### Chapter 1121 - Do Not Mess With

He couldn't just accept this. This was money that belonged to the Jin family. He would never let this opportunity slip away from his hands.

After Jin Feng left the hospital, he planned to go to Jin Jin's house. However, he was stopped by a group of people who visited Jin Jin's house earlier. They were the people who took away Jin Jin's phone.

"Oh? Isn't this Brother Jin Feng? Where are you planning to go?"

Upon hearing this, Jin Feng realized that he had been so focused on chasing down his sister that he forgot that he was still being chased.

"Brother Bao, I will definitely pay you back the money."

Although he had previously been confident and arrogant in front of Jin Jin and Zhang Yun, as soon as he saw Brother Bao, Jin Feng became a wimp.

"Definitely? How many times have you said that to us? You haven't even returned a single penny! Do you really think I'll believe in your words?"

"Brother Bao, please trust me! I will definitely be able to pay you back this time!"

Just as Jin Feng finished speaking, Brother Bao gave Jin Feng a kick in the chest.

"Do you think I'm a bloody idiot or something? Do you really think I'll believe in your words?! If you don't give me the money today, I will make sure you'll be lying in the hospital for the rest of the year."

"No, no, for real this time. My sister saved an ugly girl. Her family is incredibly rich! In fact, her brother charged a hundred thousand dollars into a phone without even batting an eye."

"Ugly girl?" Brother Bao repeated. "You mean that girl with many scratches on her face?"

"Yes, yes! That's her. Have you met her before?"

"I met her when I went to your house to look for you this afternoon. Are you saying that her family is very rich?"

"Yes! Her family charged a hundred thousand dollars into a phone without even batting an eye! A few million dollars will definitely mean nothing to them! Furthermore, my sister saved her life. It's not too much to ask them for a bit of money right?"

"Hmm, your words seem to make a bit of sense."

"Brother Bao, if you don't believe in me, you can come with me to my house right now. When we find that ugly girl, we can confront her."

"I'm telling you right now that if you're lying to us, you will be in for even more suffering!"

"I won't dare to! I won't dare to do anything like that. I'm in your hands right now. How would I dare to lie to you?"

After thinking about it for a while, Brother Bao decided to trust Jin Feng's words for the time being:  
"Alright, let's go to your house!"

As he escaped for the time being, Jin Feng let out a sigh of relief.

Then, he began to think about how to get his annoying sister out of the way.

Jin Feng was taken by Brother Bao. The group of them drove towards Jinshui Village.

When they arrived at the entrance of the village, they saw a row of black Mercedes.

The license plate at the front was 8888.

"Isn't this Brother Yang's car? Why is it here?"

In this area, everyone knew about Brother Yang.

In the southwest, Brother Yang was widely recognized to be the boss of everyone.

Two years ago, Elder Guo was the boss of this area. However, after he retired, he handed over his position to his only grandson.

And thus, they naturally recognized this vehicle.

"Maybe something's going on?" One of Brother Bao's lackey's guessed.

"Why would Brother Yang visit such a village?" Brother Bao exclaimed. This was rather strange.

"Well, as long as he's not here for us," his lackey commented.

"You think Brother Yang will come all this way to speak to us?" Brother Bao replied as he rolled his eyes.

"Keep to this side of the road. Avoid them."

If they crashed into Brother Yang's car, it was not just a matter of money.

Rather, it was a matter of messing with someone they could not afford to mess with.

### **Chapter 1122: Brother Yang's Boss (1)**

Zhang Yun took Jin Jin and Jian Yiling back to Jin Jin's house.

Then, Zhang Yun told Jian Yiling to pay attention to some things before she left.

When Jin Jin was buying her phone, she purchased some toiletries and clothes for Jian Yiling.

When Jian Yiling saw this, she was incredibly grateful: "Thank you."

"You don't need to be polite. The money for these things will be paid by your brother when he comes to pick you up," Jin Jin replied.

Jian Yiling did not feel as though Jin Jin was being petty. Rather, she felt much more comfortable being around frank people.

“Get some rest. I will go and get you something to eat. You haven’t eaten anything all afternoon,” Jin Jin said to Jian Yiling.

“Mhmm.”

Then, Jin Jin headed off to her vegetable garden to pick up some vegetables.

Whilst Jin Jin was picking up some vegetables, Jin Feng arrived with the others.

Due to the events in the afternoon, Jin Jin took the precaution to lock the door.

“Damn brat! How dare she lock the door!” Jin Feng cursed in front of the door.

“Bang bang bang.”

Jin Feng began to bash the door.

“B\*tch! Open the door! Open the door for me!”

Jin Feng shouted outside for a while. However, there was no response.

“Don’t do this. Be more gentle. Don’t make it seem like we’re here to rob someone,” Brother Bao said to Jin Feng.

Then, Brother Bao said: “Little girl, we don’t mean any harm. We just want to get you back to your family. We’re here to make sure you’re safe. How is Jin Jin planning to protect you? She’s just a young girl herself.”

Brother Bao and Jin Feng continued to speak for a while.

Finally, their patience began to run out. Once again, they began smashing the door.

“How dare you not listen to us?!”

Jin Feng looked around and found an axe.

Just as he was about to cut down the door, Jin Jin returned home.

“What are you guys doing?!” Jin Jin yelled. She dropped the vegetable basket and rushed over.

“Hurry up and open the door!” Jin Feng impatiently ordered Jin Jin.

“Who are you to order me around? What are you doing in my house?!”

“Your house?! I’m your brother. This is my house as well!”

“That’s not true! I bought the land and built the house myself! I didn’t use any of your money! So how dare you call this place your house?!”

“Didn’t you buy this land and build this house using our parents’ money? I should also get a share of that.”

“How dare you mention our parents? Where were you when our parents died? Besides, I didn’t use their money!”

"That's definitely a lie! Who would believe you? You've only graduated for a few years! Where would you possibly get that money from? It must be our parent's money!" Jin Feng explained. He did not believe in Jin Jin's words. "Open the door right now. Don't stop me from becoming rich."

"Don't you dare!" Jin Feng exclaimed as she blocked the doorway.

"If you don't step out of the way, I will chop you with this axe!" Jin Feng threatened as he held the axe in his hand.

"You're not a human!" Jin Jin yelled at Jin Feng.

"Okay okay! If you don't step out of the way, then don't blame me for doing anything!" Jin Feng growled as he pushed Jin Jin away and raised the axe to hack the door.

At this moment, several men in black suits and sunglasses walked over to Jin Jin's house.

"What are you guys doing?" a young man said. The young man was surrounded by bodyguards.

When they saw the young man, Jin Feng, Brother Bao, and Brother Bao's lackeys immediately stopped.

"Brother Yang!" all of them greeted respectfully.

"What are you guys doing?" An Yang repeated.

### **Chapter 1123 - Brother Yang's Boss (2)**

"Nothing... Nothing much. This is my home. I just forgot my keys," Jin Feng hurriedly explained.

"You forgot your keys so you decided to smash the door?"

"Yes... Yes... I just have a rather quick temper!" Jin Feng stuttered out.

Jin Jin quickly retorted: "This is my house and not theirs!"

An Yang narrowed his eyes and said: "Stop arguing already. I have better things to do today. I don't have time to listen to your quarrel. Where is the village health center?"

An Yang had no time to listen to people argue today. If it was any other time, he would have asked a few questions regarding the situation. However, he was busy today.

The roads in the village were quite difficult to navigate. Many of the roads did not exist on the GPS. As a result, An Yang was struggling to find the village health center.

"The village health center is to the left. Go to the next fork on the road and turn right. Then, if you walk another kilometer or so, you'll be there," Jin Feng answered.

"Okay," An Yang replied. He was in a hurry to go to the health center.

When Jin Feng, Brother Bao, and his lackeys saw An Yang turn around to leave, they let out a big sigh of relief.

Thankfully, Brother Yang was just passing by.

As they assumed that Brother Yang was here to punish them, all their heart rates became accelerated.

"An Yang!"

Suddenly, the door was opened and Jian Yiling called out An Yang's name.

What the heck?! This person dared to directly shout Brother Yang's name?

Everyone knew of Brother Yang's name. However, no one dared to call him that.

In fact, everyone they knew would respectfully address him by "Brother Yang."

"Who the heck are you? How dare you call Brother Yang by his actual name? Is there a problem with your brain?!" Jin Feng shouted at Jian Yiling.

If she didn't want to live anymore, at least don't get them involved!

An Yang stood in place and slowly turned to look back at the person who called his name. He could not clearly see this person's facial features.

However, that voice, that figure, and those eyes... They were all so familiar to him!

This was his Boss!

Even though he could not see her face clearly, he could confirm that this was the person he had been looking for!

An Yang ran over to Jian Yiling to get a better look at her.

His eyes were burning and the look on his face was filled with excitement.

He was right, this was his Boss!

"Boss! It's really you! You've finally come back!" An Yang exclaimed. He almost shed tears of joy.

It had been two entire years.

What? Boss?

An Yang's words made everyone around them incredibly confused.

Jin Feng, Brother Bao, his lackeys, and even An Yang's lackeys questioned their hearing. Had they heard wrong?

Brother Yang was calling this little girl his Boss?

This... Didn't seem quite right...

Jin Jin was also stunned. She did not know who this man was. However, from Jin Feng and Brother Bao's attitude, she knew that this person's identity was not simple at all.

To her surprise, this person called the little girl she saved 'Boss'?

Then... Who exactly did she save? What kind of existence was this girl?

"Boss, how did you get yourself into this situation?" An Yang asked. When he saw the wounds on Jian Yiling's body, he was shocked.

When he heard this news from the Jian family, he also got told that she was injured.

However, the injuries looked even worse than he had imagined. He felt heartbroken just looking at Jian Yiling.

"It's alright. It's just injuries on the surface of my skin," Jian Yiling comforted An Yang.

"What do you mean by it's alright? Hurry up and go lie down. You must take care of yourself!" An Yang said anxiously as he helped Jian Yiling get back into the house.

However, Jian Yiling did not immediately turn around. Instead, she pointed to Jin Feng and said: "This person wanted to kidnap me.. In addition, he bullied the people who saved me."

#### **Chapter 1124: Master Sheng is Coming**

Then, Jian Yiling pointed at Brother Bao and his lackeys: "And they stole the phone of the person who saved me. That resulted in me being unable to call my family."

Upon hearing this, An Yang immediately became furious: "Boss, please go and rest. I will handle everything else."

After An Yang helped Jian Yiling inside, he returned back to everyone else.

Jin Feng cautiously asked: "Brother Yang... Do you know that ugly... Know that person?"

An Yang snorted before replying: "Tch, you call me Brother Yang so from the looks of it, you know who I am. Then how dare you touch my Boss?"

"Brother Yang! Please forgive us! We didn't know that she's your boss!" Jin Feng hurriedly apologized.

Never in a million years would he have imagined An Yang's boss to be such an ugly monster.

After all, who could have imagined that?

"Brother Yang, we really did not know about this. Please show mercy and spare our lives."

An Yang ignored these people. Instead, he said to Jin Jin: "Go and accompany my Boss. What's going to happen next isn't that appropriate for you to see."

Upon hearing these words, Jin Jin obediently entered her house.

After she closed the doors, a bunch of wailing came from outside.

Jin Feng and Brother Bao continuously screamed in misery.

It sounded quite cruel.

And yet, it was very satisfying to hear.

###

After dealing with the eyesores, An Yang came inside the house and said to Jian Yiling: “Boss, where have you been in the past two years? Why didn’t you visit us? If I hadn’t been contacted by the Jian family, I would have never known that you were in this part of the southwest.”

“I will tell you when I get the chance,” Jian Yiling replied. She could not clearly explain where she had been for the past two years. “Why are you here though?”

“Ahh, I didn’t end up graduating from university. Instead, I took a break from my studies to take over my grandpa’s business. Then, I’ve been staying around here for the rest of the time. I was the closest one to you. Hence, the Jian family notified me after they got the news. Everyone else is on the way.”

“They’re all... coming?”

“Including Master Sheng,” An Yang replied. “However, Master Sheng isn’t doing very well. His appearance is quite different from before. Try not to freak out when you see him.”

“If he’s not in good health, why is he coming over here? I could go over there. An Yang, take me over there,” Jian Yiling said as she hurriedly got off the bed.

An Yang tried to stop Jian Yiling: “Boss, don’t move around. It’s too late. When I received the news in the afternoon, he had already left. The Zhai family moved the medical equipment onto the helicopter in order for him to come over.”

“But Brother Yunmo told me not to tell him the news...”

“Yeah, your brother didn’t want to tell him. However, he told the Jian family. In the past two years, Grandpa Jian and Master Zhai have been very close to each other. They tell each other everything. And thus, once the Jian family learned about this, the Zhai family quickly did as well.”

“Let me go and find him! An Yang, take me there!”

“Boss, Master Sheng is already on his way here. Three hours ago, Master Sheng already got onto the helicopter. He will be here in half an hour. So where do you plan to go? There’s open space around here for the helicopter to land. And thus, just wait for him here.”

“He’s doing stupid things again,” Jian Yiling said quietly as her eyes turned red.

“Boss, you’re Master Sheng’s life. When you disappeared, Master Sheng literally lost half of his life.”

Then, An Yang glanced at his watch: “It’s about time. I will get my lackeys to meet them at the helicopter’s landing site.”

“I will head over too!”

She didn’t want him rushing over.

An Yang stared at Jian Yiling for a while before he finally decided to compromise: “Ahh, between the two of you, I can’t tell who is worse off right now.”

### **Chapter 1125: Seeing Each Other After Two Years**

Everyone in Jinshui Village was quite confused.

First of all, a row of luxury cars had been parked at the village entrance.

And now, a helicopter was landing.

What was happening?

For some reason, the situation felt a little unusual...

In the open space, An Yang accompanied Jian Yiling.

He got someone to find Jian Yiling a wheelchair to facilitate her movement.

A helicopter appeared in the sky.

It was the pink helicopter given to Jian Yiling by the Second Master of the Zhai family that Christmas.

As the helicopter slowly descended, a breeze blew across the grass.

When the helicopter finally stopped, a man instantly jumped down.

It was Yu Xi.

Yu Xi sprinted over to Jian Yiling.

When he saw Jian Yiling's face, Yu Xi burst into tears.

Words could not form in his mouth.

Too many things had happened in these two years.

In the last two years, his friends had suffered a great deal.

After a while, Yu Xi finally found his voice: "God Ling, when you see Master Sheng, no matter how he looks, please don't cry. If you cry, he won't be able to handle it."

Jian Yiling nodded her head.

Then, her eyes fell on the helicopter.

A while later, a wheelchair was pushed out.

A super skinny man appeared in Jian Yiling's line of sight.

Zhai Yunsheng lost a lot of weight. His looks were completely different.

Skin stuck to his bones and there was no blood on his face. It was as though he just walked out of a coffin.

There was an infusion bottle attached to his arm and various instruments connected to his body.

Although she promised Yu Xi not to cry, for the first time in her life, Jian Yiling cried like a child.

She was unable to suppress and hide her feelings. Her tears went rampant.

###

In Jin Jin's house.

The sunset could be seen through the window.

The last rays of sunlight shone on two people.

A man who was as thin as bone was seated by the window.

Jian Yiling sat on the edge of the bed and looked up at him.

The man also looked down at her.

The two of them just sat there silently. They didn't reach out to touch the other person. It was as though they feared the other person disappearing like a bubble.

As Jian Yiling looked at Zhai Yunsheng, her eyes were glistening red.

This man had been so handsome in the past. However now, he was frighteningly skinny.

Jian Yiling's hand gently grazed over Zhai Yunsheng's hand. As he was overly skinny, his bones appeared more prominent.

"I can cook. You will get better," Jian Yiling said to Zhai Yunsheng.

She had to make him get better!

However, Zhai Yunsheng did not reply. Instead, he stared at Jian Yiling.

Ever since they met, he did not say a single word. He merely looked at her.

"A Sheng, you will get better okay? Once you start eating, everything will be fine."

Jian Yiling held onto Zhai Yunsheng's hand. She felt the lines on his palm and felt his presence.

"A Sheng..."

Then, Zhai Yunsheng's hand reached out to touch Jian Yiling's scarred face...

"I'm alright. It's just injuries on the surface level. I'll be fine," Jian Yiling explained to Zhai Yunsheng.

Then, Zhai Yunsheng slowly withdrew his hand. Like before, he still did not speak.

"A Sheng, can you talk to me?" Jian Yiling begged.

From the time they met until now, Zhai Yunsheng did not say a single word.

This made Jian Yiling incredibly worried.

However, Zhai Yunsheng still did not open his mouth.

Yu Xi had told her that Zhai Yunsheng rarely spoke in the past two years. When he did speak, he always asked for news on Jian Yiling..

**Chapter 1126: Can't Look After Her**

At first, he would ask about Jian Yiling every single day. A while later, he would ask every few days. And then in the final half a year, he barely asked for news about Jian Yiling.

His hope gradually turned to despair.

And now that they finally met, Zhai Yunsheng no longer knew what to say to Jian Yiling.

After a while, Yu Xi entered the room with food.

Yu Xi said to Jian Yiling: "Master Sheng hasn't eaten much food in the past two years. He has been relying on infusions to replenish nutrition in his body."

As Yu Xi said this, he handed a bowl to Jian Yiling. There was savory steamed egg custard in the soup.

It was soft and easy to swallow.

Jian Yiling picked up a spoon to feed Zhai Yunsheng.

She lifted the spoon to Zhai Yunsheng's mouth.

However, Zhai Yunsheng did not open his lips.

"Eat a little, okay?"

However, Zhai Yunsheng did not open his lips to eat the food. Instead, he said: "You leave the room."

Although he finally spoke up, he was ordering Jian Yiling to leave the room.

Yu Xi was stunned to hear this: "Master Sheng, what are you doing? She's God Ling. She's the person you've been waiting for! You waited for her for two entire years!"

Yu Xi rushed forward and said: "Is it because her face is scratched? Do you not recognize her? It doesn't matter though. It's only scratches and minor injuries. It will get better. There won't be any scars! Do you remember the scratch on your arm? That scratch was much deeper than these cuts and yet, it didn't leave a scar, no?"

"Leave," Zhai Yunsheng repeated.

Even though there was little strength in his voice, it was evident that Zhai Yunsheng's attitude was very firm.

"Master Sheng... You..."

Yu Xi did not understand what was happening. Jian Yiling was finally back. She was the person Zhai Yunsheng had been waiting for all this time. So why was he insisting on getting Jian Yiling to leave the room?

What had happened?

Jian Yiling handed the bowl to Yu Xi. Then, she struggled to get onto her wheelchair before she pushed herself out of the room.

After Jian Yiling left, Yu Xi asked Zhai Yunsheng: "Master Sheng, what's wrong? She's Yiling! She's the girl you've been waiting for!"

"I can't look after her anymore," Zhai Yunsheng replied quietly.

He lowered his head to look at himself.

He knew what kind of condition he was in.

He knew how ugly he looked. He knew how useless he was. He knew these things very well.

He couldn't even look after himself. She had to look after him. She had to feed him.

"Master Sheng, don't say that. You will get better. As long as you eat well, your body will recover," Yu Xi hurriedly said.

"There's no use. This will happen again and again," Zhai Yunsheng said expressionlessly in a sullen voice.

"What do you mean by that? This was an accident. Who would have known that such a thing would have happened to God Ling's plane? You can't blame yourself for such a thing happening."

"If something happens to her, I won't be able to do anything."

Perhaps the accident was inevitable.

However, after the accident, normal people could do something for her. They could attempt to protect her.

And yet, he couldn't.

To make matters worse, he became a burden and liability to everyone.

"Master Sheng, don't think about it that way. We didn't manage to achieve anything either," Yu Xi comforted.

"I can't... I can't give her the happiness she deserves."

Yu Xi looked at Zhai Yunsheng's face. He could not see a slither of life in his eyes.

Even though Jian Yiling returned, Zhai Yunsheng was still stuck in the past two years. He was still focused on how useless his body was.

He hated his body. He hated how useless he was. And most of all, he hated being a burden to her.

"Master Sheng, you shouldn't think of it that way. It's been two years. You've finally got a chance to see her again. Don't think about those things."

"I'm going back to Beijing," Zhai Yunsheng replied. Yu Xi's words were unable to change Zhai Yunsheng's mind.

### **Chapter 1127: You Can't Stop Me**

Yu Xi: "Master Sheng, after you heard about the news, you rushed over immediately. You didn't even remove the tubes and medical equipment on your body. You know the state of your health and yet, you

decided to travel all this way to see her. You came all this way to see with your own eyes that she's still alive."

"Master Sheng, we all know how much you care about Yiling. Don't lie to yourself anymore. Yiling also cares about you! Regardless of what you become, you're still her most beloved A Sheng. This was the first time I've seen her cry like that after she became an adult. She cried like a child. If you really ditch her, how sad would she be when she learns about that?"

He clearly cared about her. He was even willing to risk his own life.

And yet, he wanted to go back to Beijing in less than an hour. Yu Xi refused to accept such an outcome. However, Zhai Yunsheng quietly looked outside the window. He did not reply to Yu Xi's words.

When Yu Xi saw this, he began to panic.

In the past, Zhai Yunsheng was proud, arrogant, and untamed.

And now, there wasn't even a shadow of his former self to be seen. Yu Xi knew that he could not change Zhai Yunsheng's mind. And thus, he turned around to leave the room. As soon as he left, he ran into Jian Yiling.

"Yiling."

Jian Yiling did not stray far away. Instead, she sat there in front of Jin Jin's house

When she saw Yu Xi leave, she asked: "Did he eat?"

"Yiling "When Yu Xi heard Jian Yiling's question, for some reason, he felt pain in his heart. "Yiling, he can't get over the hurdle in his heart... He can't accept himself."

"Mhmm," Jian Yiling replied. She was not upset. However, she knew that Zhai Yunsheng was definitely upset with himself.

"Yiling, he wants to go back to Beijing. He wants to go back by himself."

"Can I call Grandpa Zhai?" Jian Yiling asked.

"Yiling, what do you plan to do?"

"I want to ask Grandpa Zhai about his thoughts."

"Okay, you can call him."

Yu Xi handed his phone to Jian Yiling,

Typically, normal numbers were unable to contact Master Zhai. However, Yu Xi's phone was able to.

After the call went through, when Master Zhai heard Jian Yiling's voice, he began to cry even though he already knew that she was alive. No one knew what kind of heartache and pain this old man went through in the past two years.

Jian Yiling asked Master Zhai for the power to control Zhai Yunsheng's subordinates.

Without even asking for the reason why Master Zhai immediately said yes.

At first, Yu Xi was confused as to why Jian Yiling asked for such a thing

However, after a pause, he quickly understood why. Currently, Zhai Yunsheng was physically unable to leave by himself. If Jian Yiling had control over Zhai Yunsheng's subordinates, he would not be able to leave her easily.

After she finished calling Master Zhai, Jian Yiling pushed her wheelchair into Zhai Yunsheng's room. Even though Zhai Yunsheng noticed Jian Yiling's presence in the room, he did not say a single word to her. Jian Yiling moved herself over to Zhai Yunsheng and reached out for his belt.

In the past two years, he had been wearing hospital clothes. However, as he was traveling today, he got someone to change his clothes. He had worn these clothes two years ago. Back then, these clothes fitted Zhai Yunsheng perfectly. However, these clothes were now incredibly baggy on his body.

"What are you doing? Zhai Yunsheng asked Jian Yiling in surprise. "Doing what a girlfriend would do to her boyfriend."

"Stop!"

"You don't even have the energy to lift your own hand. You can't stop me."

### **Chapter 1128: A Sheng, You're Mine**

"Bodyguards!" Zhai Yunsheng shouted at the door.

However, no one entered the door.

"Lasked Grandpa Zhai for control over your subordinates. Your subordinates listen to me nowy," Jian Yiling said. Her eyes were focused on her hands.

"Yiling, don't do such a thing," Zhai Yunsheng said quietly. Pain emanated from his voice.

Then, Zhai Yunsheng closed his eyes. It was as though he was trying to ignore Jian Yiling's presence and trying to ignore her hand.

He didn't know what he was feeling.

"A Sheng, you're mine," Jian Yiling said in a soft yet firm voice.

Not long after, Zhai Yunsheng's breathing became unsteady.

The heart monitor also showed an accelerated heartbeat.

However, Jian Yiling did not seem too worried that his heart was beating faster than usual.

HH

'When Yu Xi entered the room with more food, he saw Jian Yiling washing her hands.

Although Zhai Yunsheng was still seated beside the window, his face was flushed with a bit of red.

“God Ling, you should eat something,” Yu Xi said to Jian Yiling.

‘When Jian Yiling picked up the chopsticks, Zhai Yunsheng said: “Let Yu Xi do it.”

“You’re my man. I can take care of you,” Jian Yiling replied with a frown on her face.

“You’re also injured.”

“It’s merely scratches on my skin and a crack in my thigh bone. It doesn’t affect me using my hands”

Using reason against Jian Yiling was almost impossible.

“Open your mouth and eat,” Jian Yiling ordered.

And thus, Zhai Yunsheng had no choice but to obediently open his mouth and eat the food that Jian Yiling fed him.

However, after a few mouthfuls, Zhai Yunsheng no longer wanted to eat.

“I don’t want to eat anymore.”

After a long time of barely eating, Zhai Yunsheng could not eat a lot of food at once.

‘When she heard this, Jian Yiling paused for a moment. Then, she put a spoonful of porridge into her mouth.

As Zhai Yunsheng assumed that Jian Yiling was going to eat the rest of his porridge, she suddenly got closer to him and kissed him. Then, she slipped the porridge into his mouth.

Currently, Yu Xi was still in the room. When he saw this, he hurriedly turned away.

With a flushed face, Yu Xi couldn’t help but think that God Ling had become way more direct in the past two years!

## **Chapter 1129: I’m Sorry Master Sheng**

**Translator:** Exodus Tales**Editor:** Exodus Tales

Originally, Master Sheng only ate half the bowl of porridge. However, after being fed like this, he finished the entire bowl of porridge and most of the vegetable dishes.

Then, Jian Yiling asked Yu Xi to bring Zhai Yunsheng a bunch of vitamins.

After that, Jian Yiling asked Yu Xi to bring over some hot water. She wanted to rub Zhai Yunsheng’s back and change his clothes.

“No need,” Zhai Yunsheng refused.

He did not want to let Jian Yiling have intimate contact with himself again.

He did not want her to see his skinny and ugly body.

“Brother Yu Xi, go and get the hot water,” Jian Yiling requested. She completely ignored Zhai Yunsheng’s words.

“Don’t go!” Zhai Yunsheng ordered.

“You guys...” Yu Xi stuttered. He did not know who to listen to.

“Go, Brother Yu Xi!” Jian Yiling repeated once again.

Yu Xi took a deep breath and said to Zhai Yunsheng: “Master Sheng, I’m sorry about this! You can bet me up after you get well! However, I must listen to God Ling today!”

He wasn’t doing this because Jian Yiling called him ‘Brother Yu Xi’. Rather, it was because he wanted Master Sheng to recover as soon as possible.

He was willing to make a few sacrifices.

Yu Xi turned around to follow Jian Yiling’s instructions.

And thus, the last person who took orders from Zhai Yunsheng turned against him to listen to Jian Yiling. Zhai Yunsheng was now utterly and completely isolated.

If he didn’t hurry to get well, he would continue to be at the mercy of Jian Yiling.

HEHE

‘As Yu Xi walked out of the door, he couldn’t help but think God Ling not only grew in age but also courage!

‘When he reached the door, he ran into Jin Jin who just returned.

“Hello, Miss Jin! I haven’t gotten the opportunity to properly thank you yet!” Yu Xi exclaimed. “You saved God Ling and also vacated your house for us!”

As they did not want Zhai Yunsheng to go through another bumpy ride, they decided to choose Jin Jin’s house to live in.

Although Jin Jin’s house was simple, it was quite comfy.

“You’re welcome,” Jin Jin replied. She didn’t really mind. The two people in her house were in wheelchairs right now. She was just making it easier for the two patients. It wasn’t a big deal.

“Did you grow this vegetable garden all by yourself? Isn’t it hard work?”

“Nah, I don’t feel like it’s hard work. In fact, I kind of enjoy it. I feel a sense of accomplishment watching the vegetables and fruits I grow blossom and bear fruit.”

Then, Jin Jin and Yu Xi chatted for a while.

Jin Jin enjoyed talking about her garden.

“What did you do before this?” Yu Xi asked out of curiosity.

“I was a programmer who focused on software development,” Jin Jin replied.

“For real?” Yu Xi exclaimed. He took another look at Jin Jin before he commented: “You’re a female programmer?”

Originally, he assumed that female programmers would look particularly manly. And thus, he did not expect the girl in front of him to be a programmer.

“Mhmm, I studied computer science during university and worked at an IT company to write Java after I graduated.”

After Jin Jin graduated from university, she worked at an IT start-up. The company went public a few years ago and Jin Jin managed to get a lot of money from that. She managed to pay back the kind-hearted individuals who funded her studies and then decided to live in the countryside to grow her own vegetables and plants.

“You’re amazing!” Yu Xi exclaimed. He had a lot of respect for the girl in front of him. “I will live with the others in the caravan. If you need anything from us, feel free to tell us.”

As there was limited space inside of Jin Jin’s house, everyone decided to give the empty room to Zhai Yunsheng and Jian Yiling. The rest of them lived in the caravan An Yang brought along.

“Mhmm, alright,” Jin Jin. She had quite a good impression of Jian Yiling’s friends. Although it was apparent that these people were born from a good family, they were very polite, poised, and low-key..

### **Chapter 1130: Found a Way to Save Him**

Eventually, Yu Xi brought over the hot water, clean towels, and change of clothes that Jian Yiling wanted.

“Yu Xi, you do it,” Zhai Yunsheng ordered in a cold voice.

“Master Sheng, I’m sorry!” Yu Xi said as he quickly put down the items and fled out of the room like his life depended on it.

Not only did Yu Xi run fast, but he also remembered to close the door of the room as he left.

When Zhai Yunsheng saw Jian Yiling holding the towel, he closed his eyes in pain.

It was as though what was going to happen next was a matter of immense shame for him.

If it was two years ago, he would not mind letting Jian Yiling see his body.

However, his body was now thin and unpleasant to look at.

Jian Yiling’s actions were very slow and gentle. It seemed like she was afraid of hurting him with her movements.

She treated him very carefully as though she was handling a precious piece of porcelain.

‘When the hot towel came into contact with Zhai Yunsheng’s back, Zhai Yunsheng’s body shivered slightly.

He did not see Jian Yiling shedding tears as she rubbed down his back.

In the past, Jian Yiling would not typically cry.

However, whenever she looked at Zhai Yunsheng's body, for some reason, tears would spring out of her eyes.

It turned out that she was really the crybaby that Brother Yumin said she once was. It was just that she hadn't met people and things that could make her cry before this.

HHH

In the night, Jian Yunmo and Li Zhuojia arrived together.

Along with them, Wen Yan was also there.

To everyone's surprise, Wen Yan who had been seated in a wheelchair two years ago could already walk. However, he still needed the support of a walking cane.

In contrast, Zhai Yunsheng and Jian Yiling were now the ones in wheelchairs.

On the way here, Jian Yunmo tidied himself up. He did not want Jian Yiling to see his previous state.

However, he still looked much thinner than before.

'When Jian Yunmo saw Jian Yiling, he stared at her for a moment.

Then, he embraced her into his arms for a long time.

"I'm sorry Brother Yunmo."

"Don't be silly. You don't need to apologize to me. I know that these two years would have been incredibly difficult for you. You would have tried your best to return to us. Whilst we were waiting for you to come back, you would have missed us as well."

Jian Yunmo did not know what had happened to Jian Yiling in the past two years. He did not know why she had disappeared for so long. However, Jian Yunmo knew that his sister must have encountered something that prevented her from coming back home.

"Brother Yunmo..."

"The fact that you're okay is the best gift to me."

There were no words to describe the joy he felt right now.

"Brother Yunmo, I need your help," Jian Yiling said. She could catch up with him later, "I found a way to save A Sheng. I need you guys to help me."

In Jian Yiling's heart, there was nothing more important to her than Zhai Yunsheng's health.

Zhai Yunsheng's life was more important than being overjoyed in reuniting with her family.

"Now that you're back, he has the courage to continue living," Jian Yunmo said.

"Mhmm, but when his heart encounters negative emotions, problems will arise."

"Did you find out what's wrong with his heart?"

“Mhmm, Originally, we assumed that his heart’s structure prevented him from withstanding a rapid heartbeat and emotional excitement. However, this isn’t the case. Rather, as long as he isn’t experiencing negative emotions, even if he’s running or fighting, his heart can beat normally. Those actions are

not dangerous for him. And thus, his heart isn’t different from everyone else’s in terms of its ability to withstand a faster heartbeat. It’s just that there’s something else that it can’t handle.”

“Then what did you discover?”
