**Her:**

This is su ocating me. You're hurting me.

**Jhope:**

And you should've thought the same when you decided to date him.

**Her:**

I already chose you! And we werent even together!

**Jhope:**

So you are the one who has some guts to be angry now?

**Her:**

Im just saying that isnt this enough?! I already gave up on him! Why are you making this hard for me?

**Jhope:**

Why is it so hard to listen to me? Can you answer that?

**Her:**

Im sorry okay? I already chose you, why are you still doing this?

**Her:**

Why are you so hard Jhope? Cant you just forgive me?

**Her:**

You've changed.

**Jhope:**

And so have you.

**Her:**

Are you really my friend? Because a friend would never make me choose between them and the person i love.

<sup>a</sup><sup>14</sup>

**Jhope:**

What do you mean by that?

**Her:**

You are not the same jhope i befriended.

**Jhope:**

And?

**Her:**

I can never be friends with someone that is not my jhope.

**Jhope:**

if you want to end this friendship just to be with jungkook dont make it look like its my fault. Dont ever say that I changed because you were the first one to do so. <sup>a</sup>
