

Sensualist's

Chapter 165

"Yes, I saw it on campus once in the morning." Yang Yu chatted and looked at Zhu Yan carefully.

Zhu Yan is very symbolic, and she speaks and behaves like a lady. She wears a skirt and doesn't show her milk. If she lowers her head, maybe she can see a little cleavage. Yang Yu can't see the rest.

"No, the first time we met was on the basketball court of Shangtang middle school." Zhu Yan said.

"Basketball court?" Yang Yu was puzzled.

It turns out that Zhu Yan is a fan, especially obsessed with basketball. When she is free, she plays basketball with her male classmates and watches NBA. This kind of woman is very rare.

"I especially watch basketball. I used to be a basketball baby in college." Zhu Yan said with a smile that when she ran into Yang Yu on campus in the morning, she recognized him at the first sight. She wanted to say hello, but Yang Yu was playing wechat with her head down and left by herself.

After school, when she met Yang Yu at the school gate, she took the initiative to chat up with him. At that time, in basketball, Yang Yu's team was able to win Shangtang middle school. Zhu Yan thought it was incredible at that time, so she paid special attention to Yang Yu. When she saw Yang Yu, she felt that he was very handsome.

In fact, Zhu Yan was not prepared to let Yang Yu invite her to the meal. It was all polite words. After all, she was a girl. She was too active and might not have a good impression. Therefore, she was ready for the meal and paid for it by herself. Of course, she was afraid that Yang Yu would not agree and would pay it quietly in the middle of the meal.

"Yes? If you have time, you can go to a basketball match or play together. " Yang Yu himself loves basketball very much. After school in the countryside at noon, he also takes the ball to practice shooting or something, but there are no boys playing this in primary and secondary schools, so he has no company.

"Good." Zhu Yan of course very happy, thought that can take the amateur team to defeat the professional team's coach certainly has two brushes.

So, this meal, the two talked a lot about basketball, so, Zhu Yan was too happy and devoted, even forgot to pay.

"Would you please order first?" Han's female manager saw that they ate almost the same, so she asked to pay the bill. In fact, it was nothing, but it was too sudden for Yang Yu.

"Just a moment" Yang Yu quickly took out the phone to call Lord Qin, but no one answered. Yang Yu was

in a hurry, and the sweat on his forehead fell off.

"I'll pay for it." Zhu Yan said with a smile, she also knows this occasion, let Yang Yu pay will give men face, but see Yang Yu has been on the phone, take the initiative to ask to pay.

"No, I have. Just a moment." Yang Yu was already anxious. He knew that he couldn't wait long, but Lord Qin didn't answer the phone.

"If you have money, you can take it out and pay for it. If you have a meal, let the woman pay for it!" Female manager white Yang Yu one eye, did not give him a good face, but in the heart has been happy to bloom, see how you pay?

"Miss Yang, I'll come." Zhu Yan smiles and has already begun to pay.

When Yang Yu saw that he couldn't get through the phone, he was so worried that he didn't have enough money in his pocket. He didn't have a bank card with him and couldn't brush it. Besides, he didn't have a few yuan in his card. Why did he bring it out?

"I know the chairman of your hotel. Why don't I have an account?" Yang Yu said with a smile.

Poof!

The female manager finally couldn't help laughing.

"You don't have any money. You eat women's food." Manager Han made this remark loud, so that the whole hall could hear it. As expected, all the people in the hall looked this way.

Yang Yu immediately felt very ashamed.

"Why are you shouting so loud? Can't I pay the same?" Zhu Yan also saw that the lobby manager seemed to be deliberately trying to embarrass Yang Yu. Of course, she was helping Yang Yu. Besides, she intended to pay for the meal herself.

"I'm sorry, miss. This meal can only be paid by men." The female manager said, looking at Yang Yu: "if you don't have the money to pay, I have to call the security guard. Hey, the countrymen have to pretend to be city dwellers. If they are poor, they will be poor. They also come to such rich places to eat. They can eat at once. They even say that they know our chairman. It's really funny."

"Be careful what you say." If Yang Yu didn't see that she was a woman and he really had no money, he would have been angry.

"Well! Security The woman manager has already yelled: "country people are country people. Get out early."

Yang Yu can't help it. The female manager is obviously not convinced of herself, and she just comes to her. The last time, the security guard was ready to go, waiting for the female manager's order.

"I'm a countryman, too. What's wrong with the countryman?" Suddenly, a familiar voice came from behind.

The woman manager and the security guard suddenly changed their faces and turned back in a hurry.

It's not Lord Qin, but Qin Shuhe.

"General manager, this man wants to eat overlord food. I'm calling the security guard to be brave." The female manager bowed her head and didn't even dare to look at Qin Shuhe. However, she was still waiting for Yang Yu to make a fool of herself. Qin Shuhe was not easy to deal with.

"Do you know who he is?" Qin Shu and Chao Yang Yu said with a smile. Yang Yu was finally relieved and saved.

"Mr. Yang is my father's special guest for dinner. How do you treat my father's guests?" Qin Shuhe said coldly.

Qin Shuhe is young, not a few years older than Yang Yu, but she was born into a wealthy family and came back from studying abroad. This education is good. What she said has a special magic power, which can frighten everyone.

The female manager and the security guard were flustered. Is it true that he said he knew the chairman?

"It's OK. I really don't have any money with me." Yang Yu knows that Qin Shuhe has already given himself enough face. Now, even if he is aboveboard about eating overlord's meal, it is already a matter of honor.

"Don't apologize to Mr. Yang soon." Qin Shuhe said.

That female manager body all some trembles, also don't know why, she is so afraid of Qin Shu and.

The female manager looked up at Yang Yu, and her face became very ugly. She said, "I'm sorry, Mr. Yang. I have no eyes."

"Mr. Yang, let's go. My father will come soon. He wants to have a drink with you." Qin Shuhe said with a smile. Of course, Yang Yu is not afraid of her, but he is very grateful to her.

"If Mr. Yang has something to do, I'll go back first, and I'll have class soon." Zhu Yan can't react to this sudden turn. He didn't expect that Yang Yu would really know the chairman of binrugui hotel. He thought he was joking.

"Well, contact me when you have time." Yang Yu also knows that it's inconvenient to continue to accompany Zhu Yan. Zhu Yan said hello and left with a smile.

"Go upstairs." Qin Shuhe said with a smile, "you are very lucky. She likes you."

"Don't talk nonsense, sister Qin. She's just a colleague in the school." Yang Yu is very relaxed in front of Qin Shuhe.

"Women feel right." Qin Shuhe said.

They went upstairs and entered an office.

"Take a seat here first. I'll ask the waiter to pour you a cup of tea. My father will come back from the hotel in the city. As for me, it's lunch time. I'm still busy and can't take care of myself." Qin Shuhe said, at present this hotel is her management, slowly pick up, Qin ye in the management of the city's head office.

After Qin Shuhe goes out, Yang Yu walks in the office. Looking out of the window, he finds that there is a hotel in front of him. There are many flower baskets and firecrackers outside. It looks like a new hotel. Do you want to compete with the hotel?

Is this the reason why Lord Qin is not right?

Yang Yu didn't think much about it. He went back to the sofa, found out his mobile phone, and went to do ideological work for the young woman on wechat.

"Is my sister sexually active?" Yang Yu asked.

There is a saying: in front of the Internet, you don't know if the other party is a dog.

After the cover of the Internet, people become "real".

Anyway, people don't know who I am. I'll do whatever I like.

"Oh, don't ask such questions." Young women don't know whether they really don't like being asked such questions or not.

"Say, it's OK. Can your husband satisfy you?" Yang Yu continues to attack at this point.

"I won't tell you, hee hee." The young woman replied.

"That must be unsatisfied. How many days will it take you to be satisfied?" Yang Yu bombed wildly.

But just then, a waiter came in with a cup of tea.

Yang Yu looked up and saw that it was the woman manager who had been trying to put herself down.

Chapter 166

The female manager's name is Han Jing, a native of the county. She majored in hotel management and has worked here for several years. Now I'm a lobby manager. After playing tricks here, many waiters are afraid of her, but one thing is for sure, that is, they work hard and hard.

So Lord Qin kept her and promoted her.

Which person is not an advantage or a disadvantage? Use her advantages to avoid her disadvantages.

Just now, Qin Shu and I went downstairs to talk to her directly. This kind of attitude towards people is plain. It's too amateur to be a waiter. Qin Shuhe doesn't know that Han Jing is venting her anger.

"Yang Yu is my father's life-saving benefactor and our supplier of green food. I will cooperate with you often in the future. If you don't want to leave, go up and apologize. If my father knows about it, no one can help you Qin Shuhe said plainly.

But Han Jing was scared to death. This job can't be lost. It's not easy to climb to this position. If you lose it, you can't find a better one. So, I made tea in a hurry and brought it up.

"Brother Yang, have a cup of tea." This has always been a strong aggressive female manager suddenly gentle up, Yang Yu feel goose bumps are up.

"It's OK. I really don't have that much money. You're right. Ha ha. " Yang Yu is a man. How can he have the same opinion with a woman? It's better to be a woman than to worry about this.

As a man, he must be broad-minded, especially for women.

Han Jing thinks that Yang Yu is sarcastic and sarcastic, which makes her even more uneasy.

"Brother Yang, I'm wrong. I can't lose my job. I can do whatever you want." Han Jing only hopes that he will never face the matter in front of director Qin. That job will not be guaranteed.

Yang Yu can listen to, recognize another flavor, said with a smile: "do not say OK, you are not what to give?"

Han Jing murmurs in her heart. She knows that she wants to take advantage of me. If you don't know Mr. Qin, I won't be so angry. But now she can only follow this guy's will.

"Yang Ge, what do you want to do?" Of course, Han Jing doesn't know what Yang Yu wants to do. Although she has a little bottom in her heart, she doesn't really want to do anything, does she?

"Then take off your clothes." Yang Yu of course is intentional, originally did not want to tease, but this girl is really too arrogant, need to train.

Can Han Jing a listen, immediately stare big eyes, face dew embarrassed, in the heart mutter: know is a villain, this how to do?

"Brother Yang, are you kidding. It's not convenient." Han Jing said reluctantly.

"You did everything you said?" Yang Yushun her intention, the original feeling of being a bad person is quite interesting.

"This" Han Jing was asked speechless, swallowed, and continued: "I have a boyfriend."

"Have a boyfriend? Then I like it better." Yang Yu laughs. He thinks it's very interesting. In fact, he doesn't really want to take advantage of it or act as a villain taking advantage of others' danger. He just wants to flirt with others by the way, that's all.

But of course, Han Jing is serious. She doesn't know Yang Yu's idea. If she knows that Yang Yu doesn't care about you at all, Han Jing doesn't have to be so worried.

"Brother Yang, have tea first." Han Jing muddled through first.

Yang Yu takes a look at the tea and stares at Han Jing, only to find that Han Jing is still good-looking. He is ready to take the villain to the end. He immediately becomes serious and says, "I'll give you two choices. One is to tell Lord Qin what happened today, and I'll add some more oil and vinegar. Finally, I'll let him quit you. I believe I still have this ability. The other is to take off my clothes. If I'm happy, I'll be happy Well, I'll praise you in front of Lord Qin. Maybe Lord Qin will promote you."

After listening to Han Jing, she knows that there is no way to choose between the two options. If she takes off her clothes, she must have done it. How can she change her body for a job? This is a naked sex trade. She didn't expect Yang Yu to be a villain like this.

But I can't lose my job. My parents have to support themselves.

But the body can not be wasted by a man, not to mention if the boy friend knew that he had given him a green hat, it would not kill himself alive.

"If you don't answer, it's the choice. Lord Qin should be back soon." Yang Yu stands up from the sofa and looks out of the window, deliberately giving Han Jing a sense of oppression.

"I'll take it off." Han Jing cried.

Eyes suddenly red up, who let himself meet a villain, but in the heart Han Jing secretly swear, today pay all, sooner or later will let Yang Yu double back. Han Jing took off her black frame glasses, and her eyes

became more red.

Looking at her like this, Yang Yu suddenly felt a little distressed. As soon as she took off her clothes, she would stop her. Then she said affectionately: fool, put it on. Han Jing actually put the teacup on the table, took off her glasses and put them on the sofa. She stood up straight, looked up and took a deep breath. She didn't want to let the tears flow down.

Then, slowly raise your hands, ready to unbutton.

One of the buttons was untied, and a deep cleavage appeared. Yang Yu feels a light in front of his eyes. Unexpectedly, Han Jing has hidden such a good pair of milk?

But just as Han Jing was about to unbutton the second button, the door of the office was opened.

Both were stunned.

"Xiaoyu, you have come, ha ha." Qin Shu and his wife are naturally followed by others.

"Hello, Mr. Qin." Yang Yu says hello with a smile. If he didn't know the identity of Lord Qin before, he must be very easygoing. But now when Yang Yu knows that the person he saved is the famous chairman of binrugui Hotel, he immediately becomes respectful.

"Good, chairman." Han Jing takes back her glasses in a hurry, but she still has no time to button her shirt. Her cleavage is still exposed, but she has to say hello to Chairman Qin first.

"Manager Han is here, too. Go and pour me a cup of tea." Qin Ye pays attention to Yang Yu, but he doesn't notice Han Jing's abnormality at all.

"Manager Han is very hardworking and capable. He has to take care of the guests and greet me." Yang Yu immediately said a good word to Han Jing.

Han Jing was shocked by these words.

"Yes? Manager Han, Yang Yu said hello, then you are really good. Ha ha, good. There are many opportunities in the back. Well done. I'll promote you to be the deputy manager. " Lord Qin was in a good mood when he saw Yang Yu, so he was not stingy of these praise words.

But Han Jing listened to this, like the world lost pie, she did not know that Yang Yu's casual words in front of Lord Qin would be so heavy, really have no eyes, should not offend him, but the chairman of the praise, Han Jing immediately flowers in full bloom.

Han Jing is a workaholic. She wants to climb up and get ahead. All of a sudden, she changes her mind and thinks: in the future, it seems that she really has to please Yang Yu.

"It's all well cultivated by the chairman. I'll go down first." Said Han Jing also looked up specifically at Yang Yu, Yang Yu also looked at her with a smile, Han Jing quickly to avoid the field of vision.

Qin Shuhe didn't dare to look up when he was exposed. But Qin Shuhe's eyes were very sharp. He saw the open collar on Han Jing's chest.

"Dad, just now I was worried about my face. When I met Yang Yu, I saw you happy." Qin Shuhe knew that her father was a very loyal person, and that's why she made the hotel this large. That's why he is so good to Yang Yu.

Three people will nag home.

Yang Yu always wanted to ask about his green food, but he didn't dare to ask. After all, the dish had been delivered five or six times. Although the quantity of each time was not much, he didn't get a cent.

It is said that businessmen are treacherous and have no interests. They will never do anything. Yang Yu also knows this truth, but if Lord Qin is not that kind of person, if Lord Qin really helps himself, doesn't that destroy this trust?

Therefore, Yang Yu forbore not to ask, and would talk to Lord Qin himself.

"The hotel opposite has just opened, and its business is better than ours now. In particular, it has also launched a green cuisine, and the price is cheaper than ours. The same is true of that hotel in the city, which is obviously targeting US. How's it going, daughter? " The first half of the sentence is for Yang Yu. He doesn't expect Yang Yu to help, but.

In this shopping mall, it's not easy for you to find someone to work with.

"I dare to fight against Mr. Qin, and I'm prepared. I think the backstage must be tough. I'm afraid Mr. Qin has to take a long-term view." Yang Yu answered first.

Chapter 167

"I can't see that Yang Yu is young, but you have a lot of knowledge." Qin Shuhe said with a smile.

"Sister Qin is only one year older than me, but she has already managed everything in the hotel. Compared with me, that's a big difference. Lord Qin has a good daughter, beautiful, smart and capable." Yang Yu is telling the truth.

Qin Shuhe is really a perfect woman.

Appearance, figure, education background, family background, accomplishment, intelligence quotient, emotional intelligence, character and temper are all flawless.

Instead of the arrogance and ego of the general rich second generation, they are gentle, dignified and

sensible; instead of the decadence and decadence of the rich second generation, they are positive, not promiscuous, reserved, and manage the family business for their father; at the same time, they have the nobility of the rich second generation and the elegance and gentleness of the upper class.

Yang Yu can only sigh, this kind of woman, can only see, even touch, this life is not white.

"Look what you say. What's the use of being able to do? Up to now, I don't even have a boyfriend." Mr. Qin didn't want his daughter to be so capable. He just wanted her to get married and have a baby. He wanted to have a grandson.

You say that Qin Shu and Yang Yu don't believe it. The men chasing Qin Shu he can go around the world. Yang Yuxin thought: how can I not have a boyfriend? I just didn't take it home to Qin Ye.

"Dad is so demanding that I can't find a boyfriend." Qin Shuhe is very independent, but in front of his father, children are children, no matter how old they are.

"Nonsense, dad just wants you to find a good man. He likes you and you like him too. It's so simple that you don't need anything else." Although Mr. Qin is rich, generally speaking, it must be extremely demanding to find a son-in-law. Moreover, as far as Qin Shu and his daughter are concerned, so outsiders think that Mr. Qin's requirements must be higher than heaven's, but in fact, Mr. Qin's idea is so simple, as long as her daughter finds the right person to love.

"Love is going to be a lantern." Although Qin Shuhe doesn't fall in love many times, she also knows that love is something that can be met but can't be asked for. In fact, she wants to be well. If she can't find the right person, the man who makes her heart beat, she will never marry.

"I think Yang Yu is very good. Why don't you two have a try?" Lord Qin suddenly said this.

"Dad, what nonsense? Let's get down to business." Qin Shu and coquetry.

Yang Yu can only giggle. This kind of thing is not agreed by Lord Qin. If Qin Shuhe doesn't nod, no one can do anything.

"I checked. The Golden Age Hotel opposite belongs to the Murong family." Qin Shuhe began to get down to business: "we basically have no conflict of interest with them."

"Murong family? You mean Murong Yun, the richest man in the city?" After hearing this, Lord Qin frowned. Obviously, he didn't expect that the source of the other party was so big. Compared with the assets of Murong family, Lord Qin was really a child.

"Yes. Murong group has been committed to the construction of entertainment, nightclubs, KTV, accommodation hotels, massage bathrooms, and its chain stores are almost all over the country." Qin Shuhe added.

"Does Murong Yun have a son named Murong Fei?" When Yang Yu heard the word Murong, he immediately thought of this man.

"How do you know? It's true that he has a son named murongfei, who is just a cynical boy and basically doesn't participate in the business of their family. " Qin Shuhe didn't think that Yang Yu really knew a little about everything.

But Yang Yu doesn't dare to say that he knows Murong Fei. He doesn't know Murong Fei. He still has a grudge against himself, but that matter has nothing to do with this matter.

"Let's talk about the things that have something to do with us. Don't they also launch green recipes? Who are their food suppliers? " Yang Yu knows that this question has the biggest relationship with him and is also his direct competitor, so he can't help asking this question first.

However, Yang Yu's idea of doing business, at least, is the most joyful one.

"The chairman of Kangyuan group is Xie Tianshi. We have cooperated with him before, but because of the food problem, we fell out and didn't cooperate later." Qin Shu and all this seems to be in mind, there is no more reliable Notepad than his own brain.

"Kangyuan group? Xie Tianshi? Xie Qiuqiu's father? It can't be this coincidence, can it? " Yang Yu murmured, it's really a narrow road. Unexpectedly, the two enemies collided and United.

"Do you know him?" Seeing Yang Yu muttering, Lord Qin asked.

"It doesn't matter whether I know him or not. I'll beat him if it matters." Yang Yu's eyes suddenly become bright, even full of murderous.

Qin long and Qin Shuhe felt fear when they saw the murderous spirit.

"Dad, what should we do now?" Although Qin Shuhe has some ideas in mind, he is relatively young and has no experience in shopping malls, so he has to ask his father first.

Master Qin was not in a hurry to answer, but he first asked Yang Yu, "what do you think of Yang Yu?"

"Don't worry. It's a protracted battle. The good play is in the back. The other side is coming fiercely. We'll avoid the edge and wait for work with ease. Their funds and backing are stronger than ours. We'll fight back. "Said Yang Yu. Qin was very satisfied with this answer. He must be calm when doing business. He can't be confused because of the other party's little news.

However, what Yang Yu said is just a general direction. At least the actions and details, the measures and behaviors to be implemented, and the actual response to the landing, need to be discussed.

"I'm afraid that the other party has already taken action, engaging in activities, price war, brand station,

spy war, I'm afraid that it will erode our customer source a little bit. And we are short of funds. If we continue to fight, we are afraid that we will not be able to hold on. "

"At least Lord Qin will go through three periods. In the first period, the customers will be pulled away slowly. In the second period, the loyal old customers will survive hard. This stage is also the most difficult one. In the third period, the final war will be either you or me." Yang Yu's analytical ability and summary ability are particularly strong. He has basically seen the whole development trend.

And the first two trends are that Lord Qin will experience the most crucial thing, the third period, who can laugh to the end?

"What Yang Yu means is that we should give up the competition in the first two periods, do well in ourselves, and do not have any loopholes. In the third period, we should have an outbreak, and take advantage of the other party's pride, we should have a sharp blow on the head, and we should have a thorough attack on them. We should be quick and ruthless. Is that what you mean? " Master Qin really didn't expect that Yang Yu would sum up these three periods. He immediately admired the young man. He didn't expect that his vision was accurate. Yang Yu was quick material.

After listening to my father's words, I immediately realized it.

"Dad, I know what to do." Qin Shuhe also smiles at Yang Yu and has a good impression on Yang Yu's intelligence and analytical observation ability.

"Mr. Qin, I must be your loyal support. If the food is safe, Mr. Qin won't have to worry about the fire in the backyard." Yang Yu's words also have connotation. In fact, it is due to the tacit understanding with Lord Qin and Qin Shuhe, because they are both smart people.

"Let's talk about it first. Come on, let's settle your account." Master Qin takes out the account from the drawer and hands it to Yang Yu.

Yang Yu really looked at it wholeheartedly. This account is very important. Maybe you think that since you choose to trust Lord Qin, why do you have to look at it so carefully?

In fact, on the contrary, because of trust, this account should be more clear.

However, the key to Yang Yu's account reading this time is not here at all.

There is a lesson called data mining.

This account is the best market research sample for mining customers' eating habits, tastes, quantity and so on.

Yang Yu didn't notice the total amount at all.

"Eight thousand? So much? " When Yang Yu saw the amount, he was still very surprised. In fact, Yang Yu has made a rough calculation in his mind. According to the calculation of twice the market, the vegetables with only two or three hundred jin will theoretically be about three or four thousand, but they have doubled.

What's going on? In fact, Yang Yu immediately understood that the reason for this doubling was that Lord Qin didn't take much profit. This was calculated according to the profit of a dish. In this kind of hotel, a dish was basically sold for 40 or 50 yuan. In fact, Lord Qin didn't make any money from Yang Yu, and in the end, he could only maintain it.

To put it bluntly, binrugui hotel sells it to Yang Yu for free according to the price of the menu. Can you imagine how high the profit will be?

But Yang Yu knows very well that no one in other hotels will accept this price, and he won't give it to Yang Yu according to the price of the menu. Yang Yu is moved and shocked. Lord Qin is really helping in vain.

Yang Yu did accept the money. He didn't say there was something wrong with the account. Instead, Yang Yu understood that Lord Qin believed in the same motto as himself:

to help others is to help himself.

Today, master Qin is helping Yang Yu. Tomorrow, it is Yang Yu who is helping him.

"After this month, I will take you to meet someone in summer vacation." Lord Qin said mysteriously that he also knew that Yang Yu would be busy with the entrance examination for senior high school. He would be very busy this month and had to wait for the summer vacation.

When everything is settled, Yang Yu is ready to go to the toilet and then go back to the mountains.

After lunch time, the hotel was deserted.

But just after peeing, Yang Yu almost bumps into a person at the door of the toilet. It's Han Jing.

Chapter 168

Yang Yu looked at her appearance, took off her business clothes and changed into casual clothes. Even her swirling hair had been hung down. It looked more delicious than before.

At this time, Yang Yu suddenly thought of a thing. After the last basketball match, I went camping with the students. In the middle of the night, I heard the sound of bed calling next door. I went to have a look. Isn't that Han Jing? Yang Yu patted his head and immediately remembered that the man was obviously not Han Jing's boyfriend. That was cheating.

It's said that cheating is addictive, but is Han Jing so?

Originally, I hated Han Jing, but later I saw that she was disgusted with cheating. Today, I am angry that I deliberately hurt myself. But all of a sudden, it is because she is just a woman.

A woman who might cheat on herself.

"Are you going to get off work?" Yang Yu asked with a smile.

"Yes, tonight's shift." Han Jing was embarrassed to see Yang Yu. He almost took off his clothes just now, but Yang Yu really said good things to himself in front of the director.

"I'm really sorry about what happened before." Han Jing calms down a lot. In fact, she doesn't mean to embarrass Yang Yu. That day, Yang Yu came to sell dry goods. He just had a fight with his boyfriend. He was very angry, so he vented all his anger on Yang Yu.

Today, when I see Yang Yu, a countryman, bringing a beautiful woman with extraordinary temperament to eat here, my heart is suddenly out of balance. I'm also a countryman. In order to climb up, I think I'm a city dweller now, and I want to live in the upper class.

Change crow to fly on the branch, change Phoenix.

But they all failed. Those rich second generation, played her to throw her, did not have one to want to marry her.

So, last weekend, when I got angry, I went for a one night stand. As a result, I was met by Yang Yu. It didn't matter at that time. Anyway, I won't have a meeting with this man.

But fate is really interesting.

That's how the two meet.

"I'll go back to the station by bus. By the way?" Yang Yu asked with a smile, just keeping his due gentleness and politeness.

"By the way, let's go together. I live near here, and it's only 15 minutes' walk." Han Jing didn't say this because of politeness or sincerity, but just because Yang Yu was a friend of the chairman. But even if you add this relationship, you can't change the view that Yang Yu is a villain in Han Jing's eyes.

They left the hotel by the back door together.

"Do you live alone?" Men don't care about this. What do they care about? This is the thing that men care about most. Anyway, Yang Yu has become a bad man. Why don't he just do it to the end.

Han Jing sorry to answer, this is the standard villain question, ah, how can you ask girls like this?

"I rented a house by myself." Han Jing is still telling the truth, muttering in her heart, this boy won't want to hit me again? You're not going to threaten me again, are you? Get away from him.

Yang Yu didn't know that all his thoughts were in Han Jing's expectation, but after thinking about it, he couldn't find a reason to say: let me go to your house for a night? Besides, seeing Han Jing's indifference, Yang Yu gave up the idea:

"I'm at the station. Goodbye."

Such a simple sentence really surprised Han Jing. He thought Yang Yu would try his best to go to the place where he lived, but he said goodbye directly? Han Jing suddenly lost the same, although he did not want Yang Yu in the past.

Han Jing had to say goodbye politely, and they parted ways.

But before long, it suddenly began to rain.

I made a list. Yang Yu looked left and right. He didn't even have a place to shelter from the rain, let alone take an umbrella. Sure enough, you don't have to think about it. In a few minutes, Yang Yu was drenched, and there was no sign of a van.

This wait for a long time, rain or crash, the car never came. There are few flights from the county to the mountains. Yang Yu is wet through.

Life is like the weather.

It's really impermanent, but that's how it happened. For example, Han Jing appeared again.

"Why are you still here?" Han Jing, holding an umbrella, came downstairs to buy vegetables for dinner. She saw Yang Yu standing in the stupid rain.

Are men so stupid?

"Isn't this waiting for the bus?" Yang Yu felt his head again. Men are not as good as women in this respect.

"Then take shelter from the rain." Han Jing thinks that men are incredible animals.

"I'll take shelter from the rain. What if the car comes?" Yang Yu thinks it's important to wait for the bus.

"Go to my place and wash. I'll get you dry clothes." Han Jing talked about buying good food, but she couldn't stand it any more. It should be regarded as a reward for others saying good things for him in

front of Lord Qin. In this way, it should be regarded as two clear.

Yang Yu's ass is not right, but he wants to follow her.

Han Jing lives alone. Like most college graduates, she rents a room outside. In the room, she also has an independent bathroom and a small kitchen. It's embedded in the room. It's a little sparrow with five dirty things. The room is very clean and fresh. It can be seen that Han Jing is a self-disciplined and hygienic person.

Yang Yu has been shivering with cold. Although it's not cold, if he gets wet like this, he will be frozen and even catch a cold.

"I don't have a jacket for you and me, either." Han Jing's heart is still full of fire, now also wonder that he can help this villain with such kindness?

I'll be happy if I freeze him to death and drench myself to death.

Yang Yu is stunned and waiting for Han Jing to find the clothes. Unexpectedly, Han Jing will help him like this.

"Here, take a cold shower." Han Jing has no expression on her face and has to hand over two jackets. She doesn't even look at Yang Yu.

But Yang Yu has been very moved. It's true to rely on friends outside. He got into the bathroom and began to take a shower.

After a while, Han Jing shouts, "I cook noodles in the evening. Do you want to eat them?"

As soon as Yang Yu heard it, he liked noodles best. After taking a shower, he ate a bowl of hot noodle soup. Not to mention how comfortable it was, he agreed immediately.

But when Yang Yu took a bath, he was depressed. His pants and underwear were wet, so he couldn't wear them. But Han Jing didn't bring her underwear. Even if she did, it was a woman's underwear and she couldn't wear it.

What's more, these two clothes are enough.

Go out like this without underwear? This short sleeve is also long, similar to hip-hop style. It's probably Han Jing's home clothes at home. However, he is so tall that he doesn't completely cover his lower body.

A little hand or other, the guy directly exposed, and, so do not wear underwear, is very comfortable, but the key is, it will be hard.

At that time, Han Jing will see her. It's not her fault if she doesn't rush.

Yang Yu looked at the underpants and trousers. They were all wet and dirty. He really couldn't wear them any more. He had to wear short sleeves, short sleeves and a coat, and then came out.

Han Jing has already cooked two bowls of noodles, put them on the small table and waited to eat them. In fact, it's only five o'clock now. It's a little early for dinner. Obviously, Han Jing is hungry.

As soon as Han Jing and Yang Yu came out, he saw the appearance and fell down with a smile.

"Ha ha, I didn't expect you to look like a woman in a woman's dress. It's beautiful." Han Jing almost bent down with a smile.

Yang Yu looked in the mirror in a hurry. My God, it's like a Mammy.

Suddenly a face black line.

"No other men's clothes? This is too "Yang Yu himself can't see down, he is so man, but now so false mother.

"No, it's good. You won't go out anyway." Han Jing still kept laughing: "eat noodles quickly."

Anyway, Han Jing is the only one who sees herself like this. If Zhang meiruo is here, she will immediately publicize her ugly appearance. At that time, the whole school and even the whole village will know that she is wearing women's clothes and still looks so lifelike.

Han Jing just looked at Yang Yu and laughed wildly. As a result, she accidentally dropped the chopsticks on the ground. Without thinking much, she bent over to pick them up.

You know, Yang Yu sitting opposite, sitting, the legs must be open, the key is that Yang Yu did not wear underwear.

Han Jing stoops to find that she can't reach the ground, so she squats down, picks up chopsticks, and looks up. As a result, Yang Yu's big guy is naked in front of her, and Han Jing is shocked.

The guy of Yang Yu is just an artifact in the world. He is black, thick and strong. He is stupid to show Han Jing on the spot. He is just like a black guy.

Yang Yu is drinking hot soup, did not expect that.

"Why are you so red?" Yang Yu's face changed when he saw Han Jing picking up chopsticks.

"The soup is too hot." Han Jing's face is quite unnatural.

Yang Yu is usually very smart. Today, he's in a daze. He doesn't respond.

"Why is the rainstorm still going on?" Yang Yu said to himself, if it goes on like this, I'm afraid I can't go back, but Han Jing obviously won't stay for the night. However, the clothes were all wet. At that time, I thought the bus would come soon. I didn't care. As a result, the bus didn't come.

Who let a man be so informal sometimes.

"It's going to rain tomorrow morning." Han Jing is cleaning up the dishes.

"Is there a hotel near here? I don't think I can go back for a while. " If so, even if there is a bus, we can't climb so many mountains in the rain, and we won't get sick.

There must be a lot of things going on in the hotel.

It's good to find a hotel and find a way to get out with a female netizen. Yang Yu immediately took out his mobile phone and found the young woman on wechat.

Who knows, there is a message from a young woman: are you there? In a bad mood, accompany me.

Chapter 169

As soon as Yang Yu saw it, he leaned against the bed and went back immediately.

"What's the matter? Did your husband bully you? " Yang Yu is now eager for the young woman to have a conflict with her husband, so that he can have a chance to start.

"Yes, he hit me." The young woman replied immediately.

Domestic violence? Yang Yu immediately thought, this is a big problem.

"No, how can your husband be like this? He's not a man." Yang Yu see found a breakthrough, immediately attacked, make every effort to belittle her husband.

"Where are you? I'll find you The young woman asked to see Yang Yu.

Poof!

Yang Yu's blood gushed out.

How could Yang Yu miss such a good thing? He immediately replied, "I'm still at my friend's house. It's raining too hard outside. Maybe I'll go to the hotel at night. Would you like to come to the hotel for me?"

At the time of this sentence, Yang Yu's mood was uneasy and full of expectations. I don't know how the young woman would reply.

The taste of young women in the city is naturally different from that of young women in the countryside. Those women in the village are all naked. Just do it. They are careless. It seems that it is natural for men to do it.

The young women in the city are all highly educated. Although cheating is common, they play with the excitement of hiding, while the women in the countryside play with the pleasure of satisfying their hunger and thirst.

Yang Yu has been holding the mobile phone, anxiously waiting for the other party to return the information, but it happened that he didn't return.

Han Jing is washing dishes in the kitchen.

Drop.

Yang Yu opened the message in a hurry. When he saw the message, his eyes lit up. It said: OK, what hotel are you in?

"I'll get back to the hotel right away." Yang Yu was so excited that he jumped up and couldn't restrain the excitement in his heart. He didn't expect that wechat appointment would go so smoothly today.

Han Jing came out of the kitchen.

"Sister Jing, it's getting dark. I may have to go to a hotel first." Yang Yu says in a hurry, knowing that Han Jing won't stay overnight. The rest of them are embarrassed. It's better for them to take the initiative.

Of course, Yang Yu is very grateful for Han Jing's help, although they had a holiday before.

Han Jing is stunned for a moment, she did not expect Yang Yu would take the initiative to leave here, thought he would find a variety of reasons to stay, but again and again and Han Jing's idea is different.

At first, I insulted him in front of everyone. I thought he must be very angry, but I didn't find it. I thought I really forgave myself, and suddenly wanted to take advantage of me to take off my clothes, but I didn't do it. I said good things in front of Lord Qin. I thought that when I met him outside the toilet, I would ask for my body again. I didn't find an excuse to go to my home, but I took care of myself. Waiting for the bus to go back, now I think he will find a reason to stay, but he even offered to leave?

Han Jing finds herself guessing all wrong.

Why is he different from other men?

Where does Han Jing know Yang Yu's real idea? He can't wait to find a young woman to make an appointment. Anyone will choose between making an appointment with a young woman and staying.

"It's raining so hard outside. How can you find it? Besides, you have no clothes. Are you going out like this?" Han Jing thinks that no matter what he thinks in his heart, there will be an accident when he is alone. He will not stay overnight. He must go, but politeness is always needed.

"It's OK. I'll wear it wet. It's easy to find a hotel." Yang Yu insisted on going, said into the bathroom, ready to go back to wear his wet clothes.

Han Jing is really can't go on, would rather wear wet clothes out to find a hotel than stay here? I didn't drive you away. Do you want to be such a gentleman? I won't let you go.

"Are you afraid that I will depend on you and ask you to promote me to Lord Qin?" Han Jing grabs the door of the bathroom and doesn't let Yang Yu close it. At ordinary times, several security guards and waiters in the hotel are eager to come here to sleep. You Yang Yu, a countryman, are still so quiet?

When Yang Yu heard this, he was not happy.

"Of course, I'm very grateful for sister Han's help, but I can't sleep here at night, can I? Even if I want to sleep here, sister Han, you won't let me sleep. Then why should I ask for trouble? I have to go to the hotel anyway. " Yang Yu told this lie perfectly. In fact, he thought to himself: elder sister, don't hinder me from finding a young woman, OK? It's rare for people to go back to the city and make an appointment on wechat. In my big mountain, I can't even open wechat.

Han Jing a listen, also to, oneself really won't stay him, say: "the man is not the most can play rascal, how don't you play?"

"Who says I won't cheat? If I play Lai, sister Jing can't get rid of me. " Yang Yu said and closed the door.

Wearing the wet clothes, Yang Yu decided to bear it.

"Thanks for Jingjie's clothes and hot noodles. I'll go to the hotel first." Yang Yu said hello and actually went downstairs.

Han Jing looks at Yang Yu's back when he resolutely leaves. Suddenly, she feels lonely. She doesn't think much about it. She closes the door, sits on the bed and calls her boyfriend to chat. Yang Yu went downstairs and found that it was still raining outside, and it was already dark. When he was about to rush into the street, wechat sent a message again. Yang Yu quickly opened it and guessed that it was the young woman who wanted to open her own house.

I'm still secretly proud.

Can open a look, suddenly what, it is indeed a message from the young woman, but impressively wrote: it's raining too much outside, I don't want to go out, next time.

Poof!

Yang Yu spat out another mouthful of blood.

Don't take such playful person, elder brother just refused Han Jing, vow to come out with you about gun, just go downstairs, just give Han Jing say goodbye, you pressure back I don't come?

"I'm already looking for a hotel. Shall I pick you up?" How can Yang Fei cook the duck?

"No, I came up to talk to you while my husband went to take a bath. If he found me out for a one night stand with you and gave him a green hat, he would not kill me. Besides, it's raining outside, I don't want to go. Let's do it first. My husband's bath is getting better soon. I'll take a shower first, 88"

"wait, wait, wait." before Yang Yu has typed a few words, the young woman will die Direct offline, Yang Yu back several words, just no reply, just sure that the other party is really under.

Yang Yu Leng was there, looking at the rainstorm outside, and looking up at Han Jing's room with lights on.

All of a sudden, I felt that the gap was one day and one place.

Now it's all right. You can't go out, you can't go back. Just now I went out to look for the hotel. It was just for the only interest of making an appointment. Now the young woman is not coming. I'm crazy. Go to the hotel?

I can't go back to find Han Jing. What a shame. Yang Yu thought in his heart that he was not satisfied.

Forget it, what face, what face? What face do you want!

Yang Yu, with a black face and a depressed face, went upstairs again. After several hesitations, he knocked on the door.

But Han Jingzheng's boyfriend was chatting happily and didn't hear a knock at the door.

Yang Yu was waiting outside, so he had to knock on the door.

This time, Han Jing heard: "who?" Kexin thought, usually no one knows that he lives here, nor is he the landlord, nor is He Yang Yu, who is who?

But how can Yang Yu outside the door have a face? Do you swear: it's me, I'm back?

When Han Jing saw that there was no movement outside, she just talked with her boyfriend again. After a while, Yang Yu knocked on the door again. This time, Han Jing got angry and hung up her boyfriend's phone. She went to open the door and scolded, "who is that?"

As soon as the door opened, he was angry. He just wanted to curse. He saw that it was Yang Yu standing outside.

Yang Yu said with a silly smile: "can I play a rogue?"

"You think I'm a hotel. Come and go as you like?" Then he slammed the door.

Yang Yu's nose is full of ashes. Should be that sentence: do not die, will not die.

Do you miss any young women? What do you want young women to do? Now, empty handed, both ducks have wings.

What about the evening?

Chapter 170

Yang Yu is shivering with cold and can only stay in the corner. It seems that Han Jing can only be moved by bitter meat, but Han Jing can't see it. Why don't you buy some fruit to bribe her? Isn't that true?

Yang Yu had no choice but to knock on the door again. When he opened the door, he trembled and prayed: "sister Jing, let me stay overnight!"

Han Jing put her hands in the door and leaned against the door. It seemed that she had made a good phone call with her boyfriend. Her face was cold and she muttered to herself: I didn't intend to let you stay overnight.

"Who was in a hurry to leave just now? I'm so hungry and thirsty that I want to keep you for the night. Han Jing's anger is obviously not gone. In this case, how can I be comfortable without beating Yang Yu's face?"

"Sister Jing is so beautiful. It's a man who wants to stay for the night. I'm afraid I can't resist her beauty when I leave. It's not good to commit a crime!" Yang Yu is always boasting about Han Jing. If a woman doesn't boast, she will be so proud that she will float to heaven!

After listening to so many praise words, Han Jing's heart is comfortable. If you look at it carefully, Yang Yu is actually very good-looking, with three-dimensional facial features, a man's body and sometimes lovely behavior. It's because you know Lord Qin that Yang Yu's image in Han Jing's heart is suddenly high!

Buddha depends on gold, man depends on relationship!

"come in, but you can only sleep on the floor at night."

Han Jing what sleep on the outside is really heavy. If you catch up with Yang Yu, then you can give

yourself a little report in front of Qin. You will not know how you die. In that case, let him sleep on the floor, and there will be no problem.

Into the room, Han Jing or throw the women's clothes, Yang Yu had to change, ah, who let us depend on it.

"I think it's very suitable for you to play the role of a fake mother." when Han Jing saw Yang Yu, she turned back and said, "come on, take a picture for you, ha ha!"

"What? Leave me alone, sister Jing Yang Yu is afraid that it will spread to the durian like Xie Qiuqiu. How can he meet people? You don't need to see people. It's enough for you to be famous.

Han Jing has taken out his mobile phone and started to focus on Yang Yu. Shit, are you really here? He just jumped in.

"If you shoot, I won't let you go at night," Yang Yu threatened.

"If you touch me, I'll drive you out."

Han Jing is not afraid. She sees many men. Those who want to stay overnight are discounted by her. Yang Yu is the first man to stay in this room.

"By your strength? How dare you? I'll depend on you in bed. Anyway, I'm a rogue tonight. " Yang Yu said with a smile, don't you think I'm a rascal? I'll show you.

"I have a wolf proof electric stick. Playing a rogue will only lead to a worse death!" Han Jing is not afraid of Yang Yu at all. She has already made preparations in her heart. Otherwise, she dare not let Yang Yu sleep here at night. If he dares to touch himself, he will electrocute him.

Dizzy, Yang Yu didn't expect that the other side still had this move, today is really no aphrodisiac, always can't let Han Jing off like this? If you can't do it, you have to try it. If you can't do it again, you can play rogue. If you can play all night, are you afraid that Han Jing won't give in?

"How can I sleep without a quilt on the floor?" Yang Yu began to make excuses.

Han Jing had expected that. She just watched TV while playing with her mobile phone and said, "you can do it by yourself. Anyway, you are not allowed to sleep in bed."

"Is that ok? You cover your quilt. I only sleep on one side, but I don't cover your quilt. Is that ok? The floor is cold. " Yang Yu must find a way to sleep in bed, so that there is a chance.

"Now I want to sleep in my bed, and then I want to cover my quilt. Later, I want to touch me. What do you men think? I'm clear. Don't try to push an inch," Han Jing said. She put down her mobile phone and went to the toilet.

Finished, Yang Yu a pat on the forehead, this woman does not study Taobao, but study men?

But suddenly, Yang Yu glanced at the mobile phone and found that Han Jing's wechat was open. Suddenly, he had an idea. He quickly and quietly looked at the wechat and quietly put it back.

"Then you have to give me a coat or blanket. Can I squat in the corner?" Since Yang Yu can't do this move, he has to change it. Is it a woman? There will always be a breakthrough. Seeing Han Jing pee and come out of the toilet, he asks in a hurry.

Han Jing looked, also feel Yang Yu strange poor, from the cabinet to find a blanket thrown in the past, disdain to say: "just make do with it, better than sleeping on the road."

Well! What road? Can I sleep in a hotel? Yang Yu doesn't care. It's hard to find a hotel because of the heavy rain outside.

He rolled up the blanket, wrapped it in the corner, leaned against the wall, and played with his cell phone.

Then the wechat doesn't use its own real head image, it's a very man's photo with bare abdominal muscles and chest muscles and no underpants, which is very tempting. Naturally, it doesn't show its face. At the same time, there is no binding common QQ, but a new QQ, friends do not know, and there is no binding mobile phone.

One advantage of this is to hide his wechat identity. In this wechat, Yang Yu can completely reveal his "wolf" nature, so Yang Yu named his wechat as "wild wolf". Yang Yu quietly looks for friends nearby. Then he finds Han Jing's wechat and sends a friend request. Then he puts down his mobile phone and asks, "can I watch this TV?"

Drop!

Han Jing's wechat received a request from a friend nearby. He opened the information, frowned and immediately doubted whether it was Yang Yu. He turned to look at Yang Yu and saw that he didn't care. He was stunned. He thought it wasn't him. Then he turned off the voice of his mobile phone and said, "you can drive it yourself. Don't disturb me."

Yang Yu turns on the TV and pretends to watch it. In fact, his eyes have been peeking at the mobile phone in the quilt, always paying attention to whether Han Jing has added himself as a friend.

Sure enough, Han Jing added, but did not return to Yang Yu.

Looking at the TV, Yang Yu reaches down with one hand and presses the mobile phone on the blanket. He just says hello first:

"Hello, beauty."

Han Jing is very alert and still suspects that this person may be Yang Yu. When she takes a look at Yang Yu, she sees him pressing the remote control and choosing TV programs seriously. She thinks in her heart: it must be Yang Yu playing tricks on me. He went back to the past and wanted to give him a blow:

"Yang Yu, it's not fun at all. I'm black." Send out, immediately look at Yang Yu.

When Yang Yu saw her, he did not dare to play with his mobile phone.

This is playing Infernal Affairs.

Yang Yu said: "if you don't have a way to watch, I will come back."

Yang Yu is so monitored that he can't play with his mobile phone. He will be exposed. What should he do? Once exposed, the idea of visiting Han Jing's inner world will be shattered.

But Yang Yu is not a vegetarian. He has been mixing in wechat for so long and mobile phones for so many years. He has already learned several basic blind fighting skills. Although he doesn't know what Han Jing has returned, he can guess that Han Jing must be doubting himself. If he doesn't return, he can't do it.

Yang Yu reached into the bed, looked at the mobile phone, hit two letters blindly: XJ, and then chose one, but he didn't know what to hit. He didn't care what to hit first, and sent it out first. As a result, he even typed out the word "sex".

When Han Jing opens it, she suddenly changes her face and looks at Yang Yu. It is clear that she didn't play with her mobile phone just now, but Han Jing is not a fuel-efficient light. Suddenly, she gets out of bed and walks towards Yang Yu. Yang Yu exits wechat in a hurry. With a flick of her finger, the mobile phone slides down to the front.

"Bring me your cell phone." Han Jing said suddenly.

Yang Yu has been in a cold sweat all his life. Shit. Fortunately, I've been prepared. This girl is too sensitive. Do you know that person is me? It's not scientific.

"What for? I don't have it Yang Yudong looks for his mobile phone, but he just doesn't find it. In fact, he deliberately looks for it for Han Jing. When Yang Yu sees that Han Jing hasn't given up, he just stands up and pats the carpet, and the mobile phone pops out.

"Found it." And then, very naturally, he handed it over.

Life is like a play. It's all about acting.

Han Jing looks at Yang Yu fiercely and wants to see Yang Yu guilty. But how can you compare Yang Yu's psychological quality with Han Jing? Completely not afraid to look at Han Jing, but Han Jing was embarrassed.

Han Jing took his mobile phone and unlocked it. Sure enough, Yang Yu didn't open wechat, so he casually asked, "how much is your wechat?"

"Just search my mobile number. But I don't usually use it. " Then Yang Yu reported his mobile phone number.

Han Jingcai was willing to hand back his mobile phone, and then searched for Yang Yu's mobile phone number. As expected, he found one and used a real picture.

"It's so vulgar to use one's own photo to make a picture of one's own age." This time, Han Jing really believes that the man just now is not Yang Yu.

Play Infernal Affairs with me? You're a little tender. Yang Yu was already in a cold sweat in his heart. It's really dangerous. He was almost seen through by this woman. Fortunately, my brother, who has been working on wechat for so many years, already has rich experience.

"If you don't talk, I'll be black." Han Jing went back to the number Yang Yu had just said hello to.

Yang Yu wrapped the blanket again and went back to the corner. Only this time, Han Jing leaned toward the head of the bed, so that she could not see Yang Yu's vision. In fact, she also deliberately avoided Yang Yu.

Yang Yu re opened wechat to have a look, and then found that Han Jing on the bed was covered by the wardrobe next to her. Instead of seeing Han Jing's face, she could only see her chest, so she was relieved to chat with her, and Han Jing had no doubt that this person was not Yang Yu.

"Oh, no nonsense. I'm having a room with Xuemei." Yang Yu started his own lie and trial plan.

Chapter 171

Han Jing did not choose to pull black, but replied:

"how old are you, open a room?"

Yang Yu began to make up his own story in order to see Han Jing's sexual values. He said, "I'm 19 years old. I'm a freshman, and I'm a junior in high school. I just met her today. I'm going out to have a fight in the evening."

"Well, come on, she's so coquettish." When Han Jing heard this, she believed it and thought to herself: as soon as I met her, I opened a room with someone else. I'm a junior in high school, and I'm too open.

"Yes, she has a boyfriend. She keeps it from her boyfriend." Yang Yu returned.

"No, cheating." Han Jing found out that this man didn't come to tease himself. Although his words were hard to hear, they didn't seem to have anything to do with him, so it didn't matter. He just chatted like this. Anyway, the longest TV series in the world is on TV now. It's half an hour on time at 19 o'clock every night.

"Yes, she said it's exciting to steal. She often steals it from netizens." Yang Yu began to make up, in order to create a false impression for Han Jing, that is: cheating is a very common and normal thing for men and women, and there is no need to feel guilty for her boyfriend or girlfriend.

"Speechless, it's just so big, just cheating. Now what are you doing?" Han Jing is still curious about other people's affairs. In fact, she is not very clear about how other lovers live.

But at least I can be sure that my new boyfriend is far away from me, which is not real at all, and even feels dispensable. I make phone calls and chat every day, so that I can accompany myself on my mobile phone, instead of really accompanying myself now.

The rainstorm outside doesn't mean to stop at all. The rainstorm is coming fiercely. This season, the typhoon hasn't come so fast. Every year when the typhoon comes, it will be submerged here. If the rainstorm continues, it may be completely blocked outside tomorrow.

"Well, I'm doing her now. Would you like to take a picture for you now?" Yang Yu deliberately said that the purpose of shooting now is to highlight the "sense of reality". In fact, it's all fake.

"No." Han Jing replied decisively.

Yang Yucai didn't care so much. He opened the album and went back. In fact, this set of pictures is a self portrait of a couple on durian. It's very real and clear. Yang Yu came down to seduce his sister.

Han Jing opens the photo and suddenly faints. It's a back entry self portrait. The man holds his mobile phone and shoots down. The girl is so tall that her buttocks are up. The whole pose is extremely ecstatic, and the male organ is clearly visible.

It's very big, but it's much shorter than Yang Yu.

"Dizzy, don't send this kind of picture, I pull black." Han Jing did not get angry at all, but pretended to be very angry, and then returned: "but your brother is still very thick."

Yang Yu saw this, laughed on the spot, decided to force on her at night.

"OK, I sent the picture of my little brother to this Xuemei, and she made an appointment with me directly. How about you? Do you like this scale? " Yang Yu first said that girls of this size like it, and first

gave Han Jing a preventive injection, which means that even if you say you like it, no one will laugh at you, because other girls like it, and then asked Han Jing whether she likes it or not. These are all seduction tips.

The highest level of seduction is to open each other's heart bit by bit, then instill disharmonious thoughts into her bit by bit, and finally let her understand that it is normal to cheat on her boyfriend's back.

"Normally, girls like thick ones. However, she is too direct. When she sees your big picture, she will give it to you directly. " Han Jing returned, thinking: which woman doesn't like big? But it's too open to the public.

Yang Yu sees that Han Jing is not a traditional woman like Lin Yiyi, nor a goddess like Li Ruoshui and Li Yuanxi. Although she is not as coquettish as Lin Yina and Han Sao, she still yearns for men.

Han Jing is that kind of woman. If you are not my boyfriend, I will not go to bed with you. If you are my boyfriend, you can go to me at any time. That's the kind of woman. To put it bluntly, this so-called "boyfriend and girlfriend" relationship is just an excuse in many women's hearts, or an excuse to balance their hearts.

Yang Yu understood, this woman, can go up, even if she resists, also won't shout indecent, more won't call the police to really catch you. To deal with this kind of woman is to seduce her for a long time, tempt her and break her defense line a little bit. Originally, her defense line was not so strong.

Yang Yu continued to send several of those pictures, just to remind Han Jing of the fire.

"And you? Not with your boyfriend?" Yang Yu began to turn the topic gradually to the problems that he could relate to himself. These problems are the essence of exploring the inner world of chicks.

"I don't live with him in another place." Han Jing answers truthfully.

If this kind of question, Yang Yu directly face-to-face asked her, only afraid that Han Jing will play a slap, and then will say a word: get out.

This is the benefit of the Internet. The Internet gives people a mask, but they can explore each other's inner world."Then how do you love each other? How often?" Yang Yu wants to know the frequency of Han Jing's sex life.

"We didn't see each other very long, only once." Han Jing returned.

"No, it's very cold. It's very cold.

On the bed, the quilt a pull, the whole person got into the quilt, unexpectedly with Han Jing cover the same quilt.

"Hey, who asked you to cover me?"

Chapter 172

"Ha ha, warm, warm."

Han Yu takes his clothes and goes to the bathroom. He has no time to take a bath.

"Stay in bed and don't think about peeping!" Han Jing said and closed the door.

When Han Jing closed the door, Yang Yu muttered: "you said that if you don't peep, you don't peep. Isn't it true that women talk in reverse?" Yang Yu got up, but not to peep, thinking: she doesn't have an electric stick, first hide it.

But I haven't found it for a long time. Isn't it true? You lied to me? I will not worry about it.

Yang Yu looked up at the bathroom again, and saw a shadow with concave and convex body. He was bathing. This kind of vague feeling made Yang Yu very interesting. At night, he had to wait for Han Jing to come out. Yang Yu hurried back to the quilt, took off his coat, pulled half of the quilt back, and then relied on the TV to wait for Han Jing to come out.

This posture is like going to a hotel to open a room to call a young lady. Just wait for the young lady to take a bath, and then serve herself.

Sure enough, Yang Yu is too proud. As soon as Han Jing comes out, he shouts to her, "Niu, come here to serve you."

"Psycho! I want to die." Han Jingbai takes a look and scolds.

Yang Yu found out that Han Jing was wearing silk pajamas, a kind of high-grade fabric. It felt very smooth, especially for noble young women. They especially like to wear silk and have a great style. Yang Yu thought that Han Jing, a strong, serious, fierce and enterprising woman, must have a very serious style, such as cotton.

Yang Yu once made an appointment with a young lady who loved to wear silk. She was fierce and tasteful. At that time, she was not bitten by the strange insect. She was tortured all night and almost died suddenly.

But now, the world has changed, every time I want to die, it's always the woman under Yang Yu who asks for mercy,.

"It's just a joke. It's exciting." Yang Yu said, and her eyes went to Han Jing's chest. The silk pajamas were light and thin, and were propped up by the milk, which was very

"don't look at me with such eyes." Han Jing knew what the man was thinking when she saw Yang Yu's squinting.

"What are you afraid of? Can I see through you?" However, Yang Yu also knows that his mind will definitely be seen through by Han Jing. However, if you can see through, you don't have to disguise.

Han Jing gets into bed. Yang Yu looks at her thighs all the time. They are really good and energetic. Han Jing gets into the bed and takes a look at Yang Yu. He says, "stay away from me."

Yang Yu deliberately moved, but in fact, he didn't move much, not to mention that the bed was not big.

The rain outside the window is still clattering. They are leaning on the bed, watching the TV scene with embarrassment and coldness.

Yang Yu squints at Han Jing, trying to reach out and touch her foot once, but Han Jing takes a look at it immediately, and immediately shrinks back.

Until ten o'clock, Yang Yu is sleepy, so he lies down and goes to sleep first. Han Jing looks at Yang Yu in the quilt. He has a strange feeling. How to say that a man is sleeping beside him. He always feels uncomfortable.

It's a little cold. Han Jing is a girl who is afraid of the cold. The half of the quilt she sleeps is chilly. I don't know how Yang Yu is?

Turn off the TV, turn off the light, also drill into the bed, butt to Yang Yu, then ready to sleep.

In fact, Yang Yu didn't fall asleep at all, but he was not in a hurry. He was waiting for the night to be deeper, sleepy and playing rogue.

After another two hours, the rain is also small, this rainy day, it is midnight, outside the street is already empty, even no one.

In the dead of night.

Neither Yang Yu nor Han Jing fell asleep, but both pretended to be.

At this time, Yang Yu turns around and boldly hugs Han Jing. He finds that Han Jing, who is cold there, responds immediately and shouts, "get out of here."

When a man should be a rascal, he should be a rascal. Now is the time to play a rascal. However, to play a rascal, he should be a gentleman: "Why are you so cold?"

"It's none of your business. Please let me go." Han Jing shakes her hand hard, but Yang Yu holds it tightly.

"I'm warm, isn't it good to warm you?" Of course, Yang Yu has to find some excuses. Even Han Jing knows that it doesn't matter if it's an excuse. This is also a reason for Han Jing to step down.

"Who wants you to be warm, will you let it go?" Han Jing said angrily, "if you don't let go, I'll take the electric stick. "Yes"

on hearing this, Yang Yu quickly let go, but not afraid of the electric stick, but confidently said: "OK, call me?"

"You..." Han Jing turns around and gets angry. As expected, he is a rogue.

"Why, can't you take out the baton?" Yang Yu began to be proud, and then he took it in his arms.

"Let go." Han Jing struggles.

"Don't you say I'm a rascal? Then I'll be a rogue. " Yang Yu is a real rogue. He should be a rogue in front of women.

"I shouldn't let you in to sleep. When you get to bed, you'll take advantage of women." Han Jing said, and some regret to the villain is also a man of the sex wolf overnight. "Nonsense, in such an occasion, I don't bully you, am I still a man?" Yang Yu doesn't match. If I don't move you, do you think I can't? Or sick?

"Do you bully me as a man?" Han Jing retorts.

Yang Yu really wanted to take the aphrodisiac with him. Unexpectedly, he had to try it slowly. If he couldn't, he wouldn't bully him. Anyway, he tried it first. Maybe it really made Han Jingfa spring?

"Really don't touch you, let me sleep in bed." Yang Yu was scared by Han Jing. He thought you had stayed me for the night. He must have known that I would touch you at night. How could he react so much?

Han Jing is still a chaste martyr?

"Only my boyfriend can touch me, no one else can." Han Jing answers. Seeing that Yang Yu is sincere, it seems that he won't touch himself any more. Then he calms down a little, turns off the light again, and gets into the bed.

Yang Yu can only stare at the ceiling in a daze this time. This time, he really dares not try. The reaction is so fierce that he can't touch it. Even if he is forced by violence, it's really not worth it to make a charge of rape in the end.

Han Jing saw that Yang Yu was really good at learning, so he went to sleep at ease.

Is it really like the last time with Lin Yiyi on so nothing to sleep a night?

Of course, Yang Yu is not reconciled, but he doesn't bring any aphrodisiac. As long as Han Jing doesn't send spring, he can't take her. Rape is risky after all. It's a crime. Yang Yu is a good citizen and abides by the law. He can't do anything against the law.

They really fell asleep.

Chapter 173

The wind outside was very strong, the temperature dropped sharply, and it became cold at night.

Han Jing is suddenly awakened by the cold. She is a girl who is extremely afraid of the cold. Especially in winter, she will have frostbite or something. She is extremely afraid of the cold and has to be fully armed every time she goes out. I don't know what happened tonight. The heavy rain made it cold all of a sudden.

Han Jing's quilt is cold and shivering. Looking at Yang Yu, he sleeps like a pig, thinking: let him not touch it. He's really honest. Anyway, he sleeps like hell. It's not too much to get warm, let alone his own bed.

Thinking about this, Han Jing quietly moved, next to Yang Yu, and then stretched out her legs. When her skin touched Yang Yu, a warm attack came. Han Jing laughed happily.

"Wow, sister, you are a cold-blooded animal. How can you be like a piece of ice?" Han Jing never dreamed that she would wake up Yang Yu to Bing.

"Women are cold and make a fuss." Han Jing said, and moved his feet back, wanted to rub a little warm back, but actually woke him up, failed.

"I'm very warm here. Why don't I take you to sleep? Don't get me wrong. If I don't touch you, I really don't touch you. I just want to warm you up. After all, you took me in. " Yang Yu is good at learning this time. First, let Han Jing rest assured.

After listening to Han Jing, she really didn't touch herself after she was scolded. She should not want to take advantage of me. It's not too late for me to avoid taking advantage of me at that time. Besides, if the quilt goes on like this, I really can't sleep.

"Well." Han Jing gently got a, originally also wanted to add a: don't touch me. But still to hold back, afraid of Yang Yu listen to, not to warm.

Yang Yu didn't think about anything, not to mention he was very sleepy, so he spread out his arm to let Han Jing move over. Han Jing moves two times and presses her head on Yang Yu's arm. Then Yang Yu grabs her hand and presses Han Jing's whole body into her arms. The other hand drags her buttocks and presses her. Her feet meet her again and entangle with Han Jing's legs.

"Sister Jing, you are as cold as a corpse." Yang Yu was suddenly shivered by the ice. Don't hold such a cold woman.

In Yang Yu's arms, Han Jing had never been so comfortable and warm, and felt happy.

"It seems that it is of some use to keep you overnight. Hee hee. " Han Jing hid in his warm arms, very comfortable, even proud.

"That's all I need." Yang Yu said, more tightly hugged Han Jing, however, both hands are very regular, without any additional action, afraid of Han Jing struggling to go.

Yang Yu was sleepy and soon fell asleep.

But Han Jing can't sleep. She has been held by men many times, but Yang Yu's embrace is the most comfortable and the safest. She has never had a sense of security. Han Jing had a sense of guilt and uneasiness. The reason is that she left other men to spend the night in her room without telling her boyfriend. This is already an affair in itself.

This makes Han Jing feel like she has betrayed her boyfriend.

So the initial reaction was so intense, but now it's very comfortable and safe to nest in Yang Yu's arms. That kind of guilt and uneasiness is gone. Instead, it's a kind of pleasant and happy feeling.

However, at this time, Yang Yu had a spring dream. Do you think you can sleep with such a woman without a spring dream?

As soon as the spring dream is finished, Yang Yu's guy will gradually strengthen in his sleep. Originally, this is very normal, but the problem is that one Yang Yu is not wearing underpants; two Yang Yu is holding Han Jing, and their legs are still intertwined with each other.

Han Jing immediately felt it. The big guy was directly against Han Jing's legs. Han Jing could feel the guy was hot, thick and hard.

Han Jing hastily wants to push it away, but Yang Yu holds him tightly and can't push it away.

The big guy is completely pressed on Han Jing's thigh. Han Jing can clearly feel the guy's strength and strength.

A woman, held tightly by a man, was in his arms, and her thigh was supported by his big leg.

One minute, maybe, two minutes, maybe, but ten minutes? What about half an hour?

Han Jing is a woman, a normal woman. She hasn't loved her boyfriend for a long time. She meets such a

thick guy for the first time. If she doesn't respond, she is not a normal woman!

Han Jing is of course a normal woman, Han Jing gradually has a reaction, cold body also slowly warm up.

In the dead of night.

Han Jing's heart rate accelerates slowly, her body gets hot slowly, and her breath is too short. The bath fire in her body is ignited like this. At first, it's a little bit, but slowly, the bath fire becomes more and more prosperous.

Yang Yu still sleeps like a pig. Han Jing knows that Yang Yu doesn't pretend to sleep, but he is really asleep.

However, all of a sudden, Yang Yu moved a little bit in his sleep. Although Han Jing was still hugged so tightly, Yang Yu's lower body was pushed into Han Jing's thigh inexplicably.

Now, Han Jing is like a flash flood. If Yang Yu knew that Han Jing at this time was such a scene, he would have gone directly. Unfortunately, Yang Yu still slept like a pig.

Just now Yang Yu was scolded by Han Jing. How do you know that there is still a chance when people are quiet in the middle of the night? But I fell asleep.

Life's up and down. It's so fuckin 'exciting.

But Yang Yu is a real pig and sleeps like a pig.

But only a few minutes later, Yang Yu was awakened by urination.

Found that Han Jing is still close to his arms, is sleeping well, then carefully took out his hand, quietly climbed up, went to the toilet, at this time just know, his that guy is tough.

It's no wonder that Yang Yu is tough every night, usually for one night. It's better to vent if he does. If he doesn't, he'll shoot it out in his dream.

After urinating, he goes back to bed and hugs Han Jing in his arms. At this time, Han Jing's heart is bouncing. He is afraid that Yang Yu will find that he is pretending to be sleeping.

But when he hugged Han Jing, Yang Yu had just had a spring dream. He had a bath fire in his body. He found that Han Jing was sleeping soundly and had evil thoughts again. Anyway, he was close together, his legs were entangled, and even his face was close together. Yang Yu couldn't help it.

He stretched out his hand and felt it in Han Jing's silk pajamas.

Suddenly Han Jing bit his lips, this grasp, feel very comfortable.

Yang Yu see Han Jing did not wake up, then bold up.

Han Jing is already burning with desire. She can't bear this feeling. She can't pretend to sleep any more.

"Yang Yu, don't touch me."

Chapter 174

Han Jing was originally in Yang Yu's arms. Her legs were all entangled, and her other hand was around her neck. In this way, Yang Yu's legs were clamped, and her arm was forced to hold her. Hehe, Han Jing couldn't get away. After all, no matter how strong Han Jing was, it was much smaller than Yang Yu.

Yang Yu reaches into Han Jing's silk pajamas with the other hand.

"No, no, don't touch me..." Han Jing pushes hard with her hand, but Yang Yu's body is like an iron wall and a copper wall. It doesn't move. Yang Yu feels comfortable all over her, and can't touch her like this any more.

Han Jing struggled desperately, twisting her body, but she couldn't get out of Yang Yu's arms. She cried desperately: "don't touch it, don't touch it."

Where is enough to touch a breast? It's just the beginning. Originally, Han Jing's face was close to Han Jing's, and we could feel each other's breathing. Yang Yu simply pressed hard and let it pass.

Suddenly, the two mouths were sealed together.

"Woo! Woo Han Jing's mouth is sealed, and he wants to leave hard. He keeps shouting and struggling, but Yang Yu can't make any sound.

But at this time, Han Jing's mobile phone rings

No, it's one o'clock in the morning. Who still calls?

With the sound of the vibration, both of them were stunned. The mobile phone was placed beside Han Jing. Han Jing took a look and said, "my boyfriend's phone, don't talk"

"I'll call you so late?" Yang Yu is puzzled, this telephone always can't let not answer?

"Get out of here. I'm going to answer the phone." Han Jing took the opportunity to find an excuse.

Yang Yu didn't want her to answer. What else did she call in the middle of the night? What's more, if you are disturbed by such foreign affairs, what if you don't have a bath fire? However, the mobile phone just kept ringing, so Yang Yu had to turn over.

Han Jing sat up, leaned against the wall and answered the phone: "hello?"

When Yang Yu looks at the scene, isn't it a better time to bully? Han Jing is talking on the phone. She must have no time to think about herself. She moves and hugs her from behind. She hugs Han Jing in her arms, but both of them are sitting on the bed.

Han Jing turns her head and stares at Yang Yu fiercely. At this time, Yang Yu's hands have passed through his pajamas and once again grasped two breasts.

Han Jing holding a mobile phone to chat with her boyfriend, one hand desperately to pull Yang Yu's hands, want to pull down from the chest, where can pull down ah?

Han Jing has no choice but to take Yang Yu. Her strength is smaller than him, and she can't speak. She will be heard by her boyfriend.

Yang Yu extends his mouth and kisses Han Jing's ears and neck. Suddenly Han Jing feels itchy. Yang Yu's sensitive and slippery tongue kisses Han Jing's ears and neck. Yang Yu reaches out a hand, turns Han Jing's head, and then kisses it down.

"Woo Han Jing's words are only half said, but they are blocked by Yang Yu.

"Wife, why don't you talk?" On the phone, Han Jing's boyfriend asked, because it was so close that Yang Yu could hear what they were talking about clearly

Han Jing pushed Yang Yu's head away, took a breath and said to her boyfriend, "nothing. It's very late. I'm sleepy and want to sleep." Han Jing has to find a reason to hang up the phone, or she will be heard a man's voice in the room and her boyfriend will not break up.

"Wife, don't sleep. Let's have a chat." My boyfriend begged.

When Yang Yu didn't hear it, he kisses Han Jing. Han Jing wants to make a phone call, but he can't speak. So he has to let Yang Yu bully him and take advantage of him.

Yang Yu caresses more and more hard.

"I'm really going to hang up. I'm so sleepy." Han Jing wants to hang up very much. She's a little tired of her boyfriend's interrupting in the middle of the night.

"Let's talk in private..." Han Jing's boyfriend seems to be in good spirits and doesn't want to hang up.

At this time, Yang Yu pushes Han Jing forward from behind. Han Jing is pushed forward, and the whole person kneels on the bed. Han Jing suddenly understands something and wants to get up, but Yang Yu presses her.

"Don't!" Han Jing shouts out in a hurry

this shout, Han Jing just responds, the mobile phone hasn't been hung up, and her boyfriend hears it all, and Han Jing is about to cry

"what don't you want? What are you shouting about? What are you doing? "

When he heard that, he didn't know what was going on, but he thought that his girlfriend must be a person. Where would he know? Now, his girlfriend's underwear has been taken off by Yang Yu.

Han Jing beats Yang Yu desperately, but Yang Yu doesn't want to see her at all, so she goes in directly.

"Ah?" Han Jingren called out.

"Han Jing, what's the matter with you? What are you doing? " The boy friend hears Jian Jian and Han Jing yells "don't do it." he doesn't want to be crooked, so he asks in a hurry.

Han Jing at this time to endure pleasure, hastily back: "nothing, see a cat, scared me." But the boy friend still didn't believe it very much. He asked suspiciously, "why don't you shout?"

"Nothing. I'm really sleepy. I'm going to sleep. I'll hang up." Han Jing is anxious,.

Han Jing has been saying to hang up, her boyfriend is more suspicious: "are you cheating?" Han Jing heard the body suddenly tremble, now no air traffic control Yang Yu, had to send his boyfriend: "what ah, no ah, I just want to sleep, tomorrow chat ok?"

Han Jing almost asked for her boyfriend.

Yang Yu was moving behind him, making a sound of puffing.

"What sound?" My boyfriend's ears are not so sharp.

"It's the sound of rain outside." Han Jingdao.

"Oh, you're really tired. I'll call you tomorrow morning." Han Jing's boyfriend saw that his girlfriend didn't want to chat, so he had to give up and go to bed.

"Well, good night." This sentence is the most real sentence that Shoujing said at night, and hung up the phone in a hurry.
