

**Suga:**

Namjoon, what we last talk about.

**Namjoon:**

Yes hyung?

**Suga:**

I want you to help me solve this. I know you can help me with this and jungkook trusted me that I can save you all, I cant let him down. <sup>a</sup>

**Namjoon:**

Im sure you wont let jungkook down. He believes in you for a reason. <sup>a</sup>

**Suga:**

When jungkook was gone I always thought to myself, when did he slowly slip away? Why didnt we felt his presence? I couldve stopped everything from happening. <sup>a</sup>

**Namjoon:**

Hyung arent you angry at me?

**Suga:**

Why would I be angry at you? <sup>a</sup>

**Namjoon:**

I was the one who sent Taehyung to Jhope's place that night. If I didnt have told him to go to hobi he wouldnt have been killed.

**Suga:**

I think no matter where he goes that night he would still end up the same way. That night, it wasnt just a coincidence that she was at hobi's place, it was because her main target was taehyung.

**Namjoon:**

I dont understand how did this got out of hand. How could she do this to us so easily?

**Namjoon:**

How did she slip through jungkook's room? <sup>a</sup>

**Namjoon:**

How did she manage to knock jhope down and kill taehyung? <sup>a</sup>

**Namjoon:**

It doesnt make sense.

**Suga:**

Now that she is not really her then the possibility that someone is helping her out is ruled out.

**Namjoon:**

Then that only means... <sup>a</sup>

**Suga:**

That person is near us. <sup>a</sup>

Goodluck guessing. :) <sup>a</sup>
