why did they do this.....

" come on darling it was you who wanted all this property don't you .....so killing them is the only way , and also they have a sweet daughter " said uncle.

" what! are you supporting her " asked aunt.

" no ...no she's still useful for us .....i will arrange her marriage with the successful business man which will bring only benefits for us " explain uncle.

" oh...my my , Harold when did you become so evil huh....." said aunt with seductive tone.

and i heard her laugh .

i slowly move towards my room , my mind .....there was storm of thoughts going in my mind .....there are so many questions are storming my mind which i couldn't answer.

i suddenly feel the anger is growing in my body . i feel so tired, my eyes ....i don't even know when did i feel asleep.

## NEXT MORNING

i started to prepare breakfast , still i feel the anger , sadness , pain , these feelings got mixed into each other .

someone hugged me from behind , i shrink myself and turn around to look who??

i look over my shoulder and saw the smiling face of bella . " good morning " she greeted .

" yeah ...morning " i greeted back to her.

" don't you want to go to school. go and prepare yourself " i said.

" no.....i don't want to go school , i want to stay at home " she said with cute pout.

" come on hurry up " i said .

after the dinner breakfast i done the things i do usually and move towards my room.

i sat on my bed thinking how the things are going in my life , i don't even know what is in my heart but one thing is clear now my parents was not died because of car accident , my own uncle and aunt murdered them.

Third person's POV :-

She knew what types of creepy games her uncle and aunt played , her thoughts only wanted to take revenge .

she wanted to do something, yes she wanted justice.

somehow her calm mind was blowing towards some kind of burning fire within her.

( bang ....bang .....someone knocking the door )

Interrupting her chain of thoughts she looked towards the door , walk slowly to open the door ,

Emily was amazed who it was she moved towards the door suddenly a sweet yet sorrowfull smile appeared on her face.

the one who was standing in front of her was lacy.

" lacyyy " Emily hugged her.

" Emily ...." lacy hugged her back.

then they sat on the bed in emily's room with some snacks.

" emily why are you dropping school so suddenly ...what's wrong with you???" asked lacy.

" uh...its no..nothing " emily answered with a sad face .

lacy knew that there was something mysterious going on in emily's house , something is unusual.

" well , you two continue i'm gonna grab some juice ....." said bella , a sweet smile appear on her face as she pulled her lips up word.

she leave the room for them to have peaceful chat .

" emily....., come on now you can tell me what exactly happened . i know that you don't want to get bella hurt but you have to tell me " said lacy while grabbing emily's hand, her and staring into her eyes deeply ....she said " trust me i can help you ." she sounded in worry .

emily couldn't help but brusted into tears , she tried to keep her tears hide in her eyes , she blinked her eyes to stop them falling to the ground.

emily explained everything to lacy " i don't want to get bella and Olivia hurt by all these things , they are innocent they even don't know about this nor me ...but i Heard the conversation of uncle and aunt I didn't do that on purpose but their talk made me curious and I heard their every single word came out of their mouth . but i also want what is mine and what belongs to my parents I I want Justice , I want them to destroy everything they had .

Her eyes turned red with anger , her body was shivering in anger , she took long breaths to calm herself .

" i understand " said lacy. her face is showing something determined in her mind , her eyes held pitifulness.

" hmm...well do you believe in magic??? " asked lacy bluntly.

" magic ? What magic ? well i saw it in the movie and in the comics...." answered emily , she was blank at Lacy's question .

" well i will teach you something new .....if you want to..!!!"

" it's not bad.....further more i'm not going to school anymore so it's good to keep learning something new." said emily , she thought that Lacy was only making her fool.

" sure ...." replied lacy with smiling .

" hey girls , here comes the juiciest of strawberries " said with a funny facial expressions....she held the expression on her face as she was hungry for so many year's.

the sweet moments for best friends ended as the darkness appear in the sky . lacy already left to her home her face glowing somehow she smirked herself ...giving the sign of something interested will happen in upcoming few days.

in the night , bella and emily prepared the dinner , and after the meal everyone already in their room for bed except emily ..she was thinking the things happened in past few days ...her mind was analyzing something....she was excited about what lacy gonna teach her , what was it ??
