It was a normal day of my life , the sun was quite brighter than usual , the wind was blowing every once in a while .

(Harold) and aunt (Julia) after my
parents died in the car accident.

' i feel like someone calling my name'

" bella are you looking for me ?" i asked to the girl coming towards me.

" yes , how many times should i have to told you thatjust complete your daily stuff befor my mom and sister come !! " she said .

" oh sorry bella " i said with sad face .

" what were you thinking , you seem to be absent minded?? " she asked .

" umm... nothing." i answered.

" then go and make breakfast! "

" yup.what you want me to cook for you? "

" anything you cook is best in the world emi."

she answered while smiling.

EeeemmmmmiiiiiiLLLLLLLLlyyyyyyy.....

(someone shouted angrily)

" emi hurry up or else you gonna suffer"

said bella with scary face.

I rush towards the kitchen and started to make breakfast.

" emily what time is it? can't you do anything on time ?? " my aunt said .

" sorry aunt "

" i think i am too nice with you ! i feel like you want to enjoy your punishment " aunt said with smirk .

" noi didn't do it on purpose.' I said .

" you still want to lie ?? " aunt opened her mouth to make a suitably cutting retort.

" no.....it's not my mean i won't do it anymore "

i said with teary eyes.

" clean all the windows afterwards." aunt said with cold voice.

" but i already cleaned all the windows" i said .

" really! " she looked towards the window , touched window with her fingers softly , she pursed her mouth in a self - satisfied smirk and said

"but it seems to be dirty. do it again "

Her voice was cold .

" bella , olivia come an have breakfast."

" yes mom" both girls answers.

" olivia what happen my dear , you look unhappy ? " aunt asked her .

" mom i don't like these dishes." she said

with annoying face .

" but the dishes are so tasty , what !

You don't like them ?? if you don't wanna eat then you can skip breakfast as you please " bella replied , a look of annoyance on her face .

with the bothering face olivia completely her breakfast, as everyone on the dinning table did.

" julia where are you?" a man's voice came out of the room .

" harold , came and have breakfast." aunt quickly answered him.

after the breakfast my uncle goes to his work.

my aunt went out with her friends .

while yawning .

suddenly our math's sir entered in the

class. everyone is quite except bella and me

" go now.....get ready for punishment."

said bella with wink.

I followed to the teacher until the old room come .

" these are some books, you need to transfer this stuff to the new staff room ,
you can also ask your friend to help you."

said the teacher.

' how many of these books are there ? How am I supposed to carry these
..... ' i thought with unhappy face.

Somehow , I need yo rearrange these books so that I can carry them , they
are too heavy and I cannot see anything , my hands are too small.

Suddenly I feel the surrounding twirl across me , as I opened my eyes I saw
myself on the floor I bumped into someone .

" ouch....." i whispered as I tried to get up from the floor.

" sorry , are you okay?? " I heard the voice of boy , as he saw me getting up .

" yeah , i am fine " i replied instantly.

" let me help you " he said

and started to pick up the books.

(he looks so handsome and he has
soft and adorable voice.)

' i couldn't help staring at him '
