### Chapter 1051: Everyone's Reactions (2)

When the rest of the Jian family saw this news, mixed feelings welled in their hearts.

Typically, if one's children were successful, a family would be ecstatic.

However, when Jian Yiling was successful, the Jian family would feel both happy and worried for her.

Grandma Jian and Grandpa Jian were loyal viewers of their granddaughter's stream.

These two days, even if Grandma Jian and Grandpa Jian were eating, they would keep the stream open.

When she watched the live stream, from time to time, Grandma Jian couldn't help but make comments:

"Ahh, why is my darling eating so little? How can she keep up with her nutrients?"

"Ahhh, why is she working on the weekends again? She should be getting rest on the weekends. If you're working on the weekends, why is it called weekends!"

"Aiya, my darling looks haggard."

When she looked at her granddaughter, Grandma Jian also felt that Jian Yiling did not eat enough and sleep enough.

After Jian Yiling's identity was revealed by XDL, Grandpa Jian happily said to Grandma Jian: "Old lady, our granddaughter is a core member of XDL's research and development team! She's amazing! No other children can compete against her!"

"Old man, what are you so happy about? Research takes a long time and it's very tiring. My darling is already a member of Lahaisen Hospital. Why is she doing part-time work too? It's not like our family is broke or something. We don't need her to make money. Next time I see her, I will try and persuade her not to work so much."

"Oh... You have a point."

However, he still had to be proud of his granddaughter!

After it was made public that Jian Yiling was the Head of XDL's pharmaceutical research and development team, Grandpa Jian and Grandma Jian received dozens of phone calls, one after another.

They were all asking Grandma and Grandpa Jian to help them purchase hair growth water.

Although Grandpa Jian was not losing his hair, many of his friends were suffering from hair loss.

As the hair growth water was often sold out, many of Grandpa Jian's friends were unable to purchase it. As a result, they decided to ask Grandpa Jian for help.

As Grandma Jian and Grandpa Jian felt like the whole world knew about their granddaughter's awesomeness, they were incredibly happy.

###

After Jian Yiling's identity was made public, Sofia also gave their response.

[Bright pearls become two rows of tears. I could only lament that we did not meet earlier.]

The person responsible for Sofia's Weibo account was quite good at Chinese literature. They choose to use ancient poetry to mention the return of their gift by Jian Yiling.

The netizen's analysis: Sofia is stating that Jian Yiling only returned their gift because there is still a relationship between her and XDL. It doesn't mean she doesn't have feelings for Sofia!

Naturally, XDL was not going to accept this. They quickly posted: [Let your love be as strong and enduring as rocks. Let my love be as resistant as vines.]

The netizen's analysis: XDL's attitude is very clear. Their relationship with Jian Yiling is strong and this will not easily change. They want Sofia to give up.

Two international luxury brands were going blow to blow with each other.

They made this look like a romance show!

###

The live stream was still going on.

Suddenly, the doorbell of Jian Yiling and Zhai Yunsheng's apartment rang. Jian Yiheng and Jian Yichen were at the door.

They came over to leech food.

When Wen Zhe opened the door, he said: "Hehehe, the Jian brothers are here?"

Yeah, do you welcome us?" Jian Yichen asked Wen Zhe with a 'dazzling' smile.

Cheeky boy, how dare he arrange a date for Yiling and Zhai Yunsheng? If he got the opportunity, he would definitely beat his ass!

Wen Zhe used another smile to cover up his guilt: "Hehehe, of course, I welcome you guys!"

### **Chapter 1052: Want to be Brother Minyu's Cousin!**

Two very handsome men appeared in the stream. One was rigid and cold whilst the other was exquisite and beautiful.

Jian Yiheng was wearing a simple t-shirt. This was because Jian Yiling's apartment was right next door and there was heating inside the corridors of the apartment complex.

However, a t-shirt could not conceal his perfect body. He had tight and firm muscles and everything about him emitted a masculine charm.

On the other hand, Jian Yichen was wearing a white sports shirt. His appearance was clean, beautiful, and somewhat cute.

Upon seeing these two guys, a flurry of comments appeared on the screen again:

[Ahhh!! Who are they?! They're so handsome!!!]

[The tall one is so cool and handsome! And is the shorter one a man or woman? I can't really tell.]

[I can't handle this!!! I can't handle this!!!]

[The tall one is mine! Don't steal him from me!]

[Mother, I've fallen in love again! I've fallen in love with two completely different guys!]

Everyone began to speculate about Jian Yichen and Jian Yiheng's identity. They tagged Jian Yumin in a comment and asked him who these two guys were.

[Brother Minyu, please come and answer our doubts. Who are these two guys?]

[@Jupiter's Xie Minyu, @Jupiter's Xie Minyu, we know that you're watching your sister's stream. You can't hide from us.]

Jian Yumin was indeed watching the stream. After he got tagged by viewers numerous times, he kindly answered their questions.

[Verified] Jupiter's Xie Minyu: [They're my cousins.]

[Ahhh! Your family's genes are amazing! Even your cousins are so good-looking!]

[God Ling, I want to be your sister-in-law! I can marry any of your brothers or cousins!]

[Sorry Brother Minyu. From today onwards, I'm going to become a fan of your cousins. Please let me call you Cousin Minyu.]

Dinner was cooked by Jian Yiling herself. It was simple home-cooked dishes.

There were five dishes and one soup: Potato stewed beef brisket, stir-fried potatoes with eggplants and sweet peppers, steamed fish head and diced hot red peppers, griddle cooked potato chips, stir-fried kale, and fish soup.

Although the dishes were simple, the five of them ate dinner happily.

As the viewers watched them, their mouths began to water. However, they were unsure whether their mouths were watering due to the delicious table of food or the handsome men and beautiful women on the stream.

[Desire for food and sex is part of human nature. Our ancestors did not lie to us. When I see so many handsome men, I suddenly feel like the food is ultra delicious!]

[I never expected God Ling's cooking to be so good. She can do everything! Another day of loving God Ling and Brother Minyu!]

[It's a blessing to be God Ling's fan! She's absolutely amazing!]

###

Jian Yichen eventually found an opportunity to drag Wen Zhe into the storage room.

“Waaa... Brother Yichen...” Wen Zhe cried out. He knew why he was dragged here.

“Why are you crying? Who was the one who betrayed us?”

“Waaaa, Brother Yichen, listen to my excuses! No... Listen to my explanation!”

“Explanation? Why should I listen to your explanation? Did you receive benefits from Zhai Yunsheng or something?”

“I swear to God that I absolutely did not get any benefits from my future brother-in-law!”

“What do you mean by future brother-in-law?! Why are you calling him that already? Furthermore, I only have one younger sister and you only have one older sister! Why are you trying to send her into a wolf’s den?!”

“But brother... We should be protecting our sister’s happiness! Our sister likes our future brother-in-law.. If we don’t support her, then she will be very sad!”

### **Chapter 1053: Fans of the Jian Brothers**

“You brat! Do you think I can no longer stop you or something?”

In the past, Jian Yichen tried to stop Yiling from getting close to Zhai Yunsheng. However, after he discovered that Jian Yiling liked Zhai Yunsheng, he gave up.

This little brat was telling the truth. He always understood these points.

“Why are you yelling at me?” Wen Zhe asked. His small face was aggrieved and sad.

“Well, I never told you to stop them from interacting with each other! But I didn’t tell you to help Zhai Yunsheng! Yiling is still young! We should keep her by our side for a few more years. And yet, you’re shoving her into a wolf’s den! Do you think you don’t deserve a beating for doing this?!”

“But Sister Yiling said our future brother-in-law’s health isn’t good! She doesn’t want to waste any time! She wants to cherish every day she gets to spend with our future brother-in-law.”

Upon hearing this, Jian Yichen did not know what to say. He paused for a moment before he finally conceded:

“Fine... You can do whatever you want! I will pretend to not see anything!”

However, it was impossible for him to not see anything. After all, he wouldn’t skip any of his sister’s streams. At most, he would twist handkerchiefs whilst watching the stream. Then, he would silently curse Zhai Yunsheng. He would hope that Zhai Yunsheng’s instant noodles did not have any flavoring or seasoning, the toilets would clog when Zhai Yunsheng was using them, the soda cans he bought would be missing the metal pull-tab, and the milk teas he ordered would be missing straws...

###

After the appearance of Jian Yichen and Jian Yiheng, the netizens quickly discovered that the two brothers were not only handsome, but they were very talented as well!

A few years ago, Jian Yiheng won several martial arts competitions.

However, for some reason, in the past two years, he no longer participated in such competitions. As a result, his name appeared much less frequently in news reports.

Despite this, there were many news reports from several years ago.

He was like a God of War!

Until this date, he had not suffered a single loss!

Apparently, his reason for retirement was that he could no longer find any opponents. This meant that martial arts competitions were no longer interesting for him.

On the other hand, Jian Yichen was an Internet celebrity that specialized in dubbing. His voice could easily change from a young man's voice to a sexy woman's voice, to a little girl's voice.

Although he was an Internet celebrity that specialized in dubbing, he had quite a lot of fans too.

Quite a few netizens dug up his works and as soon as they listened to them, they instantly became fans as well.

And thus, the netizens were amazed by everyone in the Jian family.

How could they be that amazing?!

A lot of people became fans of the Jian brothers.

In fact, some people went to watch Jian Yiling's stream because they were fans of Jian Yichen and Jian Yiheng.

However, after watching the stream for a few hours, they only saw Jian Yiling and Zhai Yunsheng seated in the study room.

And thus, the netizens and fans went to leave messages under Jian Yumin's Weibo.

[Brother Minyu, could you link us to the Weibo accounts for your cousins?]

[I unilaterally announce that from today onwards, I will be Brother Minyu's cousin!]

[Brother Minyu, please give us their Weibo account.]

[Brother Minyu, what color burlap sacks do they like?]

[Qinhua University and the Jian family... I got to get into one of them.]

When Jian Yumin read the comments, he was a bit sad. Before, the comments were all about his sister and his future brother-in-law. And now, the comments were all about his cousins!

Were these even his fans? They didn't even care about him!

And thus, after skimming the messages and comments, Jian Yumin posted: [A bunch of fake fans.]

However, the netizens were not dissuaded by Jian Yumin's post. Instead, they unanimously petitioned for Jian Yumin to go to Yiling's house for dinner as well.

When Jian Yumin read this comment, he thought that it was a great suggestion.

If Jian Yiheng and Jian Yichen could go, he could go as well!

And thus, Jian Yumin slapped his thigh and decided to bring himself and Luo Xiuen to Yiling's place for dinner.

### **Chapter 1054: Brother Yumin and Sister En's Display of Affection (1)**

Before Jian Yumin appeared in Jian Yiling's stream, he made a Weibo post and declared that he would be going to his sister's place for dinner tonight. Very quickly, this post shot up to the top of Weibo's hot search list and attracted the attention of countless netizens.

These posts made Jian Yiling's live stream incredibly popular. As a result, their group became the most popular amongst the eight groups of guests.

As a result, this attracted the attention of Xu Rui. As someone who won an academy award for being the best male actor, his live stream was originally the most popular one amongst the eight groups of guests.

Xu Rui was thirty-three years old. He had sharp eyebrows, starry eyes, and exuded a strong masculine charm.

Xu Rui had debuted at the age of seventeen and throughout his career, he had acted in countless movies and TV dramas. As a result, he was widely recognized as a talented individual with both acting skills and visuals.

A few years ago, his popularity had been at an all-time high. He kept receiving advertisements and film notices. However, recently, his resources had been spread amongst the younger generation of actors and celebrities. In order to regain some of his lost popularity, he accepted the invitation of

Xu Rui asked his manager: "Are all the things on the Internet about Jian Yiling true?"

"They're probably true," his manager replied. Then, his manager added: "It's best for you to not provoke her. Their group managed to get a spot on this show with money. They probably have a rather formidable backing."

Xu Rui's manager did not know about the details. However, he knew that the original group of guests had been changed to Jian Yiling and her fiance.

It was easy to make an assumption about what had happened.

Furthermore, throughout the live stream, Jian Yiling's group showed off strong financial capabilities which further corroborated his suspicions.

“In terms of financial power and background, we can’t compete against them. However, in terms of marketing, promotion, and popularity, we shouldn’t lose to them right?”

Xu Rui was not foolish enough to provoke people with such financial power and background. However, he could compete with them on a level playing field by creating gimmicks to attract viewers.

“Don’t worry about it. They will only be popular for a while. Her viewer count is only high because news is reaching the top of Weibo’s hot search bar. It’s not sustainable. When everything passes, their popularity will also go down.”

Xu Rui’s manager was still confident about this.

After all, their fan base was much stronger and larger than Jian Yiling’s.

Furthermore, these fans had also stayed with them for longer.

###

At 4 pm, Jian Yumin and Luo Xiuen showed up at Jian Yiling’s apartment.

As a former member of a popular idol group, Jian Yumin’s popularity had always been high.

Furthermore, his fans had always been interested in learning more about Jian Yumin’s wife.

Jian Yumin had only announced that he had gotten married. Furthermore, he said that his wife is not from the entertainment industry and hoped that everyone would not interrupt their lives.

And thus, his fans did not pursue the matter any further.

They wanted to give their good luck and congratulations to Brother Minyu. They were willing to give him the space that he needed.

With Jian Yumin and Luo Xiuen’s visit, the popularity in Jian Yiling’s stream rose again. Many of Jupiter’s fans came to watch.

Most of the other eight groups relied on their own popularity.

However, Jian Yiling’s group appeared to rely on their ‘teammates’.

First of all, there was a cute little cousin called Wen Zhe.

Then, there was a ‘martial arts master’ called Jian Yiheng and a ‘female big brother’ called Jian Yichen.

And finally, even the former member of a popular idol group appeared in her stream.

[Ahhh! Brother Minyu! Long time no see! You’re as handsome and dashing as always!]

[Is this Mrs. Minyu? She’s so handsome!]

[Wow! They’re appearing together!]

[My wishes have been fulfilled! I finally get to see Brother Minyu appear with his wife!]

**Chapter 1055: Brother Yumin and Sister En’s Display of Affection (2)**

The most common words to describe a woman would be beautiful or lovely. However, when people saw Luo Xiuen, the first word that came to their minds was 'handsome'.

Luo Xiuen's appearance wasn't particularly beautiful. This was evident in front of the Jian family's visuals.

However, her facial features were incredibly comfortable to look at. In addition, she gave off a heroic and valiant vibe.

Her choice of clothing was also very handsome. She wore jeans and a long trench coat. Wind seemed to trail her heels whenever she took steps.

Jian Yumin's fans were very excited to see this.

They were very satisfied to see Jian Yumin's wife.

After all, it was difficult for a man like Brother Yumin to find a wife.

As soon as Luo Xiuen saw Jian Yiling, she rushed over to give her a hug.

"Darling, I miss you so much!"

Although they had seen each other a few days ago, Luo Xiuen felt as though she hadn't seen Yiling in years.

"Why are you walking so fast? No one is planning to steal Yiling away from you? Why are you in such a rush?" Jian Yumin cried out when he saw Luo Xiuen rush over.

He was worried that she'd bump into something.

Even if she was good at fighting, her body became heavier because she was pregnant!

Although those were words of concern, Jian Yumin's words did not appear gentle at all.

In fact, it gave off the feeling that Jian Yumin was speaking with disdain.

Upon hearing Jian Yumin speak like this, his fans began to comment:

[Ahh, Brother Minyu has not changed at all. I've confirmed that this is Brother Minyu.]

[Brother Minyu, you need to learn to be gentle. Otherwise, your wife might run away from you!]

[Another day of worrying about Brother Minyu.]

"Uh... I forgot again," Luo Xiuen replied. She was clearly overly abashed in front of Jian Yumin.

Luo Xiuen did not think that there was anything wrong with Jian Yumin's words. After all, her personality often made her rush around and do things.

Furthermore, as Jian Yumin was her idol, Luo Xiuen looked at him through a filter.

However, Jian Yumin seemed to realize that his words had been a bit harsh. He quickly added another sentence: "You're not as agile as before. You need to look after yourself. If something happens to you, I will be incredibly worried."

Upon hearing this, Jian Yumin's fans began to doubt their own existence:

[Wait?! What did I just hear?]

[Brother Minyu knows how to look after people?! Is the sun rising from the west?!]

[Is this our Brother Minyu? He knows how to say affectionate words?!]

Luo Xieun sheepishly hung her head down. Her face was red and she did not dare to look directly at Jian Yumin.

After they got married, Jian Yumin began to say affectionate words to her. She did not know where he learned this from.

Either way, her heart could not deal with this.

Jian Yumin walked over and took Luo Xiuen's hand. Then, he guided her to the sofa.

After that, Jian Yumin went to help Jian Yiling slice fruits. Once the fruits were sliced, he brought them over to Luo Xiuen.

When he noticed that Luo Xiuen had only taken two bites of the fruit, Jian Yumin hurriedly asked: "Does it taste bad?"

"No."

"Then do you have no appetite?"

"Nah, I'm just a bit full. I ate before we left home."

Luo Xiuen was in very good health. Although she was pregnant, she hadn't suffered any morning sickness or discomfort.

"Alright, just eat later."

Jian Yumin cared about Luo Xiuen a lot. His actions were evident to his fans.

These acts of affection were something that his fans could have never imagined.

[What the... I never expected to see this in my lifetime!]

[I'm about to shed the tears of an old mother. What's happening?]

[What made Brother Minyu come to this realization? I need my boyfriend to follow his example!]

### **Chapter 1056: The Family Compass is in Her Hands?!**

At this moment, several verified accounts made comments:

[Verified] Jupiter's Luo Xun: [Brother Minyu is amazing!]

[Verified] Jupiter's Shi Baiyang: [I wish you two a harmonious union that lasts a hundred years.]

[Verified] Jupiter's Le Yao: [Well done.]

Jian Yumin's former group members came by to watch.

The news that Jupiter's four members gathered together once again skyrocketed the stream's popularity.

Once again, related news topped Weibo's hot search. #Jupiter's Reunion

This occurrence was something that brought tears to the eyes of Jupiter's former fans.

Everyone came to the live stream to watch.

As a result, Jian Yiling's stream reached twenty million viewers. It made a record high. This viewer count doubled Xu Rui's stream.

This made the other guests who had been closely tracking Jian Yiling's stream envious and jealous.

However, Jian Yiling and the others were not aware of the situation. This was simply a family gathering for them.

When dinner time came, Jian Yichen and Jian Yiheng came over to eat once again.

When Luo Xiuen saw Jian Yiheng, her eyes lit up: "Brother Yiheng, let's get some fighting practice."

Luo Xiuen's hands had been itching. After she got pregnant, she hadn't been able to fight against anyone. In fact, she wasn't even allowed to arm wrestle.

She knew that Jian Yiheng was a master at martial arts. And thus, she had the idea of sparring with him for a while now.

"What do you want to do?" Jian Yumin asked. His face immediately became upset.

"I... Want to spar with Brother Yiheng..." Luo Xiuen stammered.

"You can't win against him. You will get injured. Furthermore, you're currently pregnant. You're not allowed to fight anyone, let alone Yiheng!" Jian Yumin said unsmilingly. There was a very serious expression on his face.

"Okay..." Luo Xiuen replied. She was evidently a bit disappointed.

Jian Yiheng walked over and said to Luo Xiuen: "Just wait until you've given birth. After that, you can find me to spar anytime."

Luo Xiuen was currently pregnant. Even without Jian Yumin's words, Jian Yiheng would have refused her request to spar.

"Oh right, this is a gift for my niece."

Jian Yichen took out an exquisite crystal doll.

"Thank you."

Jian Yiheng also took out a longevity lock and handed it to Luo Xiuen.

It was obvious that the two brothers were looking forward to their future niece.

When Jian Yiling saw Jian Yichen and Jian Yiheng giving their gifts, she suddenly thought of something. She turned around and ran into her room.

Not long after, Jian Yiling dragged out a big suitcase from her bedroom.

“Yiling, what are you doing?” Jian Yumin asked.

“Gift,” Jian Yiling replied with a serious expression on her face.

She was going to choose a gift for her future nephew or niece.

The viewers began to comment:

[Why does she need to drag a suitcase out to give a gift?]

[Is the suitcase filled with things for small children?]

[I have no idea. I’m very curious.]

Jian Yiling opened the suitcase and began to search for a gift.

The moment the suitcase was opened, everyone in the stream was stunned.

It was an entire suitcase of jewelry.

There was exquisite jade, ten-carat diamonds, and pigeon egg-sized gemstones...

[What the heck? My eyes are being blinded! She has so much jewelry! And she just casually placed it into a suitcase? Does she own a mine or something?]

[What do you mean by mine? She definitely owns a gold mine!]

While everyone was shocked by Jian Yiling’s suitcase of jewelry, an item that looked a bit old and not as dazzling as the other pieces attracted Lucy’s attention.

### **Chapter 1057: Want the Family Compass**

From the direction of the camera, only half of the family compass could be seen. The other half was blocked by Jian Yiling’s arm and the other pieces inside the suitcase.

However, Lucy still recognized it.

Her eyes burned and she could not resist getting closer to the screen to see it more clearly.

“Impossible... Impossible... How could that thing be here?”

Lucy’s eyes were wide open and her whole face was filled with the word ‘shock’.

That compass had their family crest engraved on it. It was the item that recorded their secrets that were handed down through the generations.

The compass that she had been looking for was in the hands of Jian Yiling!

“I need to calm down... I need to calm down...”

Lucy repeated as she muttered to herself. She told herself to calm down and not to mess up.

“Why did our family compass fall into the hands of Jian Yiling? Is this a coincidence or is there some connection?” Lucy muttered to herself. “Surely there isn’t a connection. There can’t be a connection between Jian Yiling and the Goodman family... It must be a coincidence... Our family compass was probably sold as a piece of ordinary jewelry and it just so happened to be bought by Jian Yiling.”

“Furthermore, Jian Yiling doesn’t seem to know what that thing is. Otherwise, she wouldn’t have thrown it into her suitcase with the other pieces of ordinary jewelry. I need to find a way to get the compass out of her hands as soon as possible whilst the rest of the Goodman family still do not know about this news.”

However, she had to act quickly. If someone else from the Goodman family discovered this, it would be too late for her.

She knew very well that she could not compete against the other members of the Goodman family.

As she thought about this, Lucy could not wait to contact Jian Yiling. She intended to buy the compass from Jian Yiling at a high price.

To the Goodman family, the compass had a special existence. However, to Jian Yiling, this compass was merely an antique.

As long as she put out an attractive price, Jian Yiling had no reason to not sell it to her.

However, Lucy did not have Jian Yiling’s contact details. She didn’t even have Zhai Yunsheng’s contact details. She only had Zhai Yunsheng’s assistant’s contact information.

And thus, she called Zhai Yunsheng’s assistant and asked him to schedule a meeting for her. However, Zhai Yunsheng’s assistant told her that he did not want to meet her.

This attitude made it evident that Zhai Yunsheng did not want to even give Lucy an opportunity to meet him.

Upon hearing this, Lucy felt hurt. However, she merely responded: “I want to talk to Jian Yiling about a business deal. I’m serious about this. There are no other intentions.”

For the family compass, Lucy was willing to be nice.

“I will pass the message on to Master Sheng. I will contact you if Master Sheng is interested,” the assistant responded. He was very cold and had a business-like attitude.

“Alright, I will wait for the good news.”

After hanging up the call, Lucy was still worried.

Jian Yiling had been live streaming. There was no telling when the rest of the Goodman family would find out about this.

She couldn't wait for long. If she didn't get a response by tonight, she would go and wait in front of Jian Yiling's apartment.

Lucy turned her attention back to the stream. Her eyes were fixated on the compass that appeared on her screen.

When she saw the compass being shown to countless viewers, her heart beat rapidly and she was incredibly nervous.

Finally, Jian Yiling picked out her gift. It was a hairpin that was inlaid with sapphires.

After Jian Yiling gave the gift to Luo Xiuen, she closed the suitcase again.

Lucy let out a sigh of relief when she saw this.

### **Chapter 1058: I Want to Buy an Item Off You**

The next day was Monday. The reality show <Dear, We Live Together> only went live on weekends. Therefore, nothing happened on Monday.

Jian Yiling and Zhai Yunsheng drove out from the underground garage and just reached the entrance of the neighbourhood. Suddenly, Lucy rushed out and blocked their way.

As the security of the neighbourhood where Jian Yiling and Zhai Yunsheng lived was very tight, only residents and guests with reservations were allowed to enter. As Lucy wanted to visit Zhai Yunsheng and Jian Yiling on a whim, she was stopped at the entrance of the neighbourhood by the security guards.

Lucy could not contact Zhai Yunsheng and Jian Yiling last night. Therefore, she decided to stop them here.

As she stood in front of Zhai Yunsheng's car, the driver was forced to stop.

"Master Sheng and Miss Jian, I want to talk to you guys about something. It won't take much of your time."

The expression on Lucy's face was urgent and she spoke very politely.

This was the first time she spoke to Zhai Yunsheng and Jian Yiling in such a manner.

Zhai Yunsheng rolled down the window and replied: "We don't want to give you any of our time."

Zhai Yunsheng's attitude was cold and there was no warmth on his handsome face.

To a certain extent, his indifference stung Lucy.

However, Lucy did not back off.

She knew exactly what she came here for. She refused to give up easily because of her emotions.

Lucy had to seize this opportunity. She quickly expressed her intentions: "I'm not here for you. I want to buy an item that Miss Jian has."

Inside the car, Jian Yiling replied three words expressionlessly: "Not for sale."

She didn't even ask what Lucy intended to buy from her.

Although Lucy's expression was ugly when she heard this, she still patiently said to Jian Yiling: "Miss Jian, I know there is some misunderstanding between us. However, things are different this time around."

Lucy never thought that she had to ask for something from Jian Yiling.

After all, why was such an important treasure to their Goodman family in her hands?

"There's nothing to talk about," Jian Yiling replied. Her attention was on the tablet computer in front of her. She refused to give any further attention to Lucy.

Lucy's face became pale when she heard this. However, she did not want to give up.

Zhai Yunsheng no longer had the patience for Lucy. He said to the driver: "Continue driving. We can afford to pay the medical bills."

If Lucy intentionally blocked their way during the collision, it would not be their fault. They just had to pay a bit of money.

Once again, Lucy attempted to convince the two of them: "Master Sheng, Miss Jian, I promise you guys won't lose out on this deal. I just want to discuss a business deal with you."

This was the first time Lucy begged someone outside her family in such a way.

However, Zhai Yunsheng had already closed the window of the car.

He was decisive and cold.

Upon seeing this, Lucy's face became twisted. She already begged Zhai Yunsheng and Jian Yiling and yet, they ignored her like this.

As she watched the car leave, her fists became clenched.

This matter was very important to her. But the attitude of those two people was essentially like pouring a bucket of ice-cold water onto her burning flame. It instantly extinguished the flame and left a mess.

When Lucy returned home, she frowned to herself in the study room.

Lucy was very worried.

This was her only opportunity. She absolutely could not afford to mess up.

"Miss Lucy, what's wrong?"

Cai Qinyue noticed the sad frown on Lucy's face.

When Lucy raised her head and noticed Cai Qinyue, she suddenly thought of something.

**Chapter 1059: Cai Qinyue Causes a Ruckus on Stream (1)**

After all, this woman was Jian Yiling's aunt. Even if she was no longer accepted by the Wen family and the Jian family, their relationship was once there.

And thus, an idea began to brew in Lucy's mind.

"Ms. Cai, I have something that I want your help with. If you can help me, I can give you a large amount of money. You will be set for the rest of your life."

Upon hearing this, a happy expression appeared on Cai Qinyue's face: "Miss Lucy, please tell me about it."

Lucy told Cai Qinyue what she wanted her to do.

After listening to Lucy's words, Cai Qinyue hesitated for a moment. Then, she asked Lucy how much money she would get.

She had to pay a price to accomplish this task. Therefore, Cai Qinyue needed to know how much money she would be paid.

"A hundred million dollars and a house in Beijing."

Lucy's answer made Cai Qinyue's heart waver.

With this amount of money and with a house in Beijing, she no longer needed to worry about the rest of her life.

"Alright, I will do it," Cai Qinyue said through gritted teeth.

Although Lucy's request would cause her to suffer some repercussions, as long as the money was in her hands, she would have an opportunity to turn her situation around.

Lucy scheduled this plan for the weekends. This would be the second time the reality show <Dear, We Live Together> got aired.

During this time, Lucy got her hands on a card that would allow her to enter the neighborhood Jian Yiling and Zhai Yunsheng resided in.

She handed this card to Cai Qinyue. As a result, Cai Qinyue could freely enter and exit the neighborhood that Jian Yiling lived in.

At 9 am on Saturday, the live stream began again.

A lot of viewers had been waiting already. As soon as the stream started, a flurry of comments appeared.

[It's finally here!!!]

[I wonder what handsome guys we're gonna see this week! I'm looking forward to it!]

[Is God Ling going to cook something else this week?]

[I want to watch God Ling and God Z play video games together!]

As many viewers saw countless handsome men on Jian Yiling's streams, they were looking forward to seeing more eye candy this weekend.

Furthermore, the dishes Jian Yiling cooked also delighted the viewers. They were equally looking forward to seeing more of her cooking skills.

And finally, Zhai Yunsheng and Jian Yiling's original fans wanted them to play video games. They felt that their presence had been overshadowed by the new fans.

The live stream was buzzing with activity when the doorbell rang.

Instantly, the viewers became curious. The last time the doorbell rang, a handsome woman or handsome man entered.

And thus, they were accustomed to the presence of handsome men in Jian Yiling's apartment. As soon as the doorbell rang, they were ready with anticipation to see further eye candy.

However, when the door opened, it was someone that the viewers did not expect to see.

It was not a handsome woman nor a handsome man. Instead, it was a middle-aged woman who did not have stunning looks.

When Jian Yiling saw Cai Qinyue, she frowned a little before she took a small step back to maintain distance from her.

"What do you want?" Jian Yiling asked. As she did not speak fast it gave the impression that she was scared.

Upon hearing this, Cai Qinyue sneered in her heart. This brat was pretending to be weak and pitiful when there were cameras filming her. Where was this act in front of her daughter?!

"I'm here for alimony payment," Cai Qinyue stated.

"You shouldn't look for me."

"Why shouldn't I look for you? You and your mother made me divorce your uncle. And after the divorce, you prevented me from meeting your uncle. Therefore, I couldn't get an opportunity to see your uncle or your mother. And so, I'm here to see you."

Upon hearing this, Jian Yiling frowned again.

## **Chapter 1060: Cai Qinyue Causes a Ruckus on Stream (2)**

Cai Qinyue continued to speak: "You set me up and made me divorce your uncle. You caused my family to be torn apart. And yet, you got engaged with Master Sheng. Do you not feel ashamed of yourself? Your life is comfortable and yet the Wen family has been torn to pieces. Anyone with the slightest conscience would not live on with their life like you are."

When Cai Qinyue finished speaking, everyone began to comment again.

[What's going on here?]

[I feel like I heard something big!]

[No way... Is this person really Jian Yiling's aunt?]

Although it was still early in the morning, the popularity of Jian Yiling's stream had already reached a million viewers.

Everyone was waiting to see what happened next.

"Defamation is punishable by up to three years of fixed-term imprisonment, detention, control or deprivation of political rights," Jian Yiling responded. Her expression was cold and her words were sharp.

Cai Qinyue: "Defamation? How is this defamation? Didn't you and your mother hire that woman to seduce your uncle? You lured him to cheat and forced me to get a divorce with him. Didn't you guys do all of these things? I'm here to deal with it now. Is there a problem with that?"

Although the person who did these things was Wen Yan, it was impossible for Jian Yiling to place blame on Wen Yan. Therefore, she could not refute Cai Qinyue's words.

Furthermore, Cai Qinyue had already anticipated that Jian Yiling would not blame Wen Yan for these things. And thus, she could be more reckless with her words and accusations.

"So? You have nothing to say? Well, that's because I'm telling the truth," Cai Qinyue continued. "Jian Yiling, I'm here today for alimony payment. It's not because I'm lacking money. Rather, it's because this is what you guys owe me. It's the compensation that I should get."

[What the hell? Hiring someone to ruin her uncle and aunt's marriage? Can a human actually do such a thing? This isn't real right?]

[I don't think the woman is lying. Jian Yiling didn't refute her words. Is it because she has a guilty conscience? After all, if she's innocent, who would accept such slander?]

[Ahh, it seems as though these messy things happen in rich and powerful families quite often. Both sides are probably at fault here.]

[I mean this woman wouldn't say these things for no reason right?]

The comments in the live stream were no longer friendly.

Cai Qinyue stood in front of Jian Yiling and looked at her expression. The expression on Jian Yiling's face remained indifferent.

However, Cai Qinyue did not believe that Jian Yiling was still calm. She was probably really angry right now.

All of a sudden, Cai Qinyue felt that she did the right thing to agree to help Lucy.

Although she would give people a bad impression of her, Jian Yiling's reputation would definitely be damaged as well.

To a certain extent, she would be avenging her daughter. Furthermore, she would get a huge monetary reward from Lucy.

And thus, this was definitely a good deal.

When Zhai Yunsheng walked out of the study room, he sneered at Cai Qinyue.

“A dog that’s lost its family,” Zhai Yunsheng commented arrogantly.

“Well, if I’m a dog that’s lost my family, isn’t it because of your doing? Who made me assume that Wen Cheng was cheating on me? You guys made me into this.. How dare you call me that?” Cai Qinyue responded.
