

Sensualist's 91-100

Chapter 91

Yang Yu opened wechat, searched the nurse's wechat account according to the mobile phone number, and said hello. Unexpectedly, soon the other party added friends.

Yang Yu simply recognized the other party's head through wechat, but he didn't realize it.

"What happened to your last question? Hee hee. "

Qiu Yan was really shocked when she saw Yang Yu last time. She couldn't believe that Chinese people could be so big that she hoped to make a friend with Yang Yu by chance. However, after waiting for several weeks, there was no news. She suddenly contacted her tonight, which made her very happy.

"Hard up is no problem, but the desire is very strong, every time is a night, there will be no problem?" Yang Yu truthfully said that since the withered and hardened again, he first worked for Xie Qiuqiu and Lin Yina all night, and then Yang Lin, Xiao Mei and Lin Yiyi worked for several hours, which seems a little too much.

"All night? Wow, you exaggerate. Is that your girlfriend? " After listening to this, Qiu Yan worked all night, itching in her heart, thinking: which girl is so happy.

"Hehe, she's a high school girl." Yang Yu returned.

"No, you even work with your classmates. It's a good night, but it's normal. Don't worry. Why don't you show me your guy? When it's hard, I'll see if there's a problem. " At this time, Qiu Yan is lying on the bed of her bedroom, reading a novel and chatting with Yang Yu. She is very excited and thinks: God, he is so powerful that he can work all night. I don't know how old he is.

When Yang Yu heard this, he thought it was reasonable. His guy was so big and thick. In case he was really ill, what should he do? He turned to look at Xie Qiuqiu and saw her playing with her mobile phone, so he got up and went to the toilet.

Now Yang Yu has a strong desire. It's just that he didn't work as a woman yesterday. As soon as he concentrated, he took photos with his mobile phone. Then he came out and sat back on the sofa and sent photos with wechat.

Qiu Yan swallowed her breath when she saw the photo. The last time she saw the size of Yang Yu when she was soft, it was already amazing. When she saw the appearance of Yang Yu when he was hard, she immediately choked: my God! Woo! I wish it was my boyfriend.

"How long and thick are you?" Qiu Yan pretends to be very calm and consults Yang Yu.

"20 cm long, 15 cm perimeter." Yang Yu returned a rough data.

Qiu Yan was not surprised, but was shocked.

"I've seen the photos. There's no problem with the shape and color. There's no bubble. It should be OK. Is there any other discomfort? Such as itching, redness and swelling?" Qiu Yan still pretends to ask seriously, pretending to understand very well. In fact, she is only an intern. Although she is her own major, she doesn't have much practical experience after all.

"Then I'm relieved, thank you." Yang Yu returned a smile expression, in the heart also relaxed tone, the doctor said nothing, it must be OK, the doctor has always exaggerated the condition.

Yang Yu looked at the time, 8:30, but Xie Qiuqiu's sisters still did not come.

But Qiu Yan doesn't follow. When she listens to Yang Yu's reply, she seems to be saying goodbye, but it's normal. People just come to inquire about their health, not to chat with you. Now that the problem is gone, she naturally wants to say goodbye, but Qiu Yan can't bear it.

"How often do you do your girlfriend?" Qiu Yan continued to ask, trying to put the topic forward.

"I don't have a girlfriend." Yang Yu told a lie. Although there is Li Ruoshui, Li Ruoshui won't let him do it. What kind of girlfriend is this.

"Is your high school girl a one night stand? You have such a strong desire to do more, or you will suffocate your body." Qiu Yan really made herself a doctor.

In fact, Yang Yu doesn't have no girl to do it. At noon or after school, he can go to Zishu or Xiaomei to work in the attic for an hour. It's just that Yang Yu wants to taste the freshness, taste the taste of different women, and like to play one night stand. Therefore, Li Ruoshui is actually a kind of burden and constraint for Yang Yu, but there's no way. If Yang Yu wants to do Li Ruoshui, his girlfriend is a girl Good excuse.

"Who are you looking for? Can I make an appointment with you?" Yang Yu joked casually. Now he doesn't have time to make an appointment in the county.

"Ha ha, I can't stand you working all night." When Qiu Yan hears that Yang Yu is going to make an appointment with her, she is very happy, but she can't promise right away.

On hearing this, Yang Yu suddenly became interested in chatting and thought to himself: it seems that he didn't refuse me? Is there a play?

"And you? How often?" Yang Yu is also curious, like chatting with friends, and no longer regards her as a nurse.

"I haven't done it for a long time. It's been more than a year since we broke up." Qiu Yan also truthfully

replied that she broke up when she was a junior, and now she is a senior, and she graduated from university this summer.

"No engagement this year? You don't want to be bad? How many men have you been fucked by?" Yang Yu also followed the temptation and flirtation.

Qiu Yan thinks it's a shame not to be done by a man for a year, but she has been doing it for a year. Especially recently, in spring, she has more and more libido and can't hold it any longer. So she directly evades this question: "two men have done me." "Are they all boyfriends?" Yang Yu also came back very quickly.

"A boyfriend and a classmate. My boyfriend was raped that time." Qiu Yan returned.

"Rape? It's so exciting. Let's talk about it." When Yang Yu heard this, he was even more surprised.

"That day, when I was drunk and confused, he sent me home. In the small lane, he raped me." Qiu Yan thinks of that night, but she still feels very exciting.

"Did you resist? Did you enjoy being dried Yang Yu joked.

"I'm in a daze. I don't even know if he takes off my pants. I feel very happy, so I don't resist."

"It's not rape. You're voluntary." Yang Yu thought that she was really raped, which was clearly voluntary, pretending that she didn't want to be raped.

What Yang Yu didn't expect was that the nurse mm would tell her all the privacy. When she talked about the rape, Yang Yu also wanted to rape Xie Qiuqiu. Suddenly, she had a desire to rape Xie Qiuqiu and continued to ask: "what about the boyfriend? Did you do a good job?"

"He met on the Internet. He did it the first time I met him. He did it generally. He was not as big as you, and he was not as fierce as you." Qiu Yan a contrast, all of a sudden feel ex boyfriend guy too thin too short, really did not feel.

"The first time we met? It's so good for male netizens. Why do you want to meet me for the first time?" Yang Yu's heart is more and more lustful. I didn't expect that this girl is so open. How can she miss it? Of course, I have to work once to be satisfied.

"Don't netizens open rooms when they meet? I'm not familiar with you. Why do I do it for you? You can ask someone else for a date." Qiu Yan replied.

When Yang Yu heard this, he was disappointed again. He felt that it was no longer possible, so he changed the topic: "how many times do you work with your boyfriend a week?"

"Twice."

"So few." Yang Yu deliberately said that it was less. In fact, this is a very normal number of times.

"Yes, it's too few. My roommate does it five or six times a week. My boyfriend is not very good. I'm not satisfied with his work. I can't satisfy him very often."

Because it's wechat, Yang Yu can't see each other's expression when they say these words, so he can only guess.

"Then why don't you go to a fireman?" Yang Yu returned.

"Hee hee, it's OK, but I like the powerful and bulky ones, which can satisfy my needs." Qiu Yan likes big guys. In fact, no woman doesn't like big guys. Yang Yu has a big guy. I don't know if this is a hint.

Yang Yugang wants to say, is my big? I can do one night. Can I satisfy you? But suddenly heard a knock on the door, Yang Yu a listen, know, Xie Qiuqiu sisters came, had to pick up wechat, back sentence: I have something to talk about next time.

But I don't know when it will be next time. In the mountains, there is no signal at all, and wechat can't be used, alas.

When Qiu Yan heard this, he was chatting about it. He thought that he was scared away just now? Or does he mind because he was raped by his classmates? Qiu Yan suddenly became irritable. Maybe something was really wrong, but at least he knew Yang Yu's micro signal. He still had a chance to chat later, so he said, "OK, I can meet you next time."

Qiu Yan doesn't know if Yang Yu knows the implication, but Yang Yu has quit wechat.

"You open the door." Xie Qiuqiu is playing a mobile game and tells Yang Yu.

Yang Yu got up from the sofa and went to open the door. As soon as the door opened, he saw four beauties standing outside. Yang Yu was startled: God, so many beauties?

Chapter 92

"Hi, handsome boy!"

Before Yang Yu spoke, the four beauties said hello first. Yang Yu nodded with a smile, and the four took the initiative to go in, as if this was their second home.

When the three men walked in, Yang Yu heard one of them say: "they are pretty good looking, very handsome." But looking back, I found a beautiful woman still standing.

"Brother Yang Yu, do you remember me?"

"Sister Yingying, of course I remember." Yang Yu sees, this is not Ying Ying, last time in the bar with autumn autumn together, also a thousand yuan to Yang Yu accompany her one night, the result did not succeed.

"Sister, what sister." Ying Ying gave a white look and entered the room.

The first floor of Xie Qiuqiu's single apartment is a big living room, the second floor is the bedroom, and the third floor is relatively empty. The big living room is decorated very luxurious, the light is also very bright, the ground is high-grade floor, smooth and comfortable. Sofa is more spacious, soft, pure cotton, whether lying to sleep or shooting are very suitable. Sofa into L-shaped, especially in the corner, is a large area, can sit several people, very comfortable.

When Xie Qiuqiu saw the sisters coming, she naturally put down her cell phone.

"Yang Yu, go to the refrigerator and take out the beer, then go to the cellar and get some bottles of red wine." Qiuqiu said, and then chatted with her sisters, and the atmosphere became lively.

Yang Yu can only obediently go to the refrigerator to pick up a dozen bottled Budweiser, and then go to the cellar.

"Is Qiu so obedient?" Asked one of the beauties.

"That's, he cooked the dinner and served me, ha ha." Qiuqiu felt very proud, especially the rich second generation came here to see Yang Yu.

"How big is it? I want to see it now. " Another beauty also asked a sentence.

"Do you want to be so hungry and thirsty? How to say, you are also my high school classmate. How about being reserved?" Qiuqiu looks white on purpose.

There are three women in a play, and now there are five women. Yang Yu doesn't know what he will be like tonight. I didn't expect that there was such a secret cellar in this apartment, and there were a lot of good wine in it. Is Qiuqiu also a drunkard.

Yang Yu took a few bottles with him. Anyway, he didn't understand. When he came out of the cellar, he seemed to hear another cat cry. Was it the black cat again, but the black cat couldn't hide in the cellar.

By the time we got to the living room, the beauties had already been drinking around the city, and they also brought out a lot of snacks. It is estimated that they bought them along the way.

"Yang Yu, come and sit here and introduce my beautiful sisters to you." Xie Qiuqiu took a sip. Everyone turned around and looked at Yang Yu boldly. On the contrary, Yang Yu was a little shy when facing so many beautiful women for the first time.

No way, hard scalp, also sat on the sofa next to Xie Qiuqiu, Xie Qiuqiu handed a beer, said: "first a can of fine, drink up."

"Drink up? So much. " Yang Yu touched his head. How could he drink directly as soon as he came here? I don't drink as much.

"I'll let you drink, and you'll drink it up." Xie Qiuqiu let you drink, also need reason, originally, these people are ready to drunk Yang Yu.

Yang Yu can't help it. A group of beauties are staring at him. Can he stop drinking? I had to raise my head and gulp.

In fact, Xie Qiuqiu just wanted to prove that Yang Yu listened to me and satisfied her vanity in front of her sisters.

When Yang Yu finished drinking, he felt that his stomach was already swollen.

"Good performance. Let me introduce my sister to you." Xie Qiuqiu said, this tone is a bit like you are my slave, and then pointed to the nearest beauty beside, said: "her name is Xia Tong, her father is the deputy director of the Municipal Education Bureau."

Yang Yu looks at her with a smile and looks at her carefully. The girl is elegant, noble and self-restraint. She has curly hair and is very feminine.

Then, introduce the second one. The second one is Ye Qinqin. Yang Yu can see at a glance that this is a whore. Her mouth is very sexy and her cleavage is completely exposed, which makes Yang Yu hot.

"Don't stare at me? I'll give it to you in the evening. " Yang Yu just glanced at her cleavage. Unexpectedly, ye Qinqin said it directly, which made Yang Yu very embarrassed.

"Ouch, who let your breast so big, men are good at it. Let Yang Yu have a good look." Qiuqiu is joking and everyone is happy together, but Yang Yu feels that he is out of place with them.

It's not a good feeling. Yang Yu thinks that maybe it's because of the gap between her identity and them that she is not so confident, or even a little unable to hold up her head. If she is a rich generation and supports this group of girls, it is estimated that the initiative of this party will be in her own hands.

Should I take the initiative back? Yang Yu is thinking about this problem. What kind of capital should he use to rob? Only your own body.

The third is also the second generation of rich people, named Su Yan. Su Yan is the most beautiful one among the five people. Her figure and face are perfect. She has a good match with Su Xinqi next door, and her temperament is also the best. Yang Yu also likes her best. She looks quiet and not so unusual. The rest of Yingying Yang Yu has already known her. To put it bluntly, Yingying is a rotten

product, and she is also the most thirsty one. It seems that she is also following Xia Tong and mixing with Qiu Qiu. In fact, it's attachment. Her father used to be a rich man, but now he's gone.

It seems that she is also very noble and noble. In fact, in private, as long as she is a man, she can go to her. Of course, Yang Yu and her sisters don't know about these things.

"Yang Yu, you have to wait on us tonight. Then, my sister will reward you." Xie Qiuqiu said blatantly.

"What is waiting on you? I'm not a duck Yang Yu retorts, I don't listen to Xie Qiuqiu for everything.

When Xie Qiuqiu heard this, he became angry: "I said you are a duck. You are a Duck tonight." Staring at Yang Yu, the smell of gunpowder is very strong.

Yang Yu really resisted. I'm not a duck, and I didn't take any money. I asked you for help, but I owe you a favor. But the favor is not paid like this. Yang Yu was angry, and finally decided to take the initiative back, in any way.

"Who begged me to do it last time?"

Yang Yu also doesn't know why Xie Qiuqiu wants to pull a group of sisters over and let him serve them. What is this not duck? I have a serious job. I'm a village teacher who serves the people. So, just shake out what happened last time. Although it happened last time, Xie Qiuqiu must have told her sisters, otherwise they would not come.

Yang Yu didn't even know what it had to do with these sisters coming to the party? What's more, they are all aimed at Yang Yu's friends.

But can you make it clear?

As soon as Yang Yu's words came out, the other four had already fallen on the ground with a smile, while Xie Qiuqiu's face was angry: "who the hell asked you to make me?"

"I believe, Qiu Qiu, you are so coquettish. Who didn't you ask for that night?" Ye Qinqin followed.

I didn't expect that all the beauties would come to Yang Yu's side. In fact, they are not happy with Qiuqiu because Qiuqiu takes herself seriously. She always thinks that she is the queen. In fact, she is just a man's doll.

"You even bully me with outsiders. When you see the big guy, you forget me, don't you?" Qiuqiu still pretends to be very angry, but when she thinks of that night, it's really amazing. Later, she really can't stand it, so she always asks for mercy.

"I just want to know, did Qiuqiu beg for mercy that night?" Ye Qinqin coaxed with him, and others coaxed with him. Yang Yu was suddenly in a good mood. In fact, everyone was friends. They were not

humble or noble. They were just people, men and women, who needed to satisfy each other.

"No Xie Qiuqiu simply returned.

"Yang Yu, did you say she did?" The other four asked in unison.

"I said she would be naughty. I'll let her beg for mercy to show you that night." Yang Yu didn't expect to cooperate with these beauties very well.

"Well, I'll take a picture of Qiuqiu and spread it to the Internet for everyone to see. Ha ha." Yeqinqin has a big mouth and a strong taste.

"Cut, be careful of yourself, don't be caught when I beg for mercy."

This conversation suddenly enlivened the atmosphere. Of course, Yang Yu thought it was all a joke, but they didn't think so at all. After a toast, Yang Yu didn't get together with his friends for a long time. Although these friends have just met, it's really good that they can fight together immediately, let alone a group of local tyrants.

Who doesn't want to be friends with local tyrants? Not to mention a group of local tyrants.

"Let's play cards. If you lose, drink a can of wine." Xia Tong suggested.

"It's boring just to drink. How about a loser taking off one of his clothes?" Ye Qinqin doesn't think it's exciting enough.

"Is that all you have? Who was clamoring for a video just now?" Xie Qiuqiu is even more reluctant: "the loser, give my classmate Yang Yu some welfare, go to the toilet to play."

Poof!

Yang Yu vomited blood on the spot!

Chapter 93

This is not a little welfare. It's a big welfare. Yang Yu can't believe that these beauties will be so open. He thinks it's just a joke of Xie Qiuqiu.

"The loser should drink a can of wine and take off one of his clothes. The winner can choose to love Yang Yu." Xia Tong said.

"Go to the toilet, sofa. Isn't that good?" Su Yan also replied.

God, these five beauties are all whores. Yang Yu is really happy now. Can you do five of them at night? It can't be true. But look at the tone of their speech, it seems that they are not joking.

The initiative had to be taken back, but Yang Yu still didn't believe it, so he tried: "what if I win?"

"If you win, you can choose any of the five of us to do anything." Xie Qiuqiu said happily, as if she was also very excited at night.

"Really anyone, anything?" Yang Yu still doesn't believe it. He thinks they are dumping him.

"Yes." Xie Qiuqiu's affirmative answer.

Yang Yu looked around, it seems that there is no objection. Is that true?

"Let's play like this. Everyone will fight with Yang Yu once. If you win, Yang Yu has to listen to her tonight. If you win, Yang Yu can also ask the loser to listen to her tonight." Yingying is more experienced in playing. After all, six people are not sure whether they will win or lose.

"Yes." Ye Qinqin agreed first, and others agreed. Yang Yu thought that this method was better, and one game would decide the outcome.

So the war began. A deck of cards, similar to the fight against the landlord, three sides, one side is dark, two people fight each other, who runs fast first, who wins.

The first one on the stage was su Yan. Unexpectedly, the other four people all ran to the opposite side to help her out.

In fact, Yang Yu's card is OK. After calculation, he thinks he can win. At night, he lets Su Yan eat himself. Yang Yu is happy.

"Sister Su, don't hit this one. Hit this one."

"Don't listen to her. Hit that one."

You say a word, I say a word, but make su Yan dizzy, Yang Yu think this game victory is in hand, seems to have seen Su Yan wait in the toilet licking his mushroom head.

So Su Yan threw a card down.

Yang Yu was stunned, staring at him and lost.

"Ha ha, I won, classmate Yang Yu. You will die at night." Su Yan has never been so happy, not only because he won, but also the first, the order is very important.

Looking at her happy appearance, Yang Yu thinks she is very lovely.

The second player was Xia Tong, who lost again. Yang Yu thought it was evil.

Isn't that bad luck at night? In the third set, he lost to Ye Qinqin? It's impossible.

Only Yingying left Qiuqiu, especially Qiuqiu. Yang Yu felt that he had to win. Just now, the boy was obviously angry with me and didn't let her suffer some losses. How can he teach her a lesson?

As a result, it's really a good time to win Yingying's grievance.

Qiu Qiu is the only one left. They fight bravely and wisely. They won the final card.

"No way? It's just a little bigger. " Qiuqiu is very angry. Looking at Yang Yu's proud appearance, she knows that Yang Yu won't give her a good look tonight. It's estimated that she will lose her face. But what can I do? I'm willing to accept defeat.

"As long as you win, that's enough. Ha ha. "Yang Yu also made fun of others.

"Yang Yu, would you please go to the bathroom with me?" Ye Qinqin seems to be the first one to take the initiative.

"Hey, I'm the first to win, OK?" Of course, Suyan won first.

"Oh, why are you so stingy? I've got my share. I'll borrow ten minutes." Then ye Qinqin took the initiative to pick up Yang Yu and left. He went to the second floor instead of going to the bathroom on the first floor.

"You see how anxious she is." Su Yan said with a smile.

"Her mouth is itching again, just let her go." Xia Tong also followed to smile.

There was no light on the second floor. It was dark. Along the stairs, ye Qinqin didn't seem to be ready to turn on the light all the way. Relying on a little light of the mobile phone, ye Qinqin entered a room and locked the door.

They are alone in this room, which is also a bedroom with a bed and simple layout.

"Come here and stand in front of me." Ye Qinqin said, her face a little red, and she sat down by the bed, turned on the lamp, took out her mobile phone and handed it to Yang Yu: "wait, you turn on the video function to take a picture."

Yang Yu also went to her side, took the mobile phone, but did not know what the other party wanted him to do.

Then, ye Qinqin stretched out her hands, abruptly went to untie Yang Yu's trousers, and looked up at

Yang Yu: "you are mine now. You can't refuse what I do."

Yang Yu can only say that he is willing to take the gamble and admit defeat. He only hopes that his sister will not play too much.

Ye Qinqin was still very nervous. When she saw the outline, her heart was beating. Last time I heard Xie Qiuqiu's description, my heart has been itching. Now I'm in front of myself. Can I expect it?

Yang Yu has already turned on the video function of her mobile phone and started shooting at Ye Qinqin. Looking at this posture, Yang Yu has figured out what she wants to do, and is even more excited. He didn't expect to find such a big bargain today.

Sure enough, the city is much more open than the countryside.

When ye Qinqin saw the whole size of Yang Yu, she was really frightened.

"My God Ye Qinqin has an incredible expression on her face. The reason why she let Yang Yu take a picture of it is that she can show off in front of her sisters in the future.

"I want to eat." Ye Qinqin was suddenly on fire.

After about five minutes, Yang Yu drank two cans of beer and suddenly felt like urinating.

"Wait a minute. I'm drunk and want to pee." Yang Yu said, this beer is fast, I want to go to the toilet, but I see that ye Qinqin is still eating.

"Stop. I'll go to the bathroom." Yang Yu feels more and more anxious about urinating and has to go to the toilet.

But at this time, the door suddenly opened, Xie Qiuqiu, Xia Tong, Su Yan, Yingying four people appeared in the room at the same time, looking at Ye Qinqin.

"Wow! Yingying, you are right. She is..." Su Yan said excitedly, four people ran to Ye Qinqin in front in a hurry.

Yang Yu only took off his trousers to his little ankles. He was looked at by a group of people. He turned off his cell phone, threw them on the bed, pulled his trousers and went to the toilet to wash.

When ye Qinqin finished washing, he went out of the bathroom and yelled, "how can you do this? I locked the door and came in."

"Where did we know you had such a strong taste?" Su Yan held up her mobile phone and shook it. It turned out that just now, the four of them had seen all the videos they had just recorded, which made them very frightened.

It's as if I'd like to have a meal.

When Yang Yu came out, the four of them began to coax again:

"It's Qiuqiu's turn. We want to see Qiuqiu beg for mercy." Su Yan, Xia Tong, Ying Ying called out with one voice.

"You" Qiu Qiu was so angry that he couldn't hold a word out. He looked at Yang Yu awkwardly.

Yang Yu Leng is there. The scene just now has embarrassed him. Do you want to ask Qiu Qiu to beg for mercy in front of everyone?

Chapter 94

"Classmate Yang Yu, tonight, Qiuqiu will listen to you. Can't you exercise your power?" Su Yan said with a smile.

As soon as Yang Yu heard it, he remembered that ye Qinqin was exercising her power just now. However, the welfare made Yang Yushuang feel quite comfortable. This is the first time in his life that he has been treated like this by a woman.

Yang Yu looks at Qiuqiu. Qiuqiu knows that she's finished. He thinks: how can I stand being played by these sisters? They still have to take photos and pass them on to the Internet. What can I do if they are seen by classmates and friends?

"Climb up to the bed and take off all your clothes." Yang Yu said with a smile, this is a hidden sword in a smile, others immediately applauded.

"You" Qiuqiu bit her lips, so angry that she couldn't say a word. She was stunned and didn't know what to do.

"Qiuqiu, you don't want to break the rules of the game, do you?" Yingying also wants to see how miserable Qiuqiu, who has always been a queen, will be abused.

Everyone looked at Qiuqiu. Qiuqiu knew that the disaster could not be avoided: "take off, who are you afraid of? If Yang Yu can't do it, hehe, you can't do it tonight, ha ha." Qiuqiu suddenly feels that she has picked up a bargain. If she wins, she will cry for her four sisters.

What is Qiuqiu shy about? Yang Yu has done his own work, so he takes off his clothes neatly. Of course, urban girls wear bras. Other sisters have already taken out their mobile phones to record videos.

"Keep taking off." Yang Yu continued.

Autumn white eyes Yang Yu, thought: this account sooner or later let you return. But this time, we can

only let him show off. Who let him lose the card game. Then he took off his bra and two breasts popped out. Then he bent down, took off his underwear, and covered the forest with his hands.

"Yang Yu told her to take her hand away." Su Yan said. Yang Yu found that he cooperated best with Su Yan. He thought to himself, I don't know what the taste will be like when she starts to work?

"Take your hands off and lie down in bed." Yang Yu continues to say, autumn autumn again white one eye, but obediently obey.

Yang Yu walked up to her and took off all her clothes and trousers in front of all the women. Suddenly, she showed all her muscles. Her strong body made them want to stop. They all swallowed deeply, hoping that the person lying on the bed was not Qiuqiu but herself.

Everyone was very excited.

But at this time, all of a sudden, the room of the room was kicked in again, and the people turned to have a look.

"Mr. Murong?" Yingying was the first to call out.

When Yang Yu saw a stranger coming in, he let go of his hand. With Yingying's cry, Qiuqiu responded immediately, because the name is too familiar to her, and she is a man who keeps cutting with herself.

In fact, Qiuqiu and Yingying both had sex with Murong. Yingying broke up with Murong when they were still girlfriends. Xie Qiuqiu caught them on the spot.

But it's not so easy to break up. Murong begged. However, it's just acting on the spot. Before long, he made a woman behind his back. That woman was the one he met in the bar last time, and she was still very old.

As a result, the relationship between Murong and Qiuqiu becomes more and more unclear. They are divided and combined, making a lot of noise, and Murong still has the key to the apartment.

Therefore, he was able to bring people to kick the door in. There were two people standing beside him. They looked like childe brothers, but their status was not as high as Murong childe.

After all, Murong is the son of the richest man in the city.

Just now all this, Murong childe is see clearly, his ex girlfriend Xie Qiuqiu is sleeping with another man, Murong childe already face iron green, Xie Qiuqiu's face is not very good-looking.

Yang Yu doesn't know who he is or the relationship between him and Qiuqiu.

"Do you know who I am?" Murong said. Su Yan they several people have already put down the mobile

phone, this person, they can't stir up. Qiuqiu also pulled the sheet to block his body.

Naturally, Yang Yu was embarrassed to be naked. He quickly put on his underwear and said, "are you talking to me? Who are you? I don't know you

This words, Murong childe's face more ugly, unexpectedly someone does not know his name?

At this time, Su Yan, standing next to him, said softly, "he is the son of the city's richest man."

"Oh, it's the rich second generation." Yang Yushun said, continue to wear clothes and pants.

"Do you know that I will make you die miserably?" Murong said word by word, this is not a joke.

"Oh, are you their friend, too?" Yang Yu asked lightly.

"Do you know that Qiuqiu is my girlfriend?" Murong's eyes are coming out.

Girlfriend? Yang Yu turned his head and looked at Qiuqiu. Qiuqiu also happened to look over, thinking: what I just stuffed was someone else's girlfriend's mouth?

"What are you doing here? I don't care about my business. Besides, I did it voluntarily Qiuqiu knows that young master Murong wants Yang Yu to die, so Yang Yu can't live." "What's your name?" Murong asked Yang Yu.

"My name is Yang Yu. I didn't know Qiuqiu was your girlfriend, so I'm sorry." Yang Yu thinks that tonight is really just a chaotic party. Unexpectedly, it's not what you want.

"Sorry? Ha ha Murong laughed strangely: "this is the funniest joke I've ever heard."

"You listen to me clearly. You just played with my woman and provoked me. I will find you. No matter where you hide, I will make you disappear. Go back and prepare the coffin."

Then Murong went away, but he didn't prepare to beat Yang Yu here.

All of a sudden, everyone's enthusiasm was destroyed.

"Qiuqiu, or we'll go back first." Su Yan suggested, then, the other three also said hello, then went back.

Because they know that Yang Yu provoked a big man tonight, and this big man, these girls dare not make a sound, even the video in the mobile phone, must be deleted immediately, otherwise, Murong childe will make their life worse than death.

In the room, only Yang Yu and Qiu Qiu were left, and the scene was a bit awkward.

"What Murong said is true. Be careful. I'll go to bed." Qiuqiu's original good mood was ruined. Yang Yu just smiles and looks at the time. It's really late, so he goes to bed directly in this room.

Yang Yu didn't know what Murong would do with him? Do you really break the law? Did you really kill yourself? Yang Yu doesn't believe it. This is an age of law.

After drinking too much, Yang Yu was sleepy. He had to go back to school tomorrow morning, so he put on his clothes and went to bed.

Chapter 95

Meow!

A cat call, another cat? Yang Yu was woken up by the cat's cry. Originally, Yang Yu was a dead sleeper, but he didn't know why. Every time he heard the cat's cry, he would wake up. How much hatred does this cat have with me?

Yang Yu opened his eyes and looked at the window.

It's not so bad. He almost lost his soul when he looked at it. On the edge of the window, he stood upright in a figure with white clothes and black hair hanging down. Yang Yu's head immediately thought of a scene: Zhenzi.

At the beginning, Zhenzi was standing there, staring at the protagonist with bloodshot eyes. This time, on the windowsill behind the woman in white, there was a black cat standing.

The black cat of Su Xinqi's next door. The black cat, like a ghost, seems to be clinging to Yang Yu.

"Ah Yang Yu was so frightened that he went to the bedside to turn on the lamp.

"What's your name? I'm just going to draw a curtain." The "female ghost" in white clothes actually spoke, and the "female ghost" turned out to be Xie Qiuqiu.

"Why did you come here in the middle of the night to scare me?" Yang Yu found that it was a false alarm, and was almost scared to death.

"This is my house. Can't I come?" Qiuqiu drew the curtain and walked back, then went directly into Yang Yu's Quilt: "I sleep here tonight."

Yang Yu Leng for a moment, no reaction, thought: then I want to sleep in other places? Can just want to finish, autumn autumn whole person lie on his chest, directly face side to his chest, and then hold Yang Yu, closed his eyes to sleep.

What else can Yang Yu do? Turn off the lights.

Then she got into the bed, and Qiuqiu was in her arms. She hugged her and turned off the light. Qiuqiu's mouth came together and kissed Yang Yu. Yang Yechun suddenly came to the room, because you know it?

This Leng, autumn autumn misunderstood: "how? Don't you dare touch me now? So afraid of Murong Fei? "

"Ha ha." Yang Yu laughed: "do you know? I like women who play with others best. I'm afraid you'll ask me for mercy again. " Then he turned over and pressed over.

Sure enough, before long, Qiuqiu began to beg for mercy.

"Is that all you can do?" Yang Yu said with a smile.

"Well, in front of you, you will soon satisfy me." Qiuqiu was holding Yang Yu tightly between her legs, and her body was shaking.

After waiting for a few hours, the queen Qiuqiu nestles in Yang Yu's arms like a bird.

"Don't send it online." Qiu Qiu said.

"Yes." Yang Yu just said one word: "I send it to the durian."

"I will be seen by my classmates." Asshole: "you are so angry." Then he went on sleeping.

Early in the morning.

A ray of sunlight came through the small gap of the curtain. Last night, it was very late and overslept. If Qiuqiu didn't have a car, he would have been able to take Yang Yu to the foot of the mountain until afternoon.

When Yang Yu arrived at the school, the mid-term of junior three class had already started, and the invigilator was from other schools. Li Ruoshui was also sent to other schools to invigilate. Yang Yu looked at his students in the corridor, hoping to cheer them up.

There are five subjects, but only two teachers. Yang Yu found that the school's teachers are really insufficient. Can the students do well? Or the class mixed with the class, but the top teachers can not be approved, you have no one, the result is still so poor, how can I send someone to come? It's good not to dismiss you.

Therefore, achievements are also a bargaining chip in the negotiation with the leaders.

After seeing the students' good appearance in the exam, Yang Yu will think of the time when he took the exam. He clearly thinks that he can take the 90 exam. How can he get 50 scores? I always think that the

teacher has made a mistake. When the teacher says the exercises, I feel dizzy. Can I still do this?

I had to wait all day, and finally finished the exam.

Yang Yu hurried into the classroom, can see everyone's expression to know how the result is, estimate all smashed.

"Hey, hey!" Yang Yu clapped his hands and attracted everyone's attention: "if you have passed the exam, don't think about it. Let's laugh."

In the past, after the exam, no matter the teacher or the parents always asked this question or that question, so did the students, exchanging questions about how to do it? There is always the pain of the students called up: Oh, I made a mistake, finished, this time the end.

Therefore, Yang Yu hopes to give them a happy mid-term exam.

"Just after the mid-term exam, it's spring again, so the teacher is going to organize a spring outing. I don't know if the students agree?"

Suddenly, the whole class was boiling.

"Yes, yes, yes." The students are enthusiastic.

"The time is this weekend, in the form of a picnic. At that time, go out and buy some food, and everyone will cook together, then play games, play cards, and feel the nature together. Then it's up to you to decide whether to go or not. It's not compulsory, and you don't have to pay for it." Yang Yu talked about the situation of the next spring outing. In fact, this is nature. There are still places to play, but the government has not developed them.

And the funds for spring outing, of course, come from the school. Although the school is a little poor, there are still some expenses."One day or two?" Zishu loves to play. She is very concerned about this problem. If it's overnight, will it be possible to sleep with Yang Yu.

"At present, we are planning to have a day, because there is no place to sleep, but if we want to be happy, we can borrow some tents to come over and have a night's sleep." Yang Yu continued to explain, this problem Yang Yu really did not think, if you can spend the night with this group of female students, it is not possible to sleep with them at night? When the time comes, it's good to find a younger sister to work quietly?

"Mr. Yang, we haven't been out for three years. This time we organized to play. Everyone was so happy." Said snow white.

"How about the teacher rent three tents, let's have a night, and then watch the sunrise?" Yang Yu is also excited. Hehe, at that time, even if he can't sleep with the students or Li Ruoshui, it's not impossible to

do her, right?

"That's settled now. Monitor, you decide who won't go. Tell me tomorrow that you should pay attention to safety on the way back. If you can go along the way, you should go along the main road instead of the small road." Yang Yu is now after school to tell some personal safety.

Li Ruoshui won't come back until tomorrow. Today, he doesn't practice basketball. Let's go back to play and relax. Everyone left one by one. In the corridor, everyone would say hello to Yang Yu, which was very kind.

"Miss Yang, do you have time to teach me guitar? I'll be fine when I go back. " When everyone left, Bai Xue came out and said to Yang Yu.

Yang Yu looked at the three younger sisters in the classroom. Now the three younger sisters are totally dependent on her. The shadow of the last incident has not completely passed, so he still wants to send her back, so he said: "or at night?"

See teacher Yang agreed, snow white is very happy, on the spot should be a, about seven o'clock at the school gate.

Then, he took the third sister's hand and went home.

At home, aunts, cousins, in fact, are waiting for the news of Yang Yu, see back naturally very happy.

"How's it going?" Aunt concerned asked, after all, there will soon be a few small debt date soon.

Yang Yu shook his head: "I'm afraid we have to rely on ourselves." We did not continue to ask, knowing that Yang Yu was more depressed than them.

However, this result is also expected by Yang Yu. It's not good for him to let such a big company run his own business. Moreover, it's not a rarity. What's more important is to play your own famous brand. Who would be so kind to help you?

There is no free lunch.

"If you don't have acquaintances to help, it seems that you can only use plan B. next time you go to town, you can carry it and sell it yourself." After dinner, Yang Yu went back to the attic and looked at the plan he had written. He tore it up and started from scratch. How hard it was.

"Brother Yang Yu?" Yang Yiyu shouts out of the window.

"I'm looking for you, too." Yang Yu is also looking for Lin Yina. Last time he was fighting with Lin Yiyi in the woods, Cui Qiang ran into him. He didn't know that Lin Yiyi was borrowing seeds. There was a big misunderstanding.

So Yang Yu told Lin Yina about the whole process of that night.

"Is that in my sister?" Lin Yina is even more concerned about this problem. Yang Yu certainly nodded. That night, he left a lot of things to go in and filled Lin Yiyi's whole hole.

"That night, my husband told me as soon as he came back, but I haven't told him the truth yet. He has a lot of mouth. I told him not to talk around. It's not good to get out. I said: sister about a gun, about a gun, you don't see it Lin Yina explains.

Yang Yu also hopes this thing can pass safely, but who is Cui Qiang? I'm afraid something will happen sooner or later.

Yang Yu looks at the sky and says it's dark. He still has to go when he promises to Bai Xue. Besides, the girl has a good taste. Yang Yu is also looking for a chance to start. Even if he doesn't have one tonight, he will have a chance to have a picnic with her next time.

"Here you are, Miss Yang."

When Yang Yu arrived at the school gate, Bai Xue was already waiting there.

Yang Yu looks at it and finds that Bai Xue is very charming and sexy tonight. It doesn't look like a junior high school student. Yang Yu is burning with passion.

Chapter 96

Yang Yu takes Bai Xue by the hand and goes to the old house in the backyard of the school. There is no street lamp here. They can only rely on a flashlight. After bypassing the school and canteen, they just stepped into the old house. A cold wind came to them and they shivered at the same time.

"Why does Mr. Yang have to live in such a place? It's gloomy. " Bai Xue holds Yang Yu's hand tightly. She is a girl who is afraid of night and dirty things.

"If you don't live here, do you want to live in your room?" Yang Yu is able to have the opportunity to flirt.

"Well, I don't mind." Bai Xue smiles and looks at Yang Yu and continues to ask, "Mr. Yang, do you sleep in the same room with Yunxi?"

Yang Yu also looked back, white snow's expression became affectionate, but also with a little red halo, where do you want to go?

"I didn't sleep together. Mr. Yang has an independent room, but sometimes, when my third sister is afraid, I will go to sleep with her."

Snow White showed a pair of envious expression: "so good ah, men sleep with women, not afraid of what happened?"

"Ha ha, that night Mr. Yang was also alone with you. What will happen?" Yang Yu wants to have something to do with the third sister, but if the third sister doesn't give it, he can't force it at home.

So, Snow White's face is red. Yang Yu guesses that Snow White's mind is the same as Zishu's, is she missing spring?

"Anyway, I think if men and women sleep together, something will happen." White snow said, hand is tightly holding Yang Yu, head also dare not look around, at this time has bypassed the old house, to the back of the old house.

It was so dark that I couldn't see my fingers, but the light of the flashlight flickered, but Yang Yu didn't dare to shine casually. He was afraid to shine something in the dark and silent old house.

Dong, Dong, Dong

when they went to the room on the second floor, the sound of walking on the wooden stairs was particularly terrible in the old house. Did Yang Yu and Bai Xue also walk on the stairs that night when they left after practicing their guitar?

When Yang Yu thought of this, he suddenly shivered all over and got chilly.

"What happened to Miss Yang?" White snow see Yang Yu tremble, thought to see something, also afraid.

"Nothing. I just saw a white shadow. Why did it disappear suddenly?" Yang Yu deliberately said, in fact, he just wants to scare this snow, so that she can rely on her.

"Ah? What white shadow? Don't scare me, Mr. Yang. " White snow a listen, early afraid, eyes secretly aimed at a look around, and immediately retracted his head.

It was not until the door of the room was opened and the light was on that Bai Xue was relieved.

"You say if there is a ghost in the old house and Mr. Yang sleeps here at night, what do you do?" Yang Yu joked and closed the door together. He didn't pay attention to the scene on the stairs.

As soon as the door of Yang Yu's room was closed, the stairs suddenly became dark. In the dark, there seemed to be a girl standing on the stairs.

Inside the room, the light is bright, warm, bright, clean, and outside the room, dark, silent, gloomy, chilly, unknown formed a sharp contrast, just separated by a door.

There are nine gates in the Bible, and the ninth is the gate of hell. Obviously, the door of Yang Yu's room is nothing but a door.

The door blocked the light.

Bai Xue takes off her shoes, climbs onto the bed and carries the guitar on her back. Yang Yu also takes off her shoes and goes to bed. She sits behind her and hugs her from behind. She began to teach Bai Xue how to play guitar and pluck strings.

"I went back to watch the guitar teaching and played it to Mr. Yang." Snow White became excited when she put on the guitar. Although she just read the teaching, she couldn't wait to play it.

"Good." Yang Yu said, lowered his head and looked down. Suddenly, the collar of Bai Xue's chest just unfolded. He didn't wear a bra, and half of the two breasts were completely seen.

White snow's milk is not small, has already formed, although the nipple and areola can not be seen, but the plump appearance is not inferior to any mature woman.

Yang Yu was so fascinated that he could not wait to take a sip.

"Miss Yang, am I right?" But he turned around and covered his head. Yang xuegen saw nothing.

"Miss Yang, you are a big sex wolf." Snow White has been concentrating on playing guitar, at this time the heart is more flustered, do not know how to do.

"Snow white, will you sleep with me?" Yang Yu said suddenly.

This words to white snow to scare a jump, want to break away, but was teacher Yang fiercely from behind embrace: "teacher Yang, you nonsense what ah."

Yang Yu embraces Bai Xue.

"Mr. Yang, don't do that. I'm your student." White snow found that teacher Yang is to really, immediately worried.

Yang Yu doesn't know what's wrong tonight. Just like a lecheron, he's just a brain worm in front of snow white. He's going to be tough. After making it for a long time, Yang Yu suddenly finds that Bai Xue has no voice, no begging for mercy, no groaning, and the beautiful hair is completely hung down, covering Bai Xue's whole face.

"What's the matter with you, snow white?" Yang Yu stops and asks Bai Xue. But Bai Xue suddenly lost her voice for no reason. Yang Yu felt very strange and went to get Bai Xue's hair.

And snow turned her head at the same time.

"Ah Yang Yu suddenly made an earth shaking scream.

Yang Yu has never seen such a terrible thing in his life. He can never forget the scene he saw and the face he saw.

There is no face in the world more terrible than this one.

No, absolutely not.

Yang Yu sees white snow's face is bloody and fleshy. No, to be exact, it's a face without skin.

Of course, Yang Yu was scared and retreated to the corner.

Inside the room, there was silence. It was a terrible scene. Yang Yu didn't move, and snow didn't move. He turned to look at Yang Yu, a face without human skin.

This is not snow.

"Miss Yang, what's the matter with you?" Suddenly, Yang Yu feels that someone is pushing him. He looks at Bai Xue sitting by the bed with a guitar on his back. He looks at Yang Yu blankly, but Bai Xue doesn't lift her buttocks. Her face has human skin, and it's very beautiful.

"Miss Yang, why are you sweating all over? How did I play just now? Self taught. " White snow a face complacent smile, say.

Yang Yu gasped for air and looked at the room and snow strangely. There was no change when he came just now. Did I just fall asleep and have a nightmare?

"What happened to me? You just now, "Yang Yu asked in horror.

"How do I know what happened to Mr. Yang? Aren't you always behind me? " Bai Xue felt her head and didn't understand what Yang Yu was saying: "I have been playing the guitar just now. Didn't I say that I played the self-taught song to teacher Yang? Miss Yang forgot? "

"No, no, I didn't forget." Did Yang Lengyu really fall asleep just now? Having a nightmare? But what happened just now is so real that it seems to be in front of us. Dong, Dong, Dong

suddenly, someone knocked on the door. In this silent old house, the knocking seemed more empty and terrifying.

"Who?" Yang Yu yelled. He didn't know who would come here to look for him and looked at the door.

Chapter 97

There was no answer outside.

"Who is it?" Yang Yu yelled again, curious, just a dream has not fully reflected, this suddenly someone knocked on the door, and did not make a sound, let Yang Yu also uneasy.

Yang Yu got up and was ready to open the door.

The door opened with a squeak.

No one outside?

Yang Yu and Zou frowned. No, there was someone outside.

It seems that Yang Xiuyu is wearing a red dress on the opposite side of the stairs, and the girl with her hair hanging on her back is very clear.

"Classmate, which class are you in?" "Are you looking for me?" Yang Yu asked

The girl stood on the stairs, motionless, did not turn around, nor down the stairs, just standing.

Yang Yu feels very strange: "classmate, can you turn around and let the teacher see who you are?" In addition to the primary school department, the junior high school department and the three classes, there are no people Yang Yu doesn't know. However, Yang Yu doesn't seem to be familiar with his back and clothes. Isn't he from our school?

All of a sudden.

Yang Yu felt cool behind, and came the voice of Bai Xue: "teacher, do you want to see my face?"

Yang Yu was terrified. How did Bai Xue's voice change? He slowly turned around and saw Bai Xue standing there straight with a guitar on his back. He didn't know when his hair was hanging. He was about to pull away her black hair and show her face.

Ah!

When Yang Yu saw Bai Xue's face, he covered his mouth with fright. His eyes were wide and full of blood.

A cheekless face, red and fleshy, was smiling strangely at Yang Yu.

Ah!

Yang Yu exclaimed again. Looking around, he found that it was already dawn, and he was lying on the attic bed of his aunt's house. His cousin was lying beside his bed, looking at Yang Yu sleepily.

"Cousin, are you awake?" My cousin is very happy to see Yang Yu wake up.

"Is it a dream again? What am I doing here? What happened?" Yang Yu feels headache and tries his best to recall what happened last night. He was clearly with Bai Xue last night, and the face immediately comes to Yang Yu's mind: "where's Bai Xue? Where is she?"

"Don't get excited, cousin." Cousin Yuanxi comforted Yang Yu: "we were chatting at home last night. Suddenly, Bai Xue came and said that you fainted, so we went to see you immediately."

Yuanxi stopped and said, "I also called Dr. Wu. Dr. Wu said that it might be that you have been under too much mental pressure recently, or that you fainted because of some fright. No problem. Snow white, she should be at school now. What's the matter? What happened last night?" Yuanxi always felt that things were not so simple.

Is that true? I saw everything last night, right? What is true and what is false? Yang Yu found that he had completely mixed reality with illusion.

Can't tell true from false, reality or illusion?

But who can tell? Can you tell? Are you sure what you remember about yesterday is true? Maybe you never suspected it in your brain.

Maybe, the memory of the past is really created by a god like person. You think it's true. What did you do yesterday? Who knows?

We can confirm, can 100% confirm the truth, only now, awake now, once sleep over, all don't know false.

Damn, what do I think? It's not "ghost city", not science fiction! Yang Yu thought, it seems, what happened last night, still have to find white snow to ask.

But there is one thing, Yang Yu is very confused, no face, and that abnormal killing devil is wearing a human skin mask, this is just a coincidence? Although Yang Yu didn't see the pervert with his own eyes, his third sister and cousin all saw it with their own eyes. It can be confirmed that the pervert really wore a girl's human face.

Without saying a word, Yang Yu got out of bed directly. He didn't care to wash his face, so he ran to school. He wanted to ask Bai Xue.

As a result, he met Yang Lin at the door of the office. Yang Yu saw that Yang Lin's color was also very bad and asked, "have you had a nightmare again?"

Yang Lin wants to get rid of Yang Yu since she was killed by Yang Yu for taking aphrodisiac by mistake. In

fact, after that time, they haven't spoken to each other alone. Most of them just deal with Li Ruoshui, so as not to make her suspicious.

Yang Lin doesn't want to pay attention to Yang Yu and wants to leave. Suddenly, Yang Yu grabs Yang Lin's hand and pulls it over: "your face is so bad. Are you having nightmares recently?"

Yang Lin suddenly cried.

"I don't know? I'm going crazy. I thought it was over, but I didn't. why is it still bothering me? " Yang Lin's face was full. She didn't believe in ghosts, but now? She had to believe it.

"I have decided to join Christianity with Mr. Leng in the future, hoping to help." With that, Yang Lin shakes Yang Yu's hand and goes to the classroom. Her eyes are clearly telling Yang Yu that you can't help me and I can't count on you to save me. Looking at Yang Lin's back, Yang Yu feels that Yang Lin is also carrying a cross, which makes her breathless. Can this cross save her life?

After class, Yang Yu went straight to the classroom to find Bai Xue and took her to a separate place in the playground.

"Miss Yang, are you ok?" Snow White opened her mouth first.

"What happened last night? You told Mr. Yang completely, no lies, understand? The teacher is very serious. " Yang Yu's face was so serious that she didn't dare to laugh.

"Last night we were in the attic, you taught me to play guitar. Later, I said to play a song I taught myself to you. You were behind me at that time, and I didn't know what happened. When I looked back, I found that" Snow White stopped and blushed.

"What did you find? Come on Yang Yu is in a hurry.

"I found that Mr. Yang took off his trousers, revealed the thing, and then made that kind of action." White snow blushed in a mess, think of last night, see teacher Yang's guy, so big, immediately stunned.

"Wait, who am I doing that to? Is it in your way? " Yang Yu asks in horror, isn't that a dream?

"What did Mr. Yang say? He didn't insert me. You are facing the air." Bai Xue thinks that Mr. Yang intervened himself last night, but it just happened that he was not intervened by such a big guy. Maybe it's too painful to walk today.

"Air?" Yang Yu was embarrassed and speechless: "go on."

"Later, Mr. Yang seemed to see something terrible and fainted. I was also very afraid at that time, so I went out to find my aunt. They carried you home. Fortunately, Doctor Wu said you were OK, so I went home to sleep. " Snow recalled, what happened last night, or palpitation, she did not know teacher Yang

suddenly ghost body.

"Miss Yang, do you want to go to see you?" Snow White suggested.

"Come on, go back to class. It's all right Yang Yu smiles and touches Bai Xue's head. He doesn't want to scare the students.

What happened last night? Yang Yu can't feel her head. Why does she suddenly go crazy? Obviously, Bai Xue shouldn't lie to herself, because she doesn't have any reason to lie.

"Am I really evil?" Yang Yu said to himself. Suddenly, he thought of the black cat. The black cat yelled at him and attacked him. Did he say that the black cat saw something on me?

Yang Yu thinks that the village is really more and more evil.

Yang Yu went back to the office, ready to go to class, Li Ruoshui is still there.

"Honey, maybe I can't go on a spring outing with you this week." Li Ruoshui pouts his mouth and looks very unhappy.

"What's the matter?" Yang Yu had planned to sleep in a tent with his girlfriend. Unexpectedly, the plan failed?

"When my elder sister comes back from Shanghai, I'm going to meet her outside the mountain." Li Ruoshui said.

"Why did you go? You can ask your second sister to pick it up. " Yang Yu doubts that the elder sister is just going home. It's ok if she doesn't pick up. Besides, there are still parents and sisters at home. Why should Li Ruoshui pick up?

"I also want to go with you, but my elder sister asked me to pick it up, but you can rest assured that I have found someone to take my place in the spring outing to help take care of the students." Li Ruoshui said with a charming smile.

"Who?" Yang Yu asks curiously, guess, can't be her best friend Yang Lin? "My second sister."

Poof!

Yang Yu vomits blood immediately, isn't it, that wretch goes to have a picnic with him? Sleeping in a tent? What's wrong with that?

Chapter 98

Most of the teachers are still in the office after school.

Yang Yu looked at Yang Lin, her black eyes are very heavy, people are very haggard, then walked over: "I see you look bad, or I send you back?"

"Don't talk nonsense." Yang Lin said softly.

When Li Ruoshui saw that Yang Yu was whispering to his best friend again, he immediately went over: "honey, what are you whispering to me?"

"I said, your best friend's face is very bad, your boyfriend I want to send her back, I don't know, my dear?" The more hidden some things are, the more suspicious they are, so Yang Yu simply tells Li Ruoshui.

"I thought you were doing something wrong behind my back. Yang Lin, your face is really bad. Go back quickly, Yang Yu. Go to see her off." Li Ruoshui said.

I didn't expect Li Ruoshui to be more generous. On the contrary, it was Yang Lin who was not happy. She didn't want to stay with Yang Yu for fear of an accident. But Yang Yu said that she wanted to send him away. What should she do?

Yang Lin is also from this county, but her home is far away from here. It's very troublesome to get out of the mountain and take a bus between the mountain and the county. In this village, Yang Lin has no relatives, but fortunately, the headmaster arranged a good family for her to live and eat in their home, and she gave a certain amount of money every month.

This is a win-win cooperation for farmers. Anyway, there is no shortage of food and housing in rural areas, only money.

Yang Lin's staying here is actually boring. She doesn't have a computer or a mobile phone, which makes her very uncomfortable. So she usually chooses to go home on weekends. Moreover, Yang Lin has always wanted the county to transfer to the school near her home, but she hasn't approved it, so she spends it like this.

"There's no ghost in the world, it's just people's mind. Why don't you go out for a spring outing with us this weekend Yang Yu asked on the way.

"You know what I'm not." Yang Lin's face turned back.

"Are we still friends?" Yang Yu suddenly asked, in fact, this question should not be asked, this question can not be answered by others.

Yang Yu turned around and said, "who else do you want to be a friend? Do you know that I gave you my first night? "

Yang Yu did not speak,

"do you know what the first night means to women?" Yang Lin fire, and even a little want to cry: "I was wasted by you."

Yang Lin said and turned to go, Yang Yu had to follow up.

"I'm home. You can go away." Yang Lin scolded.

"Don't you invite me to your room?" Yang Yu said with a smile.

"Can you come here to ward off evil spirits?" Yang Lin sneered.

"Ha ha, don't you know that all female ghosts like me?" Yang Yu's ghost was like a joke last night.

Yang Yu stayed behind Yang Lin.

Yang Lin lives on the third floor, and the stairs live on the third floor. They arrange a wooden ladder separately, so that everyone will not disturb each other, but they are free and convenient.

As soon as I got to the third floor, a prominent poster of the Christian calendar came into my eyes, and it was pasted on the door.

After entering Yang Lin's boudoir, there are a lot of things related to Christ pasted or decorated. For example, behind the door, there is a cross, which looks like pure silver. For example, there is a Bible at the head of the bed, and there are many posters of Christ on the wall.

"Are you scared?" Yang Lin joked: "they all say I'm crazy, don't you think?"

It looks like the boudoir where she went to snow white at the beginning, but there are many things related to music, and here are all superstitious things.

"I don't care if you're crazy or not, I just want to know, do these things work?" Yang Yu is most concerned about this problem: "but I see your face, do not think they are useful."

"Do you believe what I say?" Yang Lin leaned on the head of the bed and picked up the Bible: "I didn't sleep well last night. I was quarreled by a cat. I was crying all the time."

"Ha ha, so you didn't sleep well last night because you were called Chunxin, right?" When Yang Yu saw that Yang Lin had no more nightmares, he was in the mood to flirt.

Who knows, Yang Lin white Yang Yu one eye, did not speak, was said?

"What do you want to do about us?" Yang Lin asked suddenly.

"You want me to be in charge?" Yang Yu is surprised to ask, how can this responsibility be shouldered? I have a girlfriend.

"You must give me an explanation. I'm the first night. I can't give you that for nothing. Besides, I don't know how to face you and Li Ruoshui." Although Yang Lin is not so feudal, the man who took away her first night is very important to her. Now Yang Lin loves and hates Yang Yu, which is very contradictory.

More importantly, Yang Lin can't face her best friend now. As soon as she sees Li Ruoshui, she will remember that she had sex with her boyfriend, which makes her very painful.

"Are you my girlfriend?" Yang Yu can't be responsible for Yang Lin now. He can't break up with Li Ruoshui, and then with Yang Lin. isn't this the same way to scold?"Who's going to be your girlfriend! Besides, I don't like you Yang Lin doesn't know what she's talking about, that is, it's impossible to let Yang Yu really be her boyfriend, so she can't face Li Ruoshui. It's clear that she robbed her boyfriend, but Yang Yu wants her first night and can't do it for you. Isn't it a one night stand?

A good one night stand? This is what Yang Lin can't accept.

"Girlfriends are not good, and friends are not. That day it was you who mistakenly took the aphrodisiac. OK, you said I was an animal, right? I'll show you the animal!" With that, Yang Yu directly fished out his clothes, took off his coat and was about to take off his trousers.

"If you dare to touch me again, I will" Yang Lin feels that she was raped last time. If Yang Yu dares to rape her again, she will. But before the words come out, Yang Yu has rushed over and sealed Yang Lin's mouth.

Yang Lin struggled, but she couldn't push Yang Yu's strong body away. She bit it down.

"Ah Yang Yu yelled. Unexpectedly, how could Yang Lin bite herself like her cousin Yuanxi? And this time it was even harder than last time.

Suddenly, a smell of blood filled his mouth. Naturally, Yang Yu moved his mouth away and looked at Yang Lin in amazement. Yang Lin is kicking the atmosphere, chest ups and downs, in fact, everyone's heart is eager to love violence, eager to wild man.

"You bite me?" As soon as Yang Yu was bitten, he became more angry and aroused the man's wildness.

All of a sudden directly tore open Yang Lin's clothes.

"I've been a beast all the time, and I'll get you if I want to. How about that?" Yang Yu asked while making, at this time, Yang Lin's heart is the most vulnerable.

"No, I don't!" Cried Yang Lin.

Chapter 99

When Yang Yu finished making Yang Lin, before it was time for dinner, he wanted to visit president Chen.

The relationship between Yang Yu and President Chen is getting better and better. President Chen is lonely and miserable, so Yang Yu often goes to see him when he is free.

Headmaster Chen lives in an old house, but many people live in it. It's very busy, and the old people are not so lonely. But when they see Yang Yu coming, they are even happier.

"It's just time for Mr. Yang to eat the vermicelli, right?" President Chen was very hospitable.

Yang Yu was also embarrassed to shirk, so he nodded and helped to burn firewood.

Yang Yu and President Chen had a little bit of daily life, then they began to ask some questions:

"President Chen, do you still remember the sex slavery case ten years ago?"

"Why did you ask this all of a sudden?" Principal Chen under the vermicelli, do not care: "so long ago, many things are not clear."

"I'm also afraid to repeat the mistakes and learn from them so as not to hurt another girl student." Of course, this is what Yang Yu said on the surface, but in fact, Yang Yu was thinking about last night's event. It's really a wave that hasn't been leveled, and another wave that has arisen.

President Chen pondered for a moment, and his mind was drawn to 13 years ago. Many scenes still come to mind.

At that time, principal Chen was just an ordinary teacher, and the number of students in this school was far more than that of today.

It was a rainy day.

Xiaoxi of the second class of junior high school disappeared. At that time, she organized a lot of people to search, police, villagers and so on. After three days and three nights of searching, she still couldn't find her, so she gave up slowly, thinking that the child might not be found.

But my parents didn't give up. They continued to look for it. They searched all over the village next door, but they couldn't find it.

This matter, a month passed in a flash, when everyone forgot.

Suddenly, one day, the girl appeared.

The house just behind the school building.

"Wait, where is it?" Yang Yu thought he had heard wrong and asked in a hurry.

"It's the old house you sleep in. What's the problem?"

Yang Yu wants to die. There are people who have died there. Do you want me to live? Can you say no problem?

"No, no, no problem." Yang Yu reluctantly pretended not to care, and then continued to let principal Chen go on.

At that time, a logistics grandmother found that the girl was dressed in red and hung in the room. At that time, it was terrible, but the problem was not only that. There was a man lying in the room, who was a male teacher of the school.

"Wait, what color of clothes?" Yang Yu asked in horror.

"I heard it's red. It's red all over. I didn't go in to see it at that time. The scene was immediately blocked and no one was allowed to go in. " Chen said.

"Red?" Yang Yu muttered that the girl who stood on the stairs with her back to me was wearing red clothes last night?

Yang Yu deeply swallowed breath, desperately beat his head a few times, in the heart scolded: their, those things last night in the end is true or false? It's all mixed up.

Yang Yu restrained his panic and pretended to be calm. In fact, his face was already pale.

"Don't worry. The noodles are ripe. You can eat them. Ha ha." Principal Chen fished out a bowl of fans and handed it to Yang Yu. Yang Yu was not polite, but now he really has no appetite.

It's hard to know whether it's true or not. What you see with your own eyes may not be true, not to mention those confused memories.

"Later, the police came and took the suspect away, too. Ah." Principal Chen looked at the vermicelli, sighed, and continued: "I heard that the male teacher finally confessed, and later he was sentenced to death

The male teacher finally confessed that he was a pervert and had shut up the female student for a month, just under the cellar of the room in Yang Yu's house.

In the past month, the girl student suffered from sexual abuse and finally escaped. As a result, she still had no courage to step out of the room. Maybe she had no face to see her teacher and classmates, and finally chose to commit suicide. That night, the male teacher just drank wine and was about to go back to the cellar to enjoy sex. She fell down and was found the next day.

Everything is destined to be the same.

"Did principal Chen see the girl's face at that time?" Yang Yu endured the excitement and fear in his heart and asked this question.

"Why do you ask that?" Principal Chen feels very strange. Can this man be wrong? Back: "I did not see, but no one must be wrong, parents have come to recognize."

Didn't you see the face? Yang Yu's most concerned question has no answer. Do you want to ask the girl's parents?

However, Yang Yu pondered, and felt that there were many doubtful points in this case. However, since the male teacher himself admitted it, he must not be wrong. It seems that this case has nothing to do with my cousin's case.

However, I am afraid that the loft of the school will not dare to go in the evening, even in the daytime, so an old house with no vitality will make Yang Yu's hair stand on end. It seems that we have to change the place. The attic is too terrible and the aunt's house is inconvenient. Especially, she can't take the girl students home. If she has money, she can build one by herself. She can take the girl students who she wants. Yang Yu pondered.

After dinner, before leaving, Yang Yu also inquired about the victim's residence and name, as well as the suspect's name. Because the suspect was not from the village, he did not leave any address. It is estimated that he would have to go to the public security bureau to find out.

Yang Yu ignored so much. He was neither a reporter nor a policeman, nor had the right to investigate. Moreover, these things, after all, had nothing to do with him. Although the abnormal murderer was not caught one day, maybe the third sister could not be peaceful one day.

I thought that what happened last night would have something to do with what happened to my cousin last time, but now that the murderer has already been in prison, it's impossible to talk about it, not to mention that it was 13 years ago.

But as soon as I think of what happened last night, Yang Yu is in a panic. Should I learn from Yang Lin, go to Christ and avoid evil?

All illusions are caused by the heart. But last night's scene was clear and immersive.

Yang Yu went home, but it was quite lively tonight. The third sister's mid-term exam was over, and everyone got together to play cards.

"Cousin, take three younger sisters to spring outing at the weekend, you should take some." The second sister does not forget to nag.

"Don't worry, I can sleep with my third sister at night, right?" Yang Yu joked. Anyway, the three younger sisters have slept with themselves for several times. They probably don't misunderstand each other.

"Yes? Cousin, don't you want to sleep with Mr. Li?" The second sister asked.

"I can't take her place." Yang Yu said casually, playing cards.

"Li ruorong?" I heard that Zou Rong's cousin is very careful to seduce you

"You little girl, what do you know? Don't talk The little aunt quickly patted the second sister to stop her from going on.

"Are cousin and Miss Li still acting? If it's acting, I think it's about the same. " Cousin Yuanxi suddenly burst out such a sentence, so that Yang Yu suddenly can't react.

It's true that it was acting at the beginning, but later, it came true. However, I haven't had sex with Li Ruoshui. If I want to break up with Li Ruoshui, I'm in trouble to find another chance to do her.

But the problem is that Li Ruoshui and I really came later, but I didn't tell my cousin and them about it.

Yang Yu takes a look at her cousin and sees that her face is not very good. She seems to be angry. Obviously, her cousin Yuanxi has realized that her relationship with Li Ruoshui is not just acting. Is she jealous?

After playing cards, everyone leaves. Yang Yu catches her when her cousin is the last to leave.

"Cousin" Yang Yu can't open her mouth.

"What do you want to ask?" My cousin looked at Yang Yu, but her face was not very natural.

"What kind of feelings does my cousin have for me?" Yang Yu finally asked this question.

Li Yuanxi was stunned for a moment. Looking at Yang Yu, they didn't leave each other's sight, but their cousin's face changed a little, and seemed sad: "I'm your cousin, and you're my lovely cousin. That's it. OK, cousin's gone."

With that, Li Yuanxi turned and went downstairs to her room. She closed the door and leaned against it. Two tears fell down her cheeks. She didn't know why she suddenly cried?

Why?

Lying in bed, Yang Yu is also thinking about this problem. Her cousin is not as direct and stupid as the third sister. The third sister can express her feelings by crying and laughing, but she can't. She can hide

her feelings and hold them in her heart.

But the answer given by my cousin made Yang Yu sad.

I like people, but you ah, cousin, you know?

Chapter 100

Three days later, Saturday morning.

Spring outing is a rare sunny day.

When Yang Yu and his three younger sisters gathered at the school, the whole class was almost there. Everyone was very enthusiastic and excited. They were old enough to play. What's more, they were in a better mood when the weather was so good.

"Monitor, are the food and materials ready for the picnic?" Yang Yu looked at the students. The girls were sporty and sunny. They were really the same age.

When we saw Mr. Yang coming, we all gathered around and chatted with each other.

The monitor is a cheerful girl, called Shishi. She is kind and efficient, which is very popular with everyone. So Yang Yu usually comes to her for something.

"Everyone is here, a total of 19, food and materials are ready, but only two tents have been borrowed, and then it seems that Miss Li's sister hasn't come yet." The poem replies.

Yang Yu looks around and doesn't see Li Ruoshui's Sister Li ruorong coming. At the same time, Yang Yu ponders whether Yang Lin will come or not. Last night, after school, he said hello to her. Obviously, she is still angry. She was angry with her for the second time that day.

However, it's time to talk about playing with Cao.

WOW!

The students exclaimed.

Yang Yu also followed everyone's vision, almost nosebleed.

Li ruorong is super sexy. She's wearing a dress, but she's wearing a skirt. Half of her breasts are exposed outside. The breasts are full of e cups, which makes the girl students scream. Her face is painted with light makeup, her lips are ruddy, her hair is curly, enchanting and full of femininity.

"Sister Rong, we're going for a spring outing. We're going to climb mountains and have a picnic. Is it inconvenient for you to dress like this?" Yang Yu feels a little speechless. This dress is not for spring

outing. There will be insects and thorns on the way. It's easy to hook and scratch. Isn't it nothing to look for trouble.

But this is not what Yang Yu is worried about at all. In front of this group of junior high school girls, if you dress like this, half of your breasts are exposed, or for giant breasts, you set an example for them, which affects their values.

Yang Yu looked at the girl students, staring at Li ruorong's milk, envious.

"Oh, isn't Mr. Yang here? Miss Yang will take care of me, won't she? " Li ruorong showed off her style and milked the girls, but the two boys were bleeding their noses.

Yang Yu can't stand this kind of hair father, but look at the time, it's too late to go back and change. Forget it, just go according to her. It's just like this. If you seduce yourself, I'm afraid you can't hold it.

"Well, let's get ready to go. Our destination is volcanic rock forest valley." Yang Yu clapped his hands and everyone began to act.

It's only a few hours' walk from shigu.

There used to be a river on the top of the mountain, but later it dried up, leaving only beautiful smooth stones. These stones are strange and can not be eaten together, forming a beautiful landscape. On both sides of the dry river, there are dense moso bamboo.

At dusk, the second group divided into two groups, and then went back to the North Village.

This time, Yang Yu is very careful about safety, divided into small teams, the team leader must always pay attention to his small team, must act together, not alone, even to pee, must be accompanied.

When everyone came out of the school, Yang Yu suddenly saw Yang Lin coming with a bag on her back. Yang Yu was relieved. At least it showed that Yang Lin was not angry with him. At least Li ruorong and Zou frowned. What she didn't expect was that her sister's best friend also went out together this time.

"Sister Lin, you are here, too." Li said hello with a smile for the first time.

"It turns out that it's sister Rong. She has nothing to do at the weekend, so we'll come out together to relax." Since the fruit incident, Yang Lin really hasn't lived a stable life. She is haunted by nightmares, and it's about Xiaoxing. Later, she has gone to bed with Yang Yu and can't face her good friend Ruoshui. Now, she was raped by Yang Yu a few days ago, and she hates it to the bone.

The relationship is becoming more and more complex, as the saying goes: love grows with time. Yang Lin is afraid of this. If she and her best friend fall in love with a man at the same time, the pain is three people.

It's been a long time.

Yang Linbai takes a look at Yang Yu, and without talking to him, she takes sister Rong's hand and climbs up the mountain together.

Along the way, the breeze was warm, blowing people very comfortable, this group of female students is not so happy for a long time, all the way to fight noisily, very excited.

After climbing the mountain, bypassing the reservoir, passing several small villages, we went all the way, then climbing a mountain again. It took two and a half hours to reach our destination.

It's far more beautiful than you think, but there are very few tourists here. After all, it's deep in the mountains and it's not open to traffic. Besides, it's still very early now. It's estimated that there will be some donkey friends in the afternoon.

"Wow! It's beautiful. " Almost all of the students sighed and ran to the stone valley. When everyone suddenly into the nature, that kind of mood is indescribable.

Dust to dust, earth to earth, all people, one day, will turn into spring mud, and nature, completely blend together.

Yang Yu also took a deep breath, spread out his hands, embracing the beauty and greatness of nature, and suddenly remembered a sentence: don't think that if you insert a guy into the land, you think you have raped the whole earth.

But, tonight, even during the day, Yang Yu is going to leave a seed in such a romantic and beautiful place. He just doesn't know which female student he is putting the seed in.

"My feet are so sore, can Mr. Yang lead me there?" When all the students ran past, Li ruorong suggested.

Yang Yu looked at everyone, the students have already run past, and Yang Lin seems to be in a good mood, but it's also very difficult, but look at Li Ruo Rong like that, although it's a bit fake, but it's true that after walking so long, the acid is normal, but she is Li Ruoshui's boyfriend, holding her sister, it's not suitable.

"Younger brother Yang Yu, you can't be so ungrateful of flowers and jade, can you? What about your sister or my girlfriend? " Li ruorong is a girl. She's all coquettish.

Yang Yu was numb by his father's voice, so he had to say, "OK, OK." Then he held out his hand.

With a smile, Li ruorong stretched out her jade hand, which was very slippery and white, and put it on Yang Yu's hand. Her eyes were fixed on Yang Yu. Yang Yu was so numb that she had to smile and lead her to shigu.

Yang Lin is also happy to run forward, suddenly saw a very beautiful stone, picked up, a look, turned out to be a luminous stone, very excited, just want to share with you, this back, just saw Yang Yu holding Li ruorong's hand.

In an instant, nameless fire.

"Beast! Even my girlfriend's sister seduces me. Yang Yu, I can see you as a beast. " Yang Lin scolded angrily. She was in a bad mood. She didn't know why. Anyway, she was very angry.

Human face, beast heart, wolf in sheep's clothing, beasts, these are the only impression Yang Yu left to Yang Lin. The first time I met Yang Yu, I was peeping at myself taking a bath. Then I cheated myself into taking aphrodisiac. Taking advantage of the danger, I cheated myself and took away my first night. Knowing that I was his girlfriend's best friend, I cheated myself into taking it. Last time I cheated myself, but I couldn't help it. Now, I go to seduce my girlfriend's sister. What is this? Yang Lin is very angry. She even wants to reveal Yang Yu's true face. She even wants to tell her best friend Li Ruoshui: your boyfriend is a wolf. How did he cheat your best friend's body and seduce your sister?

But Yang Lin said that she didn't want Li Ruoshui to know that she was a woman who had been killed by Yang Yu, and she had been killed twice.

Yang Lin was so angry that she left by herself. Li ruorong secretly glances at Yang Lin and sees that she is so angry that a smile appears at the corner of her mouth. Yang Yu is completely in the dark and doesn't see the scene that Yang Lin is angry.

Wait until the students, Yang Yu just broke away.

But some female students saw the scene of Yang Yu holding hands with Li ruorong, and the gossip spread slowly.

"No, Miss Li is Miss Yang's girlfriend. How can she hold hands with her sister?"

"Mr. Yang is really romantic. When I went to Mr. Li, I went to Mr. Li's sister again."

"Hey, do you think Miss Yang will sleep with sister Rong tonight?"

.....

Several female students were talking in private and gossiping.

Yang Yu was far away from them, but he didn't hear anything. Li ruorong only glanced at the students, thinking: everything is in my arrangement.

Yang Yu selected several good barbecue positions, and then with the students to move stones, set up a

few small stoves, ready to start a barbecue.

"You get the vegetables and rice ready. The teacher and some boys go to pick up firewood." Yang Yu said.

"Miss Yang, why don't I go with you?" Li suggested.

"Elder sister Rong, it's not convenient for you to dress here, and you need adults to sit here. Just help me watch these children and don't let them run around." Yang Yu refused very simply this time, and then went with the boy.

Looking back, I found Zishu had followed me.

"I'll go too, Mr. Yang." Zishu said that she had not been with Yang Yu for a long time.

Yang Yu took a look and agreed. Anyway, he didn't go far, so he took Zishu to the dense bamboo forest.
