

## Sidekick 1071

### Chapter 1071: Overreaction

“Elder, please believe me. I really did not get involved in this matter. I would not ruin our family’s plans just because of romantic feelings. Please believe me.”

If it was just because of her feelings for Zhai Yunsheng, Lucy would not have acted irrationally.

However, the family compass made her do this.

“Is that the case? Perhaps, there’s something else that made you ignore the overall situation and act irrationally,” Elder George responded. His gaze was sharp.

“That’s not the case. Elder, please believe me.”

“I will trust you just this once. However, if I learn that you lied to me or you made some other mistake, then you will end up just like your father.”

“I understand. Please don’t worry.”

Lucy’s heart was as cold as the winter breeze.

For the Goodman family, she was just a pawn that could be abandoned at any time.

She was constantly walking on thin ice. If she did something wrong, the family elders would easily give her up.

Everyone else envied the fact that she was a member of the Goodman family.

However, no one understood her situation. She was born into this cruel competition.

Her family elders never showed her any affection.

Instead, they would merely teach her how to act and behave. Even though Elder George was actually her grandfather’s brother, he treated her with no sympathy whatsoever.

###

At dinner time, Wen Nuan and Jian Shuxing stayed back to eat with Jian Yiling.

As they were eating with their daughter, the couple’s appetite became extraordinarily good.

Even if the dishes were ordinary, they would magically become delicious.

Wen Nuan actually cooked soup. Thankfully, the soup tasted alright.

“I will try my best to make the soup more delicious the next time you drink it,” Wen Nuan said. She knew that her cooking skills weren’t great. However, if she could cook for her daughter in the future, she was determined to improve her skills.

“It’s good,” Jian Yiling replied softly. She didn’t look at Wen Nuan’s eyes. However, she was trying her best to respond to her mother’s care and concern.

As usual, Jian Yiheng and Jian Yichen came over for dinner as well.

After Jian Yiling ate for a while, she suddenly used a hand to cover a position on her chest. It was as though she felt uncomfortable.

“Yiling, what’s wrong?” Jian Yichen said in panic when he noticed Jian Yiling’s hand was covering her chest.

“I’m alright.”

“I will take you to the hospital for a checkup right now!” Jian Yichen said as he pulled on Jian Yiling’s wrist.

“What are you doing?” Jian Yiheng said as he stopped his brother from pulling Jian Yiling. “You made her wrist red.”

Everyone else seated at the table did not understand why Jian Yichen reacted this way.

Upon hearing Jian Yiheng’s reminder, Jian Yichen realized that he was applying a lot of pressure on his sister’s hands.

“I’m sorry,” Jian Yichen hurriedly released his hand and apologized.

“It’s okay,” Jian Yiling replied. Then, she said: “Brother Yichen, I have something to say to you.”

Jian Yiling wanted to speak with Jian Yichen alone.

The two of them went to the study and closed the door behind them. This meant that everyone else was unable to hear the conversation between them.

Everyone outside was puzzled and worried.

Wen Nuan asked Jian Shuxing: “What happened to Yiling? Is she alright?”

Although Jian Shuxing reassured his wife, he was also in a sense reassuring himself: “It’s alright. Our daughter is an incredible doctor. How could there be anything wrong? They probably just want to talk about something. Ever since young, they’ve both been quirky children.. Don’t worry about it.”

## **Chapter 1072: Jian Yiling from the Past**

“Yiling, can we go to the hospital for a checkup? Just in case there’s something wrong, it can be treated early. If treatment is delayed, it can become a serious and deadly condition,” Jian Yichen said with a serious expression on his face.

“Are you worried about me getting lung cancer?” Jian Yiling asked Jian Yichen.

Upon hearing this, Jian Yichen froze for a moment.

Then, he lowered his head and admitted: “Yeah...”

“You know about... Everything, right?”

Jian Yiling discovered this secret back when Jian Yichen was drunk.

However, she never confirmed this with Jian Yichen.

“Do you still remember?” Jian Yichen asked. He was a little confused.

“I do remember,” Jian Yiling admitted.

However, Jian Yiling recalled those memories through her dreams.

In the past three years, she kept having dreams about the past. Those dreams somehow felt like pieces of memories.

Eventually, she realized that she was the same person as the paranoid and crazy Jian Yiling in the original novel.

And she knew that she came back because of Jian Yichen.

However, after reincarnating two times, she no longer had memories of the past. The resentment and the obsession she once had no longer existed.

And even if she knew that she was the same person as Jian Yiling, a lot of those emotions belonged to the former Jian Yiling.

There was a veil between her and her past memories.

“Then did you experience tightness in your chest just now?” Jian Yichen asked.

In her previous life, Jian Yiling had died of lung cancer.

When the cancer was discovered in her body, the cancer cells had spread throughout her lungs and wrapped around the blood vessels and airways linked to her heart. Therefore, ordinary treatment could not be performed.

She had to consistently use painkillers to help her through the last part of her life.

This was why Jian Yichen reacted so violently when he noticed Jian Yiling covering her chest with a hand.

“I do regular checkups. It’s fine,” Jian Yiling responded. She knew that she might get cancer again. Therefore, she had regular checkups.

“Then just now...”

“Ah...” Jian Yiling said as her small face flushed red. “My bra was a little tight...”

“Cough cough...”

Ah... It appeared as though he had been too sensitive.

“Then... Everything is alright,” Jian Yichen replied in embarrassment. Then, he added: “Remember to tell me if you need any help in the future. I might not be very useful but I will do my best to protect you this time around. I will never let you face those things alone.”

“Mhmm,” Jian Yiling replied as she nodded her head.

She believed in Jian Yichen's words. She believed that he would protect her in this life.

After all, in order to help her, he already paid a very heavy price.

The two of them did not stay in the study room for long. They did not want everyone else to worry about them.

When Jian Yichen and Jian Yiling left the study room, Wen Nuan anxiously asked: "Yiling, are you alright?"

"No no, she's fine. I was overthinking," Jian Yichen replied with embarrassment on his face. "Don't ask about it any further. It's very awkward."

Jian Yichen's awkward laughter successfully reassured Jian Shuxing and Wen Nuan.

"Please don't do that again. You scared me to death," Jian Shuxing said in a good-natured way.

"Yes, yes. I will pay attention next time," Jian Yichen hurriedly apologized and admitted his mistake.

"It's okay as long as everything is alright.."

### **Chapter 1073: Grandma Jian, Please Help Us**

Then, Jian Yichen turned around and winked at Jian Yiling.

This was a little secret between the two of them.

When Zhai Yunsheng saw this, he frowned slightly before he looked away.

The look on his face looked somewhat jealous and prideful.

The viewers of the stream instantly noticed this.

[Is God Z jealous? Is he jealous of his future brother-in-law?]

[God Z: My wife is holding a secret from me! I'm not happy.]

[Hey, don't expose the truth to everyone. God Z might come knocking on your window in the middle of the night.]

[Hahahaha, the look on God Z's face is adorable. Even though he acts cold and arrogant, the look in his eyes completely ruins the act he puts on.]

By now, most of the netizens who were here for drama had left. Jian Yiling and Zhai Yunsheng's fan base remained.

###

When Wen Nuan got home, she happily recounted today's events to Grandma Jian. She told Grandma Jian that her daughter finally called her 'mother'.

These words fuelled Wen Nuan's happiness as she traveled all the way home from Zhai Yunsheng's apartment.

Although Grandma Jian was happy for Wen Nuan, she still acted stern: "She just called you her mother. Do you really need to be happy for so long? Even when she called you her mother for the first time in her life, I feel like you weren't this happy."

Grandma Jian still remembered what Jian Yiling looked like as a baby. The first time she called Jian Shuxing her 'father', Jian Shuxing was so happy that he didn't sleep for the entire night. He kept bragging to everyone that his daughter called him 'father'.

"Mhmm. It's different from back then. It's proof that she is no longer angry with me."

Wen Nuan's face was filled with happiness. The more she thought about it, the happier she became.

Jian Shuxing was a little unhappy: "Yiling called you her mother but she hasn't called me her father yet..."

He was envious of his wife.

Whenever she called him her father, he would be incredibly happy. Back then, even if she got angry, she was completely adorable. As a result, he would give her whatever she wanted in life.

Grandma Jian coldly stated: "Well, I wonder who wanted to kick someone out of the house a few years ago."

"Mother..." Jian Shuxing said as he looked at Grandma Jian. His eyes were begging for mercy.

"Hmph," Grandma Jian replied as she proudly turned her head away.

Jian Yuncheng and Jian Yunnao knew about what happened at Zhai Yunsheng's apartment before they even returned home. This was because the two of them always watched Jian Yiling's stream.

Upon knowing that his sister called Wen Nuan her mother, Jian Yunnao was happy and envious at the same time.

"Ahh, I wonder when she will be willing to call me her brother again."

Jian Yunnao's voice was somewhat quiet. There was not much hope in his words.

However, there was a voice in his heart telling him that he wanted everything to go back to the way it was. He wanted to get his sister's forgiveness.

Grandma Jian: "What's the hurry? Can you eat hot tofu if you're in a hurry? No, you'd burn your lips! Everyone's heart is made from flesh. If you spend some time with her, she will learn to like you again. Yiling isn't a cold-blooded animal. If you truly treat her well, she will realize it."

"Mother, why don't you give us some advice?" Jian Shuxing asked.

"I'm too old. My brain isn't good anymore."

"Mother..."

"Stop calling my name. There's no use doing that.. If Yiling doesn't want to talk to you, I won't convince her otherwise," Grandma Jian replied as she looked away.

## Chapter 1074: Jian Yuncheng and Jian Yunnao's Visit (1)

Upon hearing this, Jian Shuxing turned his head over to look at Grandpa Jian.

Grandpa Jian decided to say a few good words for his son and grandsons: "Old woman, if you have any good ideas, just help your son and your grandsons. This is good for Yiling as well. A lot of other children get to be loved by their parents and siblings. You should help Yiling out as well. Of course, Yumin, Yujie, and the others treat Yiling well. However, they're her cousins and not her brothers."

Grandpa Jian's words made Grandma Jian pause for a moment.

She could choose to not care about her son and grandsons, however, she cared about her granddaughter.

"Isn't there still Yunmo?" Grandma Jian replied.

"Of course. Yunmo is a good kid. However, do you want him to be stuck between them? Furthermore, Yuncheng and Yunnao aren't bad kids right?"

Grandma Jian began to waver.

The incident three years ago was orchestrated by He Yan. The rest of them did not know anything about it. There was no right or wrong.

And even if they were wrong, they had already suffered for three years.

"Okay, okay. I will help you guys just this once."

Jian Shuxing and Jian Yunnao were incredibly happy to hear this.

Although Jian Yuncheng did not appear to look happy, everyone knew what kind of person he was. Even if he was overjoyed, the emotions would not appear on his face.

Grandma Jian: "Firstly, you guys need to learn from Yichen. Learn to be shameless. You don't need your pride. Compared to your sister's happiness, your pride means nothing. Secondly, you need to support Yiling. Even if she wants to be together with the Young Master of the Zhai family, you need to support her. This includes supporting her work and essentially just showing that you trust her."

"Okay, okay," Jian Shuxing readily agreed.

"Then, you need to..."

Jian Shuxing, Jian Yuncheng, and Jian Yunnao took careful note of Grandma Jian's words.

The next day, the four of them gave themselves a holiday. They all visited Jian Yiling.

The appearance of Jian Yuncheng and Jian Yunnao once again created a buzz amongst the viewers.

[They're here again! Hot guys! They're my favorite type as well!]

[Ahh! I love the one with a cold expression on his face! He's so manly!]

[No no. Why would you like a guy like that? He's ice-cold like a glacier. You'd probably be bored to death talking to him.]

[I like the one who is slightly shorter! He looks so young and energetic!]

[Yeah! He's so handsome!]

[Although the younger one looks handsome and he has a better temper than the older one, unfortunately, his eyes are rather blind. I wouldn't recommend him to become anyone's boyfriend.]

For some reason, there was such a person commenting on Jian Yiling's stream today. Whenever the viewers complimented Jian Yiling's brother, that person would always write negative comments about them.

Didn't they appear on Jian Yiling's stream for the first time today? Why did they have haters already?

"Yiling!" Jian Yunnao greeted as he handed his sister a USB: "I composed this myself! I wrote it for you."

Jian Yunnao had written this song a long time ago. However, he did not dare to give it to his sister in fear that she would get upset.

With his grandma's guidance and support, he finally had the courage to give this USB to his sister.

"You're... Playing the piano again?" Jian Yiling asked.

## **Chapter 1075: Jian Yuncheng and Jian Yunnao's Visit (2)**

"Mhmm!" Jian Yunnao responded. "You saved my hands and essentially gave me a second chance to play the piano. Therefore, I should cherish this opportunity. After all, you put in so much effort to help me. The least I can do is to not let you down."

These words had been stowed away in Jian Yunnao's heart for a long time. Although he always wanted to say these words to Jian Yiling, he never had the courage to do so.

However, after listening to his grandma's words yesterday, Jian Yunnao finally decided to express his feelings. He hoped that his sister would understand him.

After all, if he continued to keep these words to himself, his sister would never know about how he felt.

"Thank... Thank you," Jian Yiling stuttered in response. Whenever she encountered an unfamiliar situation whilst talking to her relatives or family members, Jian Yiling would always stutter.

Then, Jian Yiling instinctively turned her head towards Zhai Yunsheng to ask for help.

A smile appeared on Zhai Yunsheng's lips as he helped Jian Yiling answer: "Shall we listen to this piece of music then?"

Jian Yiling nodded her head.

Upon receiving this response, Zhai Yunsheng connected the USB with the audio equipment in the apartment.

A beautiful and heartwarming piano piece could be heard.

Jian Yunnao's skill proficiency at playing the piano was reflected in the climax of the song.

It was as though the piano was conveying a sorrowful cry of someone who almost lost a person dear to them.

Those who knew Jian Yunnao understood that this song was his apology to his sister. It conveyed how he felt whenever he faced her.

He wanted to approach her to make up for the situation and yet, he was at a loss of what to do.

Nervousness, hesitation, and reluctance. All of these complex emotions were conveyed through the wonderful piano piece.

The viewers in the stream were awed as they listened:

[Is this really an original song? It's amazing!]

[Who played this? It's such a beautiful melody.]

[It's so beautiful. I love it so much.]

[As a music major, I must say that this piano piece was played at a professional level!]

Jian Yunnao's music captured the hearts of many viewers.

[I want the contact details of this man!]

[Another day where I wish to become God Ling's sister-in-law!]

[It's doomed. I've fallen in love again.]

[Husbands pass by like flowing water. However, regardless of the man we end up marrying, God Ling will always be our sister-in-law!]

"Yiling, do you like it?" Jian Yunnao cautiously asked Jian Yiling.

He didn't care about anyone else's opinion. He only cared about Jian Yiling's opinion.

Jian Yiling nodded her head. Although she did not really understand music, she still could appreciate beautiful melodies.

After receiving Jian Yiling's nod of approval, Jian Yunnao smiled happily. He looked as though he was a child in his early teens.

"Then can I play more piano pieces for you in the future?" Jian Yunnao asked again.

His eyes were full of anticipation.

"Mhmm," Jian Yiling replied as she nodded again.

Upon hearing this, Jian Yunnao grinned. His grin charmed the hearts of many girls in the stream.

[Ahh, I've fallen in love again!]

[His smile is so damn sweet! From today onwards, I will protect this man's smile!]

[God Ling, please look at me! I want to be your sister-in-law!]

Someone in the stream commented: [God Ling's third brother is considered to be the most handsome man in Beijing University! His grades are excellent as well!]

[Ahh! Wait a minute. He's good at playing piano and he's good at studying?!]

[As expected of God Ling's brother. God Ling is super intelligent. Naturally, her brother would be intelligent as well!]

[The genes in her family are way too good!]

### **Chapter 1076: Jian Yuncheng and Jian Yunnao's Visit (3)**

Then, Jian Yuncheng took out a file bag and handed it to Jian Yiling.

Jian Yiling looked at Jian Yuncheng with confusion.

"Don't you like Yumi's desserts? I bought the store for you. It's a gift."

As always, there was no expression on Jian Yuncheng's serious face.

Although Jian Yuncheng acted as though he did not listen to Grandma Jian's words yesterday, after he left the Jian Residence, he immediately bought the dessert store that Jian Yiling frequently went to.

This was his gift for his sister.

The desserts made at Yumi's were very delicious. Jian Yiling bought desserts there quite frequently. Furthermore, whenever she went out shopping with Hu Jiaojiao, they would often stop to taste some desserts from Yumi's.

Somehow, Jian Yuncheng learnt about this.

In reality, Jian Yuncheng had been paying attention to Jian Yiling's likes and dislikes for a long time. However, he never mentioned this to anyone.

A heap of comments instantly popped up:

[What the heck?! Yumi's?! I love that dessert shop!]

[How much money does he have? People usually buy desserts as gifts! However, this guy buys an entire dessert shop!]

[I've changed my mind! I want to marry this man instead!]

[Tch, what a dishonest person. He says one thing but means another thing.]

For some reason, the hater began to type comments again.

From the words, it appeared as though he or she hated Jian Yuncheng and Jian Yunnao.

Jian Yiling stared at the file bag in front of her. She did not know how to respond to Jian Yuncheng. As a result, she once again turned around to stare at Zhai Yunsheng.

It seemed as though Jian Yiling grew into the habit of asking Zhai Yunsheng for help when she encountered something she did not know how to deal with.

Zhai Yunsheng's lips curled up into a smile as he said: "You should accept his gift. The dessert shop is pretty good. Whenever you want to eat a dessert in the future, just get the dessert shop to make it for you."

As he said this, Zhai Yunsheng's eyes fell onto Jian Yuncheng.

The two of them had been at odds with each other since their first encounter three years ago.

Even today, they did not have a good relationship.

Zhai Yunsheng acted more hostile towards Jian Yuncheng than Jian Yunnao.

Likewise, Jian Yuncheng did not like Zhai Yunsheng either. However, his grandma told him to support and accept his sister's decisions. Naturally, this included accepting Zhai Yunsheng as his future brother-in-law.

And thus, Jian Yuncheng retracted his gaze.

As Zhai Yunsheng told her to accept the gift, Jian Yiling felt bad for saying no.

Therefore, Jian Yiling politely said: "Thank you."

Upon hearing this response, a slight frown appeared on Jian Yuncheng's face.

It seemed as though he did not like Jian Yiling's timid response to his gift.

In the past, whenever his sister accepted a gift, she would jump into his arms and give him a big kiss. Then, she would announce: "Brother Yuncheng is the best! I love Brother Yuncheng!"

And if she didn't like the gift he gave her, his sister's face would be filled with disappointment: "Brother Yuncheng is trying to fool me! You must buy another gift for me. If not, I won't like you anymore!"

Then, she would turn her head away.

"You don't need to say thank you to me," Jian Yuncheng said to Jian Yiling.

Jian Yiling raised her head to look at Jian Yuncheng. She did not understand why he was upset.

"You're my sister.. You don't need to be so polite with me," Jian Yuncheng explained.

#### **Chapter 1077: Jian Yuncheng and Jian Yunnao's Visit (4)**

"I..." Jian Yiling started before she looked at Zhai Yunsheng again.

Zhai Yunsheng decided to reply in Jian Yiling's stead: "Brother-in-law, isn't being polite a good thing?"

It was obvious that there was another layer of meaning hidden behind Zhai Yunsheng's words.

After all, didn't Jian Yuncheng want his sister to be sensible and polite?

And hence, why was he complaining if his sister became what he wanted her to become?

His words were understood by people who knew the situation.

After saying these words, Zhai Yunsheng was ready to see an ugly expression on Jian Yuncheng's face.

To his surprise, Jian Yuncheng admitted his prior mistake: "My sister does not need to be polite."

Tsk, tsk, tsk. It seemed as though Jian Yuncheng had gotten enlightened recently.

He accepted the fact that his pride meant nothing when it was compared to his sister's happiness.

Jian Yuncheng's response turned many of the viewers into jealous lemon spirits:

[Oh my goodness. I want a brother like this!]

[Ahhh! I love his response!]

[Does this man need a wife?!]

[I want to give birth to your children!]

[Help me stand up! Although I'm recovering from childbirth, I'm ready for another baby!]

Jian Yunmo was also watching the stream.

When he saw that everyone was interacting together much better than before, Jian Yunmo felt rather happy.

"Um... Brother Yunmo... Do you want to go outside to watch the stream?" Liu Ting asked cautiously.

"Why?" Jian Yunmo replied.

"Well... I don't mean much... I'm just worried that if something happens in the stream, you might create some biochemical weapon... If that happens, the entire island wouldn't survive it..."

Jian Yunmo and Liu Ting were currently in a laboratory on Lahaisen Island.

Whilst waiting for a chemical reaction to happen, Jian Yunmo opened his sister's stream.

Watching his sister's stream was a good thing. However, Zhai Yunsheng was next to her... If something along the lines of holding hands or kissing happened...

Wouldn't Brother Yunmo become angry?

And this was a laboratory... If Brother Yunmo's hand shook as he was measuring out chemicals, something scary could be created.

Liu Ting was worried about his life. He didn't want to become a specimen sample.

"Tell me when the reaction is over."

Jian Yunmo accepted Liu Ting's advice and took the tablet outside the laboratory.

Liu Ting let out a sigh of relief when he saw this.

Then, he remembered that another man was probably watching the stream as he did his rehab.

These days, that man was probably enjoying his life a lot.

Hmm... He had to find an opportunity to mess with him. Otherwise, life on this island would become way too boring.

###

The appearance of Jian Yuncheng and Jian Yunnao brought another wave of popularity to Jian Yiling's stream.

Even though Jian Yiling had been only streaming for four days, news articles related to her consistently made Weibo's hot search list.

Some netizens decided to keep track of this. Altogether, six Jian brothers appeared in Jian Yiling's stream.

Two of them were her actual brothers whilst the other four were cousins.

One of them was Jupiter's Xie Minyu; one was a young yet famous magician; one was a martial arts master; one was a voice actor; one was a piano prodigy; and finally, the last one was a rich CEO.

And each and every single one of them was incredibly handsome.

And thus, Jian Yiling's stream kept attracting viewers.

This rapidly increased Jian Yiling's fan count. Her fan count was now ten times more than the fans she had when she initially started streaming.

The other guests on the show were quite envious of this.

However, they could only envy her.. After all, they could not imitate this.

### **Chapter 1078: Wen Zhe's Assistance (1)**

Whilst the Jian family was happy, Lucy was devastated.

Her plans to use Cai Qinyue had failed. Cai Qinyue had become a useless chess piece.

She did not know what to do next.

At this moment, she began to think of things that her father would do. Maybe she could get someone to kidnap Jian Yiling? Or perhaps she could get someone to sneak into Jian Yiling's apartment to steal the compass?

After all, those methods would be most effective.

However, her last trace of sanity pulled her back from doing those things.

She couldn't do those things. She refused to follow her father's footsteps.

As Lucy flipped through the preview of <Dear, We Live Together> next episodes, she suddenly saw that guests were going to be invited to interact with the existing groups.

When she read this, an idea began to appear in Lucy's mind.

She could use other guests to visit Jian Yiling's apartment.

Perhaps this was a chance for her to get her hands on the family compass.

Although it wasn't a 100% chance of succeeding, she could only treat a dead horse as a living one.

She had to take the gamble. If she didn't take the gamble, she would have no chance of changing her circumstances.

As she thought about this, Lucy asked her subordinates to get her information on the other groups participating in the show.

Then, Lucy contacted the team responsible for the reality show...

###

On Friday night, Wen Zhe came back dragging a big suitcase.

He had gone back to live with his father and mother for a week. During that time, he returned to school.

"Hey, kiddo. Your IQ is so high already. Do you still need to attend school?" Jian Yichen teased Wen Zhe.

"My mother said that even though my IQ is high, I'm still young. Therefore, it's important for me to get along with people of the same age to enhance my overall development. Otherwise, I would grow to become a boring block of wood. Every term, I need to attend school for thirty days. Furthermore, I have to sit the mid-term exams and final exams as well."

"Then why are you back? Are you planning to give your sister terrible ideas again?"

"Hehehe, I'm naturally going to help my sister get together with my brother-in-law!"

"You've even removed the word 'future' now!"

"Well, if my future brother-in-law doesn't become my actual brother-in-law, my sister will definitely be sad. Therefore, calling him my brother-in-law represents my good wishes."

"You have such strange reasoning," Jian Yichen replied. Somehow, he was convinced by this brat.

"Forget about those things. Help me out in a bit."

"Help you with what?"

"I went back home to have a serious discussion with my mother. As we can't use alcohol and drugs on our brother-in-law, to make him obediently listen to Yiling, we will have to use force!"

"You want to use force on Zhai Yunsheng?!" Jian Yichen exclaimed as he stared at the little kid in front of him. Was this guy dreaming? "Buddy, give up on that idea. Even though his heart isn't great and he could die at any moment, as long as his heart is still beating, he's still very strong. An average person would definitely lose against him."

“Don’t underestimate me! I’ve taken taekwondo classes before!” Wen Zhe said as he waved his small fist.

To ensure his intellectual and physical development, Wen Zhe practiced taekwondo from a young age. He also did swimming, fencing, rock climbing, and even boxing.

“You think you can defeat Zhai Yunsheng with your taekwondo? Why don’t you go and sleep? Maybe that will happen in your dreams.”

### **Chapter 1079: Wen Zhe’s Assistance (2)**

“Hmph, just say so if you’re not willing to help me!” Wen Zhe grumbled. “My poor sister... It appears as though I’m the only one who is supportive of her. You guys pretend to care about her but don’t actually do anything to support her. My sister only has this one wish and yet no one helps her... Ahhh...”

“Little brat, what are you muttering about? In what way do I not care about her?!”

Wen Zhe ignored Jian Yichen and continued to speak to himself: “My poor sister... She has to do everything by herself. No one is willing to help her... She’s all alone...”

“Alright, alright,” Jian Yichen hurriedly cut Wen Zhe off. “I will help you alright?”

“You promised now!” Wen Zhe exclaimed. The expression on his face instantly changed. It seemed like he was a sly little fox.

In that instant, Jian Yichen felt as though he had been roped into something.

“Well, I’m telling you in advance that my combat abilities are limited. If you’re getting smacked, I can only beg them to stop. I can’t really fight against anyone.”

Jian Yichen understood the extent of his capabilities.

“Okay! No problem!” Wen Zhe replied happily.

After dinner, Wen Zhe suddenly called Zhai Yunsheng into a room.

“Brother-in-law, I have a little secret to tell you! Follow me!” Wen Zhe said with playful and bright eyes.

As Wen Zhe called him ‘brother-in-law’, Zhai Yunsheng followed the little boy into the room without asking any questions.

As soon as he entered the room, the little boy handcuffed Zhai Yunsheng’s left hand.

At the same time, he dragged Zhai Yunsheng over and wanted to lock the other handcuff onto the head of the bed.

However, by this time, Zhai Yunsheng realized Wen Zhe’s intentions. He stood in place and did not move at all.

No matter how hard Wen Zhe tried, he couldn’t move Zhai Yunsheng at all.

“Hey! Why are you so heavy?!” Wen Zhe exclaimed. His little face was flushed red.

Ahhh, he had no other option. It was time to resort to violence.

Just as Wen Zhe got ready to punch Zhai Yunsheng, his little fist got caught by Zhai Yunsheng’s free hand.

It was as though a pebble had fallen into the ocean. Wen Zhe’s fist did not even inflict a splash of damage.

In fact, Wen Zhe couldn’t even remove his fist from Zhai Yunsheng’s hand.

“Wa... Brother-in-law... Be more gentle... My hand is about to break!” Wen Zhe cried out for mercy.

“What are you planning to do?”

Zhai Yunsheng looked around the room. Other than the handcuff on one of his hands, there were three more pairs of handcuffs.

“Tying you up,” Wen Zhe meekly admitted.

“Tying me up?”

“Yeah...” Wen Zhe replied sheepishly, “If you’re tied up, you can’t fight against Sister Yiling.”

As his sister could not win a physical fight against Zhai Yunsheng, they had to help her restrict his actions first.

And thus, he designed these handcuffs for Zhai Yunsheng.

Although he assumed that his plan was very thorough, it appeared as though he underestimated Zhai Yunsheng’s strength.

Or rather... Maybe he overestimated his own strength...

“Who taught you this?” Zhai Yunsheng asked.

“My mother taught me,” Wen Zhe admitted.

“Your mother... Taught you to handcuff me on the bed?”

“Mhmm,” Wen Zhe replied.. “My mother said that as long as I handcuff you, everything else will flow on naturally.”

### **Chapter 1080: Wen Zhe’s Assistance (3)**

Then, Wen Zhe sighed like an adult: “Ahh... Who knew handcuffing you was such a difficult task... I couldn’t feed you alcohol or drugs... This is so difficult!”

Zhai Yunsheng never met Wen Zhe’s mother. He did not know what kind of legendary figure she was.

However, he did not expect her to give such a suggestion to her own son and niece!

“Open this handcuff,” Zhai Yunsheng ordered.

“Then let go of my hand, please. I will look for the key,” Wen Zhe replied.

However, Zhai Yunsheng did not let go of Wen Zhe’s hand immediately.

Upon sensing this, Wen Zhe added: “Don’t worry about me doing anything again. I’ve already learned that I can’t win against you in a fight. It’s useless for me to do anything.”

Zhai Yunsheng let go.

Wen Zhe suddenly took a few steps back.

At this moment, a figure bolted out from behind the curtains.

“Go Brother Yiheng!” Wen Zhe cheered from the sidelines.

Jian Yiheng and Zhai Yunsheng got into a fight.

The fight was incredibly fierce.

When Wen Zhe saw this, he exclaimed with widened eyes: “Holy... This fight is way too intense! Thank goodness I didn’t fight my brother-in-law a few moments ago... My arms and legs would get broken!”

To avoid getting swept into the fight, Wen Zhe hurriedly slipped out of the room.

Jian Yiling who originally was in the living room had been lured into Jian Yichen and Jian Yiheng’s apartment.

If she was here, she would not let the fight between Zhai Yunsheng and Jian Yiheng happen.

After Jian Yiheng won the fight, they would bring their sister back here.

And then... Hehehehe.

Wen Zhe waited outside the room for roughly ten minutes. After ten minutes, the room was finally quiet.

Then, he walked into the room.

He saw his poor brother-in-law spreadeagled and handcuffed onto the bed.

“Jian Yiheng, why are you helping this brat?” Zhai Yunsheng asked Jian Yiheng.

Jian Yiheng rarely got involved in these things. As a result, at most, Zhai Yunsheng expected Jian Yichen to get involved. But why was the other one involved as well?

“The brat paid me,” Jian Yiheng replied calmly before he left the room.

Paid him?

Then, Zhai Yunsheng turned to look at Wen Zhe. There was a wicked smile on Wen Zhe’s face. “Sorry, for the sake of my sister’s happiness, you will have to suffer a bit.”

“Do you know what will happen to your sister if you do this?”

“Hmmm... I don’t know about that. My mother told me to contact my sister after you’ve been handcuffed. She also said that if Sister Yiling can’t handle you, I should contact her again. Then, my mother will send some information over to Sister Yiling.”

As he said this, Wen Zhe himself became curious: “I wonder what information my mother plans to send to Yiling. She refused to let me see it. She even added my sister on WeChat for this!”

Wen Zhe bit down on his finger and pondered about it for three seconds.

Then, he exclaimed: “Ahh, that doesn’t matter! My sister’s wish matters more!”

Then, Wen Zhe happily ran out of the room.

Not after long, Jian Yiling entered the room.

Once the door was closed, only the two of them were left in the room.

As they stared at each other, the atmosphere in the room became strange.

Jian Yiling walked over to the bed and sat down. Then, she took a hand to poke Zhai Yunsheng’s chest.

His chest muscles were much firmer than her finger.

“Untie me,” Zhai Yunsheng said.

“Little Zhezhe didn’t give me the key,” Jian Yiling replied.

That brat!
