**Her:**

Are you really okay? The bruise and cuts look terrible. It must hurt a lot.

đ

**Her:**

Im sorry. Im sorry in behalf of jungkook.

**Her:**

I shouldnt have agreed to have dinner with you. Look what you got now.

**Jimin:**

Its okay. That dinner is like a birthday present for me. Dont regret accepting that dinner because it hurts more than these cuts and bruises.

**Her:**

But that means that those cuts and bruises are my presents too. I dont want that.

**Jimin:**

Its not your present for me. You didnt gave it to me. Our maknae did. Its his present for me.

đ

**Jimin:**

Its okay tho. I totally understood why he got mad and jealous. Maybe he got it the wrong way.

**Jimin:**

And besides, his punches werent that hard hahaha.

**Jimin:**

Hope you didnt fight over my handsome face being ruined.

**Her:**

Well... we did fought a little.

**Jimin:**

Oh no. Im sorry. I dont want to ruin someone's relationship.

**Her:**

No no. Its okay. It was your birthday a er all. And besides, jungkook and i are still together although we arent talking for now.

**Jimin:**

Whyyyyy

**Her:**

**Jimin:**

Jungkook must love and treasure you so much.
