

# SHOTA'S ISEKAI NTR ADVENTURE

## Chapter 19 Knight Captain (8)

As I continued thrusting, I could feel that I was close to cumming.

Cecilia on the other hand had already climaxed several times, squirting onto my waist again and again. She was completely lost in her own world of ecstasy, so much so that Madame Rose no longer had to cover her mouth anymore.

When I was about to cum, I went to pull my dick out of Cecilia, but before I could...

Madame Rose's legs suddenly came around my waist and pulled me in so that I was completely locked into Cecilia. I could have pulled back, but the look on her face made it clear that she didn't want me to.

So I had no choice but to keep thrusting into Cecilia as I was about to cum.

Cecilia noticed the twitching of the dick inside of her and even if she didn't know exactly what it was, she had an idea. As this idea spread through her mind, she couldn't help revealing a fearful look since she knew what would happen if this idea came true.

Cecilia quickly looked up at me and said, "Please, don't do it. Please, anything but that! I'll do anything you want if you just don't do that inside of me!"

Even though she begged, I really couldn't do anything as I was completely locked inside of her.

So in the end, I ignored her pleading and shot my load deep into her.

Cecilia's face filled with shock at first, but then it was quickly filled with pleasure as she felt the warm liquid filling her. This was a burning sensation

that came from her naval that quickly spread to every part of her and soon, she couldn't help cumming as well.

The load that I shot into her was very big and thick, so my dick was inside of her for a while as I kept shooting my load into her.

As she felt this warm feeling being pumped into her for so long, Cecilia couldn't help cumming again from being creampie.

The pleasure that filled her brain was so strong that...she couldn't help crossing her eyes as her tongue came out and she let out a strange sound that was filled with pleasure.

It was almost as if her brain was melting from this pleasure.

Once she finished orgasming, she couldn't help falling back on the bed while panting, looking like she was exhausted.

Madame Rose also felt the end of my shaking, so she released the grip that she had on me and I was able to pull my dick out of Cecilia.

As I stood there, I couldn't help looking down at my dick covered in cum and looking down at Cecilia who had an ahegao look on her face. There was a small trace of pride and a domineering feeling that filled me when I saw this.

When I had sex with Madame Rose normally, she would be the one that took the lead.

Even though she had taken the lead this time as well, I had played a part in dominating Cecilia just now.

This was a different feeling from the sex that I had with Madame Rose.

I couldn't help wanting more of this.

Cecilia was completely out of it after being fucked to the point of blacking out, but she was also a knight that had been well trained. It didn't take her long to come back to her senses.

When she did, she couldn't help looking down at her own body and then she started crying once again.

She knew that with this, it was all over.

There was no going back from this.

She also wanted to get angry, but she really couldn't get angry since it was Madame Rose who did this to her.

Seeing this look on her face, Madame Rose knew that all it would take is another push to topple this all over. So she turned to me and said, "Keep..."

Before she could say anything though, I had already leaned forward to place a kiss on Cecilia's lips.

Cecilia's eyes opened wide in shock when this happened and she couldn't help revealing a trace of anger. However, the kiss was so deep and strong that she couldn't help getting lost in it.

It didn't take long before Cecilia was reciprocating this kiss.

Her arms weakly wrapped around me and she hugged me tightly as she responded in turn to this kiss.

Finally, when we both ran out of breath, we had no choice but to let go of each other.

When I looked closely at Cecilia's eyes now, I could have sworn that I saw some hearts inside of them.

I looked at her and asked, "Do you want more?"

Cecilia couldn't help being taken aback when she heard this, but there was a small part of her that did indeed want more.

Spurned on by the flames of passion that came from the kiss, she couldn't stop herself as she suddenly gave a nod.

When I saw her like this, I couldn't help revealing a smile. I reached my hand out to pat her head before saying, "Good girl."

There was a blush that appeared on Cecilia's face when she heard this, but she didn't say anything in response to this. She just shyly lowered her head as if she was happy about this.

Seeing her like this really made my dick hard again.

So I took her by the waist and brought her right up against my dick before thrusting forward in one push.magic

She was still filled with cum and she was soaking wet from how turned on she was, so my dick went all the way inside of her with a single push.

She couldn't help raising her head again and giving out a moan of pleasure when she felt herself being filled with this large dick.

To the side, Madame Rose had a complicated look on her face.

While this was what she wanted to see, she couldn't help feeling a bit...jealous.

She didn't know why she felt jealous, but she could tell that it was indeed jealousy that she was currently feeling.
