

She Shocks 261

Chapter 261: Sweet!

Yu Huang glanced at Sheng Xiao's dark expression and thanked Jiang Ruixue. Then, she pulled Sheng Xiao out of the treatment room.

After leaving the treatment room, the two of them walked down the stairs to the lobby.

There was no one on the staircase. Sheng Xiao stood on the top step and called out to Yu Huang, who was on the next step. "Wine."

Yu Huang turned around and met Sheng Xiao's gaze.

She asked, "Why are you calling me?"

Sheng Xiao stared into her eyes and said sternly, "Mo Yuelou won't work. He's only a Supreme Master when he's already in his fifties. I'm a Supreme Master at 27 years old..."

After a pause, Sheng Xiao came to a conclusion. "He's not as good as me."

Yu Huang was caught between laughter and tears. "Who praises themselves like that?"

Sheng Xiao looked proud. "I'm just telling the truth."

Yu Huang acknowledged it and said, "Yes, he's not as impressive as you."

Besides, Mo Yuelou had no ulterior motives toward her. It was all the Empress Dowager's doing.

...

According to the rules of the basketball league, the Divine Realm Academy would be promoted to the top five after defeating the Divine Eagle Academy last year in the elimination tournament.

In other words, in the next two days, they did not need to participate in the elimination rounds anymore. They only needed to participate in the third day's championship tournament.

There were two days of rest ahead. The young people were somewhat excited, so they naturally had to go out to have fun.

Usually, they were restricted in the academy. When they were outside, Xiao Shu and the others were like a group of birds that had been released from a cage. They were all extremely happy.

That night, Xiao Shu really treated them to two Kola Beasts as agreed.

One was spicy while the other was honey-barbecued.

Sheng Xiao ate a few pieces of spicy beast meat first and did not touch it again. Such a thing was rare for Xiao Shu and the others, but Sheng Xiao ate it often.

Yu Huang loved to eat this type of beast. It was more delicious than any meat she had eaten before. With some sauce, the taste was even more delicious.

Seeing that Yu Huang liked it, Sheng Xiao cut the meat for her quietly. Yu Huang only needed to eat it.

Yin Rong, who was sitting beside Xiao Shu, spent most of her time secretly observing Sheng Xiao and Yu Huang's interaction. She did not dare to write such details and post it. It would easily expose her identity.

As someone who shipped them, Yin Rong found it very interesting to quietly observe.

Xiao Shu saw that Yin Rong was staring at Sheng Xiao and Yu Huang. He approached Yin Rong quietly and reminded her, "If you keep staring at them, Sheng Xiao will notice."

Yin Rong was startled and quickly lowered her head to eat.

Xiao Shu was inspired when he saw that Sheng Xiao was taking good care of Yu Huang. He picked up the knife and cut meat for Yin Rong.

Yin Rong ate everything he cut.

Xiao Shu was extremely satisfied.

During the meal, Lie Gang asked Xuanyuan Jing what fun places were in Jingdu.

Xuanyuan Jing told him everything he knew.

The night clubs in Jingdu were the best. When it was midnight, the night clubs were the most lively. Xuanyuan Jing said, "Jingdu is also very lively and interesting. You guys can go take a look."

Yin Yang smiled at him. "I can tell that you frequent nightclubs."

When Xuanyuan Jing was fifteen, he had gone to the nightclub a few times.

However, ever since he got to know Yu Huang, he had stopped and never went to the nightclub again. However, he had long stopped loving the girl who he had passionately pursued.

Xuanyuan Jing stole a glance at Zhong Luoxue and saw that she was looking at him like the others. Xuanyuan Jing hurriedly explained, "I went there a few years ago and haven't been there again in these years."

Afraid that Zhong Luoxue wouldn't believe him, Xuanyuan Jing even repeated himself. "Really." However, Zhong Luoxue didn't sense Xuanyuan Jing's feelings for her. She turned around and spoke to Yu Huang.

Xuanyuan Jing was dejected.

The girl he liked was deeply obsessed with the ex-girlfriend he hurted...

After hearing about the various nightclubs from Xuanyuan Jing, this group of restless youths also wanted to experience the hedonistic life.

Xiao Shu asked Yin Rong, "Rong Rong, are you going? If you go, I'll go."

Yin Rong nodded. "Yes."

"Yu Huang, what about you?"

Yu Huang's alcohol tolerance was too low. She didn't want to go to the nightclub, so she rejected them. "You guys can go. I have a date with Professor Sheng."

Sheng Xiao was drinking. When he heard the word "date," he looked down at his attire. He was relieved when he saw that he was dressed appropriately for a date.

After leaving the hotel, everyone split up.

Xiao Shu and the others went to the nightclub while Yu Huang and Sheng Xiao strolled along the street like any ordinary couple.

Because of his identity, anyone would respectfully send anything Sheng Xiao needed to Yufu City. Sheng Xiao had never strolled around the bustling city. He had never even gone to the mall.

He had only visited the school's bazaar.

On the way, Sheng Xiao seemed interested in everything. However, he had always been a person of high status. Even if he was happy, he would not show it.

Yu Huang noticed that he was always pretending to be looking at a sugarcane shop by the street. She suppressed her laughter and held Sheng Xiao's hand. "Brother Xiao, I want to eat that."

Sheng Xiao was almost aroused when she called him Brother Xiao.

Sheng Xiao felt numb all over. He looked at her gloomily and suddenly said, "Say it again."

Yu Huang's voice was even gentler. "Brother Xiao." It was like a piece of candy falling on the heart of a person who had never tasted sweetness.

Sheng Xiao looked around and suddenly waved his hand. He created a wall around them.

This time, no one could see them.

Sheng Xiao held Yu Huang's cheeks and pressed his forehead against hers. "Can I... kiss you?"

Sheng Xiao had wanted to kiss Yu Huang since the moment he saw her change into her ball gown in the morning.

But because he had lost his memory, he had forgotten a lot about his past. Sheng Xiao felt that his desire to kiss Yu Huang would scare her.

Yu Huang winked at him playfully. "Of course..." The last word was just about to leave her lips when Sheng Xiao kissed her passionately.

Yu Huang placed her hand on Sheng Xiao's strong arm and kissed back.

"Huh?"

A little boy was blowing bubbles, but when his bubbles were blown to an empty space in front of the sugarcane stall, they would always circle around that empty space and fly elsewhere.

The little boy looked at the empty space in shock. He pulled his father's hand and asked in confusion, "Father, why can't the bubble pass through there?"

Her father looked over.

The empty space that was impossible to pass through was like the outline of two people kissing from afar.

The father smiled and patted his son on the head. "Because the air there is sweet," he said.

Although he didn't understand why the air was sweet, nor did he understand why the air was sweet and the bubble avoided the air, the boy still pretended to understand.

Yu Huang and Sheng Xiao were embarrassed when they heard the father-son conversation.

Yu Huang pushed Sheng Xiao away gently. Sheng Xiao felt awkward too. He pinched his eyebrows and sighed helplessly. "I'm sorry. I couldn't help it."

Yu Huang expressed her understanding.

"I'll treat you to a sugar figurine."

"Alright!"

After removing the partition wall, the two of them appeared on the street silently. No one noticed that they had suddenly disappeared and suddenly appeared.

Yu Huang walked to the stall and asked the owner to blow a small dragon for her. The boss clumsily blew a cute little dragon for them. The dragon horn on the head was very cute.

Yu Huang scanned the QR code and paid. She handed the little dragon to Sheng Xiao. "This is for you."

Sheng Xiao took the candy and took a bite. He frowned at the sweetness.

Sichuan people loved spicy food. Sheng Xiao did not like it, but he still finished it.

After he finished eating, he heard Yu Huang say, "I haven't shopped in a long time. Come shopping with me." He looked like he had never shopped before. Yu Huang decided to bring Sheng Xiao out to see the world.

"Okay."

This place was a little far from the shopping hub, so Yu Huang decided to drive out. She let the off-road vehicle out, opened the driver's seat door, and sat in.

Sheng Xiao opened the door to the front passenger seat naturally. He sat on the car chair and suddenly said, "This is my exclusive seat, isn't it?"

Yu Huang looked at him in surprise and asked, "What did you remember?"

Sheng Xiao shook his head. "It's intuition."

"Yes. You paid for the passenger seat. You're the only one who can sit here."

Sheng Xiao shifted his butt on the seat. "I like this seat." He did not like this seat, but any seat closest to Yu Huang.

Chapter 262: Proposed to Yu Huang

At night, Jingdu was extremely congested. Often, when the green light ended, the car would not even be able to drive past the crossroad.

Yu Feng drove calmly. She would wait for the red light when she ran into it. She was not angry when someone cut the queue. While she was waiting for the green light, Sheng Xiao took out his phone and opened his browser. He searched for a problem.

[How should I shop with my girlfriend?]

Answer: Swipe your card.

Sheng Xiao took out his wallet and checked his bank cards. He was filled with confidence when he saw that the bank cards were still there.

...

As the capital of the Divine Moon Empire, Jingdu was naturally prosperous. Jingdu had ten famous business circles, and four of them were under the name of the Garo Clan.

Among the few large cultivation families, in terms of cultivation level and strength, the Garo Clan was ranked last. However, in terms of wealth, the Garo Clan was definitely ranked first.

But Yu Huang didn't take Sheng Xiao to a big mall under the Garo clan, but took him to a mall under the name of the Sheng clan.

Although Sheng Xiao had never shopped before, he knew his family business well. After recognizing that it was his family's shopping mall, Sheng Xiao said to Yu Feng, "It's too noisy here. Let me get them to clear the place."

Before Sheng Xiao could take out his phone, Yu Feng snatched it away from him. "There's no need to clear the place. Shopping is all about the atmosphere. It's meaningless if everyone is cleared."

"... Oh."

Although he had no experience in shopping, he knew how it worked. When they reached the mall, Sheng Xiao dragged Yu Feng to buy things, clothes, accessories, bags, anything expensive.

Yu Huang was not pretentious at all. She would accept whatever Sheng Xiao bought.

"Wait for me here. I'm going to the bathroom." Sheng Xiao asked Yu Feng to wait for him at a scenic pool. He walked toward the bathroom.

But Yu Huang felt that Sheng Xiao was not going to the bathroom.

She concealed herself and followed silently.

Yu Huang saw Sheng Xiao enter the elevator from another exit and go to the jewelry shop upstairs. The mall was oval-shaped. Yu Huang stood at the escalator and watched as Sheng Xiao walked into a jewelry shop and took something from the manager.

The manager was wearing a pair of pure white gloves. He opened the small jewelry box in front of Sheng Xiao. As a Purifying Spirit Master, Yu Feng could clearly see that it was a ring.

Yu Huang's heart skipped a beat.

Ring?

She ran back to quietly. After sitting for a while, she saw Sheng Xiao come back.

"Okay, let's go."

"Yes."

The two of them took the elevator to the underground garage and got into the car. Yu Feng was about to start the car when she heard Sheng Xiao say, "Let's not go back to the hotel first. I'll take you somewhere."

"Where to?"

"You'll know when we get there."

"Okay." Yu Huang started the car and stepped on the accelerator. She realized that the car hadn't moved. Feeling puzzled, she stepped on it again and realized that the car still hadn't moved.

Sheng Xiao reminded her, "You didn't put the brakes on."

Yu Huang was speechless.

Yu Feng realized that she was not in the right state to drive, so she turned to say to Sheng Xiao, "You drive. I'm a little tired."

Sheng Xiao did not suspect anything. He got out of the front passenger seat and changed seats with Yu Feng.

Sheng Xiao drove. Yu Huang took out her phone and entered her fan club. She sent a message on her alternate account.

Big Turkey (Yu Feng's smurf account): "I'm so nervous. My boyfriend seems to be planning to propose to me. I'm so worried that I won't cry. Sisters, please advise me. How did you cry when you were proposed to?"

Little Phoenix—Momo: "Turkey, why can't you cry? Don't you love him?"

Big Turkey: "I do, but the person I love is going to propose to me. I just want to laugh out loud! I saw other people's proposal videos, and the girls were so touched that they cried. If I can't cry, won't it ruin the vibe?"

Little Phoenix—Continent: "Turkey, why don't you go to the pharmacy to buy a tear stick and wipe your eyes first? You'll definitely cry."

Little Phoenix – Orange Sunset: "Pinch yourself. Try your best to cry."

These fans did not seem reliable.

When they passed by a pharmacy, Yu Feng suddenly said, "Stop the car."

Sheng Xiao stopped the car by the side. Yu Huang ran into the pharmacy and bought a bottle of tear gas. She put the bottle in her pocket and returned to the car calmly.

Sheng Xiao asked, "What did you buy at the pharmacy?"

Yu Feng naturally could not reveal the existence of tears. She said, "Medicine for menstrual pain."

Sheng Xiao did not ask further.

The car drove for a long time towards the suburbs before finally stopping at the top of a mountain. Outside the top of the mountain was a hundred-meter cliff and below it was an endless sea.

Sheng Xiao jumped out of the car. Seeing that Yu Huang was still sitting in the car, he went to the front passenger seat and opened the door. He opened his arms and asked Yu Huang, "Do you want me to carry you out of the car?"

Yu Feng unbuckled her seat belt and was about to get off the car herself, but Sheng Xiao still carried her out.

The bright moon was high in the sky and the sea was calm in the distance. The two of them sat by the cliff to admire the moon. Sheng Xiao had his right hand in his pocket. He fiddled with the ring box nervously. His heart was racing.

Yu Huang stared at the waves at the bottom of the cliff while her heart raced.

She thought: Why hasn't this kid proposed yet?

Sheng Xiao cheered himself on. Finally, he felt ready. He took a deep breath and turned to Yu Huang. "Do you want to swim?"

Yu Huang was speechless.

Sheng Xiao suddenly summoned the Black Qing Sky Dragon. It floated in the air beside the cliff and lowered its head in front of Sheng Xiao. Sheng Xiao said to Yu Huang, "I want to invite you to ride it to the seabed."

The beast form of a Beast Tamer represented the soul of a Beast Tamer. The reason why Black Qing Sky Dragon was willing to get close to Yu Huang was because Sheng Xiao was close to her.

Yu Huang was unable to resist the temptation of riding a dragon.

"Okay." She held Black Qing Sky Dragon's dragon horn with both hands. Sheng Xiao suddenly felt numb all over and his legs went weak.

Yu Huang was puzzled when she saw Sheng Xiao blushing, as if he had been stimulated. She asked, "Why is your face so red?"

Sheng Xiao stared at Yu Huang intently. He explained, "If you pinch the dragon horn, I... will react."

Yu Feng stared at the two dragon horns in her palm and had the illusion that she had Sheng Xiao in her grasp.

She quickly let go of the horn and grabbed the whiskers with both hands. "Are you okay?"

Sheng Xiao stood up. He sat behind Yu Huang and said, "Turn on the protective shield. Don't touch water." He really thought that Yu Huang was on her period.

The bay before them was an undeveloped bay in the Divine Sea. Black Qing Sky Dragon carried both of them into the deep sea. Under the moonlight, the sea seemed dark and mysterious.

The fish swam past them in groups. Yu Huang reached out and grabbed the tail of a fish. She saw that the fish was ugly and its scales were gray. It was obvious that it was not delicious. She let go of the fish.

Sheng Xiao wanted to bring Yu Feng to see the sea, but Yu Feng said, "Catch some delicious fish. Let's go to the shore and barbecue."

Sheng Xiao was speechless.

"Okay."

As the Black Qing Sky Dragon swam in the deep sea, Yu Huang managed to capture a light yellow scaleless fish. This fish tasted like the cod from the Earth.

After they reached the shore, Sheng Xiao was in charge of starting a fire. Yu Huang applied a type of plant spice to the cod.

The two of them sat by the bonfire while enjoying the sea breeze and roasting the fish.

Soon, the fish was cooked. Yu Feng took out a dagger and cut a piece of fish. She tasted it and felt that it was delicious. She said to Sheng Xiao, "Extinguish the fire."

Sheng Xiao put the fire out.

Yu Feng cut the fattest piece off and shared it with Sheng Xiao.

Yu Huang took small bites of the fish and looked up at the starry sky. The starry sky here was different from the starry sky that could be seen on Earth. Presumably, the galaxy where the Holy Spirit Continent was located was definitely very far away from Earth.

Just as Yu Huang was reminiscing about her life on Earth, Sheng Xiao suddenly said, "I wanted to propose to you."

Yu Huang choked on a mouthful of fish.

As expected of Sheng Xiao. He was so direct.

After swallowing the fish, Yu Huang turned to look at Sheng Xiao and asked in confusion, "Are you sure you want to propose to me while I'm eating fish with my mouth full of grease?"

Sheng Xiao felt helpless.

He said, "The view of this bay is beautiful. When I was young, I loved coming to this sea to play. I wanted to propose to you under the witness of the deep sea and the moon, but you were so intent on catching fish."

Sheng Xiao stared at the fish with its abdomen cut off on the wooden shelf. He said bitterly, "Now, I can only propose in front of this dead fish."

Yu Huang burst out laughing.

She said frankly, "I saw you getting the ring a long time ago. I was afraid that I wouldn't cry when you proposed to me, so I went to the pharmacy to buy a tear stick."

Sheng Xiao smiled. "So, you went to buy a tear stick."

"Yes."

The two of them looked at each other silently. They felt that it was funny after they cleared the air and couldn't help but laugh.

Chapter 263: Proposal, The Most Romantic Confession

Sheng Xiao's smile was short-lived. He quickly regained his composure.

After putting down the fish plate, Sheng Xiao suddenly said, "I'll perform a Star Plucking Spell for you." A dragon's roar was heard. Sheng Xiao stepped on Black Qing Sky Dragon's head and the two of them flew into the forest behind them.

Yu Huang could not see Sheng Xiao and only heard the commotion caused by Black Qing Sky Dragon in the forest. Although she was curious about what Sheng Xiao was doing, she still waited patiently.

About three to four minutes later, Sheng Xiao suddenly rushed into the sky from the forest. He stood high in the sky and said to Yu Huang, "Watch carefully!"

Yu Huang didn't even blink.

Sheng Xiao opened a white jade bottle. The mouth of the bottle was open. Little butterflies shining with blue light flew out of the bottle. They filled the sky above Yu Huang's head. In the dark night, the little blue butterflies fluttered their wings. They were like stars falling in front of Yu Huang.

Yu Huang subconsciously reached out her hand to touch them. Only when she reached out her hand did she realize that she was still a distance away from those stars.

Sheng Xiao used his spiritual power to control every butterfly and made them gather into the shape of a huge heart. Sheng Xiao pushed them toward Yu Huang and they floated in front of her.

Yu Huang quickly put down the fish plate. She stood up and poked the butterflies. The butterflies immediately scattered. In an instant, Yu Huang was surrounded by the butterflies. This dreamy scene made Yu Huang hold her breath.

The butterfly circled around Yu Huang for a while before transforming into the shape of a huge ring in front of her. At the base of the ring, the two small butterflies used their wings to hold up a golden ring.

Sheng Xiao flew down from the sky and stood in front of Yu Huang. He said, "I heard that you have an Eternal Eye that can see the past and predict the future."

Sheng Xiao bent down and locked eyes with Yu Huang. Yu Huang could clearly see his eyelashes. "Wine, look. Is my future filled with you?"

Sheng Xiao opened his heart to her. Yu Huang looked into his dark eyes. She saw the scenes she had seen in his eyes again.

It was a blissful family of four.

Yu Huang shook her head and said, "That's not right."

Thinking that Yu Huang was saying that she would not exist in his future, Sheng Xiao's handsome face became sulky. "...Is that wrong? We're not together?"

Sheng Xiao found it difficult to ask.

When Yu Huang heard Sheng Xiao's question and saw the dark look on his face, she realized that Sheng Xiao had misunderstood again. She chuckled and said, "There are two cute children."

Hearing that, Sheng Xiao's expression lit up. "Children? Is it a boy or a girl?"

"Two little girls."

Sheng Xiao suddenly smiled.

He took off the ring on the butterfly's back, then the butterflies immediately flapped their small wings and flew away.

Sheng Xiao grabbed Yu Huang's left hand and held the ring. "Do you know that there are very few beast tamers holding wedding ceremonies in the Holy Spirit Continent now?"

Yu Huang revealed a puzzled look. "Why?"

Sheng Xiao said, "Because a wedding requires marriage under the witness of the heavens. Do you know about the marriage compact?"

Yu Huang asked thoughtfully, "The marriage compact you're talking about is referring to the marriage contract?" There were many kinds of contracts in this world, and the marriage compact was an ancient contract, a contract that many beast tamers would form when they got married.

A marriage compact referred to the soul contract between a husband and wife. From then on, there would be one of you and one of me. If one party betrayed the other, the other party could control the other party's life.

But Sheng Xiao shook his head. He said, "A marriage contract is just an ordinary contract. Many beast tamers can form a marriage contract with each other when they fall in love. But a marriage compact is a contract that requires one to worship the heavens and ask for the blessings of the heavens. It is an existence that is more stable and powerful than a marriage contract."

"If a marriage contract is a long string planted in a couple's body, then a marriage compact is a string used to tightly bind a couple's souls together."

Yu Huang was stunned when she heard that.

How could there be such a compact?

She had heard from Lin Jiansheng that once a marriage contract was formed, one party had to die, or both parties had to choose to break it. The marriage compact was even more powerful. It would probably be even more difficult to break this contract.

Sheng Xiao said, "Ten thousand years ago, when the beast tamers held their weddings, they only needed to sign a marriage contract. But later, something happened that changed the rules of heaven..."

Yu Huang was interested and asked curiously, "What is it?"

Seeing that she wanted to hear it, Sheng Xiao explained patiently, "It is said that ten thousand years ago, there was a very powerful Beast Tamer who lost his lover forever for some reason. After he survived the Divine Master level's calamity, the heavens gave him a wish. The Beast Tamer asked the heavens for something, which was a marriage compact."

"Marriage compact bonds are a marriage line planted by the heavens in the bodies of a couple. This kind of marriage line can surpass the physical body and reincarnation, and it will be branded on this pair of lovers forever. People who are given marriage compacts by the heavens will become eternal lovers. They can't get a divorce." 1

Yu Huang's mouth fell open. "You can't divorce? No wonder. I'm afraid no one is willing to form such a contract."

"Yes." Sheng Xiao sighed with emotion. "If a couple who has been married wants a divorce, both of them have to bear the wrath of the heavens to break the marriage compact."

And the so-called wrath of the heavens referred to the most extreme power of nature. The strongest thunderbolt, the coldest freeze, the wildest strong wind, the hottest fire...

With four such powerful energies stacked together, even an immortal would be tormented to death, let alone an ordinary Beast Tamer.

Therefore, almost no one was willing to form this marriage compact.

"The heavens are hard to understand. Perhaps it was because he was moved by that senior's love for his wife. After that, whenever a Beast Tamer held a wedding, the heavens would reward them with a marriage compact. And those who were planted with a marriage compact were unable to break it. As time passed, everyone didn't dare to hold a wedding."

"Therefore, in the current cultivation world, beast tamers no longer dared to worship the heavens and the earth. Most of them will hold an engagement ceremony. Couples with deep feelings will plant a marriage contract during the engagement ceremony and be considered to have gotten married."

Marriage compact was like a curse, cursing them to be together forever.

However, everyone liked new things and hated old things. Who could guarantee that they would not encounter a better person in the future? Who could guarantee that the person they married today was really a good match?

Therefore, only those who had an unforgettable love and were certain that they would forever be with each other would take the risk to hold a wedding and pay their respects to the heavens and the earth.

Of the six great cultivation families in the Divine Moon Empire, only the head of the Sheng family, Sheng Lingfeng, had bowed to the heavens and earth with his wife and had a marriage compact.

"I just wanted to tell you..." Sheng Xiao raised the ring and knelt on one knee in front of Yu Huang. He looked up into Yu Huang's bright and clear eyes and asked softly, "Yu Huang, are you willing to marry me and worship the heavens with me?" 1

Yu Huang's heart fluttered.

Worshipping the heavens together was the most passionate confession in the cultivation world. Few male cultivators dared to make such a promise to female cultivators.

Not many female cultivators could heartlessly refuse such an oath.

At this moment, Yu Huang should be moved to the point of tears. The original Yu Huang had more than ten years of acting experience. If she really wanted to cry, Yu Huang could cry.

But...

Yu Huang smiled.

She smiled and reached out her left hand. "I'm willing to worship the heavens with you."

Sheng Xiao heaved a sigh of relief.

He solemnly wore the golden ring on the middle finger of Yu Huang's left hand. He held that hand and raised his head to tell Yu Huang, "When the Cong Lang Mystic Realm is over, I will bring my parents to your house to propose a marriage. After the year is over, we will hold a wedding to commemorate. What do you think?"

The corner of Yu Huang's lips curled up slightly. "If you dare to, we can publicly worship the heavens in front of the high mountains and sea tonight."

Sheng Xiao was touched and almost agreed.

Fortunately, he was rational and did not do anything foolish. "Not tonight. The wedding is a serious matter and can't be rushed. I'll marry you in the grandest manner."

"... Okay!"

Chapter 264: Confessing Her Origin

Yu Huang twirled the ring and looked at it carefully.

This ring was very ordinary. It had no design feel, and there was no special power sealed in it. It was just an ordinary golden ring.

Sheng Xiao told her, "This wedding ring has a magical effect. You only see its outer appearance. As long as you want, it can become the ring design you want the most. This is the work of the jewelry designer, Master Tina. Beast Tamers nowadays like to propose with it."

"It's that magical?" Yu Huang was very curious.

"Yes. Try it."

Yu Huang nodded.

Yu Huang's adoptive parents during the Doomsday Era were very loving. Her mother never wore other accessories, but on her left ring finger, she always wore a wedding ring.

It was a golden ring. Two lines, one black and one white, were intertwined on the ring. It symbolized that Mother and Father had each other in their hearts.

Yu Huang recalled the appearance of that ring in her mind. The ring on her middle finger had become the same design as her adoptive mother's ring.

Seeing that the ring had really changed, Yu Huang found it magical. "This ring is quite interesting."

Sheng Xiao stared at the new ring and asked Yu Huang, "What are the two lines on the ring?"

"It's you and me. Look, doesn't it look like you and me? We were originally two parallel lines, but one day, we suddenly met and tangled up together to accompany each other."

Sheng Xiao's gaze softened when he heard her description. "Yes, this is beautiful."

Yu Huang noticed that it was getting late. She asked Sheng Xiao, "Are we going back tonight or outside?"

"Let's camp."

"Okay."

Sheng Xiao and Yu Huang were experts at camping in the wild. They quickly set up a tent.

The top of the tent could be opened. The two of them laid in the tent with their hands behind their heads while they looked at the stars. Sheng Xiao suddenly reached out and covered Yu Huang's mask.

"Take it off. There's no one else."

Yu Huang looked up and untied the rope around the mask behind her head.

Sheng Xiao took off his mask and placed it beside the pillow. He stared at Yu Huang's scarred right face for a moment before saying, "During this trip to the Cong Lang Mystic Realm, even if we find a baby fish, we might not be able to heal your injury."

Yu Huang asked her, "Then will you mind my appearance?"

Sheng Xiao thought about it and said, "If possible, I naturally want you to be beautiful. But you're not ugly when you're like this."

Yu Huang was indeed ugly now. Sheng Xiao could not lie and say that she was beautiful.

But even if she was ugly, he still liked her.

Sheng Xiao said gloomily, "I want you to recover your looks but I also want you to always be so ugly." He said bitterly, "If you really recover your looks, I wonder how many people will like you."

She had always been likable.

When she was young, she was a popular child actress. Later, she was the most popular actress. After her face was disfigured, there was still a group of admirers.

She was awesome.

But at the thought that such a capable girl was his fiancée, Sheng Xiao felt that he was especially amazing.

Yu Huang laughed. She suddenly said, "In that case, even if I recover my looks, I'll wear a mask and won't let anyone see me in the future. I'll let them think I'm ugly. Are you happy now?"

Sheng Xiao's eyes lit up when he heard her suggestion.

But...

"Girls all like to be beautiful. You don't have to suffer for me."

Yu Huang smiled and didn't speak further.

She was about to fall asleep when she heard Sheng Xiao say, "I'm not going to sleep anymore. Let's do something else."

Yu Huang immediately sobered up.

She turned around and met Sheng Xiao's lustful eyes. She felt happy and speechless. She had to admit that Sheng Xiao was quite something to be interested in her face.

Yu Huang smiled and said, "I'm already flat on my back. Aren't you coming?"

Sheng Xiao suddenly turned over. He placed his hands on both sides of Yu Huang's shoulders and looked down at her for a few seconds. Then, he said, "Have we had soul intercourse before?"

Soul intercourse, or rather, divine intercourse, was said to be an especially wonderful feeling.

Soul intercourse required you to open your soul to the other party. At that time, couples could pry into each other's past and all their secrets. Only people who had absolute trust in each other can experience this pleasure.

Yu Huang thought of her secrets and was a little hesitant.

Sheng Xiao saw that she was hesitating. He tempted her on purpose. "Don't you want to see my past? I want to see your past."

Yu Huang said very softly, "...Would you mind if I'm older?" After a pause, Yu Huang felt that this description was wrong. She said again, "Would you mind... a great-grandchild relationship?"

Sheng Xiao asked, "What?"

He was stunned by this phrase.

Yu Huang decided to prepare Sheng Xiao first. She took a deep breath and told him, "I'm not Yu Huang."

Sheng Xiao frowned.

He knew that Yu Huang was not someone who would joke about such a thing.

This was clearly the Yu Huang he knew, but she said that she was not.

What did this mean?

Sheng Xiao laid down beside Yu Huang again. He placed his hands on his abdomen. He touched the back of his right hand with his left index finger. He thought about it and said, "You said that you are not Yu Huang. What do you mean?"

Sheng Xiao had lost his memories of knowing and loving Yu Huang. Otherwise, he would have guessed the truth very quickly given his intelligence.

Yu Huang touched the ring on her finger.

She told herself that Sheng Xiao was someone she could trust.

Yu Huang told him, "The real Yu Huang has already died in the fire two years ago. As for me, I'm Yu Huang from the alternate world."

Sheng Xiao understood.

It might sound unbelievable to Earthlings, but Sheng Xiao had lived in the Cultivation World since he was young. There was nothing strange in the Cultivation World. It was normal for someone to be reincarnated.

Thus, when he found out that Yu Huang was a soul from another world, his reaction was not intense. He only cared about one thing—

"The person I love has always been you, right?"

Yu Huang nodded affirmatively. "It's always been me. But..." At the thought of Madam Sheng, Yu Huang felt a little guilty. She said, "But the person Madam Sheng likes is not me."

Sheng Xiao smiled. "My mother likes Yu Huang's dramas and movies, but she doesn't know much about her. You just need to know that my mother has seen the real you and likes the real you. That's enough."

Yu Huang heaved a sigh of relief.

She added, "Actually, I'm already more than 200 years old."

That was something Sheng Xiao did not expect.

Sheng Xiao was silent for a full minute. Then, he said in an ambiguous tone, "Then, you're quite older than me..."

It was more than that!

Yu Huang could even be Sheng Xiao's grandmother!

Yu Huang reminded him, "Your father is younger than me. In my eyes, you're just a child."

"Is that why you called me a child when you were drunk?" Sheng Xiao thought that Yu Huang had the habit of calling people a child when she was drunk. Turned out that she really treated him as a child.

Sheng Xiao quickly accepted the fact that Yu Huang was more than two hundred years old. He said emotionally, "You are indeed my little ancestor."

She was a real ancestor!

Chapter 265: Peeping Pervert

The next morning, after watching the sunrise, the two of them held hands and returned to the hotel.

In the hotel elevator lobby, they bumped into Xiao Shu and Yin Rong, who had just returned from breakfast.

Yu Huang and Sheng Xiao did not return last night. This morning, they returned hand in hand. They were all adults. How could Xiao Shu not understand what they were doing last night?

Xiao Shu could not help but wink at Yu Huang and Sheng Xiao. He said while blinking, "Hey, where did you guys go on a date last night? Why didn't you guys go home last night?"

Yu Huang ignored Xiao Shu.

Sheng Xiao looked at Xiao Shu and Yin Rong meaningfully. He said, "If you want, you can bring Yin Rong home tonight."

Xiao Shu felt stifled. He looked at Yin Rong expectantly and said with a smile, "Rong Rong, let's go camping tonight as well."

Yin Rong didn't say anything and just smiled at him.

Under Yin Rong's smile, Xiao Shu gradually wiped away his frivolous expression. Xiao Shu stood ramrod straight and said sternly, "Young people should focus on cultivation."

Sheng Xiao chuckled but did not expose him.

When the elevator was about to reach the top floor, Sheng Xiao suddenly stopped Yin Rong. "Yin Rong."

Yin Rong was startled when she was called by Sheng Xiao. She looked at Sheng Xiao guiltily and said softly, "Professor Sheng, what's wrong?"

Sheng Xiao stared at Yin Rong. "You started the big shot daily post on the Beast Tamer Alliance's website, didn't you? You're Genius Writer, aren't you?"

Sheng Xiao opened the Alliance website a few days ago and found that there was a trending post called [Exposing the daily life of the big shot couple in the Divine Realm Academy] in his collection.

Along the way, he found that the main characters in the thread were him and Yu Huang. Sheng Xiao was amazed.

Such a post should not exist.

Yin Rong and Xiao Shu's expressions changed.

Xiao Shu thought to himself, 'I was able to make Rong Rong agree to be my girlfriend all because of Sheng Xiao and Yu Huang. Now that Sheng Xiao has found out that Yin Rong is the 'Genius Writer', won't Yin Rong break up with me?'

Xiao Shu became listless.

Yin Rong naturally wouldn't admit it. She pretended to be composed and said, "I've seen the post that Professor Sheng mentioned. It's very popular on the alliance website. I even collected it before. But I didn't write it."

She refused to admit it.

Sheng Xiao snorted. "I have the right to check everyone's identity on the Alliance website. I've seen your registration information. It's you."

Yin Rong was stunned and subconsciously asked, "Why can you see it?"

Sheng Xiao said frankly, "Because my father is the president."

Yin Rong was instantly speechless.

When the elevator door opened, Sheng Xiao and Yu Huang walked out first.

Yin Rong and Xiao Shu followed behind with stiff steps. Xiao Shu was immersed in the fear that he would be broken up with Yin Rong, while Yin Rong was ashamed that she had been exposed. For a time, neither of them spoke.

After returning to his room, Xiao Shu closed the door and laid on the bed like a dead fish.

When it was lunchtime, Xiao Shu, afraid that he would encounter Yin Rong, didn't dare to go out. At night, there was a knock on his door.

Xiao Shu stood behind the door and saw Yin Rong through the peephole.

Xiao Shu pretended that he was not in the room and was about to return to the bedroom when he heard Yin Rong say, "If you don't open the door, I'll kick it open."

Yin Rong completely had the ability.

Afraid that she would really kick the door open, Xiao Shu hurriedly pulled it open.

His red hair was in a mess, and his eyes were lifeless. He looked like he had been dealt a heavy blow, which rendered Yin Rong speechless. "Why didn't you go for lunch?"

Xiao Shu held the door handle and said with his head lowered, "I'm not hungry."

Someone who could usually eat four bowls of rice actually said that he wasn't hungry. Yin Rong knew what Xiao Shu was avoiding. She crossed her arms and asked Xiao Shu, "Are you afraid that I'll mention breaking up?"

Xiao Shu's face turned pale when he heard the word "break up."

Yin Rong could not bear to scare him anymore.

“Pack your things,” Yin Rong said.

Xiao Shu was shocked. “Pack up?” His expression darkened with anger. “Yin Rong, you can’t selfishly ask me to pack up and leave the team to return to school just because you want to break up with me!”

Yu Huang could still participate in the competition calmly after breaking up with Xuanyuan Jing, so why was Yin Rong so cruel to him?

Was her heart made of stone?

Couldn’t she feel compassion at all?

Xiao Shu was dejected.

Yin Rong said with a forced smile, “I’ll give you three minutes to prepare. If it’s too late, I won’t take you to camp.”

“Camping?” In an instant, Xiao Shu, who was like a dying dog, was revived on the spot and became a spirited little tiger.

“Wait for me, I’ll go pack now!”

Xiao Shu returned to his room and took his phone and wallet. He rushed out of the room and held Yin Rong’s hand as they ran towards the elevator. He was afraid that Yin Rong wouldn’t go camping with him if they were slow.

Zhong Luoxue lived in the room on Yu Huang’s left, while Xiao Shu lived on Yu Huang’s right. Yu Huang had good hearing and heard Xiao Shu and Yin Rong’s conversation. She couldn’t help but shake her head and laugh.

Yin Rong actually liked Xiao Shu, right?

With her status, there was no need for her to date Xiao Shu against her will. Besides, Yin Rong looked gentle and easygoing, but she was actually very determined. If she hadn’t volunteered, nothing could threaten her.

Shaking her head, Yu Huang continued to sit cross-legged on the bed as she stared at the Eye of All Things while cultivating.

Sheng Xiao went back to Yufu City. He would only come back on the day of the basketball finals. For the next two days, Yu Huang had been practicing the Eye of All Things and did not sleep much.

...

On the day of the finals, the entire basketball stadium was packed.

The five teams competed for the championship and the atmosphere was extremely lively.

Divine Eagle Academy still made it to the finals.

In this basketball match, the top five places were the Divine Realm Academy, Yu Hui Academy, Elno Academy, Deschamps Academy, and Divine Eagle Academy.

On the basketball court, the people from the Divine Eagle Academy saw the guys from the Divine Realm Academy enter the arena. They thought about how they had been fighting desperately for the elimination rounds these two days while the people from the Divine Realm Academy were out there having fun. They felt extremely aggrieved and angry.

The Divine Eagle Academy's vanguard and small vanguard glared at Yu Huang fiercely while wishing they could chop off her flying wings. The moment Yu Huang saw their gazes, she knew that today's grand finals would not be easy.

She exhaled and turned to look at the audience.

Over there, Madam Sheng came to support her with a few women she was close to. Behind her, two servants held up a banner with the words—

Yu Huang, you can do it! The Divine Realm will definitely win!

Behind Madam Sheng sat a man in a sunhat. The man, with a beard and a white shirt, was plain-looking.

As soon as Yu Huang saw that person, she recognized that it was Yu Donghai.

Yu Huang felt at ease when she saw her father.

Lin Jiansheng also came. Considering that people from the Yin Clan would also come, Lin Jiansheng was afraid that sitting with Yu Donghai would attract the attention of the Yin Clan, so he did not sit with Yu Donghai.

Lin Jiansheng sat in the noisy crowd. His bald head was shining under the sun, and it was extremely eye-catching.

Yu Donghai had been observing Sheng Xiao.

Yu Donghai thought about how this child would be Yu Huang's future husband, and it was a rare opportunity. Yu Donghai had to observe carefully and see if this child was worthy of Yu Huang.

Sheng Xiao was used to being stared at. But today, someone had been staring at him since he sat down. This made Sheng Xiao angry.

Which pervert was spying on him?

Chapter 266: Sheng Xiao Meets His Father-In-Law

With the intention of warning the 'pervert', Sheng Xiao turned around. Before he could see his face, he gave him a cold look.

After throwing him a cold glance, he looked at the person again. At that moment, a crack appeared on Sheng Xiao's usually calm face.

"Yu..." Sheng Xiao said. He was silent for a moment before he finished his sentence guiltily.

"Uncle Yu."

Even though Yu Donghai was wearing a sunhat, Sheng Xiao still recognized his future father-in-law at a glance.

Two years ago, Sheng Xiao had met Yu Donghai once at the Imperial Cuisine Restaurant in the Sheng Capital. However, he had lost his memory and could not remember it.

After he lost her memory, Sheng Xiao asked someone to check on Yu Huang's family background a few days ago. Hence, he had seen Yu Donghai's face in Yu Huang's information book.

When he saw his future father-in-law, Sheng Xiao immediately straightened his back. He felt awkward and annoyed. When he spoke to Yu Donghai again, his tone was gentle because he was afraid that he would leave a bad impression on Yu Donghai if he spoke too loudly.

Sheng Xiao said, "Hello, Uncle Yu. I'm Sheng Xiao."

However, Yu Donghai was slightly nervous.

Yu Donghai caught Sheng Xiao's cold glance just now.

Yu Donghai felt that Sheng Xiao was too fierce. His gaze was too cold and he was not easy to get along with.

He was stunned and couldn't understand why this person who looked so aggressive a second ago turn into a gentle and polite young person in the blink of an eye.

Yu Donghai pondered for a moment before saying with a stiff expression, "Yes, hello."

Actually, he was nervous.

But when Sheng Xiao saw Yu Donghai's expressionless face, he misunderstood that he was unhappy with him. Sheng Xiao thought to himself that things were bad. He pursed his lips and asked awkwardly, "Uncle Yu, you're here to watch Yu Huang play basketball too?/ please keep reading on MYBOXNOVEL(dot)COM.

Yu Donghai nodded and asked Sheng Xiao dryly, "You're here to watch Yu Huang play basketball too?"

"Yes."

He was sitting in the audience seats in the basketball stadium. If he wasn't here to watch Yu Huang play basketball, what was he here for?

The chat was awkward.

Just as Sheng Xiao was feeling uneasy and was about to dig his fingers into the floor, Madam Sheng finally noticed him. She turned her head and asked, "Xiao'er, who is that?"

Sheng Xiao's expression became serious. He said softly, "That's Uncle Yu, Yu Huang's adoptive father."

After knowing that the plain man was Yu Huang's adoptive father, Madam Sheng quickly pulled on her clothes to make sure that she looked proper, then turned back and smiled at Yu Donghai.

She looked dignified and beautiful.

“Hello, Mr. Yu. I’m Sheng Xiao’s mother.”

Yu Donghai naturally recognized Madam Sheng. In his impression, Madam Sheng of the Sheng family was very difficult to get close to. She was graceful, beautiful, and proud,

Yu Donghai was flattered to see Madam Sheng suddenly smile at him. He hurriedly said respectfully, “Hello, Madam. I’m Yu Huang’s adopted father.”

Yu Donghai understood that the reason why the other party was so amiable was completely because of Yu Huang. For a moment, Yu Donghai’s mood was complicated. Many years ago, the Young Master had joked with Sheng Lingfeng of the Sheng family that he wanted to arrange a betrothal between the two families.

Unexpectedly, after so many twists and turns, the two children really ended up together.

When Madam Sheng heard Yu Donghai mention his identity as her adoptive father, she knew that he was an honest man.

She could not bully an honest person.

Seeing that Yu Donghai was a person who was not good with words, Madam Sheng knew that he was nervous. Moreover, Yu Huang was not by his side, so she did not talk much with Yu Donghai.

She only said, “Mr. Yu, when the competition is over, let’s have a meal together. My husband and I have long wanted to go to the Prosperous Capital to visit you. It’s just that the children have been busy and haven’t had the chance. Today is a rare opportunity. Let’s have a good gathering tonight. I wonder if Mr. Yu is free?”

“Okay, let’s get together.” Yu Huang and Sheng Xiao’s relationship was developing well. There was a high chance that they would get married. As Yu Huang’s adoptive father, this meal was inevitable.

At this moment, the match was about to begin. Everyone stopped talking and focused on the match.

The grand finals was not in 1V1 mode, but a large chaotic battle. The five schools gathered together to snatch a basketball for three hours. The school with the most points would be the champion.

Today, the basketball stadium had undergone a major adjustment. The ground inside the stadium was repainted, and the staff drew a huge circle on the brand new ground. The circle was divided into five fan-shaped panels, each with the names of the various academies on it.

Five basketball hoops were built around a circle with the names of the various academies clearly marked on them.

There was a small ring in the middle of the round basketball court. Manager Su carried a basketball court and landed in the middle of the ring. He shouted loudly, “Five academies, one player from each school!”

This time, Divine Realm Academy sent Captain Yin Yang out.

The people sent by the other academies to jump were all strong and explosive vanguards. When they saw that the Divine Realm Academy actually sent a shorter and thinner student to jump, everyone was somewhat shocked.

What was the Divine Realm Academy doing?

Could it be that this boy had some special skill?

Everyone looked at Yin Yang warily.

Seeing that the five of them were in position, Manager Su shouted, "Get ready, jump!" With that, he whistled and threw the basketball high into the sky.

The next second, Manager Su disappeared from the basketball court.

The basketball was suspended in the air and did not move.

Below, the five jumpers simultaneously released their beast form and prepared to jump. Just as the other four were prepared to fight, Yin Yang's body suddenly disappeared from this spot!

It had truly disappeared without a trace!

Someone reacted and cursed angrily, "F*ck! It's an Invisibility Spell!"

Who would have thought that the most inconspicuous shortie from the Divine Realm Academy was actually a spatial beast tamer as well?! He even practiced spatial invisibility!

Suddenly, someone in the audience shouted, "The students of the Divine Realm Academy snatched the ball!"

Hearing that, the players from the other academies looked up into the sky and saw the person who disappeared in front of them appear high in the sky in the blink of an eye.

Yin Yang's body appeared in the void. He slapped the basketball, and the basketball instantly flew in the direction of the Divine Realm Academy.

Seeing this, Xiao Shu jumped into the air and hugged the basketball. After landing, Xiao Shu sent the ball to Zhong Luoxue, who was standing on the three-pointer line. Zhong Luoxue caught the ball, turned around, and threw the ball sideways!

The basketball formed a beautiful parabola and fell into the ball!

Bang!

"Divine Realm Academy, three points!"

At the start, the Divine Realm Academy scored three points

Seeing this, the other academies seemed to have been injected with stimulants. They collectively rushed towards the direction of the Divine Realm Academy. A chaotic battle began here!

Chapter 267: Despicable Yu Huang

As Yu Huang, who could fly, and Yin Yang, who could turn invisible, the two of them were attacked.

This time, the four academies decided to defeat Yu Huang and Yin Yang first before the five academies competed for points.

When Yu Huang saw the group of players charging at her, the blood in her body suddenly boiled. She licked her lips and immediately mobilized her spiritual power. She wrapped her entire body with spiritual power and started close combat.

In the audience, when Madam Sheng saw this, she stood up with the cat in her arms and shouted at Yu Huang, "Yu Huang! Beat them up!"

As Yu Huang's loyal fan, Madam Sheng had attended Yu Huang's support club before. She was a professional at cheering.

Sheng Xiao was shocked by his mother's roar.

Madam Sheng thought that Sheng Xiao was too calm. She pinched him and said angrily, "Xiao'er, cheer for Yu Huang! If you cheer for her, she will be more motivated."

Then, Madam Sheng looked at Sheng Xiao with a support stick in her arms.

Sheng Xiao held the support stick and stared at Yu Huang, who was being beaten up by five people. He could not say anything.

Lin Jiansheng saw that Madam Sheng was full of vigor. As her mentor, he couldn't afford to lose.

Lin Jiansheng stood up as well. He placed his hands in front of his mouth and shouted, "Ah Huang! Fight back! Don't be afraid. If you kill or cripple them, I'll take responsibility for it!"

3

Yu Huang was bemused.

During the competition, players could use their spiritual force to snatch the ball, but they could not use martial arts. Therefore, everyone could only rely on their spiritual force to fight in close combat.

Yu Huang was quickly surrounded by five opponents. She was originally outnumbered.

However, Yu Huang was a natural fighter. Her delicate body was like a boneless cat. She bent down, placed her hands on the ground, and kicked with both feet.

With a violent force, she kicked the two players opposite her away. Then, she spread her wings and flew into the sky. Standing in the void, Yu Huang suddenly raised her right hand and a Psychic Sphere appeared above her palm.

Seeing that she had summoned her Psychic Sphere, the players all looked wary.

The rules of the competition only stated that one could not use cultivation techniques, but it did not say that one could not use Psychic powers! A Level 2 Purifying Spirit Master could use Psychic powers to transform and attack. Yu Huang's actions were not against the rules.

She was taking advantage of the loophole.

With a thought from Yu Huang, the Psychic Sphere instantly transformed into dozens of vines that flew down from the sky. The vines wrapped around the ankles of every player!

With their ankles tied, the players' mobility was restricted. For a time, they were busy breaking free from the psychic rope and had no time to snatch the basketball.

Seizing the opportunity, Xiao Shu snatched the basketball and transferred it to Lie Gang, who immediately dunk it.

"Divine Realm Academy, 1 point!"

Yu Huang's eyes were filled with madness. She laughed arrogantly and shouted, "Everyone, hurry up. I can at most stop them for a minute!"

Therefore, during this minute, Divine Realm Academy could score to their heart's content!

Next, the stadium was occupied by the Divine Realm Academy.

"Divine Realm Academy, three points!"

"Divine Realm Academy, one point!"

"Divine Realm Academy, three points!"

A minute passed. Yu Huang's psychic power was maxed out and the players successfully broke free from her hold.

Dozens of psychic ropes were severed at the same time. Yu Huang suffered a backlash and fell to the ground with a pale face. She clutched her chest as blood trickled out of the corner of her lips.

When they saw Yu Huang land, everyone rushed forward and prepared to gang up on her.

At this moment, Yu Huang raised her hand and shouted, "Yu Huang requests for the competition to be temporarily suspended and a substitute to go on stage!" Yu Huang chose to go on stage and no longer participated.

According to the competition rules, if anyone took the initiative to request to leave the competition, then everyone had to stop attacking.

As they watched helplessly as Yu Huang was taken away by Manager Su, the players from the other colleges were so angry that their faces turned red.

"Traacherous!"

"Despicable!"

"Petty!"

Many boys who idolized Yu Huang had lost their admiration for her from the basketball match. She was a despicable person. She would do anything to win!

...

In the end, the Divine Realm Academy took the lead by 22 points and became the champion. The Divine Eagle Academy came in second with a 5-point score, and the Deschamps Academy came in third with a 3-point score.

Other academies got 0 points.

After this match, the rules of the friendly basketball match between the Beast Tamer academies were changed. There was a new rule—/ please keep reading on MYBOXNOVEL(d0t)COM.

In the arena, no cultivation technique or telekinesis was allowed!

Yu Huang had changed the basketball rules by herself. This was unprecedented.

When the Divine Realm Academy went on stage to receive the award, as a team member, Yu Huang had to follow them to the podium to receive the award. After more than two hours of rest, Yu Huang had already recovered.

She looked radiant as she walked up to the podium.

The empress dowager was in charge of presenting the award.

Jiang Ruixue was wearing an aqua blue fishtail dress. Her long hair was tied up and she wore a pearl necklace on her neck. Although she was dressed simply, she was still beautiful and elegant.

Yin Yang took the medal from Jiang Ruixue and handed it to Xiao Shu and the others for them to touch.

After the award ceremony, the reporter from the Beast Tamer News Agency came to interview them.

The person the reporters were most curious about was none other than Yu Huang, the Duo Cultivator. They rushed up the competition stage, surrounded Yu Huang, and asked her questions.

“Yu Huang, everyone thinks that you won unfairly by using psychic power in the competition. What do you think?”

Yu Huang said, “The competition rules only state that participating players can’t use cultivation techniques, but they didn’t say that they can’t use psychic power. How can this be considered a violation of the rules? If someone feels that it’s unfair, then he can use psychic power to counterattack me!”

The reporter was speechless.

The reporter said with a sheepish expression, “Yu Huang, currently, you’re the only Beast Tamer and Purifying Spirit Master dual cultivator in the Holy Spirit Continent. You understand that the other players are unable to counterattack you with telekinesis. Are you deliberately saying this to attract hatred?”

Yu Huang chuckled and said, “The organizers clearly knew that I was a duo cultivator, but they didn’t change the competition schedule. Isn’t this tacit agreement that I can use psychic power?”

Yu Huang glanced at the organizer and said with a smile, “If you have any questions, you can interview the organizer and ask why they did it.”

The reporters saw that Yu Huang was eloquent and had quick reflexes. She didn’t fall for their trap at all. They immediately carried their microphones away and interviewed the others.

Seeing that Yu Huang had made the reporters leave, Yin Rong smiled and patted her shoulder while praising her. "As expected of a veteran of the entertainment industry."

When Yu Huang was a celebrity, those reporters were much more harsh than these people.

Yu Huang saw Madam Sheng waving at her from the audience and said to Yin Rong, "Yin Rong, go back first. I have something to do."

Yin Rong naturally noticed Madam Sheng as well.

To be honest, Yin Rong was a little shocked to see Madam Sheng personally attend the scene to cheer on Yu Huang. From the looks of it, the people from Yufu City were very satisfied with Yu Huang. If nothing unexpected happened, Yu Huang would most likely become Yufu City's hostess.

Yin Rong gave Yu Huang a deep look and said, "Madam Sheng is actually very difficult to get along with, but I think she treats you very well. Yu Huang, I wish you and Professor Sheng happiness."

"Thank you."

After saying goodbye to Xiao Shu and the others, Yu Huang realized that Mrs. Sheng and the others had left. Only Sheng Xiao stayed.

Sheng Xiao waved at Yu Huang at the bottom of the staircase. Yu Huang ran over and looked up at him. "Did you see my father?"

Sheng Xiao nodded with a complicated expression. "Yes, my parents are inviting your father and mentor for dinner tonight. We have to go too."

"Let's go back to the hotel first. You should take a shower and change your clothes before returning to Yufu City with me." The original plan was for the parents to see each other again after the Cong Wolf Mystic Realm competition, but it seemed that they would have to push it forward.

When she heard that there was going to be a gathering tonight, Yu Huang was still a little nervous. On the way back to the hotel, she was already thinking about what clothes to wear tonight.

Sheng Xiao stared at Yu Huang's jersey. His gaze turned gloomy. No one knew what he was thinking.

They returned to the hotel in silence. Yu Huang was about to take a shower with a towel in her arms when Sheng Xiao suddenly hugged her waist from behind and threw her onto the bed.

The long jersey was lifted, revealing her slender waist.

Sheng Xiao knelt by the bed and kissed her waist. His eyes were red.

God knew, he'd endured the whole trip. He'd wanted to do this long before they got in the car.

Yu Huang covered her face with a pillow. Her voice came from under the pillow. "I smell like sweat. Don't you mind?"

Sheng Xiao looked up at her. "You have no idea how sexy you look in a jersey."

Yu Huang could not understand Sheng Xiao at all.

She felt that the jersey was fat and big. When she wore it, she looked like a child who had stolen an adult's shirt. How was it beautiful? She looked sexy in revealing clothes.

Yu Huang could not understand why Sheng Xiao thought she looked good in a jersey. She sighed and said, "Sigh, you young people have strange tastes."

Sheng Xiao's expression darkened.

Chapter 268: Sheng Xiao Returns With His Girlfriend

Sheng Xiao pulled down his jersey to cover Yu Huang's stomach. Then, he stood up and looked down at Yu Huang. "Little ancestor, go take a shower. Don't tease me."

He moved his gaze away and didn't dare to look at Yu Huang's current state.

Yu Huang got up from the bed and quickly ran to the bathroom to take a shower. Sheng Xiao heard the sound of running water in the bathroom. He was wondering why he liked it when Yu Huang wore a jersey.

Sheng Xiao was different from the other boys since he was young. Most of the boys around him liked girls who looked demure, cute, and charming. But he did not.

He liked girls who were tough, resilient, and tenacious.

Sheng Xiao liked girls who were like cactuses. They could take root in the soil and grow tenaciously. He guessed that he liked Yu Huang because of her tenacious character.

He still remembered that after he finished challenging the Central Pagoda, he returned to the academy after losing his memory and coincidentally saw Yu Huang fighting with someone.

At that moment, Yu Huang shone brightly.

Even if he did not recognize her, he was still mesmerized by her.

Sheng Xiao felt even more aroused when he heard the sound of water.

This little ancestor was a femme fatale.

She was born to be his femme fatale.

...

After showering, Yu Huang wore a black negligee. She had her long hair draped over her shoulders and wore a mask on her small face, making her look even more petite.

She was like a little girl who had just reached adulthood when she stood beside Sheng Xiao. Sheng Xiao was like a rich CEO. "President Sheng, it's time to bring your little wife home."

Sheng Xiao frowned. "Don't call me that."

Yu Huang hugged Sheng Xiao's arm and smiled. "Brother Xiao, take me home."

Sheng Xiao felt goosebumps all over his body. "Speak properly."

Yu Huang stood up straight immediately and shouted arrogantly, "Sheng Xiao, if we don't leave now, we'll be late."

Hearing that, Sheng Xiao felt better.

This was Yu Huang's second time coming to Yufu City. The last time she returned to Yufu City with Sheng Yang, she was only focused on admiring the beautiful scenery. This time, she returned to Yufu City with Sheng Xiao as his 'girlfriend'. Yu Huang finally felt nervous about meeting her in-laws.

She was not the only one who was nervous. Sheng Xiao was also nervous.

When he thought about how he had mistaken Yu Donghai for a pervert who was peeping at him at the basketball stadium today, he felt a wave of guilt in his heart. On the way back to Yufu City, the two of them were silent the entire way.

It was only when they entered the independent space of Yufu City and passed through the city wall while walking in the marketplace of Yufu City that Sheng Xiao became interested.

He held Yu Huang's hand and said, "Don't get lost."

However, Yu Huang, who had been here once, knew that the path to Yufu City was not roundabout. Every path led to the Sheng family's mansion.

Yu Huang understood that Sheng Xiao was holding her hand because he wanted to tell the people in Yufu City that he had returned with the girl he liked.

She lowered her head and her lips curled up.

"Young Master is back! He even brought Miss Yu Huang back!"

It was unknown who shouted, but soon, all the citizens of Yufu City knew that their Young Master had brought their future Young Madam back to Yufu City.

Some of the beast tamers flew to their roofs and looked at Sheng Xiao and Yu Huang from above. The civilians hid in their courtyards and peeped at them through the gaps in the fence.

No matter how thick-skinned Yu Huang was, she still felt a little shy.

Sheng Xiao looked calm, but Yu Huang noticed that his ears were slightly red. Even so, they walked hand in hand from the city gate of Yufu City to the entrance of the Sheng family home.

Seeing that Young Master had returned, the guard outside the door shouted loudly, "Young Master is back!" After a pause, he added, "Young Master brought Miss Yu Huang back!"

With a few roars, the entire Yufu City became lively.

That night, the Sheng family home was brightly lit.

Hearing the commotion outside the door, Madam Sheng stood up immediately and went to the front yard to welcome them.

Yu Huang picked up the gift and handed it to Mrs Sheng. She greeted her as Auntie. Mrs Sheng looked at the gift in her hand and asked curiously, "What's in it? Can I take a look?"

Yu Huang said, "Yes."

Mrs Sheng opened the gift box and saw a handmade cat bell inside. The bell was made of pure gold with the word 'Luck' on it.

Yu Huang told Madam Sheng, "Auntie's cat is very beautiful. I made up this cat bell myself. I was worried that the bell would affect its hearing, so I changed the little bead inside the bell into a calming pill. The calming pill can help the civet cat sleep better."

Hearing that, Madam Sheng's gaze softened even more. "Good child, you're so considerate."

Many people knew that Madam Sheng liked the civet cat, but Yu Huang was the first person to give her a gift.

Madam Sheng put the bell on the cat. The cat seemed to like it very much and meowed at Yu Huang a few times.

"Uncle Sheng is wandering around the city with your father and Supremacy Lin. I'll get Xiao'er to play with you. We'll eat dinner when they come back."

Afraid that Yu Huang would get hungry, Madam Sheng asked the servants to bring some snacks over for Yu Huang to fill her stomach first.

There was a snack in Yufu City that was fried fish scales. It was delicious and Yu Huang liked it. She carried the plate of fish scales and followed Sheng Xiao back to his room.

Sheng Xiao closed the door and pulled Yu Huang to the bed. He pointed at the bed and said to Yu Huang, "On the night of our wedding, we will sleep on this bed. What kind of blanket do you like? I'll get Mother to customize it."

Yu Huang stared at the large bed she had slept on before and said, "I want a red one."

As a Chinese person on Earth, marriage had to be celebrated with bright red. This was a tradition that was deeply rooted. Even though she had transmigrated to the Holy Spirit Continent, Yu Huang still wanted to abide by this tradition.

"Red?" Sheng Xiao nodded to show that he remembered.

He asked again, "Is there anything that needs to be changed in the room?"

Yu Huang pointed out a few more things and Sheng Xiao noted them all down.

Very soon, Sheng Lingfeng and the others returned. Hearing the voices downstairs, the two juniors went downstairs.

There was almost no room for Yu Huang or Sheng Xiao to talk during the dinner. It was just the elders talking.

To Madam Sheng and Sheng Lingfeng's surprise, Yu Donghai, who looked ordinary and ordinary, spoke eloquently, as if he was used to big occasions.

After a few glasses of wine, Sheng Lingfeng relaxed a lot. He stared at Yu Donghai's eyebrows and brows for a moment before suddenly saying, "Brother Yu, you look a little familiar. Have we met before?"

When he heard this, Yu Donghai's wine cup shook.

Lin Jiansheng glanced at Yu Donghai and saw that he was nervous. He chuckled and said to Sheng Lingfeng, "Mr. Yu was once a Beast Tamer a few years ago. You might have really seen him on certain occasions."

"Oh really?" Both Sheng Lingfeng and Madam Sheng were shocked to find out that Yu Donghai was a Beast Tamer. Sheng Lingfeng stared at Yu Donghai's face and felt that he knew him before.

He said, "I keep feeling that Brother Yu looks a little familiar, but I can't remember where I've seen you before."

After Yu Donghai escaped from the abyss, he spent all his money and bought a mask from a Beast Tamer who was good at making human skin masks.

The mask had successfully changed Yu Donghai's bone structure. Therefore, even though Sheng Lingfeng found him familiar, he was unable to link him to Yin Donghai.

Yu Donghai explained, "When I was young, I once went to the Cong Wolf Mystic Realm to clear it. Patriarch Sheng happened to be there that time. More than a hundred years have passed. It's hard for Patriarch Sheng to still remember me."

Actually, Yu Donghai had never gone to the Cong Wolf Mystic Realm. The person who had gone was Yin Mingjue. However, after Yin Mingjue returned, he told Yu Donghai everything that had happened there. Thus, Yu Donghai was clear about the situation inside the Cong Wolf Mystic Realm.

Even if Sheng Lingfeng really asked, Yu Donghai would not be exposed.

When Sheng Lingfeng heard Yu Donghai say this, he instantly revealed an expression of sudden realization. "I see. I told you I've seen him before."

Sheng Lingfeng sensed that there was no spiritual power fluctuation in Yu Donghai's body. Presumably, he had encountered something and had no choice but to self-destruct his beast form and become a commoner.

Sheng Lingfeng did not ask why Yu Donghai self-destructed his beast form. That was tantamount to stabbing a knife into his heart.

He only said, "Fate is really wonderful. At that time, who would have thought that our families would become in-laws?"

Yu Donghai sighed in his heart. "Yes, Young Master probably did not expect Little Young Master to really become a couple with Sheng Xiao."

Chapter 269: Love Is Mutual

Sheng Xiao felt anxious when he saw that his father was getting further away from the topic.

He secretly kicked Sheng Lingfeng under the table.

Sheng Lingfeng, who was all smiles, was stunned for a moment after having his calf kicked. It was only then that he remembered that the purpose of tonight's gathering was not to reminisce about the past, but to arrange a marriage for his son.

Sheng Lingfeng coughed.

There were no helpers in the dining room. Hearing Sheng Lingfeng's cough, Madam Sheng turned to look at him, as if to ask, What do you mean? Do you want me to serve you?

Sheng Lingfeng reached under the table and secretly touched Mrs. Sheng's legs. He even tapped her fingers suggestively.

Mrs. Sheng understood what Sheng Lingfeng meant. She then picked up the wine jar and poured a glass for Sheng Lingfeng with a smile.

Seeing that, Yu Huang also got up and poured a cup of wine for her father and mentor.

Sheng Lingfeng raised his wine glass and said to Yu Donghai and the others, "Brother Yu, Brother Lin, our two children are in love. It's fate that we could get together..."

Sheng Lingfeng glanced at the proposal ring on Yu Huang's left hand and smiled. "Xiao'er told me that he has successfully proposed to Yu Huang."

Hearing that, Yu Donghai and Lin Jiansheng subconsciously looked at Yu Huang's left hand. Seeing that Yu Huang was wearing a ring on her left hand, they instantly understood Yu Huang's attitude towards this matter.

When Sheng Lingfeng saw that Yu Donghai and Lin Jiansheng did not say a word, he felt a little uncertain. He had seen all sorts of situations, but when it was time to arrange a marriage for the children, he actually felt uneasy.

Madam Sheng pinched Sheng Lingfeng.

Sheng Lingfeng immediately sat up straight and forced himself to speak. Sheng Lingfeng said, "I invited Brother Yu and Brother Lin to meet today because I wanted him to discuss the children's marriage with the two of you."

Hearing this, Yu Donghai and Lin Jiansheng were not surprised. They had long guessed that Sheng Lingfeng would mention this during the meal.

Lin Jiansheng said, "The youngsters are in love. As elders, we naturally have to support them."

Sheng Lingfeng's smile widened. "That's good."

Sheng Lingfeng's calf was kicked by his son again.

He looked up and met his son's suggestive gaze, then said, "Actually, Xiao'er wants to marry Yu Huang."

Lin Jiansheng and Yu Donghai's expressions suddenly changed. "Marry?" Yu Donghai said slowly, "Marry... that will mean paying respects to the heavens and earth! It will result in the marriage compact!"

Once the marriage compact was formed, it could no longer be undone.

Yu Donghai thought that Yu Huang and Sheng Xiao were too impulsive. He said to the two children, "Beast Tamers are different from commoners. Once a Beast Tamer prays to heaven and earth, they will be given a marriage compact by the heavens. And the marriage compact cannot be broken. If in the future..."

Yu Donghai avoided saying those words that he shouldn't have said and only vaguely mentioned, "If you want to break the marriage compact, you at least have to be seriously injured, disabled, or worst case scenario, killed. Have you guys really thought it through?"

After Yu Donghai asked the question, he kept his gaze on Sheng Xiao and Yu Huang. He hoped that the two children would consider it rationally and not be impulsive.

Yu Huang held Sheng Xiao's hand while he held her hand. They looked at each other and smiled at the same time. "Daddy, Sheng Xiao and I have decided to get married."

Yu Donghai knew Yu Huang's character. This child looked young, but she was actually stubborn. She would not act rashly. Since she said that she wanted to get married, that was the decision after careful consideration.

Yu Donghai sighed and didn't say anything.

Lin Jiansheng threatened Sheng Xiao with a dark gaze. In front of Sheng Lingfeng and his wife, he said, "Sheng Xiao, if you dare to let Ah Huang down, I will kill you no matter who you are!"

Sheng Lingfeng and his wife hung their heads low, as if they hadn't heard the threat.

Under Lin Jiansheng's gaze, Sheng Xiao knew that no matter what he said, he would not be convincing.

Without hesitation, Sheng Xiao bit his finger.

Mrs. Sheng's expression changed slightly.

She had guessed what Sheng Xiao was going to do. She wanted to stop him from doing something stupid. But, she saw the child's determined gaze and knew his attitude.

As a mother, she should not interfere with her child's actions.

Although she could not bear to see him like this, Madam Sheng did not stop him.

A drop of blood fell from Sheng Xiao's finger. However, it did not drop to the ground. Instead, it floated in the air and turned into a blood pearl.

Sheng Xiao raised his bleeding finger and looked at Lin Jiansheng and Yu Donghai fearlessly. He said loudly, "I hereby make a blood oath. If I let Yu Huang down in the future, Sheng Xiao will die without Venerable Lin making a move!"

Hearing that, Sheng Lingfeng and his wife frowned at the same time, but they didn't say anything in the end.

However, when Lin Jiansheng saw Sheng Xiao's action, the fierce look in his eyes faded and he looked at Sheng Xiao with satisfaction. He said to Sheng Lingfeng, "Patriarch Sheng, you and your wife have raised a good child."

Seeing that his son was so responsible, Sheng Lingfeng was naturally proud and satisfied. But as a father, his heart ached a little.

Feelings were as capricious as the weather. Even if the sun rose today, it might be stormy tomorrow. Sheng Xiao's love for Yu Huang today was real, but who could guarantee that Sheng Xiao would not change his mind?

Sheng Lingfeng hoped that Sheng Xiao and Yu Huang could be loving for the rest of their lives, but he was still worried that something would happen in the future. With this blood oath, Sheng Xiao would be punished by heaven if he backtracked.

Sheng Xiao was too rash.

But this was his son.

Sheng Lingfeng put down his wine glass and revealed a proud look in his eyes. He smiled and said, "This child is like me. Once he's decided on something, it's very difficult to change his mind."

Madam Sheng chuckled. "Are you praising Xiao'er or you?"

Sheng Lingfeng pretended to be serious and asked Madam Sheng, "What? Isn't what I said true? Back then, I wanted to marry you from the day I won you over. Look, how many couples like you and me are there in the cultivation world now?" They were real husband and wife, and the others were at most partners.

Mrs. Sheng hadn't been drinking, but she blushed slightly at Sheng Lingfeng's words.

When Lin Jiansheng and Yu Donghai, the two bachelors, saw that Sheng Lingfeng and his wife were still showing off their love, they instantly felt that the food in their mouths was no longer delicious.

Right at this moment, Yu Huang suddenly bit her finger as well.

Yu Donghai was the first to notice Yu Huang's actions. He was greatly shocked and exclaimed, "What are you doing?!"

Yu Huang looked up at Madam Sheng. She curled her lips and raised her bleeding right hand. She swore to God, "I swear to God that as long as Sheng Xiao doesn't let me down, I will not let him down. If I let Sheng Xiao down, I will be punished by God!"

Love was mutual.

Love was between the two of them. It was not fair to let Sheng Xiao make an oath alone. Yu Huang had never been a fragile lady. She did not want a man to swear an oath to protect her love.

But since Sheng Xiao had sworn, Yu Huang could not just ignore it. They were both children with parents. Who would want to see their own child make such a vow?

Yu Huang only used one move to successfully win the hearts of Sheng Lingfeng and his wife again.

Madam Sheng looked at Yu Huang with awe. After a while, she held Yu Huang's hand and smiled. "I finally understand why Xiao'er likes you so much."

She was so charming. How could Xiao'er resist Yu Huang?

Sheng Xiao tilted his head and looked at Yu Huang affectionately. His gaze became even more passionate.

The expressions of the two young people were so firm and solemn that no one could doubt or underestimate their feelings. Yu Donghai raised his head and took a sip of hard wine. He lowered his eyes and said, "Since that's the case, then choose a good day to get married!"

As long as Wine wanted to do something, Yu Donghai would support her.

After getting Yu Donghai's acknowledgment, Sheng Xiao and Yu Huang relaxed.

Sheng Lingfeng chuckled and said, "Let's have a good drink today. As for the other details, we'll talk about it in the future. Come, Brother Yu, Brother Lin, drink!"

"Drink!"

When the crowd dispersed, Yu Donghai was so drunk that he was unable to distinguish the direction. He was also afraid of saying the wrong thing. After he was drunk, Yu Donghai fell asleep on the table and snored loudly.

Lin Jiansheng was also a little drunk. He sat on the stool with a flushed face and sighed. It was unknown what he was thinking.

Sheng Lingfeng leaned against Madam Sheng and mumbled, "You didn't make my favorite dish tonight. You haven't cooked spicy chicken for me lately. Do you not love me anymore?"

Mrs Sheng felt a headache coming on. She said, "I was going to cook for you last Tuesday, but you said you wanted to eat spicy rabbit, so I made it for you. I was going to cook for you last Friday, and you said you wanted spicy beef, so I made spicy beef for you."

"I was going to make spicy chicken for you tonight, but you said that our in-law and Supremacy Lin are from the Prosperous Capital and are not used to the spicy taste, so you asked me to make something light."

Madam Sheng lost her temper. "Should me or you be blamed?"

Sheng Lingfeng leaned on Madam Sheng's shoulder and thought about it carefully. Only then did he realize that he was being unreasonable. He squeezed Madam Sheng's slender fingers and said softly, "I don't want to eat spicy chicken now. I just want to eat spicy Ah Ru."

1

Sheng Lingfeng wrapped his arms around Mrs. Sheng's waist. With a dark look on his face, he asked in the most pitiful tone, "Can you let me eat you?"

Mrs Sheng wanted to refuse, but she couldn't bear to.

Yu Huang walked out of the dining room with a plate of peaches and happened to see Uncle Sheng carrying Auntie Sheng upstairs to their room. She thought about it and hid in the kitchen.

Sheng Xiao saw that she returned. He said, "Didn't my mother want to eat peaches? Why did you bring them back?"

Yu Huang picked up a peach and handed it to Sheng Xiao. Sheng Xiao took the peach and took out a skin peeler from the shelf to peel it. He heard Yu Huang say, "Auntie is busy now."

Sheng Xiao asked casually, "Busy with what?"

Yu Huang fell silent for a moment before saying, "Just now, I saw your father carrying your mother back to his room." At this moment, Uncle Sheng left the two guests alone and carried his wife back to his room. Yu Huang knew very well what he was doing.

She had no idea that Uncle Sheng and Madam Sheng were so affectionate.

Chapter 270: Obviously Not A Decent Person

Sheng Xiao understood immediately.

He said, "They're very close. My father brought my mother back from the Upper World. My father dotes on her very much. Yang Yang and I have been used to it since we were young."

"Auntie is from the Upper World?"

"Yes."

Thinking of how the spatial door had been sealed, Yu Huang asked, "Then hasn't Auntie not returned to her family's home for twenty years?"

"My mother doesn't have a maternal family." Sheng Xiao handed the peach to Yu Huang. Yu Huang took it and took a bite. Sheng Xiao turned on the tap to wash the peeler. He inserted the peeler into the shelf and drew a dry tissue to wipe his hands.

After wiping his hands, Sheng Xiao threw the piece of paper into the trash can in a parabolic fashion. Then, he raised his hand and created a soundproof wall outside the kitchen.

Yu Huang noticed the soundproof wall. She looked back at Sheng Xiao in shock. "You created the soundproof wall?" What was he going to say to her?

Sheng Xiao said coldly, "My mother is not human."

Sheng Xiao lowered his head and met Yu Huang's shocked eyes. He explained, "My mother was a spiritual beast from the Spiritual Beast Continent. She was once top-notch in the Spiritual Beast Continent. After she fell in love with my father, she was willing to transform into a human and cultivate from scratch."

"My mother is only a Supreme Master level powerhouse now. Her strength, when at her peak, was enough for to contend with a Prime Emperor powerhouse."

Yu Huang was shocked. "You're saying that Auntie's original form is a spiritual beast?"

“Yes.”

The image of Madam Sheng’s curvaceous figure flashed across Yu Huang’s mind. She asked curiously, “What’s Auntie’s original form?”

Sheng Xiao said, “Python.”

Yu Huang gasped.

Auntie Sheng was a python!

“You said just now that Auntie Sheng chose to transform into a human form and cultivate from scratch because she fell in love with Uncle Sheng. I would like to ask, when Uncle Sheng and Auntie Sheng fell in love, was Auntie Sheng still a... python?”

“Of course she was a python.”

After she obtained the answer, Yu Huang’s mood instantly became dazed.

Uncle Sheng was a real man if he dared to fall in love with a python! Compared to Sheng Lingfeng, it was not surprising that Sheng Xiao fell in love with a disfigured freak.

“Only our family knows about this. You have to keep it a secret.” Then, Sheng Xiao removed the soundproof wall.

The soundproof wall disappeared and Yu Huang heard Aunt Sheng’s voice immediately. Her voice made Yu Huang and Sheng Xiao feel a little shy. After some thought, Sheng Xiao said, “Let’s... go out and take a walk.”

“Sure.”

Sheng Xiao first moved the drunk Yu Donghai and Lin Jiansheng back to the guest room before bringing Yu Huang to tour the night market in Yufu City. It was only at two in the night that the two of them returned hand in hand.

It was finally quiet upstairs. Yu Huang and Sheng Xiao could rest assured.

Their rooms were separated. Yu Huang slept in Sheng Xiao’s room while Sheng Xiao slept in the guest room next door. Thanks to Sheng Lingfeng and his wife, Yu Huang had a few erotic dreams that night.

When she woke up, Yu Huang felt empty all over.

She, who had been single for more than two centuries, suddenly wanted a man...

...

The Cong Lang Mystic Realm was about to open soon. The Sheng family had selected 50 outstanding disciples. Sheng Xiao would lead them to the Cong Lang Mystic Realm to explore.

The Cong Wolf Mystic Realm appeared once every 15 years. It could only accommodate 3,000 people at a time. The 100 academies had 1,000 fixed slots. The remaining 2,000 slots would be divided between the major families and the secret cultivators.

The Sheng family had selected 50 talented young Beast Tamers. However, whether they could get the final spot depended on their ability.

Tomorrow, they would set off for the Cong Lang Mystic Realm. In the afternoon, the Sheng family's representative disciples would gather at the square of Yufu City.

As the family head, Sheng Lingfeng appeared and explained many of the structures in the Cong Lang Mystic Realm as well as the mechanisms, hidden weapons, and array formations that they had to pay attention to.

Yu Huang sat by the side and listened.

After they gathered, they packed up their luggage and rested for the night. The next morning, Yu Huang bade farewell to Sheng Lingfeng and his wife, as well as Lin Jiansheng and her father. Then, she followed Sheng Xiao and the Sheng family's disciples to the Light Sea.

The Light Sea was the territory of the elves.

Aircraft and planes were prohibited in the sky of the elves. Therefore, if the beast tamers wanted to go to the Light Sea, they could only take the elves' ferry.

Taking the space transfer station was the fastest and most convenient way of transportation. In the next few days, the space transfer station from the Divine Realm Continent to the Light Sea would be opened. All the beast tamers who wanted to go to the Light Sea to participate in the Cong Lang Mystic Realm trip were gathered at the Divine Realm Continent's interplanar space transfer station.

The interplanar teleportation station was built in a vast primitive forest in Cang Lan.

Sheng Xiao led Yu Huang and the Sheng family's disciples to land in the capital of Canglan Country. As they stood high in the sky, Yu Huang saw a group of people standing in the valley below.

Beast Tamers were rare in real life, but there were many of them here.

Sheng Xiao led the disciples down from the flying transport.

When they saw the navy blue uniforms, a commotion arose in the crowd.

"The Sheng family is here!"

"I think the person leading the team is Supreme Master Sheng!"

Sheng Xiao and the others found a quiet place to sit. Soon, another aircraft sounded in the sky.

Yu Huang looked up and saw an aircraft with a red spider lily on it. She narrowed her eyes and heard Sheng Xiao say, "The Caro Clan is here."

The leader of the Caro Clan was an old man. Behind the old man were fifty to sixty energetic young men and women. They walked over and greeted Sheng Xiao before sitting down beside him.

Soon after, the Liuli Clan arrived.

Liuli Luoluo was the leader of the Liuli Clan. She pursed her lips when she saw Sheng Xiao and Yu Huang standing together. She ignored them and brought a group of beautiful young disciples to another spacious grassland.

Sheng Xiao saw that Yu Huang was stealing glances at the young people from the Liuli Clan. He leaned close to Yu Huang and said in a low voice, "The Liuli Clan is also called the Acacia Faction. Their tribe only accepts beautiful men and women. Don't let your guard down just because they're good-looking. The more beautiful they are, the more vicious they are."

Yu Huang nodded.

The tribal uniform on Liuli Luoluo was a light purple transparent gauze dress. Inside the gauze dress, there was only a small strap that covered her buttocks.

It was obvious that this was not something a serious person would wear.

The attire of the female disciples from the Liuli Clan was like this. The attire of the male disciples was a dark purple suit. All of them were dressed handsomely. This made Yu Huang feel like she was in a high-class clubhouse selecting male gigolos.

In less than two hours, nearly all the powerful families of the Divine Realm Continent took to the stage. Some independent cultivators also used various methods to appear.

Yu Huang even saw someone appear on a bicycle.

Sheng Xiao saw the man on the bicycle. He told Yu Huang, "That man is Zheng Butuo. I heard that he is almost a hundred years old. This is the fifth time he has participated in the Cong Wolf Mystic Realm. He failed the previous four times."

Yu Huang was filled with admiration. "Perseverance is important."

Sheng Xiao shook his head. "Perseverance is to persist in something that you can see hope for. And to not give up even though you know it's impossible is called being stubborn."

Yu Huang shut her mouth. She felt that what Sheng Xiao said made sense.
