### Chapter 259

Name : [A Sensualist's Sin](#) Author : [Rosemead](#)

Oh, my God!

Yang Yu was really scared, was scared to cry, scared to incontinence.

God, there is such an amazing, beautiful and suffocating woman in this world, as if she does not belong to the world, because it is impossible to find such a woman who is out of the world, beautiful, beautiful.

This is the second time that Yang Yu has been amazed. The last time he saw his cousin Li Yunxi half a year ago was in this place.

"I stepped on the air, fell down, twisted my foot and couldn't walk. No one helped me in the middle of the night. I cried when I was in a hurry. "A woman's lips are clenched, her words are clear and moving. Even frowning is intoxicating.

Yang Yu has not yet come over from the surprise. He opens his mouth, drools and stares at the gorgeous girl in front of him.

"What's the matter with you? "It's the woman's turn to ask.

"No, no, I've never seen a beautiful woman like you. I've seen all the beautiful women in my village. Why haven't I seen you? "Yang Yu touched the back of his head again and laughed foolishly. Every time he met a beautiful woman or a bitch, he would become like this.

"I seldom go out during the day, so it's normal for you not to see me. By the way, are you Yang Yu? "The woman replied with a smile.

"You know me? "Yang Yu immediately gets excited. It turns out that this woman still knows herself, and she is a little proud. It's estimated that this kind of beauty can only meet two in her life.

"Who doesn't know you in this village. My name is Su Xiaoxiao. It seems that my name is too heavy. "Su Xiaoxiao said in a soft voice.

The name of Su Xiaoxiao is familiar to Yang Yu. She was a famous prostitute in Qiantang of the Southern Qi Dynasty. She died of the cold. There is a tomb of Su Xiaoxiao in Hangzhou.

"It's just a name. Where do you live? I'll help you back. "Yang Yu immediately felt pity for her.

"I live in the back mountain"

before Su Xiaoxiao finished his words, Yang Yu's face was blue.

Back hill? It's a forbidden area. It's the top of the three terror forbidden areas in the village. Although it's just a legend, Yang Yu has never seen it before, but the villagers are afraid that it must be reasonable for him.

"Look at the house nearest to the back hill." Su Xiaoxiao said with a smile.

Yang Yu was relieved. He was scared to death. Yang Yu reaches out to help Su Xiaoxiao. Then when he touches her skin, he finds a cold feeling, just like Zheng Ling, Lin Yina's grandmother, who touched her on the first night. He quickly shrinks back and cools his back.

"What's the matter?" Su Xiaoxiao found out something different about him, but he didn't have many ideas.

"No, No." Yang Yu laughs awkwardly. He is afraid and suspicious, and he thinks he is too sensitive. In front of him, this is a real woman. He thinks: it's freezing outside, so I should be cold.

Yang Yu helps Su Xiaoxiao, a woman in white, up. Su Xiaoxiao's half body is supported on Yang Yu's body. However, Yang Yu has great strength. Such a weak woman is really nothing. She leads Su Xiaoxiao to her home.

Maybe outsiders think that Yang Yu's action will be very interesting at this time.

When they were chatting about their daily life on the road, they didn't talk a lot. After all, there was no flashlight. The road was very difficult to walk. Moreover, it was a long way from here to her home, and they were all climbing up.

Originally 15 minutes away, because Su Xiaoxiao was injured, he walked for half an hour.

"My house is here. Go back. I'll go in myself. Thank you." Su Xiaoxiao went to his home and said to Yang Yu.

"Well." Naturally, Yang Yu is embarrassed to go into other people's homes in the middle of the night, not to mention that he doesn't wear his pants, so he has to go home to sleep.

Su Xiaoxiao stood at the door, the breeze blowing, her hair and white skirt up, so beautiful to suffocate ah, then let Yang Yu amazing or Su Xiaoxiao's temperament and refined, as if she came from another place.

"Are you free tomorrow? We can swim together or what?" Naturally, Yang Yu doesn't miss the opportunity of dating. He will go to school tomorrow afternoon, have dinner in the evening, and go to the city the day after tomorrow. He is still very busy, so he wants to make an appointment in advance, otherwise it's not easy to meet next time. It's the first time that Yang Yu has seen such an amazing beauty after spending half a year in this village.

"I'm afraid not during the day. I usually come out at night. "Su Xiaoxiao is elegant and doesn't speak coldly. On the contrary, she makes people feel warm and comfortable.

"Even at night. "What Yang Yu actually wants to say is that it's better at night. There's no eye or ear at night. It's easy to do something in the dark.

"My parents are very strict. They usually don't let me go out. They usually have time after 12 o'clock in the evening. "Su Xiao's novel, she also knows this passage, Yang Yu will be very confused.

"It's OK. Anyway, it's our date. We sleep more quietly. I like to be quiet. So I'll wait for you here at twelve in the evening when I'm older? "Yang Yu said that in front of the beautiful women, his IQ will drop to zero, but he was originally preparing for tomorrow night, but he will definitely drink a lot of wine at the celebration tomorrow night. I'm afraid that he will be still in a daze at that time, so I can't pass it. Su Xiaoxiao nodded and went into the room.

Yang Yu's heart is filled with joy. Such a beautiful woman can't make an appointment if she wants to.

when Su Xiao went in, Yang Yu quickly danced and started to dance. He also hummed a minor note: my motherland and I could not divide

for a moment. But just two steps, Yang Yu's tune could not be hummed immediately, because he found that the front of the fog was just a legendary khakwai house, which was facing the side of the house, and was independent in the mist. This haunted house is already very famous. After the last eyewinking incident, some reporters reported it wantonly. Now, it is a well-known haunted house.

Yang Yu doesn't dare to approach here even if he has nothing to do. When he gets to the main road, the fog is still shrouded. Yang Yu looks up and sweeps. Su Xiaoxiao's house is also gloomy, as if he has never lived in it. Yang Yu left more eyes, and then looked at the neighbor on the left side. He felt that he had been to the room himself. After thinking about it carefully, he suddenly realized that it was the home of Pan caier, the first prostitute in yunu village.

When the cold wind came, Yang Yu felt chilly. Standing at the height of the terrain, under the heavy fog, she could hardly see any houses. The vast expanse of white just confirmed the place name of this area: Xianju.

After returning home, Yang Yu's mind is full of beautiful women's shadow. Tonight's encounter is really interesting. He thought he met a ghost, but he found a beautiful woman, roar!

Yang Yu wiped the next cold sweat and went on sleeping in Yunxi's bed.

"Cousin, why have you been so long? "Yunxi has been scared to death for half an hour. He has been hiding in the quilt. He can't get out of his head and can't sleep. He is anxiously waiting for his cousin to come back. But after waiting for a long time, there is no sign of his cousin coming back. He thinks he has

been captured by a ghost.

"Nothing. Someone's hurt. I'll take her home." Yang Yu said casually.

Yunxi also did not ask what, tightly moved in Yang Yu's arms, or cousin's arms the safest and most comfortable, in the heart happily, inadvertently raised his head in Yang Yu's face heavily kiss a mouthful.

"Dare you attack me?" Yang Yu said, teasing Yunxi and tickling her. You know Yunxi is the most ticklish. Suddenly, Yunxi was tickled and the whole person rolled up.

The room is full of laughter, laughing, Yang Yu a tone live Yunxi, Yunxi also don't give in, enjoy with Yang Yu kissing together, sleep together happy time.

The night is very quiet. Under the thick fog, Su Xiaojin's old house is quiet. Standing in the silent night, it looks particularly gloomy.

Does Su Xiaoxiao really live here?

The next day.

Because of the excellent results of the junior high school entrance examination, the school and the village government held a celebration together. To put it bluntly, it was to let the students, village cadres and teachers have a good meal, that is, killing pigs and chickens. The logistics of the school canteen was very busy.

Yang Yu in the class, only said a word: "today is the day to leave, after you may not be able to see teacher Yang, if which mm secretly love the teacher, take advantage of today to express, the teacher is not recommended to go to the loft behind the school to open a room, ha ha." Yang Yu's words are both a joke and a truth. Anyway, students graduate, and they will be hooligans once they are hooligans. They are not afraid of their jokes.

"Before you get drunk, Mr. Yang." Zhang meiruo said sarcastically, but today is a special day. She didn't think uncle Yang was too much.

It's just that Li Ruoshui didn't hear this, otherwise he would have split himself.

But Yang Yu didn't mention going to the beach. Originally, he was going to prepare today, but there were not many people who went there. There were three reasons: first, it was too far and too long to go for three or four days; second, he couldn't afford to spend money; third, after graduation, he even ate dinner and didn't have the nature to play together, so he would go together every day.

In the end, according to the statistics, only cousin Li Yunxi went there. She followed her cousin, and then Zhang meiruo. Her father was rich and loved to play. Besides, her good friend Han Qingfang was also with her. Han Qingfang was sure to go. This idea was originally put forward by her, and she was so busy in the summer vacation that there was less chance to love Yang Yu in high school. Later, Shen Feifei also went. Originally white snow and purple Shu also want to go, but the family does not agree, the result did not go.

As a result, the personnel for this beach trip are basically settled, including Yang Yu, Li Yunxi, Zhang meiruo, Han Qingfang, Shen Feifei, Li Ruoshui, Li ruorong and Hua Yuyan.

At dusk, we began to have a celebration dinner.

Naturally, President Chen and Secretary Li would like to come forward and say a few representative words, just to perform the efforts of Yang Yu and Li Ruoshui, as well as the students, and finally thank the party.

Secretary Li also took this opportunity to introduce the main cadres of Xiaocun to Yang Yu.

"Mr. Yang is running for village head this time? Ha ha, I wish you every success." The people under secretary Li deliberately said this, which was obviously arranged by Secretary Li.

This naturally spread to the next village head Zhang's ears. He was very unconvinced. Yang Yu has only been in the village for half a year. What qualifications do he have to run for village head with himself? But he didn't dare to say it, so he kept it in his heart.

"Elder brother Li is serious. The position of village head is naturally that of village head Zhang. I just make soy sauce for village head Zhang." Yang Yu said modestly, but this was more harsh in village head Zhang's ears.

This meal, Yang Yu's wine is really full.

Female students come to toast, thank teacher banquet, can not drink?

The female teachers come to propose a toast. They are going to be headmasters soon. Can you stop drinking?

Village cadres may be the next village head when they come to propose a toast. Can they not drink?

The villagers and their parents come to propose a toast. They need their help to transport vegetables to the county. Can we not drink them?

The beauties come to propose a toast. Maybe it's her gun next time. Can you stop drinking?

This drink really made Yang Yu drunk so much that he didn't even know his parents. This time I drank much more than the last time I celebrated the first place in literature and art. Moreover, the villagers didn't like beer and wine. They all drank white wine or bayberry wine. They had a lot of stamina.

Yang Yu didn't know when he was drunk. He felt vaguely that he had been carried away. Then he got a bed and fell asleep.

It's still dark in the attic, but it's still dark?

Maybe it's the result that really excited the whole family. It's really a proud test. It's also right to be so happy. After all, there are two great happenings in life: the wedding night and the golden title.

Yang Yu got up, opened the door and came out. He saw a man coming up.

"Miss Yang, are you awake? Sobering tea for you." The man said coldly.

Yang Yu's eyes are still very painful. When he fixed his eyes, it turned out to be Ji Ming!

It's amazing.

Anyone can serve himself sober tea, but Ji Ming is absolutely impossible. Ji Ming has done almost nothing this semester except against Yang Yu, talking back, splashing and looking coldly. She has never said a word that warms Yang Yu's heart even when she speaks. Is it a conscience discovery today?

Do you also know that teachers should be grateful?

"Take it! Drink or not?" Ji Ming gave him a white look. He was obviously not happy. It seemed that Yang Yu Duan's sobering tea had been rotten for eight generations.

"I'm in a hurry to pee. You can put it in the room." Yang Yu didn't say anything. He went downstairs without covering up. He peed directly in the corridor downstairs against the wind and felt comfortable. Ji Ming is not interested in watching Yang Yu pee. She reluctantly takes the sobering tea into her room and sits there waiting for Yang Yu. You can't judge your appearance. You can't measure your bladder. Yang Yu has a lot of urine. I thought that Ji Ming must have left, and it must be the headmaster's order to bring me sober tea. So I hummed a little and went to sleep in the room. My head was still heavy, and obviously I didn't sleep enough.

"Why are you still here?" Yang Yu is surprised. Why is Ji Ming still there? Are you looking for something to do with yourself? It's not a loan, is it? Ji Ming is a left behind child. She lives with her grandmother. Yang Yu has been to her home several times. She often brings something to her home and sometimes stealthily gives her grandmother some money.

But Jiming is not only ungrateful, but also vengeful. Yang Yu doesn't care about her either. They are all her own students. Junior high school and senior high school are the most treacherous period for

students. Yang Yu comes here like this. He thinks it's nothing, but at least he says something nice, but Jiming doesn't.

Today, Ji Ming is admitted to Pugao. Although she doesn't have to go to high school, maybe she will make a mistake and go out to work. But Yang Yu can only help, and he has no money. That's why Yang Yu has to start a business. Looking at the poor children in Dashan, Yang Yu's heart is sour. If he has money, his students will live a better life, Xiaomei doesn't have to eat pickles every day, and Jiming doesn't become so rebellious. Every time she thinks about it, Yang Yu wants to cry.

Because my primary school is like this, climbing mountains to school, taking rice and pickles to school to cook, dilapidated classroom, the first grade and the fifth grade are in the same class, the teacher has half a class in the first grade, and then half a class in the fifth grade, all these are Yang Yu's personal experience, which rural children are not suffering from?

Therefore, Yang Yu constantly inspires himself in his heart. Even if he is poor and heavily in debt, he must start a business once. Yang Yu goes there with consciousness.

"Why can't I be here? This room is not yours. I'll come as soon as I like and leave as soon as I like." Ji Ming is as fierce as ever.

"It's been noisy for a semester. After today, it's hard for you to see the teacher. "Of course, Yang Yu doesn't have the same opinion as the girls. Besides, he is in a bad mood today, which makes him sad. After all, it's a parting moment. These students who have been with him for a semester are going to be separated from him today, so Yang Yu is a little reluctant.

Think about Zishu, Bai Xue and Han Qingfang. Think about his lovely cousin, noble school flower Zhang meiruo, lady Shen Feifei and rebellious Ji Ming. These are his favorite students. There is no village teacher who does not love his students. On the contrary, the city is full of the smell of copper.

Yang Yu also thought of his junior high school head teacher Zhang Ailian. That day, on the Dragon Boat Festival, the head teacher personally sent two zongzi to Yang Yu. You know, at that time, Yang Yu was also a left behind child and depended on his sister. Yang Yu thinks that zongzi is the best thing he has ever eaten in his life.

This is why Yang Yu chose to be a teacher.

"Drink the tea?" Ji Ming was a little bit restrained by this.

"This is the most touching words you have ever said to me by Mr. Yang this semester!" Yang Yu laughs, walks over to pick up the tea and drinks it directly.

At this time, the betrayal of Ji Ming spoke again.

This sentence directly spurts out all the tea in Yang Yu's mouth. It's the coldest joke Yang Yu has ever

heard in his life, and it's also the most unexpected sentence he's ever heard. It's something Yang Yu never dreamed of, just because it came from Ji Ming's mouth.

When Yang Yu was drinking sobering tea, a female student who had been fighting against herself for a whole semester said: "Miss Yang, I like you! "

## Chapter 261

Poof!

A mouthful of tea shoots directly from Yang Yu's mouth.

Yang Yu turns his head a little bit and looks at Ji Ming like a ghost. This sentence doesn't sound like a confession in his eyes, but more like a threat or curse.

"What did you say?" Yang Yu asked, carrying half of the tea he had sprayed, he went to close the door and looked at Ji Ming sitting on the bed, lowering his head and playing with his fingers.

Ji Ming finally plucked up her courage and raised her head. She wanted to say all her feelings and emotions this semester. She knew that if she didn't say it again, she would really have no chance.

"I said, I like you. Ji Ming has been crying in a mess ever since.

Ji Ming let out the words without giving Yang Yu any chance to intervene.

Yang Yu kept every word in his heart. This passage deeply touched Yang Yu. For the first time, he saw Ji Ming, who was strong, rebellious, savage and unreasonable, crying like a child. Yang Yu is a real dream, never thought of the truth is like this, why he did not care about such a girl student?

Secret love is the most beautiful and pure thing in the world, it is irreplaceable, it is so holy.

Yang Yu's eyes had already turned with tears. This passage is the most beautiful one Yang Yu has ever heard in his life. It's just like the photo album that the heroine received from the hero in the little thing of first love. It turns out that many beautiful things don't only exist in fantasy.

Yang Yu gently walked over and stroked Ji Ming's hair. However, Ji Ming didn't give Yang Yu any chance. He stood up and rushed out of the room and disappeared into the night.

Yang Yu Leng was there, looking at Ji Ming's disappearing back and the cup of sobering tea. He didn't drink it, but he woke up and said to himself:

"fool, I never thought you were ugly, you are more beautiful than anyone, you know? If Mr. Yang is not

good to you, he won't ask you to answer questions in every class, he won't call on you to make up lessons, he won't give money to your grandmother secretly, and he won't care about you. "

The noise on the other side of the playground has gradually subsided, and it's estimated that it's almost finished.

At this time, outside came the sound of walking.

"Are you awake? "It turned out to be his girlfriend Li Ruoshui.

"Yes. "Yang Yu answers calmly, but he hasn't completely recovered from Ji Ming's mood. Many things are not what he imagined. How much does Li Ruoshui love himself? And how much do you love her? Yang Yu doesn't know. He only knows that she was allowed to be his girlfriend for the sake of going to bed. Now it's half a year since they were together, but they have no experience.

"What's the matter? Red eyes. "Li Ruoshui came over, threw himself into Yang Yu's arms and hugged him tightly.

"No, I've drunk too much and my eyes are congested. "Yang Yu lied and held Li Ruoshui tightly in his arms.

Today's Li Ruoshui is a little special. Maybe she's tired too. Finally she can have a rest.

"I'm so tired. I want to be quiet with you for a while. "Li Ruoshui is coquettish and says that she is really tired this semester. Although she has Yang Yu's help, there are too many classes, too many make-up classes and too much effort. Now she finally has a return. Her students have finally got good grades in the exam. No teacher is happier than that.

Yang Yu went to close the door, put out the light, put Ruoshui into bed, and two people got into bed. Ruoshui is lying on Yang Yu's chest, which is very broad. Yang Yu arms around Ruoshui's neck and embraces her. They are quietly in the quiet and dark attic, which is a wonderful feeling.

Li Ruoshui raised his head and took the initiative to kiss him. This is the first time that Li Ruoshui has taken the initiative.

Is there anything more beautiful than intimacy on such a beautiful night?

Two people immediately passion up, crazy kiss up.

"Cousin, are you there?"

But suddenly, the voice of cousin Yunxi came from outside the room.

The door is not closed. You can just push it in.

Li Ruoshui a listen, quickly pulled back pants, at this time, Yunxi has pushed the door in. In the moonlight, Li Yunxi found that his cousin and teacher Li were lying in bed in disheveled clothes.

The atmosphere suddenly became awkward.

"Miss Li, are you there, too?" Li Yunxi didn't know how to say hello, but looking at them like that, Yunxi, no matter how low his EQ was, knew what they were doing just now.

"Tell your cousin to go home? We're going back, too. " It's not easy for Li Ruoshui to get over his hair and clothes.

Yang Yu is crying bitterly. It's time for you to come, cousin. Yang Yu props up the tripod, Li Yunxi and Li Ruoshui all see in the eye, but can only smile bitterly.

After leaving school, Yang Yu did not forget to look back. This semester passed like this, and these students left like this. It was bitter and spicy, with all kinds of color and fragrance.

In particular, Ji Ming's words tonight can be said to deeply hurt Yang Yu's heart. One day, he also wants to summon up the courage to say to his cousin: I like you.

After returning home, Yang Yu drank too much and continued to sleep.

After waking up in the morning, Yang Yu spent some time sorting out the contract and the channel plan, and hurried out to the county. On the road, Yang Yu has been calculating a problem, which is still a transportation problem.

Transportation can't solve the problem, and entrepreneurship will be blocked after all, so it's not a big deal to do. If it's a little fuss to give Mr. Qin dozens of kilograms of vegetables every three to five, once a formal company is established and the sales channel of Kangyuan group is connected, the quantity will be doubled continuously. It's not something that can be solved by manual work.

The only way for Yang Yu to ask for help from the government is to be the village head.

Yang Yu, the processing plant of Kangyuan group, came here for the second time. The last time he came here, his face was swollen. But this time, he came here under the banner of cooperation. Yang Yu knew very well that there must be something fishy here, but he knew that it was a trap or he had to go inside.

Yang Yu said that he came to find boss Xie, and the security didn't stop him. From the door to the office,

Yang Yu stares at the details of the program, the environment of the processing plant, the personnel situation, and the truck in and out. He remembers how much he can see. He will use it when he sets up another door. Of course, Yang Yu is still looking for another figure: his second cousin Li Yaxi.

Two days ago, Yang Yu received a call from Li Yaxi, saying that he had joined the kangtuan group and was studying with a teacher Fu. He was basically following the channel one by one and was mastering the first-hand information of the front line of the channel.

This is great news for Yang Yu, so he came here in advance to see boss Xie again. At the door of the office, I saw the secretary.

"What can I do for you?" The Secretary glanced at Yang Yu. Seeing that he was young and not like a businessman, he didn't give him a good face, but he was a little familiar.

"I talked to President Xie about cooperation. I said hello to him before." Yang Yu returned politely.

"Oh, you are Yang Yu. President Xie has been waiting for you for a long time." The female secretary's face changed 180 degrees in an instant, and her indifferent face immediately turned into a smile, and she came over and said "please" sincerely.

is so clear that Yang Yu is regarded as a big boss. He hardly knows that he is just a woodlouse in the mountains. However, Yang Yu suddenly had an idea.

Into the office, President Xie is bending over to deal with the document, also with the finger next to the sofa. Yang Yu went to the sofa, sat there and waited, but after all, this is Xie Tianshi's place, and he came to beg others.

But after waiting for more than ten minutes, Xie Tianshi answered the phone and changed the documents. He didn't pay attention to Yang Yu at all. Yang Yu tried several times and didn't get in.

Ten minutes later, the Secretary didn't even come in to pour a cup of tea. Yang Yu looked at the office and had to do it by himself. He went to the disposable cup of the water dispenser and poured a cup of water. Instead of drinking it himself, he sent it to Xie Tianshi's table.

At this time, Yang Tianyu immediately said, "I'll thank you."

Good a immediately, this immediately that is ten minutes, Xie Tianshi just got up, Yang Yu also hurried to get up.

"I've kept you waiting. I'm a little busy." Xie Tianshi said sincerely: "sit, sit." Then he called to the door and asked the Secretary to serve tea. Yang Yu is looking in the eye, gas in the heart, this shelf is really big, it is clear that deliberately do to see for themselves.

I didn't put myself in an equal position at all, and the posture seemed to say: Laozi is bigger than you,

you have to listen to me.

"In two weeks, my first batch of vegetables will come out, so I'll come to discuss with you about the specific matters." In fact, Yang Yu came to understand the situation.

"You don't have to worry about that. When you transport the vegetables out of the mountain, my car will pick them up at the station, then pack them in my factory and sell them. Everything will go according to the contract. What else do you worry about?" Xie Tianshi's attitude is arrogant, as if all this is begging for Yang Yu. "Boss Xie, I'm very relieved, but if I can participate in it, I'll do my part." In fact, Yang Yu is here to learn technology. If he can come in to work and find out the whole assembly line, it would be best, but he knows that Xie Tianshi will never let himself do such a thing. In fact, Yang Yu is most worried about his own food. If he processes it according to Xie Tianshi's process, if he puts something, such as chemicals, preservatives, fresheners, or waxing, his brand of pure green food will fall short.

"Boss Yang, this is not right. Since you give me the processing right, that's my business. However, Xie Tianshi has always been honest in his work. Since he promised you not to add anything, he must be clean." Xie Tianshi said, in fact, he had a plan in his heart, although he would eventually listen to Murong Fei.

At this time, the female secretary sent tea in. Xie Tianshi pinched her butt, but the female secretary's eyes were looking at Yang Yu. Dad said, "boss Yang, please have tea."

Yang Yu, the boss of Yang, is very uncomfortable.

After waiting for the female secretary to go out, someone knocked on the door again. Xie Tianshi said please come in, and that person dares to come in.

Yang Yu raised his head and fixed his eyes. He was scared to pee.

When Yang Yu saw the other party, he was also scared.

The woman who came in was Li Yaxi, her second sister.

Li Yaxi is flustered. After all, he has a guilty conscience. He is a thief now. If Xie Tianshi knows that he is Yang Yu's cousin, he may call the police.

"What's the matter?" Xie Tianshi asked. He found that Li Yaxi's eyes were looking at Yang Yu. He had been in the market for many years and was suspicious. He immediately frowned.

Li Yaxi has not fully responded.

Yang Yu saw that he could not be doubted by Xie Tianshi. He said in a hurry: "boss Xie is very lucky. Is this also your secretary? It's so beautiful. I'm greedy. "

As soon as these words came out, Xie Tianshi immediately burst out laughing. After all, people were not exaggerating, and the original doubt disappeared.

"If you agree, how about sleeping with her at night? "Xie Tianshi joked along with Yang Yu's words:" which department are you from? "

" I'm from the channel department. Follow master ye and I'll get the documents for you to sign. "Li Yaxi didn't forget what he came to do. Seeing his cousin make fun of him, he got angry. Fortunately, he eased the atmosphere.

Xie Tianshi took the document, looked at it and asked, "I haven't seen you before, new comer?"

Every truck of Kangyuan group needs Xie Tianshi's signature. He holds almost all the rights in his own hands. Even if the company has achieved such a large scale, he still does not trust his subordinates.

"It's been a week. "Li Yaxi returns and takes a sneak look at Yang Yu. Yang Yu is also looking good, two people in a hurry to avoid.

Xie Tianshi signs and hands over the document. When Li Yaxi reaches for it, suddenly, Xie Tianshi grabs Li Yaxi's hand.

"Ah? Boss, don't "Li Yaxi hurried back, but Xie Tianshi's strength is very big, just didn't pull out.

Yang Yu wants to get up and beat Xie Tianshi. The second sister's hand hasn't even touched him. Who the hell are you qualified to touch? But I have to bear it! Once you do it yourself, the plan is completely exposed.

"What are you afraid of when you touch your hand? How about going out to sing with boss Yang and me at night? "Xie Tianshi's hand is still clinging to Li Yaxi.

Li Yaxi who has been so bullied by men, but also an old man, immediately on fire, hard to pull out the hand, flustered said: "boss, I have to deliver, go first." Li Yaxi rushed out of the office.

Looking at Li Yaxi's figure, Xie Tianshi nodded and said to himself, "this girl is good. She's very strong. I like Liema. Ha ha."

Yang Yu's face suddenly looks ugly, send two younger sisters to come here, it's like sheep into tiger's mouth.

"What? Do you like it? Would you like to take you to the red light district at night? ha-ha. "Xie Tianshi didn't see that Yang Yu was also a color embryo. He really had the same bad taste. Suddenly, he felt a little good about it.

If you want to do it, you have to do it with your daughter. Yang Yu thought, but boss Xie asked himself to

go to the red light district. Should he refuse or accept? Yang Yu conflicts. After all, he has to go to see Lin Yiyi at night, and then go to find Er Mei. He has no time, but it's not polite to refuse. At the same time, Yang Yu doesn't know whether Xie Tianshi's words are sincere or tentative, so he has to say: "ha ha, I haven't been to the red light district. I'll follow boss Xie next time."

"Well, I'm really worried about no one. The Yellow faced woman in my family doesn't know how strict she is. I haven't eaten meat for a long time. Well Xie Tianshi complained. Since her daughter scolded her secretary last time, she didn't dare to fool around with Xie Tianshi.

He was a little empty.

Yang Yu thought about it, and he had a common interest with his enemies. He didn't know whether it was a good thing or a bad thing. However, Yang Yu never dreamed of it. In the end, he talked about it for a long time because of women. It seems that he really has the same taste. But this is really not a good thing. Yang Yu seriously suspects that Xie Tianshi is deliberately avoiding the channel topic. Several times, Yang Yu wants to mention the channel again, but Xie Tianshi puts it off as a woman's topic. After several times, Yang Yu simply doesn't ask, and only hopes to place this problem on Li Yaxi.

He said goodbye to Xie Tianshi. As soon as she walked out of the office, the female secretary met her and said with a smile, "boss Yang, would you like to have dinner together in the evening? "

Yang Yu was stunned for a moment. He just wanted to seduce the female secretary. He must know many secrets of Xie Tianshi because she is so close to Xie Tianshi. If you control the female secretary and become a pawn beside Xie Tianshi, it will be a key link in this business war.

Unexpectedly, the female secretary took the initiative to send her to the door, but Yang Yu was a little worried. However, even if it was true, maybe she could just make a plan.

Then this Infernal Affairs game will be more interesting.

It's just something Yang Yu didn't think of. This business war is not the war between Yang Yu and Xie Tianshi at all, but the war between Yang Yu and murongfei, and it's personal enmity. Yang Yu is doomed to failure from the beginning, but he doesn't know how miserable he will die.

Yang Yu will certainly agree to this appointment, but she can't agree too casually. The female secretary obviously regards herself as a big boss, so just pretend to the end.

"Evening, I'm afraid. "Yang Yu pretended to be very busy, shook his head and asked," what can I do for you

The female secretary didn't expect that Yang Yu would refuse with her own posture, but it increased her interest. The bigger the boss, the less interested she was in her beauty. In fact, the female secretary wanted to accompany Xie Tianshi at first. Unfortunately, when the fish was about to take the bait, she killed Xie Qiuqiu and scolded herself. That's all. Xie Qiuqiu told his mother about it. He wanted to know that Xie Tianshi's wife was really terrible, shrewd, and threatened her directly. So he felt like she had been put into a cold palace. He knew that Xie Tianshi's road was impassable, so he had to find another way.

Today, I met Yang Yu and saw that he was so young that I could talk business with Xie Tianshi. I think he must have a lot of money. He must have opened a big company, so I began to make up his mind.

The female secretary is a smart ghost. After listening to Yang Yu's words, she knew that if she didn't take something he was interested in, she would not invite herself to dinner. So she said, "although I've only been in this company for half a year, I arranged a lot of things for the boss. I still know a lot of things. Aren't you interested in listening?"

This can be said to be naked.

Yang Yu knows that this woman is too anxious and easy to do bad things, but she is also very smart. She knows what she wants. If she teaches her well, she may be able to succeed.

"Look at what you say. Boss Xie and I are old friends. If you speak ill of him, I can't spare you." Yang Yu naturally won't let the female secretary see what she thinks, so she talks in front of people and ghosts.

"However, it's my honor for a beautiful girl like you to have dinner together. It's still early now. Shall I wait for you at the Golden Age Hotel in the county in the evening?" Yang Yu deliberately pointed the spearhead at her appearance, creating a false impression for her: I asked you to have dinner because I liked your appearance, not because I wanted to ask about Xie Tianshi.

After the female secretary said, Yang Yu left like a gentleman. The reason why Yang Yu chose to go to golden age hotel instead of binrugui is that Murong Fei is the boss behind the scenes of the hotel. They have a holiday and should have avoided it. However, since they are the enemies of Qinye, they should go to see the service of the hotel. Secondly, binrugui Hotel has too many acquaintances. They are afraid of being misunderstood when they have dinner with such a female secretary.

Yang Yu doesn't have a car. I'm afraid she will be found by her secretary, but Yang Yu has already made good excuses. After several stops, Yang Yu got on the bus. He was afraid that the female secretary would find him trapped when he was a big boss. Naturally, Yang Yu went to see Lin Yiyi first, and this time Lin Yiyi's face was much better, and the whole person was cheerful. At least he would smile, or at least he would not look at Yang Yu's face.

after leaving Lin Yiyi's home, it was getting dark. Yang Yu didn't come into the hotel to greet Mr. Qin. After all, the first Mr. Qin was not there. If it was Qin Shuhe, it would be better It's embarrassing. Besides, it's just friends or business partners, not relatives.

Although, many times, some partners are far better than relatives.

Yang Yu saw that the sky was getting dark and the golden age had already opened. He went in and reserved a good place to sit and wait.

The decoration style of golden age hotel is completely different from that of binrugui. Binrugui takes a warm route, while golden age takes a luxurious and noble route with his name. Therefore, the style is European and American, grand and luxurious. In this regard, it can be said that it is better than binrugui.

After waiting for about half an hour, the female secretary finally arrived.

The dress of the female secretary is very fashionable and grand. She seems to have made some efforts, but she is a little bit used to the plain faces in the countryside.

"Boss Yang is here so early. It's been a long time. "The female secretary is very good at speaking, although she is a little coquettish in her manner.

"Please don't call me boss. It's a waste of my life. You'd better call me brother Yang. "Yang Yu guesses that the female secretary is about 19 or 20 years old and should be younger than herself.

"Brother? That's not big or small. My name is Shi Yan. Brother Yang can call me swallow. "Swallow said, deliberately opened his collar, let the cleavage fully exposed, just aimed at Yang Yu's vision.

Although swallow's milk is not as beautiful as huayuyan in the countryside, it is one of the best in the county. They ordered food and ordered a bottle of red wine. The meal cost Yang Yu a lot of money. But if you don't pay for it, how can you catch the wolf.

"Brother Yang, where are you going after a good meal? "Asked the swallow. Of course, she is not in a hurry to go to bed with Yang Yu now. She knows in her heart that once she gives her body to a man, he will start to ignore you. On the contrary, the less she can eat you, the more interested she is in you. So now, the swallow just wants to give him some sweets first.

Naturally, Yang Yu could not say that he would go to his cousin's rental house, let alone go back to the mountains, but he did not say that he would open a house. Instead, he took a man of such status as Lord Qin out as a shield and said, "the boss of the hotel opposite bin Rugui is my friend. Maybe he would go to his house to have a chat in the evening."

"Do you know Mr. Qin? "Swallows eat very much. Mr. Qin is a big man in this area. How many people want to have something to do with him. Swallow suddenly feel Yang Yu's status is higher, originally thought Yang Yu is just an ordinary boss, did not expect to know Qin ye, it must be a small person, and proud of hanging a big fish tonight.

"Yes, I have business contacts and I'm friends in private. "Yang Yu said modestly on purpose. In fact, how

can the business of breaking vegetables have something to do with Lord Qin's Tower? As for friends, that's bullshit. They just saved his life, and others appreciate themselves.

But this sentence in Shi Yan's eyes, it's amazing. I'm friends with Lord Qin. It's so calm. It must be a good relationship. This time, Shi Yan won't let Yang Yu go.

"This hotel has an indoor swimming pool. It's the most comfortable weather for swimming. Besides, my home is cold and quiet. Why don't we do it in the evening?" Shi Yan didn't say what she said. If she said it too directly, it would make people feel like a bitch. Yang Yu would certainly understand it if she just ordered it.

Naturally, Yang Yu doesn't have much interest in sleeping with her. When he gets into bed, he may be tied up. On the contrary, he is not free. The most important thing is that he hasn't got any useful information about Xie Tianshi. Just now, he talked a lot about Xie Tianshi. Although he also talked about Xie Tianshi, they are all trivial things in his life, which are not in line with business. Naturally, Yang Yu knew that the swallow didn't say that on purpose. Yang Yu couldn't force her, and it was not good to force her too hard. He thought to himself, what should I do to control her?

If you don't have money, you can't buy it. If you can't break the law, you can't give her white powder, can you? Yang Yu can't do it because he has no conscience. The rest is his body. The lust of flesh can be controlled and replaced. No matter how big Yang Yu is or how powerful he is, he can't be a tool.

Is it hard to get hold of her? For example, the handle of cheating with Xie Tianshi? But it doesn't work. It seems that we can only take one step.

Yang Yu touched the bottle of aphrodisiac in his pants pocket. This time when he went to the city, he specially brought this bottle of "Yuxian die", which was intended for the second younger sister. Of course, Yang Yu was not as good as a beast. He gave his cousin aphrodisiac and then gave it to her. That's a big mistake. He really wanted to give it to his cousin. He just wanted to take a little bit of it and get closer with her. It's not as strong as gunpowder.

Can see in front of female secretary, that Sao kind, don't need to take aphrodisiac, also can obediently give oneself up. Although Yang Yu really guessed wrong, Shi Yan didn't plan to give Yang Yugan.

"I promised Lord Qin, but I'm afraid I can't shirk it." Yang Yu said that he finally chose to refuse.

Shi Yan thinks that Yang Yu's taking out Lord Qin is just an excuse. In private, he won't refuse himself. Men are all lecherous. What's more, his beauty is good. Do you want a man not to deliver it to your door? But Yang Yu didn't want to.

Although it's just a simple meal, the struggle in my heart is already a move.

Yang Yan called the 4S shop to pay for the car, so it was an excuse to see it off first. Shi Yan left her mobile phone number and told Yang Yu to contact her.

"Bitch, if you want to seduce me, I won't be fooled!" Yang Yu looked at the driving and got out of the rough car and said to himself.

The air in the city, especially in the center of the city, is very cloudy. There are too many cars and the exhaust is very smelly. There is a big gap between the city and the countryside. Yang Yu just wants to leave here as soon as possible.

After finding out the address left by the second sister on the phone, he went to find her. But even if he did, he would not stay overnight because of the second sister's character. I'm afraid that Yang Yu will be a man with his tail between his legs again tonight.

Yang Yu in front of the second sister, it is really like a turtle, hard up.

Yang Yu touched the bottle of aphrodisiac in his pocket, hoping to use it at night, so that the second sister would not drive him away. But the beauty of life lies in that you can't foresee what will happen in the future, even in the next minute.

Tonight, will Yang Yu and Yaxi, the second sister, become beasts in front of the aphrodisiac?

Yang Yu didn't walk much when he came out of the hotel. He found that someone was following him in the back. Yang Yu was very familiar with it, because he went to high school here. He knew how many local ruffians and gangsters there were. So Yang Yu knew that he was being watched, and the people who came were not good at it.

Yang Yu speeded up the script, and the three people behind also speeded up their pace. There was a little girl in front of him Nong, Yang Yu knows where the small lane leads to, and he should be able to get rid of them if he makes a slight curve inside. Yang Yu suddenly accelerates, makes a sharp turn, and rushes into the small lane, and the light of the small lane suddenly darkens down

however, Yang Yu miscalculates, does not run two steps, and is intercepted by two people in the front, and followed by three people in the back

with walls on both sides, Yang Yu has nowhere to escape

>

"brothers, I don't know where I offended you. I have a little money. Can you buy some cigarettes and wine?" Yang Yu knows that he can't fight. Even if he can fight, he doesn't dare to fight. In the end, he will only hurt himself. The key is that they are underworld.

Once it is connected with the underworld or usury, it will not be cleaned up in this life.

Because of the reflection of the light, Yang Yu couldn't understand the faces of the three people in front of him, and they didn't speak. One of them raised his hand and waved, and several people came around slowly. It seemed that they wanted to fight directly. In this case, Yang Yu is very clear that he must have offended others, but who would it be? Yang Yu wants to think, but he has no time.

Yang Yu clenched his fist, and the fight was inevitable.

When several people were about to besiege, suddenly, the man who had just commanded called out: "wait, are you Yang Yu? "From Luofu high school?"

At this time, Yang Yu covered the light from the other side of the road with his hand. After a careful look, he recognized that he was his brother in high school.

"Zhang Liang?" Yang Yu was surprised and said, "are you Zhang Liang?"

In high school, Yang Yu, Zhang Liang and Han Hu were the three brothers. At that time, it was the most popular time in Hong Kong. The three rebellious people became gangsters and vowed to be famous. Later, in a triad Gang conflict, Han Hu was killed and thrown into the river.

That year, Yang Yu was a sophomore in senior high school.

Zhang liangcuo studies.

Yang Yu also quit the gangster circle and studied hard. As for the matter of peeping at the women's toilet, it's all a matter of gangsters. Yang Yu took one year in senior high school to make up all his lessons. After all, he was a smart man and was admitted to the undergraduate course.

It's hard to look back.

Zhang Liang came up in a hurry. He didn't expect that he had not met Yang Yu for six years. He was surprised.

"You go back first, your own people." Zhang Liang said to his start.

"Brother Zhang, the boss, the Someone asked.

"I'll tell you about the boss. You don't have to worry." Zhang Liang returned.

Zhang Liang patted Yang Yu on the shoulder, looked at him and said, "let's go. I haven't seen you for many years. Go and have a drink!" Zhang Liang pulled Yang Yu's shoulder back.

Of course, this wine needs to be drunk. Although Yang Yu has just had a meal and is still full, he still needs to drink it.

In Wenzhou, stalls have become popular in the streets, especially in some big cities. When I was in high school, every time my classmates had a small gathering, I would choose this kind of stall and call on a big bowl of fried fans, screws and beer. Then I began to get high.

"I don't know if the school stall is still there? Go, old place." Zhang Liang is naturally in a good mood. When he was in high school, he was all brothers.

It's really a brother with two strings attached. They are comrades in arms. The gang fight in those years was bloody and many people died.

The big stall outside my alma mater's gate is still there, but it has already changed.

It's like a bowl of beer, a bowl of rice, a bowl of rice.

"Don't say anything first." Zhang Liang picked up the beer and drank it. After all, Zhang Liang's life in the underworld was hard for him. Today I don't know if I can see the sun tomorrow.

"It's said that you've been admitted to university and become a teacher for the people. Ha ha, you're making a mistake." Zhang Liang's character is also forthright.

"You've done a good job, too. You've got several of them." Yang Yu's words are not sarcastic. Once his goal was to be the boss, but the heel of the boss was not seen, and his brother was dead. Once the success is achieved, the true portrayal of the underworld.

"Oh, by the way, why are you looking for me?" Yang Yu took the screw and sucked, and the screw meat came to his mouth. This fried screw needs spicy, spicy and salty to taste. It's a famous dish here.

"It's not because you've slept with Zhang Jian's wife. His uncle is the boss of the county. Now he's in charge of the territory. I'm going to mix with him now. They want you now." Zhang Liang didn't like it either. It seems that a head is nothing at all. The fans with a chopstick put it in their mouth and began to eat.

"Well, why did you sleep with his wife? I've met sister ran several times, but she was still the oldest woman at that time. So you really offended this time." Zhang Liang also asked curiously. "Brother Zhang is the boss. Can you help me with it?" It seems that Yang Yu is not afraid at all. The knives are all around his neck. Is he not afraid?

"Are you afraid sometimes? Don't you forget all your previous work?" Zhang Liang laughs and says that he doesn't know where to take out a dagger. He throws the dagger deep into the wooden table and says, "let me have a look at the two moves. Are they unfamiliar?"

"Brother Zhang, you know it's all the past. I haven't touched a knife for six years. I just want to be a good teacher now." Yang Yu looks at the dagger on the table, and many memories come to mind. Although I was only a high school student at that time, I was the most famous sharp swordsman in this belt.

Faster than a bullet! You can't believe it. There are really talented people in this world.

"Ha ha, it's a pity that you don't mix with the underworld with your talent and sabre skills." Zhang Liang shakes his head. Six years ago, they went the same way. Six years later, they parted ways, and the further they parted.

All roads come out like this.

"But you know, Han Hu died for you." Zhang Liang suddenly stood up, glared at Yang Yu, pointed to Yang Yu and said.

There was a crack.

Zhang Liang throws out the beer bottle and takes it to pieces. The next table ran away in a hurry.

"I won't cause you any trouble. I'll go to see the boss with you tomorrow. I'll solve it myself." Yang Yu said lightly, picked up the bottle and drank it.

Zhang Liang suddenly laughed and said, "I just like the way that you are so confident that you are not afraid of anything. I will contact you tomorrow. Have you got anything in the evening?"

"I'm going to find my cousin. After a lot of things, you need to cover the big brother Yang Yu knows very well that in business, you have to eat black and white, or you can't get along. This is common sense in business. Now this matter has caused the underworld, simply push the boat with the current, meet them, you do not provoke him, they will come to you sooner or later.

If you get rid of the underworld, you have to get rid of the white way. Otherwise, you don't want to sell your vegetables. Although Xie Tianshi is supporting you for the time being, sooner or later you have to do it yourself.

After saying goodbye to Zhang Liang, Yang Yu continues to look for his cousin. It's already nine o'clock.

Yang Yu found his cousin's community. In fact, it's not even a community. Relatively speaking, it's much dilapidated, the house is old, the location is poor, and the surrounding area is desolate. It's normal, and there's no money to rent a good place.

The corridor is very dark. There is no exhibition light.

Yang Yu finds the room number and knocks on the door. Li Yaxi seemed to have a premonition that his cousin would come. Without asking, he opened the door directly.

"Where are you? It's so late. " Second sister opens the door and shows Yang Yu with a straight face.

"I met an old friend on the way and had a chat." Yang Yu enters the room, closes the door and looks at it. The room is very small and shabby, with a bed, a table, a chair and an independent built-in toilet. Li Yaxi himself got into bed and picked up a magazine to read.

Yang Yu himself took a cup, poured a glass of water, pulled the chair and sat down.

"Are you drinking again? It stinks. "Li Yaxi's nose is very smart. As soon as he smelled it, he smelled the wine. Then he gave Yang Yu a white look and asked, " how's home? "

"It's good to have a cousin at home. what about you? What about the work here? "Yang Yu took a sip of boiled water, put his hand in his pocket and found the bottle of aphrodisiac.

"I just came to work last week, with an old master, delivering goods every day. I've got all the addresses With that, Li Yaxi took out a notebook from under his pillow and handed it to Yang Yu, adding, "look at it for yourself."

Yang Yu opened his notebook and looked at it.

The notebook is full of address and unit name, contact person or contact person, mobile phone number or telephone number, and general food name and quantity, which is very detailed and professional.

"Wow, you've got so much information in a week. "Yang Yu is really admired. These materials are very important.

"Well, I'll remember where the goods arrived. The master thought I was eager to learn, and boss Xie didn't care about the details. "Li Yaxi is very proud of his achievements.

Yang Yu carefully looked up, the address is very concentrated, obviously according to the region to divide each driver's delivery business.

There are supermarkets, which account for the largest proportion, because supermarkets prefer packaged food; there are schools and enterprises, but the quantity is very small. Presumably, these units are mainly canteens, which basically go to the vegetable market to buy fresh vegetables; there are individual vegetable markets, and the general vegetable market is also directly to the wholesale vegetable market, so it's not necessary Many.

In addition to the above, the biggest ones are hotels and restaurants. In fact, hotels and restaurants, like

enterprises, are usually bought directly from the vegetable market, and rarely provided through food companies.

Yang Yu took a general look at the food transported, and found that the proportion of vegetables was very small, generally rice, noodles, wine, oil, water, and snacks. That is to say, there are very few fresh packaging materials, and occasionally there are meat and seafood, which are also transported directly to the wholesale market by frozen trucks, while the packaged fresh vegetables are transported out for sale.

Li Yaxi secretly observed his cousin's expression, understood something, and said:

"although Kangyuan group is a food company, it processes and supplies a lot of food, but it generally does not need fresh-keeping and packaging food, such as snacks, but needs fresh things, such as vegetables and fruits. They have, which are also frozen dead fish, dead cuttlefish and some meat Class. Can we do this, cousin? If it were me, I would definitely buy it from the vegetable market. Who would eat packaged vegetables? Isn't that funny?" Li Yaxi has always had this question.

But what Yang Yu wants to say is that we depend on mountains and rivers. What else can we do besides growing vegetables and fruits or raising pigs and fish?

The fruits only bear fruit once a year, and the result cycle is all concentrated in one point. Once they can't be transported and sold, they will stock up. However, the fruits can't be preserved, they will rot in a few days, and they will lose money immediately. Taohuayuan is the best precedent for failure, so Yang Yu gave up the fruits.

The rest is to raise fish and pigs. It is true that this can control the cycle and raise them in batches, which can solve the problem of too concentrated stock. But fish farming needs a lot of land and water, and it is affected by natural disasters too much. In a rainstorm, the fish fields may be washed away and all of them will go into the river, which is a big risk.

Pig raising, let alone pig food, can not be solved. How to raise pigs in the city? It costs a lot to eat fodder and leftovers. I go to hotels and restaurants to collect them, but I'm sorry, there isn't any in the countryside, so I can't raise them in a large area of the countryside. I can only eat grass, which requires a lot of labor and stinks.

Therefore, planting vegetables basically solves all the above problems.

However, it is facing the new and most serious problems: preservation and transportation.

It costs too much to transport the vegetables here to the vegetable market and sell them while they are fresh. It's a long way to go, so it's impossible to compete with the vegetable farmers in the suburbs. They have the right time, the right place and the right people. That's why Yang Yu decided to take the lead in vegetable packaging. This is also the fundamental reason why Xie Tianshi rejected Yang Yu's whole business plan.

In Xie Tianshi's eyes, it means: Yang Yu, you are going in the wrong direction. You are going in the opposite direction. How can you succeed?

But Yang Yu really can't help it. In fact, vegetables are sold through vacuum packaging, and it's not impossible to taste them. Nowadays, office workers have less time to go to the vegetable market, and the refrigerator is also breeding bacteria. Why can't we use vacuum packaging? What's more, Yang Yu's biggest advantage is pure green. It's icing on the cake to package the advantages of pure green. The most important thing is to solve the biggest strategic problem that vegetable suppliers do not have their own brands. Now doing business is to do brands. Brain platinum, Cadoba, Coca Cola, Nike, Nokia, which is not to rely on the brand to eat?

People still have to look forward.

With the brand, the problem of operation can be solved at once. Online sales: Taobao, tmall, Jingdong, etc.; offline physical store sales: chain stores, flagship stores, franchisees, etc. can be integrated, and even logistics can be integrated. Vegetables can also be delivered to the door without leaving home, just like goods.

How could this not be a revolution in the vegetable market?

There are three steps in Yang Yu's plan: the first step is to truly establish Chunyu green food company; the second step is to completely realize branding, realize online and offline sales, and make life convenient; the third step is to monopolize

food industry and establish food chain food network system.

"Well, I know. That's why Xie Tianshi opened his mouth because he knew I had to rely on him." Yang Yu did not directly answer the second sister's words, if the whole explanation down, the second sister may not be able to understand it.

What's more, Er Mei stayed in the countryside a lot and didn't have such a long view. She didn't know what the outside world was like now.

It's already a wireless era outside. Even PC is going to be eliminated. But what about Yunv village? There is not even a telecommunication signal transfer station. Many people have never used their mobile phones at all. They are completely sealed in by five mountains. They are isolated from the world. There are advantages and disadvantages.

"Oh, by the way, my cousin sleeps here at night." Yang Yu said lightly, so as not to be found by the second sister that he was intentional.

"Ah? no way! "Er Mei left the magazine and refused. That's a firm attitude.

"Where does my cousin sleep? "Of course Yang Yu said so. Where can I sleep? I can't sleep right now.

"I don't care if you sleep on the street. I'm not allowed to sleep here anyway." The second sister glared at her eyes and said that she knew her cousin so well that it must be a disaster to stay.

"I can always sleep on the floor." Yang Yu uses the same tactics. First he tries to stay, then he tries to squeeze into bed. Then he takes some aphrodisiac for his second sister, and tries to kiss her. Finally, he has a good sleep. When he wakes up the next day, maybe the second sister is as docile as the third sister, lying on her chest like a lamb.

"No, who knows if you'll climb up?" Han Jing is not a normal person.

In front of Han Jing, Yang Yu is cheeky and shameless, but in front of the second younger sister, it's obviously not OK. Moreover, the second younger sister sees through Yang Yu, and she regards this cousin as a big sex wolf or even an obscene man.

"Just climb up. My cousin slept with you on the first night in the village, or naked. What are you embarrassed about?" Yang Yu took out the old account.

"You, don't mention that night!" The second sister stares at Yang Yu again.

"Ha ha, that night, the second sister was lying on me naked." Yang Yu suddenly became obscene, regardless of his image. Anyway, he took it as a joke.

"Again, do I believe I'll kick you out?" The second sister glared, and she hated this cousin more and more.

"Second sister, I'm your cousin. Blood is thicker than water. Besides, we've been fighting for half a year. Are we good?" Yang Yu takes out the qualification of cousin first, and then admits his mistake and comes to soft first.

"No! Who makes you a sex wolf. I feel ashamed to have a cousin like you. "Er Mei's character is really fierce.

"What's wrong with me? I just peeped at my cousin taking a bath. I didn't do anything else. How did I become a sex wolf?" Yang Yu's impression is that only once he was caught by the second younger sister. He did everything very neatly and kept it completely from the second younger sister.

For example, Yang Lin is drugged, Xiao Mei is bullied, three younger sisters are bullied, Hua Yuyan is seduced, and Lin Yina and Li Ruolan are cheated. They all dare not let the second younger sister know. If she knows, it's over.

When Yang Yu retorts, the second sister turns her eyes to Zhu Zi and thinks about it. It seems that it's really such a thing, but why does her cousin always give herself a bad feeling?

After all, it's my cousin. Besides, there is no hotel nearby. It's more than ten o'clock now. I'm not afraid that I can't sleep when I go out. After all, it's my cousin. I usually spoil myself and listen to myself. I don't think I can do anything bad to myself? Li Yaxi thought.

But Li Yaxi is really wrong. Yang Yu's aphrodisiac is ready for you.

"Well, you sleep on the ground. Don't come near my bed, or I'll kill you." Li Yaxi said.

"Yes, your majesty. I knew you were the best to your cousin Yang Yu immediately boasted.

Li Yaxi snorted and just read the magazine himself.

"Then I went to take a bath?" Yang Yu said. He looked at the teacup on the table and poured boiling water on it. The boiling water was cold, so he peeped at his cousin. Seeing that he had no chance to start, he had to go to the toilet.

The temperature in the city at night is much higher than that in the countryside. At this time, the temperature is still 25.6 degrees. During the day, it is more than 30 degrees. Of course, it is not the hottest time. Yang Yu took a cold bath. As usual, he only wore a pair of underwear and came out. Li Yaxi takes a glance, and doesn't like it. She has seen too much of her cousin's nudity. Every time she takes a bath, her cousin is like this. It's already common.

"There's a sheet in the closet and a mat over there. Take it." Li Yaxi said casually.

Girls are afraid of cold, not afraid of heat, men on the contrary, Yang Yu found that the second sister or sleep sheets, did not sleep mat, covered with a blanket.

Yang Yu laid the mat well. Because the room was small, there was no place to squeeze it down. He could only lay it down in the empty area between the bed and the table, which was almost next to the bed.

"Second sister, aren't your sheets hot?" Yang Yu has been lying down, deliberately will be covered by a single stomach, underwear exposed outside, his black thick outline completely show.

"It's none of your business." I didn't treat younger brother Yang Yu as a cousin.

But Yang Yu is not angry at all. First, he is his cousin. After all, he is a cousin. This relationship is iron. When Yang Yu needs help, who comes forward? Second sister, second sister didn't complain, but she agreed. This is blood relationship. Second, Ji Ming quarreled with herself for a semester's vacation, but what happened? As a result, she said that she liked me and loved me for a whole semester. For a whole semester, she was thinking about and secretly loved me. Everything was for Yang Yu's sake. On the contrary, all quarrels were illusions. This is a woman.

At this time, my cousin got up and went to the toilet. As soon as the toilet closed, Yang Yu suddenly got up, took out the prepared aphrodisiac and poured a little into the tea cup on the table. As a result, he

poured too much. At this time, he couldn't think of so much. He took the spoon with him, put it back quickly, and instantly got back into the bed. This action was completed in one go, as if he had done it before. It's the same as countless bad things.

Yang Yu's heart is beating, because there are too many aphrodisiacs. According to this amount, the second sister can't help but fall in love with herself. On the contrary, Yang Yu is a little worried. In that way, in the morning, things will become very serious.

Second sister will really kill herself.

Yang Yu pretends to take out his mobile phone to play, but his attention is all on the other side of the toilet.

Before long, the second sister came out, and Yang Yu quickly pretended to play with his mobile phone.

Li Yaxi took a look at Yang Yu. Seeing that he was very peaceful, he didn't think much about it. He took the tea cup on the table and began to drink it.

Yang Yu's heart is about to jump out.

Li Yaxi, the second younger sister, is about to take a cup of tea. Yang Yu's heart is beating like a motor, and his mood is extremely contradictory: if he drinks it, he will have an accident after taking the medicine; if he doesn't drink it, he won't be conquered in his life.

At this time, the second sister stopped for a moment, and Zou frowned and said to herself, "why is the water so dirty?"

Finish saying, poured directly into toilet, poured boiled water again, drank.

Yang Yu Leng is there, NIMA, why don't you drink?

This dramatic change makes Yang Yu speechless. Do you really want to sleep alone tonight? Anyway, it's good to touch my cousin's thigh. I haven't touched it for half a year. Ah.

Two younger sisters go to bed before white Yang Yu one eye, seem to see through this cousin.

"You can't cross the thunder pool at night, or I'll chop you." The second sister gave an ultimatum.

How do you know what I'm thinking? Yang Yu thought to himself. It seems that the medicine will not go well at night.

"I'm just a lamb, and I'm completely obedient to her Majesty's orders." Yang Yu can only surrender with both hands. It must be over tonight. Yang Yu is so dejected that he has to take out his mobile phone to chat with someone. Naturally, he is looking for Su Yan.

Su Yan's father is the deputy director of the city's Education Bureau. He is at the deputy bureau level. This kind of official is not small. If such people can get involved in something, they have to hold their thighs even if they are killed. What's more, he is still a teacher. After becoming a principal, he has too many places to deal with those guys from the Education Bureau.

So Yang Yu had to take the initiative to seduce Su Yan. Besides, Yang Yu was very fond of Su Yan at the beginning. Among the five rich second generation officials, Su Yan was the most comfortable to look at and was a little bit more beautiful than other people. She was not as decadent and decadent as others.

Yang Yu sent a message to Su Yan on wechat, waiting for a reply.

The second sister on the bed suddenly poked out her head and said with a bad smile: "what did you say just now? Everything's up to me? "

Yang Yu suddenly felt an ominous premonition! The second sister has never given herself any good advice. It's just like this at home. She treats Yang Yu as a slave whenever she has a chance. It seems that Yang Yu is short of SM. Yang Yu is really afraid that one day, if the second sister falls in love with herself and wants to SM herself every day, what can she do? Yang Yu really thinks too much.

"What do you want?" Yang Mei is afraid to jump out of the window, for example, she can't tell you what to do.

"Why are you so afraid of me? I won't eat you again. Hee hee, I'm hungry. Would you go downstairs and buy me a snack?" The second younger sister suddenly became a lady, and her tone changed immediately. She was very good at it.

"Still eat, be careful not to get fat and get married." Yang Yu has eaten twice this evening. Do you still have supper?

Wait, Yang Yu suddenly reacts. Buy a snack? Can I take the medicine? Think of this, Yang Yu suddenly excited. But such an obscene idea can't be seen by the second sister. So he pretended to be very unhappy.

"With my cousin here, what am I afraid of? My cousin will try to get me married. Hee hee. " The second sister is proud, but she is fierce, but she is simple and has no plan. In fact, the girls in the countryside are very simple.

Yang Yu had to wear clothes downstairs, just have a Shaxian. Shaxian is so haunted that it is everywhere. Two younger sisters want to eat peanut butter noodles, Yang Yu ordered a few steamed dumplings for

himself, dipped in vinegar, the taste is still Yang Yu's favorite.

On the way back, Yang Yu excitedly poured some aphrodisiac into the peanut butter noodles, stirred it again, and was secretly proud of himself. This time, I still don't want to deal with you?

Push the door into the room, Yang Yu is more cautious, try to keep calm, don't let cousin see his tension. Yang Yu closed the door and handed the noodles to ER Mei. When she was about to eat dumplings by herself, the second sister said, "I want to eat dumplings. Let's change them!"

Poof!

Yang Yu suffered an instant internal injury, and a mouthful of blood spurted out.

Is he in the evil? Do you want to be so dramatic. Yang Yu said in a hurry, "didn't you order noodles? Why are you eating dumplings again?" Yang Yu has put a mouthful of dumplings into his mouth. He is calm on the surface, but his heart has already been surging. If he changes it, it will become that I have taken the aphrodisiac. My cousin is OK. I have an accident, and then I poison my cousin? It's sinful. I really want to go to church and believe in Christ.

"Do you want to change it or not?" Second sister suddenly fierce up, staring at Yang Yu, the noodles handed to Yang Yu.

Yang Yu swallowed deeply. His face was pale. He was careful that his liver would jump wildly. The cold sweat on his forehead was coming out, just when Yang Yu was at a loss.

The second sister said again: "ha ha, I don't like dumplings. I'm scared. I'm sweating. Isn't it just a bowl of dumplings? As for it? How mean As soon as Yaxi finished, he took up the noodles and put them in his mouth. It was delicious.

As for medicine, the next twists and turns? Yang Yu's courage is scared out. These two younger sisters are so good at making people. They almost make a fool of themselves.

Yang Yu secretly glances at her cousin, who is eating delicious food. She doesn't know it. Yang Yu's mood is extremely complicated, because the second sister is a bad person. She is a hedgehog. She is full of thorns, not Yang Lin and Han Qingfang. And the second sister said after all that her cousin, in case she really goes to bed, it's really what's with what. At present, having a good supper, Yang Yu is waiting for the second sister's spring.

At this time, Yang Yu's mood is complex and suffering, that is, he is afraid that the second sister will have a spring, and he is afraid that the second sister will not have a spring, and he is even more afraid that the second sister will know that he has done something. However, Yang Yu, who wants to be immortal, has been improved and processed, and added another kind of herbal medicine. This herbal medicine will inhibit the absorption of aphrodisiac in a short time, and then gradually spread out, so that the medicine will not be so fierce all of a sudden and people will not be aware of it.

So Yang Yu knows that the thing to do now is to wait.

At this time, Su Yan back to the message: "how suddenly think of me?"

Although Yang Qiuyu and Xie Yanzi did get along with each other once. After all, her father is an official, and there are still some differences in family education. If these women were not the rich second generation, Su Yan's father would not agree to mix with them. The purpose of knowing them at the beginning was nothing more than to form gangs and network. Who knows whether these rich second generation are degenerate or degenerate.

Su Yan's father had to let Su Yan avoid them, so since the last party, Su Yan had no one to play with.

Yang Yu is a passer-by to her. At the beginning, the party was accompanied by Xia Tong, and Xia Tong was pulled by Ye Qinqin. You should know ye Qinqin is a super whore. After listening to Qiu Qiu, Yang Yu had a big guy, and immediately wanted to see him. As a result, there was a promiscuous party, and he was bumped into by Murong Fei, Xie Qiuqiu's ex boyfriend There's a big problem.

Some things are predestined, there is a thing called "fate", you obviously do not exist, but it can pull you to that line.

Yang Yu thought of a funny scene she had seen before: grandma was riding a bicycle on the open road. At this time, a child was carrying basketball on the road. As a result, the basketball rolled out carelessly. The basketball was leaning to the left and rolled forward. When she saw it, she was flustered. She wanted to hit the basketball and quickly turned left to avoid it. As a result, an interesting scene appeared, basketball Roll to the left and go ahead. Grandma also turns to the left and rides forward. As a result, at the edge of the road, the bicycle and basketball collided.

Yang Yu called this scene "life"!

"I'm in the county. Do you have time to sing a song and go shopping tomorrow?" Yang Yu takes the initiative to make an appointment, and at the same time, he is also testing Su Yan's idea.

Su Yan didn't expect that Yang Yu would ask herself out because she didn't like Yang Yu. What's a good man to follow Xie Qiuqiu and Yingying? Maybe it's a duck from a nightclub. At the end of the day, she got sick all her life. Besides, her father was strict with her. She would never have any interaction with Yang Yu.

"I'm afraid it's not convenient. Something's up." Su Yan in the mind has already made up a decision to refuse, the euphemistic return way. After the last party, Su Yan never took the initiative to chat with Yang Yu. At that time, ye Qinqin harassed Yang Yu's wechat all day long, and all the unread messages were sent by Ye Qinqin.

Day! This is really beyond Yang Yu's expectation. With his elegant and elegant appearance, coupled with

his black and thick, he would be rejected by a woman? It's not scientific.

Yang Yuming knew that the other party was tactful to refuse, but he was still quite confident in his heart. He comforted himself and said: maybe someone else is really busy.

"Next time, I have time in summer." Yang Yu doesn't give up. The road of Bai Dao must be taken, while Su Yan is a good breakthrough and must be overcome.

Su Yan sees Yang Yu say so, also can only reluctantly perfunctory, next time also don't know when, but Su Yan stay at home is also boring, summer, daytime inconvenient to go out, usually go out at night, parents sometimes again discipline, just like yellow flower big girl.

But Su Yan a refuse and immediately regret, after all, Yang Yu is Xie Qiuqiu's classmate, also not as he thought so terrible. At this time, Su Yan's father called her, to know that Su Yan is the only daughter, her father Su Jian pet not.

Su Jian is now sorting out and correcting the documents in his study. At this time, he habitually asks his daughter to come to the study and massage her shoulders. In fact, he is not really tired, but just wants to meet his precious daughter.

Su Yan has already changed her pajamas and put down her mobile phone, so she doesn't continue to play Yang Yu. Yang Yu, however, can't wait for Su Yan's reply. Only when she thinks that people are really not interested in her, can she think that people are Bai Fumei and she is short and poor. I'll clean up my cell phone, get into the quilt and get ready to go to bed. Tomorrow I'll have to go to the underworld.

Yang Yu does not fear or hate the underworld at all. The most fundamental and effective way to solve social contradictions in this world is by force.

No matter what stage of development, how civilized the society is and how advanced science and technology are, force is the best means to solve all contradictions. And the underworld is the group that takes this to the extreme. This is exactly what Yang Yu worships, although he has left the underworld for six years.

Su Yan plays coquetry on his father's shoulder and has to coax him. After all, Su Jian is old. Just then, Su Yan's eyes fell on a familiar name: Yang Yu. So coincidentally, it can't be Xie Qiuqiu's high school classmate, the "Yang Yu" who just chatted with me? No, not so coincidentally, he asked:"Dad, what document is this?"

## **Chapter 267**

"This one?" Su Jian then picked up the document in hand and said, "there is a rural school in Yongjian County of our city that needs to change its headmaster. I'm examining and approving it."

"Is Yang Yu the new principal?" When Su Yan heard that it was Yongjian County, it was Xie Qiuqiu county. She also heard that her high school classmate Yang Yu was also a teacher, and Yang Yu himself said that he was in dashangou, it was the countryside? It's not going to happen.

"Well, I haven't approved it yet. This is Yang Yu. Yunu village middle school has been taking the exam for five or six years in a row. The whole county is also the penultimate in the city. But this time, he won the first place in Yongjian County, even in the whole city. I heard that this boy has only been a teacher for half a year. He is really a talent. The old headmaster retired and recommended him to be the headmaster. Originally, the Yongjian County Bureau of education has approved this matter. However, after all, Yang Yu has only been a teacher for half a year. He is a rookie. The promotion of the headmaster does not meet the requirements, so this document is in my hands. " Su Jian even patiently told her daughter this kind of thing.

"Did you criticize dad?" Su Yan is interested in this. It's good to have an official Father, but now almost 80% of Su Yan can confirm that Yang Yu is the one he knows.

"Of course not. It doesn't conform to the regulations." Su Jian usually works in accordance with the rules, especially when he is old. Otherwise, if he is not careful, he will be caught by someone. Maybe he is not safe. He has to be careful. This is officialdom. I don't know how many people are staring at him secretly.

"But if you want to give up such a good result in half a year, Dad, if he brings this school so well, they will say that you have a good eye and praise you for your promotion. And Yang Yu will also appreciate you. If he walks more and more smoothly on this road in the future, maybe he will climb up. Won't he become dad's right hand? " Su Jian didn't expect to say a good word for Yang Yu at this time. I thought he was a duck in the nightclub, serving the rich women.

Maybe he really misunderstood him, but when ye Qinqin ate Yang Yu's lower part that night, Su Jian still felt that Yang Yu was too casual and open, but after listening to his father, he just talked about the matter. This is the inconsistency between young people and old people in terms of issues. To put it bluntly, they have different perspectives and positions.

Young people are impulsive and energetic. Old people are pedantic and don't like breaking the rules. But they are also old foxes, but the times have changed.

It should have been so since ancient times.

"I didn't expect my good daughter to be more and more official. Ha ha, OK, I'll listen to you and approve." Su Jian just listened. I can't help it. I love my daughter too much. I'm just a princess. Originally, this job should not be affected by my daughter. But I think it's reasonable. When I retire, the Education Bureau will have a baby of its own. It's much more convenient for my grandson to go to school.

Su Yan is also trying to tell Yang Yu the good news, but after going back, she finds that Yang Yu has long been gone. But I left a message to the effect that you are going to be the principal. Not about the date.

The lights in Li Yaxi's room have been turned off, and they are all sleeping.

Yang's head was still motionless, but her ears were still motionless. Yang Yu also wondered, what happened? Did the aphrodisiac fail? It shouldn't be.

But, yes, the second sister really did not respond.

Yang Yu thought, is the second sister too rational, this aphrodisiac can't control the overbearing second sister? Is the aphrodisiac deterred by the powerful domineering spirit of the second sister? Is the second sister really cold? That's not good. I have to see a doctor. Yang Yu has been waiting until zero, or nothing.

The second sister didn't have spring! Sleeping like a dead pig. What a wonderful woman.

It's dawn. Yang Yu can't believe it even in his dream. Last night, everything went smoothly. I thought I didn't want to go to bed with my second sister. I could feel my breasts and buttocks. But as a result, nothing happened.

What the hell is going on? Did the aphrodisiac really fail?

"Why are you looking at me like a monster?" Yang Yu still doesn't believe it. Last night passed like this?

It's not scientific.

It's all fate. You think it must happen, but it doesn't happen. Life is unpredictable.

Li Yaxi wears a nightgown. It's pink. It's not sexy, but it's cute. It doesn't fit in with Li Yaxi's personality. How can a hot girl wear such a cute Nightgown? This should be the character of the third sister.

Li Yaxi stood up. He was careless and didn't pay much attention to the image. At this time, when he stood up from the bed, especially when he stood at the edge of the bed, his nightgown just showed up in Yang Yu's eyes.

It's the first time that Yang Yu saw the underpants of her second sister. They are also pink. Girls like to wear such colors. Unlike her cousins and Li Ruolan, they like to wear lace and black.

However, what shocked Yang Yu was not that he saw the underwear of his second sister, but that his cousin's underwear was so wet that it was like wetting the bed. Yang Yu's eyes were too sharp. All of a sudden, Yang Yu felt his blood boiling and his pores expanded. But his cousin didn't seem to know that he was in spring, so he was watched enough by his cousin.

But suddenly, the second sister looked down at Yang Yu. Yang Yu had expected that the second sister would do this. She closed her eyes and pretended to sleep.

Two younger sister looked, did not care, got out of bed, went to the bathroom.

Yang Yu was suddenly relieved, and his mind was full of the shadow of his cousin's underwear. Second sister's underwear is not that you can see it. I'm so excited.

There was already the sound of a car motor on the road outside, so Yang Yu got out of bed, picked up the mat, tidied up the sheets and stuffed them into the wardrobe.

There is a knock at the door.

Dong, Dong, Dong.

Who could it be? Yang Yu is very curious. Who will come here to knock on the door in such a big morning?

Hearing the knock on the door, my cousin came out of the toilet. She looked as if she had just finished brushing her teeth and half washed her face. She looked depressed and impatient. She didn't seem surprised at the knock. Then she looked at my cousin who was only wearing a pair of underpants and went to open the door without saying anything.

"Yaxi sister, you get up. I bought you breakfast." After opening the door, there was a man standing outside. He was holding up steamed bread and soymilk and said with a smile, but his voice was a little whiny. Yang Yu's whole body trembled.

Originally, he came to deliver breakfast happily, and then went to work with Li Yaxi. All his calculations have been done. When he opened the door and saw that Li Yaxi was wearing a nightgown, his nose was bleeding. He thought Li Yaxi was beautiful.

But.

But soon his excitement went from heaven to hell.

Because, he was surprised to see a man in the room, a man who only wore underwear. Obviously, this man was sleeping with Li Yaxi last night.

His face turned pale at once.

I can't put my hand down.

"Why are you here again? I beg you, don't disturb me, OK? I don't like you Li Yaxi roared impatiently.

As soon as Yang Yu listened to the dialogue, he understood it immediately. The man may be next door or nearby and is now pursuing his cousin. Yang Yu took a look at the man. To tell you the truth, he was a little dirty. The biggest rub was a little Niang.

The soymilk raised is actually with orchid finger.

Your sister, do you even use orchid fingers to make a pipe?

"He, who is he?" When the man saw Yang Yu, he felt that his confidence was gone: "why is he in your room?"

Isn't it a question of knowing?

In the early morning, a man is in a woman's room, naked. Who else can he be? What else can it be.

Yang Yu stepped forward, put his arms around his cousin's waist and said, "I'm her boyfriend. Of course, I'm in her room. I come every week and sleep with my girlfriend." Yang Yu also specially stressed the next sleep together, along the smiling looking at two younger sister.

The second sister glared at Yang Yu fiercely, but as soon as she saw the puppet girl pursuing herself, she was even more depressed.

This fake girl has been pursuing Li Yaxi for some days. He is an employee of Kangyuan group, but he works in the office and in the design department. When I saw Li Yaxi in the company, I fell in love with him and immediately launched a crazy pursuit.

And live nearby, simply want to work together, deliver breakfast for several days in a row.

However, Li Yaxi doesn't like this fake girl at all. What she hates most is this kind of man. How can a good man behave like a woman. It's disgusting. Every time I see this pursuer, Li Yaxi will vomit. He can't even hide himself. He always comes here and is almost driven crazy.

Li Yaxi made it clear for a long time that he didn't like him, begged him not to chase him, said he had a man he liked, and so on. It's useless. He still chased him as usual. Li Yaxi couldn't laugh or cry.

"No way, sister Yaxi. You said you didn't have a boyfriend." The puppet mother obviously didn't believe it, but the fact is that Yang Yu did stay here last night. Besides her boyfriend, who can stay for the night?

"Sister Yaxi, you said he's not your boyfriend, right? Right? " The puppet mother refused to give up, and she still held a trace of hope in her heart.

Yang Yu is also waiting for Li Yaxi to give an answer. Of course, he hopes that the second sister can nod

her head and answer that he doesn't want the second sister to expose her identity. Then the boy will ignite the confidence of pursuing.

## Chapter 268

Li Yaxi looks up at Yang Yu's cousin. Although he doesn't like it, it's better than this fake mother. The fake mother has made her sick.

"Don't bother me. I'll invite you to be my boyfriend." Two younger sisters very serious say this words, say this words of time, even she all want to vomit. Yang Yu can bear to laugh, this is the most fun game he has played with his second sister in the past six months.

The second sister said that she put her head in Yang Yu's arms, looking very loving and happy.

Yang Yu deliberately hugs Er Mei and touches her ass with one hand. Er Mei stares again and smiles in the twinkling of an eye. That seems to mean: I'll deal with you later.

The puppet mother felt very painful when she saw her beloved girl leaning on other people's arms. How could Yang Yu not experience this feeling? When a college girlfriend breaks up, she is holding the hand of her second boyfriend to find him. Can you experience that feeling?

Only this time, Yang Yu changed his role. Who let the puppet mother dare to touch her cousin, who is not good to like, just can't like her cousin. This cousin belongs to Yang Yu.

The bean milk held by the puppet mother is still not put down, but her eyes are red.

"Why do you like him? What's good about him? Like a man. " The puppet mother glanced at Yang Yu and saw that he was a muscular man. Just like a man, there is no tenderness at all, which is quite different from the beauty of a false woman.

Yang Yu and Li Yaxi have black lines on their faces.

However, Yang Yu couldn't bear it now.

"I'm not as beautiful as you are." Yang Yu is going to boast about the fake mother first. Of course, it's ironic. As for whether he can hear it, I don't know. Then he goes on: "but." Yang Yu specially emphasized this turning point, and their attention was immediately attracted by Yang Yu, waiting for Yang Yu's supplement.

"But my guy is twice as big as you. I made my girlfriend want to die last night. Can you?" Before Yang Yu finished, he felt a sharp pain in his back.

I saw my cousin holding Yang Yu's back meat in one hand and gave him a severe twist. Yang Yu was in pain when she pinched it. She turned her head and found that her second sister was staring at herself like a lioness.

All of a sudden, bang.

The steamed bread and soymilk on the puppet mother's hand suddenly fell down, spilled all over the ground, and the milk instantly flowed out. The puppet mother's mouth was open, and her eyes were dull, as if she killed him in a second, as if she had stabbed him in the key.

"Yaxi, you've been with him..." The three words behind the puppet mother "had been in bed" never came out.

Second Sister Li Yaxi also wants to cry without tears, that is, to get rid of the pursuit of the false mother, who knows that he was taken advantage of by his cousin. But the second sister can't answer this question, can't she?

"Oh, you go. I have to go to work." Li Yaxi is a little impatient, and the performance is almost finished. Especially Yang Yu's swearing and insulting words make Li Yaxi nauseous. This cousin is really not a good thing.

"I don't believe it." This fake girl is a real trouble.

"Then how do you believe he's my boyfriend?" Li Yaxi is also bored. He will be late for work.

"Unless you kiss now." The false mother said without hesitation.

Poof!

Yang Yu and Li Yaxi gushed out blood at the same time.

Yang Yu suddenly thought of a sentence: seniors can only help you here.

This puppet mother is not her own competitor. She is clearly her confidant. Even she wants to kiss her cousin, she is seen through by him. To help herself like this is really moving the world.

Yang Yu is happy to bloom, but Li Yaxi's face is distorted. Li Yaxi's mind also thought of a sentence: do not die will not die.

Who's been provoked by? What's going on? However, will the play continue or not? Li Yaxi looked at the puppet mother. She looked at her seriously. She was waiting for verification.

But when Li Yaxi was still hesitating, suddenly, his cousin Yang Yu put his arm around his waist and pressed Li Yaxi over. Then his left hand went around the back of her head and pressed him over again.

See Yang Yu a low head, face close to past, directly sealed cousin Li Yaxi's mouth.

Yang Yu kisses his cousin Li Yaxi.

Li Yaxi never dreamed that his cousin would attack him and suddenly kiss him. When she reacts, her cousin's mouth has closed her lips, and her tongue has been put into her mouth and entangled with her tongue.

Soft, sensitive, moist, passion, contradiction, pleasure, touch and other complex feelings swept through Li Yaxi's whole body. She felt that her brain was about to explode, and she seemed to yearn for this feeling for a long time.

But before I could change my underwear, the puppet girl came to harass me in the morning.

It's all like predestined, predestined to be cousin took the first kiss.

Li Yaxi's eyes are wide open. This is her first kiss. She won't give it to her cousin even if she is killed. She won't agree to it, but she is attacked by her cousin. She doesn't respond at all. Seeing this scene, the puppet mother was completely desperate. Her eyes were dull. She stepped out of her trembling feet and walked out step by step, leaving an extremely lonely figure, just like Yang Yu. Yang Yu suddenly stopped kissing and was absorbed in looking at her back, as if it were her own past.

At that time, her first girlfriend had not met her parents for eight years. Her high school brother was hacked to death when she was in the underworld. Her college girlfriend betrayed her. Now she's living in the countryside and has no future. She still can't deliver a vegetable to Xie Tianshi. When she delivers it, she has to give money to Xie Tianshi. She is sold and counts money for others. Besides teasing the village girl, she still teases the village girl That's it, but what's the promise?

At least high school has an illusory dream, a naive dream, when the gangster big brother, but now?

Pop!

When Yang Yu was distracted, a big slap came over.

"Yang Yu, you beast!" Li Yaxi's slap just now was not in vain. Even her own hand hurt. There was an obvious red handprint on Yang Yu's face.

Li Yaxi rushed into the toilet and began to cry.

She had never been so violated by a man, or by her cousin. She was sad and cried in the toilet.

Yang Yu never dreamed that Li Yaxi, the second younger sister, would react like this? This is beyond Yang Yu's surprise. Xiaomei, Bai Xue and Han Qingfang, who are clever at ordinary times, don't complain even if they are done. Moreover, Xiaomei and Bai Xue are forced to do it. They are so good at ordinary times,

and they don't respond to being done.

And the shrewd, strong, cheerful, even very open second sister just kisses her, will hide in the toilet crying like this? Yang Yu thinks that at most the second younger sister just scolds herself, that's all.

Yang Yu is at a loss. He feels like a child who has broken a vase. He wants to comfort her, but he doesn't dare to look at her directly.

Hiding in the toilet, Li Yaxi cried for 20 minutes. Like a child, he cried until he was pumped up, until he couldn't cry out, until he belched and his eyes became swollen. So when Li Yaxi washed and changed his clothes and came out of the toilet, Yang Yu was scared.

"Second sister?" Yang Yu called softly.

Li Yaxi didn't answer. He didn't even look at Yang Yu. He picked up his bag and was about to go out. Yang Yu grabs Li Yaxi's hand, and he's scared. He's afraid of the second sister. He doesn't even dare to look into her eyes. Li Yaxi turned his head, looked up at Yang Yu, and said word by word:

"let me go."

"Second sister, it's my cousin. You can beat me and scold me. My cousin is wrong. Don't ignore him, OK?" Yang Yu said this from the heart.

Li Yaxi dropped a sentence and left.

Yang Yu Leng is there, didn't expect that the second sister's reaction is so big, isn't it a kiss? When the first kiss three younger sister, three younger sister are cater to. People are still very different. Yang Yu looked down at his underwear, only to find that the underpants in the propped up area had been stained wet.

After getting dressed and washed, Yang Yu specially arranged the room and washed her dirty clothes and socks. It's still early to see Zhang Liang, so it's not convenient to find him. After thinking about it, anyway, there is nothing precious in the room, so I just closed the door and went down to eat breakfast. Then I went to lie supermarket and bought a lot of daily necessities for my cousin, as well as dry food, snacks, milk, fruit and so on.

Yang Yu doesn't know if he is still sleeping here tonight. It's even a question whether he can live or not.

It wasn't until one o'clock in the afternoon that Yang Yu contacted Zhang Liang and made an appointment to meet him. Of course, Zhang Liang said hello to the eldest brother in advance, even

Zhang Jian and his wife ran Jie also went, obviously trying to solve the small grudge at one go.

Zhang Liang takes Yang Yu to a nightclub called Oriental charm.

Yang Yu has never been to this place. When he was in high school, this street was a row of red light districts. At that time, he was familiar with the ladies here. Now there are fewer red light districts, but there are more foot bath shops. The scale is not small, but the biggest one is this nightclub.

Yang Yu followed Zhang Liang into the nightclub, where the light was dim. At this time, the nightclub didn't even open its door. It was dark before business began.

"Brother Liang, the boss is waiting for you upstairs." A little brother with tattoos on his neck came to Zhang Liang and said.

Yang Yu took a look at the tattooed man. He looked like a high school student. He was a little bit like that year. He was a young man who was not afraid of anything.

There are many boxes on the second floor, which are supposed to be convenient for guests. Two people through the long corridor, has been deep inside, Yang Yucai sigh, here is so big, it is this nightclub is connected with another back room.

At the end of the walk, Yang Yu saw two people standing at the door. When he saw Zhang Liang coming, he nodded, called brother Liang and opened the door on his own initiative.

After entering, I found that it was a hall, full of tables and chairs, and a lot of beer. The windows were pasted with black paper, the light was dim, and the lights were not on. Yang Yu looked around and found that there were a lot of people, but in the dark or in the corner, there were people squatting all the time.

It looks more like a place where brothers get together for a meeting.

And in front of the table directly above, there is a man, who can be seen by a fool. He is the boss here, and behind him stands a tall and burly man, who has a scar on his face. Moreover, Yang Yu also saw Zhang Jian and his wife Li Ranran. Li Ran Ran was very haggard, and his face seemed to be bruised, as if he had just been beaten.

"Brother Shan, here comes Yang Yu." When Zhang Liang saw this man, he became obedient and arrogant.

Yang Yu took a look at the brother and felt the pressure doubled. Brother Shan is in his forties. He's cut an inch, wears a suit and has sharp eyes. Yang Yu doesn't have a deep impression on him. Six years ago, brother Shan was just an ordinary gangster. In recent years, he has suddenly risen, and his reaction is not clear.

"Brother Shan." Yang Yu also followed Zhang Liang and called brother Shan.

"Brother Shan, did you shout?" As soon as Yang Yu's words came out, there was a cry at the bottom.

"Yang Yu is Liang Di's brother. Why can't he call brother Shan? Ha ha. " The elder brother reprimanded his subordinates, stood up with a smile, walked two steps, leaned on the table and said, "my brother is not sensible. Don't blame him."

When brother Shan walked two steps, the scar man behind followed him.

"I heard you fucked my brother's woman?" Brother Shan's smile hardened. When he said this, he did not go to see Zhang Jian and Li Ranran, but looked at Yang Yu. When he called his nephew Zhang Jian, he used the word "brother". Obviously, this is a formal term in the underworld. It does not highlight the relationship between "nephew".

Yang Yu Yu Guang takes a look at Li Ran Ran and finds that she is shaking with fright.

"Yes." Yang Yu is not afraid, the answer is very simple, came here, fear of the outcome will die more miserable.

"I like a simple man like you. Do you know what happens to a woman who has sex with my brother? " Brother Shan spoke very simply, and did not beat around the bush.

Yang Yu also likes simple people, especially simple gangsters. Compared with Zhang Jian, he doesn't know how much he likes.

And Zhang Liang has been standing there, without any words, as if he did not dare to interrupt.

"When you come out, the most important thing is loyalty and integrity. Your brother lost the bet to me, and I struggled to get married to his wife." As soon as Yang Yu said this, even Zhang Liang trembled for him, holding a sweat for him. No one here dares to speak to brother Shan like this.

No one dares. Those who dare to talk like this have already fed the dog.

I didn't expect that after six years of not being a gangster, Yang Yu was still so crazy. If we say that Yang yukuan had capital before, but now, it seems that he has the courage of a leopard. After hearing this, brother Shan frowned and was silent.

It's so silent that everyone is afraid. Zhang Liang is ready to plead with Yang Yu and ask him to apologize. If Yang Yu admits it, he will lose. If he offends the boss, he will not even have the capital to lose. He has to feed the dog.

A drop of sweat down Yang Yu's forehead, you say he is not afraid that it is false. But I can't kneel down and admit that I've got an appointment with elder sister ran. After that, I know it's Zhang Jian's wife.

That's the end.

Yang Yu has already felt that there are people coming out of the corner, and even some people have played with knives.

Brother Shan takes a look at Zhang Jian and seems to know what happened. Therefore, brother Shan knows very well in his heart that there is no way to say this. But as the boss, there are so many brothers here, they can't be unreasonable.

"That's good. I like gambling, too. Why don't we take a gamble?" Brother Shan spoke.

As soon as he said this, Yang Yu knew very well that if he won the bet, he would be fine. If he lost, he would be stabbed. Since you are the bane of gambling, you should use gambling to solve it.

"How to bet?" The cold sweat from Yang Yu's back has penetrated his coat. He knows very well in his heart that he has lost 50% before gambling with a gangster boss here. No matter what you bet, it's estimated that there's only a 1% chance of winning, maybe none.

The boss of the underworld wants to bet with you. If you don't bet, you have to bet. There is no choice.

"Six years ago, I heard something about you. They all said that you are extremely fast, but I don't know how fast it is. Some even said that you can make a knife faster than a bullet. I don't believe that anyone in the world can make a knife faster than a bullet? I think he's cheating. I hate people cheating on me, so I cut his tongue and drank. I didn't expect to meet you today. I really want to see you." When brother Shan said this, he deliberately looked very adored. The more Yang Yu hung up, the more he wanted Yang Yu to lose.

"I haven't taken a knife for six years. I'm afraid I'll let brother Shan down." Yang Yu really hasn't taken a knife for six years. When he used to mix, it was a dagger for everyone. At that time, Yang Yu was particularly infatuated with knives. He saved money and bought a Swiss Army knife.

After that, every day he held the sabre in his hand to play, eat, go to class, go to the toilet, and even sleep with the sabre. This Sabre was more important than women. At that time, Yang Yu had nothing but a knife in his heart, and he was not interested in women.

It's a good way to grasp the knife. It's a good way to grasp it.

Of course, it's faster than a bullet. That's an exaggeration. There's no such terrible speed.

"That's just right. I have a brother here. He's retired for six years. He hasn't touched a gun. You two can compete." Three elder brothers said, unexpectedly felt a pistol from the back waist.

Of course, it's not the first time that Yang Yu has seen a real gun, but even if it's a underworld, there are very few people who can match a gun. It costs a lot to buy a gun, which is not affordable by the

underworld in this county. However, third brother has a gun.

Does brother Shan really let Yang Yu compare his sword with others' gun? It's better to shoot Yang Yu directly.

"Brother Shan, it's all blowing. Who can have a knife faster than a gun? How about a knife? " Zhang Liang can't stand any more. Isn't it to let Yang Yu die? Man is brought by himself. At least he was a brother six years ago. Han Hu has died. He can't watch Yang Yu die in front of him. He can't do it, but he can't afford to offend his third brother.

Brother Shan did not speak, Yang Yu first answered: "I bet!"

The words inspired the audience.

"You are crazy! "Zhang Liang hurried forward and scolded," you will die. I don't want to collect your body. "

Six years ago, Han Hu's corpse was also collected by him. He had already suffered once. If he had to experience such pain again in his life, he would rather die himself.

"Ha ha!" The third brother suddenly laughed: "I like young people like you. If you win, this matter will be written off. Later, you will mix with me, and I will let you be the second leader. How about that?"

Second in command? When they heard this, they all gathered around. It was higher than brother Liang and brother scar.

"What if I lose? "Yang Yu also specifically asked, if you lose, the bullet will go through your heart. How can you lose? Life is gone.

"If you lose, I'll be in trouble! "The third brother is right, the root of the trouble!

At this moment, even the last fluke in the heart are gone, no life is OK, if there is no root, looking at the beautiful cousin, cousin don't do her, that kind of feeling is worse than death.

"Is that all, brother Shan? It's too low a bet. " Yang Yu himself even gambled on his life. How could he only let brother Shan gamble on such things? He continued: "if I win, I'll take your position as brother Shan."

Crazy, Yang Yu is crazy.

When I saw him in Yunyu village, he was also obedient and very peaceful. How could he pick it up when he met the underworld?

Yang Yu, do you know your girlfriend Li Ruoshui?

As soon as he said this, Brother Shan's face changed, revealing his murderous intention. Zhang Liang's face also changed and became paler. Only Zhang Jian laughed and thought: it's really a good play. No matter who wins or loses the bet, she has no good end.

There are at least a dozen younger brothers here. Yang Yu's words are obviously intended not to give Brother Shan face. Brother Shan has to agree even if he doesn't agree in front of his brothers, because gambling has already begun.

"Good. Get the knife." Brother Shan said this.

Suddenly the hall was boiling.

Zhang Liang wants to persuade again, but he can't persuade any more. Yang Yu is doomed to die here.

This is a gamble with no chance of winning. Yang Yu is not sure that the probability of winning is less than 0.1%.

What can we do? Who makes Yang Yu's brother so fuckin' proud?

When Yang Yu inserted the mushroom head into Sister Ran's lower body, the bet was doomed.

Zhang Liang took out his Swiss saber, which he bought with Yang Yu at that time. Han Hu also had one, but his one was in Yang Yu's. Yang Yu hadn't used it for six years, and Yang Yu's own one was buried with Han Hu.

Zhang Liang threw his sword into the wooden table and stood beside the pistol.

"Be careful. He's a veteran. He has real strength." Zhang Liang told Yang Yu, then backed away.

Everyone, including Brother Shan, retreated to the side to avoid being hurt by mistake.

In front of the hall is a table with a knife and a gun. On both sides of the table are Yang Yu and Scar Brother, both three meters away from the table.

Brother Scar, who has been in this organization for less than half a year, is deeply liked by Brother Shan. He is a man of strength. We only know that he is a veteran. As for what he does in the army, no one dares to ask. Some even say that he is a special forces man, and they don't know whether it is true or not.

Once in a fight, he killed seven or eight other people and became famous at one stroke. All his disciples adored him. He is now the second leader in the county underworld. If he had to talk about an official position, it would be equivalent to a county Party secretary.

Everyone held their breath. The atmosphere in the hall suddenly became tense and watched the soul stirring battle. But no one was optimistic about Yang Yu. No, it should be said that everyone had regarded Yang Yu as a dead man. They just wanted to see the shooting skills of soldiers.

As for how Yang Yu died, no one cares.

Yang Yu and brother scar look at each other, and the battle is imminent.

Suddenly, they started at the same time and ran to the table.

Brother scar's speed is obviously faster than Yang Yu's. He directly reaches for the gun and sees that the gun is in his hand. If Yang Yu still goes to get the knife at this time, it's obviously too late. Let alone the speed, even if he gets the knife, the bullet has come.

Therefore, Yang Yu directly kicked his foot to the side, but this foot was not directed at brother scar's body, but at the knife.

Almost at the same time, brother scar touched the pistol, and Yang Yu's foot also kicked the knife.

The Swiss Army knife flew out in an instant.

Everyone frowned, because the knife only went to brother scar's chest.

Brother scar is very experienced in actual combat. He knows that if he continues to lean to get the gun, the knife will go straight into his heart and he will die. So, he chose to step back and lean back. The knife just passed his chest. It just cut the mouth of his clothes and flew into the back wall.

Yang Yu didn't hit the target, but he couldn't get the knife. Brother scar was steady, and he reached for the gun. Once he got the gun, he would die. Just now, when brother scar tilted back, Yang Yu continued to kick the knife after kicking the other leg. One leg kicked on the pistol, and the pistol, like a knife, was kicked away and fell into the corner.

Brother scar saw that the gun was kicked away and he was not famous. Seeing that Yang Yu was standing on the table with one leg, he cheered up the table and threw it at Yang Yu. He ran to the pistol.

Yang Yu put his foot on the table and was hit by brother scar. He had no place to dodge. He resisted the hit. Suddenly he felt faint and his ribs were broken. Seeing that brother scar had already gone for a pistol and he was still on the ground, it was obvious that he could not stop it.

Zhang Liang and sister ran are both in a cold sweat for Yang Yu. They have already lost. At the same

time, everyone has shown a smile.

Yang Yu jumped up and went straight for the saber. He had to fight like this.

Brother scar got the gun, but without thinking about it, he shot at Yang Yu.

The bullet flew to Yang Yu's head.

"Ah There was only one scream. Blood trickles away.

But it's not Yang Yu's blood. Brother scar held the pistol in one hand, but he couldn't hold it. A saber went straight into his wrist and penetrated directly. Blood suddenly appeared and his face was pale. What hurt him was not that the saber penetrated his wrist, but that he didn't see how and when Yang Yu's hand came out.

Yang Yu stood there, motionless, with a bloodstain on his face. The bullet rubbed his face, and it would blow his head.

No one saw how Yang Yu made his move, but when Yang Yu met the knife, there was a scream, almost at the same time.

Is there anyone in the world who can shoot faster than a bullet?

All the people were stunned, their faces were very blue, and the faces of brother Shan and Zhang Jian were very, very ugly.

Yang Yu won!

Brother scar groaned in pain.

"What are you doing here? Why don't you rush to the hospital. "Brother Shan reprimanded the stunned subordinates.

But he immediately turned into a smile and said to Yang Yu, "if I didn't see it with my own eyes, I don't believe the legend before. Just like your brother Liang said, it's a waste of talent if you don't come out. How about helping me fight the world? "

Brother Shan immediately forgot all his bets, of course, on purpose.

Yang Yu didn't want to sit in the position of brother Shan. He just let himself have more initiative after winning. This position is not that you can sit if you want to, and it's not that you can sit if you gamble. The position of the leader of the underworld is that a general who has made great achievements and killed himself by stepping on the corpse.

"I'm here today to help brother Shan." Yang Yu had just left Yan Wangye. It was really thrilling. Almost, he went to play mahjong with Yan Wangye. Yang Yu said this, one is to help brother Shan step down, the other is that today Yang Yu is really here to help brother Shan.

By this time, someone had come and moved the table back. He also specially brought Yang Yu a stool.

"Yes? Then I really want to hear how you can help me! " Brother Shan is very happy. Now the underworld is in recession. He's really upset about getting rich. Now he suddenly kills Yang Yu, and he's in a good mood.

"Why are you still in a daze? Pour a cup of tea for younger brother Yang." Brother Shan scolded his subordinates. I didn't expect to call Yang Yu younger brother. The role changed a little fast.

"My nephew doesn't hold up." Brother Shan looks at Zhang Jian. The nephew is not only frustrated, but also hard to lose his face. If it wasn't for his nephew's sake, he would have cut him: "get out of here."

Zhang Jian didn't expect that his uncle's role changed so quickly. He knew that he couldn't make it any more. He was also afraid of his uncle, so he got out.

"Come here." Brother Shan pointed at Li Ran Ran and roared. Li Ran Ran's legs were shaking and she was struggling. She didn't know what her fate would be. Even though she was once a woman of brother Shan and now his nephew's wife, the gear of fate was still not in her hands.

"Women are like clothes. No brother is important. You like my nephew's wife. Take it and use it. Let her accompany you tonight." Brother Shan said and looked at Li Ran.

Li Ran came to make tea for Yang Yu in a hurry. The elder brother of the underworld drinks tea. It seems that brother Shan's taste is really different.

"Brother Yang, drink tea. "Li Ran poured the tea and handed it to Yang Yu with his head down.

Yang Yu has a look, this woman at that time on the bed does her time to cry extravagantly, afterward Zhang Jian came, directly betrayed oneself, this kind of woman is not any good goods.

"I have a place to sleep tonight. Sister ran would better go home with her husband, but I hope brother Zhang Jian won't beat his wife. It's not good for anyone." Yang Yu still spoke for Li Ranran at this time. After all, a man can't prove anything by beating a woman. Now that Yang Yu has said this, I believe brother Shan will bring it to you.

Brother Shan waved his hand and Li Ran went out.

"I want to have tea with brother Shan in private." Yang Yu said. Today, Yang Yu didn't come here to solve the problem of Zhang Jian's wife. There are more important things.

But brother Shan doesn't understand. What else can Yang Yu do? However, looking at Yang Yugang's skill, it's really amazing that he is even more powerful than brother scar. Of course, he wants to stay around and reuse such talents.
