

## Sidekick 241

### Chapter 241: Comparing Mo Shiyun and Jian Yiling (1)

Mo Shiyun was convinced by Zhu Sha's words.

Zhu Sha's words had touched Mo Shiyun. In the end, she wasn't making up anything. The photo was 'just the truth'.

Zhu Sha was right. Even if the photo was posted, it was just a photo. And they hadn't even photoshopped the photo.

And with this psychological comfort, Mo Shiyun did a thing that she wouldn't have ever done before.

She sent the photo to Zhu Sha.

Immediately after Zhu Sha received the photo, she logged onto the campus forum and started to write a post.

###

When Jian Yiling returned to school, she didn't know that the meeting between her and Qin Chuan had gotten misunderstood by the rest of her peers.

Instead, she was concentrating on the large number of remaining tasks that she had to do.

Although she had completed Jian Yunnao's surgery, she still had Qin Chuan's mother's case to worry about. Furthermore, she had to deal with Master Liang's request.

At the same time, she had just started the clinical trials for her scar removal cream.

Due to this reason, Jian Yiling spent the majority of her time during class on various parts of her work. She didn't have the time to worry about what others thought of her.

"Yiling, look at the forum! Someone is posting something related to you again!"

Hu Jiaojiao started to protest for Jian Yiling's sake. Whilst her deskmate was busy doing her own things, people around her were criticizing and reproaching her. This was unfair and unjust!

Ever since Jian Yunnao's incident, it seemed as though most people treated Jian Yiling like a monster or demon.

Even after Jian Yunnao's incident had been cleared up, there were still people who held onto it. They desperately wanted to prove that they were right.

Jian Yiling glanced at the posts on the forum.

The first one was related to Mo Shiyun.

[Goddess of Shenghua Receives Yet Another Physics Competition Award. Reviewing her Academic & Extracurricular Achievements in the Past Few Years.]

The content of the post was about Mo Shiyun's outstanding academic achievements in her three years of senior high.

Not only were Mo Shiyun's examination scores top tier, but she had also won prizes and awards in various competitions.

With the exception of the last chemistry competition, Mo Shiyun's name was on the awards list for almost every other competition. This included chemistry, biology, and even essay writing.

In addition, Mo Shiyun had won awards in the high jump and long jump at the school's sports competition. She had also won an award for embroidery.

The person who had written the post had summarized Mo Shiyun with one sentence. Mo Shiyun was an all-rounded individual who was the epitome of perfection.

Under the post, there were many comments that praised Mo Shiyun.

Although Mo Shiyun's father, He Jianjun, had caused trouble at the school, everyone felt that this made Mo Shiyun's achievements even more commendable and remarkable. It was amazing for a person who had such a father to get such excellent grades and achievements.

Mo Shiyun was the role model for students that were not from a good family background.

However, the other post was about Jian Yiling. The title of the post was:

[Even Without Jian Yunnao, Jian Yiling is Still the Disgrace of Shenghua High School.]

After opening the post, there was Jian Yiling's photo attached to the post. She was sitting in a cafe with Qin Chuan. It appeared as though they were chatting. Furthermore, the photo gave the impression that the two of them were very close.

Most of the students at Shenghua High School remembered Qin Chuan's face. He had recently come to the school to give a lecture. Back then, it caused quite a commotion. Due to this reason, most of the students knew that he was not related to Jian Yiling by blood.

However, the photo by itself wasn't bad.

It was the words that described the photo.

The words said that Jian Yiling had used her family's wealth and connections to establish a relationship with Qin Chuan. It explained in detail how the two had met and how the relationship between the two had developed.

In the description, Jian Yiling was the spoiled daughter of a wealthy family who wanted to provide for a pretty boy.

On the other hand, Qin Chuan was a young man who sacrificed his looks to further his career.

And because Jian Yiling was still young, this description made her seem like a despicable and shameless human being.

## **Chapter 242: Comparing Mo Shiyun and Jian Yiling (2)**

Hu Jiaojiao glanced at the description of the post again. She was incredibly annoyed as she said, "What kind of person is this? Why are they expressing it as though they have experienced it personally?!"

Jian Yiling was still reading the contents of the post. She didn't want to get too involved with Qin Chuan.

The contents of the post was not something that she wanted to see.

At this moment, Wang Xiangchong walked over. He had also seen the content of the posts.

"All of this doesn't seem too bad until you compare the two people. There are some individuals who are perfect in every single way. They're talented, look pretty, and have good grades. On the other hand, there are individuals who can't do anything. They're good for nothing. The only thing that they do is show off their family background every single day. Although they're still young, they waste their days on chasing celebrities and dating."

When the two posts were put together, they provided a stark contrast.

Mo Shiyun was a role model for everyone.

On the other hand, Jian Yiling was undoubtedly a negative example.

Hu Jiaojiao quickly retorted in exasperation, "Wang Xiangchong! Don't forget that Yiling just won first place in the chemistry competition! Don't have selective amnesia!"

"Well, I've heard that the winner of the competition gets to meet a very important person. I wonder if someone's family bought an 'admission ticket' for their daughter?"

Wang Xiangchong didn't name names. He preferred to make his sentences ambiguous. If he was ambiguous, no one could find a fault with what he said.

Jian Yiling turned her head to look at Wang Xiangchong. In an icy tone, she said, "Mind your own business."

Her voice was naturally soft. However, the look in her eyes was fierce and savage.

"Woah? Is this a threat? Are you trying to take advantage of your position in society and bully me?" Wang Xiangchong ridiculed. His voice was filled with distaste and disgust.

However, Jian Yiling didn't pay any more attention to him.

When the bell rang, Wang Xiangchong had no choice but to return to his seat.

However, on the campus forum, there were quite a few people who had similar opinions to Wang Xiangchong.

Mo Shiyun was undoubtedly the goddess of Shenghua High School. During these three years, she had built up a good reputation and a fair bit of popularity.

However, this was of no surprise to Jian Yiling. Mo Shiyun had been portrayed this way in the original novel.

However, Jian Yiling didn't want to get involved with Mo Shiyun and Qin Chuan.

Yet, the two posts on the school forum had placed the three of them in the spotlight. They were being discussed, side by side.

Jian Yiling scrolled through her contact list. She clicked on a name and told them that she wanted to delete the post about her on the campus forum.

Simultaneously, Jian Yuncheng also saw the post about Jian Yiling.

After being verbally attacked by Zhai Yunsheng, Jian Yuncheng had begun to pay attention to the campus forum of Shenghua High School.

He recognized the man in the photo. It was Qin Chuan.

However, even though he recognized the man, Jian Yuncheng frowned. Qin Chuan had stopped tutoring Jian Yiling already. Then, why were the two of them meeting in a cafe?

However, that wasn't the important point. The important point was the description in the post. The description had deliberately slandered Jian Yiling's name.

Jian Yuncheng picked up his phone to make an international call to Huo Yu.

As soon as the call was connected, Huo Yu spoke up first, "Yuncheng, I know why you're calling me. It's about the post regarding Yiling right? I just saw it! I've been monitoring the words 'Jian Yiling' ever since you told me to pay attention to it last time. As soon as information related to that name appears on the Internet, my system will alert me."

The system that Huo Yu had set up automatically retrieved information about Jian Yiling off the Internet. However, before the system alerted him, the information would get filtered and screened to determine what was relevant and what wasn't.

The system he created was the reason why he was the first to know about the offer that was related to Jian Yiling that appeared on the dark web.

### **Chapter 243: Deleting Posts Until the Forum Collapses**

Huo Yu spoke very fast. While he spoke, Jian Yuncheng could hear the sound of rapid typing on the keyboard through the phone call.

"Then why don't you do something about it?" Jian Yuncheng asked in an impatient tone.

"Hey, are you complaining that I'm not efficient?"

"Yeah, I am. Aren't you the one who told me that the security level of the campus forum of Shenghua High School was low?"

"Yeah, that's true! I can get it done for you immediately! However, why is there another code monkey here? Who is this genius that's fighting with me right now?"

"Who did you meet?"

“Ummm, in other words, I ran into another hacker when I was tampering with your sister’s post. And now, we’re at war!”

This was why Huo Yu was incredibly busy right now. His fingers were flying across his keyboard.

Upon hearing this, Jian Yuncheng decided not to push him. Thus, he waited patiently for five minutes. Five minutes later, he heard Huo Yu cry out.

“What? Oh my god!”

“Did you lose?”

“Yuncheng, can you not doubt me like this?”

“Then, did you win?”

“Um... Not really...”

“Then why are you yelling?”

“Well... Neither of us won or lost. However, we made the campus forum collapse...”

Upon hearing this, Jian Yuncheng told Huo Yu in a serious tone, “You have an hour to fix it.”

“Wait, no... Yuncheng, I don’t think it’s a big deal right? If the campus forum is down, no one will see your sister’s post anyway...”

“Stop talking. Get to work.”

“Ah... Fine.” Huo Yu begrudgingly agreed. However, in his heart, he cursed Jian Yuncheng. Why was this person like this? Work work work. That was all that he thought about!

Jian Yuncheng was just ruthlessly exploiting an outstanding employee like him!

It was inhumane!

Behind Jian Yuncheng’s back, Huo Yu cursed at him. He hoped that man would never get married.

However, in the end, Huo Yu managed to delete the post. Furthermore, he made sure that the person who posted the forum post could no longer create posts.

###

Before the campus forum collapsed, Qiu Yuzhen had seen the contents of the posts.

Lately, she was having a hard time. She didn’t go to school anymore. She didn’t even leave the house.

Although Qiu Liyao forbade the news from spreading in the school, that didn’t change the fact that she had a lawsuit against her.

And thus, she had to stay at home. Whilst she was at home, she saw the latest posts on the campus forum. However, her thoughts were completely different from those of other students.

As soon as she saw Mo Shiyun’s post, the only thing that she could think of was to ask for help.

Qiu Yizhen immediately called Mo Shiyun, "Shiyun, please help me."

"How do you want me to help you?"

Even though discussing the recent events that had happened at the Qiu Residence was banned at school, Mo Shiyun had heard quite a bit regarding the matter.

"Could you lend me some money?"

After her incident, all her former friends had left her. They use to be close to her.

As a result, she couldn't even ask any of them for help.

And thus, she couldn't rely on anyone else. The only person that she could ask for help from was Mo Shiyun.

In Qiu Yizhen's heart, she thought that Mo Shiyun was different from the others.

"Sister Qiu, you know that you can ask me to do anything else... But when it comes to money, I really can't help you with that."

Mo Shiyun's situation didn't allow her to lend money to Qiu Yizhen.

"Wait, but didn't you just win another prize in the physics competition?"

Qiu Yizhen had just read about it in a post.

"Yeah, but the prize money is only two thousand dollars..."

Typically, the prize money from a high school competition was not very high. Two to three thousand dollars was already a decent amount.

The previous chemistry competition was an exception from this.

"Two thousand dollars is fine."

Qiu Yizhen's father had frozen all of her credit cards. She didn't have any money on her. Thus, two thousand dollars was better than nothing.

However, Mo Shiyun hesitated. Their family had a lawsuit coming up as well. Therefore, she needed the money for a lot of things.

#### **Chapter 244: Master Sheng Becomes a Member of the Board (1)**

Mo Shiyun also knew that if she lent the money to Qiu Yizhen right now, she probably wouldn't be able to get it back in a short period of time.

And thus, Mo Shiyun hesitated before responding.

"Shiyun?" Qiu Yizhen asked. She was still waiting on the other end of the line for Mo Shiyun's response.

Mo Shiyun sounded quite awkward as she said, "Sister Qiu, you know that I'm in a lot of trouble right now. I really need the money. Furthermore, I only have two thousand dollars. It wouldn't be of much help to you. However, if you need my help in any other way, I will definitely help you."

Qiu Yizhen was quite disappointed when she heard Mo Shiyun's response. However, she knew that she couldn't blame Mo Shiyun.

She knew that Mo Shiyun had her own difficulties and problems to deal with.

However, upon hearing the response, she was still sad.

Qiu Yizhen assumed that the Mo family's lawsuit wouldn't be filed right away. And furthermore, she just wanted to borrow the money for a few days only.

###

Jian Yiling was called to the office by the Head of Teaching.

"Jian Yiling, what's wrong with you? Do you know how old you are? And you're dating already? Do you not know that dating will affect your studies? It will also damage the school's reputation at the same time!"

Teacher Li got angry as soon as he saw Jian Yiling.

Shenghua High School already had enough trouble to deal with recently. There was already a scandal with the school's chairman. The Board members had held several major meetings to deal with these matters. They already had to deal with public relations and lawsuits.

And now, Jian Yiling was still trying to make matters worse for them? Why was she still trying to cause trouble for the school?

No wonder Qin Chuan kept defending Jian Yiling last time! Back then, he knew that something was fishy!

"Why don't you learn from Mo Shiyun? She's also a student from Shenghua High School. Why is there such a big difference between you two?"

After the last chemistry competition, the Head of Teaching had paid special attention to Jian Yiling's grades.

However, he found out that her homework and papers still had many incorrect answers. Chemistry was not an exception from this.

And thus, the Head of Teaching was convinced that Jian Yiling had cheated in the chemistry competition. Jian Yiling's award was just a show put on by the rich and powerful.

The head of the Yao Li Chemistry and Advanced Materials Research Institution was also from a rich and powerful family. As a result, he was likely to not be a serious academic either.

As the Head of Teaching was in the middle of his speech, his office door suddenly opened.

The Head of Teaching glanced at the door. He saw a striking-looking young man walk through the door. He was followed by a group of men in suits.

“Who are you? This is the school. This is my office. How can you barge in without saying a word? Where are the security guards?”

Zhai Yunsheng didn't say anything. Instead, he walked over and sat down in the Head of Teaching's chair.

His actions were slow and arrogant.

At the same time, his eyes fell on Jian Yiling. Jian Yiling was standing in front of him. As he looked at her, he started to unconsciously frown.

“Who the hell are you? I'll call the security guards right now!”

Just as the Head of Teaching was about to step forward, he was stopped by Zhai Yunsheng's bodyguards.

“Do you guys disregard the law of something?” the Head of Teaching said as he pulled out his phone. He was ready to call the police.

Yu Xi had come into the room late. He quickly explained the situation to the Head of Teaching, “Don't shout anymore. Master Sheng just became a member of the Board at Shenghua High School.”

Because of the incident with Qiu Liyao and Qiu Yizhen, Shenghua High School was in a crisis. Many of their shareholders wanted to sell or transfer their shares.

And this, Zhai Yunsheng had taken the opportunity to buy a large number of the Shenghua High School shares. By doing so, Master Sheng had become a shareholder of Shenghua High School. Then, at a meeting, the Board had agreed for him to join as a member.

The Board saw Master Sheng as a savior.

Having Master Sheng as a shareholder would bring them a lot of benefits.

A man leaning against a big tree can enjoy the shade that it provides.

The Head of Teaching who was just about to make a phone call immediately stopped in his tracks.

## **Chapter 245: Master Sheng Becomes a Member of the Board (2)**

Following this, a member of the Board walked through the door. This person was familiar to the Head of Teaching.

He was a middle-aged man with an ordinary appearance.

After a brief introduction, the Head of Teaching completely accepted the fact that Zhai Yunsheng had become a member of the Board at their school.

The Head of Teaching completely changed his attitude. He smiled kindly at Zhai Yunsheng before he spoke:

“Oh, it’s Director Zhai. Apologies for my actions earlier on. I assumed that you were here to cause trouble. I failed to recognize who you were. I must be stupid!”

Zhai Yunsheng completely ignored the Head of Teaching.

Instead, he looked at Jian Yiling before asking, “Were you reprimanding her just now?”

“Yes. This girl is a student at our school. Her actions are not proper and she does things that are not good for her. She’s also damaging the reputation of the school.”

The Head of Teaching didn’t think much of his words. The only thing that he was thinking about was how to protect the school’s reputation. He spoke as though he cared about the student’s future.

“Not proper,” Zhai Yunsheng mused as he repeated the Head of Teaching’s comment. “That’s quite nice of you to say. You’re giving a young girl who is only fifteen years old such a comment.”

The smile on Zhai Yunsheng’s face gradually diminished. His eyes grew cold.

When Yu Xi saw Zhai Yunsheng’s eyes, he couldn’t help the chill that went down his spine.

However, Yu Xi wasn’t at all sympathetic for the Head of Teaching.

He didn’t know much about other things. But such a comment of ‘not proper’ had already given him a bad impression of the Head of Teaching.

It was fine for the Head of Teaching to care for the school’s reputation. Furthermore, it was fair for him to criticize and reprimand problematic students.

However, that was if he had the evidence to back his words up.

The only so-called evidence that he had was a photo and a ‘vivid and colorful’ description. He had drawn his conclusion off a post on the school forum.

And thus, he had decided to accuse Jian Yiling just because he had a bad impression of her. He had decided to convict a student without any evidence. He hadn’t even given her the benefit of the doubt.

It was ridiculous to think about.

Zhai Yunsheng glanced at the man who had just walked in. “Fire the Head of Teaching.”

The man’s attitude towards Zhai Yunsheng was exceptionally respectful, “This decision has to be made at a Board meeting. However, it most likely can be done.”

Master Sheng was not an ordinary member of the Board. If he wanted to fire the Head of Teaching, most of the other Board members would agree to this.

“Then go and prepare for the meeting,” Zhai Yunsheng said. He wasn’t bothered to say anything else.

“Yes, yes. I’ll arrange for it as soon as possible,” the man said. Then, he turned around to tell the Head of Teaching, “For now, you’re suspended from your duties. Please wait for the Board’s announcement.”

The Head of Teaching was quite confused at the series of events that had happened before him, "Wait, why? What's going on? I... Did I do something wrong? Was it because I didn't recognize Master Sheng as a member of the Board? Is that why? I don't think there's anything wrong with how I acted just now!"

The Head of Teaching started to argue. He didn't want to accept the arrangements that had been made.

He didn't feel like he did anything wrong. Although he sensed Zhai Yunsheng's fierce anger, he still desperately tried to defend himself.

"Why did Shenghua High School hire a deaf and blind person to be the Head of Teaching?" Zhai Yunsheng asked. His voice was filled with sarcasm.

"Who are you calling deaf and blind?!" The Head of Teaching had never been insulted in such a way before.

Zhai Yunsheng pointed at Jian Yiling who was still standing in front of him. "You're calling such a baby girl not proper. You must be blind to say that."

Jian Yiling frowned when she heard Zhai Yunsheng call her a baby girl. She spoke up in a quiet voice, "I'm not a baby girl."

However, her retort had gotten ignored by Zhai Yunsheng.

Following this, Zhai Yunsheng pointed at the other member of the Board. "Tell the security guards to remove this man from the school. He doesn't belong here."

The member of the Board quickly did what he was told.

When the security guards came in, the Head of Teaching was dumbfounded.

Not long ago, he was the Head of Teaching. Back then, he was the one asking someone else to leave.

And now, he was the one who was being asked to leave.

### **Chapter 246: Jian Yunnao Discovers the Truth (1)**

In the past few days, Jian Yunnao spent the majority of his time doing rehabilitation exercises and taking medication. However, he was also quite busy with the remainder of his time as well.

For one, he wanted to catch up on his studies. He had fallen behind on his workload during the time he was sick.

Secondly, he finally started to have a life of his own. Nowadays, he enjoyed spending his time on entertainment. Previously, he had been just killing off time.

Lately, he was in quite a good mood.

He could finally move his hand again. When he saw that his fingers were becoming much more flexible than before, the smile on his face grew gradually.

However, if there was to be anything that made him feel uncomfortable during this period of recovery, there would only be two things.

The first was the bitter Chinese medicine that the doctors asked him to drink every day. The medicine made him feel sick to his stomach.

The taste made Jian Yunnao shiver and feel like vomiting every time he drank it.

However, the doctors and staff at the research institution had insisted that the medication was necessary to help the nerves in his hand get better.

And thus, in order for his hand to heal properly, Jian Yunnao was willing to endure the suffering.

The second thing was the feeling of loss in his heart. Whenever he thought about Jian Yiling, he felt his heart grip itself...

Jian Yunnao reached for his phone and opened the Shenghua High School campus forum app.

This was the first time that he opened their school's campus forum in more than two months.

He planned to return to school in a few days. Thus, he wanted to check out the latest news that was happening at school.

However, as soon as he opened the app, the first thing that he saw was Jian Yiling's name.

Furthermore, the title of the post was also very eye-catching.

[Jian Yiling was Unjustly Accused. The Truth Behind Jian Yunnao's Injury. Surveillance Video of the Incident made Public.]

The title of the post immediately jabbed at Jian Yunnao's heart.

The truth behind his injury?

What was the truth?

There was a strange feeling that started to stir in Jian Yunnao's heart.

He didn't know what the contents of the post were.

However, he had a hunch that the contents of the post would probably have a great impact on him.

After hesitating for a while, Jian Yunnao slowly clicked on the post.

The first thing that he saw after clicking on the post was a video.

Jian Yunnao instantly recognized the scene of the video.

Furthermore, he was incredibly familiar with the two people in the video as well.

This was where the disaster had happened.

However, this was the first time that he had seen the incident since it had happened.

And thus, did it mean that this video had recorded everything?

Was that it?

Jian Yunnao began to feel a buzz in his head.

He gazed at the paused video for quite some time.

Then, he finally summoned his courage and clicked on the play button.

The video started to play. At the start of the video, the two of them had been arguing. Both of them had been shouting at each other and had incredibly agitated expressions on their face.

Although there was no sound in the video, Jian Yunnao acutely remembered the details of the argument.

“Jian Yunnao! Immediately cut off contact with the maid named Mo Shiyun! I don’t care about anything else! I don’t want you to be so close to her! She’s just a maid in our house!”

Back then, Jian Yiling had been furious. Instead of calling him third brother, she had yelled out his full name instead.

“Yiling, don’t call her a maid okay? Shiyun’s mother, Aunt Mo is a maid. However, Shiyun isn’t a maid!”

“Why isn’t she a maid? She lives at our house. All her expenses are covered by our house as well. She’s evidently a maid! And yet she’s trying to seduce you! Isn’t that her fault? I don’t care! I forbid you to get close to her again!”

“Why are you being ridiculous? You’re making a fool of yourself! Has she ever done anything to hurt you? Yiling, why are you always upset at her? And furthermore, why are you restricting my freedom to make friends? It’s my choice on who to make friends with!”

## **Chapter 247: Jian Yunnao Discovers the Truth (2)**

As time passed, the argument between Jian Yiling and Jian Yunnao got more and more intense.

“You’re my brother! Of course, you have to listen to me! Who’s more important to you? Me or her?”

“How can this be compared? You’re my sister and she’s my friend! I can’t choose between the two of you! And furthermore, I can’t live my whole life without making friends of the opposite gender! You can’t be so unreasonable.”

“Well, I don’t agree with this! And now you’re yelling at me because of her! She’s just a hussy! The only thing that she does is seduce men! I don’t want her to stay in the house anymore! I’m going to tell Grandma to kick them out!”

“Jian Yiling, don’t you dare! Don’t you dare do something stupid like that” Jian Yunnao cried out. He immediately grabbed onto Jian Yiling before he continued to speak, “This job is incredibly important to Shiyun and her family! You can’t just ruin their family because you’re upset!”

“What am I ruining? I’m Jian Yiling! The daughter of the Jian family! Why can’t I fire a maid that I don’t like? I just don’t feel sorry for her! I don’t want to sympathize with her! I just don’t like the look of her! Furthermore, if you still recognize me as your sister, you should immediately cut off contact with her! Otherwise, I won’t be your sister anymore! Just go and live with that maid for the rest of your life!”

Jian Yiling was very agitated as she argued with Jian Yunnao. Her entire face was flushed red with anger.

The video carried on playing the scene as more memories surfaced in Jian Yunnao's mind.

He remembered what they had argued about. However, in the period after the incident, he had been too upset to remember the details.

Finally, the scene came to the most important moment of the video.

He had stepped backward onto nothing and rolled down the stairs.

“Bang——”

There was no sound in the surveillance video. However, the loud bang echoed through Jian Yunnao's mind.

The loud crash was accompanied by the sound of breaking glass.

It was followed by a sharp pain in his hand...

“Ahhhhh——”

Jian Yiling screamed when she saw the scene in front of her. Her scream was filled with fear.

She had been scared out of her wits.

And then she cowered on the spot. She was at a loss of what to do.

After that scene, the video was repeated.

Jian Yunnao felt that his heart had been lifted up high before it had gotten slammed down again.

The shock was too great for Jian Yunnao's brain to handle.

He was completely stunned as his eyes stared at the screen. It was as though he had been petrified.

There was no one else in the room. He was by himself.

And thus, he sat there along for a long, long time. He kept staring at the screen in front of him.

It was only after the video had been repeated two more times that he finally reacted.

Before he knew it, there were tears that streamed down his cheeks.

His sister hadn't pushed him.

He had been the one who had stepped back onto nothing. He had fallen on his own!

They had been arguing. Pushing, pulling, and fighting.

But in the final scene of the video, he had been too agitated to notice his surroundings. It had been completely his fault.

Then... Then that meant...

His thoughts immediately flashed to the things that he had said before. He had yelled at Jian Yiling, verbally abused her, and even thrown a lunch box at her face.

All of a sudden, Jian Yunnao felt as though someone had grabbed him by the throat.

It was difficult for him to breathe. It felt as though all the air in his lungs had been drained out.

Yiling... His sister... What had he done?

What had he done to his dearest sister?!

###

Jian Yunnao wanted to meet Jian Yiling.

He really really wanted to see her.

However, he didn't know how to face her. He didn't know what to say to her after he met her.

But he knew that he had to go and see her.

And thus, Jian Yunnao decided to call Jian Yuncheng.

As soon as the call came through, Jian Yuncheng heard Jian Yunnao's trembling voice:

"Brother, I... I want to see Yiling..."

#### **Chapter 248: Want to See Yiling**

Upon hearing Jian Yunnao's trembling voice, Jian Yuncheng could guess that Jian Yunnao had seen the video already.

"Have you thought about it?"

The truth had definitely caused a big shock to Jian Yunnao.

As a result, Jian Yunnao needed to be mentally and physically prepared if he were to go and see Jian Yiling. He needed to know what he had to face when he met his sister.

"I thought about it already."

"I'll bring you to the Old Jian Residence tonight then."

Jian Yunnao could go outside whenever he wanted. Going outside didn't affect his rehabilitation.

And thus, later at night, Jian Shuxing, Wen Nuan, Jian Yuncheng, and Jian Yunnao arrived at the Old Jian Residence. The four of them had all arrived together.

However, upon arriving, they heard from Grandma Jian that Jian Yiling had gone out with Jian Yujie and Yu Xi today.

After they asked a few more questions, the four of them figured out that today was the date of Jupiter's concert at Hengyuan City. As a result, Jian Yiling and the rest of them had gone to attend the concert.

Grandma Jian had also added that Jian Yiling was likely to not be back home until midnight.

Upon hearing these words, the four of them looked incredibly disappointed.

Jian Yunnao appeared to be especially disappointed. He hung his head down from the moment he walked in the door. He didn't dare to look at Grandma Jian.

Jian Shuxing frowned. Why was Yiling staying out so late?

However, before he voiced his thoughts, he quickly swallowed back his words.

He knew that if he said this, Grandma Jian would scold him. And if his mother scolded him, there was no room for rebuttal.

Furthermore, they had no right to interfere with their daughter's affairs anymore.

If Grandma Jian agreed to Jian Yiling going outside, they had no right to say anything.

Despite this, Jian Yuncheng immediately took out his phone to make a call. He wanted to ask someone to buy Jupiter concert tickets for him.

However, Grandma Jian spoke up once again. "Don't even think about it. My darling got tickets from Yumin. They're different from the ones that you can buy. And thus, even if you buy tickets, you won't be able to see her."

Grandma Jian wasn't sympathetic to their situation at all. They had done this to themselves.

However, Jian Yuncheng still got someone to buy the tickets for him anyway.

His reply to Grandma Jian was, "Well, I wanted to see Jian Yumin's performance in the first place."

Grandma Jian felt like laughing. Who was he lying to? Jian Yuncheng wants to go to a concert? Since when was he interested in pop music? He listened to pop music less than her! What a liar!

However, Grandma Jian was kind enough to not tear down his lie. She decided to give him a break.

A while later, Jian Yuncheng managed to purchase tickets for the concert.

Jian Yunnao also wanted to attend the concert.

However, Jian Yuncheng disagreed with this, "Concerts are very crowded. You shouldn't attend such an event with the state of your hand right now."

It had taken quite some effort to get Jian Yunnao's hand to recover. Jian Yuncheng was afraid that Jian Yunnao would accidentally reinjure his hand in the crowd of people. If that did happen, then it'd be too late for him to regret it.

Upon hearing this, Jian Yunnao hesitated for a moment. Then he insisted, "I'll go with you. However, I'll wait in the car."

Jian Yunnao decided to not enter the venue. However, he was willing to wait until the event was finished.

The reason for Jian Yunnao's insistence stemmed from his overwhelming remorse and guilt.

If he didn't do anything, he would feel horrible. In fact, horrible enough to feel like dying.

“Hmmm, I guess,” Jian Yuncheng replied. He agreed to let Jian Yunnao wait in the car for them.

Jian Shuxing and Wen Nuan stayed back at the Old Jian Residence to talk to Grandma Jian. However, the other two left to go to the concert location.

However, Grandma and Grandpa Jian could see that their son and daughter-in-law’s attention was not on them. And thus, after talking for a short while, they decided to let the two of them go.

After everyone had left, Grandma Jian turned around and asked Grandpa Jian:

“Hey, old man, do you think Yunnao will apologize to my darling?”

Grandma Jian was still very concerned about this matter.

“How would I know? Who am I to ask if you ask me?” Grandpa Jian replied in an impatient tone.

### **Chapter 249: Waiting for Yiling**

As Grandpa Jian spoke, he was holding an orchid in his hands. He cradled the pot plant and appeared to be incredibly concerned about the flower in his arms.

“Old man! Why do you not care about your grandchildren’s matters?! What’s the use of worrying about your damn orchids?!” Grandma Jian cried out in anger.

“What do you mean damn orchids? Yiling saved this orchid for me! It almost died some time ago. I had lost all hope for it. However, our darling nursed it back to life! It took her an entire week to nurse it back to life! How can I not treasure this orchid!?”

Grandpa Jian grumbled back.

Orchids were precious. However, his granddaughter’s love and care were even more precious!

“Hey, old man! If your granddaughter saves your precious orchid, shouldn’t you care about her matters then?”

“Oi, old woman, if you care about it so much, why don’t you go and help her out?”

“Nope, I’m not dealing with this. They broke my darling’s heart. And you expect me to go and help them? No way in hell!”

Although Grandma Jian was concerned about the matter, she would never help them deal with it.

Why should she help them reconcile the matter? Back then, they hadn’t even asked her for her opinion before they punished her darling! They even dragged her to go and apologize to Jian Yunnao!

###

After a while, Jian Yuncheng and Jian Yunnao arrived at the stadium where Jupiter held their concert.

Just as Grandma Jian had predicted, Jian Yuncheng could see no sign of Jian Yiling and the others at the huge concert venue. Even though he had gotten tickets, he wouldn’t be able to meet Jian Yiling during the concert.

Jupiter's concert was a massive success. All of their fans were incredibly enthusiastic and passionate.

It was Jian Yiling's first time attending a concert of this kind.

Although she was a little uncomfortable, she still stayed to the end.

After the concert, Jian Yiling and the others arrived backstage.

As soon as Jian Yumin left the stage, the first person he ran towards was Jian Yiling.

Just now, Jian Yumin had expended a lot of physical energy on singing and dancing. As a result, he was still sweating and panting.

Jian Yujie began to diss his brother, "Hey brother, your performance today was quite average."

He had to have high expectations for his brother. If Jian Yujie praised Jian Yumin too often, Jian Yumin would become too conceited with himself.

However, Jian Yujie completely ignored his brother. Instead, he turned around to speak to Jian Yiling, "Crybaby, how was the performance? How'd you find it?"

"It was quite good," Jian Yiling replied honestly.

Upon hearing this, Jian Yumin started smiling, "Yiling has good taste. Unlike someone else."

As he said this, he glared at his brother. Jian Yujie was not cute at all.

Jian Yujie laughed before he said: "Well, Yiling is too kind. She doesn't want to make the situation awkward for you."

As the few of them joked around backstage, Jian Yumin's assistant came over and said:

"The CEO of Huan You Technology Corporation hopes to talk to you."

"Huh? Er... Let him come in, I guess," Jian Yumin said. As soon as he heard the title, he knew that it was none other than Jian Yuncheng.

And thus, Jian Yuncheng was brought to the backstage area.

"Brother Yuncheng, what are you doing here?" As far as Jian Yumin could remember, Jian Yuncheng wasn't fond of pop music. Furthermore, he was less fond of noisy situations. As a result, he would not typically attend concerts.

"I'm waiting for Yiling," Jian Yuncheng replied. As he said this, he directed his attention to Jian Yiling.

As Jian Yiling had been afraid of the cold, she had worn quite a few layers today.

The soft and fluffy clothes wrapped around her made her face appear especially small.

"Don't worry Brother Yuncheng. In a while, I'll bring Yiling back to the Old Jian Residence."

Jian Yumin planned to return to the Old Jian Residence tonight. As a result, he could bring Jian Yiling back home. Thus, there was no need for Jian Yuncheng to make a special trip.

Now that the concert was over, he could finally take a break for a while.

Furthermore, as of now, Jian Yiling was returning to the Old Jian Residence and not the Jian Residence.

### **Chapter 250: Gift from Yiling**

“Ah, yeah I know. Furthermore, I was just passing by. That’s why I came in to watch your concert,” Jian Yuncheng added.

This made Jian Yumin quite confused. Since when was Jian Yuncheng invested and concerned about his career?

“Hmm... Well, since you’re here, do you want to join us for a midnight snack?”

The concert was a success and thus, this called for a celebration. Due to this reason, the rest of the band members planned to head out for a celebratory dinner.

At first, Jian Yuncheng didn’t answer Jian Yumin’s question. Instead, he gazed at Jian Yiling and asked her:

“Isn’t it too late? Should we go home and rest?”

It was the first time that Jian Yumin and Jian Yujie heard Jian Yuncheng speak in such a tone! It appeared as though he was consulting someone else’s opinion for once!

What a rare occasion!

Yu Xi was also standing by the side. Although he kept silent, he couldn’t help but wonder about what was up. Jian Yuncheng didn’t behave like this usually. This was not his usual self! This made him quite confused.

Everyone’s gaze fell on Jian Yiling.

Jian Yiling reached out her hand and tugged on Jian Yujie’s clothes before saying, “I’m hungry.”

She was hungry and therefore wanted a midnight snack.

It was okay to sleep a bit later. However, it was important to replenish one’s energy. It’s important to treat your stomach well.

Upon hearing this, Jian Yujie said in a hurry, “Well, let’s go and have a midnight snack together! Let’s celebrate the perfect ending to your concert today!”

Then, he turned around and directed his words to his brother Jian Yumin, “Hey, when are we planning to leave? Yiling is hungry already! She’s so thin, and you’re making her wait for you!”

“Okay okay, let’s go.”

Jian Yumin replied in exasperation. His brother was such a brat!

Following this, Jian Yuncheng said, “Well, count me in as well then.”

“Okay,” Jian Yumin replied. He couldn’t say no in such a situation.

Jian Yumin was still relying on Jian Yuncheng to take care of the family’s company in the future. He was waiting to receive dividends and profits.

And thus, Jian Yuncheng called Jian Yunnao before leaving. He told him that if he was sleepy, he could sleep in the car for a while. Or else, he could call for a driver to pick him up and take him home.

Jian Yuncheng didn't plan on asking Jian Yunnao to join them for a midnight snack. The reason for this was because there was going to be a lot of people at the scene. Jian Yumin, Jian Yujie, and the other members of Jupiter were all going to be there.

Therefore, in this type of situation, it was inappropriate for Jian Yunnao to have a conversation with Jian Yiling.

Jupiter's concert venue was held near a restaurant.

The restaurant belonged to the Yu family.

And thus, Yu Xi decided to give everyone a free meal.

Everyone got along quite well. The members of the Jupiter band were courteous and friendly.

Together, they had a great time.

Out of all the band members, Luo Xun talked the most. He was the youngest member of Jupiter. And he was also the one who liked to talk to Jian Yiling the most.

He appeared to be like a clingy little puppy with curly eyebrows.

The more Yu Xi looked at Luo Xun, the more anxious he became. Couldn't Luo Xun see that Jian Yiling had three brothers protecting her?

Couldn't he see that even as her neighbor, he didn't dare to get too close to her?

Ahhh, this boy. He didn't have any foresight.

Whilst they ate, Jian Yiling took out a paper bag and handed it to Jian Yumin.

"Congratulations. Your concert was successful."

Jian Yiling had prepared a gift for Jian Yumin to celebrate the success of his concert.

It had been quite chaotic the backstage of the concert. As a result, she decided to give him the gift at the restaurant.

Upon seeing the familiar paper bag, the look in Jian Yuncheng's eyes was ineffable.

Jian Yumin was stunned at first. He hadn't expected to receive a gift today from Jian Yiling.

The surprise had come so suddenly. He didn't know how to react at all.

Then, he couldn't control the corners of his mouth upturning. He couldn't hide his smile at all.

"Oh my goodness. Crybaby, you actually gave me a gift!"

Finally, Yiling wasn't wiping all her tears and snot on him! Instead, she was giving him a proper gift!
