a²**Her:**

Jimin? Im sorry if i disturbed you but jungkook's not answering any of my messages. Is he there yet?

Jimin:

Hey. Its okay. No, Jungkook isnt here. Why?

Her:

Im worried about him. Its been 4 days since he last contacted me. I dont want to think anything.

Jimin:

He hasnt told me anything tho. We last talked last week? And it was just a small talk.

Her:

Idk but since he le he's been out of reach. He doesnt have time to talk to me? What is happening? What is he really doing in Japan?

Her:

Im scared. What if there is somebody else? What if he is spending his week with another woman? What if he doesnt love me anymore?

Jimin:

I dont know. But im sure Jungkook wont cheat on you. He loves you very much.

Her:

I dont know Jimin. But our relationship is a bit lost now.

a³**Her:**

Jimin. I dont want to think that he can do that to me.

Jimin:

What? What do you mean?

Her:

I dont want to think that he can cheat on me but

Jimin:

What??

Her:

He smelled like a female's perfume. And that's not my scent.

a¹¹**Jimin:**

What's the smell of the perfume?

Her:

Something like a pumpkin pie.

Jimin:

Take a rest now. I'll talk to him about this.
