Dead night, dead night.

The flat land is desolate, the crescent moon is like a hook, the moonlight is red, the horizon is endless, but still can't see any green and hope.

An old man, short and thin, like a woodcutter, had bright eyes, yellow face, and bent clothes. He couldn't see what he had come from, but next to him were two young girls.

These two girls are more enchanting and charming than that pan caier, especially the light makeup on their faces, red lips, charming eyes, and flying eyebrows. When men look at them, they are all hooked.

Girls wear very little, very little, at least pan caier also put on a windbreaker, but these two girls only wear a bra and underwear, the bra really can only cover a nipple, around a circle of round, white milk are exposed outside, underwear is also the case, just to cover the next ditch, but it seems that there is no hair, the triangle is also smooth, it seems to be two It's a white tiger. I just don't know if it's born like my third cousin.

"I know you. You are..." Yang Yu still couldn't believe it. He was so surprised that he thought he recognized the wrong person, but he didn't. the old man in front of him was really him: "are you the guide who took me to the mountain on the first day?"

"Young people have a good memory. It's been half a year and they recognize me." Said the old man.

Yang Yu put down he Shiyan and took care of her silently. He Shiyan looked at the old man and said, "are you brother Qiu?"

"I didn't expect to be called that 400 years later." The old man seems to be quite emotional.

But at this time, pan caier has unconsciously gone to the old man's side, Lin xueru is still at a loss, completely baffled, what is this in the end with what?

Su Xiaoxiao suddenly stood out, his face was very pale, and his chest was constantly undulating. The pair of breasts were very beautiful, and he said, "grandfather, they are all my friends. Would you let them go?"

Lin xueru was more puzzled and thought: what is release? I'm here to catch people.

"Well, old man, who are you? No matter who breaks the law, I'll take her back. " I didn't expect that Lin

xueru was such a stubborn person.

"For the sake of grandma Heishan, Xiaoqian can go, but I can't help the other two. You know, I haven't had it for several weeks." the old man was quite sure.

Pan caier sighed, looked at Yang Yu and said, "it's a pity that I wanted to take such a handsome man for personal use, but who dares to stop him?"

"No way!" Su Xiaoxiao and he Shiyan yelled in unison, his face was pale.

Yang Yu is also thinking about it. If he Shiyan is really Nie Xiaoqian, pan caier is really orange gray butterfly spirit, and the mummy is really done by them, then the old man they call grandfather, coupled with the earth shaking and Su Xiaoxiao's request just now, can't this grandfather be an old goblin?

"Yang Yu's essence can improve my skill for 500 years. Do you think I will let him go?" The old man said coldly.

"You did all the mummies in the village, didn't you?" Yang Yu also laughed and continued: "have you been staring at me since the first day I entered the village? Then why don't you eat me on the first day?"

The more Lin xueru listened, the more confused she became. She could not understand what they were saying. She stamped her feet, but she held the gun tightly.

Su Xiaoxiao quietly moved two steps, whispered: "wait for you three to run hard, don't look back, I'll help you delay a little time."

"Is he really that horrible? What do you do?" Yang Yu whispered back.

"More terrifying than you think." Su Xiaoxiao swallowed deeply.

"Well! Want to run?" The old man was cold and he came to speak. No one dared to oppose him. He never said, "this is not your has the final say."

when Su Xiaoxiao and he said that they wanted to ask for love, suddenly another voice came from the sky: "but you has the final say."

The crowd was surprised again.

In particular, Yang Yu, from pan caier to Lin xueru to Su Xiaoxiao, was very surprised when he appeared. Later, an old guide monster appeared. Although he didn't know what he was, he must be a big guy because everyone was so afraid of him.

Why is the voice so familiar?

Even my grandfather frowned when he heard that. No one dared to speak like this in front of him.

Suddenly, a man appeared in the black night sky. It was a woman. This man was flying over. Yes, it was flying over.

When a woman falls to the ground, she pulls out a sword from her back. When she falls to the ground, the sword falls into the earth. At the same time, with her as the center of the circle, she lifts up a piece of dust and spreads out, just as the terminator visited the earth.

Everyone was shocked. The woman had short hair, fresh and neat, black cape, and a sword.

"Yan Ling?" Yang Yu and Lin xueru cried out almost at the same time.

The other women were not familiar with the woman who had suddenly visited and did not know her origin.

But his face became more surprised when he saw the sword. "Ancient weapon Xuanyuan sword?" How can grandfather not recognize this sword? At that time, Heishan grandma and Pudu Cihang all died under this sword. The reason why this sword can cut off demons and demons is from Lord lodu, who made it specially to deal with these evil ways in the world.

"Are you the descendant of Yan Chixia?" He Shiyan asked with difficulty. She also recognized the sword. She was too familiar with Yan Chixia to recognize it at a glance. It's the last farewell to he Shiyan to meet so many people who were involved in the past life before he died.

Yan Ling stood up and pulled out the sword. The sword was red and glowing. I don't know if it was killing too many demons and bloodthirsty?

"Yanling, why are you here?" Yang Yu asked, supporting he Shiyan.

"I've been following you tonight, but you don't know it." Yan Ling said with a smile, and then turned around, staring at the old man, continued: "I heard that there is a millennium earthworm essence in Yunv village, and I finally saw it today."

"Ha ha ha ha." Grandfather Heishan laughed wildly. After laughing for a long time, he stopped, and then his face became very serious: "today is my day. Yang Yu and Yan Chixia's descendants, ha ha, after eating you two, my skill can be improved for thousands of years."

Grandfather Heishan's face became a little twisted. He seemed very excited. Thanks to the promotion for thousands of years, what a blessing. The little demons around him were all jealous to death.

"I can't wait for my sword. I want to open your stomach to see how many dead souls are hidden in it." Yan Ling was furious.

This is not Yan Ling that Yang Yu knew. Yang Yu finally understood the meaning of that dream. Isn't it just this moment?

"Little, come here." In fact, Heishan's grandfather didn't pay attention to Yanling, a yellow haired girl. At the beginning, Heishan's grandmother died not because of how powerful the imperial sword was, but because Yan Chixia's magic power was high. But Yanling was a yellow haired girl in her twenties. How many jin of magic power could she have?

Nan Mao Bei Ma is a well-known Exorcist family. I don't know that this Xiyao Dongluo is also a famous Exorcist. Naturally, this Xiyao refers to Yan Chixia. Although she met Ning caichen in Zhejiang, Yan Chixia was originally from the Qin Dynasty. She was a tough judge. With the Xuanyuan sword, an ancient weapon, she killed demons all the way from the west to the East. She lived in seclusion in lanruo temple. She was modest and resentful of evil.

Su Xiaoxiao was in a dilemma after listening to his grandfather's words. His parents were there, but Yang Yu was his sweetheart.

After listening to this, Yang Yu finally understood that Su Xiaoxiao, like Pan caier, was the man of Heishan's grandfather.

Su Xiaoxiao looks back at Yang Yu with emotion and looks at him silently. He really can't bear to see Yang Yu eaten.

"My grandfather has forgiven you all the mistakes he made in the past. If you betray me this time, I will kill you together. "The black grandfather has been murderous.

Pan caier is very happy to hear this. Su Xiaoxiao is oppressed by everything. Her grandfather dotes on her, and her cultivation ability is better than himself. Without her, her grandfather will only dote on her. Although there are countless goblins in the black forest, the others are just little ants.

"Little." Yang Yu called softly and motioned for her to pass.

Su Xiaoxiao looked on both sides, and she knew that even if she chose Yang Yu, it would be the same end. Otherwise, she would follow her grandfather first, and then take the opportunity to find a way to save Yang Yu. Thinking about this, Su Xiaoxiao had to lower her head, walk towards her grandfather and stand behind him.

The confrontation between the two armies seems to be imminent.

Everyone's forehead has made sweat, Lin xueru clenched the gun, Yan Ling clenched the sword.

All of a sudden.

Yan Ling cried: "you go first, don't look back. The old demon can't go down the mountain if the Holy tree is there." After the roar, Yanling has rushed over.

"Don't worry about me, Yang Yu. His mana is stronger than the black mountain old demon. Run away." He Shiyan pushes Yang Yu away, and the wound on his foot is still bleeding.

"I won't leave any of you." Finish saying, Yang Yu also rushed past.

As soon as Lin xueru saw it, she opened the insurance of the pistol, lifted it up and aimed at the old man. Although she didn't know what was going on, she also knew it was a fierce battle with the intuition of the police.

Yan Ling's sword brushed the black soil and made a silly sound. As soon as the two beautiful girls behind my grandfather saw it, they flew over with a cold hum. Although they were two beauties, the two breasts were still shaking with verve, and the waves were rough.

I don't know what essence these two beauties are. Suddenly, a stream of mucus comes out of their mouth and shoots directly at Yanling. Yan Ling is not polite. The sword cuts horizontally, and its momentum is like a rainbow. The sword Qi diffuses on the horizontal plane. The two beauties didn't expect that the sword Qi is so fast that they didn't have time to hide. They were cut by the waist!

All of a sudden, crying.

Large intestine, black blood surged out along the transverse waist. It was bloody and disgusting. The two beautiful girls were white and scared. They looked at their lower body and upper body separated, and suddenly they were stunned.

A moment later, the two beautiful girls suddenly changed into two black caterpillars, and their four bodies were still moving on the ground.

Yang Yu and Lin xueru see this scene, some things, don't believe also have to believe, this world actually exist demon! Who would believe it if they didn't see it?

"You must go." Yan Ling see behind Yang Yu and Lin xueru also followed up, that urgent ah. What's more urgent is Su Xiaoxiao, because my grandfather did it.

When he stepped on his feet, everyone was surprised to find that his feet went straight into the earth, and the earth was shaking and the mountains were falling apart. Yan Ling and Yang Yu found that there seemed to be two dragon like things under the ground attacking them quickly.

Yan Ling pushed Yang Yu away and said, "heaven and earth are limitless. Heaven and earth can borrow the Dharma." With that, the sharp sword slipped through the palm of the hand, and the blood flowed on the spot. The Xuanyuan sword became crazy because it was addicted to human blood. The original red sword suddenly burst out, forming a huge blood Phoenix, which went underground.

Two huge moving objects still came out of the ground.

Terrifying, terrifying.

This behemoth is the body of two giant earthworms. The earthworm's body has the size of a football goal. It's cylindrical. Its skin is dim. It's covered with mucus. It's very long and moving. It's very ugly. The head of the body is even more terrifying. There is only a big mouth without any facial features. This big mouth opens and occupies all the positions of the head, but it is twice as large as the cross-sectional area of the body. This mouth is enough to swallow five or six people alive.

Mucus is constantly flowing down the mouth. It's dirty, disgusting, ugly and bloody. People are going to vomit. God, are we all frogs in the well? Are we all like fools ruled by Aristotle's geocentric truth more than a thousand years ago?

The blood Phoenix's wings spread out and collided with the giant earthworm.

"Ah! "Black mountain old demon screams. I saw the giant earthworm was beaten by the blood Phoenix, and the flesh splashed. It was terrible. The black blood rolled out, and the mouth of the blood had already lost its shape. But at this time, Yan Ling just reaction come over, this big insect is two. Another big insect has already attacked the swallow spirit.

It's too late.

Is Yanling going to be swallowed alive? The crowd exclaimed. Yan Ling is not scared. She has seen so many things like this. Even if she is swallowed alive, she is ready to use the magic sword to kill the earthworm. As an exorcist, she has already ignored death.

As soon as Yang Yu saw it, he got up in a hurry and bumped into it. At the moment when giant earthworm swallowed Yan Ling, he collided with giant earthworm's body. The black mountain old demon didn't expect that Yang Yu's strength would be so big, and the big insect was immediately hit and deviated.

But the insect is still too big. Even if it deviates from the direction, the corner of its mouth still partially hits Yan Ling. When Yan lingdun's sword lands, his body is hit and flies. When it lands, it's ten meters away, and his ribs are broken immediately. It's extremely painful and he can't get up.

"You will be my meal. ha-ha. "Not far away, uncle Heishan cried out with pride. One foot has been retracted, is already bloody, toes have gone, leaving some white bones, stick to the meat, look disgusting.

As soon as Yang Yu saw the situation, it was bad. The big bug rushed towards Yan Ling again. Yan Ling squatted on the ground. The Xuanyuan sword was ten meters away, and his chest and abdomen were sore. Let alone avoid this attack, he didn't even have the strength to climb.

"Yan Ling, be careful!" Yang Yu yelled desperately.

The situation is extremely urgent. It's a moment of life and death.

Lin xueru then recovered from the fright and roared: "from Mala Gobi!" Immediately, he raised his pistol and aimed at the old black mountain demon. Without saying a word, he shot at the old black mountain demon.

This move was miscalculated by Uncle Heishan. He forgot that there was Lin xueru's gun. When the bullet came, there was no place to hide. No, even if he could, he would not.

A few times, the bullet hit the chest, another bullet, also burst the head. Black Mountain grandfather's head was directly opened, brain splash, split in two, blood gushing down.

"Ha ha, it's your head." Lin xueru was elated in an instant. But immediately, she had a long face.

Because she found that even if the black mountain grandfather was hit on the head, but still standing, an eye is staring at her, Lin xueru immediately see creepy up, impressively not dead? As soon as pan caier saw that his grandfather had been teased like this, he knew that he was ok, but he had already rushed over to give the girl a look at the police, otherwise he would be thought to be a sick cat? But it was Lin xueru's life-saving guns that gave Yang Yu and Yan Ling some chances.

Yang Yu rushed to pick up the Xuanyuan sword. When the black mountain grandfather came over, he saw that Yang Yu had already raised the sword and chopped the insect. This sword is not light. Yan Ling usually carries it on his back. It's very hard to wave it. Unexpectedly, Yang Yu seems to have picked up a handy weapon and can cut it with more than a blade.

This cut, Yang Yu but make the strength of milk. What I didn't expect was that the sword and Yang Yu were very close to each other. I saw that the red sword was as strong as the wind sweeping the leaves, and it cut the insect into two pieces.

This cut really hurt my grandfather.

One of the giant earthworms was cut back to the ground, and the other could not get back, rolling on the ground, which was pitiful and hated.

Grandpa black mountain is angry.

A roar was deafening. It seems that there are all kinds of insects in the black mountain old demon's

body, itching extremely, clothes all split, the body of the meat suddenly expanded, shaking the earth. When Su Xiaoxiao saw it, he was even green. Does his grandfather want to change his shape?

"Go! "Su Xiaoxiao cried out in a hurry.

The ground shakes even harder and seems to crack. When Pan Caier saw that the situation was not good, once his grandfather changed his shape, he would lose his mind. Su Xiaoxiao is shouting. His grandfather clapped his hand. Su Xiaoxiao was immediately shot to spit blood and tumble.

"Little? "Cried Yang Yu.

"Go, leave me alone. "Su Xiaoxiao's mouth is full of blood. This palm beats her very hard. Her viscera are broken and crumpled into a ball.

Yang Yu is not blind. He is a thousand year old earthworm. This is not true. Just now, the two giant earthworms were just the shape of his feet. Lin Xueru broke his head, but people didn't blink. Just now and now, the earth is shaking, and people with such power are more than demons? It's almost a God.

Looking at the injured Yanling, he Shiyan was seriously injured. He couldn't take care of himself. Lin Xueru, who had run out of bullets, was stupefied. In the dark mountain, I don't know how many other monsters are subject to the old spirit. This place can't stay, otherwise, the whole army will be destroyed.

Yang Yu looks at Su Xiaoxiao's heartrending roar. The old black mountain demon over there is beyond recognition. It has no human form at all. It is still expanding. It's huge, magnificent, disgusting and ugly, but it's still getting bigger.

"Go! "Yang Yu shouts and rushes to Yan Ling. Lin Xueru helplessly props up he Shiyan and rushes to the front.

They didn't dare to look back, but everyone felt that the giant behind was terrible. It was 20 meters high, and his body was wriggling, shaking the sky and the earth. He was chasing after him. For a moment, his mouth was so big that he almost swallowed them alive.

The disgusting mucus has been dripping on Lin Xueru's body, and her face is full of stink. Lin Xueru finally knows what the mucus that she accidentally touched on the wall of Pan Caier's old house is.

Lin Xueru has been crying, running and wiping the smelly liquid on her face. She has never been so disgusted or wronged.

Yan Ling's rib is broken. He pinches his rib with one hand and bears the pain. It's bleeding. It can't last long. He Shiyan is weak to faint, her heart suddenly hate himself, dead or not, implicated everyone, but still put Ning Caichen dead in the heart.

The horizon is far away. I don't know where the exit is. There's no hope. I can't run and I'm tired. But the

monster is still behind. No, it's still on everyone's head. This time, the big mouth of blood pounces again. It's the big mouth of six heads pounces together.

No place to hide, no strength to hide.

Yang Yu everyone is already the belly of earthworms, sheep into the tiger's mouth, where there is life ah?

They didn't even have the courage to struggle to death. They huddled and cried.

What a disgusting mouth! The mucus surged down and stuck to the people's faces. The big mouth had covered them and swallowed them.

It's a near death.

Yin and yang are just in a moment.

"Hello, Yang Yu? I'm Wu Jie. Do you have time, I'll treat you to dinner? " Someone on the other end of the line asked.

"Wu Jie? Who is it? " Yang Yu then called, sighing that he was a stranger, and he didn't know who he was. He was climbing relationships everywhere. These days, Yang Yu's mobile phone has been knocked out.

Because Yang Yu got rich overnight. This is not, this Wu Jie has not contacted for hundreds of years, do not know how to come out, where to get his mobile phone number.

It has to start with the marketing event of Chen Yong. Chen Yong's marketing event really brought the Internet's capabilities into full play. All the 36 strategies have been put into practice. From newspapers, journalists, microblogs and portal news, the food safety issue has been pushed to a climax all of a sudden, and the food safety problems revealed, such as gutter oil, hot pot, pesticide vegetables, fake pigs, clenbuterol, beverage hormone, fruit ripening agent, waxing, genetically modified food, etc., all of which can find a breakthrough, especially pesticide vegetables, genetically modified food Genetic vegetables and mutated vegetables are even more important, and food safety issues instantly hit the headlines.

Under the flood of netizens' operation and coaxing, the more the spearhead is, the more wrong it is. Finally, it is directed at businesses and health bureaus.

At this time, the health bureau can't sit still, refuting rumors, testing, just want to calm down the

incident, but the waves are already up, where is so easy?

Chen Yong also made a move to publicize which brand of food can be safely eaten? So, Yang Yu's Chunyu green food brand was brought out together with a big wave of well-known famous brands, which had already been very popular. Wow ha ha, Nongfu Shanquan, keep pace with each other.

Chen Yong is smart. He doesn't say what the pure feather green food sells, what scale it is, and when it was founded. He avoids all of these. He just wants to make a brand, just like the original "Liqun" advertisement. After watching it for a long time, he doesn't know what this guy is, but it's famous.

The emergence of new things, for example, was followed by doubts. Chen Yong had already made plans. At this time, people from the health bureau came forward and specially tested Yang Yu's vegetables in all aspects. The results of the report were exposed and publicized on the Internet.

As a result, someone tried it. It tasted great.

Yang Yu's food brand has been completely established. The market price of this brand and Yang Yu's value have soared overnight. Chen Yong's orders have soared, and the supply exceeds the demand.

Yang Yu could not sit still at this time. He hastened to grow vegetables crazily. He called on the villagers and encouraged them to collect a variety of vegetables besides rice. Now, the whole village is working for Yang Yu.

Kill two birds with one stone.

"When I became a boss, I forgot everything. I was your classmate in primary school. I used to bully you at that time. Do you remember?" Phone that end very gently said.

Yang Yu had a name at this time, but he didn't even remember his parents. He had to deal with it and said that he was in the countryside. If he went back to the city, he would contact him again.

The phone rang again as soon as it hung up.

On this day, Yang Yu took care to answer the phone.

It's Mr. Qin who called this time. Yang Yu has to answer this call and still owes people 100000 yuan.

"Well, you've developed! Ha ha Said Lord Qin.

"It's not Lord Qin who covers me. I'm afraid I can't pay back the money." Yang Yu, it's true. Now the money is not enough. We have to invest twice. This is the first round. We didn't make much money in this sale.

"Why do you remember that little money?" Qin Ye phone there smile, continue to say: "a few days is my

daughter's birthday, free to come?"

Yang Yu is a little hesitant. It's reasonable for him to go to the banquet of Lord Qin, but Yang Yu has no interest in it. To put it bluntly, maybe it's all the people from the upper class who drink together and communicate with each other, but Yang Yu has to get to know these people.

"There will be people from the political and business circles who will be introduced to you at that time." Said Lord Qin.

Yang Yu listened and naturally agreed.

Lin WeiMiao's twins have already gone back, and her second sister has also come back. But she is the general manager of the cold storage workshop outside the mountain. She is in charge of them and lives there. She will come back every three to five.

Lin xueru also went back. She couldn't write this report, and no one wrote a letter. It's impossible to send special forces. What should we do? Yang Yu had no choice but to send her back first, saying that it was necessary to tie the bell. The police couldn't help this. They had to find people in the "river lake" to solve it. Naturally, the "river lake" people refer to the exorcism family.

As for he Shiyan, the doctor said it would only take a week to die, but now a week later, she is still alive. It's a miracle. The miracle is still going on. As long as she has the will to survive, there is still hope for everything.

Now in retrospect, Yang Yu did not even know how a group of people escaped.

All I know is that Yang Yu's left hand suddenly feels sharp pain when he swallows the blood in his mouth. In the dark mouth of the insect, it suddenly mutates. The black mark on the palm of his hand starts to melt. Finally, the whole left hand feels burning. It directly burns the big mouth and shrinks back. All the people take the opportunity to escape. In this scene, besides Lin xueru, Yan Ling and Yang Yu are the only ones He Shiyan is in the eye. Yanling's injury is recovering. Everything is fine. Yang Yu must go to have a look.

This is Yang Yu's first visit to Yanling. This place is arranged by the Christian organization of the village. Naturally, the people living in this house believe in Christ. It's very clean and the house is new. It was built after the establishment of the new church. The purpose is to facilitate the living of Christ or sacred tree from outside.

Yanling's room is very simple. Originally, she had nothing. It's just that Yang Yu didn't expect anything about Christ except hanging a cross, such as posters. That cross is with the Cape, can carry on the back, of course, now Yang Yu know the use, in fact, that is inserted Xuanyuan sword.

"How's it going? Is the injury better? " It's really good luck to see Yanling survive.

"It's OK. I'm going to die." Yan Ling leaned up a little, and his face was much better. It was estimated that it would be better after a while. Looking at Yang Yu's look, he said with a smile, "you must have something to do with me?"

"Can't I just look at you?" There are too many doubts in Yang Yu's heart. He knows that Yan Ling must know a lot of things. But he didn't ask. When Yan Ling wanted to say it, he would say it naturally.

When looking at the painting before going to bed, Yang Yu will have a lot of questions in his mind, such as:

who was his previous life? Can it be Ning caichen?

How is Su Xiaoxiao now? Was he imprisoned by Uncle Heishan?

What's su Xiaoxiao's identity? Ghost? Demon?

I heard that the Holy tree, the treasure of the church, could keep all the darkness out of the village, so why didn't pancaire destroy it by himself?

On the first day when he entered the village, the old black mountain demon was staring at him? Why didn't he just eat me then?

Why can Yan Ling and himself improve his skill for 500 years?

What's the matter with your hands? Does it have anything to do with Judas? Does it have anything to do with the death of Jesus?

If Yan Ling is the descendant of Yan Chixia, she should have known a lot. Why don't she tell herself?

Is it the mummy of Heishan? Can't he go down the mountain?

There are too many questions.

"I know you have a lot of questions to ask me, and I do hide a lot from you. Maybe it's time to tell you." Yan Ling moved his body and tried to make himself comfortable. Yang Yu also sat beside her.

Yanling began to tell Yang Yu something.

It turns out that this millennium earthworm essence was originally a small earthworm under the root of Granny black mountain. It accumulated over time and was also influenced by granny Black Mountain's essence, so it was cultivated into essence. After being killed by Yan Chixia, grandma of black hill has dispersed her essence, and the earthworm essence has also been separated from the original power. It has been practicing for the past five hundred years to absorb the essence of human beings, and its strength has become more and more powerful.

However, Heishan's grandfather can't go down the mountain with a prototype because of the blessing of the Holy tree, but he can disguise himself as a human being. Some people, such as Zhang renpi and pan caier, are under his control. In fact, pan caier and his followers seduced and sucked up so many mummies found in Houshan.

"Why did he stare at me from the very beginning? I doubt that there is someone behind the black mountain grandfather." Yang Yu put in his mouth. It was just his feeling.

Yan Ling frowned. She really didn't think it was possible: "Uncle Heishan is a thousand year old goblin. Who can control him?"

"Tell me about me. What's the matter with the mark on my palm?" Yang Yu is most concerned about his own life.

Yan Ling knew that some things could not be concealed from Yang Yu, so he had to say: "our Lord is a natural Exorcist. He passed all the exorcism ability to Judas, but Judas betrayed him. Judas sealed his exorcism ability in the thirty gold coins before he died, and the pattern on your hand is the key to open the seal. You are the chosen Exorcist

"What did you say? Am I an exorcist? " Yang Yu thinks it's funny, but he can't laugh.

"Yes. You should feel it yourself. Can you see something that ordinary people can't see? " Yan Ling asked.

Yang Yu's face suddenly turns blue. From Xiao Xi's dream, the exorcism of mother-in-law Tianyan, the ghost of psychic medium, and even the ghost of ghost house, he does see something that others can't see.

"In fact, the exorcism power in your body is very powerful and evil. You are born with it. Someone opened the door for you, but it was sealed again. I don't know what happened." This is the only strange thing about Yanling.

"The door? What door? " Yang Yu asks curiously.

"The ninth gate, and the last gate to hell." Yan Ling answered.

Yang Yu's face was black again.

The summer vacation is half over.

July and August are the hottest and hottest seasons.

Yang Yu is in the office of the village committee. There are so many visitors, most of them just come to say hello. This is not, just sent away people, Yang Yu to lock the door, want to quiet down, someone came again. Yang Yu had to open the door.

"Meilian? "Yang Yu didn't expect that. This Meilian teacher is vain and hypocritical. She gambled with Yang Yu twice and lost. She played all the rascals. If she got angry with Yang Yu, she would never bet with this villain again.

Meilian is the youngest of all the teachers in the school, but she is young and has the lowest educational background. She is a teacher by the back door. She is not a good teacher. She is not a good teacher. At the same time, the girl likes to tell jokes. In the office, it's a kind of coquettish. Although she's coquettish, she's very beautiful. Except Leng Xiaoxue and Li Ruoshui, she's the most beautiful.

Meilian is still a money worshiper. Although she works in the countryside and lives in the countryside, her life is no worse than that of city dwellers.

Yang Yu looks at Meilian. In the scorching summer, she is wearing a very thin, ultra short skirt, which only covers her buttocks. Her thighs are all exposed, white and tender. It shows that Yang Yu is a pimple.

"Why don't you invite me in?" Meilian leans against the door, and her father says that her eyes are still generating electricity to Yang Yu.

Yang Yu had no choice but to ask her to enter the door. She wanted to open it, but she took the initiative to lock it.

"It's still a month before you leave school. How can you find me?" Yang Yu thought, what can she do? He sat back in his chair and pretended to be busy.

Meilian had nothing to do when she came here, but Yang Yu suddenly became a rich man. It had spread in the village. They all said that she had tens of millions of wealth. When there was such a person in the village, Meilian didn't rush to give up her arms. In fact, Meilian called Yang Yu several times in private, and even added wechat, but Yang Yu didn't want to be such a rotten bird.

"Isn't there a teacher title selection at the beginning of school? Look at me, "Meilian said casually. With that, he moved toward Yang Yu and leaned against the edge of Yang Yu's desk. Because Yang Yu is sitting on the chair, while Meilian is sitting on the desk. When she sits, her legs open. NIMA, the skirt that was too short to cover anything. A pair of white underwear is completely exposed in front of Yang Yu, and there is a groove in the middle of the underwear. On both sides of the underpants There were still some black hairs.

This ecstatic posture, Meilian of course, is deliberately made.

"I think your ability may be" Yang Yu is now the headmaster. He has little power, but the mountain is high and the emperor is far away. He is a local emperor.

Suddenly, Meilian sat down on Yang Yu and put her arms around Yang Yu's neck. She said coquettishly, "headmaster Yang." Meilian's father said with her eyes twinkling. The milk was shaking in front of Yang Yu's chest.

"Are you seducing me? Or sexual bribery?" Yang Yu pushed Meilian's clavicle with his index finger.

"Headmaster Yang, look at what you said. People like you. There is no bribe. ha-ha." Meilian also pretends to be shy.

"Pull it down. Forget about the title." Yang Yu shook his head and said with a bitter smile, "when do you want to sit on my lap? "

Meilian pouted her lips and said with a smile, "it seems that I still owe you two bets. Do you want to come back? "

Yang Yu was surprised. NIMA, now that I am the headmaster and rich, do you remember to gamble? Do you know what to do? Man is NIMA's snob.

"No, I'm not interested in you who are such a bitch." Yang Yu said that he was not interested.

Meilian's face turned blue after hearing this, and she was very angry.

"You're a bitch. Who asked you, huh." With that, Meilian stamped her feet in anger. She was scolded as a whore and got up straight away. She wanted to slap Yang Yu, but she turned around and left. She was insulted for the first time in her life.

But as soon as he got to the door, he was about to open the door when Yang Yu said:

"this assessment of teachers' professional titles is not only about that, but also about the examination of teachers' qualifications." Yang Yu said calmly. Yang Yu knows very well that Meilian's teacher qualification certificate is not qualified. It's because of this relationship that she became a teacher. But now the policy has changed. Teachers need a qualification certificate, and there are also years. Meilian's teacher qualification obviously does not meet the requirements, and has not brought good results.

Now that Yang Yu has become the principal, she can not be wanted, or even employed as a contract worker.

After listening to this, Meilian stopped her hand which was about to unlock the lock again. She was out of breath. After a long pause, she turned around again. She didn't look angry at all. Instead, she laughed

and said:

"principal Yang won't"

in the middle of her words, Meilian came back and leaned against the edge of the table, saying:

"principal Yang has a lot of money. She gambled before It's my fault. Otherwise, I'll be president Yang. "

after listening to this, Yang Yu smiles coldly. Although Meilian is not a good teacher, there is a shortage of people in the school. The number of people in the school is very limited. Of course, it is impossible to let Meilian go. He just deliberately scares her and makes her unhappy."Do you think I still believe you? Can't I fall three times in the same place? ha-ha. "Yang Yu said helplessly.

"Well. Brother Yang, I'm really wrong. Please forgive me. I really want to be a good teacher. You touch my heart, this time I really don't cheat. "With that, Meilian sits on Yang Yu's leg and grabs Yang Yu's hand to touch her chest.

But this is not to let Yang Yu touch his heart. He is totally touching his milk. The milk is only separated by a thin garment, and the bra is not worn. It's just like touching a milk.

"I don't even have a bra, and I'm not a jerk? "Yang Yu is not nervous. He wants to kill Meilian.

"Who wears that thing on such a hot day. "Meilian said with a wink.

"Oh. "Yang Yu deliberately let out a long voice, then looked down at Meilian's thigh, which was really good, and said," then you can't even wear your underwear. "

" look what my brother said, it's not that I've been seen all. "Said Yang Yu.

"Aren't you a bitch? What's the matter with being looked at? "Yang Yu is going to belittle her in a low way and make you proud? You have to be a prototype.

Meilian was obviously uncomfortable when she heard the word "bitch", but she could do something about it. She said with a forced smile, "that's not good. If you want to see it, you can only show it to brother Yang. "Then Meilian stretched out her hand and put her finger on Yang Yu's mouth, which was very provocative.

"Yes? "Yang Yu said, lowered his head, touched Meilian's leg, and said with a smile," you should pay back the previous two debts first. "

" Oh. I've come to return it to you. "Meilian looked innocent and stood up slowly.

Just when Yang Yu and Meilian are happy, suddenly, the door is opened.

Isn't the door locked? How can I drive? This door was opened when Meilian left just now. She forgot to lock it back.

Outside stood a woman: Leng Xiaoxue.

Yang Yu is anxious on the spot. Meilian doesn't seem to know about it, but Leng Xiaoxue has come over.

But for the desk blocking the view, Leng Xiaoxue would have seen it.

Yang Yu, quick witted, forced forward to push Meilian to the desk, and then his body close to the edge of the table, his hands in front of his chest. But seeing Meilian's underpants still on the table, she quickly reached for them.

Meilian also wondered what was going on. As soon as she was about to speak, she found that Leng Xiaoxue spoke first: "am I so terrible again? See me nervous like this? "

Leng Xiaoxue couldn't see a woman under the desk.

Yang Yu knows what Leng Xiaoxue can do to find herself? It must be about the thirty gold coins. But every time Yang Yu is perfunctory and send her, it's not that he doesn't like Leng Xiaoxue, the queen of ice and snow, but that it's too ridiculous.

This time, Yang Yu didn't wait for the opposite side to open his mouth and said, "I went to Houshan to look for gold coins. I don't feel like I'm there, but this time, I promise you, I'll look for them with my heart."

Yang Yu is telling the truth. When he was helpless and unable to protect women that night, Yang Yu suddenly longed for strength. According to Yan Ling, thirty gold coins sealed the original exorcism power of Jesus, and the mark on his palm was the key to unseal. Can he not find it? It's killing two birds with one stone.

"Really?" Leng Xiaoxue found that Yang Yu was not perfunctory for the first time. She was so serious and said, "are you so hot? The forehead is covered with sweat. What are you doing? "

With that, Leng Xiaoxue moved forward a few steps and got closer. Yang Yu was worried. Leng Xiaoxue was so high that it was easy to see Meilian's head. He quickly stopped and said, "I promise you that I will find gold coins and marry you. I still have a lot of documents to approve..."

Yang Yu quickly took out the documents on the desk, pretending to be very serious. When Leng Xiaoxue saw her, she said, "take me with you next time. I'll go first

See cold Xiao snow out of the door, also conveniently took the door. Meilian said, "I'm so relieved. I look

down and vomit."

She was about to ride on Yang Yu when NIMA opened the door for the second time.

There is a village woman standing outside. Now, the desk doesn't block the view.

The village woman was blind at the sight of spring.

Yang Yu is sitting in a chair, leaning back against the wall, and her trousers are off her ankles, while Meilian is hanging in the air, rolling up her skirt.

They turned around at the same time, looking at the village woman awkwardly.

It's an embarrassing scene.

"Sorry, I didn't know you were..." The village woman was still witty and quickly closed the door.

Yang Yu looks at Meilian, and Meilian looks at Yang Yu. Suddenly, Meilian gets upset and says, "I'm so ashamed. I've been seen by sister Xu. Ouch, my family is very familiar with her. I'm so ashamed now. Woo

"Nothing." Yang Yu's heart is full of joy. He is a man. What's the shame of making a woman? Anyway, it's Meilian who loses face.

"Of course you're OK. Hum! I'll pay the debt another day. Sister Xu is still outside. She's disgraced and dead. " Meilian's mind that worry ah, at ordinary times, in front of their elders are very lady, very pure, all of a sudden, the image is gone.

Meilian rushed to get her underwear and was ready to leave. But who knows, Yang Yu put away his underwear and said, "this thing will be paid to you next time. Now it's here first."

"Headmaster Yang, my skirt is so short and I don't wear underpants. How can I get out? I was seen by men." Meilian begged for mercy.

"Who let you not pay off the debt, you always have to leave something as collateral." Yang Yu put his underpants in the drawer and put them back on.

"Ouch." Meilian coquetry sentence, no way, had to wear a skirt, no underwear, to open the door.

As a result, they met sister-in-law Feng at the door. They looked at each other and laughed. The embarrassed, embarrassed Meilian didn't dare to say hello. She managed to squeeze out a smile and ran away.

I didn't think of this girl. Xu's sister-in-law learned to be good this time and quietly went to the door. She

didn't go in until Yang Yu called in.

"What's the matter with Mrs. Xu?" Yang Yu pretended to be looking at the documents. When what happened just now did not happen, he asked straight to the point. After all, it's late now and he almost has to go back.

Yang Yu looked up and looked at sister Lin. NIMA, it's too much to call her sister-in-law. She should be called sister Xu.

It is said that there are three beautiful young women in Yunv village, Lin Yiyi, Xu Qing and Yang manling. Yang Yu has only done one job, Lin Yiyi. At the first sight, Yang Yu was shocked. The village woman's surname is Xu. Is she Xu Qing?

This young woman, Xu Qing, is so damned feminine and tolerant. The more she looks, the more beautiful she is. She makes you feel comfortable. If Lin Yiyi is a lady with a good wife and a good mother, then Xu Qing is the temptation of a young woman's wife. This dress is no worse than Meilian who just went out. Even her career line is low. Meilian is not wearing a short skirt, but a long one.

"Village head Yang, please call me sister Xu." Xu Qing said, feel called old, and then continue to say: "I heard you that vegetable land recruitment, can I?".

"You?" Yang Yu was surprised. Xu Qing's appearance was not like a farm worker, but like an expensive young woman. This kind of woman usually stays at home to be a housewife, but after all, it's a rural area. Who doesn't go up and down the mountain?

"Can't I?" Xu Qing asked in disappointment.

"I usually recruit men because it's hard and I don't have much money." Yang Yu lied. Since Yang Yu made a fortune and wanted to recruit workers in the vegetable field, too many people came to apply for jobs in this village.

Therefore, this quota must be for those who are hardworking and have a difficult family. But sister Xu is not like someone who meets the requirements.

"I've just had a baby and I have to earn some pocket money for it. I can't go to the city. So Xu Qing's heart is another concern, now to find Yang Yu must have asked for him, just Meilian to find, must be the same, but just saw Meilian riding on Yang village head, Xu Qing thought: do you have to sell the body?"

Although they are beauties, Yang Yu still insists on this principle. There is no good excuse to refuse, so he just joked and said, "you just saw Meilian. She asked me to go to school. You can see what she did, if you also..."

"Hooligans!" Before Yang Yu's words were finished, sister-in-law Xu scolded, turned around and walked away. As a result, Xu Qing just went down the stairs and ran into another person, who was originally Han

Sao.

The anger is still very big, Yang Yu mutters, is preparing to take care of things, found Han Sao came in.

Yang Yu was afraid when he saw Han's sister-in-law. Han's sister-in-law was so hungry and thirsty that she used to run through her house and seduce Yang Yu to tickle her. But Yang Yu was really afraid. Later, she didn't run through her house in the morning.

"Sister Han, why are you here?" Yang Yu asked in a hurry. Today, Yang Yu is really bored to death by these people. All of them come to work for themselves, or to recruit workers, or to make connections. It seems that all of a sudden, Yang Yu has become a superior local emperor.

"Can't my sister-in-law come?" Han Sao quickly locked the door and said with a smile, "I heard that you are hiring?"

But Yang Yu's refusal hasn't come out yet. Han's sister-in-law starts to take off her pants.

"Sister Han, why are you taking off your pants?" Yang Yu is flustered. Every time Han Sao meets her, she wants to take advantage of herself. If the door is locked, will she rape herself?

At this time, there is someone eavesdropping outside the door. The eavesdropper is Xu Qing. She is curious about how other people ask for help.

Han's sister-in-law not only took off her trousers, but also her clothes. She was naked and said, "you haven't done your sister-in-law once. How about doing your sister-in-law once?"

Yang Yu said, where can she run away from the room? Ran a bend, to the door that, want to escape, can be Han sister-in-law to catch up, had to hide in the corner behind the door.

Without saying a word, sister Han knelt down and pulled off Yang Yu's trousers.

Yang Yu is in a hurry and wants to push her away.

But Han's sister-in-law is plump and strong.

Xu Qing, who was separated by one door, listened to the hot inside of her heart outside, and the taste was very strange.

"Sister Han, you are so hungry and thirsty, why don't you find your husband?" "I like the small one," Yang said Yang Yu finds an excuse for her. It's impossible for Han Sao to do it anyway. Time will not spare people.

"You're so light, my sister-in-law. I'll introduce my daughter to you. Would you please my sister-in-law once?" Han Sao really has no bottom line. She is dizzy by the fire. Can she say this kind of immoral

words?

Yang Yu was shocked.

Han's daughter has reached the age of 14 and will be studying in the second year of junior high school next semester. Yang Yu has seen her in PE class several times, and her daughter is really different from her.

Han's sister-in-law is plump, broad-minded, grumpy, forthright. She just farts like a shrew. But her daughter is quite different. She has a short stature, thin bones, delicate skin, beautiful face, and the appearance of a standard Jiangnan beauty embryo. She really doesn't look like her mother.

When Yang Yu heard this, he was touched. He heard that her daughter was also a difficult master, but she only listened to her mother. It's not that Yang Yu wants to soak up her daughter, but that Yang Yu has a special liking for this kind of little loli. It's more in line with Yang Yu's taste. It's still fresh in my memory to do little loli like Xiaomei. If I have the chance to do sister Han's little daughter, I'll have a lot of fun.

"How can sister Han introduce herself?" Yang Yu asked. But sister Han has a lot of strength. She can really help the vegetable field.

"You know, pretend to be stupid. Then I'll give you a night's sleep." Han's sister-in-law is also bad, said: "but you have to first dry sister-in-law."

Xu Qing listened outside the door and got goose bumps. Unexpectedly, Han's sister-in-law was so generous that she offered her daughter. No wonder the vegetable land was robbed. Ah, Xu Qing sighed and continued to eavesdrop.

Xu Qing is eavesdropping outside, his face is red.

At this time, a man appeared in the corridor. He saw a woman lying outside the door eavesdropping and said, "sister Xu Qing? Do you want to talk to the village head? "

Xu Qing was startled. She turned her head and saw that it was Li ruorong's sister. She was so embarrassed that she had to say, "no, no, I've found it. I'm going back." With that, Xu Qing left awkwardly.

Li ruorong and Zou frowned, puzzled, thinking: is Yang Yu still in it? What are you eavesdropping on? Curious, Li ruorong went forward to check.

If Yang Yu knew that Li ruorong was approaching himself now, he would surely have jumped out of his heart. Yang Yu is really not afraid of anyone, but Li ruorong is still afraid. Even now that someone has become his girlfriend, he has to listen to her and follow her.

I can't help it. They are real goddesses.

Li ruorong was about to open the door when the door opened and Han Sao came out.

Han's sister-in-law was also shocked when she met Li ruorong standing outside the door, but she immediately calmed down and said with a smile, "you've come to see the village head, too. I've finished my work and I'm going back to chat with you."

Yang Yu has been scared pale, fortunately this Han sister-in-law witty.

"What are you doing in there?" Li asked? What can I do for you, sister Han? "

Yang Yu quickly blocked the pool of honey on his desk with his body. He was welcomed by the people and said, "well, I'm all right. Let's take you home."

"Take me home? So good, aren't you afraid my sister saw it? " Li ruorong joked that Yang Yu was afraid that his affairs would be discovered by Ruoshui.

Yang Yu giggled. How can he not be afraid? Of course.

"It's not necessary to send me back, but if you really treat me as a girlfriend, you come to my room later in the evening, and you climb up from the back." Li said and left.

Yang Yu Leng is there. Is sister Rong itching?

You know, sister Rong has just been budding once, and she hasn't done it since she broke up. Neither of them has taken the initiative to do it, but it doesn't look like a relationship.

It's just that Li ruorong's words are very gentle, which is beyond Yang Yu's expectation. Li ruorong is a very powerful woman and a feminist. She seldom talks like this in front of men. Even in front of Yang Yu, she also wants to occupy a dominant position.

"It's all my girlfriends, so you should be able to do it openly? Why do I flinch? " Yang Yu said to himself.

Home, after dinner.

Yang Yu and his cousin went to see he Shiyan. Unexpectedly, she was in good spirits. However, people like her should be very afraid of going to bed, because they fell asleep tonight, but they don't know if they can open their eyes tomorrow morning. He Shiyan is still joking about death.

At about a quarter past nine, Yang Yu got up quietly and was ready to find his girlfriend Li Ruo Rong.

This summer, we sleep late.

Yang Ruoyu had a natural experience in climbing the window this time. Li ruorong is on the second floor. She only turns on the table lamp. Her parents are on the first floor, and her sister and sister are on the third floor. The opposite room is empty, which is reserved for sleeping when guests come. Therefore, the second floor is very safe.

After Yang Yu stealthily climbs in from the window, Li ruorong is reading a novel in bed in a sexy nightgown. When Yang Yu climbs in, he doesn't show any special welcome. Last time I climbed, I was almost found by my girlfriend Ruoshui.

When Yang Yu came here this time, he didn't say much, so he jumped on the bed and was ready to kiss Li ruorong. But Li ruorong pushed it away and said, "what are you doing? A hungry look. Is it disgusting? "

Nima? Didn't you call me here to do your job? Yang Yu stares big eyes, a face of doubt. Why are you said to be thirsty? Is Yang Yu not angry? Yang Yu kisses her again, but Li ruorong pushes Yang Yu away again and says impatiently, "I'm reading a novel. I know what I'm doing when I'm a lower body animal. Are there few women in the village who have been fooled by you? "

Yang Yu was embarrassed and scratched his head, so he had to stop and sit beside the bed with a sad face. Li ruorong's bed is a low bed, which is only 20cm away from the ground, so it's very comfortable to sit on it.

Seeing Yang Yu's appearance, Li ruorong laughed in her heart, but she didn't forgive him. She continued to scold: "it's like a male dog. When she sees a woman, she wants to go up. Is it disgraceful? "

" shame is shame, but you are my girlfriend "Yang Yu's words were just half said. He found that one of his mouths was sealed. He found that it was Li ruorong's mouth.

Yang Yu was surprised. The contrast was so great that he didn't react at all. However, he found that Li ruorong had become a female dog and directly pressed himself. As soon as Yang Yu lay down, Li ruorong rode on Yang Yu.

Li ruorong is a goddess, a real goddess.

But now, this goddess, is riding on Yang Yu's body, the goddess's expression has become more lovely, cold and arrogant with charming, noble with beg for mercy.

Qin Shu and her 22nd birthday.

Lord Qin is going to hold a grand banquet for the only daughter he loves. His main purpose is to find a son-in-law. Although Qin Shu has a high vision and disdains such a way, she has to deal with it if her father wants to.

People in the upper class often hold such banquets to promote communication. Yang Yu was also invited. Although Qin Shu is not interested in Yang Yu, Yang Yu is also not interested in Qin Shu, but Qin ye still wants to make up for them.

Yang Yu also knows that he must take a female companion. Even if Lord Qin is upset, if he doesn't, he may be more embarrassed.

Who can I take? Yang Yu's first thought is of course his nominal girlfriend Li Ruoshui. Li Ruoshui's temperament, appearance and personality match him best. The second one I think of is Li ruorong.

But Li ruorong is too sexy and charming. When she goes to this kind of occasion, she is afraid that she will never come back and make a mess of herself. The third thing she thinks about is Su Xinqi. Su Xinqi is a tender model, and her appearance and temperament are OK. Maybe the society has been climbing more and more, and she always feels less pure, elegant and insufficient. She can only be a little woman.

Finally, Yang Yu decided to take her cousin. One of the main reasons is that Mr. Qin will introduce himself to some people from business and officialdom this time, and his future business cousin will manage a large part of them, so he can get to know them.

"I'll go? I've never been to a party like this. " Cousin Li Yuanxi is not used to facing so many strangers.

"I'm here. I'm afraid of something. I'm just going to have fun, watch movies, go shopping and so on. And I've got a little money recently. I'll sell you some presents. " Yang Yu said with a smile, at least in mind is so calculated.

Li Yaxi thought about it. He didn't go out to play for a long time. He was busy with the food and agreed.

The banquet was held in the evening. Yang Yu went to the store to buy new clothes for it. Of course, after her cousin put them on, her beauty exploded.

Mr. Qin's apartment is full of lights, and even a red light is arranged around the edge of the apartment, which is even more brilliant.

Lord Qin greets Yang Yu at the door in person. When he meets Yang Yu, he is stunned. This beautiful woman is impeccable in temperament, appearance and demeanor. She is not inferior to her daughter in any way. Moreover, she is beautiful, pure and refined. In this point, even Qin Shu can't compare with her.

"Who is this?" Lord Qin asked in a hurry.

"My..." Yang Yu has already thought about it. He says it's my girlfriend. But when I was half way through, my cousin broke in first:

"you must be Mr. Qin. I often hear my cousin talk about it. Thank you for taking care of my silly brother."

I grinned. Yang Yu glances at her cousin and gets angry.

"Ha ha." Lord Qin said that she was Yang Yu's cousin. However, she was not only beautiful but also cultivated. He thought that she was a good woman.

After Yang Yu was invited in, all of a sudden two people's focus.

The hall of the apartment was reorganized. There was a lot of space, with food and drink on both sides and servant service. The servant Yang Yu was frightened. He was all dressed in a rabbit suit. He was very barefaced. He was very good-looking. He was all 18 years old. At a glance, he knew which nightclubs or singing halls had invited him. It was estimated that they were all friends.

What do we know about the Party of the upper class?

Yang Yu thinks that he is the focus, but he is wrong. The focus is his cousin. Unexpectedly, as soon as I entered the room, I immediately cast a group of strange eyes.

Yang Yu also learned from them and took a glass of red wine. When he saw someone coming to say hello, he took a bite, though he didn't know who these people were.

Yang Yu, the deputy director of the Bureau of health, said that there were too many vegetables to make fun of. Yang Yu, the president of the rural credit cooperatives of a county, knows that he has made a million yuan loan. He also teases Yang Yu and says that he still needs money to find me. There are also a few business people.

Yang Yu also remembers that these people are very important. He will often deal with them in the future. When things go wrong, he has to ask these people for help. He must make a good relationship, even if he is perfunctory, he should be perfunctory and beautiful.

However, Yang Yu put more attention on the other party's female companion, at a glance, you can see that sincerity is not a wife, it is estimated that they are all social flower.

And each of these socialites wanted to eat Yang Yu. Staring at him, Yang Yu was numb.

The appearance of the birthday cake and Qin Shuhe ignited the whole party in a flash.

When Qin Shuhe came down from the second floor, she was really beautiful. She was dressed in a long

skirt, like a princess, with servants at the back. With Qin Shuhe's temperament, she was really a princess.

"Wow, it's beautiful. She's what you call Qin Shuhe. She's so beautiful. Why don't you go after her?" Li Yuanxi secretly said in Yang Yu's ear.

"Yes, it's so beautiful. Which man doesn't like it, but my cousin is the most beautiful, and I have someone in my heart." Yang Yu said, looking at her cousin.

"Oh? Who is it? "If it's water?" Li Yaxi asked.

Yang Yu put his ear together and said softly, "it's cousin you." "You know you're joking, and your cousin won't marry you." Li Yaxi was very happy, but he didn't admit it.

This kind of banquet makes Yang Yu uncomfortable, especially the atmosphere inside, which is always full of luxury and erosion. However, my cousin talked with Qin Shuhe like old friends at first sight. She was very happy and put Yang Yu aside.

So Yang Yu had to go out for a walk and take a breath.

Mr. Qin's apartment is surrounded by a large area, with a garden and a swimming pool. It's just strange that this party is not opened by the swimming pool. Maybe it's too conspicuous.

Yang Yu found a folding chair beside the swimming pool to lie down and blow the wind.

It's noisy in the apartment, but it's very quiet here. The breeze is very comfortable.

"Hello! Handsome boy, come down and swim together. " Suddenly, someone called. Yang Yu looks around and finds a woman in a bikini lying on the Bank of the water, looking at Yang Yu with her head tilted.

Yang Yu thinks that it's impolite to pick up girls in other people's homes. What if it's a woman of a high official who doesn't want to die?

"Who are you?" Yang Yu asked.

Who knows, the woman got up from the water, walked past, the figure is really great, see Yang Yu drooling ah, nosebleed ah.

This bikini is made for her. The lines, the forward and backward, the eyes, the drops, and the rolling on her belly are so beautiful.

As soon as the beauty came, she threw herself on Yang Yu.

"Come on, beauty." Yang Yu was startled and rushed to push. I'm a gentleman in front of Lord Qin and Qin Shuhe. I can't eat tofu here if I want to.

But the beauty is so soft that it sticks to Yang Yu. She is very coquettish.

"Don't you think people are beautiful?" With that, the beauty was ready to take off her bra.

"No, no..." Yang Yu hurried to stop, but it was too late. The beauty took off her bra and threw it away.

Yang Yu's nose is bleeding.

But just then, I heard my cousin calling for me. Yang Yu is worried. He is misunderstood when he is seen. As soon as Yang Yu made an effort, he got up. Not long after he got up, his cousin appeared at the door.

"Why are you hiding here alone? Are you going out with some girl on the sly? " My cousin said with a smile, looking at the back.

Yang Yu is flustered, the younger sister behind even took off the bra, this still pull clear relation?

"No, no, I just sat down. She took it off herself. I don't even know her." It's better for Yang Yu to tell the truth.

My cousin looked at him suspiciously, a little angry. When Yang Yu saw it, he was in a hurry. He quickly turned around and said, "beauty, please help me explain."

However, there was no one behind.

"Hum!" Li Yuanxi shook her head and left.

Yang Yu looked around the swimming pool. There was really no one. Didn't my cousin see her just now? So I'll call myself up? Yang Yu patted on the forehead. He was so angry that he ran after his cousin.

The party ended very late.

Yang Yu and his cousin couldn't go back, so they had to stay. There are so many vacant rooms in this apartment that two rooms are arranged on the second floor. The room is very well decorated and soundproof. Like living in a five-star hotel, the life of the rich is good.

Although Yang Yu is very sleepy, he still tosses and turns in bed. His cousin is sleeping next door. Yang Yu wants to sleep with her, but he doesn't dare. But when Yang Yu was burning, someone knocked at the

door.

"Who is it?" Yang Yu yelled, thinking: is it cousin? Hastily ran past, opened the door to see, stunned, the door stood a beauty.

"Why are you?" Yang Yu was quite surprised.

Isn't that the woman you met in the swimming pool? She's still wearing a bikini. I look at myself affectionately.

"Why can't it be me? You let me in Said the beauty, leaning against the door.

Yang Yu looks out the corridor. There is no one. Why don't they deliver the goods to the door? What's more, the sound insulation effect is so good. Although it's a little risky, let's put it in first.

"Do you sleep alone or your boyfriend?" Yang Yu asked. Because the people who come here for the party are all in pairs, and it's impossible to come alone. And originally, it was only Lord Qin, Qin Shuhe, and a few nannies and servants, but no one else. That's why Yang Yu asked.

"If I have a boyfriend, I'll come to you?" The beauty said, after entering the room, she became bold, directly fell on the bed, tilted her butt, and turned back and said, "I like bed and man best. My name is Ke'er, and you?"

"My name is Yang Yu." Yang Yu has also walked to the bedside: "I said you..." Before Yang Yu said anything, Ke'er jumped up, put his arms around Yang Yu's neck, put Yang Yu on the bed, and said: "I sleep here tonight, and I like to sleep naked. Will you take it off for me? "

"Good is good, but can you tell me first, what is your relationship with Lord Qin? Are you here for the party? Where's your date? " Can't Yang Yu just be a woman? Still want to ask clear, in case the woman of a high official, can not be good whole.

"I'm Qin Shuhe's friend. Isn't it too much to come to her birthday party?" Beauty said.

This is the answer Yang Yu most wants to hear.

"Hehe, not too much. Why did you come to me?" Isn't that bullshit? Yang Yu asked such a silly question?

"I can't sleep. I miss a man. You are the only man in this apartment. Who can I find if I don't find you?" It's so obvious that people in this city are not as direct as those in the countryside.

Yang Yu is ready to take off his underwear and jump on it. At this time, someone knocks on the door.

Dong, Dong, Dong.

Who would it be? In the middle of the night. Neither cousin nor Qin Shuhe can come. Yang Yu opens the door again. The woman standing outside surprised Yang Yu.

It's really my cousin Li Yuanxi.

"I can't sleep. Can I come to you?" Women need a sense of security when they sleep.

Yang Yu's nosebleed spurted out, the heart way: cousin comes to my this sleep? This is the first time. I was in my hometown before, but I've never been here before. Do you still take the initiative? Does summer come, cousin also want a man?

But there is a woman in the room. How can Yang Yu let her cousin in? Yang Yu really can't laugh or cry, such a good opportunity can't let her cousin in.

"May I go in?" Li Yuanxi blushed and asked awkwardly.

"Not very convenient." Yang Yu touched his head and pretended to be silly, but he was still naked inside. How could he let his cousin in? If you see it, you won't be able to catch up with this cousin in the future.

"What's the inconvenience? Is there a woman in the room?" Li Yuanxi's tentative question is that women are very sensitive.

"No, how can it be? Everyone has gone back. There are no women." Yang Yu said awkwardly.

However, it was too late. My cousin pushed the door in directly.

Yang Yu's face was livid, and he thought: it's over, it's over, what should I do? I don't know.

However, there was no one in the house and no one in the bed.

Yang Yu looked around, found the window looking, thought: can't jump from the second floor, right?

"You see, no one." Yang Yu laughs foolishly, still pondering, but where is he hiding?

Li Yuanxi checked the room once, there is no place to hide, know that he may really want to more, to the bed, said: "I sleep here."

Yang Yu also wondered, cousin is not the third sister, if the third sister goes out, she must sleep with herself, otherwise she will not sleep, but cousin has been alone, how different tonight?

Now it's Yang Yu's turn to panic first. Cousin lying in bed, looking at Yang Yu drooling, flutter or not flutter? Do you want to be a wolf? At last, Yang Yu lay down beside her cousin and watched her sleep.

After turning off the light, the room is still very bright. Although Yang Yu wonders where Ke'er has gone,

his mind is now on his beautiful cousin. "Why don't you look at me like this? Why don't you sleep?" Said, the cousin was red.

"Cousin, you are so beautiful that you never tire of seeing it." Yang Yu said with a smile.

My cousin is close to me. Even if I look at my cousin like this all my life, Yang Yu would like to.

"How many girls have you cheated by your sweet mouth and sweet words?" Li Yuanxi lies on her side, looking at her cousin in front of her. She is so handsome.

"Cousin, I like you." Yang Yu is very serious, and suddenly says it.

After hearing this, Li Yuanxi's heart almost jumped out and her face became more red. She said, "don't talk nonsense. You can't like your cousin. I'm your cousin..."

Li Yuanxi's word "sister" hasn't been spoken yet. He finds that Yang Yu comes over and seals his mouth. Li Yuanxi was immediately shocked. She clung to the sheet with both hands, and her eyes widened. She was at a loss.

Heart thumping straight jump, Ren cousin's tongue into his mouth, although not the first time to kiss with his cousin, but this time, Li Yuanxi a little panic.

See cousin did not cater to their own tongue, Yang Yu did not come hard, but left, panting atmosphere, looking at the eyes of the beautiful fairy cousin.

Li Yuanxi swallowed deeply. Her chest was extremely undulating, but she didn't mean to blame her cousin. Instead, she also looked at her serious cousin in front of her. Their eyes were looking at each other. For a moment, they both got an electric shock.

Li Yuanxi quickly moved away from his vision, because they were too close to each other. If they got an electric shock like this, they would have no resistance. However, Yang Yu was still appreciating the goddess in front of him, ranking first in his heart.

No one can replace the woman, her status in Yang Yu's heart is unique.

Li Yuanxi avoided his cousin's eyes, but his face was still hot. He inadvertently glanced at Yang Yu secretly, which made them inseparable.

This time, the electric shock swept the whole body. Li Yuanxi knew very well that she could not get an electric shock with her cousin, but where could she control the instinct of this creature?

This kiss, two people kiss the burning desire, passion, but in addition to kiss, no one has taken a step closer, this kiss, kiss for a long time.

Finally, the two of them just look at each other face to face and fall asleep.

The most beautiful thing in the world is to simply sleep with the woman you love, but not make love.

In the early morning, the sun came in very early.

Yang Yu wakes up very early. He just wants to see his cousin's beautiful appearance after she falls asleep. When Li Yuanxi woke up, she saw her cousin looking at her, stroking her hair, smiling and saying, "you won't watch it all night, will you?"

"My cousin can't be tired of seeing it all her life." Yang Yu said with a smile, indeed, cousin is the most beautiful, the more comfortable you look at it, the more beautiful you look at it.

After Yang Yu returned to the village, he went to Yanling for the first time, but Li Ruolan was also there. Yang Yu didn't want to hide what happened last night. At least for now, Yanling should be a friend.

Therefore, Yang Yu said all the "dirty things" he had seen or met in the past six months. I met Lin Yina's grandmother from the first night and gave her a black mark. At that time, she had been dead for seven days and didn't care too much. Later, there was a sex slavery case. In her sleep, she always met the dead little Qian. Although it was a dream, it was especially true.

Then, at Li ruorong's party, after drinking, I vaguely felt that I saw Zhou Luoyan, who died. However, it was after waking up. Although I thought it was creepy later, I was drunk after all.

Then there is the exorcism of the soul that mother-in-law Tianyan saw during exorcism, and the exorcism of the soul that mother-in-law Tianyan saw during ghost marriage in the reservoir. However, Yang Yu only mentioned these two things in one stroke, especially the case of mother-in-law Tianyan. She always feels a little strange, but it's not so simple.

And then we met the slut last night. Listen to Qin Shuhe, that Ke'er is her high school classmate. When she went swimming in the river, she drowned.

"So you have Yin and Yang eyes?" Li Ruolan said that Zou frowned, and the strange things happened to Yang Yu were far more than she imagined. Although some things, she had heard before.

"I doubt it, too, but I've never met this before. How can I suddenly..." Yang Yu is very confused, these dirty things are to come to this village just happened.

"Yin Yang eyes are not necessarily born, but also the day after tomorrow. For example, some people may suffer from traffic accidents, experience death and so on. Has anything strange happened on your

way to the village?" Yan Ling asked.

Yang Yu thought about it, shook his head and said, "there were only three people on the road that day. The first one was the guide who took me to the mountain, which was the figure of the old black mountain demon we saw last time. The second one was my colleague Yang Lin, who nearly drowned in swimming. I saved her life. The third one was pan caier. Now we know that she is orange grey butterfly spirit." Yang Yu thinks about it and thinks about it. Only Yang Lin is the most suspicious person. He also thinks about the scene when he saw the movie "the Ninth Gate" when he was having a room with Li ruorong that night, and adds: "Yang Lin is really a very suspicious person. First, she is the daughter of Zhou Luoyan, a water devil. Second, she deliberately set up a trap for me when she was in danger on the first day. Third, maybe she is the same as old Heishan I also have something to do with you, because I saw her shadow when I saw the ninth illustration of the ninth gate. But I was probably blinded at that time. "

After hearing this, Li Ruolan was really surprised. She was not very familiar with Yang Lin, but there were not so many strange things behind her.

Yan Ling's injury has been much better, and it is estimated that he will be cured in the next few days. After listening to Yang Yu's words, he thought for a long time and said: "it seems right. Yin Yang eye is also called the eye of hell. The underworld is connected with hell. To open the eye of hell, we must open the door of hell, which is the ninth door. To the ninth door, we need a Christian ceremony, called washing. Have you ever slept with Yang Lin? "

Yang Yu was a little embarrassed by this question. He couldn't lie about it, so he felt his scalp and said awkwardly:

"once, she took an aphrodisiac by mistake, so..."

"You're so romantic, cheating on my sister and my sister's best friend Li Ruolan glared at Yang Yu angrily and said in his heart: it's so romantic.

"I can't blame that time. It was her..." Yang Yu also wanted to explain, but he had doubts: "but this is not right. Before that, I had seen Lin Yina's grandmother."

"It's not the same. She's waiting for you. When you continue to exorcize, you're the one she chose. These are two separate things. " Yan Ling replied.

After hearing this, Yang Yu felt that it really made sense, because he heard the old woman's words for seven days that night, and finally he was waiting for someone. What's more, the dream of Xiao Xi's ghost in the attic of the school happened after sleeping with Yang Lin.

"But who is Yang Lin?" Yang Yu knows that Yang Lin's true identity has been bothering her all the time. She seems to have many multiple identities, and each identity surprises Yang Yu.

"I don't know, but we can temporarily understand that she is a door. As for where this gate will take you, I don't know. It may lead to Lucifer, or to Christ, or to the black mountain demon." Yan Ling said.

After Yan Ling left, it was dark.

Yang Yu was suddenly a little scared.

Do I really have Yin Yang eyes? Yang Yu muttered in his heart. Where is this gift from heaven? It's like a pit father. Walking on the road, although it was not completely dark, Yang Yu did not dare to look around. He was afraid to see what others could not see.

As a result, the ringing of a mobile phone startled Yang Yu. When he saw that it was the Secretary of the municipal Party committee, he answered the phone in a hurry. At the other end of the phone, he said, "you can act.". Yang Yu calls Ding Shanshi in a hurry. This time, Ding Shanshi made up his mind. He wanted to survive by breaking his arm.

After dinner, Yang Yu went to bed early. He was afraid to go outside. He was afraid to see crying women and children on the roadside. He had to take someone with him when he went out. When he saw them, he had to ask: can you see him? Yin Yang eye? Yin Yang eye? Yang Yu was lying on the bed muttering, looking at the room, clean, and at ease. Maybe Yang Yu didn't sleep much last night, so he will sleep when he lies down tonight.

I was woken up by a knock on the door. I don't know what time it is. Who did I shout? Seeing that there was no answer outside, the light was not turned on, so the bedside got up and went to open the door. I wondered if it would be my cousin or my third sister?

But as soon as the door opened, Yang Yu's soul was scared out. Yang Yu retreated to the corner of the bed in terror, with sweat on his forehead.

The woman outside the room came in and went straight to Yang Yu. Yang Yu was even more afraid and wanted to escape. When he found that the road was blocked, he stammered and asked, "Why are you here?"

"I followed you. Why are you so afraid of me? You wanted to sleep with me before?" The woman crawled slowly in the direction of Yang Yu.

This woman is no one else. It was Ke'er who climbed onto Yang Yu's bed last night. If she hadn't been disturbed by her cousin, I'm afraid Yang Yu would have been with her

"Are you a man or a ghost?" Yang Yu asked timidly.

At this time, outside the house and a head, the original is three sister Yunxi. Yunxi looks at Yang Yu with a puzzled face and says, "cousin, who are you talking to?"

Yang Yu looked at Ke'er, who was smiling, and then turned to look at Yun Xi, who was lying by the door. He really wanted to ask, "sister, you really don't see anyone else in this room?"

Yang Yu has been sweating along his face.

"No, I said to myself. Can you come and accompany your cousin? " Yang Yu dare not stay in this room alone.

Yunxi was very happy when he heard that. He closed the door and came over. He lowered his head and blushed. He thought to himself: I'm not going to do that with my cousin. Ouch, I'm so ashamed.

Yunxi by her side, completely ignore her, this time, Yang Yu really believe, three younger sister Yunxi is a never lie child.

"Do you know now that I am a man or a ghost?" Can son this words say of very gloomy, give a person creepy.

"What do you want? Why are you following me? " Yang Yu wants to cry without tears. Of course, this is to Ke'er.

However, Yunxi did not know, she thought that this is in training her, red eyes on the spot. Yunxi is a very touching child, but also a girl who loves to cry.

Last time in this bed, Yang Yu played his cousin five or six times in one night. Yunxi cried in one night.

"I'm not talking to you, I'm..." Yang Yu has been incoherent.

Yunxi felt puzzled.

"Someone can see me. I'll follow you later." Ke'er said with a smile, but he took off his bra.

Poof!

Yang Yu's blood gushed out.

"Why are you following me? I'm not good for you? And can you put on your clothes? " Yang Yu doesn't dare to look directly at it. It's really a human chest.

Yunxi a listen, angry, yelled: "I have no with you, I when to benefit, I have no clothes?"? What do you think I am. Hum Yunxi of course thought that this is to her, listen to sad and angry, turned away, ran.

"Hey, Yunxi, cousin, I didn't mean you." Yang Yu cries out in a hurry. Look at Ke'er next to her. She is smiling and lying down. Yang Yuxin thought: this ghost, it seems that it is not so terrible as in movies and TV series? Think about it, too. Are you scared in the toilet?

Yang Yu looks at Ke'er in front of her. Her two breasts are exposed outside. She has no sense of shyness, and no one can see them except herself.

Just thinking about it, Ke'er has climbed onto the bed and crawled towards Yang Yu. The pair of milk trembled in front of Yang Yu's eyes, staring at Yang Yu. Yang Yu was numb.

"I've always been curious, can people and ghosts have sex?" Said Kor.

Poof!

Yang Yu's blood spurted out again.

Kor started to take off his underwear again.

Yang Yu deeply swallowed a tone, oneself is to meet the female sex devil.

Ke'er has taken off his underwear, revealing a very smooth groin. The groin is deeply sunken, like a girl's body. It's charming. Ke'er was lying on his stomach, with both hands on the bed, like a female dog, crawling towards Yang Yu. Milk hanging down, big, like two sandbags, a shake a shake of climbing to Yang Yu.

Yang Yu takes a deep breath. He's already rushed over by another woman. However, Ke'er's Yin Qi, especially for the sensitive Yang Yu, is creepy. Anyway, the woman in front of her is a ghost. So it's not that Yang Yu is not interested. In fact, seeing such a beautiful ghost, Yang Yu has been excited for a long time, but the evil spirit she exudes makes Yang Yu flinch.

"Don't, don't come here." Yang Yu shook his hands and tried to retreat to the foot of the bed. However, Ke'er's face changed. Instead of smiling face to face, it became gloomy. In Yang Yu's mind, he thought of those ghosts who were floating in white, skinny, hanging on all fours, with green face and black hair covering her face.

"What are you afraid of? I won't eat you again. " Ke'er shows a sinister look, which makes Yang Yu afraid. Ke'er's hand has been stretched out on Yang Yu's shoulder, and his fingertips slip through Yang Yu's chest muscle. Yang Yu doesn't feel a sense of pleasure, but a trace of coldness.

It's like a corpse touching you.

It's chilling. It's chilling.

If those female ghosts like Zhenzi make people shudder, then this beautiful female ghost on the surface of Ke'er makes people fear more and more.

But the whole person has been pressed on Yang Yu's body, the milk is also cold, so it is pressed on Yang Yu's chest, elastic milk, but there is no temperature. Ke'er sticks his lips to Yang Yu's face, but Yang Yu opens his face and dares not look directly into her eyes.

Because Yang Yu can't feel Ke Er's heartbeat and breathing.

But Yang Yu is not only sweating, cold all over, his heart is beating wildly. He doesn't know how many such "dirty things" he will encounter in the future. Today, he meets a female pornographer. What about tomorrow? Maybe a killer?

"Sister Ke'er, no, don't do that." Yang Yu begged for mercy.

But Ke'er doesn't care. He kisses down Yang Yu's neck, to his chest, to his belly, and then goes on. Yang Yu wants to push it away, but it's useless. It's like there's a magnetic field on her. It's not nothing to penetrate, it's not real, and it's hard to explain the existence of such a thing.

To Yang Yu's surprise, she can take off her underwear.

.....

Three younger sister Yunxi downstairs, just ran into his mother. Little aunt see daughter eye is red, ask how? Yunxi is angry, casually said: "cousin evil, bully me."

When she heard this, she naturally put it in her heart. She dotes on Yang Yu no less than her own son. The little aunt quietly climbed up the stairs and saw Yang Yu's room with the door open and the light on, but she heard Yang Yu talking to himself inside.

The little aunt quietly poked her head and looked into the attic. In the attic, no one saw his nephew huddle in the corner of the bed, naked, revealing the black and thick root. When they fell together, they were very confused. Was nephew really evil?

The little aunt was worried, but she didn't know how to do it well. She thought: could it be Xiaoyu's desire to burn himself and suffocate his body? Think also, countless nights, he is not also like him, lying in bed, tossing and turning, unable to sleep?

Think of here, also think of the last gynecological examination, Yang Yu help oneself vent bath fire, is very embarrassed, can look at his nephew so uncomfortable appearance, in the heart is very ashamed, very tangled, do not want to go into the room to help nephew.

Suddenly, the light in the room was turned on. Si Xiaoyun was surprised.

"Auntie?" At this time, Yang Yu finally noticed that there was a man outside the door, quickly turned on the light, fixed his eyes, this is not his aunt?

The incandescent lamp lit up the room.

Yang Yu looked at my aunt and found that my aunt tonight had a special flavor and beauty, especially under the Yellow incandescent lamp.

"Is she your aunt? Looks like I saw your hair spring. "Can son still naked body, bad smile, say.

"What are you talking about? "Yang Yu looked at her and said.

On hearing this, she didn't know what it meant and asked, "who are you talking to? "

Yang Yucai responded that she couldn't see Ke'er at all.

"I'm a woman. I understand. Look at your little aunt, her chest is undulating, her legs are closed, her lips are dry, her face is embarrassed, and her eyes are peeping at your second child from time to time. What's that? "

Ke'er laughs and finds it very interesting.

Yang Yu was more embarrassed and asked, "Auntie, why are you here? "

Si Xiaoyun also gave an embarrassed smile and said," I heard a voice in your room. I don't know who you are talking to. It's very scary. Let's have a look. Xiaoyu, are you ok? "

this sentence is OK, but it has multiple meanings."Auntie, I'm fine. "Yang Yu touched his head and didn't dare to look directly at his little aunt. What's more, she did have a spring and was afraid of something really wrong.

After the aunt left, Yang Yu quickly closed the door, looking at the beautiful ghost in front of her, but her spirit was better.

"I want to go to bed, can you not disturb me? "Yang Yu said, turning off the light, covering his head with the sheet and pretending to sleep.

There was silence in the attic.

After a few minutes, Yang Yu could not hear any sound. He thought that Ke'er might have left. He quietly opened the sheet and turned to look at it.

All of a sudden.

"Ah! "When Yang Yu looked at the pillow, he was startled.

At this moment, Yang Yu jumped up in fright and lost his soul.

"Sister Ke'er, please. Can you leave me alone? I didn't hurt you. "Yang Yu has been begging for mercy.

"If you want me to leave you alone, promise me two things. "Said Kor.

Yang Yu had no choice but to answer: "you say it, see if I can do it. "

" the first thing is that you have sex with me. "Said Ke'er with a smile.

Yang Yu pats the forehead and makes love with the ghost? That's ridiculous, but he asked, "what's the second thing? "

Ke'er's face changed and became gloomy, as if she wanted to twist her neck down. She said word by word," the second thing is that you help me kill someone. Her name is Qin Shuhe. "

Yang Yu's face turned pale in an instant.

In high school, Ke'er and Qin Shuhe were best friends, but at the same time, they fell in love with the class sports committee member. After drinking and getting drunk at a small party, Ke'er got into bed with her male classmate and later became her boyfriend.

However, Qin Shu and do not give up, began to seduce her boyfriend, but her boyfriend still has a conscience, and did not betray her son. But Qin Shuhe is more and more excessive, always alone about him, seduce him, seduce him, but also behind Yin Ke'er, sow discord between two people's feelings.

But in the end, Qin Shuhe, who is cruel and vicious, still has Ke'er. In the summer vacation of senior two, several people go swimming in the river together. Qin Shu and can son under the medicine, drowned in the river, the body drift with the current, finally directly rushed to the sea.

After her death, Ke'er turns into a ghost with resentment. She can't find her own body and the way home. However, because of the grievance, she can't be reincarnated again and becomes a wandering ghost in this world.

In the third year of senior high school, Qin Shu and her boyfriend went abroad to study, and they also went to university.

This time, Qin Shuhe comes back. Ke'er must take revenge.

This is the story that Ke'er told Yang Yu. Yang Yu is a cold sweat. Qin Shu and his wife are noble and noble on the surface, but inside they are a vicious woman. This is really beyond Yang Yu's expectation. People's hearts are so terrible. Fortunately, they didn't chase her. Otherwise, they don't even know how they died.

"Although I'm not a policeman, if Qin Shuhe really killed you with drugs, I will definitely get justice for you." Yang Yu said, now that he has Yin and Yang eyes, it's really a distressing thing.

"But let's forget it. I'm not used to it..." Yang Yu said with a silly smile.

"Ha ha, if you have sex with me, I'll tell you a secret. If you help me revenge, I can help you earn money to pick up girls. " Kerr offers attractive conditions.

Of course, Yang Yu is interested in it. It's what he's after all the time. Think about it.

"As long as I'm not in the sun, I can come out freely, and others can't see me. Although I'm a ghost, I don't have much ability to interfere with things in the world, but I can help you peep many secrets." Can son proud of say.

Yang Yu thought, indeed, only he can see, can help himself to peep into a lot of secrets, which is quite useful in the mall.

"Why don't you reincarnate? Besides, people and ghosts are different. Do you have pleasure in having sex with me? " Yang Yu asked suspiciously.

"I'm too late to be reincarnated. Your Yang is the sweetest I've ever smelled. Do you think I'm happy Can son insidious say.

"What? Make love to me to suck my Yang? Then I'm not going to die? " Yang Yu panic, this is to use their own yang to raise a kid, ah, where to raise it? Isn't that old enough? How to enjoy life?

"I'd like to, but there's a force in your body to protect you. I can't suck it at all." Can son very disappointed of ask a way. Last night at Qin Shuhe's home, she tried to suck it, but she couldn't do it. Not only Yang Qi couldn't be sucked, but Yin Qi was almost sucked back.

Raise a ghost? Or a slut? Yang Yu thinks it's a good idea.

"Then why don't you go to find a man?" Yang Yu is still confused.

"They all look terrible. Not as handsome as you. " Say, female lust ghost rushed toward Yang Yu.

Yang Yu laughs to death, ghost still laughs ghost to grow horror? It's amazing that Yang Gui is struggling to make love. It's totally different from the rough girl.

It's the first time that Yang Yu has ever done such a beautiful thing with a female luster.

Looking at Ke'er writhing around like a dragon, Yang Yu really didn't feel that she was a ghost. It was not different from a real person. He could also feel the power of friction, juice and even suction cup. Only without the warmth, he got a cool.

After a leisurely meal, Yang Yu still feels full of physical strength. Looking at Ke'er, who is also sweating and panting, Yang Yu is also quite surprised.

"You should be grateful to me." Can son naked body lying there, breast milk up and down, the lower body of the ditch is still so beautiful.

"Thank you for what? Don't you mean to tell me a secret?" Yang Yu asked.

"I've been with you all the way. I've been asking a lot of kids about you for a long time. One of them is Xiao Xi, right?" Said Kor.

Yang Yu's eyes flashed and listened curiously.

"In the attic of the school, once she saw you being raped by a woman. Remember that?" Ke'er said with a smile.

That's OK, Mani? Yang Yu has been worried about that. Which woman is so powerful that she dares to rape herself?

"Come on, which woman is that?" Yang Yu can't wait to ask.

"In fact, that woman is not to seduce you, just as Yang Lin's physical intercourse with you helps you open your Yin and Yang eyes, she's also physical intercourse with you to seal the exorcism force in your body, so you never know that you are an exorcist, and you don't know how to use it." Keer said seriously."I didn't expect you to know a lot. And then what?" Yang Yu asks curiously.

"I've been wandering in the underworld for five or six years. Besides, you have a lot of gossip in the underworld. You'll know a lot of things as soon as you ask. However, I have just unsealed the exorcism force for you. And the woman who sealed you is pan caier." Said Kor.

Yang Yu was surprised, but it was unexpected. He had sex with the first prostitute in Yunv village.

"What about the exorcism force?" Yang Yu feels that it's silly to ask this question. He is an exorcist. How do you exorcise a female luster?

"It's recorded in the Bible, but don't use it on me. I'll lose my soul." Can son blink an eye, some fear of say.

Yang Yu took a look at Ke'er. He could see that this woman was far from being a female luster just now by secretly unsealing her exorcism force.

Heishan grandfather, pan caier, Yang Lin, Yan Ling, Ke Er, it seems that these people pay attention to themselves from the beginning and supervise themselves secretly. As a triple demon, the identity of Yang Cailin may be a mystery.

There is also a mystery, which is the transparent white body of the heavenly eye mother-in-law when she was exorcising. What's her identity? Is it a demon? It is also a big mystery in Yang Yu's mind.

Yang Yu suddenly thinks about Su Xiaoxiao. I don't know what happened to her? I'm very worried.

Fortunately, this female ghost is not frightening. With a ghost around, many things may come as a surprise. Whether it's picking up girls, fighting Murong Fei, or mayor, or business negotiation, it's a lot more convenient, which is a good thing.

Early in the morning, the sun came out.

Ke'er is very afraid of the sun, and she can't see the sun, but as long as it's not direct sunlight, even if it's very bright indoor, she can appear, and she's not afraid, but there's no Yin Qi or magic power, or energy to maintain her long-term existence or destroy some things.

When the sun comes, she will disappear automatically. This is very similar to the characteristics of the legendary ghost. But Yang Yu didn't decide to write a partial thesis, and he didn't want to win the Nobel Prize. What's more, he didn't know what the ghost was.

Today, Yang Yu is in a good mood and physical strength.

At the same time, there are still a lot of phone calls, please eat, Yang Yu is one by one to refuse. When I was poor, no one looked for me for a month. Now that I have money, everyone comes to me.

Only Chen Yong's phone call, Yang Yu received the best, Chen Yong is Yang Yu's most grateful person at present.

"Uncle Yong, I will go to Shanghai when I have time. Thank you very much." Yang Yu said on the phone.

"Thank you. Don't worry in advance. Let's get together in the future. At present, my order is full. You need to get the vegetables out quickly." Chen Yong is urging on the other end of the phone.

As soon as he hung up his mobile phone, it rang again. It was a strange number. If Yang Yu didn't want to answer it, he picked it up casually. Recently, there are too many strange numbers. They are people he doesn't even know.

"Yang Yu? I hear you've made a fortune There is a beautiful girl's voice on the other end of the phone.

"Who are you?" Yang Yu asked impatiently.

"I'm teacher Ye Xiaotong. Do you remember?" The cell phone said.

How could Yang Yu not know that this woman, a high school English teacher, was very kind to her. Last time she was in lanruo temple, she dreamed of breaking her place. How could she not remember?

"Teacher ye? Of course I do. How can I not. Long time no see. " Ye Xiaotong calls Yang Yu. Yang Yu feels very surprised. They don't have much in common, not to mention that they have been married for a long time.

"It's been a long time. When will I come out and invite you to dinner? " Said the other end.

"Good." Yang Yu agreed, but he muttered in his heart: I didn't expect that even the beautiful teacher came to flatter himself. You know, I had a secret love for this teacher, although it didn't break her place that time, which made Yang Yu regret for a long time.

Yang Yu is going to the county to meet Ye Xiaotong, an English teacher in high school.

On the bus.

A man on the phone: "wife, I stand next to a neuropathy, keep talking to yourself, go home to tell you."

Yang Yu was so angry that he was misunderstood as a psychopath. No wonder he forgot that Ke'er was a female ghost on the bus just now. He could not be seen by others, so he talked with her incessantly, and even had a few words that were quite explicit.

Suddenly all the people in the car stare at Yang Yu. They regard Yang Yu as a psycho.

The black line on Yang Yu's face made him lose face. Look at the next son has been smiling, Yang Yu really want to accept her.

Had to get out of the car ahead of time, the hot sun, a group of people in the car pointing at Yang Yu, as if he is really a neuropathy, let Yang Yu quite speechless.

Ye Xiaotong has been waiting in the box of lafangshe teahouse.

In this city, there are few restaurants, but there are many teahouses, such as lafangshe, L'Oreal, coco

and so on. The boxes of teahouses are warm, elegant and secret. It's a good place for dating.

"I'll have tea alone with my English teacher later. Don't disturb me!" When Yang Yu arrived at the teahouse, he pointed to the ghost beside him.

Can also stand next to two very lovely waiter, small mm, listen to this, quickly said: "I will not disturb you."

Yang Yu immediately a face black line, also ignore those two waiters, to Ke Er continue to say: "if you appear to scare me, I read the Bible to you."

The two waiters listen, you look at me, I look at you, a black line.

Looking at Yang Yu on the second floor, the two waiters immediately whispered: "do you want to tell the manager? A mental illness? "

#Box 206 is on the back and inside. It's very clean.

Yang Yu quietly pushed the door and went in.

The box is surrounded by wooden walls. Of course, the sound insulation is very good, because there is a window in the middle and an eaves outside the window. This makes the light not very strong and makes the whole atmosphere of the box more dim and gentle.

The temperature of the air conditioner is very suitable. When Yang Yu comes in, the cool feeling is refreshing.

In the middle of the box is a rectangular table with a pot of tea and a few dishes of dried fruit snacks. On both sides are sofas, which are very soft and thick. On the sofa on the right is a beautiful woman. She is almost as beautiful as Yang Yu, but she is really Ye Xiaotong, a high school English teacher.

"Here you are." Ye Xiaotong stood up with a smile, respectful.

Yang Yu quickly closed the door and looked at the beautiful teacher in front of him. Once upon a time, the relationship between them was very close. When Yang Yu was in high school, his English was extremely poor. The whole class was in the bottom. After he was in the third year of high school and did not mix with the underworld, he became angry and worked hard. He caught up with all his other lessons, but his English was dead. Later, teacher Ye Xiaotong made up lessons every day, took extra care of them, and often encouraged them to take part in the college entrance examination. Therefore, Yang Yu was very grateful to teacher Ye. Although they had almost had sexual relations, it was the teacher-student relationship after all, and they didn't dare to go too far.

After the college entrance examination, she never contacted again. Yang Yu also knew that she was married and had a beautiful daughter the year before last. All these were heard by her classmates,

because teacher Ye is the dream lover of all the boys in the class. She is the object of sexual fantasy. When she got married, everyone felt very sorry.

"Miss ye, it's still so beautiful." Yang Yu said. Indeed, ye Xiaotong is still such a beautiful, windy woman.

"The teacher is old. "Ye Xiaotong said, poured a cup of tea to Yang Yu:" it seems that we haven't seen each other for five years. "

" yes. Time flies. "Yang Yu took the tea with both hands, sipped it, and looked at Mr. Ye again. Mr. Ye's eyes were very beautiful. When he saw the former student Yang Yu looking over, he didn't shy away from his own eyes. He also looked at Yang Yu.

These four eyes look at each other. It seems that it's back to high school. Mr. Ye is lecturing above and looking at Yang Yu. Yang Yu is listening below and looking at the teacher.

Two people suddenly feel embarrassed atmosphere, ye Xiaotong suddenly blushed, avoid Yang Yu's eyes, a little at a loss, originally, a lot of things, even after five years, there will be no change.

"Wow, Yang Yu, you are discharging to your teacher. "The female ghost next to her still hasn't disappeared. When she smells tea, it seems that she still yearns for everything in the world. It's a pity that she can't drink tea, she can't smell the fragrance of tea, and even it's a luxury to be seen.

These days, Yang Yu has been used to her existence, as a transparent person, and he does not taboo his privacy. Only a few times, the female luster seduces herself with her body, and Yang Yu is directly covered in the quilt.

Yang Yu gave her a white look and ignored her.

"I saw your name in the advertisement, like you started a business? "Ye Xiaotong asked with a smile.

Yang Yu grabbed a watermelon seed, ate it, and then said humbly, "yes, I started a small company. I don't know if there is a future. ha-ha. "

recently, these people who come to Yang Yu either flatter or borrow money or work for him. Few of them come to make friends sincerely. They are all friends who have not contacted for hundreds of years and have not had much friendship. Ye Xiaotong suddenly comes to find herself. Yang Yu thinks that there is something wrong with her, otherwise, how can she suddenly appear for no reason?"Is Mr. Ye still in his old school? I hear you're married? "Yang Yu asked, but he didn't dare to ask people how their married life was. It's impolite.

The two chatted about home, chatted about a lot of happy things in high school, but they have changed.

The fool doesn't understand the withered and glorious things. His heart is here, but his body is not dead. Yang Yu is in such a mood now.

This chatting, talking about the March 8 women's day that year. That day, Yang Yu sleeps in English class during the day, while ye Xiaotong is betrayed by her boyfriend at night and is lovelorn. After self-study in the evening, Yang Yu is called to have a training and make up lessons. Because ye Xiaotong is lovelorn, they almost have a relationship in the middle, but Yang Yu runs away nervously.

Yang Yu has been very regretful about it, regretting that he didn't open the bud of teacher ye at the beginning. As a result, he later cheapened others for nothing.

There is a voice in Yang Yu's heart that has been shouting: take the opportunity to make up for the regret of that night, at least you have to prove to others that you don't want to go to her? More to prove that you are a tough man?

"Mr. Ye. "Yang Yu suddenly raised his voice.

Ye Xiaotong is stunned and looks at Yang Yu.

Yang Yu plucked up his courage. If he didn't say it, I'm afraid he won't have a chance to say it in the future.

"Mr. Ye, that night, I really wanted to sleep with you. I like you very much, but I was so nervous that I ran away. "Yang Yu summoned up the courage to say this sentence. After saying it, Yang Yu felt more comfortable. As for not being misunderstood by teacher Ye.

Although he was already a wife, he didn't care about what happened at that time, but Yang Yu kept feeling very uncomfortable in his heart.

Ye Xiaotong's face turned red. He bowed his head and said, "what are you talking about? "

after listening to this, Keren next to him broke in again:" Wow, Yang Yu, you are so romantic, even your teacher wants to play? "

Yang Yu glances at Ke'er again and ignores her, so Ke'er has to play alone.

"Did that night disappoint you? In fact, I'm afraid you misunderstand me. "Yang Yu feels his head. Men are most afraid of being misunderstood. If he doesn't lift it, will you not play with the door-to-door teacher?

Hearing this, ye Xiaotong's face became more red and said in a low voice: "that night, the teacher was also voluntary. "

when ye Xiaotong said that, even Yang Yu was confused and asked," what is voluntary? "

Yang Yu was very puzzled. What happened?

Ye Xiaotong is also embarrassed to say that she can't understand what Yang Yu is saying, so she has to truthfully say: "teacher, you forced me on the first night, and the teacher was willing. "With this sentence, ye Xiaotong's heart is also a lot more comfortable. On the first night, Yang Yu forced her to open the bud and resisted for a long time. After that time, Yang Yu kept a distance from herself. Therefore, ye Xiaotong always thought that Yang Yu avoided herself because she was not happy. It's not at all.

Yang Yu's resistance to being raped is just a false reserve of Ye Xiaotong, or a little dignity for herself.

"Wait! "Yang Yu became more and more confused, and quickly interrupted:" teacher ye, didn't we have sex that night? Didn't I run away on the way? "

when ye Xiaotong looks at Yang Yu's serious appearance, she is even more puzzled. Does Yang Yu break his first night and still not admit it?

Teacher Ye Xiaotong was in a hurry and said, "what are you talking about? You forced the teacher on the sofa that night. Did you forget? You also sent the teacher a bunch of roses. "

poof!

Yang Yu's blood gushed out.

What's the matter? Isn't that pan caier's puzzle, just a dream? How did the dream come true?

Yang Yu's face turned blue.
