as these students work hard, their achievements will be like a raging beast.

"Tomorrow, Mr. Yang will come to the city for a forum. You will listen to Mr. Li." Yang Yu phen charged, in fact, a day to let Li Ruoshui class, it must be unbearable, so, in the middle will still give some self-study class.

Chapter 162

If Li Ruolan really went back to the city, Yang Yu felt a pity that he was really addicted to cheating with his girlfriend's sister.

"Teacher Yang can play and make up lessons." If Zhang meiruo pouts her lips, she will be annoyed if she wants to make up lessons.

"No, your father wants me to help you get into high school. Stay up for another month. When summer vacation comes, I'll go to the seaside for you." Yang Yu really wants to see Zhang meiruo in three-point style.

"Really? Don't cheat, that, Yun Xi also heard If Zhang Mei didn't expect to fight with Yunxi, their personalities are totally different. How can they play together.

"But you'll have to wear a bikini then." Yang Yu is in a good mood this evening. If he is in a good mood, he will be in a mischievous mood.

"Fart, big sex wolf, I won't show you if I wear it." Zhang meiruo stinks, but she really yearns for it. The

breeze, the beach, the seagulls and the waves must be very cool.

"That's too revealing." Li Yunxi thought that if he followed him, would he dress like that? I'm so embarrassed. My whole body is exposed, only a little bit of it.

"It's not like I haven't seen it. I'm afraid of it." Yang Yu said it on purpose. Of course, he didn't read it. That's what he said on purpose.

"Wow, wow, wow, Yunxi, you are too ambiguous with your cousin. Uncle Yang is a big sex wolf. You should be careful." If Zhang Meiruo glances at Yang Yu, she thinks Yang Yu is a bad person.

"Don't talk nonsense, cousin. You haven't seen it." Yunxi also specially in the brain to turn, but, really didn't see ah, cousin nonsense.

"Well, two little princesses, make up lessons. If you can't get into high school, you can't go anywhere." Yang Yu said.

Yang Yu thought that if he was transferred to the city as a teacher, he would bring a female student to live together and earn money, which would be good. Unfortunately, these two beauties can only see but not touch. If Han Meifang was forced to go back from school today, he was forced to go back to work. It's like deliberately not giving yourself a chance to be passionate with female students in the classroom.

Lin Yina and Cui Qiang can't go anywhere after class, because Wang Ren's relationship with them is bad. It seems that it's all Yang Yu's fault. They don't even say hello during the day.

Yang Yu had no choice but to shake his head. I'm afraid that during this period of time, he couldn't find Lin Yina next door.

I wanted to see Lin Yiyi, but I'm afraid it's not convenient for people to sleep at this time.

After finishing the class, I had to chat with my cousin, especially about starting a business, because my cousin is the main force.

"We've delivered the dishes three times. I'm going to the city for a forum tomorrow. I'll talk to master Qin then." Yang Yu said.

"Well, yesterday Mr. Qin called and said that he had met a competitor. Someone seems to be against them. It may not go well." Li Ruoshui said, then thought about it, and continued: "someone came to see me today."

"Who? What are you doing?" Yang Yu asked in a hurry.

"I don't know. He said I could go to his company and work as a nightclub foreman. I could manage dozens of people and earn 8000 a month. I feel baffled and refuse. I must be a liar." Li Ruoshui thought

about the adventure tonight. This cheater can't cheat to the countryside.

"My cousin is so beautiful. She's running a nightclub. I'm sure she's attracted to her beauty. Ha ha. " Yang Yu said, thinking: it must be the night club sales, looking for friends, the results have found this village down.

"Do you want your cousin to go and earn 8000 a month?" Li Yuanxi even if this is true, nightclub, of course, know where it is, say good point is to work, bad point is to do chicken.

"I've been holding on to my cousin all my life." Yang Yu said sweet words. Since his cousin left last time and then came back, the relationship between them was a step closer, but the ambiguity was not enough.

"You know how to talk. Cut your tongue carefully." My cousin pretended to be angry.

"With what? With my cousin's tongue?" Yang Yu began to tease his cousin.

"You! It's itchy, isn't it Yang Yu picked up the pillow and threw it at Yang Yu.

Yang Yu once took it, and still looked like a scoundrel: "it's not that I haven't had a kiss, cousin, give it a kiss." It's really a rogue. Yang Yu kisses her cousin for the first time. She is bitten by her tongue. Later, she never kisses her again. She doesn't dare. But Yun Xi kisses her cousin several times.

Yang Yu sometimes feels strange. Kissing his cousin is really strange, but he has to admit that Yunxi's mouth is really licking and his tongue is really soft.

"I'm not serious again. My cousin is going to sleep. Go out quickly." Then Li Yuanxi went to push Yang Yu. Yang Yu has no choice but to tease.

Yang Yu went back to the attic and lay on the bed. At the moment, the metamorphosis was over, and the water ghost was gone. It's just that this summer has come, and the villagers will swim almost every day, hoping that nothing will happen again.

So, after this leisure time, Yang Yu thought about those things. At this time, he really couldn't go out to find a woman. He had to recall the affair of cheating with Li Ruolan in his mind, but the more he thought about it, the more uncomfortable he felt. In the end, he was embarrassed and went downstairs to take a cold shower. In the city, it's good to talk about wechat bubble girls in the middle of the night, but the class was too busy. In the second half of the year, if mobile was connected here, it would be good. Yang Yu is going to talk to the village head about it and ask the mobile company to get a signal station.

Otherwise, this night in addition to doing that thing, will really suffocate.

In the middle of the night, Yang Yu was awakened by a sense of urination. He wanted to urinate directly on the third floor, but he was in a hurry to urinate. After wearing a pair of underwear, he ran to the

toilet downstairs.

The countryside is quiet in the middle of the night, with only the sound of insects.

Before entering the toilet, Yang Yu took out the guy directly.

As soon as I enter the toilet, I turn on the light and pee in the toilet.

"Ah

As soon as the light is on, sleepy Yang Yu finds that there is still a man in the toilet, who is squatting on the toilet. But Yang Yu doesn't know how there are people in the dark toilet in the middle of the night?

Still a woman!

But.

I've made a list. The urine has been shot.

Immediately the woman's thighs were wet, the woman quickly stood up, to avoid, this battle, pants did not pull up, the whole black tripod completely exposed.

Yang Yu stared there,

"sex wolf, sex wolf, big sex wolf, get out quickly." Cried the woman.

It turned out to be Zhang meiruo.

"Why don't you turn on the light when you go to the toilet?" Before Yang Yu took out the guy, he said it outside.

Zhang meiruo is facing Yang Yu. That guy can see clearly. That guy is quite thick.

"I have a flashlight. You piss on my leg for any light you want. It's disgusting. Uncle Yang, I hate you." Zhang meiruo is almost mad, and pushes Yang Yu out directly, slamming the door.

If Zhang meiruo thinks she is unlucky, she will hate Yang Yu even more this time. She says, "I hate it, I hate it. I pee on my legs, and I stare at others. I'm ashamed to death. You're a jerk. Uncle Yang is a jerk."

Yang Yu listened to Zhang meiruo's scolding inside. He felt more wronged than Dou E. he had to go to the weeds to pee first, and then wait at the door of the toilet. He had to admit his mistake and apologize.

After washing her thighs with water for a long time, Zhang meiruo, still angry, opens the door and stares

at Yang Yu.

"I hate you, uncle Yang!" Just dropped a word and went upstairs.

Yang Yu can only shake his head, no way, but there is no light on the toilet, but it is really his fault, so he has to follow Zhang meiruo to apologize.

Lying back on the bed, Yang Yu's mind was full of the black triangle of Zhang meiruo. Of course, Mao was not as black as widow Liu, but he grew a lot.

When Yang Yu saw the spring, he felt very happy.

It's not the first time that Zhang meiruo has seen Yang Yu. From the school toilet to the classroom, to the bathroom just now, she will always think of those scenes. If Zhang meiruo is not abnormal, she will naturally think and react when she sees these things. She will feel uncomfortable if she doesn't lie in bed.

Chapter 163

As soon as Yang Yu enters the city, he turns on his mobile phone. It's really boring in the countryside. There are no entertainment programs. What else can he do besides looking for women? It's no wonder that Yang Yu is cheating. It's no wonder that Li Ruolan in the city even sleeps with his sister's boyfriend.

Although Li Ruolan has already returned to Shanghai, he is still haunted by the affair of cheating with Yang Yu.

There are a lot of messages on wechat, but Yang Yu really has no time to talk to them today. Xie Qiuqiu, Su Yan, Xia Tong and other rich second-generation women, Yang Yu is not very interested. For the first time, Ying Ying gave 1000 yuan to accompany him for one night, but Yang Yu didn't agree. Later, he went back to his apartment to do Qiu Qiu, which was also seduced by Qiu Qiu. Yang Yu didn't take the initiative. Besides, he was bitten by a strange insect and had impotence for a week. Later, he was forced by Qiu Qiu Qiu to accompany her sister.

Even in the middle of the night, it was Xie Qiuqiu who climbed into the bed and wanted to do it.

From the beginning to the end, Yang Yu did not take the initiative to engage them, either seduced or forced. Yang Yu always feels out of place with them. Maybe this is the so-called stage generation gap.

I don't feel like they are the same kind of people, and I can't live in the same world.

Therefore, if you have nothing to do in the city, you won't go to those women. Among the five women, Yang Yu has a little liking for Su Yan. Xia Tong is not familiar, Xie Qiuqiu, ye Qinqin and Yingying are three whores. Yang Yu has no interest in them.

Sometimes men are cheap enough, obviously like a whore, now really give you a whore, you don't like it.

So when Yang Yu goes to the city, sometimes it's better to chat with a sister on wechat. Even if he has a one night stand with the senior intern mm Qiu Yan, Yang Yu feels happy, because he is close to himself and is an ordinary person.

When he came to the county town and went to Shangtang middle school, Yang Yu came here for the second time. He won the basketball game last time, but he didn't have time to go to Ma Jian's wife. How could Yang Yu not remember this bet?

This kind of meeting, of course, is not like that when leaders come to inspect, people line up to welcome them, and put a sign, which says the place and time.

It's still early for Yang Yu to have a look, so he is ready to take a stroll in the best middle school in the county.

The environment is self-evident. Compared with yunu village, the difference between heaven and earth is that all the facilities here are complete, the area is large, and there are many students. On the campus path, there are small bridges and flowing water. It's like a garden. When I meet female students on the road, I'm also dressed in fashion. Teenage girls look mature and charming in their twenties.

And now this season is the season of black silk's popularity, and these female students are not stingy to show their sexy legs. Yang Yu's eyes are greedy when he sees it. It would be great to be a teacher here. If he doesn't have anything to do, shake it with wechat and grab a bottle, maybe he can ask a female student out for a one night stand.

When Yang Yu thought about it, he got excited. Seeing that there was a playground ahead, he was ready to sit on the audience stage and get some sunshine. Then, hey, hey, wechat shake.

But, unexpectedly met Ma Jian.

"Teacher Ma, how about physical education?" Yang Yu said hello with a smile.

In fact, Ma Jian had seen Yang Yu for a long time and was ready to run away. Unexpectedly, Yang Yu had already said hello. It was too embarrassing to run away, but it was more embarrassing to see him?

"Is Mr. Yang coming to have a forum today?" Ma Jian had to find a topic. Of course, he must not talk about losing the basketball game.

Yang Yu of course saw Ma Jian's dilemma, but the man bet, to admit defeat, ah, to be a man still rely on? That won't do.

"Ma Jian is so afraid of me. Do you want to default?" Yang Yu has a knife in his smile.

Ma Jian's face suddenly turned black. It's not a bad debt. It's not even a bad debt.

"Ha ha, Mr. Yang, you said that gambling is just a joke. How can you take it seriously?" Ma Jian can only play tricks.

Yang Yu had long expected that Ma Jian would have such a move, and he also said with a smile:

"everyone has a bottom line in life, and so do I. even if Mr. Ma really introduces your wife to me, I won't do it. There is a bottom line in life. I believe that if I lost the basketball game, Mr. Ma would not really let me lick your toes in front of so many people, would he

Yang Yu's words are true. He won the gambling. He can't do it in front of his husband's face. He really has a bottom line in life. It's also your love and I'd like to steal it.

After hearing this, Ma Jian felt strange. He didn't know whether Yang Yu was telling the truth or satirizing him. On the surface, he could only put it on:

"that's a kind of thing. How can I do it?" But at the beginning, Ma Jian didn't really think like this: "you see, I have classes. Next time I invite you to my house for dinner, how about it?"

Ma Jian saw that Yang Yu really let him go, and the stone in his heart fell to the ground. He quickly found a reason to slip away.

"Good." Yang Yu also caters to it and knows that it's just Ma Jian's polite words. Of course, Yang Yu won't go even if he has a chance, otherwise he will feel strange when he meets Ma Jian's wife.

Ma Jian slipped away in a hurry.

Yang Yu went on, found a higher seat in the audience, took out his mobile phone, and began to pick up the drifting bottles.

"Not a bottle, is it?" This breath picked up all the bottles, just did not pick up one. What kind of character is that?

Yang Yu was depressed and had to shake it.

It's been shaken a dozen times, all men? Shit!

Yang Yu almost threw his cell phone.

But at this time, unexpectedly, for the first time, someone had to say hello. Yang Yu opened it and wrote: friends nearby say hello to you. Yang Yu opens his head again and tells himself that it's a chicken according to his experience in playing wechat.

Yang Yu easily added friends, do not give money, cheat a few naked photos to come and have a look.

"What price?" Yang Yu said directly, trying to disguise himself as an old hand.

"What's the price?" The other side a face doubts to return a way.

When Yang Yu saw it, he still pretended?

"How many times? How much does it cost you? " Yang Yu wants to make it clear this time. What else can he install.

"Faint, I didn't come out to sell it." The woman replied.

When Yang Yu heard this, he didn't sell it? Did you come out to take care of it?

"It's not for sale. It's for maintenance?" Yang Yu thinks that he can't afford to support himself. When his business is successful, he will go to media university to raise some female college students.

"I'm married. What else can I keep?" The other side returns a way, changed other people, Yang Yu talks like this, early angry pull black.

Wrong? It's not chicken, is it? Yang Yu thought.

"Look at your picture. I thought you were embarrassed." Yang Yu apologized in a hurry. It turned out that she was a young woman.

"Ha ha, it's OK. I see you are only 100 meters away from me, so I said hello." Said the woman.

100 meters? Yang Yu just reflected that the young lady is near me? Suddenly came interest, if bubble up, that is not very convenient to come out to open a room?

Let's try.

"Is that sister cheating?" Yang Yu is absolutely direct. Anyway, he doesn't have much time to chat with her. Looking at the time, he almost has to go to a meeting. He just walks and stares at his mobile phone.

"Hey, how can you be so direct." The other side did not know what expression, and then returned: "my husband found me cheating, I'm not dead."

Yang Yu saw that the other side was not angry, and immediately felt that there was a play.

"Just don't let him know. What's your husband doing?" Yang Yu is looking for his husband's breakthrough, but also trying to break through the gap of young women.

Yang Yu had been walking with his head down, but he didn't see clearly ahead.

All of a sudden.

Bumped into with a person together, looked up, turned out to be a charming beauty, look at her age, only two or three years older than Yang Yu.

"I'm sorry." Yang Yu apologizes with a smile.

The woman smiles and says, "it's OK. Are you a teacher in this school? I haven't seen it. "

"No, I'm here to hold a forum on senior high school entrance examination." Yang Yu said.

"Oh." The woman looked at Yang Yu and then left.

Yang Yu continued to look at wechat and found that the other party didn't reply, so he had to wait.

Chapter 164

Can not wait to reply, suddenly the front leader called up: "that student, do you understand this year's entrance examination policy? What are you doing with your head down? "

Yang Yu didn't know that he was talking about himself until the male teacher next door pushed him? What's the matter? " Yang Yu pointed to himself and didn't hear what he said just now.

"what school are you from?" The leader asked, "yunu Village Primary and secondary school" Yang Yu replied, "is it the school that ranked the last in the county for seven consecutive years? Ha ha, no wonder that all the teachers who came to the forum are of this virtue. "The leader of the lecture glanced at Yang Yu with disdain on his face and continued to talk about the content

when Yang Yu listened to it, he was not happy. You can insult me, but you can't insult my school

" which school are you from? " Yang Yu also asked this question, which made the whole audience roar with laughter

"he is a senior teacher. You can't find the second one among the middle school teachers in our county. His mathematics ranks first in the county every year, and this year he will be the first in the city." the male teacher next door seemed to admire this teacher, not only listening carefully, but also bowing his head and taking notes all the time

Yang Yu listened If you don't speak, others really have the right to sneer at you. First, you are a grade-3 teacher. Second, the students in your class are still the last in the county in the middle school entrance examination. What else do you have to say to refute others?

If you want to fight in the face, you have to score first

Yang Yu can only quietly lower his head and play with his own wechat

"ha ha, how old is his little brother? Just know how to cheat. Be careful if your girlfriend finds out, "the young woman in wechat replies

" do you ask my age or the size of my guy? Can you believe 20cm? Ha ha "Yang Yu played a trick

" the younger brother is really beautiful, and the elder sister has never seen such a big one. "The young woman also said," I'll come out and open a room for you that night. "Yang Yu doesn't have much time. I don't know when the next process will be. I can make an appointment with a

" faint, my husband is here at night, and I don't steal a man. It's too dangerous "the young woman said But when Yang Yu thought about it, he had to go to see Mr. Qin in the afternoon. He certainly didn't have time in the afternoon, and he could go back to the mountains in the evening. However, if he didn't have a gun appointment, Yang Yu could only blame himself for spending too little time in the city. Otherwise, with his eloquence and teasing, he might be able to seduce him successfully.

How can the young women in the city compare with those in the countryside? How can they taste completely different The young women in the city are much more coquettish, fashionable and noble. The village women in the countryside are too vulgar and tasteless to work, so recently, Yang Yu has been hiding from Han's sister-in-law.

now that her morning run has changed, she would rather pass by Liu's family than Han's family.

Han's sister-in-law is too hungry and thirsty, but she is still a little reserved Isn't he a teacher? Two hours is enough to open a room, ha ha. "Yang Yu still refuses to give up. As long as the young woman has some ideas in her heart, there will always be a breakthrough

" he is a physical education teacher, no self-study late, ha ha ha, "the young woman replied. Yang Yu can only guess the other person's heart and expression. However, through this dialogue analysis, there should be a chance

Yang Yu Yu was disappointed again. They chatted for a long time. Seeing that the forum was almost over, Yang Yu didn't listen much. Occasionally he looked up and took a look. The man next door had been taking notes seriously. Yang Yu shook his head speechless.

"Where can I have lunch?" After leaving the school, Yang Yu thought about it and said to himself, "Lord Qin's hotel is nearby. How about eating there? It's not suitable. I can't afford it. "

At this time, when the students finished school at noon, a group of girls suddenly appeared at the gate of the school. Yang Yu saw a familiar face in the crowd, that is, the beauty she bumped into on the campus in the morning.

"Are you looking for a place to eat?" The woman also saw Yang Yu. Seeing that he was confused, she

asked by the way.

"Yes, not very well." Yang Yu lied again. He is very familiar here. He studied here in high school. Yang Yu just hesitated. Should he drink porridge or eat noodles with the money in his pocket?

"Can I have a bowl of noodles?" The woman took the initiative to make an appointment with Yang Yu.

Shit, lucky?

"Of course, or would you like to choose a place?" Yang Yu thought, a bowl of noodles is still affordable.

"Good." As they walked, they chatted.

It turns out that her name is Zhu Yan. She is an English teacher in Shangtang middle school. She is the same age as Yang Yu.

"Let's eat here. The green hand-made noodles are very good." Zhu Yan said with a smile.

Yang Yu looked up and immediately panicked.

Binrugui hotel.

Yang Yu swallowed deeply, thinking that although the owner is Lord Qin, it doesn't mean you don't have to pay for the meal. If you don't have 50 yuan to eat a bowl here, you don't have to think about it. If you spend 100 yuan on these two bowls, the money for opening a room at night is doomed to be gone.

Zhu Yan seems to see Yang Yu's embarrassed color, deliberately said with a smile: "how? Can't you afford it? ""How can it be? It's just a bowl of noodles. You can have two pieces of meat. Go in." No matter how poor a man is, he should be generous in front of a woman. Knowing that he doesn't have a few yuan in his pocket, he has to pretend to be a rich second generation, so that a woman will let you soak.

Just entering the door, the security guard caught Yang Yu.

How can this security guard not remember Yang Yu? When this countryman came to sell dry goods, he almost got into a fight. However, when the security guard saw that there was a woman next to him and that they were coming for lunch, he hummed coldly and didn't stop them.

"What would you like to eat?" The waiter will come up immediately to say hello.

Yang Yu looked up and saw that it was really a narrow road. The waiter who came to order turned out to be the hall manager who insulted her last time. She was dressed the same way as last time. She was a business suit and wore black framed glasses. She looked like a secretary.

In fact, manager Han recognized Yang Yu as early as he did. He came to order on purpose. He wanted to be a poor countryman.

"I want the hand-made noodles of fat cattle in private houses here. How about you?" Female teacher Zhu Yan said with a smile, handed Yang Yu recipe. Yang Yu didn't look at it and said directly, "let's have the same one."

"Is that all? Nothing else?" Han female manager asked intentionally.

Before Zhu Yan and Yang Yu could say no, manager Han answered first: "big men invite beautiful women to dinner, won't they be so stingy?" Manager Han is deliberately looking at Yang Yu said, and, it seems, did not intend to take the recipe meaning.

On hearing this, Yang Yu knows that this girl came to her on purpose. What happened last time, Yang Yu was for the sake of Lord Qin, so he didn't want to worry about her. Besides, he is a man. Why should he have the same opinion with women?

But I don't mess with her, she does?

Can't Yang Yu change his mind? He had to smile, politely looked at Zhu Yan and said, "Miss Zhu, do you need anything else?"

As long as Zhu Yan says no, Yang Yu will directly say that only two bowls of noodles are needed. However, before Zhu Yan refuses, the female manager has already started to introduce to Zhu Yan: "we have excellent Qiandao Lake fish head tofu soup. It's very delicious. Would you like to have a taste?"

I made a list. Where can I have noodles with fish head tofu soup? Didn't you mean to hurt me?

"What price?" Zhu Yan seems to be interested. Fish is her favorite dish.

"It's not expensive. It's very cheap. It's 88 yuan a jin. Generally, the smaller ones are only two or three jin. It doesn't cost a few yuan?" Manager Han looks at Yang Yu treacherously. She wants to make a fool of Yang Yu.

Yang Yu's mouth is going to cramp, but he is bearing it and pretending to smile. What he is most afraid of now is Zhu Yan saying: OK, let's have a small one.

"It's OK. Let's have a small one." Zhu Yan said with a smile.

Yang Yu's face turned black.

"Your boyfriend's face looks ugly. Do you want to see a doctor?" The female manager has already laughed and is so proud that she can't wait to get him a big one backstage. How can she pay for it?

"It's OK. I'm happy to have fish. Why don't I have a bigger one?" Yang Yu even pretended to be very generous, but he was already anxious to keep up with the ants on the hot pot, but he also wanted to do it well. Later, he had to ask Lord Qin to have a meal first. It should be no problem.

And Han female manager in the heart already pondered well, wait for him if eat overlord meal, let the security to fight to death.

Zhu Yan also seemed to see Yang Yu's awkward and ugly face, and said with a smile: "we are not familiar. We invited me to a big meal for the first time. I'm so sorry."

"It's OK. I don't know each other now." Yang Yu barely squeezed a smile, still thinking in his mind: what's Mr. Qin's mobile phone number? However, it's shameful to have a fish and ask Lord Qin for help. It seems that this female teacher can't find any.

"In fact, it's not the first time we've met." Zhu Yan said.
