**Suga:**

We need to get you treated Jhope.

**Jhope:**

Im fine hyung. Im totally fine. Im not going to the asylum again.

**Suga:**

But we have to. I dont want you to be like that forever. I dont want you ruined.

**Jhope:**

But i dont want to forget her and our brothers. I cant live with that.

**Jhope:**

I only have their memories.

**Jhope:**

And besides, I want to help you catch the culprit here.

**Suga:**

I can handle it myself jhope. You arent mentally stable, i cant have you like that.

**Suga:**

Your health comes first than anything else.

**Jhope:**

But hyung..

**Suga:**

And besides, that is what she wants too right? For you to be okay without her. You need help from the expert jhope. Just trust them.

**Suga:**

And before you know it, you're already better. I promise that i will catch the culprit before you get out of the asylum.
