After The Dinner Emi Walk Towards Her Room

She Closed Her Eyes And Soon She Fell Asleep .

She Opened Her Eyes And Saw The Sun Ray's Falling Over The Floor.

She Feel Like Its Been Only 10 Minutes She Slept , She Still Feel Sleepy.

She Walk Towards The Bathroom , And Saw her Own Self In The Mirror . Her Face Was Glowing Somehow , But How Come This Happen ??

She Definitely Didn't Used Any Beauty Medicines Or Any Beauty Products .

Whatever It , Maybe It's Because She Was Happy About What Happend Yesterday .

She Smiled Herself Thinking She was Good Looking .

Suddenly She Saw The Pendent She Was Wearing , It Was Glittering , It Looks Like A Shining Star In The Sky .

She Gently Touched The Pendent With Her Fingers. As She Did She Suddenly Started Feel Different

It Was Really Grotesque feeling .

She Don't Know Why Was She Feeling Like That All Of Sudden.

She Was Staring At Mirror And A Haphazardly Her Eyes Turned From Black To Red , She Was Shocked , Her Face Caught A Glimpse Of Pestilence. She Immediately Blink Her Eyes In Disbelief.

Buy This Time When She Looked Herself In The Mirror Her Eyes Return To Normal From Red To Black Eye Balls .

Wait !!! What Was That ...???

I'm I Dreaming ????

She Was Strangled After Being Stunned By Why Happened Just Now .

She Was Utterly Confused About What Had Just Happened.

She Quickly Run Towards The Bathroom , The Bathroom Has A Tiled Floor And Part Of Tiled Walls While It's Suite Comprises A Pedestal Washroom, Toilet And Bath With Electric Shower.

Her Past And Present Blurred Together , Confusing Her Still Further. Agitation Still Presence On Her Face .

To Wash Off Unnecessary Imagination From Her Brain , She Moved Her Hand To Opened The Water Tap , She Took The Flow Of Water From The Tap In Her conjoined Inflected Palms , She Washed Her Face unclouded Then She Brushed Her Teeth And Took A Quick Bath.

Without Any Hesitation She Head Towards The Kitchen To Make Breakfast For Everyone , Still She Felt Uneasiness , It's Not Like That She Was Sick Or Anything , But What Was Happening Recently .

She Glanced At The Big Watch Hanging On The Wall , Now Was Showing 7.15 am.

She Made Fried Eggs , Toast With Butter And Jam. Pancakes With Syrup And Black Tea for Her Aunt And Olivia , Milk Tea For Her Uncle And Prepared And Tow Mugs Of Cafe Latte For Herself And Bella As She Know Everyone's Likes And Dislikes.

Everything She Had Done Was Her Accustomed Task , Nothing Was New For Her , Still She Feels Like She Was Done Minus Time , Her Speed Of Working Was Raised Incredibly .

Was She Fantasizing Herself ?????

Her Chain Of Thoughts Interrupt With Sound Of Yawning . She Turned Her Neck In The Location Of The Sound , She Saw Bella Standing Behind The Dinning Table , She Still Emerge Sleepy , Her Eyes Were Half Opened , She Extended Her Both Arms In Air And Yawned As Wide As Hippopotamus's Mouth .

I Chuckled At Sight Of Her.

" EmiWhat Are You Doing It's Still So Early ..."

I Saw Bella Walking Towards Me Slowly .

" It's Not Early , Look The Watch Behind You" I Corrected Her Pointing My Finger Towards The Big Watch Hanging Behind Her On The Wall Which Was Showing Now 7.30.

Bella Turned To Face The Watch.

She Turned Again To Look At Me , She Was Staring At Me With The Look Of

(So WhatIt's Still Early For Me)

I Let Out A Long Sigh Of Dispair .

I Walk Towards Her Grab Her Shoulder Then Turn Her So That Her Back Was Facing Me , I Put My Both palm On Her Back .

" Comeeee ooonnn Go And Wash your Self Up

And Come For Breakfast " I Said While Pushing Her Out Of The Room .

" Hmm.... I'm Going , You Don't Need Me To Kick Me Out ." She Said With Annoying Tone And Averted Her Eyes To Up The Stairs.

At The Dinning Tablet Except Uncle Harold Everyone Was Having Their Meal .

I Was Eating My Food Placed In The Plate In Front Of Me , I Was Focused On My Plate , Trying To Avoid Those People Whom I Hated Most . Just Seeing Their Face Makes Me Sick , Listening Their Voices Makes Me Mad , I Don't Want To Make Me Feel Irritated By Them So Paying Attention To My Own Business Was All Could I Do To Please My Self .

I Pull My Head Up To The Voice Calling My Name Asking Me Something .

I Looked To My Left Side , Turned My Neck Over Shoulder , I Saw Bella Looking At Me

Her Eyes Held Concern About What She Was Asking .

I opened My Mouth To Make Sound

" Eh ?? " Showing Bella A Question Mark On My Face , Saying Her To Repeat Her self.

She Closed Her Eyes And Let Out A Sigh.

" Emi I Asked You What Are You Thinking You Weren't Paying attention To Your Meal Were You ?? " She Asked Me While Looking At Me .

" I ..No Nothing " I Only Found These Words Escaped From My Mouth .

I Pulled My Lips Into Smile , Telling Her There's Nothing To Be Worry .

" This Bitch..... She Know How To Make Others Spoile Their Mood " Olivia Retorted To Me In An Annoying Face " Who Knows What Are You Planning In Your Mind . "

Her Bitter Face Shows Her Hate For Emily .

She Turned Her Neck In The Direction Where Her Mother Was Sitting " Mom You Know In Our School There Is Competition For Girls , And I'm Gonna Participate It. "

She Said To Her Mother While Smiling , Her Facial Expressions Changes Within A Second

Now She Was Showing Innocence In Her Voice .

' She Really Deserves An Oscar ' I Thought Looking At Her Fake Face .

" Oh Really ...That's Really A Great Thing Oliv " Her Mother Appreciate Her Decision With Returning The Smile To Olivia.

Olivia Looked At Me With Devilish Smirk Presence On her cherry lips , She Pulled Her Lips Into A Blatant Smile And Looked Down To Her Plate And Continued Eating.

" Why Aren't You Going To Participate Bella ?? " Her Mother Was Looking At Bella , Her Cheeks Grow A Slight Pink Color In Excitement To Know About Her Daughter.

But Her All Pinkish Glow Was Turned Down As She Heard Bella's Answer .

" Me ?? " A Look Of Disbelief On Her Face.

" Well , Nooo , I'm Not Interested In Showing Off "

" Participate In Competition Is Not Showing Off Bella , Why You Always Thinks In That Way , Is It Because Of This Girl ??? " Her Voice Showed Disaffection As She Pointed A Finger Towards Me .

She Was Talking About Me.

" Cut The Crap Mom Please " Bella Said While Letting Out A Sigh Of Unnecessary Bothereation " Well I'm Full " She Said While Pushing Her Plate Aside And Getting Of Her Chair .

" This Arrogant Child" Her Mom Said While putting Her First Two Fingers On Her Forehead .

" Momm You Know What For That Competition I Wanted To Explore Myself , I Really Want To Win That . "

Olivia Made Her Look Face Cute , Her Cheeks Was Flushed , Pulling Her Perfect Lips Into Perfect Smile .

Her Mother's Eyes Soften At The Sight Of Olivia's Look , Returning Smile To Olivia She Said " Aww Of Course Dear I Know You Will Definitely Win The Contest . "

I Stood Up From My Seat Making Them Interrupted Their Sweet Conversation .

Their Eyes Were On Me Glaring .

I Averted My Face To Look Away , Started To Gather The Plates And Helped The Other Maids To Clean Up .
