Wen jiuzhong's laboratory building is really gloomy. When Yang Yu goes in, he can't help shivering.

This is the old experimental building. All the bricks outside the walls have fallen off and covered with moss. There was a strong chemical smell inside, just like the formalin smell of hospital bodies.

Ye Qinqin grabs Yang Yu's skirt and looks around nervously. She hints to herself that there is no ghost in the world.

The elevator was abandoned, and the two people had gone.

"We only go to the toilet on the second floor. It's OK." Yang Yu has seen a lot of dirty things in Yushui village. Even though he is in the third grade of junior high school, he is not afraid of being fake.

But the grove was checked by the teacher. The students and teachers in the teaching building study in the evening, so the playground is not covered. The toilet of the unmanned experimental building is a perfect place for men and women to shoot guns.

Two people climbed the stairs, to the second floor, or so dark, no lights.

Yang Yu along the wall to touch the entrance of the toilet, the light out of the window through the window, there is a trace of light.

"I said there was no ghost. It was all false. You see, there was nothing." Yang Yu comforted.

Ye Qinqin looked at it. It's really nothing.

Yang Yu chooses a box in the women's room. After they go in, they tie the box. Then Yang Yu sits on the toilet and hugs Ye Qinqin.

Ye Qinqin also hugs Yang Yu's neck and kisses him.

"You are so thirsty. You are only the third year of junior high school." Yang Yu looks at the young girl at the same table in front of him with a smile. He is only a girl in grade three.

After a meal of passion, ye Qinqin finally stops, and is also paralyzed in Yang Yu's arms.

Just then, a girl's cry came from the toilet.

They were startled at the same time and looked at each other.

Two people listened for a while, voice is desolate, sob.

"It's not a ghost, is it?" Ye Qinqin trembled with fright.

"No way." Yang Yu felt that he would not really encounter dirty things again.

But now I don't have any black marks or black cat parasitism. I have no traces of all that. I'm just a mortal. If I encounter something dirty, I can't help it.

"I don't get dirty that easily, do I?" Yang Yu thinks of some terrible things. If he encounters them, he will suffer.

Ye Qinqin listened for a while and said in horror: "it seems that it came from the box next door."

Ye Qinqin and Yang Yu have a look at each other. When they enter the toilet, it seems that the box next door is closed. Is there someone inside?

"Maybe it's a girl who is lovelorn and cries again." Yang Yu got up, opened the door of the box and went forward.

Ye Qinqin is afraid of following, looking back from time to time.

Yang Yu squats Xia's body and looks into the box next door through the gap at the bottom of the box.

No matter how bold Yang Yu is, his heart is pounding at this time. I don't know what he will see. In case, a head suddenly falls down?

Yang Yu swallowed deeply, remembering the scene of the soyan haunted house in Yunv village before. The red one was actually the blood eyes of the ghost. He and the ghost inside were just separated by the door, looking at each other. Now, it's creepy to think about it.

Yang Yu looked in through the gap below. He saw one foot, wearing red cloth shoes. The others were covered, as if people were sitting on the toilet crying.

"Ah Yang Yu fell back and stood up in a hurry.

"What do you see?" Ye Qinqin saw Yang Yu's face as ugly as death. She must have seen something.

Yang Yu's back was chilly and said, "there are people inside. Let's go."

With that, the crying stopped.

Yang Yu took Ye Qinqin and ran out quickly.

At the same time, the back of the toilet box, slowly left bleeding.

The corridor feels darker.

Yang Yu leads Ye Qinqin's hand to the wall to find the exit of the stairs. It's only ten meters away, but I feel like I haven't been there for a long time.

Yang Yu feels that ye Qinqin behind him has not spoken.

"Where's the stairway! "Yes." Yang Yu yelled.

At this time, Yang Yu heard the cry again.

The cry seemed to come from behind.

Behind? Isn't Ye Qinqin behind it?

Yang Yu suddenly felt that the hand he grasped was cold, without a trace of temperature.

Did you catch yeqinqin?

Fear instantly swept through Yang Yu's whole body. Even if he was more than twenty-five adults, he was scared to death at this moment.

Yang Yu's palms were sweating, and he turned back in silence. In the dark, he vaguely saw a girl student with long hair covering her face, wearing school uniform and red cloth shoes.

Yang Yu's hand is just holding her white and thin hands. Yang Yu's pupils contracted sharply and his face turned green with fright. He opened his hand and ran forward crazily.

This time, he finally found the exit of the stairs and hurried downstairs.

Halfway through, I thought it was wrong. What about ye Qinqin?

Yang Yu can't give up his companion anyway. Yang Yu turned around and ran back, shouting: "Ye Qinqin?"

However, there was no shadow of yeqinqin or that female ghost except black.

"Yang Yu?" Suddenly, yeqinqin's voice appeared outside.

How could she have shown up? Yang Yu was puzzled. He took a look at the corridor and ran out again.

This made the atmosphere even more awkward.

Suqi looked up and said, "do you have short sleeves? I want to take a bath. "

It must be uncomfortable not to take a bath on such a hot day.

Yang Yu finds a short sleeve and gives it to Su Qi.

Sookie took the short sleeve and went in for a bath.

The bathroom is the kind of fuzzy glass, you can't see the inside, but Yang Yu can see the action and figure of the student sister taking off her clothes. Her figure is protruding and graceful, especially her chest, leaning, standing up greatly, and she can't see it in her school uniform.

"Girls are really growing up these days." Yang Yu muttered, trying to peep through the crack, but think about it, don't be so obscene.

Yang Yu took a breath at the window. Looking at the farmer's house outside, he was surprised to find a couple of men and women lying naked on the guardrail on the balcony opposite.

"I'll go. I didn't find so much spring here before. I have to buy a telescope." Yang Yu sighed, but when he thought about it, this age is the age of playing. Now he is not crazy about playing. When he is 30 years old, he will start to go downhill.

At this time, hearing the sound of the bathroom opening, Su Qi sighed half a head and said in embarrassment, "younger student, I washed the inner library, but I didn't wear it. Can you turn off the light?"

Poof! Yang Yu is silly again.

Not in the inner library? My short sleeves can't cover my butt. I feel dizzy.

"Oh." Yang Yu turned off the lights, but the city was bright everywhere, and the street lights outside were still very bright.

Su Qi opened the door and came out with her school uniform and washed out inner library.

Yang Yu deeply swallowed saliva, this weak light, enough to see the body of Xuejie.

Is that how Xuejie came out? Doesn't she know that this light is enough for me to see her?

Is it hard to be a student on purpose?

Yang Yu's heart was pounding. Although he played a lot with women in that village, it was the future. On the third day of junior high school, he was still a virgin. If he hadn't broken up with Ye Qinqin just now.

Suqi sun the school uniform and the inner library outside the window.

Yang Yu observed that it was a black lace inner library, which was covered in the front and translucent in other places. Is it no different from not wearing it?

Yang Yu is surprised. Today's peach blossom luck seems to be back to Yunv village.

"What are you looking at?" Su Qi knows that her younger brother is looking at her own lace library, and she is also embarrassed.

Yang Yu quickly moved his vision away from the inner library and ran to the bathroom in embarrassment.

Suqi turns on the light, goes to bed, uses it, and then takes out a romance novel to read.

After taking a bath, Yang Yu put on his inner clothes and came out. It was not intentional. He forgot that there were still people in the room.

When Su Qi saw Yang Yu's beautiful figure, she was stunned

Su Qi closed her legs in a hurry, making her whole body uncomfortable.

Yang Yu looked at the ground, just wiped clean, found a dress, to sit on the ground, ready to sleep.

The light goes out.

Sookie couldn't sleep.

"Did you sleep?" Xuejie suddenly asked softly.

"What's the matter?" If Yang Yu doesn't have any idea about her, it's fake, but he's not a lecherous person or a person who takes advantage of others' danger. As for the fact that he pulled Ye Qinqin to the toilet before, it's really because they had emotional foundation before.

Yang Yu and ye Qinqin had a short-term love after the entrance examination, and he knows Ye Qinqin likes himself.

But this is the first time that I saw her. Although she was sleeping in her room, she couldn't go to bed because of it?

Yang Yu can't do such a thing.

"It's so wet on the ground. It'll get rheumatism. I think two people can squeeze this bed. Why don't you come up and sleep?" Su Qi's voice is very good, the tone is sweet.

"I can't control it. I have to be tough. I'm telling the truth. Don't call me a hooligan." It's no one else that Yang Yu can make such a serious remark about molestation.

This made Su Qi relaxed a lot. The younger student was very good at communication, so he muttered: "hard is normal, not hard is problem."

"What did you say?" Yang Yu didn't know what she was muttering. Sleep on the floor. What if there is something really, it's also a normal physiological response,

. Said Sookie.

Yang Yu also wanted to ink, but the elder sister called out again.

Yang Yu went up and got into the bed.

This bed is small, Yang Yu a squeeze up, two people almost stick together.

"Put on more quilts and don't catch cold." Yang Yu takes good care of girls.

When Yang Yu went to push the quilt, he suddenly felt a wet sheet under it. He took out his hand and said in surprise, "how is the quilt wet?"

"Ah?" Su Qi suddenly nervous, quickly explained: "may be just take a bath did not dry wet it." "I'll change places with you." Yang Yu said.

Su Qi was moved. This schoolboy is really considerate to women. What's the use of changing positions? Still can wet, estimate can wet more fierce only, hastily way: "need not."

"My boys are OK, you girls can't, you move from me." Yang Yu insisted.

Su Qi had to adapt to the embarrassment, climbed over from Yang Yu.

The girl's body is weak. When she looks at Yang Yu lying flat below, her hands are not supported. Ah, she falls face to face on Yang Yu's body, and her mouth and mouth are still stuck together.

Two people, you look at me, I look at you.

This was not very embarrassing. Suqi's face was as red as the monkey's buttocks. She was embarrassed to find a crack to drill down.

At that time, Su Qi had the heart to die, and quickly returned to the position inside, turned around and turned her back to Yang Yu.

Do you want to take the initiative to test? Yang Yu thought, when did he become such a gentleman?

But when I think about it, I can't harm my sister.

Also at this time, Su Qi turned over, two people face to face, close at hand, looking at each other.

"Xuejie, you are so beautiful." Yang Yu said something inexplicably.

"Beautiful and no boyfriend." Xuejie replied, and then she was not shy and said, "you are only in the third grade of junior high school. Why is that so big?"

"Which one?" Yang Yu didn't respond for a moment.

"Well. What else can I do? " Sookie was too embarrassed to look at the schoolboy.

Yang Yu looked at the quilt, but said: "sorry, sister, I, that, sister so beautiful, I can't have no response."

"Ha ha." Xuejie suddenly laughed. It was sweeter and more beautiful. She said shyly, "it's normal to have a reaction. If you're alone, don't you think it's abnormal if you don't have that one?"

Suqi's speech is a little abnormal, and her hesitation is not clear.

"I mean, it's normal for that to happen." Su Qi found that she had said something wrong, and immediately explained it again, only to find that the more explanation, the more confused.

Su Qi's voice just fell, Yang Yu's mouth has been sealed.

Suqi gasped for air, her chest undulating,.

Yang Yu looks at her, and she looks at Yang Yu, too.

At this time, Yang Yu will su Qi's short sleeve slowly happy up.

The elder sister did not stop her, but avoided the view.

Yang Yu completely cheered her short sleeves up, and then took them off from her head.

The next day.

The sun came in through the window and shone on the two red men and women.

Sookie slowly wakes up.

Yang Yu made her three times last night. NIMA, the sister is still a virgin.

"Xuejie, last night." Yang Yu also wants to explain that he didn't expect to open a Bao. He was not her boyfriend, so he was given a Bao. He may not be responsible.

"Alone, men and women can't be together." Suqi said very seriously.

"I'm not in charge?" Yang Yu asked, remembering that those girls in Yunv village are responsible for themselves.

"What's the responsibility? Marry me? You're in junior three, brother. Ha ha." Su Qi sat up, two Nai like lanterns hanging in the chest, through the sun, see clearly.

Yang Yu listened to a face black line, smile way: "play for nothing?"

Suqi did not speak, a little embarrassed, the answer is.

"Isn't it?" Yang Yu patted it up and hugged her from behind.

"Well." Su Qi nodded this time and said: "now girls are playing for men for nothing, right? My roommate next door was played for nothing

See the elder sister so natural appearance, still say oneself fall behind? I can't keep up with young people's thoughts, but it's 2000. How can I feel like I've become a post-2000 generation!

But men are women who like this kind of thinking.

With that, Yang Yu grabs the two NAIS of Xuejie with both hands, and the super big guy below rubs Xuejie's buttocks twice. Xuejie is very active on the bed.

Yang Yu is like a dog lying on her back, and they get up again.

At the same time, pan caier woke up from the nightmare and found that it was already daybreak.

I'm sweating all over.

"Why did I dream of him again?" Pan caier pats her head. In her dream, she kisses Yang Yu, makes out with each other, and falls into the abyss of death, even the capital punishment of purgatory.

Why is he so familiar? It seems that I have known him for a long time. Who is he? Why do you think of him that way? Pan caier a series of questions, she is even afraid, he inexplicably fell in love with a nihilistic life in the dream of the man, but now this man actually appeared!

To solve the mystery of Kai, she had to go to him!

Last night, he was in a special mood. Along the way, he was thinking about how to make money. He was just a junior high school student. He couldn't start a business and didn't have the money to buy a house. Although his interest in money was far less than that of women, only with money could there be women.

It's walking. It's already at school.

"You stop." A familiar voice sounded.

Yang Yu looked up and found a school flower, pan caier, standing at the school gate.

Pan caier's appearance in school uniform is really pure. It's hard to imagine that she will become such a coquettish Sao Bi in the future.

"You come with me." Pan caier is a big sister.

Yang Yu followed her into a small alley on the side road. Seeing that there was no one around, pan caier put down her airs and asked, "do you know me?"

Pan caier's tone completely lost confidence.

"Know, the school flower of Wenjiu middle school." Yang Yu replied.

"I didn't mean that. I asked before." Pan caier asked.

Yang Yu frowned, did not understand, asked: "what do you mean?"

Pan caier bit her lip, but she couldn't say it. She couldn't say it. She was a school flower, and she said he was her dream lover?

"I don't know." Pan caier frowned: "you just say, did we know each other before? Or, have you seen it

before? "

"Why do you ask?" This time it's Yang Yu's turn to wonder. It's reasonable to go back to the past. Pan caier can't know you.

"Just answer it. It's annoying." Pan caier said impatiently.

Yang Yu didn't know how to answer her. He gave a wry smile and said, "you should never fall in love with me, because you will kill me yourself."

Yang Yu told her very seriously.

Yes, Lucifer penetrated his body, then Wang Ren and pan caier gave him a fatal blow, penetrating his heart, although he almost lost consciousness at that time.

Seeing that Yang Yu was so serious, pan caier stepped back two steps involuntarily, but immediately said, "idiot, do I like you? Do you want to eat swan? Daydreaming. "

Pan cai'er said that and turned to leave.

After a few steps, she regretted that she clearly hated him. Why did she arrogantly say something that hurt him? She wanted to go back and apologize, but her self-esteem told her not to.

Pan caier's attitude and arrogance make Yang Yu sober half, heart way: am I an idiot? She is my enemy. One day she will kill me. I should kill her now.

But the curiosity about pan caier even exceeds the hatred for her.

When Yang Yu came to the door of the classroom, he happened to meet Li Bi, a class flower.

Ban Hua Li Bi looks at Yang Yu and wants to cry. Is his first kiss taken away by this rascal?

"Hey, if you still look at me like this, I'll kiss you again." Yang Yu very overbearing said.

Is joking, suddenly heard the siren, downstairs abnormal lively.

All the students run out of the classroom and lie around in the corridor.

Chen Bin came up from downstairs. Yang Yu took back his hand and asked, "what happened?"

"In the laboratory building, a body was found and died in the toilet. It looked terrible. I dare to go to that haunted place. I really want to die. Ah, this semester, it's the second time. " Chen Bin shook his head and sighed.

Laboratory building? Toilet? Dead people? These words together, let Yang Yu have a sense of panic, yeqinqin and himself last night there to play than ah.

Yang Yu glances at the classroom. Ye Qinqin stands there quietly looking at himself. He looks very strange. He is probably scared by this.

"It must be a ghost killer."

"I guess it must be the little couple who went there to shoot guns, just like in the legend. The men and women who go there to shoot guns must die well. "

The students talked about it.

Yang Yu thought for a moment, and ran down the stairs to the experimental building. He felt vaguely that something was wrong.

The police have begun to set up a cordon. A teacher explained frantically, pale, a policewoman was taking notes for her, Yang Yu guessed that she might be the first discoverer.

Yang Yu flanked the door and went in.

During the day, the corridor on the second floor was not so gloomy, but it was still chilly. Yang Yu went to the toilet, near the door, he found that there was blood spilling out, but it was dry.

Yang Yu held his breath and went into the women's room.

At this moment, various scenes appeared in his mind. Ye Qinqin closed his body, like a snake riding on his body lingering, so cool that he screamed, two nai son in mid air with ups and downs together, abnormal sexy.

Yang Yu patted his head and said: what do you think?

Yang Yu stepped forward, and the ground was covered with blood. In the box next door where he played with Ye Qinqin, his legs were exposed, and he was wearing a school uniform and red cloth shoes.

Seeing the feet and the red cloth shoes, Yang Yu's eyes glared. When I bent over to see it last night, did I see it?

Yang Yu went to the front, when he saw the body in the box, his face turned blue, and a wave of nausea came to his heart.

The scene in the toilet box is terrible. It's very frightening and cruel. The head is separated from the body. The head is hung on it alone, and the eyes are still open. From the chest to the abdomen, the viscera and large intestine are ripped out, and the next place is full of blood, which seems to be castrated!

The killing methods are extremely cruel, bloody and abnormal.

When ye Qinqin and I were in jiaopei next door last night, he was already like this? When Yang Yu thought about it, he felt the creepy cloth in this box last night.

At this time, Yang Yu suddenly felt a figure at the door.

"Who?" Cried Yang Yu, and ran out in a hurry.

The figure flashed by and disappeared at the end of the corridor. Yang Yu only saw him in his school uniform.

At this time, Yang Yu heard the voice of the police, so he had to go back to the classroom first.

In an hour.

Xiao Qing, a policewoman, called on the police to sort out and preliminarily identify the scene.

"The dead man, male, 16 years old, is a student of this school. He is a gangster with bad deeds in his life. Especially for female students, he often intercepts and bullies them on the way, so he is most likely to kill them. At the same time, from the perspective of the abnormal degree, he is extremely cruel. The murderer should hate him." Report to police officer in charge of background and interpersonal investigation.

Policewoman Xiao Qing nodded, looked at the forensic, asked: "the cause of death?"

Although this question is a bit silly, this head has been split, has been ripped, still need to say?

"To tell you the truth, I really can't be sure. I have to wait for the detailed autopsy conclusion, but initially." The face that female forensic medicine shows is very strange.

"Is it to chop off the head first or to open it first?" Someone asked.

"Forensic said:" shaking his head, he is not very strange

"You said it." Xiao Qing said impatiently.

"It's like he was scared to death. Look at his expression before he died, his pupils contracted sharply,

and they all shrunk to a point. This is fear, extreme fear. Look at his expression, you should see something extremely terrible." The female forensic explained.

"Can't it be a ghost? I heard from the students that this experimental building is haunted, and it's a ghost that can kill you. " Suddenly a police officer interjected.

"Don't talk nonsense. Materialism has been learned in vain. Where is the ghost coming from?" Xiao Qing taught a lesson, and asked: "talk about the scene."

"Fingerprints and footprints are everywhere. Public toilets have not been washed for a long time. They are messy and hard to check."

"The fingerprints and footprints of all people are collected, especially the hair, dander, etc. on the body of the deceased. All the fingerprints and footprints are compared with the students, teachers and logistics personnel of the school." Xiao Qing explained: "especially male teachers and male logistics personnel."

Xiao Qing thought, if the cruel killing, mature men are the most likely.

Xiao Qing looks at the photos of the scene and frowns. This is the second time. The city leaders, principals and parents all put great pressure on her. If she doesn't solve the case, the pressure of public opinion will be very great. If she doesn't do it well, all these students have to attend the class.

The headmaster wanted to stop the late self-study of junior high school students, but think about it, the enrollment rate is more important, and it has not been announced.

Yang Yu didn't pay much attention to it. Although he was at the scene last night, did he go to tell the police that he heard the girl's cry? I saw a thin as firewood, hair, can't see the face, straight floating, wearing red cloth shoes ghost? He doesn't believe it himself!

I have no obligation to solve the mystery of Kai.

After school at noon, Yang Yu is going to find Le Qiuqiu. The girl still owes herself one day and has to come back.

Just about to pass, someone yelled: "Yang Yu, someone is looking for you."

Yang Yu came out of the classroom and found four male students standing in the corridor, each of them quite arrogant. One of them was taller than Yang Yu. He was holding Li Bi's waist and touching her buttocks."I heard you kissed my girlfriend yesterday?" The man glared like a frog.

"Yes." Yang Yu takes a look at Li Bi.

Li Bi's look is also very strange. Theoretically, she won't be afraid of Yang Yucai, not to mention so many

people, but she shrank there and didn't seem willing to be hugged by her boyfriend.

"Good. Let's go." The man said a word.

Yang Yu naturally understood the meaning of "let's go". It's just to settle accounts outside the school, so as to avoid punishment from the school. This kind of fight, he had never fought before, was small in stature and physique. Although he was a poor student, he did not spoil his youth with these bad guys.

Yang Yu followed him. He heard the voices of the boys and girls behind him.

"Ah, brother Xiong is a bully of the school. He has something to do with the people in the street. If it's not good for Yang Yu to kiss, he will kiss his girlfriend."

"Do you want to call the teacher? I think Yang Yu will be hit with shit."

"Is the teacher in charge? outside school. Today, what about tomorrow?"

All the girls made a sweat for Yang Yu.

After class five, I met Pan Caier and her sisters.

Pan Caier's good sister Su Jiajia pulled Pan Caier's skirt and said, "Yang Yu was called by elder brother Xiong. He must have gone to fight. There are four of them. Yang Yu can't fight alone. Shall we go and have a look?"

"Well, look at him beaten, I Shutang, who let him look at me with that kind of eyes." Pan Caier said that kind of eyes, as if he is his woman, let her very disgusted with Yang Yu, but her heart and hate.

The path to the left of the school hall.

On both sides of the lane are dilapidated old houses, usually those bad students hide here, smoking, teasing girls, stopping students for money and so on.

"You kiss my girlfriend? Laozi, I'm still keeping it. NIMA robbed my girlfriend of her first kiss?" The man who called XiongGe wrong number was obviously very angry: "brothers, fight! The woman who dares to touch me."

Yang Yu looks at it. He is just a junior high school student. He really takes himself seriously. But sometimes these thugs have hot brains. Men are always impulsive and hot blooded. They may stab you. That's what happened to his friends in high school.

He doesn't want to go this black road, but he doesn't allow anyone to bully him. Even though he has lost the devil's power, beating these little kids is enough.

"This idiot is a dozen four." Pan caier looked around on the other side, looking worried.

"Why? Caier, are you worried about him?" My best friend asked with a smile.

"How can it be!" Pan caier didn't admit it, but he thought: how can I worry about this guy?

But her worries are superfluous.

Yang Yu beat the four thugs down with a few punches and feet, and then stepped on the chest of the student named Xiong Ge.

Everyone was shocked. Pan caier was also surprised. Naturally, there was Li Bi.

"It's amazing. I like this kind of man." Pan caier's best friend looks at Yang Yu with a look of admiration, a little crazy. Every single word or phrase,

Yang Yu has the stare, saying, "I has the final say in this school, do you understand?"

Yang Yu knows that Xiong's bad name in school is still very bright. He also follows many Xiao brothers.

But this is the first time that he has been beaten to the ground, and it's extremely fierce, leaving no room.

Male brother feels rib sharp pain, feeling broken, he suddenly afraid of this Yang Yu, also bullied before, how suddenly become so cruel?

"I understand." The male elder brother covers his stomach and looks at him in fear. He always feels that Yang Yu has not seen him for a few days. There is something on his body that makes him afraid.

"Besides, Li Bi will not be your girlfriend in the future, understand?" Yang Yu takes a look at Li Bi.

Li Bi doesn't dare to look at Yang Yu too directly. In fact, her boyfriend is not called by her at all. Someone goes to tell her boyfriend. To be exact, this girlfriend is not made by her own free will at all, but also under the threat of male school bully.

"I see. It's not my girlfriend anymore." The male elder brother answers.

"Little boy." Yang Yu uses his feet for a while. In his eyes, these are just children. It's enough to teach them a lesson.

But it's boring to be with these kids.

Yang Yu went out with great magnanimity.

Li Bi looks at Yang Yu and his heart beats. This man has won his first kiss, but he is not angry at all. On the contrary, he has some admiration for him, especially the fighting just now and the domineering appearance now. He is so charming.

"Yang Yu, wait for me." Li Bi quickly followed up, blushing, a little shy, and quickly explained, "they're not called by me, and he's not my boyfriend."

"Oh." Yang Yu is just a cold voice, eyes are looking at the opposite pan caier.

Pan caier turned away.

"Will you treat me to dinner? It's an apology. " Li Bi said.

Yang Yu just looked back, this class flower is also very beautiful, even in school uniform, that nai son is also a big outline.

Are all the women in this school children? My deskmate Ye Qinqin is also so big, and this class flower is also so big Nai Zi.

See Yang Yu staring at his chest to see, Li Bi did not avoid, even deliberately hand back to let the chest more upright.

"If you want to make amends, go to the alley and untie the button. Let me have a look at the size of your milk." Yang Yu teases.

"You." Li Bi was so angry that she could not show her Nai to anyone!

Li Bi takes a furtive look at Yang Yu. The more she looks at him, the more attractive he is. She has never found that Yang Yu is so handsome before: "it's not your girlfriend. I'll show you if you have a girlfriend."

Yang Yu laughed, but also to find the little queen of yueqiuqiu, it is really something to find her, then casually said: "then you will be my girlfriend for a day!"

"Ah? One day? " Li Bi was surprised.

The third day of junior high school, for her, is not only the beginning of love, not only the infinite curiosity about love and the opposite sex, but also the maturity of sex, as well as the embarrassment of her sisters and men.

For example, last weekend, her best friend was played by an uncle netizen. She made an appointment,

met her for the first time, and took photos for her. Li Bi was embarrassed and hungry.

Li Bi had to solve the demand by hand.

Sometimes, she even heard rumors, saying that she is what class flower, long good-looking what use, not even a boyfriend, or a virgin! These words make Li Bi very uncomfortable. Isn't it normal for her to be a virgin in the third year of junior high school? But a lot of students in the class are not at home, which makes her under a lot of pressure.

Yang Yu yesterday inexplicably kiss her, in her heart or emotion left a trace of the wave, like snowball rolling like more and more big.

"If you promise me two conditions, I will agree to be your girlfriend for one day." Li Bi said.

Yang Yu can't laugh or cry, she perfunctorily perfunctory, she also seriously, but do her boyfriend can see her milk? That does not look at the white, asked: "what conditions?"

"First, you should announce that I am your girlfriend in front of the whole class; second, you should take me out to play, go shopping, watch movies and eat delicious food." When Li Bi said the second point, she had a sweet smile.

Yang Yu is to hear out, the first is to satisfy her vanity, the second is clearly this Xuemei want to love ah.

Anyway, one day, it doesn't matter, he said: "what right do I have to be your boyfriend?"

Li Bi's face turned red when she said right, muttering: "a boyfriend is a boyfriend. A boyfriend has all the power."

Yang Yu put his mouth close to Li Bi's ear and asked softly, "does that boyfriend have the right to play with you?"

Hearing the words, Li Bi's face was even more outrageous. She was very hot. She bowed her head and did not dare to answer.

Seeing no answer, Yang Yu said with a smile, "if you don't answer, you will give it by default."

Yang Yule, a day's boyfriend, this is clearly cheating her ah, did not expect that this day's temporary boyfriend can play her aboveboard? Who doesn't like such a good thing?

Yang Yu grabbed Li Bi's hand and said, "go, take you to the class."

In 2000, Wenzhou's real industry was still very prosperous and its economy grew rapidly, which was a big opportunity for Yang Yu.

After school, Yang Yu took Li Bi along Jiangbin Road to eat snacks and watch movies. He was in a good mood.

Li Bi seems to feel like she's in love, so she's in a good mood. Especially when Yang Yu announces that she's her girlfriend in front of the whole class, all the girls look envious, which greatly satisfies her vanity.

After the movie, it's already ten o'clock in the evening.

"I have to go back." Li Bi is a little reluctant.

"You girls are really baffled. I forced you to kiss me yesterday. Don't you hate me very much? Why are you still my girlfriend today? I'm responsible for that!" Yang Yu murmured, before kissing her, that face of disgust and anger.

"Because." Li Bi can't tell. Anyway, Yang Yu's feeling is totally different from that before. He has a kind of man's charm that attracts her.

Yang Yu is frivolous with her cheek. Overnight, ban Hua becomes her girlfriend. I remember that I didn't even dare to think about it before. I still love her secretly. She doesn't care about herself. Unexpectedly, everything has changed after a rebirth.

Can history be changed? Yang Yu thinks about this paradox.

"Why don't you sleep at my place at night?" Yang Yu made a request.

"Ah?" Li Bi obviously didn't expect Yang Yu to make such a request.

"Don't you say no? After tonight, I'm not your boyfriend." Yang Yu is not rare.

"I don't know." Li Bi is biting her little lip. She wants to stay with her boyfriend all night, but what about the family?

After a long time of ideological work, Li Bi said, "do you rent outside? Then I'll go to the public phone booth and make a call home."

Li Bi lied and said that she would not go home to sleep because she was late studying together at her classmates' home and would go back to school tomorrow morning.

Then Yang Yu takes Li Bi back to his rental house.

Just as last night, when I got to the corridor, I heard the voice of the student sister next door. Li Bi was embarrassed. She didn't understand this.

When Li Bi passed the door of the room, she found that the door was slightly open. Through the crack of the door, she secretly looked inside. Li Bi saw a woman, sitting on a boy's body, writhing like a snake, with a crazy voice on her mouth.

No matter how stupid Li Bi was, she knew what it was, and her face turned red instantly.

"What are you peeping at? Come on in Yang Yu opened his door and saw Li Bi peeping. He said with a smile.

"No way." Li Bi ran to the door in a hurry.

Li Bi shared a room with a boy for the first time.

When the door is closed, Yang Yu embraces Li Bi from the back and grabs her two big steamed buns with his hands across the clothes.

"Ah Li Bi struggled for a while, but she didn't leave Yang Yu's arms. She just didn't adapt and said, "Yang Yu, don't do it."

Yang Yu put his head behind Li Bi's neck and asked, "am I your boyfriend?"

"Yes." Li Bi answered in the affirmative.

"Can your boyfriend touch you?" Yang Yu asked again.

Li Bi is silent this time.

Yang Yu has to break her line of defense. Although he can go straight up, this fish has already entered his own net tonight.

"May I?" Yang Yu asked again deliberately.

"Well, yes." This time, Li Bi nodded in embarrassment.

"Take the hood off Kai, I'll feel inside." Yang Yu said.

Li Bi doesn't want to, but Yang Yu is really his boyfriend, and he can. What should I do?

"What? I don't want to touch it. It seems that my boyfriend still has no right. He's a fart boyfriend. " Yang Yu pretended to be angry and left. He jumped into bed and leaned against the ceiling.

Seeing that her boyfriend was angry, Li Bi was worried and said, "no, my boyfriend can do it."

With that, Li Bi took the initiative to walk to the side of the bed, climbed to the inside of the bed and leaned down. At the same time, she reached into her back, untied Kai's hood, pulled it out, threw it aside, and leaned in at the same time.

Yang Yu leaned sideways, put his hands around her back and felt under her abdomen.

"Ah Li Bi gave out a little groan.

This night is another sleepless night.

Yang Yu is not so lecherous, not as handsome as Wu Yanzu, not so much money, but the peach blossom luck is unstoppable. He owes all this to the environment. If he didn't go to a Yunv village full of whores, if he didn't go to such a middle school where the atmosphere is very bad and the girls are very precocious, how could he meet these female students who are eager for a mate?

At this moment, Yang Yu has a choice in his mind. He doesn't want to go to the key high school with boys everywhere. He wants to take the next vocational and technical school. It's said that the vocational high school is a paradise for men!

Gao Feng has been secretly in love with Li Bi for a long time, although he is only one of the boys who secretly love the goddess. But he is the most ridiculed, because the peak is ugly man, toad.

The toad is Li Bi's wrong number for Gao Feng. Li Bi dislikes Gao Feng and feels sick even if she is seen. Especially when she is touched once, she goes to the toilet and washes it no less than ten times.

Because Li Bi was forced to be brother Xiong's girlfriend, he had no choice but to be timid. He was beaten several times when he saw brother Xiong.

So the day before yesterday, when I saw Yang Yu kissing Li Bi, Gao Feng was not good at all. Although Li Bi is not his girlfriend, he always keeps clean. Compared with the buses in his class, he doesn't know how much better. It's also because of this that he insists on liking them.

Last night, he helped his family finish their work and went out for a walk. Unexpectedly, he happened to meet Yang Yu and Li Bi.

Gao Feng is surprised. Li Bi doesn't like Yang Yu?

Gao Feng followed him all the way to Yang Yu's rental house. He was silly. Li Bi, the pure goddess, came

to the room with Yang Yu?

Gao Feng didn't believe it. He put it on the door to eavesdrop, but before long, the light in the room went out.

Then came Li Bi's call to Chuang in the room, and he kept shouting that it hurt so much.

When Li Bi heard of the collapse, he set the peak in his heart.

"This bitch is also a bus, Ma's, bitch." Gaofeng feels that his world has collapsed, his only spiritual support is gone, and the goddess he secretly loves is trampled on by Yang Yu.

The more Gao Feng thinks about it, the more angry he is. The more he thinks about it, the more he hates Yang Yu. The whole person seems to have changed. He's a little crazy. His eyes are full of Xue, not like a junior high school boy should have.

After Gao Feng came home, he wrapped a villain, pricked a villain with a needle and cursed Yang Yu.

You have to know that in this world, there are always some things that you can't explain with science.

.....

The night passed and the next morning.

"It's time for a day. Oh, we have to break up."

Yang Yu didn't want her to be his girlfriend. Although he once fell in love with her secretly and liked her, his heart now is not her, but Yuanxi and Ruoshui.

Thinking of them, Yang Yu missed Yunv village again. He took time to go there and see what it was like now.

"Ah?" Li Bi is lying on Yang Yu's chest. She is just a couple of junior high school students. She looks like an adult world: "can we not break up? I did everything you did in the morning. "

"But I don't promise to like you." Yang Yu said.

"Never mind. I like you enough." Li Bi is very contented.

Yang Yu remembered that it was Saturday and he had to go home, so he dressed and left Li Bi and got on the bus back to another town.

Yang Yu's parents used to work. His father worked three times and did everything on the construction site. Later, he rented a stall to sell vegetables. Later, he went to his cousin's self-employed family to help

him. But when his cousin had an accident and was in prison, he took the self-employed family as his salary and settled it with Yang Yu's father.

But you can't guess what this self-employed business does, that is, it's not the typical shoes and clothing of Wenzhou, nor the core industry valve of the town, but an extremely backward industry that will soon be eliminated by science and technology: abacus.

When Yang Yu got home, his parents sat in the factory downstairs and worked hard. The factory was rented and the house was rented. Yang Yu and his sister lived on the poor profit of the self-employed.

Maybe it's because he didn't discipline Yang Yu well, so Yang Yu has always been a gangster.

His parents have been disappointed in him for a long time, and even ignored him. Living off campus is just what Yang Yu asked for. He cheated his parents that it was for the sake of study. In fact, he just wanted to take his female classmates there for fun.

"Dad, mom." When Yang Yu saw his parents when he was young, his eyes became moist. They were not white haired yet.

For dinner, mother made a delicious table.

"Dad, mom, I'll tell you to sell this abacus factory and use all the money I get to buy a house. In the next ten years, our country's real estate will soar. Moreover, in the future, the Internet and mobile will advance by leaps and bounds, completely changing the whole way of life. This abacus is a backward and eliminated industry. Let's clear it quickly!" Yang Yu said very seriously.

Yang Yu's parents looked at each other.

"Is the child possessed of evil?" Mother worried.

"If you don't study hard, you'll be fooling around all day and reading books for nothing. Is money so easy to earn? Sold, where to eat? Who supports you Father drank a mouthful of wine, sandwiched a piece of fat to eat with relish.

Yang Yu tried his best to persuade them, but it was obvious that a junior high school student couldn't listen at all. Besides, his father was very masculine.

"After dinner, pick up your sister. She's coming to stay here tonight." Said the mother.

"Sister? Which sister?" Yang Yu asked suspiciously.

"Sister Yan, the eldest daughter of your aunt's family." Mother explained.

"Oh, I thought it was Yuanxi." Yang Yu muttered.

Yang Yu has an uncle, three aunts, two aunts and two uncles.

Li Yuanxi, they are the little aunts who have no blood relationship and seldom come and go with each other.

The cousin who is coming is Zhang Yan, who is four years older than Yang Yu. Now she is a freshman, and he doesn't know what school she is studying in.

But this cousin is a great beauty. One summer vacation, Yang Yu went to her countryside.

It's hot. On the rooftop where everyone sleeps together, cousin Zhang Yan is very barefaced and sleeps next to her.

Yang Yu can see half of her cousin's nai son, half a round ball, see Yang Yu nose blood DC.

But the key is that there are only two of them on the rooftop. My cousin comforted herself in the middle of the night, touched her hand and kept panting and groaning.

Yang Yu was so hot that the place was hard, but he could only pretend to sleep.

Yang Yu was deeply impressed by that experience. Cousin is in the heat of youth, it's easy to get in heat, and now it's summer, Yang Yu thinks, this time I'm passing by to stay here, will there be peach blossom luck?

But think about it, a mature woman like her cousin probably doesn't have much interest in him, although Yang Yu's guy is bigger than a mature man's!

But when Yang Yu went to the bus station to see Zhang Yan's cousin, she was still arrived by Jing Yan.

Her height is 170, her slender body is like a young model, her Nai is very big, and her waist is so thin, which is as eye-catching as those car models and peripheral women.

A hair shawl, wearing light make-up, clothes wearing a unique woman's taste, especially inside the bottom of the vest, the beautiful Ru groove perfectly revealed, looking very soft and elastic.

Yang Yu's favorite is this Nai, which feels very good. But he was ashamed of his cousin's idea.

"Why are you so tall?" My cousin Zhang Yan was just as surprised when she saw Yang Yu: "I haven't seen you for half a year. How have you changed so much?"

Zhang Yanting was surprised and the number of his cousin was very thin. I remember half a year ago he was still a short, careless and casual child in the countryside. He was speaking in a swearing dialect, a fly, or a woodlouse son.

But in front of this cousin, clean, neat, tall and handsome, just junior three, eyes also revealed a trace of deep and mature, this is how six months can not change ah? Is it difficult for a woman to be 18 years old and a man to be 18 years old?

"My cousin is more and more beautiful, just like a goddess." Yang Yu is also very sweet to say, but with this cousin, may be the reason for the age difference, always feel it, not very natural.

"It's sweet." Zhang Yan smiles. She even takes Yang Yu's arm and says, "let's go."

Yang Yu's mind came up with a pair of Ju breasts of her cousin, and involuntarily glanced at her chest. The white Ru ditch, shaking and shaking, had a sense of rhythm when walking. This point of PEEK, did not escape the cousin's eyes, reprimand: "look at it? How old is it? You know how to look at women's breasts? "

Yang Yu's face was embarrassed and he could only smile foolishly.

"Looking for a girlfriend? If you want to see it, look for your girlfriend. " My cousin did not forget to tease me on the way.

"No Yang Yu not only saw a woman's nai son, but also felt it flying last night: "besides, it's certainly not as good-looking as her cousin."

"You." Zhang Yan pretended to be angry and knocked on Yang Yu's head, saying: "by mouth. It's like you've seen my cousin's Nai. "

"I did, didn't I? When you go to bed at night, on the roof, don't you wear a hood? It's too wide to be seen. " Yang Yu deliberately mentioned that time.

Unexpectedly, cousin Zhang Yan's face suddenly turned red, very seriously asked: "what else do you see?" Naturally, Yang Yu didn't dare to say that she had seen your cousin for several nights, but the word "return" clearly showed that she didn't care much about the original meaning of what Yang Yu said, that is, she saw your milk.

"No more." Yang Yu replied.

Zhang Yan was relieved and her face returned to its original state.

After the two returned home, his cousin went to chat with his parents. Yang Yu himself went back to a small room in the attic.

This attic is everything in his private space.

On the walls are posters of the four heavenly kings and Gu Huo Zi, as well as a chapter of Yu girl Zhou Huimin. In the drawer, there is a slow cassette. Yang Yu takes out an old-fashioned tape recorder, puts Wang Jie's album in, turns off the light, only looks at the weak desk lamp, and listens quietly. This kind of feeling of returning to the past is very nostalgic.

I don't know how long I've been listening, but there's a knock outside.

Then the door opened directly, and outside stood a woman in a shirt, barely covering her buttocks and her inner storeroom, while Xia didn't wear pants at all, and her two long white legs were like two sausages, straight and tender.

This shirt gives Zhang Yan a special sexy taste.

"I didn't sleep. I want to talk to you." Zhang Yan said, she came in, closed the door and locked it.

Yang Yu was very surprised. In the past, this cousin was very tall. She didn't look at Yang Yu at all, and it was impossible to take the initiative to chat with him. To be exact, in the past, she didn't look at Yang Yu as a man, just as a boy or younger brother. But today, it's a bit surprising that she is so sexy, especially when the two buttons on her shirt's chest are opened by Jie, and the Ru groove looms It's very imaginative.

Yang Yu did not think about the idea of playing this cousin, even if there is, that cousin does not give themselves any advantage, ah, cousin estimate also don't look up to themselves!

## Chapter 524

Cousin Zhang Yan also came to sit on the head of the bed, leaned on the pillow cushion, and put her slender legs straight on the sheet.

The legs are white and tender, just like delicious food, not to mention touching, licking.

If along the leg up to lick, all the way to the bottom of the thigh! Yang Yu gave up his idea of lust. This is my cousin!

"My aunt said that you were poor at study. Now they are working hard to earn money in order to buy you into Yongjia middle school. You have to come on. " When my cousin said this, she was not strong enough, and her study was not very good.

"Key high school, I should not go." Yang Yu is not averse to reading, but on the contrary, after he

entered the society, he really understood that knowledge changed his fate. Knowledge is the best weapon. But now he has read university in his mind. If he is not engaged in scientific research, the knowledge system in his mind is enough for him, and he has more important things to do.

"What about you, sister? Where is it?" Yang Yu turned his head and asked. His eyes unconsciously looked at the shirt on his cousin's chest, and the ditch became more visible.

When Zhang Yan saw her cousin peeping at her chest, she leaned over on purpose. On this side, half of her left chest shook out. When she looked in from the collar of her shirt, she directly saw the half ball of her cousin's left chest.

"I'm at the media college in this city." Zhang Yan replied.

"Local media? Isn't that right next to my school?" Yang Yu thought for a while, it seems that they are very close.

That area is specially designated by the government as a school gathering area.

"Yes." Zhang Yan obviously did not know before. Even if she did, there was no intersection between a university and a junior high school.

"What did you learn?"

"English, but I'm going to be a model in the future. Ah, there are thousands of cosmetics in a month. I'm really short of money." Zhang Yan's idea is still very advanced, and she is also a fashionable woman. She is the most expensive and the best one to dress up. Can she not be short of money!

They chatted for a while and had a good time.

Then, my cousin suddenly went to bed, half sideways, put the slender Mei leg on the sheet and said, "cousin, I'll sleep here tonight."

"Ah? Didn't my mother make you a bed?" Yang Yu asked in surprise.

"Yes. I want to talk to you. Your mother says you're coming back this time." Cousin Zhang Yan pointed to Yang Yu's head melon and said: "you are not very normal here. I'm afraid that you will be damaged by some bad guys or brainwashed by some cheaters. Let me watch you closely."

The first half of Zhang Yan's words is true, and the second half is false.

Yang Yu grins bitterly. He is regarded as a madman. It seems that she can't listen to his cousin.

But my cousin sleeps with me? Yang Yu's heart is beating.

At this time, my cousin stretched her leg into the quilt, then moved inside, and stuck to Yang Yu. Then, she did something to make Yang Yu's blood surging.

My cousin put her foot into the quilt and stretched out to Yang Yu. Then she met with Yang Yu and entangled with him.

Yang Yu's skin is tender and tender. She's very comfortable with her bare legs.

Yang Yu's heart beat even more fiercely. When his cousin's skin touched each other, his androgen soared and he swallowed deeply.

Zhang Yan adjusted her posture, took a pillow and said, "I'm tired today."

Then he closed his eyes and went to sleep.

Do you really sleep here? What should Yang Yu do? I dare not move my legs. If I take them out, I can't put them in.

Cousin's legs and his entangled together, let Yang Yu's big guy slowly hard up.

Yang Yu turned off the music, the desk lamp, and lay down to pretend to sleep.

Yang Yu looked at her cousin and breathed well. The Ru groove on her chest was right in front of her. She had perfect facial features and a faint fragrance.

This makes Yang Yu a little at a loss, thinking: cousin should just borrow the land to sleep, right? No other hint! But other people's legs are all entangled with themselves. Doesn't that imply?

In the tangle, Yang Yu fell asleep.

I don't know when, Yang Yu feels the unusual ceiling. He slowly opens his eyes and sees a woman lying on the ceiling.

Women's hands and feet are like lizards sucking at the ceiling, lying there like a spider, white shirt, slender Chi naked Mei legs, isn't she cousin Zhang Yan?

This scene is too familiar. He was asked by the rich man to exorcise the devil. His daughter looks like this. Is this the devil's upper body?

Yang Yu's pupils contract sharply. Now he doesn't have any exorcism power. He's just an ordinary person. What should he do?

All of a sudden, the cousin from the ceiling fell down like lightning and opened a terrible mouth.

Yang Yu suddenly woke up with fright. At a glance, her cousin was sleeping beside her. It turned out to be a nightmare.

Yang Yu wiped the cold sweat and thought: will these things exist at the beginning? Lurking or the product of a certain person at a certain time?"Why don't you sleep?" Cousin confused asked.

Yang Yu had no choice but to smile.

At this time, cousin Zhang Yan turned over and shrunk her leg. With this shrunk, Zhang Yan's thigh just grazed Yang Yu's big guy.

This makes cousin stare big eyes, heart way: what thing? Should it be? No, my cousin is only the third year of junior high school. How can he be so big? How hard is it? It's hard.

Cousin Zhang Yan swallowed and blushed.

Yang Yu didn't pay much attention to it and continued to sleep. But Zhang Yan couldn't sleep any more.

It's true that women have no natural resistance to big men.

Zhang Yan is no longer a little girl at this age. College, to put it bluntly, for women, is the age of estrus, or the age when Xing wants to become stronger. Do men and women have no idea about sleeping alone?

When he met his cousin, Zhang Yan's heart was pounding, and the place between his legs was wet!

"No!" Zhang Yan bit her lip, trying to control herself, but entangled with her cousin's male leg, which made her crazy.

Zhang Yan's shortness of breath, the body began to get hot, even so easy to estrus?

It's hard to say at her age.

"Sister, what's the matter with you?" Yang Yu is still thinking about the nightmare, and doesn't pay much attention to the change of her cousin.

"No Zhang Yan looked at his cousin, moved to him, pasted closer.

"Sister, how do you get hot?" Yang Yu asked unintentionally, he didn't think that way.

"Do you miss women?" Zhang Yan asked.

Yang Yu realized that he was standing on his cousin's thigh and said awkwardly, "I'm sorry, I'm sorry."

"Ha ha." Zhang Yan suddenly laughed and said, "do you miss women?"

When Zhang Yan said this, she stepped forward and continued to ask, "how long have you not been in love with a woman?"

Poof!

"Sister, I'm only the third year of junior high school." Yang Yu replied.

"What happened to the third day of junior high school? You are not a virgin, are you My cousin said with a smile.

Yang Yu was so embarrassed!

At this time, my cousin put her mouth together, gave Yang Yu a gentle kiss on her mouth, and left immediately.

Yang Yu Leng for a while, looking at his cousin, he suddenly understood that her whole body was hot because she was in heat?

"Sister, are you in heat?" Yang Yu couldn't help choking.

Before Yang Yu finished speaking, her cousin Zhang Yan kisses her. Then she turns over and presses on Yang Yu and kisses him passionately.

Yang Yu felt that her cousin was out of breath and her whole body was hot.

After a while, my cousin took the initiative to leave Yang Yu's mouth, but she was close to each other and looked at each other.

"You're lucky tonight." Cousin Zhang Yan's expression is very strange. It's not too much to describe it as Mu dog.

My cousin leaned down and asked Yang Yu with a smile: "cousin, you can't play with women, can you?"

"I will." Yang Yu is very firm answer her, cousin is like this, she is not afraid of gossip, what are you afraid of?

"But I didn't know about you, cousin." Yang Yu is not the kind of person who has no bottom line. Although her cousin understands this kind of thing, she still doesn't dare to touch it without her nodding.

"Fool, I said, you're lucky tonight. You're going to take your shit." Anyway, Zhang Yu said, "it's not just Zhang Yu's cousin who loves Zhang Yu tonight"

As soon as he finished speaking, Yang Yu kisses her. Of course, this time he's not polite. This kind of door-to-door delivery woman, don't give up. My cousin has said that it's only for tonight. I'm afraid there won't be this shop after she's in heat in this village.

Yang Yu embraces his cousin passionately.

The next morning.

"Get up!" A quick knock at the door!

Yang Yu and Zhang Yan suddenly wake up from their dreams.

"Mom, I know."

"Is your sister in?" Asked the voice outside.

Yang Yu looks at her naked cousin, who is also embarrassed. She quickly covers her chest with the sheet, and then shakes her head to Yang Yu.

"She's not here. What's the matter?"

"It's OK. The child doesn't know where he's going in the early morning. Get up quickly."

And then there was the sound of going downstairs.

They looked at each other and laughed, relieved. Fortunately, they locked the door last night.

There was a silence, and the atmosphere suddenly became a little awkward.

At this time, Zhang Yan saw that her cousin had not yet put on his trousers and quickly took the sheet to cover it.

Yang Yu giggled. When he wanted to cuddle his cousin, she dodged and said, "I said, there was only one night. Last night belonged to you, no limit to the number of times. I can't do it now."

Just now, Zhang Yan was completely awakened by her aunt's cry. She patted her head hard and regretted that Yang Yu was her cousin. She was with him last night!

"Don't tell anyone about it, you know?" Zhang Yan said, biting her teeth, said: "there is no next time, this is the only time."

With that, Zhang Yan went to put on her clothes and trousers.

Yang Yu is a little lost. It turns out that her cousin was really purely in need of physiology last night. She thought she fell in love with herself!

Looking at her sexy figure and pretty butt, Yang Yu missed her cousin in Yunv village again.

Seeing the loss on her cousin's face, Zhang Yan added: "you are blessed in the future. I don't know how many women you want to harm."

"Why?" Yang Yu asked.

"Because you are very big. To tell you the truth, women have no resistance to that big guy. Do you know what elder sister means?" Said the cousin.

Cousin Zhang Yan put on the Ku and shirt, and turned back to the pure woman, didn't feel the hunger last night.

It's a pity that such a beautiful cousin can't be touched in the future! Yang Yu is still very sorry.

"Elder sister, in the future, if you have money, you will buy a house when you save it. If you don't have money, you will borrow money and borrow money. Don't be afraid. Before long, RMB will become very expensive. You must remember what I said." Yang Zhengyu said very seriously.

Zhang Yan laughs. She doesn't care at all. Then she opens the door and sneaks out. Ah, Yang Yu sighed. He thought that he would be able to turn the world upside down if he went back to the past, but he found that the smallness of the individual is far from being so good at controlling the lifeblood of history and society.

When Yang Yu left home, on the ceiling of his attic room, there were four marks, which were fingerprints and footprints. But Yang Yu did not find it.

Because of his height and high mind, Yang Yu can't see what he looks like in the third grade of junior high school. He has a gentlemanly demeanor in his bad mood. His young face has formed a sense of disobedience.

It's inconvenient to contact people without a mobile phone.

Yang Yu has to go to the little queen Le Qiuqiu in person. All the shops on the road are playing the same song, the new song "single love song".

The post-90s music industry can no longer be subverted.

Yang Yu once again experienced this wave, he vaguely felt the call of his heart, music has always been the greatest pleasure in his spare time.

Although Le Qiuqiu's house is not a luxury villa, it is an independent three story house with an Audi A6 on the first floor.

"How did you come here to find me?" Yue Qiuqiu was surprised to see Yang Yu outside the door.

"Isn't that your default? So I came. If you don't, I'll tell your parents to go, tell all the girls in the school to go, so that you don't want to be a man in the future. " Of course, Yang Yu is not that kind of person. He just scares her.

"You." Yue Qiuqiu was so angry that he gnashed his teeth and muttered in his heart: it's Zhang Qi's fault that he said he couldn't do anything. I think they colluded with each other on purpose. How could Yang Yu do those problems!

"I haven't thought about it yet. You can give me a few more days." Le Qiuqiu lost all his gambling. What else can he do? I have to act in a coquettish way.

Yang Yu does not eat her this set, walks directly to her home.

"Hello." Le Qiuqiu was in a hurry. He grabbed him and called out: "can you change the bet?"

"Yes." Yang Yu agreed on the spot, and he waited for her.

Yue Qiuqiu was very surprised and happy, and asked, "what do you want to change?"

"Lend me a hundred thousand dollars." Yang Yu said directly.

"What? Borrow money? 100000? I have one hundred, and I'll look for one hundred thousand. " Le Qiuqiu didn't expect that he made such a strange request.

"With your father's family property, is it OK to borrow 100000 yuan? I'll write you an IOU. I won't default. " Yang Yu said very seriously.

"I'm not afraid you'll default. But how can I borrow it? My father has the money Yue Qiuqiu is in a dilemma.

"It depends on your ability. It's good to be coquettish or to cheat. You can deal with it by your understanding. I only give you one day, one day. " Yang Yu is gesticulating.

It's hard for Le Qiuqiu, but it's better than sleeping with him, right? It's a shame to be known.

Le Qiuqiu thinks about it. His father's weakness is not his own splashing and fighting, but his compassion.

Finding his father's weakness, Le Qiuqiu designs a big lie, and then goes to the factory to find his father.

Just entered the office, Le Qiuqiu pretended to cry.

"What's the matter, baby? Who bullied you? " Father immediately put down the work, to appease:  
"what's the matter?"

"I have a classmate who is terminally ill and wants to have a liver transplant. If he doesn't, he will only have a few days to live. He's very poor." Le Qiuqiu cried very vividly.

"Ah? Then do it. " Said the father.

"My family is poor. I have no money. Liver transplantation costs 100000 yuan." Le Qiuqiu said the purpose, covered his face and cried, but also secretly aimed at his father.

Yang Yu tried to recall what happened in 2000. Buying a house is definitely not his first task now. It needs capital. What he has to do now is to make use of the first bucket of gold to make money.

So the fastest place he thought was the stock market.

He doesn't know much about the stock market, and bat hasn't come out yet. He tries to recall those enterprises that survive in the market many years later, which will surely rise.

At the age of 16, I can ask my guardian to take my ID card, and then go to apply for bank card, account number and other information. I'll wait for the achievements of Le Qiuqiu.

awesome Le Qiuqiu act tough and talk soft and hard, his father still lost.

Father took the money to le Qiuqiu. He was going to see his classmates in the hospital, but he was too busy to leave.

So her father insisted that her sister go with her, but le Qiuqiu didn't agree, but there was no way.

"Did you lie?" The second sister questioned her sister.

Le Qiuqiu's second sister, Le Qiuxi, is now in high school. She has a good relationship with her sister, but she is a bitch, even a bus.

Yueqiuxi has a special charm. Although it's only high school, it's very feminine.

Le Qiuqiu can't say it now. Let's take care of Yang Yu first and then take care of her sister.

At the appointed place.

Yang Yu has been waiting there for a long time.

"Is he your incurable classmate?" Yue Qiuxi looks at Yang Yu suspiciously and immediately responds:  
"are you cheating dad? How about taking the money out of Kaizi? "

Lose the Kaizi? Yang Yu has a black face.

"But he's very handsome." Yue Qiuxi boldly looks at Yang Yu in front of him.

Yang Yu didn't pay attention to her. He took the money from Le Qiuqiu's hand, handed her an IOU and said, "I will return it to you as soon as possible." Then he took the money and ran to the bank.

"Is he your classmate? A liar? " Yueqiuxi is still very cautious.

"Sister, let me explain." Le Qiuqiu didn't go after her and explained it to her.

The two girls don't care about 100000 yuan at all.

"You are a handsome boy. I'll make an appointment to play some other day." Yue Qiuxi has some ideas.

Well! Autumn has a black face.

Yang Yu took the money, deposited it in the bank, and took the bus to the trading hall before the market closed.

Looking for stocks on the screen for a long time, very cautious, this is a one-time investment, is Du Bo, bet lost can be miserable.

In this era, computers are not popular, not to mention using Baidu to check data. Yang Yu's judgment on the trend of the stock market is zero. The only thing he can trust is his memory of the future. The only thing Yang Yu remembered in

2000 was the Internet bubble, and technology stocks surged.

Yang Yu is all on a technology stock.

Yang Yu must think about getting money from the bank, but how?

Unless you go to an investor and present your vision of the future, who will believe a junior high school

student? And maybe steal your future ideas.

After this was done, Yang Yu went back to the rental house next to the school.

Passing by the school lane, Yang Yu heard a little noise.

In the dark lane, Yang Yu sees a man lying on a woman's back. The man's trousers are half taken off and he is preparing for a match like two dogs.

"The world is declining." Yang Yu didn't care at all, but the woman was fighting hard and shouting for help. It was clear that she met the traitor of Qing, and the woman's voice was very familiar.

"Miss silk?"
